CLARIFICATION OF IDENTITY

(Iyke Na than Uzorma is not Protus Na than Uzorma)

Following the column of Prof. Protus Nathan Uzorma (Nathan Uzorma Protus) on 'Philosophical Reflections' every Wednesday in the 'DAILY SUN' newspaper (Nigeria), several people at one time or the other, have genuinely sought to know from us whether Prof. Iyke Nathan Uzorma, Harbinger of the Last Covenant, *(of the former Occult Grand Master, now in Christ fame)* is the one writing 'Philosophical Reflections' in the'DAILY SUN.'

Some people, however, having mistaken Protus Nathan Uzorma to be Iyke Nathan Uzorma, have cast aspersions on the latter based on the writings of the former. For instance, one Onyero Mgbejum in an article posted in the website (**www.sunnewsonline.com**., 'The question of virgin birth and the deity of Jesus,' Thursday April 16, 2009), judged and condemned the Harbinger of the Last Covenant (IYKE NATHAN UZORMA) while reacting to the article of Protus Nathan Uzorma. Part of what Onyero Mgbejum wrote, reads:

> "I read with keen interest and inclination towards asking searching questions, the articles written in your widely read Daily Sun newspaper of Wednesday, March 18, 2009. In the two articles written by Sina Adedipe and Prof. Nathan Uzorma Protus, the questions of Virgin Birth and Deity of Our Lord and Saviour Jesus Christ are subjects of comment by the two writers. In his article Prof. Uzorma said that 'the great question to the Christian world is: Why is the virgin birth of other star beings and sages said to be demonic and that of Christ divine'…. Things of the Spirit can only be perceived by those who have the Spirit of God, those who have accepted the Lordship of the Lord Jesus Christ. People like Prof. Iyke Nathan Uzorma… is deceptive and thus should be regarded as an antichrist… Prof. Iyke should also be regarded as an atheist empowered by Satan to confuse and deceive people."

While we pray the LORD to forgive Onyero Mgbejum for this malicious error, including those who falsely allege that Iyke Nathan Uzorma has gone back to the occult and for whatever the powers of darkness have used same to achieve, we also advice anyone who claims to 'defend' the LORD to be very watchful

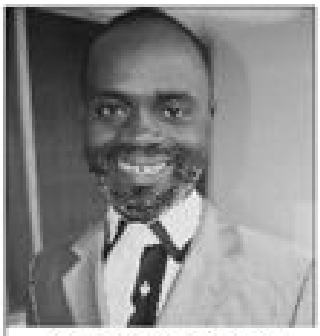

through the Holy Spirit, so that one will not degrade the true work of Christ while ‘fighting’ for the Almighty. And for the avoidance of doubt, let it be known that Prof. Iyke Nathan Uzorma is the elder brother of Prof. Protus

Nathan Uzorma. Both are different persons from the same parents. While ‘Nathan’ is the family middle name, ‘Uzorma’ is the family surname.

Remain blessed!

THEE I SEEK ALPHA (Morning)

Behold, darkness flee before Thee. Even now shadows depart and fade away.

O my LORD, the Omnipotent, You are powerful than fire. O my LORD, You are the consuming Fire. O my LORD, here is myself, and those with me, servants of the Great One Jesus Christ, who by Thy Eternal Power have come to this new day.

In this Thy new day, grant us purpose and will to accomplish Your Divine Plan. Let Your Spirit descend and dwell in us as understanding; and within the altar of our hearts, descend as peace.

For there is no God but Thee, Our Father, the Source of all that be. There is no God but thee, Our Father, who sent Christ to die for our sins. There is no God but thee, Our Father, whose Spirit is everywhere at all times managing all things.

Before the Throne of Your Eternal Majesty, let the lesser purposes of spiritual ignorance and desires of the flesh, even of lack and pain in our lives die. Let them flee from the rays ofYour Supreme Light.

O my LORD, the Father of all things, Let Your Holy Spirit pass through our bodies, our souls and spirits.

Remove, banish, all that are less than the perfection of Christ in our lives. All that are not planted by the Holy Spirit in the stream of our lives, let them depart and fade away.

O Lord of Life and Maker of the day, we ask of Thee whatever good You have for us this day and the good that shall follow. And we seek refuge in the BLOOD OF OUR LORD JESUS CHRIST.

Purify our hearts and our minds, and let Your Holy Spirit dwell upon the altar of our hearts, now and forever.

In the name of Our Lord Jesus Christ, Amen.

THEE I SEEK OMEGA (Evening)

Because the created Universe exists, THAT which produced it must have been operative prior to and during its appearance. That same Power must exist and operate now in order for creation to be sustained. If these were not true, creation would have vanished.

I am not a product of this world; I am not a product of this world; I am not a product of this world.

Therefore THAT which sustains the universe sustains me. I am sustained, supported and supplied by the Self Operative Process, the Omnipresent Holy Spirit, that sustains and supports the entire Universal Systems.

GOD, who is the sum-total of all the visible and the invisible realms of existence, (the I AM that I AM and besides ME is no other else), is both the Creator and the created.

I am then part of GOD, actually living and having my being in HIM. My Creator and Sustainer is in me, through me and around me.

HE is the life of my life; HE is the mind of my mind; HE is the substance of my flesh. HE is my immediate supply and in HIM is the complete support of my entire being.

My supply is at hand. It fills me, surrounds me and is poured out upon me from everywhere. Supply follows me anywhere I am and in whatever I do. My supply is constant and exhaustless and I am richly endowed with all the good things in Heaven and on Earth.

O my LORD, let me be conscious of Thy perfection in me.
O my LORD, preserve a balance between the seen and the unseen.
O my LORD, help me to see Thee in all manifestations.
My heart desire is to do Thy will, in the name of Our Lord Jesus Christ.

Amen, Amen, Amen.

INTRODUCTION

After my great encounter with the limitless Power of the Lord of the Universe in the realms beyond, I received the Lord's specific command to 'go and bear witness of His glory to the faithful and the faithless'. In fulfilment of this I have, by His special grace, been reaching out to people, making expositions and holding programmes in diverse places.

During one of such programmes in which I was invited as the guest speaker, the host Bishop while introducing me to the congregation said among other things that "Iyke Nathan Uzorma is a man of many parts." After my ministration I went to the guest house to pray and rest. Then this phrase "a man of many p ar t s" strongly came back to my mind.

I began to think that all the paths of life in this Earth plane of existence are within the framework of dichotomy, that is between two major parts, vis-à-vis light and darkness. I knew that within the realm of darkness wherein is found all the abominations of life, including occultism, witchcraft, necromancy and much more, I played the ultimate part to enhance it in the past

Then I considered my present life. By the special mercy and grace of the Almighty Lord, I am now a child of Light and His Messenger for this era. I know,

however, that all these are manifestations of the fulfilment of my soul destiny, to the glory and praise of the Father through Our Lord Jesus Christ

My thinking was deep in this connection that I did not consciously realize when I exclaimed: "Thank You my Father, my Lord and my God." This took place when I deeply considered how myself who was a grandmaster of the occult realm, is now a minister of the Gospel of the Kingdom of Jehovah God and His Christ. Consequently, I concluded that my host Bishop was right after all to have referred to me as a "man of many parts."

I have always said that I am my own number one evidence on the matter of the reality of God's Power. My foremost evidence that the Holy Spirit is real is not what He did through Moses, Elijah, Daniel, Peter, or Paul, but what He did in my life. With what He did in my life, I need no one again to preach to me that He is

real. What He did in my life, therefore, became my seal of conviction that all powers without Him are invalid

When I think of the greatness of His call upon my life, I always remember both the Prophet Moses and Apostle Paul. In the case of Moses, the great Messenger of God, he was well versed in the crafts of darkness in the land of Egypt, before he rose at last by the Spirit of God to proclaim the endless Power of the Living God Jehovah. The Scripture says: *"And Moses was learned in all the wisdom of the Egyptians…. "(Acts 7:22)*

The Egyptian wisdom mentioned here stands for the esoteric and occult mysteries of the ancient Egypt. Moses was learned in them all, meaning that he studied and mastered the occult network of the land of Egypt. But at last Moses encountered the Fire of God, the Supreme Light, and was thus changed. He became, in his time, the Prophet of the prophets.

Saul who later became Apostle Paul also was, before his divine encounter with Christ, a principal agent of darkness. Working strongly under the influence of the powers of darkness, via the perverted consciousness of religious fanaticism, he pummelled the followers of Our Lord Jesus Christ in diverse ways. But at last the Lord called him and used him to champion the course of Christianity among men. Things like this happen to show forth the evidence of the Power of Jehovah God and His Christ.

Now, when the Lord called me, He designed by His grace to use me in His Kingdom. I did not call myself, but He called me from the peak of occult and esoteric mysteries, to serve Him and bear witness of His Power to the faithful and the faithless. In spirit He ordained me His Prophet and set me apart to serve in the tabernacle of righteousness before the glorious Throne of the Lord of the Universe.

This is His Will for my life in fulfilment of the

mission of my soul destiny on Earth. To bear witness of Him, I was further set apart as an Evangelist before His Throne. And it came to pass in the realm of the Highest that the Lord said to me: *"Apostle Iyke, rise before Me and chain the rebels."* Thereafter I understood that He has also empowered me to serve as His Apostle in the world of man. Not all those who use the title "Apostle" now on Earth are truly empowered by the Spirit of God. A true Apostle of God must have, by the special grace of the Father, seen the Lord face to face and be divinely empowered as God's Apostle on earth by the Holy Spirit.

When, at last and in spirit, He called me *Harbinger of\ the Last Covenant,* He made me at last to understand the essence of this office. "Harbinger of the Last

Covenant” is the spiritual office set apart for the operation of the Prophet of the prophets in this era. What the Lord said in this connection is already published in my book entitled ‘The Greatest Revelation of our Time.’

Consequent upon my strange encounter in the spirit realm with, and submission to, the Lord Jesus Christ, He began to teach me His ways. By His special grace, He manifested and taught me in spirit at diverse times, which He still do unto this day. By His teachings, mysteries are unveiled, whilst some of these are published in this book.

This book, Secrets From Heaven, is received from the Lord for the children of men of this era. Let the

present and the future man therefore read it and be strong inspirit.

He who has ears to hear, will through this holy book receive more divine guidance to walk on the path of Light, now and forever Amen.

-Iyke Nathan Uzorma

CHAPTER 1
KNOWLEDGE IS POWER

In Spirit I was caught up one night into a realm of the Most Holy and the Most High Redeemer of the Oppressed. I found myself standing in the midst of the signet of Universal Power, which first appeared in the Eastern sky. Then the Word of God came to me, saying:

> *"O ye Iyke, as I raised My Servant Moses In the house of Pharaoh, wherein he understood the mysteries of Egypt, and returned to lead the children of promise, even so have I raised you. I caused you to be raised unto Me from the deepest realms of darkness, that you may return and bear witness of My Power to the faithful and the faithless in your world. For, behold, you are My Messenger in your time; verily, you are the Harbinger of the Last Covenant."*

As these words from God's Throne came to me with power, I began to consider my life, both past and present. Again, the Word of God came to me, saying:

> "*Know and understand that there is nothing* which I am not, there is nothing which is not Me and there is nothing which I cannot do. I am in all things, for without Me was not anything made that was made. Son of man, I am that which is thyself, and that which is forever beyond thee is Myself. Behold, you are ordained and set apart in this era, even by My Word, to bring forth

the message and reveal secrets for the spiritual elevation of the children of men."

DIVINE GUIDE

This book therefore brings to mankind, the faithful and the faithless, secrets from Heaven. It contains some of the messages I received from the Lord and His Holy Angels at diverse times for man's victory in the battles of the great life and for the elevation of spiritual consciousness.

Let the reader of this holy book do so under the guidance of the Holy Spirit and be led to a higher level of divine knowledge and spiritual strength. Certainly, he who reads and understands will rise beyond whatever is his present level in spirit.

In the eternal strength of the Omniscient God, he who has ears to hear will practically live above the ubiquitous network of bondage. Children of men, knowledge is

power. But remember that higher knowledge brings higher responsibility. In the days of old, God spoke through Prophet Hosea and said: *"My people are destroyed for lack of knowledge"(Hos 4:*6) It means that spiritual ignorance, designated as 'lack of knowledge', is a major framework of destruction.

A person or group of persons can be manipulated and destroyed via the lack of bonafide spiritual knowledge.

KNOWLEDGE FOR INCREASE

When you are properly situated in knowledge: the knowledge of God's Universal Laws and Love, the mystery of holiness, the mysterious mechanisms of the Cosmic Forces, foundation of divine power, amongst others: such knowledge forms the basis of divine protection of the Holy Spirit upon you.

I tell you the truth, the bonafide spiritual knowledge which will bring one to a higher point of God's strength, will flow from the supreme fountain of the Godhead into the world of man, via a human channel empowered for this purpose. Any knowledge that originates from this dimension of the Sole Ultimate Reality, will surely increase the awareness of the Limitless Power of God in man's consciousness.

This increase of the power within, is the consummation of love, righteousness, light and victory from the Throne of His Eternal Majesty, Our Lord Jesus Christ.

It culminates ultimately in the full awareness of spiritual freedom in all the realms of the Universe.

LIMITATION

Children of men, when you receive knowledge from the source, nay the faculty, of the human mind, and not from the multidimensional realm of the Holy Spirit, your mental and emotional systems may be stimulated and gratified on the so called endless path of searching for the Almighty.

This path of endless searching has its structure not within the system of God's Light, but within the lower realm of illusory phantasmagoria. In this lower region, falsehood reigns as 'King' upon the mighty throne of manipulation. Earthmen, manipulation and falsehood are the principal agents of ignorance, the father of destruction.

Now, if the Spirit of God does not directly inspire and lead the human mind, the mind on it's own cannot propound or bring about the bonafide knowledge capable of establishing man on the true path of Light, wherein lies the meaning and essence of existence.

The human mind operates under the limited influence of time, energy, space and gross matter. This brings about diverse degrees of defects, to the extent that what the mind originates cannot and can never rise beyond the elements of the physical and the metaphysical systems.

THE NECTAR OF KNOWLEDGE

Therefore the nectar of the highest spiritual knowledge ever revealed in the world of man, are the teachings of Our Lord Jesus Christ. In all the sacred writings of the world religions that I read, such as Torah, Koran, Zohar, Upanishads, Shariyat-ki-Sugmad, Lotus Sutra, Srimad-Bhagavatam, Grail Message, Bhagavad-Gita, amongst others, the teachings of Our Lord Jesus Christ in chapters five to seven of Matthew to me transcends them all, in all matter s of the perfection of character.

Earthmen, any objective analysis you make by the Holy Spirit, will show at last that the conducts of religious heroes, such as Zoroaster, Gautama (Buddha) Guru Nanak, Rabazar Tarzs, Krishna, Caitanya, Confucius, Lao-tzu, Abd-ru-shin, Spencer Lewis, Baha'ullah, amongst others, are feeble in approximation to the standard of Our Lord Jesus Christ, in the light of the perfect example for

mankind.

The teachings of Christ came into the world of man, not from the limited faculty of the human mind, but from the Universal Mind of the One Eternal Spirit (GOD), which again was Himself in disguise.

When we sincerely come to the subject matters of true love, consummate spiritual freedom in the Universe, perfect victory in the spiritual and metaphysical battles of life, holiness, manifestation of sole ultimate power, and salvation for man via the most righteous Blood, only Christ not otherwise can stand in all the realms of Earth.

MASTER OF MASTERS

In the light of these, the teachings of the Gurus of India and Lamas of Tibet, who are custodians of the mysteries of esoteric recognition, are minute. Also minute in this connection includes the teachings and philosophies of such great philosophers as Zeno, Plato, Socrates, Kant, Spinoza, Pythagoras, amongst others.

Our Lord Jesus Christ came as the perfect example for man, by His teachings, by His life and works. He came as the Perfect Man to reveal the Way to God; but more than that, He is the Perfect God. Thus Jesus Christ remains the true God man in eternity. Therefore even following the teachings, life and works of the Prophets of old alone: Moses, Elijah, Daniel, Noah, Isaiah,

Ezekiel, Jeremiah and others, without the recognition of | Our Lord Jesus Christ, is also minute.

MORE TO KNOW

However, inspite of all that He taught, which hitherto stands on the highest degree of spirituality ever revealed to the children of men, Christ still made it clear that there were several things which He did not teach. He once said: *“I have yet many things to say unto you, but ye cannot bear them now.” {in.* 16:12)The *“many things “* or higher spiritual principles and matters, which the Lord did not teach then, would have, if He had taught such things, surely added to the spiritual values for man on his way to God.

Christ left the Earth Planet with the most profound aspects of the teachings that He brought, not because those teachings were not cogent, but this He did because the inner psychology of the earthmen at that time was not ripe enough to

absorb more than what He gave.

The most important point here therefore is that the spiritual knowledge brought into the world of man by the Lord of the Universe, is what sustains the spiritual thought of true believers and seekers of Light. I have said that this spiritual knowledge must be recognized as ultimate in the Holy Scriptures and in all the sacred writings of the world religions.

Nevertheless, this most important point also includes the fact that all that were taught by Our Lord Jesus Christ is a finished product in one sense and is not a finished product in another sense. Such teachings stand as a finished product in a relative sense, when the inner psychology and development of the collective consciousness of mankind as of then is considered.

To this end, the teachings of Our Lord Jesus Christ became a finished material to the extent that it served as a framework, a guideline, for the recognition of greater reality. Again, children of men, in another sense the teachings of our Lord Jesus Christ is not a finished issue. This means that such is not static, rather it is in a state of becoming.

This is so when we take into account the sole ultimate truth which man must learn in eternity, beginning from this world. Earthman, in eternity you must learn. And it shall come to pass in the light of this, that whatever you know now, and that which you shall know hereafter, shall someday and somewhere in existence be recognised as a mere guide for elementary education.

With this recognition will also come the consummate awareness that, this guide or teachings used on Earth for early or elementary spiritual education, is not invalid but valid within the system of thought and purpose for which it was approved by the Lord.

BEYOND LIMITATION

It follows therefore that the spiritual values and perceptions of the Holy Teachings of Our Lord Jesus Christ, should grow and expand. The spiritual knowledge of the Supreme Consciousness of the Almighty God, is forever set forth to rise. When this sole ultimate multidimensional consciousness radiates in the world of man, because it is in motion to rise, it will therefore rise from what Christ taught, which we know, to the *“many things” which* He did not teach then.

Remember that the Lord also promised that the things He did not teach would be revealed someday and taught at last by the Holy Spirit. Consequently, he who

is fortunate among the living to be taught by the Holy Spirit, to be taught in spirit by the Lord of the Universe, may be brought face to face with some of the “many things” which Christ did not directly reveal while He was physically on Earth.

This experience and realization will bring an expansion and growth in the love, power, holiness, and knowledge of the Kingdom of God within. One who has come to this realization also will serve as a channel for the elevation of spiritual knowledge among men.

THIS TREATISE

Herein lies the purpose and mission of this treatise: SECRETS FROM HEAVEN. By the special grace of God I bring to mankind ‘Secrets from Heaven’ to add to the means of spiritual elevation in this age. In the realms divine, I was taught several things by the Lord and commanded to publish same among men.

It is expected therefore that SECRETS FROM HEAVEN will pass across a message which will do something specific in the life of the reader, something that will truly advance your spiritual thought in the strength of the Holy Spirit. Let anyone who has ears to hear read this book and live, not as a slave, but as a true citizen, in the creation of the Almighty God. So let it be. Amen.

CHAPTER 2
BLESSINGS FROM THE REALM OF CHRIST

One early morning, as I was praying, I *heard* a great voice from above which said to me: *"Son of man, come up higher"*.

Then I was caught up in spirit into a realm of the Holy Spirit. At last I found myself standing upon what appeared to be a mountain of splendour and great light. From this mountain, which is beyond what words can express, the world of man was revealed to me. I saw the Earth planet floating on the ubiquitous space as the region where darkness is found.

Above the mountain upon which I stood, appeared what looked like clouds mingled with the morning dew. In the midst of this clouds, I saw seven mighty Angels of the Almighty God. Their appearance was like that of the clouds, as if they were made from the fabrics of clouds of Heaven. I heard glorious sounds of great hymns of new songs, coming from the invisible realms of the clouds wherein were the Angels.

I saw when the seven Angels held a majestic Throne. I understood within that this was the Throne of His Eternal Majesty, Our Lord and Saviour Jesus Christ.

The Throne I saw was like fire: It is powerful than fire: For the Lord my God is the Consuming Fir e.

IN HIS PRESENCE

And it came to pass that the Most Holy One, the King of kings and Lord of lords, emerged like a flash of light and sat upon the Throne. *He was clothed with a scarlet robe, His vesture dipped in blood* (Rev. 19:13)

When I saw the Lord, a powerful thought current ran through my mind, as if someone was saying to me: *'This is the Word of God!'* And I said, Amen. When the Lord came to sit on the Throne, thousands of Angelic and glorious Beings, some beyond human description, also appeared. They fell on their faces in absolute obeisance to Our Lord Jesus Christ who sat on the Throne. Great hymns were also rendered in praise of the Lord of Hosts and Saviour of the Universe.

THE WATCHER

Then a strong spirit Being, clothed in a purple robe, rose from the realms beyond and stood before the Throne of the Lord. This was a Watcher and one of the holy entities of the realms of Light. The Watcher is among the Living Creatures in

charge of the limitless invisible currents of the Almighty God that sustain the rotation of Earth and the Planets, including the Sun, Moon and Stars, on their axis and orbits.

When I saw the Watcher and heard the glorious songs, a verse of the Holy Scriptures came into my mind, which says: *"Bless the Lord, ye His Angels, that Excel in strength."* (Psalm, 103: 20a) Remember that in the Bible, Prophet Daniel spoke of the Watchers in verses 13 and 17 of the 4th chapter of his book. I saw when the Watcher received from the Lord a razor, a jar of oil and an arrow. These were given to him for the time appointed in the world of man, even the hour of fulfilment.

POTENCY OF HIS WORDS

Then the Lord of Creation spoke concerning the children of men. He spoke for the "sheep" and for the "goat". His Words went forth and stood for a day and for days, but these I was commanded not to reveal.

Now it happened that the Watcher came and stood with me upon the mountain. Then the Lord spoke to me. As He spoke, His voice filled the endless realm. His voice shook the very foundation of the holy mountain, as if it shook the heavens and the Earth. He said to me:

DIVINE MESSAGE

"Son of man, rise in the strength of My Spirit and take this message to the people of your world, even the children of men. Behold, I have laid the foundation of a new world, to bring forth the fruit of righteousness.

"Upon this foundation is your mission, for which you are sent forth as Harbinger of the Last Covenant. Proclaim that which you receive from Me. But know thou this that you are chosen to receive from Me the understanding that will increase My Love, Knowledge and Power on Earth in this generation of men.

"Son of man, the hour of your world now before Me, thy Lord, is the moment of righteousness. *Verily, My judgement of fire is kindled among men. And the hour is come when the faithless will find himself where he least expected. Behold, this would be made manifest by My coming, by the presence of My Spirit in your midst, O son of Man."*

As the Lord was speaking thus to me, I fell on my face and trembled as if my inner strength was completely

taken away. The Watcher from Heaven touched me, saying: *"Harbinger of the Last Covenant, be strong for the Lord is with thee."* He gave me something like coconut to eat, which I ate and regained my strength. The Lord spoke again and said:

"The faithful must know that I, even I, thy Lord, shall chastise many that stand on My name, whose Lord I am, but who are not firm on My path. This will come to pass so that they would not be condemned at last along with the multitudes, who shall certainly fall in this generation of men.

"Son of man, now I warn the children of men sternly: behold, I send My last warning to the people of your world to return to Me and be saved from the hour of great upheaval, which will surely come upon the people of this generation."

This warning came with great force, as if it was in motion to shatter the unrighteous deeds of men. My thought went deep within me on what I heard from the Lord. I realized that the believer who is not firm in the Lord, may be chastised in one way or the other as a measure of correction, so as not to be condemned at last with the people of this world.

I thought of the Lord's stern warning to the people of this world. Then a

thought came into my mind. It was a question that came thus: ‘what of those who are truly faithful in the Lord?’ Then the Lord spoke again and said:

> “Son of man, say to those who are firm in Me; those whose faith and love are upon Me; those who walk in My light, even My righteousness: Behold, I am the Fountain, lam the Living Water, lam the Teacher and the Everlasting Life. I am everything to thee. O ye faithful, I seek to guide thee, and verily, as many as seek Me shall receive guidance. This is the portion of inheritance of as many as believe in Me.”

TEN BLESSINGS

Then the Lord rose and proclaimed ten blessings upon the faithful children of men, who walk on the path of the Holy Spirit, saying:

> “Blessed are they who are watchful, who do not follow the path of the false prophets, for by reason of My Spirit they shall not go astray.
>
> *“More blessed are they who, on account of being watchful of the structure of deceivers, do not deride those sent by Me to heal the deluded people of the world.*
>
> *“Behold, those who being watchful do not cast any iota of aspersions on Me, when I appear on Earth in disguise, are trice blessed.*
>
> *“Blessed are they who walk on My narrow path, who do not impede others from walking in My freedom, for they are free in all the realms of life.*
>
> *“Blessed are they who recognise My Word when it comes to them, for, behold, they shall lead others on the path of life into My Kingdom.*
>
> *“Blessed are they who recognise and understand My foremost principle of ‘live and let live’: who do not sit in judgement against their fellow men, for the hour of their reward is now.*
>
> *“Blessed are they who are filled with My Spirit of love and born with My Spirit among men; of a truth this generation of men shall be rescued because of them.*
>
> *“Blessed are my Elects, the true members of the universal movement of My Eternal Spirit; behold, they are forever beyond the reach and attack of darkness.*

“Blessed is he who honours those that think of Me, for My grace shall be his portion, to lift him up in the hour of need.

“O children of men, blessed are the virgins in the midst of thee, who will serve Me unto the end in their present life. Of a truth, the virgins are My first fruits on Earth, from the time of Adam till the fullness of all things.”

As the Lord was speaking to me, the Lord of lords whose Throne is powerful than fire, I observed at last that the Lord and the holy Beings from Heaven had returned into the invisible. My entire consciousness was completely dominated by the very words that I received from the Lord my God. Then the Holy Spirit brought me back to the realm of my physical abode.

CHAPTER 3
RISING IN SPIRITUAL STRENGTH

In spirit I was lifted into a realm of Light of the Almighty God; and I saw great water which appeared to be limitless ocean. It was like an endless realm of water. I saw a big sealed bottle filled with water, floating on the great ocean. And I stood upon the water as if I was standing on the ground.

As I looked at the sealed bottle of water, a great voice from above, like the rush of a strong wind mingled with the sound of a large congregation of men, said to me: *"Harbinger of the Last Covenant, what seeth thou"*. I replied that I see a sealed bottle filled with water floating on the face of the ocean. Then He said to me:

> "Son of man, behold, the bottle that you see is symbolic of he who is firm in Me while he lives on Earth. The bottle is a purified human vessel, while the water therein is the Spirit of the Lord your God, which fills a vessel of honour. O ye Iyke Nathan Uzorma, proclaim that as a bottle filled with water does not sink in the midst of the sea, so a man filled with My Spirit does not sink into the mire of darkness."

THE STRONG AND THE WEAK

I saw when the bottle of sealed water rose from the endless ocean and became two in the air. The two bottles of water came at last from above and

stood before me. The first bottle was filled with water and completely sealed. The second was also filled and sealed, but I saw three holes on it from where the water inside began to leak. Through this leakage the bottle became empty at last.

While observing this, Our Lord Jesus Christ appeared and stood by me. When He held my hand, unspeakable tears of great joy overwhelmed me. I felt an increase of divine power within. As the King of kings and Lord of lords held me, I began to walk with Him upon the endless water. He spoke to me and said:

"Harbinger, the bottle that you saw, even the bottle filled with water and leaks not, is My faithful child in the world of man, who lives in Me and in whom is My Spirit. Such is the one who can never be defeated in the battles of life, for by My Spirit in Him, he will lift up the banner of victory in the field of battle.

"The bottle with three holes that leak the water therein, is the man with a portion of My Spirit, but is not firm on the path of perfection, My path. Remember that through constant leakage of water shall the bottle become empty.

"Now, know and understand that the three holes on the bottle from which the water leaks, stand for the mouth, the belly and the sex organ in the human body. Verily, these are the greatest channels that leak My Power, even My Spirit, to the emptiness of many that call upon My Name. Those who have ears to hear, letthemhear."

Upon hearing this from the Creator and Lord of the Universe, I was bamboozled. I remained silent but walking on the unlimited water with the Lord, whose eyes were like a flame of fire. I felt strongly in my spirit that the Lord should not leave my hand that He held. I felt that He should remain thus with me forever. This was my foremost desire at that moment. My heart was filled with joy.

NECTAR OF RIGHTEOUSNESS

With this desire in my heart, I said to the Lord: "My Lord and my God, what shall I do to remain with you forever and for you to hold me thus in eternity." He said to me:

"My son, love is the key that opens the door of My Spirit and brings forth My Light. presence to My child. Love is the nectar of righteousness in which

lies My presence. Therefore your steadfastness in love and righteousness is what brings you closer to Me."

I asked the Lord a question on how one could be successful on the path of steadfastness in love and righteousness. In answer to my question, the Lord told me several things, on the basis of which I must say that anyone who wants to be steadfast in God and rise in the strength of His Spirit, must manifest complete control over three specific centres of his body.

Anyone called "man of God" or "child of God," whether he is a Pastor, Bishop, Reverend, Prophet, Apostle, Deacon, Deaconess, Pope, or whatever, but cannot control the mouth, belly, or sex organ, will not be closer with the Spirit of God.

THE BODY CONTROL

If you look at the human body, you will observe that the three centres that must be subjected to divine control, for man to rise in the higher essence of spiritual strength, are on a straight line. The first centre is the mouth, the second centre is the belly, while the third centre is the sex organ.

The Lord took time to educate me, nay His children on Earth, on this subject matter. Children of men, anyone among you who cannot control these, is not qualified before the Lord to lead another on the matter of religion and spiritual life.

You may be great and highly qualified before men to lead, but before the Lord of Creation you could be void. Such a person is also not qualified to be led by the Holy Spirit. He is not qualified to lead others to God, and he is not qualified to be led on the highest path to God.

THE GOOD LEADER

For you to lead others in the world of man on the holy path of spiritual life towards God-realization, you must first be a perfect follower on this path. A good leader is the person who was first a perfect disciple.

A good leader leads by example. He is a wise man who has love and understands deeper mysteries of life. Many who claim to be leaders on the holy path today among men, feed themselves fat only on the ignorance of the multitude.

Man is set forth to grow and be wise via the leadership of the Holy Spirit, the only True Leader. The way is open for all men to come to Him and be wise.

The way is open for all men to rise in the strength of the Holy Spirit, but spasm is the portion of as many as shall remain behind. And when all men shall be wise, the priests that feed on the ignorance of the multitude shall go hungry.

The purpose of true religion is to awaken total surrender to God via the Blood of the Lamb. This is enhanced by the control of the mouth, belly and sex organ. Earlhmen, the coming of the Prophets, Sages, Saints and Holy Teachers into your midst, is to raise your spiritual consciousness by establishing the basis of controlling the mouth, belly and sex organ.

This is a fundamental step of the highest spiritual experience in the true worship of the Lord God Almighty. Our Lord Jesus Christ perfected this path in the world of man. Therefore this control is very important, because it is from this level that one can rise in spiritual strength.

THE DIVINE WORKER

Earthman, any work of God you do if you fail to control your mouth, belly and sex organ, you work but in vain. Working within the system of this wrong framework, you must lack true spiritual potency and be placed within the region of unreasonable service in the Holy Presence of the Lord of the Vineyard.

Therefore, know and understand that no one can possess and manifest the highest potency of the Holy Spirit within the region of unreasonable service. The Lord spoke to me and said:

> *"Son of man, if one build churches for Me on Earth, operate even as My great servant in the midst of men, support My work with his wealth, feed the poor, direct people to walk on My path, behold, these are good. But while doing these good works, if one fails to control his mouth, his belly and his sex organ, surely he will be empty in the light of My Power."*

Now, it is important to note that the spiritual control of the mouth, belly and sex organ, is the basis of true spiritual life in the Lord. This spiritual life culminates in the supreme universal consciousness of the love, knowledge and power of the Lord God Almighty via our Lord Jesus Christ.

This control is prerequisite for rising in spiritual strength, without which ones spiritual life would be fruitless. The aforementioned control begins first with the mouth, then the belly and finally the sex organ. For the Lord spoke to me and

said:

"Harbinger, he who controls his mouth shall have his belly automatically controlled. Blessed is the man whose belly is under My spiritual control; verily, none shall gaze upon his nakedness. Behold, he shall have the pride of his body (sex organ) subjected to the leadership of My Spirit."

As the Lord was speaking to me about the control of the mouth, belly and sex organ, at a stage I said: "O my Lord, truly there are many that call upon Your Name on earth but lack control over the three centres of the body of which You speak." He said: *"My Spirit does not dwell much in such ones, and they are not led always by Me, for as long as there is constant leakage through the mouth, belly and sex organ. "In speaking of this matter to me, Our Lord Jesus Christ whom I saw in spirit actually began with the mouth. He said:*

FIRST POINT OF CONTROL

"My child, one who believes in Me should control his mouth for spiritual growth through two ways. First by the way he speaks, second by the way he eats. The essence of the whole thing is for one who believes in Me to stand firm on the path of holiness and rise in spirit to a higher level of My Light. Harbinger of the Last Covenant, if a believer does not rise in My spiritual strength: It would be difficult for him to achieve victory m the battles of life, which the children of men experience in the world of man."

Dear reader, from the foregoing you can see that there is need for spiritual control. And in doing this, we have to begin from the mouth, as spoken to me by the Lord. The Lord again spoke and said:

"Son of man, let the believer learn how to be in silence before Me from time to time; for in silence also lies My Power. Let the believer speak only when his words can lift up the spirit of another and not bring same down. Let not the believer be in silence, if he can speak to the glory of his Lord for days, for weeks, and for years.

"Let íh e believer speak only such things that can establish the children of men on My path. Blessed is the man that speaks always in praise of My Holy Name and eternal glories; For, behold, before Me he is greater than the man in silence. He who has ears to hear, let him hear.

"Son of man, the spiritual man must bridle his tongue. When he does this,

My Spirit will pass through same and dwell in Him. Those that sincerely want to walk on My path, must do this, otherwise they would remain empty before Me."

THE TASK BEFORE US

As the Lord spoke these words, He then kept silent for some time. Everywhere was quiet, as if every creature was silent before the Lord of the Universe. The face of the limitless ocean upon which I walked with the Lord was very calm. The Lord spoke again whilst His voice broke the silence of the endless sea. He said to me:

"Brother Iyke, this is the task before all My children on Earth. He who does what I want t, My Spirit will surely come to him. He who controls his tongue, will come under My divine control."

As soon as He said this, my mind went to *Ephesians chapter 4 verse 29*, which has it that *"Let no corrupt communication proceed out of your mouth."* This then brought my mind back to the subject matter of the Sanskritword 'prajalpa', which means 'things unwanted by the Lord'. To control the way we speak, we must refrain the mouth, nay the tongue, from speaking things unwanted by the Lord.

When we speak 'prajalpa', the Divine Power is wasted via the channel of the mouth. A true believer must order his conversation aright, if he must make progress on the path of the Holy Spirit. The Lord said to me:

"Harbinger, proclaim among My people and say: whosoever henceforth controls his mouth even for 90 days, behold, I will bring forth testimony upon him unto My blessings, according to his desire."

THE MOUTH AND WHAT WE EAT

Now it came to pass again that the Lord, whilst walking with me upon the endless sea, spoke to me and said:

"Another way to control the mouth, to a void leakage of My divine power, is by what you eat. Controlling the mouth by the way you eat and by what you eat, requires higher knowledge of the workings of My Divine Spirit for this generation of men.

"The understanding of the faithful in this matter must be raised in My knowledge; even the primordial knowledge of the ancient Garden of Eden, wherein Adam lived before his fall, and into which the *faithful must now return.*

"Son of man, the faithful in Me, thy Lord, must see the Garden of Eden in this generation of men not in the light of location, but as the condition of perfect spiritual life.

"Behold, the Garden of Eden is a state of perfect spiritual life, in which one born of a woman can have conscious continuous contact with the Omnipresent Spirit, which is Myself. To be firmly established in this Most High dimension of My Light, which prevailed in the lost Garden of Eden, I gave the children of men what to eat, even from the beginning.

"Now, to be fully restored and for man to return and remain in this holy estate, O son of man, the hour has come also for him to return to what I commanded him to eat before his fall, as it was in the beginning.

"Blessed is he who will come to this realization, for, behold, I will dwell with him and within him, even as I was with Adam in the days wherein he lived in My Creation of Eden. He who has ears to hear, let him hear."

SPIRITUAL EVIDENCE

It happened at this stage that the Lord brought out a copy of the Holy Bible (King James Version) and gave me. He directed me to read what was given to man as food, as well as what He gave to animals, in the beginning whilst in the Garden of Eden.

I opened and read from Genesis chapter one, the food that Adam ate before his great fall. Remember that the fall of Adam also brought the fall of animals and other lower creatures. In verse 29, God said:

"Behold, I have given you every herb bearing seed, which is upon the face of all the Earth and every tree, in the which is the fruit of a tree yielding seed: to you it shall be for meat." (In verse 30, God gave animals their food, saying:) "And to every beast of the Earth, and to every fowl of the at, and to everything that creepeth upon the Earth, wherein there is life, I have given every green herb for meat: and it was so."

Upon speaking to me on this matter, the nature of food which He gave man

from the beginning, and how the fall of man also brought his fall in the matter of his food, I spoke to the Lord my God and said: “O my Lord, many of those on Earth who believe in You do not follow this path of life of which You speak. They hold that you have sanctified everything including animals for them to eat. Does this make them sinful before You?” He said to me:

“Son of man, my children on Earth I relate with on different levels; for I alone can deliver the fallen souls. Behold, the path which I show you this day, which you will proclaim in the world of man, is rooted on the foundation that I laid for man in the beginning.

“Therefore thou shall proclaim that all My children on Earth must walk on this path at the fullness of time; That they may return again and live upon the eternal realms of the Garden of Eden. My children of old lived not in this fullness of time of which I speak. But now, the children of men live in the hour of fulfilment and the fullness of time before Me.

“I tell you the truth, the hour has come before Me, wherein the sons of men should walk on the greatest path of My Holy Mountain, that they may live in peace with the beasts and the lower creatures, as it was in the beginning. But thou, O son of man, know this that I count no sin for my children.

“Those of my children, who know not the hour wherein they now live before Me in the world of man, eat several things unwanted in My Holy Garden. The few who know this are already established on this path. But, verily, all My children must walk on this path in this hour wherein I speak, which will prevail at last.”

WHAT I LEARNT

I learnt from the Lord that to control the mouth via what we eat, we must return to the very “meat” which God gave us from the beginning. In Genesis chapter 1 verse 29 God gave certain things to man and said *“to you it shall be for meat,”* that is for food, the perfect food for man.

The word “meat” used here in the King James Version stands for food. For instance, the expression *“to you it shall be for meat,”* goes this way in the New International Version (NIV): *“They will be yours for food.”* In the Revised Standard Version, it is expressed thus: *“you shall have them for food.”*

To this end, the word “meat” has nothing to do with animal meat, but stands

for the perfect food which God gave those that shall walk upon the perfection of the

Garden of Eden. When God said that He has given *"every herb bearing seed," that includes rice, yam, maize, peanut, pineapple, carrot, cassava, beans and many others.*

When He spoke of "every tree, in the which is the fruit of a tree yielding seed," that includes orange, mango, apple, pawpaw, coconut, banana, to mention but a few. The Lord spoke to me and said:

BACK TO EDEN

> *"Son of man, you have h ear d from Me today of the food given to man in the Garden of Eden. Whosoever therefore wants to return to that perfect spiritual state must also return to the nature of food that I gave in the beginning.*
>
> *"The hour has come that whosoever must possess the full strength of My Spirit, should limit his food to every herb bearing seed and every tree in which is the fruit of a tree yielding seed."*

I thought deep in my mind why this realization was not granted the disciples by the Lord while He was physically on Earth, to form part of the basis of the teachings of His followers, nay Christianity. Then the Lord spoke to me, saying:

"Son of man, when Adam fell from the path of perfection, and was sent out of the Garden of Eden, then he began to eat such things as fish, egg and the flesh of beasts. I permitted him to eat such things from that moment, asa portion of the fallen man.

"Verily, animal flesh, egg and fish are never the portion of he who, while he lives on Earth, realizes the final mystery and perfection of the Garden of Eden. The fallen soul, even the soul that is redeemed by Me, while he lives in the world of man, is set apart to continue on this path, till the hour of fulfilment when My Spirit will bring him back to the perfection of Eden, as it was in the beginning.

"Now, the hour has come for this knowledge to stand forth among the multitudes of those that believe in Me. And as part of your mission in this great movement of My Spirit, I sent you to the Earth as Harbinger of the Last Covenant.

"Therefore proclaim to the faithful of this era that they should henceforth wear *Genesis chapter 1 verse 29* as a protective element, for it is the voice of the Lord

your God."

Then I said: "O my Lord, some people will not accept this on Earth, even some who believe in You. Because, according to Saint Paul's letter to Timothy, they would consider this a doctrine of darkness."

CLARIFYING SAINT PAUL'S LETTER

In 1st Timothy chapter 4, Saint Paul wrote that *"in the latter times,"* the network of darkness and seducing spirits shall bring forth false doctrine which shall, among other things, command the earthmen to *"abstain from meats."* Because of this, I spoke to the Lord on the matter that, some of the proclaimed faithful may hear what He said about meat and consider it to come from seducing spirits. And He said to me:

"Son of man, have you not read in the Scriptures that the hour shall come among men when the children of men shall live in peace and play with the wild beasts of the field? Behold, your era is now the hour of fulfilment in the world of man. Therefore the hour has come for I to open the final path of the Garden of Eden, the Holy Mountain of the Lord thy God, for all to walk there in.

"The hour has come for the practice of this to begin by My Spirit, even among those that believe in Me. This will culmina teat last in My kingdom on Earth, wherein all will live together in love and peace. Of a truth, man and beast cannot live in peace, love and harmony, as ordained by Me in the beginning, for as long as man continues to kill and eat the flesh of beasts.

"You must rise and proclaim this message among My people. Those who have ears to hear and those whose portion is My Spirit, will surely know that these are the Words of their Lord.

"In the past generations of men, I led few chosen ones on this pa th, though it was not My programme then for the children of men, til ere fore it was taken a way from many; for the hour had not come then even the hour of fulfilment in which you now live. Beca use of this, the teachers of My Way in different realms on Earth: the prophets, pastors, bishops and others, do not follow this path. They know not of it, therefore you are sent to awaken them.

"Son of man, when the angels reserved under the chains of darkness, from the midst of which comes seducing spirits, duplicate a thing done directly by

My finger, they do so for the purpose of enslavement. The faithful must guard against this. The purpose of every instruction I give to those who believe in Me, is for them to rise to the realm of My Kingdom an d be sustained by My free Spirit.

"When the same instruction is duplicated by the Prince of Darkness, distortion is camouflaged therein to lead astray. I instruct My chosen ones on Earth to seek Me through prayer and fasting, to often share what they have with others; even those who could faithfully stand to serve Me among men without being married, I give approval.

"Behold, all these are also duplicated and taught by the followers of darkness. Some followers of darkness fast, pray and share what they have with others, some of them even renounce marriage. But these they do and continue in the circle of bondage, because they know Me not as the true Lord of all things.

"The Harbinger, in the same vein, the hour has come for My faithful servants in your midst to return and abide by eating what man was given in the beginning. Behold, seducing spirits can also teach and command the children of men of this era to abstain from meat, but this they teach for a purpose that has nothing to do with the realization of the Kingdom of the Lord thy God.

"Son of man, say to the children of men: Set your heart always upon the Lord and return to the Garden which I made for thee in the beginning. It is given unto you to do this in your present life.

"Think not that you shall come to Me only when you die on Earth. Behold, you are always with Me if you live the life of My Spirit. And through the control of your mouth, belly and genital shall you be established in My light."

THE SECOND POINT OF CONTROL

After all that the Lord taught me in spirit on how to control the mouth, He spoke again on how the belly of the children of men should be controlled. On the art of controlling the belly for the Spirit of the Lord within not to leak, He said to me:

"Son of man, when the mouth is controlled by speaking always in praise of My Holy Name and by eating what I gave man in the beginning, then the belly will come under the subjugation of My Spirit."

I began to think of the importance of eating what the Great Lord of Hosts gave the children of men to eat from the beginning. As my thought was deep in this connection, the Lord said to me:

THE POTENCY OF FASTING / PRAYER

"Behold, seeking the face of the Lord thy God by means of fasting and prayer, controls the belly, O son of man. And when the belly is thus controlled, that which is between thy legs (genital) will lie low under the control of the Holy Spirit."

Every true believer knows that fasting is very important in the realm of possessing and manifesting the Holy Spirit Power of Jehovah God and His Christ. Fasting is very important for higher spiritual strength in the Lord. It helps to control the belly to avoid leakage of the Spirit of God. On the role of fasting (and prayer) in this regard, the Lord said to me:

"O ye Iyke, Harbinger of the Last Coven an t, by means of fasting, one who believes in Me can keep his body, which is My temple, pure. Verily, by means of fasting and controlling the belly, the mind can be raised above the level of lust, which is a great chain of bondage.

"Son of man, behold, the power of lust has brought multitudes of the children of men to lielow upon thealtar of bondage;yea, even the altar of fornication and adultery and of attachment to that which is vain before Me.

"I say to you, none can overcome this power of lust who seek not the face of the Lord thy God by means of fasting and prayer. Harbinger, fasting is a great channel through which My Spirit can be increased in you, making it easy for you to comprehend spiritual things and be strong in Me, thy Lord.

"Fasting can bring a living soul into My most powerful system of divine fortification. Behold, in My fortification lies the power to walk in spirit with Me. Bear witness, O son of man, that My fortification also places one beyond the reach and attack of the Prince of Darkness.

"The Prince of Darkness is now non existent m the essence of My Light, from which he must always flee. Behold, fasting can help the children of

men, even the sick in the midst of thee, to receive My divine healing.

"Son of man, for the rejuvenation of the body mechanism, for working actively in My vineyard by the control of your belly, nay for all round spiritual functions, verily fasting is indispensable. He who has ears to hear, let him hear."

HIGHER DIMENSION

I have always said that fasting and prayer is very important for spiritual growth and development. In the mode of fasting, your spirit will be raised in light to work with God. Holiness is made easy when you seek the face of God through fasting and prayer.

I am not speaking of the fasting done in hatred as a means of fighting another human being. Rather I am speaking of fasting and prayer done in love with the ultimate intention of not only to solve an earthly problem, but also to help others and to draw near in spirit to God.

This brings one to a higher dimension of working with God in spirit. Our Lord Jesus Christ fasted forty days and forty nights. As the Lord, He did this not because the Prince of Darkness would have defeated Him if he did not fast, but this He did solely to register in our consciousness the importance of fasting in the realm of working with God and for God.

THE MOVE OF THE SPIRIT

I underwent a hundred days of fasting (6am to 6pm) and prayer some time ago. This should be our practice from time to time for periods exceeding one hundred days and for periods less than this. This means eating once a day, at about past 6pm, without drinking water during the fasting. This should be part of our constant spiritual experience, by the grace of God.

During this period, the Lord revealed to me how we work with Him in spirit. I had a trance as I was praying. In this trance I saw myself praying for a woman who was barren for eleven years in Accra, Ghana. I had this trance while in my house in Warri, Nigeria. I prayed for the woman, in the name of Our Lord Jesus Christ and gave her a cup of water to drink. I also pronounced on her that "henceforth you have become a mother of children."

After a year and few months, while I was ministering in Accra, the woman

that I saw in the trance came to me physically. She told me that she was barren for eleven years and that one day (as she was fasting) she saw me in her revelation praying for her against the yoke of barrenness and blessing water for her to drink.

Thereafter she conceived and gave birth to a baby boy. She came with the baby for me to see. The Holy Spirit can cause our spirit to work with God in this way. The spirit of man must be pure and strengthened in Christ to come to this level of spiritual activity of working with God in spirit.

The body must be purified so that the spirit within can perform the reasonable service acceptable to Jehovah God and His Christ. Fasting and Prayer is very important in this connection.

In another occasion, a woman met me in the house of Engr. Danlami Nyazon (my Co-ordinator then in Lagos who has now moved to Abuja). It was another period in which I was seeking the face of God for spiritual strength through fasting. According to this woman, she saw me in her dreams every night for complete two weeks always praying to the Lord.

The woman and some of her friends heard that I was going to visit the home of Brother Danlami and they came waiting for my arrival. When I finally arrived and

entered the house, this woman, as soon as she saw me rose swiftly and firmly gripped my leg to the end that I could not move.

At first I was embarrassed on the human level. I thought, “What does this mean? What kind of act is this? Who is this woman?” Among other thoughts. There and then I heard a voice which said to me: *“Son of man, bless water in the name of thy Lord and give My daughter to drink; And thou this day shall bear witness of My hand. I am the doer of the work.”*

Then I asked my Co-ordinator to bring a cup of water, while I was still standing there with the woman holding me. The water was brought and I prayed over it saying: “O my Lord, the Omnipotent, you are powerful than fire; you are the consuming fire. O my Lord, you are the water that can extinguish burning fire. In the beginning your Spirit moved upon the face of the waters. Surely, upon this water is your Spirit. Use this water to quench every fire of darkness in this woman; use it to do your work in her, for you are the doer of the work, in the name of Our Lord Jesus Christ-Amen.”

After praying, I gave the woman the cup of water and she drank. The woman then jumped up and started shouting and singing praises to the Almighty God. The women that came with her joined and started praising God. I was wondering

what was happening.

Then I was told that the woman was dumb for 15 years and had received God's healing through the water that I gave her to drink. I learnt a great lesson that day on the working of the Spirit of God, whom we serve only as His channels of operation in diverse ways, when we are quickened to work in spirit with him.

Nevertheless, I was still in spirit with the Lord walking upon the face of the water, wherein I received the forgoing divine lessons from Him for the benefit of mankind. I learnt from the Lord of the Universe that when the mouth of the earthman is properly controlled, the belly will immediately follow and come under divine control.

Furthermore, when the belly is controlled, the human private part will then come under the control of the Spirit of God. At this point, the faithful child of God will rise in spiritual strength.

THIRD POINT OF CONTROL

Earthmen, the genital is controlled when one refrains completely from illicit sex, such as fornication and adultery, in thoughts, words and deeds. Whether it is masturbation, incest, oral sex, lesbianism, homosexuality and such like, all are within the framework of illicit sex.

Apart from some exceptional extraordinary cases, as the Lord told me, like Abraham, David, Samson, etc., this is the last and greatest channel that leaks the Spirit of God in the consciousness of man to the total spiritual emptiness of many. The Lord God spoke to me again and said:

> "Harbinger, I choose the heart of the faithful who loves Me to dwell in; behold, even the heart that is pure and de void of lust, I choose as My holy temple. Now when one who claims to love Me commits fornication or adultery, how can My Spirit dwell in him if he be not exempted?
>
> "Therefore let the faithful who has refrained from this hold fast to My path and embrace it no more. It is very pathetic, O son of man, when I see the children of men, even My messengers on Earth, defile themselves *with that which profits nothing."*

THE SPIRIT OF LUST

As the Lord spoke to me concerning His messengers on Earth who defile themselves via fornication or adultery, I remembered a certain man of God, my Bishop friend, in Lagos who once came to me on this subject matter.

This man of God wanted freedom from the bondage of this manipulation. Thus he stripped himself naked, brought out his genital and said to me: “The Lord’s Harbinger, every part of my body hears the words of the Lord, but my penis does not. Please lay your hand on it and pray for my deliverance.” By the spirit of lust, he was having sex with different women. I was thinking of this when the Lord spoke again and said:

“If there is anyone in the midst of men who does not have problem when he fornicates or commits adultery, let him come before Me and speak. No matter the amount of love one has for Me and the love I have for him, if he commits fornication or adultery, behold, problem will come upon him.”

I was speechless before the Lord of Hosts when He said this. I began to think of the magnitude of problems in which the children of men are plunged into by means of illicit sex. Then I remembered the days of Moses, how twenty three thousand people of God died in one day, in the wilderness, because of this.

THE OTHER SIDE OF LUST

As I was thinking along this line, the Lord kept silent, as if He wanted me to think deep and truly assimilate the purport of His words.

Thereafter He spoke again, saying:

“Son of man, most problems that the children of men encounter in the world of man, yea, even among those who serve Me, have their root in fornication and adultery.

“Behold, the death of a child or children can come asa portion of their parents because of this. A man can lose his wife by means of death because of adultery, anda woman can also lose her husband for the sake of this, O son of man.

“Verily, thieves doing away with one’s property, indebtedness, failure in the means of livelihood, chronic diseases, lack of divine favour, bitterness and acrimony between married couples, these and other ills are mostly rooted in

adultery and fornication.

"Therefore know and understand that the most hideous sin before Me is fornication nay adultery. Though the children of men do not consider it as such, but I say that even by this many have become useless in My sight.

"Harbinger of the Last Covenant, proclaim that a drunkard, likewise one that is insane, is better before Me than one that commits fornication or adultery. Proclaim also that it costs one nothing to refrain from fornication and adultery. Behold, My power, peace goodness and blessing revolve round compliance with this message. Let those who have ears hear."

THE STREET OF LIGHT

After speaking to me on this matter, I discovered that I and the Lord were no more walking upon the water. Rather we were walking on a street of pure gold towards a scarlet castle of divine opulence and great splendour.

Some joyful Angelic Beings lined on both sides of the street, as if they had manifested to welcome the Lord of lords and His Harbinger. I also saw some Beings in this realm of Light who appeared with white flags to welcome us. They took the form of children of between five to seven years.

Furthermore, they began to throw flowers on us whilst singing songs of praise to the eternal glories of the Lord of Hosts and Saviour of the world. As the Lord held my hand and walking with me towards the castle, it was in my mind to know directly from the Lord Jesus Christ how to call forth His Power among men.

I wanted to know the modus operandi, the spiritual techniques, which can be applied by man to "invoke," that is to call forth, the Spirit of God in the world of man. I considered that all the great spirit Beings I had met in the past, in the days wherein I was within the network of the occult, have diverse ways of being invoked.

I remembered that such mighty psychic entities as Mutumfurumi, Aradia, Arapian, Sat-Gopinatha and many others that I knew and met in the past, could be called forth or contacted via specific techniques and sound vibrations. This was the thought in my mind while I was walking with the Lord on the holy street.

I did not think, however, that calling forth God's Divine Power on Earth will be on the same psychic level with the occult techniques of invoking the esoteric

spirits. I knew that to think along this line is an act of blasphemy. I knew that the Creator (Jesus Christ) is in eternity far beyond and above the creature including the esoteric spirits, which are nothing but the works of His hands.

Nevertheless, I was still strongly convinced within me that there must be a way to call forth the Power of the Lord on Earth. I considered that there must be a way, from the Lord's point of view, through which a true believer can call forth God's Divine Power for help; a way by which a believer can directly experience the potency and presence of the Universal Holy Spirit.

DIVINE POWER IN MOTION

With this conviction in my mind, I said to the Lord: "O my Lord, how can one who truly believes in You call forth Your Mighty Power on Earth?" he answered and said: "Harbinger of the Last Covenant, there are three specific things that set in motion the Power and Spirit of the Lord thy God in all the realms of existence. Through them My Power is called forth and set in motion to manifest among every creature, even among the children of men."

I paid rapt attention as the Great Lord of the Universe mentioned Songs of Praise. Prayer and the Gospel of the Kingdom as the three things that set His Power in motion in all the realms of existence.

Of songs He said: "Know this that songs coming to Me from a pure heart, the heart that believes in Me as the fountain head of all things, *will call forth My Power among men. "Then He spoke of prayer and said:*

"Know also that a prayer of thanksgiving offered to Me, thy Lord, in the mode of true confession, holiness and total submission to My Will, will surely call forth My Power."

On the potency of the Gospel of the Kingdom, the Words of God, He said: "Apostle Iyke, the Words of thy Lord, coming from a human channel in whom is My Spirit, will again call forth My Power in the world of man."

My spirit was satisfied when I heard these from the Lord. I was very glad to understand that there are three specific things which a true believer can use to set the Power and Presence of the Lord God in motion.

The Lord made me to know that anywhere these take place, the Holy Spirit will manifest to take full control. Anywhere, whether by a person or group of persons, that songs are rendered, prayer is offered and the Gospel of the Kingdom preached, all in the strength of righteousness, faith and pure heart, the Power of Jehovah God and His Christ will be there to dominate.

"Son of man, "the Lord said to me while we walked on the street of pure gold in a realm of the Almighty, "I have made known to you the three things that carry the Presence and Power of your Lord." I gave heed with rapt attention, as He continued: " These are the things that carry My Light and the Power of the Holy Spirit." Then He added: "But no one can use these to call forth

My Spirit who does not possess the Spirit of My righteousness within himself "

The Scripture had already made it clear that without holiness we cannot see God; that is we cannot experience His Presence and Power. After the Lord had spoken thus to me, my mind went to what Saint Paul said in Romans chapter 12 verse 1; That we should present our bodies holy to enable us function within the system of "*reasonable service* " to God.

The phrase "*reasonable service,"* struck my mind. I knew that the opposite of this phrase is "unreasonable service." Consequently, it became clear in my mind that without holiness, the song, prayer and gospel that we give on Earth are certainly in the mode of unreasonable service before the Lord. This is a food for thought for every sincere child of God.

WORK WITH THE LORD

I asked the Lord yet another question, even as He granted me the grace to walk with Him in the realm of realms, wherein dwells the Scarlet Castle of the Lord of Hosts as the Temple of Light.

I said to the Lord, "O my Lord, how can I work successfully for you on Earth all the days of my life?" And He answered and said: *"Harbinger, I want you to*

walk with Me; work with Me and not for Me in eternity".

I immediately realized that there is a difference between working for God and working with God. Working or walking with the Lord is the same in essence. The Scripture says that "Enoch walked with God." *And the Lord said to me:* "Remember what I said while I was physically among men, that 'the harvest is plenteous but the labourers are few.' The few labourers I spoke of are those who work with My Spirit."

It may be recalled that during the earthly ministry of Our Lord Jesus Christ, there were many proclaimed great men of God: These include such persons as the High Priest, the Chief Priests, the Elders, the Scribes, amongst others. Such 'great men of God' thought that they were working for God.

Yes they "worked for God," but they failed as far as working with the Lord is

concerned. They worked for, but not with, the Lord. When the earthman works for God, as I was taught in spirit by the Lord, he becomes nothing but a hired servant. Such a person will not have deeper portion in the realm of the Spirit of God. To this end, the Lord said to me:

"Son of man, when the work of the Lord thy God becomes your work, then My right hand will uphold you as a true messenger of the Kingdom of God. Whosoever comes not to this level of realization shall certainly not reach the success required by Me. Such is the one who shall not rise in the strength of My Spirit. My divine principle is 'work with Me and I work with you,' O son of man."

Then I realized the importance of the fact that a true believer must do the work of God, work with God, with the Spirit of God and God will in turn do the work of that believer.

WORKING FOR THE BELLY

The Lord God Almighty, by His Spirit, is the one who protects what we have and provides what we need. Now, when you graduate from a Bible college and begin to write application, seeking for a church to employ you, what does that mean?

You do this in the guise that you want to work with and for the Almighty God, that you want to do the work of God, but is that true? Earthman, I tell you the truth that in this you often seek not to work with the Lord your God, but sincerely you seek a means of livelihood: you seek to work for your stomach.

Children of men, this kind of posture can not elevate one in his spiritual life. It can not bring one to the pure realm of the Holy Spirit. It is a posture that can not stand any form of spiritual test. It can not stand in the Holy Presence of the Lord God Almighty. For the Lord said again:

ANYONE CAN WORK WITH GOD

"Harbinger, speak to the faithful and say: You work with Me, Thy Lord, when I, even I, call you into My vineyard, You work with the Lord thy God when My Spirit is upon you.

"Behold, whether you are a pastor, policeman, farmer, doctor, teacher, athlete, politician, or any field you are among men, you can be there but rise in spirit and work with Me. For all work done in love, in any realm of

existence, by any creature, including the angels, spirits and men, in the principle of the Holy Spirit, is My work. He who has ears to hear, let him hear."

I quickly understood that He was speaking to me on the process of living and working at all times in the essence of His Light, by consciously co-operating with His Universal Spirit. This means becoming a co-worker with the Omnipresent Spirit of the Lord God Almighty, or becoming a pure vessel and channel for His service.

MATERIAL CONSIDERATION

When one is not on this spiritual level, that is when one is not working with God but thinks that he is working for Him, he is low on the strata of divine service. In the realm of this consciousness, one's understanding in working for God may be geared towards what he would get or benefit in earthly terms.

If your major or foremost consideration to this end is how much money or wealth you would possess whilst in the Lord's vineyard, you are not a divine worker. And be informed that you will remain completely outside the realm of God's divine service, even if you are proclaimed by the children of men to be "a great man of God".

Within the framework of working with the Lord, thus to have a portion in the multidimensional Supreme Consciousness of the One Eternal Spirit, there is a major thing that must be done. Yes, there is a major thing that one must do to become established on this platform. One must be holy. Not the holiness that is sweet in the mouth but bitter in the belly.

TEARS OF JOY

And it came to pass that I arrived with the Lord at the gate of the Scarlet Castle of great Light which I saw in this realm, through the street of pure gold, on the sides which were joyful Angelic Beings. On reaching the gate, the Lord stopped and said to me:

"My son, you must return from here. Go back to the world of man and publish all that you have heard from Me. Proclaim what you have heard, for I will use same to bring forth My Light and greater divine knowledge upon many in this generation of men. For the people of your era, behold, I will

speak to you again and again, even as I have done before."

At this point, as the Lord was speaking to me by the gate, I observed that I was with a large bag containing prayer requests from many people on Earth. Then the Lord raised His hands up and told me: *"Harbinger of the Last Covenant, embrace Me."*

I embraced the Lord and greater Power of the Holy Spirit came upon me, which overwhelmed me with tears of unspeakable joy. I was still overwhelmed with tears of joy when the Lord put His hand into the prayer request bag with me. And brought out a prayer request. Finally He took the bag from me.

The prayer request that He brought out was actually given to me here in this world by a Christian sister. She was requesting the Lord to bring back her fiancé, who was going out with another lady. As soon as the Lord took the prayer request of that sister, as well as the bag, the gate was opened for Him to enter, while I woke up in the world of man.

ANSWERED PRAYER

I saw, however, that the Being who opened the gate of the castle was strange in all aspects. He was like one of the Living Creatures which Prophet Ezekiel saw in his time, or one of the four Beasts with several eyes which Saint John saw.

Meanwhile, as I was waking up, I still heard the voice of the Lord speaking with regards to the prayer request which He brought out. And when I became fully awake, the voice was physically heard by me in the place wherein I was. I heard Him saying thus:

> *"Daughter of God, journey not with the earthman in the wilderness of vanity. Struggle not over him with a fellow woman, for neither you nor she is in his mind, and in this thou laboureth but in vain. Protect that which thou has with love, yea even that which I shall give thee. Behold, I will cause what belongs to you to come to you. And not by competition shall this come from Me, but by My grace and love, if thou shall stand in faith and show forth My love."*

When I finally became awake, I began to pray and praise the Lord my God. Let all glories and power and might and honour and wisdom be to Him, now and forever, Amen.

Thank You Lord!

CHAPTER 4
UNVEILING THE MYSTERIES OF GODHEAD

Yuri Kwaku Baawine, former Ambassador of the Republic of Ghana in Saudi Arabia, once came to see me. I received him and he spent some days with me. During the period in which he was with me, we often discussed such spiritual matters that elevate the consciousness of man to the glory of the Lord

One morning, after our morning devotional service, Yuri came to me. That was after he had read my published interview with the BBC Radio, London. When he came that morning, he sat down and said: “Harbinger, your interview with the BBC greatly ministered to me. It opened my eyes to more spiritual realities.”

Then he looked at me for a moment and added: “I do think at times that you are a custodian of the mysteries of life.” Upon hearing from Yuri, the Word of the Lord came to me, saying: “Accept not the praise of man.” Then I told him in reply that I am not what he thinks of me.

I am convinced that no one is an island of knowledge, whilst the true value of knowledge is the ability to communicate it to others. Furthermore, Yuri said: “But,

Harbinger, your publications reveal that you speak from a dimension far beyond the ordinary human level. Many, after reading your books, have also attested to this.”

THE GOD OF YESTERDAY AND TODAY

At this point I took time to explain to Ambassador Yuri that when one takes time to study the Holy Scriptures, he would discover that people like Paul, Daniel, Ezekiel, Moses, Elijah and others, spoke to the earthmen from a higher dimension of spiritual reality.

The One Spirit of Eternity of the Almighty God, which manifested higher spiritual experiences in these men, by which they led others on the path of God realization, is ever present among us to do even more. The Spirit of God is ever ready to speak to man, especially to those who have ears to hear.

Nevertheless, the recognition of the Holy Spirit solely depends on the measure of God's grace upon a person and the level of one's consciousness in the spiritual scale. This is so because all men are not on the same level of awareness as far as physical and metaphysical matters are concerned. Even in pure spiritual matter of the Kingdom of God, the fruits of those therein are on diverse levels.

DIVERS LEVELS

Our Lord Jesus Christ said (Math. 13: 23) that the fruits of those in God's Kingdom are in three major categories, such as thirty, sixty and hundred. This shows different levels of spiritual consciousness or degrees of awareness.

Now, in the mundane level, that is the lowest level of material existence, the earthman lives under the sway of ignorance, wrong thinking, blind faith and darkness. Within this framework of existence, he is bereft of the inner divine ability to think and act within the system of the Holy Spirit.

Such people can't even think and act for themselves. Rather they base their lives on the thoughts and opinions of others without their own conviction. These are the so called multitudes. Among them are both rich and poor, great and small, whose thoughts, words and deeds are worthless in all the higher realms of God's creation.

By virtue of blind faith and ignorance, the multitudes become tools of confusion. Yea, some become even agents of the mighty dark Astral vicious warriors and great spirits of terror, in the guise of religion. Beyond this mundane level of blind faith and ignorance, one may rise above the multitudes. Thus, he may come to the mental realm of consciousness.

Consequently, one on this level dwells much on mental analysis and logical

speculation on matters of life, whether physical, metaphysical, or spiritual. One on this level may greatly awaken, within the faculty of his mind, the positive awareness of intuitive perceptions. This can be used by him to advance the course of his life even in the realm of religion.

On this level also, one may awaken the mind's negative subjective faculty and be controlled by vicious hallucinations and illusory phantasmagorias. The realm of the mental, wherein dwells many in the world of man, is colossal yet it has a limit.

When one comes to the spiritual platform of existence, the realm with unlimited variegated levels, then one may be fortunate to come to the final level available to human Beings in this system. In this final level, however, one would recognize that divine illumination of the soul is the bonafide path of the highest revelation and Light of the Almighty God.

This recognition leads to direct spiritual awareness, both in the world of man and in the realms beyond. It is on this level of spiritual consciousness that one could, by the special grace of God, meet face to face with the Lord of the Universe.

One who has had this experience could, still by His special grace, be empowered to become a true agent of God among men.

On this level, one will speak the Word of God in the world of man on a transcendental platform that could bamboozle logical speculation, blind faith, organised religion, and subtle hallucinations emanating from the realm of deception. One on this level also will speak and move in the strength of the Holy Spirit.

The meeting with the Lord face to face will always bring forth elevation of one's operation in the realm of the Spirit of God. These were all the points I discussed with Ambassador Yuri that blessed morning.

MEETING WITH THE LORD

He asked me again: "Man of God, are you saying that it is possible for a human Being to see God face to face?" Furthermore, I spoke to him from my personal experience in this regard. Though every experience makes sense solely to the experiencer, nevertheless, I have met the Lord face to face several times, both physically and spiritually.

Yuri could not understand this. He thought that this experience contradicts the Scriptures. "This experience, does it not contradict the Scripture (John. 1: 18)

that says: *“No man has seen God at any time?” This was another question put to me by His Excellency, Yuri Kwaku Baawine, that morning.*

THE MYSTERY OF GOD

Then I took time once again to explain that the ultimate understanding of the Holy Scriptures does not in any way contradict the experience of a human Being meeting face to face with the Lord. Now, in the first place, profound divine understanding of the mysteries of the Godhead as revealed to me, holds that the Lord God Almighty has two infinite aspects in eternity.

The first side is the aspect of God, the core aspect, which is unmanifest; it is beyond manifestation in any realm in eternity. This core aspect of God holds the mystery of eternity. This mystery transcends the knowledge of every creature and living entity in all the realms of existence.

This most confidential aspect of God is the sole custodian of the answer to the question of the beginingless, the base before the beginning and the endless features of the Almighty God. No matter how great any spirit, angel, archangel, man or entity is, he can know nothing and say nothing about this sole ultimate core of the Godhead.

The knowledge of the multidimensional core of the Lord God, that is completely beyond manifestation, belongs only to the Lord God. To this end, what is not known about God by spirits, angels, men and every

living creature, is more than what is known and what would be known of Him in eternity.

Consequently, the Scripture verse which holds that “no man has seen God at any time,” refers to the God aspect that is beyond manifestation, which in eternity cannot be known or seen by angels, spirits and men.

The second side of God is His aspect of external reality. Through this aspect, the Personality of the Godhead is for ever revealed to the archangels, arch spirits, the cherubims, angels, men, spirits, the elements, to mention but a few. The Supreme Power of the Almighty God, His Love, Light, Glory, Knowledge, Righteousness and Kingdom are revealed via this aspect within and beyond the realms of matter, space, time and energy.

It is therefore from this God’s aspect of external reality that the Lord, the Personality of Godhead, manifests from time to time in different realms of existence. It is only when He manifests that He can be seen whether by spirits, angels, or men. And His manifestations to this end are limitless in different forms.

GOD MANIFESTATIONS

Remember the mysterious Rock that the children of Israel saw in the wilderness, upon mount of Horeb. This Rock was a disguised manifestation of God. For the Scripture (1 Cor. 10: 4) categorically stated: *"And that Rock was Christ."*

Of course, for the Lord to directly appear on Earth, in the form of a strange Rock, is the essence of the mystery of His divine manifestations. Now, as many as saw that mysterious Rock in Horeb, saw the Lord of the Universe, whether they knew it or not.

Remember also that in 55 B.C., in the first year of the reign of Belshazzar, king of Babylon, the great Prophet Daniel saw the Supreme Personality of Godhead (Ancient of Days) in a vision by night. In the Book of Daniel, he wrote in chapter 7, according to what he saw in spirit, that:

> *" The Ancient of Days did sit, whose garment was white as snow, and the hair of His head like the pure wool: His Throne was like the fiery flame, and His wheels as burning fire. A fiery stream issued and came forth from before Him."*

The Prophet Ezekiel also saw the Personality of Godhead in His appearance as a Man, while he was in

the land of the Chaldeans by the river of Chebar. And he wrote in the first chapter of his book thus:

> *"And above the firmament that was over their heads was the likeness of a Throne, as the appearance of a sapphire stone: and upon the likeness of the Throne was the likeness as the appearance of a man. And I saw as the colour of amber, as the appearance of fire round about within it, from the appearance of his loins even upward, and from the appearance of his loins even downward, Isa was it were the appearance of fire, and it had brightness round about. This was the appearance of the likeness of the glory of the LORD. And when I saw it, I fell upon my face, and heard a voice of one that spake".*

In 96 A.D., the Supreme Lord also manifested in spirit and revealed Himself to Saint John, while he was in the island of Patmos. John saw the Most Holy and wrote, among other things, saying:

"And immediately I was in the spirit: and, behold, a Throne was set in Heaven and one sat on the Throne. And He that sat was to look upon like a jasper and a sardine stone: and there was a rainbow roundabout the Throne, in the sight like unto an emerald. And out of the Throne proceeded lightings and thunderings and voices: and there were seven lamps of fire burning before the Throne, which are the Seven Spirits of God."

(Rev. 4: 2-5)

The Prophet Isaiah in his time also saw the Creator of the Heavens and the Earth and wrote in the 6th chapter of his book, saying: "In the year that King Uzziah died I saw also the Lord sitting upon a Throne, high and lifted up, and His train filled the temple."

Job saw the Almighty God in His manifestation as a Whirlwind. Abraham, Jacob, Balaam and others, saw the Lord in the diverse manifestations of His aspect of external reality. But no one has seen and no one can see, the unmanifest, the sole ultimate core aspect of the Godhead that holds the mystery of God's beginingless and eternity.

This will bring us back to the true understanding of what Our Lord Jesus Christ meant when He said that no *"manhas seen the Father" {*John 6:46)

To this end, it is evident that He was speaking of the hidden, the core, the unmanifest side of the Supreme Almighty Father.

It follows that there is an aspect of God which cannot be seen and there is an aspect which can be seen. Of

course it was the face of God that Revelation chapter 22 verse 4 spoke of when it says: *"And they shall see His face; and His name shall be in their foreheads."*

Even Our Lord Jesus who also says that no man has seen God, was Himself the consummate manifestation of God in the world of gross matter, as well as the true Lord and Creator of the entire universal systems. It was in reference to Christ as God that the Scripture (1 Tim. 3:16) says: *"And without controversy great is the mystery of godliness: God was manifest in the flesh."*

Also, John chapter 1 verse 10 spoke of Our Lord Jesus Christ thus: *"He was in the world, and the world was made by Him, and the world knew Him not."* It means nothing else than that as many as saw Jesus Christ saw God both directly and indirectly. The Lord Himself even confirmed this when He told Philip: *"Have I been so long time with you, and yet hast thou not known Me, Philip? He that hath seen Me hath seen the Father."* (John 14:9)

From the foregoing, I concluded in my dialogue with Ambassador Yuri in this connection that my spiritual experience of meeting the Lord face to face does not contradict the Holy Scriptures. Finally that morning, Yuri said: “But many believers do not have this spiritual experience of meeting with the Lord and seeing Him face to face.”

FAITH AND BEYOND

Again, I emphasized that this experience comes only by the special grace of God. Now, a believer must be bold, strong and spiritually aggressive to be placed by God’s grace on the path of meeting with the Lord of the Universe. The Lord God Almighty is not cheap to be bought in the market by everyone.

Therefore the faithless, the carnal minded, those in the world of the multitude, the hypocrite, the imbecile and the slothful, may not see Him. These must remain behind and below in the strata of spiritual existence.

Little effort on their part on the path of the Lord will make them to be consoled by hearing of the lives and works of those who have met the Lord. If they are sincere on this path, however, then they can develop faith in the Lord by hearing of the experience of those who have met Him. For *“faith cometh by hearing”*. From this platform of hearing they can rise to walk with God.

While it is good to hear of the Lord via the experience of others, or by reading the Holy Scriptures, attending a gospel church, reading inspired books by men of God, attending revival meetings, amongst others, we must understand that there is something more than these. Job heard of the Lord through many ways and his faith

increased even by hearing. But when he finally saw the Lord of Hosts, his spiritual awareness rose beyond the realm of mere hearing from others.

To this end, he had a specific spiritual experience which was not available to him within the framework of hearing. Thus he wrote: *“I have heard of thee by the hearing of the ear: but now wine eyes seeth thee. Wherefore I abhor myself, and repent in dust and ashes.* “(Job 42: 5,6)

In other words, it is good to hear and study the great works of the Lord which He wrought via Moses, Elijah, Daniel, Peter, Abraham, Paul and others. However, while doing so, a believer should not limit his entire spiritual life on this level. Remember that if what you know about God is only what you are told, then to an extent you know nothing. Our Lord is the God of now. He is still speaking now to those who have the ears to hear. He can still reveal Himself to

you now as He did to the people of old. With Him all things are possible.

DIVINE VISITATION

It came to pass, after all that I discussed with Ambassador Yuri that morning that in the night of the same day the Lord appeared to me and stood in my prayer room. This divine visitation was physical, for the Lord sat down and commanded me to write at the

same time all that He would say. Then Our Lord and Saviour Jesus Christ spoke to me and said:

"Harbinger of the Last Covenant, I have come to show you part of the mystery of My Being, for I am the Lord thy God. All that you made known to My son Yuri in the morning were brought forth by Me and represents the truth of the Father, the Son, and the Holy Ghost, which for ever is One God. I am the source of all things, I am the mystery of the beginingless of God, and behold, lam the end and the endless."

As the Lord spoke these words, immediately I was in spirit and saw the planets, stars, moon and the sun coming out of His mouth. Thereafter I saw myself | standing alone in the space whilst the Sun appeared before me. The Sun changed to a burning fire and the face of the Lord of the Universe appeared in the midst of | it. Then He spoke to me with a strong voice, saying:

KNOW MORE ABOUT GOD

"Son of man, I, thy Lord, can only be experienced. And everyone experience Me. Whether one knows it or not, he experiences Me through his existence, in every moment of his life.

"Behold, I am neither male n or female, yet I am both and beyond. In the most irrevocable truth, on the Most High dimension of My reality, lam neither human nor a personality in earthly terms.

"The human concepts of form and personality are too minute and greatly limited to contain and comprehend the multitudinous, nay the endless facets of My multidimensional infinite existence. But again I say to you, I am human; behold, lam a portion of each human Being and of every creature.

"Son of man, know also and understand that within the eternal vastness of My Almighty Omnipresence experience, there is a unit by which I identify

Myself and hold the 'Idea-shape' of Myself as human. It is through this unit that I relate with mankind and gives man the grace to relate with Me.

"Through this unit of Myself, O son of man, the Spirit of your Lord proceeds from time to time out of the fountain head of the Godhead to manifest or appear in the world of man, in a human form, or in other forms known and unknown to man. You have read in the Holy Scripture that your Lord has Seven Spirits."

THE SEVEN SPIRITS

The 4th chapter part of verse 5 of Revelation says: "And there were Seven Lamps of fire burning before the throne, which are the Seven Spirits of God." *And the Lord spoke further to me, saying:*

"Behold, each of the Seven Great Spirits is Supreme and they are Mighty Powers of the Almighty God. By them I, even I, created all things. By them I created the seven major systems of reality, or planes of life, which are within the order of the four major realms of existence."

I learnt from the Lord, even before this time that He spoke to me, that the whole creation are in four order within the framework of seven systems. The four order of creation are the higher planetary systems (heavens), the middle planetary systems where our Earth belongs, the order of endless universal sea and the lower planetary systems, also called 'under the Earth,' Revelation (5:13) spoke *of "every creature which is in heaven and on Earth, and under the earth, and such as are in the sea."* The Lord spoke again to me saying:

"There are seven systems of existence, which are created by My Seven Spirits. These planes are that of the protoplast, earth, plant, beast,

man, angel and cherubim. Son of man, unknown to some who believe in Me, the Seven Great Spirits of the Lord thy God, each had manifested on earth and lived as human.

"This happened even before my coming into the world of man, in the full combined strength of the Seven Spirits, in which I was known as JESUS CHRIST. And this continues even alter that. My coming into the world then was in the position of the Son of Man.

"I revealed Myself among men as the Son of God, but, behold I am God for

ever. When my Spirit takes a human form among men, such Divine Manifestation lives and works for ever in the pool of My Universal Spirit."

THE ANCIENT MELCHISEDEC

H*is Word came forth with power, as He spoke to me in His appearance from the Sun that turned into fire. He continued: "Now, O son of man, who do you think was the Being known as Melchisedec? Behold, he was a Divine Manifestation of one of the Seven Spirits of the Godhead. He came to the Earth as a Messenger of Righteousness who prospered in the world of man." The Holy Scripture* speaks of Melchisedec in Hebrews chapter seven. From the first to the fourth verse we read:

"For this Melchisedec, King of Salem, Priest of the Most High God, who met Abraham returning from the slaughter of the kings, and blessed him; To whom also Abraham gave a tenth part of all; first being by interpretation king of righteousness and after that also king of Salem, which is King of peace; Without father, without mother, without descent, having neither beginning of days, nor end of life; but made like unto the Son of God; abideth a priest continually Now consider how great this man was, unto whom even the patriarch Abraham gave the tenth of the spoils."

It may be recalled that in Genesis chapter 18, the Lord God physically visited Abraham as a human and even ate food in his house. The record has it that the Lord visited Abraham with two men who were Angels in disguise. The Lord and the men sat under a tree wherein they ate food and blessed Abraham.

Now the question is: who was this Lord that came physically to Abraham as a human Being and ate food like the children of men? In answer to this question, let me recall what I wrote in my book entitled *'The Greatest Revelation of Our Time Vol. 1.* There I stated:

"Even Melchisedec was the Spirit of God who came to the Earth then and served as Priest of the Most High God. And it was he who gave blessings in those days to our father Abraham. Melchisedec came to the Earth without earthly father and mother: And even though it was said that all have sinned, he was not only recognised as a righteous man, but was even called 'King of Righteousness,' a title which belongs only to God. It is further reported in the Holy Scripture that Melchisedec had no beginning of days nor end of life. And I learnt from the Lord that, verily, Melchisedec was the God of

Abraham."

CODED KNOWLEDGE

When the Lord told me in Spirit that the Seven Supreme Spirits of the Almighty God have all appeared and lived as human Beings in the world of man, I knew that many believers past and present are not aware of this, as this is not part of the general teachings of Christianity.

Nevertheless, I discovered that even the foremost evidence of this is found in the Holy Scriptures. The Scriptures presented this in divine codes that only the Holy Spirit can properly decode.

THE PROPHET ENOCH

After speaking to me about Melchisedec, as a manifestation of the Spirit of God among men, the Lord further spoke to me saying:

"Son of man, behold, Enoch was another manifestation of the Spirit of God, even My Spirit, among men. Enoch came forth from Me and lived with the children of men by the mystery of My Being.

"He stood as an ancient Prophet, but, behold, he was more than a Prophet before Me. For by him the Words of the Lord thy God became established upon the rock beyond the circle of the Sun. And it came to pass that at the end of his mission in the world of man, which was to record and report the activity of everyone in his time, that he returned to the pool of My Spirit wherein is his portion."

The Holy Scripture has it that at the end of the mission of Enoch on Earth, he disappeared from the human world without death in earthly terms. Genesis (chapter 5 ver ses 23 to 24) says: *"And all the days of Enoch were three hundred sixty and 6ve years: And Enoch walked with God: and he was not; for God took him "*

The Living Bible has it thus: "When he was 365, and in constant touch with God, he disappeared, for God took him." As the Lord was speaking of Enoch, I later considered that by leaving the Earth without death, Enoch in his time was the living seal and true symbol of the Almighty God on Earth.

THE MYSTERIOUS ELIJAH

Furthermore, the Lord spoke to me saying: "Son of man, who do you think was Elijah?" Then I answered and said, "O my Lord, I know not; for I know nothing except that which You grant that I should know." Then He said to me:

"Son of man, behold, Elijah was a manifestation of one of the Seven Spirits of the Lord thy God. Through him, the Omnipotence of the True God was established in his time over the messengers of darkness, even the idols of the children of men."

When I took time later to study the life of Elijah in the Bible, I further learnt certain things in connection with the fact that he was God's Spirit which appeared on Earth, as the Lord told me. For instance, prophets set forth spiritual decrees upon men, nations and elements by the Word of the Lord God spoken through them. But

we are told that at a time Elijah made a decree according to his word.

*This is recorded in 1st Kings chapter 17 verse 1. There we read: "*And Elijah the Tishbite, who was of the inhabitants of Gilead, said unto Ahab, as the LORD God of Israel liveth, before whom I stand, there shall not be dew nor rain these years, but according to my word."

I learnt from the Lord that when His Spirit takes a human form to live in the world of man, the word of such an empowered Divine representative of God prevails over all the elements of nature. Here we found that Elijah did not say 'according to the word of the Lord,' rather he said 'according to my word'.

This is so because he was the Spirit of God in manifestation, a bona-fide representative of God in the world of man. Remember also that Elijah finally left this world without death in earthly terms. In the second chapter of second Kings, it is written: *"And it came to pass, as they still went on, and talked that behold, there appeared a chariot of fire, and horses of fire, and parted them both asunder, and Elijah went up by a whirlwind into heaven."*

THE PRIMORDIAL ADAM

Again, the Lord spoke to me, saying:

"Son of man, behold, the primordial Adam was the first manifestation of the Spirit of your Lord in the world of mankind. Adam was set apart to dominate and rule the Earth."

"Remember what Genesis (2: 7) says: 'And the LORD God formed man of

the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.' Son of man, this means nothing else than that Adam was an expansion of your Lord, a direct projection of My Spirit, sent forth to experience life in the world of gross matter.

"Understand that the body of man is not the real man, but a house of that which is beyond; a temple which I made for Myself. Behold, the earthly body of Adam, formed out of the dust of the ground, was dormant, it was lifeless when it was made.

"Yea, it remained on this state until 'The Brea th of Life' from Me entered in to it. Then Adam became a living Soul. He became a concentrated unit, the first individualized human unit, of the Spirit of thy Lord on Earth.

"Adam therefore sprang up from My Spirit, as all things came from Me. But Adam became the highest and the most concentrated unit of My Spirit known in all the realms of mankind, of the beast, of plant, of the element, of the Earth and of protoplast.

"Son of man, the 'breath of life' is not a creature but it creates. It was not created because it is the Spirit of your Lord which has no beginning and cannot end. The breath of life, which became Adam, is My Spirit. My Sprit, O son of man, is the Life Current of the Godhead, that is forever one with God. There is no point in which it ends and l begin.

"Therefore by breathing My Spirit into Adam, he immediately became a manifestation of My Spirit. But learn this, Harbinger of the Last Covenant, that the projected drama of the fall of Adam was not unknown to Me from the day he was made. Rather this was disguised to enrich the multidimensional systems of My creation, from a point of reference hitherto unknown in earthlyterms."

THE BLIND ONE

The Lord spoke further to me, saying: *"The Prophet Isaac, son of Abraham, was also a manifestation of one of the Seven Spirits of your Lord."* My later studies of the life and works of Isaac also revealed that of a truth, as spoken to me by the Lord, he was a consummate representative of the Lord in his time on Earth.

Isaac was even conceived not by the process of sexual act, for his parents had

transcended such system of life at that time. For instance, then Abraham was one hundred years whilst his wife Sarah had reached her menopause. The Scripture in Genesis (18: 11) spoke of them thus: *"Now Abraham and Sarah were old and well striken in age; and it ceased to be with Sarah after the manner of women."*

That *"it ceased to be with Sarah after the manner of women "* means that she was in her menopause, the end of her menstrual period. To this end, she had lost all biological ability to conceive and bear a child via sexual act. This was also why she laughed scornfully at the Lord's promise of making her bear a son in her old age.

In this promise itself lies the foremost Scriptural evidence that Isaac was God's Divine Spirit in manifestation. To this end, God told Abraham in Genesis (18: 10) that: *"I will certainly return unto thee I according to the time of life; and, lo, Sarah thy wife shall \ have a son."*

The expression *"I will certainly return unto thee,"* was used by God to show that He (His Spirit) was the one that would return to Abraham and be born on Earth as the son of Sarah. And truly He returned as spoken at that time and manifested in the world of man via Abraham and Sarah. This divine manifestation, this Spirit of the Lord, was Isaac.

Furthermore, we found in the Holy Scriptures that Isaac himself even spoke on Earth as a true divine representative of God on Earth. In Genesis (27: 37), after Jacob had taken the blessings of Esau from Isaac by means of manipulation, it came to pass that the blind Isaac told Esau: *"Behold, I have made him thy lord, and \ all his brethren have I given to him for servants."*

Here Isaac did not say 'God has made him your lord' or 'all his brethren has God given to him for servants'. Rather he made it clear that "I" (Isaac himself) did it. This should not be taken to be ordinary. No one can give what he does not have. No one can run beyond his shadow.

The words spoken by Isaac to this end proceeded from his ultimate identity as the Spirit of the Lord in manifestation, which is eternally one with God. The Lord brought this understanding to me in spirit. The words also which he spoke on the platform of the "I" the Spirit of the Lord which was himself, fulfilled as pronounced by him.

NOAH THE SAVIOUR

The Lord spoke to me and said: "Behold, Noah was another manifestation of one of the Seven Spirits of your Lord among the children of men. "He said

again: "Son of man, verily, Noah was sent forth from the realm of the Highest and set apart to save the world in his time. And it came to pass that he saved the world by My Word."

The Lord spoke further to me of Noah and said: "Son of man, by the ark he saved remnant, even of his seed, from the great flood. This was done that they would replenish the Earth as ordained by Me. "In speaking of Noah, the Scripture (Gen. 6: 9) says: "These are the generations of Noah: Noah was a just man and perfect in his generations, and Noah walked with God."

In Romans (3: 10) it is said, "there is none righteous, no, not one." And in the same chapter verse 23 we read: "For all have sinned and come short of the glory

of God. "Now, whereas it was said that all have sinned, we found as already stated that this did not apply to Noah.

This is because he was a manifestation of a portion of God's Spirit, who came in those days to save the world, he was not categorised among *"all that have sinned"*. It was said of Noah that he was both just (righteous) and perfect. This took place in the strength of what he was: God's Spirit in manifestation.

THE GOD MOSES

While in spirit, in the presence of the Holy Face of the Lord my God, which appeared and covered the Sun that was powerful than fire, He spoke again to me, saying:

> *"Son of man, consider how great Moses was before thy Lord. For, behold, he, even Moses, was a manifestation of one of the Seven Spirits of the Lord thy God. Moses was ordained and set apart to operate on Earth even as God. While in the world of man, Moses, as the Spirit of God, acted as God, and his brother Aaron acted as his prophet."*

It may be recalled that it was said unto Moses by the

LordGodAlmighty(Exo.7: 1): *"See, I have made thee a god to Pharaoh: and Aaron thy brother shall be thy Prophet" Here the small letter "g" was used in reference to Moses as a god to Pharaoh.*

However in another place (Exo. 4:16), the capital letter "G" was used with regards to Moses as a true Spirit of God in manifestation. There we read: "And he shall be thy spokesman unto the people: and he shall be, even he shall be to thee instead of a mouth, and thou shall be to him instead of God."

THE HIDDEN TRUTH

One thing I observed is that while the Lord was speaking to me about the manifestations of His Seven Spirits in human forms, He did not follow the order of their manifestations. Such as Adam, Enoch, Noah, Melchisedec, Isaac, Moses, and Elijah. Rather He spoke of Melchisedec, Enoch, Elijah, Adam, Isaac, Noah and Moses.

The reason for this was not made known to me. However, the Lord taught me in spirit that when one of the Seven Spirits comes to the Earth in a human form, the greater portion of that Spirit of God does not inhabit the human form. While a specific amount of that Spirit takes the human form, the greater portion of the same Spirit resides and operates in the eternal realms of Universal Spirit.

The human form therefore becomes one of the multidimensional projections that the Spirit of God, (One of the Seven Spirits of God) takes in multifarious manifestations. The very Spirit of God in manifestation in a human form and in multitudinous projections, is more than the sum-total of the human form and His multidimensional manifestations in various systems put together.

Yet such projections of Himself, as well as the human form that He takes on Earth, are eternally one with Him with that portion of the Spirit of God from whence they emerge. This is a mystery. The Lord also spoke to me, saying:

> *"Son of man, these Mighty Ones, even Melchisedec, Enoch, Elijah, Adam, Isaac, Noah and Moses, each was the first manifestation in human form of the particular portion of the Seven Spirits from whence they came. Each of the Seven Spirits of the Lord thy God has other manifestations, both as humans and other forms, which the children of men do not recognise as such."*

Then the Lord spoke to me of myself in a manner which I shall not reveal. And He spoke further, saying:

"Behold, John the Baptist was also a manifestation of one of the Seven Spirits of your Lord. But it was the portion of the Seven Spirits that came as Elijah that also reappeared as John on Earth.

"Of a truth, the Spirit of your Lord that became Adam also at the same time became Abel, even the seed of righteousness. The portion of My Spirit that was Enoch later returned to the Earth as Joseph; Daniel was the portion of MY Spirit that first came as Melchisedec; while Job was the portion which came as Noah.

“There were portions of My Spirit, O son of man, which took human forms and lived in Europe, Persia, America, China, India, Africa, the realm of the Arabs and other places, but are not known as such among the children of men.”

THE LORD OF LORDS

The Lord spoke further to me, saying:

“Harbinger of t*he Last Covenant, remember the coming of your Lord into the world of*

man, even My coming in the order of the Son, in which I was called Jesus Christ. That particular manifestation of Myself as the Son of God is from the everlasting, an d is far greater than each of the manifestations of My Seven Spirits.

“Behold, Adam, Enoch, Noah, Melchisedec, Isaac, Moses and Elijah, are far below the very manifestation in which I died on Earth for the sins of the world and rose again from death. O ye Iyke Uzorma, Harbinger of the Last Covenant, bear witness that your Lord Jesus Christ was not the manifestation of one of the Seven Spirits of God.

“Your Lord then came as the Supreme Manifestation of the sum-total combination of all the Seven Spirits of God put together. Your Lord Jesus Christ is the perfect fill strength of the Seven Spirits of God in total consummation. Behold, your Lord Jesus Christ is the Perfect God; the Per feet Son of God; and, verily, He is the Perfect Son of Man.

“Remember also in the book of Revelation (5:6), how I revealed Myself as the Lamb with seven horns and seven eyes, which are the Seven Spirits of God. That I revealed

Myself thus shows My manifestation as the sum total of the Seven Spirits of God.

“I am the Seven Spirits, even the Holy Spirit; lam the Son, and, behold, I am the Supreme Father of all. I am far beyond all you know of My manifestations. I hold the keys of life and death in all the known realms and the unknown realms of My creation. I am the Godhead; behold, I am everywhere at all times managing all things; and he who comes to Me is free in eternity.

"Son of man, the life of spirits, angels, men, demons, every creature, even the Prince of Darkness, are completely under My control. I control all things while I, even I, thy Lord, am beyond control.

"O ye Harbinger of the Last Covenant, I am the Seven Spirits which came into the Earth as the Messengers of Light. I am the Son who gave My life for the sins of the world; and I am the Father, the Owner of the Vineyard, whose coming at the fullness of time on Earth brings forth judgement. He who has ears to hear, let him hear."

As soon as the Lord said, "He who has ears to hear, let him hear, "the Holy Spirit returned me to the world of my physical abode. Then I praised the Lord God Almighty.

THE SECOND ADVENT

I learnt from the Lord, however, that His next coming to the Earth, after the coming in which He was known as the Son of God, (Our Lord Jesus Christ), shall be mainly not only in the order of the Son of God, but in the final order of the Father of Creation.

For instance, we found in Revelation chapter 1 ver se 4 that the Almighty Father is referred to as the One *"which is, and which was, and which is to come."* The One which is to come therefore is the Father of Creation, with the Son (Lamb) to establish the *"Throne of God and of the Lamb"* (Rev. 22:4) on Earth.

The coming of God as the Father also includes the One who came as the Son. The Seven Spirits are also included, even the Angels and mighty Beings of the realms of God, as well as the First Fruits of the Lamb. Please take time to study the parable of Our Lord Jesus Christ, as recorded in Matthew chapter 21 verses 33 to 41.

There you will have a clear understanding of the Divine manifestation of the Almighty Father into the world of man at the fullness of time. Children of men, the

vineyard in this parable stands for the world of man. The husbandmen mentioned by the Lord are both religious and political leaders of the Earth that killed the prophets. The servants sent at one time or the other by the owner of the vineyard, are the saints and prophets of old.

The Son sent by the Owner of the vineyard, is Our Lord and Saviour Jesus

Christ, the Son of God. While the Owner of the vineyard Himself who came at last, is the Supreme Father of the Universe. It means that the Divine manifestation of God (as the Father) with the clouds of Heaven (Rev. 1:7) is the ultimate consummation of what we believers know as ‘The Second Advent.’

CHAPTER 5
DIVINE LESSONS FROM ABOVE

Now it happened one early morning that I was caught up in spirit while praying to the Lord my God. The glory of God came forth and covered me, whilst I stood in spirit in the midst of His Almighty Power; the Power which came with the clouds of Heaven

From the midst of this cloud, a mighty voice, the Word of God, came to me saying: "Son of man, whom I have called and set apart to walk on the path of My Power, My Righteousness, even My Wisdom, now consider this:"

He continued with a question, saying: *"Thy Lord and the children of men who serves the other?"!* answered and said: "O my Lord, thou knowest." And He said to me:

THE DOER OF ALL THINGS

Son of man, who washes your clothes and sweeps your house? Who cooks your meal and serves you to eat? Who

provides your food and clothes you? Who takes away sickness and death from the midst of thee? Who is your driver that drives you on the streets?

"Son of man, who fights the battles of life for you, even the battles that you know not? Who guides you in the day and in the hour of the night? Behold, I, thy Lord, do all these and more. I do all these for the children of men and for every creature in all the realms of existence.

"Daily I serve My children on Earth in diverse ways more than they think that they serve Me.

"Know this therefore that I am the Chief Servant of the Universe, and, behold, I am Supreme Enjoyer.

"I am the Servant, the Servant of servants; I am Supreme in service and in mastership, O son of man.

"I create, maintain and serve every creature. But I am the only Servant, the dear most Servant, the true Servant of all that serve Me in spirit and in truth. He who has ears to hear, let him hear."

As I heard these from the Lord, while still in spirit, I remembered what Psalm 127 verse 1 says, that: "Except the LORD build the house, they labour in vain that build it: except the LORD keep the city, the watchman watcheth but in vain."

HE SERVES US BETTER

When at last the Spirit of the Lord returned me back to the Earth, I recognised the workings of His mysterious Power, especially towards those who are on the path of Light and righteousness, by His grace. I learnt a spiritual lesson, that if one is a true servant of the Lord God Almighty, who is on the path of Light, the Spirit of Our Lord Jesus Christ does all things for him.

In my own case, I have a lovely wife by the grace of God. I also have good Christian brothers and sisters around me. They all assist me in one way or the other. Yet it is the Lord, and not them, that brings all such help to me.

I also learnt from the Lord that He takes pleasure in serving His faithful servants on Earth. Now, as many as are set free by the Blood of Our Lord Jesus Christ have this experience as their bonafide portion from the realm of the highest Heaven.

When the Almighty Lord, Creator of the Heavens and the Earth, Maker of the Sun, Moon and Stars, operates as your "Servant" in all aspects of life, you become as free as air. However, in the evening of that day wherein I received the aforementioned Words in spirit from the Lord, my kitchen door mysteriously locked and refused to open.

It happened in the evening when I was about to break the fasting of that day. My meal was in the kitchen, but the door refused to open. It was strange. For

over twenty minutes, my wife and others battled in vain to unlock the door with its key. Thereafter they contacted me on this matter.

I came and also tried in vain for over ten minutes to unlock the door. I wondered why the door's key could no longer open it. Then I decided to break the door and force it open. To this end, I went for a big iron hammer kept in one of the rooms, which was to be used to force the door open.

As I entered the room to take the hammer, I heard a voice which said to me:

> *"Harbinger, you've not told Me to open the door for you. You are already told that I am the Supreme Master and the Supreme Servant in all the realms. I serve you in all things. I serve you in that which is big; and I serve you even in that which is small. Now go back, break not the door, but use the key, for I have opened it."*

I learnt an important spiritual lesson that day. I learnt that the Lord is involved in all aspects of our lives even to the smallest degree. I learnt that no matter how small a problem is concerning a child of God, the Lord is involved.

Our Almighty Lord is not only involved in that which is big in our lives, but also in that which is considered little among men. This was the lesson I learnt that day from the Lord. For as soon as the Lord spoke to me in this regard, I came out and opened the door with the key just once, to the amazement of all.

SPIRITUAL BATTLE

After this, I was in the spirit whilst the Prince of Darkness came in battle against me, with four strong arch spirits of the realm of darkness. With these he rose to confront, by means of his hidden corrupt power, the spiritual mission of Harbinger of the Last Covenant.

Even by casting aspersions, through those who offer stones instead of bread; the Prince of Darkness failed and came to naught. And when he directly came at last to

resist, to lead into captivity and to bring forth death, then also came the Spirit of the Lord to raise the banner of victory upon His Messenger.

Then it came to pass that the battle was set. On one side was the Prince of Darkness and the four great powers of the realm of darkness with him. On the other side was myself and one of the sons of God, who stood with me by faith upon the Blood of the Lamb, by which we overcame.

It was a serious battle which in spirit occurred in the space and in different

realms unto the Earth. In each realm we had victory, even as I had the power to disappear and become invisible in their midst. The one who was with me feared in the midst of the battle, and relied on the power of God flowing through me for victory.

My constant attempt to help him almost weakened me, but the Spirit of the Lord brought unlimited spiritual strength. By the Power of Jehovah God and His Christ, I got the Prince of Darkness bound in a grave of stones which I saw in the wilderness, in a realm of the field of battle.

Then I disappeared and found myself in a realm which I thought was of the saints of the Lord. I saw a mighty church in which people were gathered. I was very hungry at this point and wanted to eat. The pastor of the

church came and gave me a plate of fried rice to eat. He told me: “Man of God, the battle is very fierce, please eat and get more strength.”

I took a spoonful of rice and wanted to eat. The rice was already in my mouth when I heard a voice in the spirit which said to me: “Iyke! Iyke!! Eat not this food, for the one who gave it thee is an agent of darkness. He is not a shepherd in My holy power, but a messenger of the unclean spirits. Even the church that you see and the multitudes therein, are of the wilderness of that Old Serpent, Satan the arch deceiver.”

Upon hearing this, I spewed the rice out of my mouth, though a little of it entered my belly. Then I observed that the rice was used to cover the meat of vulture, for me to eat, as if it was chicken. I also observed that the “church” and the entire people there turned into wilderness.

However, when the false pastor saw that the truth was made known to me, he took a portion of the rice and poured on my face, little of which touched my eyes. Then the Prince of Darkness came forth again from the grave wherein he was bound, because the hour had not come for this then, and he came in battle again against me.

The one who first gave me food strengthened himself and joined the Prince of Darkness against me. But the

Lord sent down upon me and upon the one with me His Almighty Spirit, which brought to naught the hosts of darkness that later appeared. And at last, the Prince of Darkness fled with them, whilst I chased them into an empty space, beyond the Earth planet.

I woke up and it was 2:14am. Then the Word of God came to me, as I was praying, saying: *“Son of man, bless a cup of water by the Blood of thy Lord and drink, because of a portion of that rice which entered your belly.* “About twenty

minutes from the moment I woke up, I began to stool blood.

At first, I did not bless water and drink as the Lord directed me. I said to myself: “Though the Spirit of God said that I should bless water and drink, but Satan cannot do me anything even if I did not drink this water.”

This was a great mistake on my part, because it became a sort of disobedience to the Spirit of God. However, I was under great stomach pain and continued to stool blood. It was as if a heavy stone was inside the lower part of my belly. At a stage it was like I was about to die.

I could no longer stand up. The “stone” started to move upward within my belly. Then the Lord spoke to me the second time, saying: *“Consider what I told you at first and take it to yourself. If that which is within*

you; that came through the attack of food, rises to your heart, will you survive?”

At this point I told my wife to get me a cup of water. She brought the water while I prayed over it and drank. Then something happened within me. The water became a spiritual force and fought in my belly that which I felt was like a stone. I went to stool and the “stone” went out of me.

I stood up immediately and felt as if nothing had happened to me. That was the end of this attack. I learnt a lesson from this. I learnt that the victory of the saints lies in obeying or doing what the Lord commanded, and that the Lord knows better how to protect us. What we know or think in this connection does not count in the light of what He commanded.

BLINDNESS REMOVED

Now, because of the rice which touched my eyes in our spiritual battle against the denizens of the realm of darkness, eye problem developed upon me in the world of man. For a period of two weeks I could not see with my eyes. I was led by my wife to the toilet, to the bathroom and to other places in the house.

I was advised to seek medical solution, but I refused, knowing that the Lord alone heals. I began to seek the face of the Lord my God through fasting and prayer. And it happened on the 14th day, from the day of this attack, that the Lord came to me. I was in spirit and found myself in a heavenly realm wherein Our Lord Jesus Christ appeared and I stood before Him.

He held me and opened my shoulders. He looked at the bones therein and said: *“No, these have expired.”* He removed the bones and replaced them with bones

of scarlet colour. Then He said certain things which I will not reveal. Thereafter He pulled my head off from my body and removed my two eyes.

He brought two new eyes and breathed on them, saying: *"Receive My Power.* "He fixed the new eyes on the eye socket and fixed back the head on my body. I knew that I was able to see when He removed my head and my eyes, but with what I was able to see without my eyes, God knows.

MYSTERY OF BODY PARTS

When He fixed my head back, He led me in spirit into a realm, a magnificent mansion wherein is found well preserved different parts of the human body.

Then He said to me: *"Harbinger, see, all the parts of \ the human body."* I saw Angels of different size and rank working in this realm. The Lord continued, saying,

"Everything is per feet and complete in the Great Kingdom of your Lord. Know and understand that while man lives on Earth, the growth of his body comes through constant death which occurs moment by moment within th e framework of his body.

"Behold, the cells, the atoms and the molecules of the body of man, die and are replaced from time to time of man's existence. They die and are replaced at the same time, even at the time of the death of each. This work is done by the Workers, the Angels of your Lord, which you see here.

"Son of man, without this constant death and replacement, as I tell you this day, there would be no growth of the human body in your terms. Your earthly body would be static, without expansion, if the body cells, molecules and atoms do not die and their debris replenished.

"If this does not occur, the human body, your body, with which you emerged on Earth at birth as a little child, will remain

not beyond the size of a seven-year-old all the days of your life. It takes seven years for all the cells, all the atoms and all the molecules of the body which you had at birth to completely die and be replaced.

"The new ones that replace the old also undergo this process of complete death and replacement after seven years. This continues bit by bit and

completes at the end of seven years, till the entire body dies.

"Son of man, apart from the death and replacement of the atoms, cells and molecules of the body, there is also a process of major replacement or servicing of the body parts, when a part of the body is found to be weak, or when it has expired.

"This operation of replacing or servicing a part of the human body is also among the works that the Angels do here. But the ones revealed to you are more concerned with those who are on the path of your Lord on Earth.

"When a body part is being replaced, it may result in what the children of men consider as ill-health. The ill-health coming to man because of this, therefore, is not

disadvantageous, as man thinks. Rather it brings about balanced regulation and reinforcement of the entire body systems. It brings about greater health. Nevertheless, it is highly disadvantageous for anyone to seek medical help in a situation of this nature.

"Medication to this end in the world of man can accelerate the body elements towards the reduction of the current of life. Son of man, what I did on you, removing and replacing the bones of your shoulder, would have resulted in ill-health for a while if it was done by the Angels, because of the way they operate. But because I did it Myself, there will be no ill-health."

PHYSICAL RETURN

At this point the Lord held me as if I was a little child in His hands. He threw me up and declared, saying: *"Go! I am with you always."* I went up from His hands and descended from above unto the Earth. I descended with great speed upon a mighty house on Earth, in which were the true saints of the Most High God.

They were gathered in prayers and singing praises to the Alpha and the Omega. The great force with which I

descended from above, caused me to burst a portion of the building, from whence I fell upon the altar of the hall of worship and woke up physically on Earth. That was the end of my eye problem.

Now I bear witness before the faithful and the faithless, whosoever reads this sacred writing, that the Power of Jehovah God and His Christ, which is the

Power of the Holy Spirit, is real. This reality is valid, not just in theory, but in practical demonstration. A true Messenger of God, one empowered by the Holy Spirit, must possess the proof of divine authority in the name of his Lord.

Again I bear witness that when the Spirit of the Lord comes into any venture, there must be a change for the better; that venture must be successful and prosperous. When the Spirit of the Lord is in motion to do a thing, woe unto any creature or element that would stand in opposition, for surely such will go down in total subjugation.

POWER INCREASE

Now, I have already spoken of how the Lord breathed into the new eyes that He gave me in spirit. This experience brought forth an increase of His Almighty Power upon me: The Power destined to liberate the children of men from the network of vicious spirits and elements of bondage.

About three days after the Lord had put power in my eyes, a prominent chief in the city came and pleaded that I should come and heal his son. The chiefs son, a young man of about 19 years, was under great psychic attack of the powers of darkness. He was possessed by the spirits of insanity, which brought the need for deliverance.

I went to their house, not because the Harbinger of the Last Covenant is the one that heals, but because the Supreme Doctor of the Highest Heaven has empowered me to liberate the people of this world by His Spirit. Before I left for the chiefs house, wherein the young man was chained in a room, the Lord spoke to me, saying:

> *"Son of man, make thyself available for the one whose insanity is the work of a messenger of darkness. Behold, I am with thee to heal, to raise the dead, yea, to free many from bondage. Therefore this day and the moment wherein I require, shall My Spirit pass through your eyes to bring forth healing, to the glory of My Holy Name."*

I was specifically directed by the Holy Spirit that, upon seeing the afflicted young man, I should look into his eyes for a moment until he is made whole. Also that thereafter I should pray for him and pour a cup of water on his head. As I entered the chiefs house, the word of the Lord came to me again saying:

"Son of man, the channel of darkness, who brought the burden of lunacy upon the afflicted one, is the woman sitting here before you." Then I observed that

before me was the wife of the chief. She is a woman known to be “great” in a church wherein people worship the Lord.

She personally invited the General Overseer of her church and his three pastors who, for several hours, were there praying for the deliverance of the chiefs son. This General Overseer is one of the senior ministers in town. Meanwhile, as they were praying for the boy in the room where he was chained, the woman was sitting in the parlour, but busy manipulating by craft against the prayer-force of the men of God.

Her manipulations prevailed, not because the Spirit of the Lord is not valid. Rather the men of God were praying not by the move of the Spirit of the Lord, but within the framework of the mental. This profits nothing in the realm of the Holy Spirit.

Our shouting in prayer, quoting verses of the Holy Scriptures and commanding vicious spirits to flee, will always come to naught if the Spirit of God is not present, via the human channels involved, to do a thing. Now, the one who was insane is a son of the chief born, not by his wife but by a lady-friend, outside marriage. Speaking further about the chiefs wife, the agent of darkness, the Lord told me:

“Go and have a handshake with her while focusing your eyes on her forehead. For here and now will I bring her witchcraft to naught.” I shook hands with her while looking on her foreheads, as directed by the Lord. As I held her hand, I told her: *“Mama, the peace of the Lord be with you.* “Then I observed a change in her. The psychic link she had with the network of darkness was immediately broken.

The way was consequently prepared for the total deliverance and divine healing of the boy who was held bound by means of her craft. At last the chief led me into the room where the men of God were conducting deliverance for the insane boy. I observed that the Pastors were on a systematic path, I mean in respect to the art of deliverance.

It is true that in this connection, some men of God follow a systematic approach, based on what they have read in books, or on what they are taught by others, and not on what the Spirit of the Lord is saying at that moment. Often this can be misleading, because each spiritual case has its own specific and not general methodical solution.

A true minister of the Lord empowered by Him, must be led by His Spirit to know what should be done in this regard. I observed that two Pastors were upon the insane boy, whom they forced to lie on the floor. One sat upon his back while

the other sat on his legs.

The General Overseer drew the boy's head up shouting: "Come out! son-of-a-bitch!" This kind of activity of course is based on a certain level of understanding. It may or may not work, depending on how the Spirit of the Lord is involved. In this case, however, this method did not work.

I entered in and asked the men of God to halt their deliverance ministration. I also asked them to leave the room. Then I did what the Lord had asked me to do. As I looked into the eyes of the insane boy, the Spirit of God opened my spiritual eye to see. Then I saw the boy as a filthy hut. Within the hut were hundreds of unclean and vicious Astral spirits.

The fire of God came forth from my eyes and caused the unclean spirits to flee from a little space on the roof of the hut. When all the spirits had gone, the Lord returned unto me the human eye. And I saw that the boy was now completely calm and made whole. He was immediately delivered from the vicious spirits of insanity.

As I did what the Lord commanded me to do, the young man stood up at last to the glory of God. That was the end of his insanity. He even calmly stood up and escorted me to my car. Few days later, however, the proclaimed 'Men of God', including the General Overseer, who noted this kind of instantaneous deliverance and how it was done by the Holy Spirit

through me, turned around to speak in the midst of the congregation that it was the finger of the occult that performed it.

They thought that it is only the power of the occult that can do such a thing. By so doing they ridiculed the limitless Power of the Most High, the Most Holy. However, this has often been the case; and so it was even in the days of Our Lord Jesus Christ.

For so it was that the 'great men of God' in those days spoke of Christ, saying (Math. 12:24): *"This fellow doth not cast out devils, but by Beelzebub the Prince of devils."* The chief whose son was healed by the finger of God at last became afraid of the Harbinger of the Last Covenant.

By means of the campaign of calumny from the General Overseer and the chiefs wife, he was made to believe that I came with the powers of the occult. I did not drink water from his hand. I did not collect offering, neither did he return for thanksgiving. Nevertheless, I give thanks and praises to the Lord my God, for this is what He granted that I should experience from some of the children of men, from time to time.

BANISHING STILL-BIRTH

For instance, in another occasion, I met with a woman upon which was a decree of the powers of darkness that she will give birth to dead babies (still-birth) in three pregnancies. Her first child came out dead as set forth by the powers of darkness. She did not know that there was such a decree of darkness upon her, however.

Thereafter she conceived again the second time, and when she was to give birth, the divine grace of God brought her to me. It is said that everyday is for a thief but one day is for the owner of the house. The Scriptures have made it clear that when the anointing of the Holy Spirit is in motion, the yoke of the powers of darkness must be destroyed.

At the hour of her delivery, she was brought to Oby Nursing Home and Maternity, then located at 4 Bright Hope Street Effurun, Warri, Nigeria. The building housing this maternity was also housing my temporal counselling centre at that time.

Thus when she was brought to deliver her baby, I was counselling there at that moment. Now, as set forth by the powers of darkness, she delivered a dead baby. This was at 4pm the same day, according to the nurse who handled the delivery. After battling to bring the baby to life for almost two hours and failed, they came to inform

me of what had happened. At the same time the Word of God came to me, and I heard a voice like a wave of the sea, and He said:

> *"Harbinger of the Last Covenant, go in the name of the Lord thy God; behold, My life is upon thy finger to give life to the dead unto the victory and praise of My Holy Name.*
>
> *"Therefore go and bring forth the decree of life upon the dead by means of water upon the forehead of the dead; so shall testimony be established even this day. The darkness that prevails over the woman and her child must flee from thee in My Name."*

Thereafter I took water and blessed it in the name of the Lord My God. For in the beginning *"…the Spirit of the Lord moved upon the face of the waters"* (Gen. 1:1-2) . When I entered into the room wherein the woman and the dead baby was, I saw three vicious psychic entities upholding the decree of darkness upon the woman, to make sure that she will not bring forth a living soul.

As soon as these entities of darkness saw me, they fled from the glorious Light of the Holy Spirit, which was with me. Then I used water and wrote the Holy Name of the Lord upon the forehead of the dead baby. I also made a decree of life and proclaimed same upon the child. As I

prayed and started to sing a powerful spiritual song, the dead child jerked three times and came back to life.

That day men gathered and the faithless became faithful to the glory of God. The decree of life was made perfect by the hand of the Most Holy and the Most High God. Yet in this also was a campaign of calumny and no thanksgiving. Rather the woman and her husband, whom we even gave money, returned to Islam from where they came.

SPIRIT OF OLD AGE

Now it happened one night that I was caught up in the spirit while praying to the Lord my God. Then I found myself in a certain realm of the Almighty Lord whose Throne is powerful than fire. I stood before the Lord within the third chamber, the chamber of the Most Holy, of the magnificent Heavenly Tabernacle wherein dwells the Lord in a strange form.

A woman stood by my side; a beloved woman who loves and supports the spiritual mission of Harbinger of the Last Covenant. Herself sent to the Earth by God, as a minister of the Gospel, fears in the world of man that her years may not be long, because of that which she knew by revelation.

I was with her in prayers for victory over this. The Lord set upon me the oil of helpfulness, that I may be firm on His path in the spiritual mission of my soul destiny. Another woman of multitude of years then appeared and stood before the Lord God.

Speaking of this ancient woman, the Lord said to me: *"This is the old age that many seek among the children of men.* "Then the Lord commanded the old woman to enter into the woman of God whom I know on Earth. When this was done, the Lord told her:

> *"I have henceforth taken away your fears and given you old age. You will surely see the children of your children."*

This woman is about forty eight years and now with three children. The eldest of them is about thirteen years. Now I know that old age has become her portion from the Throne of the Redeemer of the oppressed.

DIVINE DUE

I was led in spirit into the second chamber of the Lord's Tabernacle, where I saw many people gathered. Some of them were brought out for chastisement, because they were not faithful to the Lord. I saw a man whom I know among those that were brought out.

It was said unto them that they would be chastised because they were not faithful in their tithe before the Lord. It may be recalled that some Christian denominations teach that tithe is no longer valid now among believers.

I saw in spirit that the Lord taught the validity of tithe among His people. Tithe did not come via the law of Moses, rather it was valid from the beginning. The sacrifices of Cain and Abel were their tithes unto the Lord. However, the Lord rejected the former and accepted the later.

Our father Abraham also paid tithe to Melchisedec, and this was counted unto him for righteousness. The Spirit of God also inculcated tithe into the law which Moses brought, to show the spiritual validity of this.

God spoke also through Prophet Malachi (see Mai. 3:8-12) in this regard, saying:

> *"Will a man rob God? 5êíye have robbed Me. But ye say, wherein have we robbed thee? In tithes and offerings."*

This principle of tithe, which existed before the time of Moses, which was brought forth to become part of the law of Moses, and which the Prophets proclaimed by the Spirit of God, was never abolished by Our Lord

Jesus Christ. To this end, Christ in the Book of Matthew (5:17-18) said:

> *" Think not that l am come to destroy the la w, or the prophets: I am not come to destroy, but to fulfil. For verily I say unto you, till heaven and earth pass, one jot or one title shall in no wise pass from the law, till all be fulfilled."*

MYSTERIOUS EYES

At last the Holy Spirit brought me into the first chamber of the Tabernacle. I saw that this chamber was full of different sizes of mysterious eyes above and beneath. I learnt that nothing in existence in all the realms can escape the ever present watchfulness of these multifarious eyes.

I learnt also that Heaven chronicles all the thoughts, words and deeds of every creature via these eyes. What I saw and learnt in this region of God, cannot be fully expressed in words. When I woke up, I began to pray and to sing praises to the Lord God Almighty.

TOO LATE TO CRY

Few hours later, the man whom I saw in the spirit among those that were not faithful in tithe, came with three others to my house. They brought the corpse of his five-year-old son who died in the night. I discovered that the hour of the death of the child was within the period of my revelation, when I saw the man brought out with others for chastisement before the Lord.

When they came, the Holy Spirit commanded me not to see, touch nor pray for the corpse to return to life, rather that they should go and bury the dead. I learnt a divine lesson from this. I learnt that man should not be slothful and wait in unfaithfulness to the Lord for the cat to come out of the bag and bite him. For him to begin to cry at this point, for what cat has done to him, can be prevented. Let him do that which will prevent the cat from biting him and he will have the mercy of God.

THUS ENDS THE HARBINGER'S TREATISE ON THE MATTER OF SECRETS FROM HEAVEN. THOSE WHO HAVE EARS TO HEAR, LET THEM HEAR.
