

Salt Of The Earth

If we should conduct a survey today for the church, those born of the spirit of God actually. And in the survey the question is asked; " Are you the salt of the earth?" Being children of God and their knowledge of it in the scripture, of course they'll say; " Yes of course!"

While it is good to be positive at all times, there are spiritual things not given or birthed by being positive, our journey for the kingdom isn't like a counselling or psychotherapy treatment where you'll have to say yes to all. We must walk into higher dimensions, there are dimensions you won't have access to or become part of if all you do is say " yes ". Surely we're all called by grace, but there are things given not by grace, you must become it. And one of the things the holy spirit will shed light in this message is " salt." Are you a salt of the earth?

Sorry to dash into this so quickly, but if you call yourself a child of God and you don't spend hours, no, let's regress a little, at least an hour per day praying to raise sacrifices unto God, then you're no salt of the earth, you're not an earth preserver. It is through your prayers raised as a sacrifice God will use as a gate way to breach the earth realm for Him to manifest and fulfill His will concerning mankind. Why else do you think men always ought to pray in the first place, it's not just an act of requesting from God, it is the only way there can be open heaven for God to invade the earth realm to fully establish His will.

Untill the will of God is established, the earth won't pass away no matter how worse it gets. The incense of men of prayers risen unto the heavens are what sustains the earth until the appointed time. Well the time is up already and God's will is about done already.

When a man prays only for himself, he prays for himself, but when a man prays the will of the Father there's an open heaven dawning upon him. This dimensions of heaven dawned from above is catalyzed from the heart of a man who has accepted Jesus and has prayed to resonate life from his heart as sacrifice which dissipates the thick cloud of darkness over him. Because it came from his heart, as he moves, it moves with him, but to sustain this heavenly portal that brings down the dimensions of heaven, he needs to pray lengthy hours even if it's not on a straight chain, he has to pray at interval to maintain or expand it.

The man who prays ceaselessly does not only dwell in the heaven through the portals he has created, rather he becomes a salt of the earth through which portals are opened in diverse territories for God to dominate the earth. The more God dominates, the more the earth is preserved. The man who prays ceaselessly prays the will of the Father, he doesn't only open a portal for himself as the selfish man will, rather God will open portals through him in territories he's not even aware of.

In summary, the only reason the earth realm is not yet destroyed is, because there are Intercessors who are keepers of portals, gate ways for heaven to collide with the earth realm, if they are gone the earth will be plunged into total darkness. Every time the lord destroyed the world or a city was because there were only very few salts, earth preservers. Just like Noah, Abraham and Sodom and Gomorrah, actually Abraham was the man of alters then, not Lot and how God wanted to wipe out the Israelites and spare only Moses.

However, one cannot pray if he doesn't have the spirit of God, if God's nature is not dominating his heart, it'll weary him, it'll be difficult, because of the weakness of the flesh, we must build God's nature in us through His word, because without life drawn from the word the holy spirit which prays in us will not be quickened to stir our hearts into an altar of prayer. Therefore if you want to be the salt of the earth, an earth preserver, you must be filled with life so God's nature will give you the hunger and prays through you by His spirit.

It is the perpetual life of sin lived by men that spoils the earth, the hearts of evil men becomes an altar of death that raises sacrifices which invokes the realm of Hades for demons to overrun the earth with darkness, this destroys the earth spiritually. And if God comes only to find the salts of the earth are few in numbers or of low salinity then, He'll have no choice but to remove His salt and wipe out the earth realm. This is what will bring about the rapture, then the tribulation will be for those who once had little salts but lost their saltiness, to strive and preserve themselves with the little salt they once had before they're martyred or the second coming. And so the Lord said;

Revelation 22:11

" Let the one who does wrong, still do wrong; and the one who is filthy, still be filthy; and let the one who is righteous, still practice righteousness; and the one who is holy, still keep himself holy."

What this means is that; if you are wicked (a sinner) now and you're left behind after the rapture, during the tribulation it'll be hard or impossible to repent since you never had any salt to begin with unlike those who were in salty but lost it. It's a terrible gamble to be left. Well this not our message today.

The reason we know the world is about to come to it's end and the reason why Jesus' coming is quick, is, because God knows that we will continue even deeper in sin, the rate at which sin grows rapidly is faster than the rate at which salts are being produced. And the reason the earth is still standing is because these salts produced are the preservers for God to complete His will on earth, once His will is complete and I tell you He's about done, the preservers and his children will be removed.

The reason I said " preservers " and " children," is because they're of different class. Preservers are mature Christians who has attained maturity with deep intimacy with God. They're Intercessors who knows the will of the Father and stands as high priest to raise sacrifices from the alters of their heart for God to function in the earth realm, while the children are born again, but of low stature, sorry to use the word.

We must spend hours in prayers for the earth to be preserved just as men spend hours in sin. If you don't preserve the portals of heaven, there won't be any left for God to find expression in a territory. It is when prayers are being raised as offerings then, portals will be opened as entrances for God to be made manifest in a territory. A country might be doing well and living the good life, but at the other side they're being held captive as slave to sin. Many no longer see reason to pray, because all seems well physically.

One who refuses to pray because all seems well has neglected his duty as a man. What you don't know is that you've been stigmatized with death, because the presence of God is lacking. Don't wait for the time you'll realize this physical realm is more like a magazine that'll be tossed in the trash after it's been used. All your story and life will be tossed in the trash and then you'll come to reality, (eternity) and find out you're like a poor man who's just whiling away time reading a magazine he hoped to appear on. Then you'll know that when the Lord said pray, there's also an eternal reward attached to it.

If we really say we are what we truly are, then the earth won't be in the verge of destruction, it is the intensity of the earth's decay spiritually caused by demons that is being reflected in the physical. And we mortals are the cause. There's a grave danger when we refuse to pray. If you live in sin, see yourself as a captain in charge of demons to invade the earth, if you refuse to pray see yourself then, as a weak warrior who refuse to guard the portals of heaven in earth.

We must shift our prayer location into a transits location. As men move around territories as alters of death, we also must pray constantly in our heart as mobile alters of life. As men not only do evil in a location, but rather continue in evil in their heart, so we also, must not dwell in a location for prayer, but rather continue in prayers as we go on about from place to places. Well you might be wondering how this is possible. Have you ever asked yourself; " how is it possible to live in sin freely?" with God all things are possible, you only need to be reconfigured back to His nature.

Prayer in the heart or meditation is what builds Intimacy with God, a prayer that doesn't pray for demands but only the will of the Father or as a communion, a communication with God is the kind of prayer that build Intimacy and it is this intimacy that increases the intensity of God presence in us, which expands the presence and multiplies the gateways of heaven on Earth.

We really should talk a little on how to pray the will of the Father. To pray the will of the Father is to pray forsaking your material demands. You see, prayer is a communion, a relationship with God and this communion can also be translated or converted into sacrifice. Prayers become a sacrifice only when it is for the will of the Father and your heart (alter) must be in order, else it'll be rejected as Cain's. Any sacrifice that is mixed with self desire becomes a sacrifice of Cain. Why ask God for material bread when He's promised He'll provide, even your afflictions, if you can just become more intimate with God and grow rapidly, His presence and life in you will nullify any darkness immediately.

The devil seems to have gotten many real good, how can you war against darkness or demand for bread if you don't have the spiritual stature built on the foundation of Intimacy with God, and how can you ask for bread if you don't dwell in the word to have faith, heavenly currency to purchase from heaven. You now see why you pray and it seems as if God doesn't hear. Don't worry about your needs, God will provide anyway, anyhow as long as your obey and walk with Him, not just obedience, but journeying deeper in His presence.

A man becomes a salt of the earth through constant prayers, while many might pray for hours in a secret which is good, but we must learn to pray always in our heart just as men sin every second. It is our prayers that rises up to God as incense that dissipates the thick cloud of darkness caused as a result of sin risen as a sacrifice to invoke the demonic realm. When these clouds are destroyed, it opens the heaven for God to begin to gain access to the hearts of men in other for men to be saved from darkness. As long as God gains ground, the decaying process of the earth will declines gradually.

Here's how to pray always, when you do this you become a constant burning sacrifice, a salt that preserves the earth, and when you journey into eternity, books will be opened and you'll be judged and rewarded according to the salinity of your salt.

I'll give some scriptural references, then show you also, how I do pray without ceasing.

1Corinthians 14:15.

" What should I do, then? I will pray with my spirit, but I will pray also with my mind; I will sing with my spirit, but I will sing also with my mind."

Colossians 2:6-7

" So then, just as you received Christ Jesus as Lord, continue to live in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness."

Ephesians 5:18-20

" Do not be drunk on wine, which leads to debauchery. Instead be filled with the spirit. Speak to one another in psalms, hymns and spiritual songs, sing and make music in your hearts to the Lord, always giving thanks to God for everything, in the name of our Lord Jesus Christ."

1Thessalonians 5:16-18

" Be joyful always, pray continually; give thanks in all circumstances, for this is God's will for you in Christ Jesus."

Praying without ceasing is of heart, it's not in the mouth but in the heart, for me I meditate on these;

- Thank you Jesus, thank you Lord

- Take more of me and give me more of you
- Jesus, (continually in my heart)
- Locate me Lord in your mercy
- in the name of Jesus, the blood of Jesus
- Then I switch to spiritual song at times

You can add yours if you feel like.

These are all prayers, as long as you are communicating with God, what do you think happens when you're disconnected from a dear one for a long time, there be a decline in relationship, so it is with God.

I was listening to Andrew Wommack's some time ago, and he was saying the same thing, he did said " even if you look at the trees and say, God they're beautiful!" That's also prayer, he said. These are what many don't know, but this was the daily life of the Apostles. Peter would say;

" But we will devote ourselves to prayer and to the ministry of the word."

[Acts 6:4]

how do you think they become powerful, it wasn't only because they were appointed by Jesus. Let's not digress further.

As we do this we interact with God, we build Intimacy with Him, one of the major will of the Father is Intimacy, and Intimacy with God births and gives access to diverse dimensions of Him. I don't like talking about earthly blessings, but it is in Intimacy you get all these, but more importantly your Intimacy is converted to sacrifice and offerings in which God will use for the establishment of His Kingdom.

As long as a man is in sin, he's a constant twenty four hour death offering giving demons authorization to spoil the earth, God's investment ground and If you can't even sustain an hour of prayer, well you're weak, because you're not yet filled with the holy spirit.

One cannot pray unless he's quickened by the holy spirit, and one cannot be full of the holy spirit if he doesn't dwell in the presence. And those, who live in luxury, don't think all is well in this cartoon of a world that isn't real, secure your eternal throne in God's kingdom and not in this cartoon. Nobody prays the will of the Father and goes unrewarded even in this world and in the world to come. Be a salt.
