

Seeking God

Do not seek God only for encouragement and comfort or to satisfy self, but rather, seek Him earnestly with the whole of your heart to know Him personally. As Abraham, Enoch... walked closely with God.

Those who seek God only to get their current problems solved will continue to suffer because they refused to learn from their situation and use it to grow in God.

Those who seek God only to be comforted in trouble and pain. Those who seek Deliverance and freedom without seeking to know God, will not only continue to suffer here but also they'll lose their original position in God forever. Although in heaven, yet a failure.

Jesus said;

"These things I have spoken to you, that in Me you may have peace. In the world you will have tribulation; but be of good cheer, I have overcome the world."

[John 16:33]

In all; Every trouble, every pain, trials, are but test; They're tools of Exams of the spirit to refine and conform us into the likeness of God as we build God in us by learning obedience and dependence on His spirit through the things we suffer. Jesus lived the cross so we can live it and be restored back to God.

As long as we're in this Journey of Life, we'll continue to be faced with trials, because for every exams passed, a new exam is given. Anyone who wants to be promoted must have love for exams. Do not run away from your Exams, running away from your exams is simply running away from your Divine Future in God [Your true identity].

So many Christians have lived Thirty or more years in Christ Jesus, yet still on their first paper or exam. It's not about how long, but our relationship with Jesus. Failure to pass our exams keeps us trapped in great sufferings and pain. Are you in pain? Forgive and love. Pray without ceasing and

depend on God to see through His Eyes of Love, what He sees [His perspective] [Eternity's perspective]. What He wants to make out of you through that.

Remember, gold cannot become gold unless it goes through the fires. For every precious rock or metal to become of greater value, Impurities must be separated from it as it is passed through the furnace. Your pain, your trials are not caused by God, but can be allowed by God to refine you into all He had predestined you before the dawn of creation.

Impurities are; characters, nature not of God or less of God such as; unforgiveness, unfaithfulness, pride, greed, hatred, self-centredness, lack of love... such as these must be revealed by the holy spirit and replaced with more of God's by Repentance. However, we cannot see Impurities, darkness in us unless we abide always in God in whom there's light. And also be conscious of Him who's within and with us.

Our situations also, can be means to stop us for a while, to preserve us, to equip, prepare and qualify us for our Future [our divine destiny]. See through the Eyes of God, [God's perspective]. Those who focus on self and the situations or happenings around them rather than Jesus, these shall live in perpetual destruction. I mean; failing to live their true identity in Christ Jesus.

Look unto Jesus, the Author and Finisher of your Faith. To the extent your heart is fixed on Him, to that extent you'll become a finished project of God.
