SECRETS OF SPIRITUAL POLLUTION
Text: 2 Corinthians 7:1

Prayer

Father Thank You For Everyone On This Platform. We Ask That You Open The Eye Of Our Understanding In Jesus Name. Thank You Precious Lord,In Jesus Name We Have Prayed.Amen

Introduction

In today's study, the Lord wants us to examine our lives seriously because His standard for making heaven has not changed, He is unchangeable the same yesterday, today and forever. Please, listen to this. Whatever man says that's contrary to God's standard of Truth, Holiness and righteousness is so useless than any other thing. If we must enter heaven we must take intentional steps and decisions or else we would be building a castle in the air. No one ever mistakenly enters heaven, it is hell fire that one mistakenly goes to. Don't make such grievous mistakes. There are hidden secrets Satan has kept away from many to send them to hell at the end, but the word of God and His Spirit has not kept us in the dark, as such the Lord will expose his hidden works today and this will lead us to today's study.

Bible Text: 2 Corinthians 7:1

Therefore, having these promises, dearly beloved, let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the fear of God.

Study

When talking about holiness, there is no way holiness can happen without consecration. If our consecration is to be complete, we must not joke with the two aspects that must

reflect our holiness, which are the inward part and the outward part. Paul says it is the flesh and spirit; some versions call it the body and spirit, while others call it the body and soul. From Paul's words, we clearly see that there are things that contaminate both the body and the spirit. These things then hinder our consecration, rendering it incomplete. As a matter of fact, the reason a person would attend to this matter is because such a person fears God, then a man who does not fear God would not care. There are many things that contaminate the body, such as jewelry, including wedding rings, makeup products including white powder, earrings, false nails, eyelashes, etc.

Many of these things which are worn on the body defile the body, and God says they must be cleansed. Alcoholic drinks, cigarettes, and bleaching creams are part of them. We are not focusing on those aspects now because I have taught severally on them. For today, let us see the areas where the spirit is contaminated. **2 Corinthians 7:1** Having therefore these promises, dearly beloved, let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the fear of God. Because the spirit is not visible to the human eye, many go about with polluted spirits. Some have their bodies clean but have their spirits defiled.

One might ask if one can be a child of God and still have his spirit unclean. Yes, it is possible. In fact, there are many like that today in the body of Christ. There are many things that pollute the spirit which we must consider so that we can all work on them, so as not to miss God's kingdom. There are some strange things which you may find hard to believe, but they are truths that can deliver you. If you doubt any of what you are about to hear, please go to the Lord in prayer and ask Him. Spiritual pollution is real and must not be taken lightly by those whose aim is to make

heaven. Sadly, many suffer from this but feel they are normal occurrences and do not matter. But Satan, who is thriving on their ignorance, is praying they do not come to the knowledge of the truth. May God open our understanding in Jesus' name. In simple terms, pollution is the introduction of harmful substances or contaminants into the environment, causing damage to living organisms and natural resources. Taking from this definition, let us move to what spiritual pollution means. It is a non-physical form of contamination that refers to anything believed to harm a person's inner life, moral values, or spiritual well-being.

Therefore, unlike environmental pollution, it is not about the physical environment but about the inner aspect of one's life. This can be the mind, heart, or soul. It is important to note that when we get born again, the Holy Spirit dwells within us and begins to guide and transform our lives. At this point, the believer is called to cooperate with the Holy Spirit's leading rather than follow the desires of the flesh, resulting in daily choices to walk in the Spirit. We must cleanse ourselves from the filthiness of both the flesh and the spirit, for God is to be glorified both in our body and in our spirit. There are sins of the flesh that are committed with the body, and there are sins of the spirit, also known as spiritual wickedness.

Today, Satan has taken spiritual defilement to another level, and the Holy Spirit keeps speaking to His servants through His Word that the days are evil and God's children must not be ignorant. Here are some ways spiritual pollution occurs.

1. Food Sacrificed to Idols

If we read the Scriptures carefully, we will see that the Word of God does not support eating food that has been sacrificed to idols. Acts **15:20 (KJV):** "But that we write unto them, that they abstain from pollutions of idols, and from fornication, and from

things strangled, and from blood."In fact, one of the issues the Lord had with the false prophetess Jezebel was that she taught His servants to eat things sacrificed to idols.

Revelation 2:20 (KJV): "Notwithstanding I have a few things against thee, because thou sufferest that woman Jezebel, which calleth herself a prophetess, to teach and to seduce my servants to commit fornication, and to eat things sacrificed unto idols."If these portions of Scripture are looked into deeply, one would see that they have both physical and deep spiritual implications. If we look back, we will see that we studied clean and unclean foods, and it was clearly stated that food does not make one unclean. However, we were told that though all things are lawful for us, not all things are expedient, and not all things edify.

But here we have the warning that we should not become polluted with food sacrificed to idols. This does not mean the food itself is the problem, but the spirit behind it. As children of God, we must separate ourselves from things that are sacrificed to idols. Paul says: **1 Corinthians 10:20 (KJV):** "But I say, that the things which the Gentiles sacrifice, they sacrifice to devils, and not to God: and I would not that ye should have fellowship with devils."Demons are real, and we must not join ourselves to them in any way. Because they are spirits, we must avoid food sacrificed to them, so that our inner being will not be polluted.

This speaks directly to those who are fond of eating Salah food during Islamic festivals. You are doing great harm to your spirit man. Those foods have been sacrificed to their god, Allah. As such, you must not partake in eating them. Sadly, many cannot take their eyes off such meals. If you are observant enough, you will realize that whenever you eat such meals, you become weak spiritually. This is because you have given demons the go-ahead to capture and pollute you. It does not matter whether you pray

over such meals or not; you cannot partake of the Lord's table and the table of demons at the same time. **1 Corinthians 10:21 (KJV):** "Ye cannot drink the cup of the Lord, and the cup of devils: ye cannot be partakers of the Lord's table, and of the table of devils."This means you must separate yourself from food offered to Ogun, Sango, Brahma, Vishnu, Shiva, Lakshmi, Parvati, Krishna, Nyami, Legba, Ngai, and Nkulunkulu.

What happens when you eat food sacrificed to idols?
There are costly spiritual transactions that happens when you eat foods sacrificed to idols which many are ignorant of. The price for it is very high that it can be difficult to pay without being wounded in the spirit.

1. Your conscience gets defiled and becomes hardened, making it difficult to receive God's Word.

2. Your spiritual strength dwindles.

3. Your spiritual signal becomes corroded.

4. It can lead to spiritual blindness.

5. It can break and weaken the walls of your self-control.

The Lord does not want His children to have anything to do with demons. This is why He wants those who have ears to hear what the Spirit says to the churches.

2. Satanic Projected Dreams
One might wonder how these things can be. Dreams come from different sources.

i. God.

ii. Human thoughts and concerns.
iii. Satan.
iv. Influenced acts and the inner life.

Dreams that come from Satan are regarded as false dreams, and these are deceptive, with the main purpose of misleading people. Satan uses such dreams, most times, to pollute God's children, especially when they are spiritually weak or when they unintentionally open the door to him through different means. The most common way the children of God open doors for Satan to manipulate their dreams is by allowing themselves to see lustful things and then meditating on them. He also causes God's children to fall into inappropriate touches, which then stick to their memories. He further uses this gateway to access their inner being and pollute them.

This is why you must be very careful with what runs through your heart and be careful of the kind of touches you permit. Avoid strange touches at all costs. When Satan succeeds in capturing a person's thoughts, he can then make his demons transform themselves into humans in dreams. In fact, he can use the image of someone you know and admire, especially if they are spiritually weak, making you think they are the ones, whereas they are not. It is simply Satan's plan to conceal his identity.

a. Penetrative sex in the dream: When some people have this kind of dream, they wake up seeing semen on themselves and simply clean it up, thinking it is normal. They do not know how much damage has been done to them by the enemy. Some even claim they enjoyed it because they lack knowledge. They do not know that not only has their spirit man been polluted by these demonic spirits, but some of their potentials and virtues have

also been taken away from them. It is very dangerous not to have knowledge because it can cost a person his or her life.

b. Having sexual relations with the same gender in the dream: This is highly polluting. Not only that, it is a way the devil makes men and women perverse. He plants the seed of uncontrolled sexual desires for the same gender into the spirit man of such a person. Such a person may not know how serious it is because, most times, it does not manifest immediately but lies low and quiet for years before it begins to manifest physically.

c. Sucking someone's breast in the dream: It does not matter whose breast you are sucking, whether that of a familiar face or a strange woman. It is the breast of the queen of the coast. The implication is that strange deposits have been transferred into your inner man. It can lead to incurable diseases if something is not done quickly. It can also make a person suddenly become immoral without understanding what caused it. Some may say these things are not true. Well, what a person believes does not change the truth from being the truth. One may choose ignorance rather than knowledge. Those who have experienced it and those who are presently facing it can explain better.

d. Eating in the dream: This is another way the devil pollutes God's children. Although not everything eaten in a dream causes pollution, depending on the nature of the dream, most times eating meat, drinking soft/hard drinks, and consuming many different kinds of food in dreams are simply demonic foods transformed into familiar foods, which many people eat without knowing. Such meals may appear as beef or goat meat, whereas they are human flesh transformed. The next time you eat in a dream, do not simply ignore it. Do something about it because it may be an agenda of the enemy to weaken your spiritual

strength. Soft drinks are, most times, human blood presented in that form to confuse the victims. Do not simply claim that nothing can happen. Yes, nothing may happen immediately, but when it becomes consistent, your spirit man may be receiving great damage.

e. Licking someone's private parts in the dream: This dream is very serious. The reason the enemy gives such dreams is to make your mouth stink before the Lord. Though many may not understand this because it is spiritual, the mouth that should be used in prayer and worship begins to emit spiritual maggots, and such a mouth begins to decay. It is a serious matter. By this, the person is defiled, and the negative effect is that such a person begins to experience unanswered prayers. When such a person gives commands to demons, they laugh rather than flee because the mouth no longer carries fire.

How to Be Free from Spiritual Pollution

1. You must be born again.
2. You must recognize the area or aspect of pollution.
3. You must ask God for forgiveness and mercy.
4. You must use the blood of Jesus Christ, which is able to cleanse every pollution, no matter how severe, as you pray these prayers with holy anger.

Prayer Points

1. I purge my inner man from every satanic pollution, in Jesus' name.
2. Anything I have eaten physically or in the dream that is gradually killing my spiritual life, come out, in Jesus' name.
3. Satanic deposits within my spirit man, I flush you out with the blood of Jesus Christ.
4. Marine poisons in my blood, be neutralized by the blood of Jesus Christ.

5. I wash my mouth with the blood of Jesus Christ.
6. Sources of spiritual pollution in my life, be blocked with the blood of Jesus Christ.
7. My inner man, receive fire, become fire, and vomit fire, in the name of Jesus Christ.

If, after praying these prayer points for several days with fasting, you do not see any results, then you need to see a deliverance minister for a deep deliverance session. I pray that every form of pollution will be wiped away by the blood of Jesus Christ.

Amen.

We have come to the end of this teaching. Have a day
