MARRIAGE OF AISHA (R.A) AT 9 YEARS OLD.

This is so STRANGE why?.

I checked one page on Facebook and whatsApp platform our brothers were busy arguing with Christians about the age of our *Mother Aisha (R.A)* and many of us can't defend ourselves on this issue but let me make it clear. While the disbelievers were busy calling HIM (Prophet PBUH) a Pedophile.

Waiyyazubillah

The Muslims were busy faulting Sahih Bukhari so as to "cover-up" the issue.

The aged were like: that's extremism.

Aisha (RadiAllahu Anha) said, I was given in marriage to the Rasuulullah (SAW) when I was 6yrs old, and he consummated the marriage when I was 9 (Bukhari).

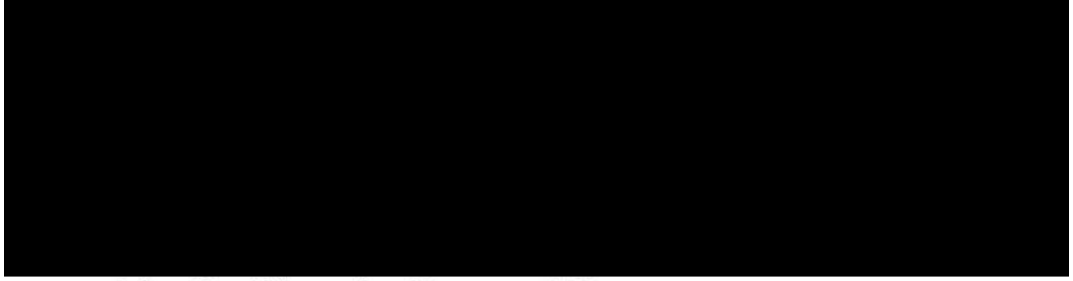

Rather than calling it a da'eef hadith, to please your non-Muslim friends who are insulting your Rasoolullah (SAW), just be silent, or ask the scholars and read more about Seerah (history) and perhaps Allah may grant you the Hikmah (Wisdom) behind it.

Have you ever asked yourself? Why is it that during the days of Quraysh, they called the Rasulullah (SAW): Magician, madman, and the

[redacted]

Rasulullah (SAW); Magician, madman, and the likes but *NEVER* called him a Pedophile if this accusation was true?
They never raised any question about his marriage to *Aisha (R.A),* why?
Because it was *NORMAL* at that time, girls at that age were suitable for marriage at that time,
Did you know:
-Saint Augustine (350AD) married a 10 year old girl
-King Richard 11 (1400AD) he married a 7yr old girl.
-King Henry Viii (1500AD) he married a 5yrs old girl.
Even in the BIBLE it says:
....But save for yourself every girl who has never slept with a man (numbers 31. 17:28).*
According to the catholic encyclopedia, Mary the mother of Jesus was 12 when she married the 99 years old Joseph.
Before 1929, church of england ministers could marry 12yrs old girls in Britain.
Up till 1983, catholic canon laws permitted priests to marry off brides at the age of 12.
In the United States, back in 1880, in the state of Delaware, the minimum age for marriage was 7yrs

[redacted]

and in California it was 10.

.

So *Aisha (RadiAllahu Anha)* was *NOT* a child
when she was married! We live in a society where good is condemned at every slight opportunity but evil is encouraged even when its flaws are crystal clear.

How strange The Nigerian constitution says:

An 18yrs old can vote

An 18yrs old can go to jail

An 18yrs old can contest for political positions

An 18yrs old can travel outside d country all alone.

And YET, an 18yrs old can't marry? But our 12yrs old Girls are having boyfriends!

.

Did u know? When Sofiyyah bint Huyay was married to the Muhammed (SAW), she was just 17yrs old? And that was her THIRD marriage She was initially married to Salam ibn abi Haqiq and later to Kinanah ibn abi Haqiq!

Imagine how old she was during her first marriage?

Are you clarified now?
