George Harris was handsome and pleasant and was liked by everyone in the factory where he worked. He had invented a machine for cleaning of hemp.

The factory owner was so enthusiastic about this invention. He was unhappy that George, a mere slave, was getting so much attention. He demanded George's wages from the factory owner and threatened to take him away from the factory.

The employer and factory workers all pleaded that George be allowed to stay but the cruel owner refused flatly. He wanted to show his power over George. So he took him home and set him to hoeing and digging. George did not say anything rude to his master but seathed with rage. After two weeks, the employer came to take him back to the factory but met no success.

George's master put an end to his matter saying, "It's a free country, sir, the man's mine and I do what I please with him- that's it !"

The period at his employment at the factory had been a happy one for George. During this time, he had married Eliza and his son Harry had been born. He was free to go across and meet Eliza, whenever he wanted.

*Soma taarifa ifuatayo kwa makini kisha ujibu maswali* **31 – 40**

"Heri kufa macho kuliko kufa moyo" Haya ni maneno aliyoyafahamu Mwaniki. Akayazika katika moyo wake. Yalikuwa kama mwanga katika maisha yake. Alielewa kuwa mtu akijipinda mgongo afanye bidii huenda atajaliwa. Twajua pia maskini hachoki akichoka keshapata.

**Aghalabu** mtu hafanikiwi kwa kulaza damu. La! Hasha. Hii ndiyo sababu wazazi wa kale walituambia ajizi ni nyumba ya njaa.

Japo alikumbwa na shida tele alikuwa na lengo na mwelekeo. Kwanza kabisa alianza kufanya kazi za kibarua. Alipopewa ujira wake aliuweka akiba akijua kuwa akiba haiozi. Basi akajishawishi katika moyo wake kuwa siku moja mola angembariki na kuwa tajiri wa kutajika. Aliona picha mwanzoni akiwa mmiliki wa duka kuu na maarufu mno.

Ungalitazama ujira wake na pale alipotaka kufika ili afikie ndoto yake, usingalipata ulinganisho. Alijitoa mhanga, akajifunga kibwebwe na kufanya kazi kwa bidii zake zote katika mashamba na majumba ya watu kwa juhudi za mchwa.

Kwa muda wa siku chache sifa zake zikaenea kote kama moto wa nyikani. Mara tu ungemtaja mtaani, barabarani ama popote pale, ushuhuda wa wasiomjua na waliomsikia ulishamiri. Kweli mtenda wema huitendea nafsiye. Kila tajiri alitaka kumwajiri awe penginge meneja wa kampuni yake au mnyaparo na kulipwa mshahara. Pendekezo hilo alilisusia kwanza kwa sababu aliona kana kwamba litampunguzia wakati baada ya kazi ya kutwa. Alitaka pia uhuru kuishi kwake ili aendelee kupanga mikakati itakayotimiza ndoto yake. Aidha hakutaka talanta yake ya kuc'.eza kabumbu izikwe katika kaburi la sahau.

Mtu mwema ni mwema tu, hata mlangoni mwa vijana hapo kijijini alikuwa mfano bora wa kuigwa. Inasemekana palipotokea tatizo au kutoelewana pale kiamboni, alichukua muda mfupi sana kuwapatanisha waliogombana. Watu wengi waliomkaribisha kwao. Wakati mwingine alikubali na nyakati nyingine alikataa kushiriki vyakula vya jioni. Sio kwa bezo bali kwa kutahadhari heshima zake.

Baada ya kufanya kazi kwa muda mrefu na kujiepusha na anasa kama vile ulevi, uvutaji sigara na raha za sampuli hii, alifungua kibanda chake akaanza kuuza sukumawiki, nyanya na mazao mengine wakati wa jioni. Wateja wakaanza kumiminika pale kadhani kulikuwa na sumaku ya kipekee. Majirani waliokuwa na duka pale, wakaanza **kumwonea gere** lakini hawakufua dafu. La ajabu ni kwamba wateja wake walizidi kuongezeka.

Biashara ikanoga. Ikabidi usafiri ubadilike kutoka baiskeli hadi pikipiki. Ustawi wa biashara ukashika kasi isiyo kuwa na mfano pale. Kibanda kikasalimu amri kikapisha duka huku barabarani gari la abiria lililojulikana na matatu nyingine.

Hatimaye ndoto ya kuwa na dukakuu na kuwa mwajiri ikatimia. Hivi sasa tunaposimulia makala haya yeye ni mfanya biashara mkubwa na mwenye mali nyingi. Ni wazi basi kuwa hata wewe ukitaka kufaulu maishani, jitenge na maovu ufanye ufanyavyo kwa haki na bila shaka nyota yako itang'aa.
