CHAPTER ONE

Why Marriage, Why Sex?

We are looking into the matters from the unmarried state to the married. The Lord Jesus Christ wants to open the eye of your understanding to so many things. If there are things you find hard to understand as you read, I will advise that you rely on the Holy Spirit for interpretation. Kindly ask the Lord in prayers because you are about to unravel some mysteries.

1 Corinthians 7:1 KJV

Now concerning the things whereof ye wrote unto me: It is good for a man not to touch a woman.

In the preceding chapter Apostle Paul gave a command concerning the sexual immoral in the midst of the Corinthian church. That he should be put away from among them. Now, they wrote to him in order to know what marriage principles are. Although the contents of their

letter to him was not recorded but from the reply Paul gave we'll see that they were possibly concerned that if such judgement of putting away is to be given to a sexually immoral then what should be the remedy not to fall victim into such, and also the principles guiding marriage for them not to be held in the grip of immorality that can position them for God's judgement.

The first thing Paul said about their question is that "it is good for a man not to touch a woman" that is, it is good for a man not to marry or have sexual relations. From Paul's statement some might say Paul banned marriage, but it is not so, he was only talking about the advantage one stand to gain if he does not get married.

1 Corinthians 7:32 KJV **But I would have you without carefulness. He that is unmarried careth for the things that belong to the Lord, how he may please the Lord:** We can then ask questions, but in the beginning God said it is not

good that a man should be alone and He created Eve for Adam.

From Paul's statement one would see that he was not overruling God's statement but was only making it clearer. God said it is not good that a man should be alone but He did not say it is a must for a man to get married, it was a statement not a command, and from what Paul said one would see that he was only talking about choice, every man on Earth have a choice to make, every man have the right to make his decisions. Although it is not good for a man not to have a helper, if a man can be alone without committing sexual immorality then it is advisable for him to be unmarried if he wants to.

1 Corinthians 7:2 KJV **Nevertheless, to avoid fornication,...** At least if there is a command that there should not be sexual immorality among the brethren for our bodies are the temples of God then there should also be a way to meet these sexual needs rather than to burn. 1 Corinthians 7:9 KJV **...for it is better to marry**

than to burn. And the remedy is simple 1 Corinthians 7:2 KJV ... let every man have his own wife, and let every woman have her own husband.

Hence, careful thoughts must be placed on these words "his own wife" "her own husband" this talks about personal ownership not joint ownership those who claim to be Christians and would love to have more than one wife and husband needs to see God's commandments here, there should be no polygamist or polyandrist among God's children.

It is natural to have sexual feelings but this should never be met outside marriage confinement as children of God. But the realistic aspect of this is that if a man is immoral before marriage such might still remain so even after marriage, but for those who lived sexually pure before marriage such people would find it easy to maintain sexual purity after marriage.

That is why it is good for all to remain sexually pure even before getting married. Why many so-called brothers and sisters in Christendom today refused to get married is because they have already found a way to satisfy their sexual desires. Some go about sampling sisters/brothers both outside and inside the church testing them like a cassava grits (garri) while the gullible brothers/sisters too fall prey. Some satisfy their sexual urge through masturbation, sex dolls etc. These so-called brethren promise sisters marriage and none of these promises did they ever plan to fulfill.

Here, Paul said it is good not to touch, but to avoid fornication, then marry. However, since these ones see nothing bad in touching a woman sexually they have nothing to avoid, thus they continue in it. We have seen cases where it is the so-called sisters that request for sexual intercourse from the man before marriage because of fear. Many ladies are afraid of losing a man so they want to get pregnant for him thinking pregnancy will tie

him down and will make him marry them which is a lie from the pit of hell, this is untypical and unethical of a child of God. When talking about sexual feelings some think it only occurs to men which is not true. It is equal with the woman too, that is how the Lord has created it to be.

If it is only like that in a man then women who released themselves shouldn't have done so since they do not have the urge to do so. That was why Paul covered both sides "have his own wife," that is to a man and to the woman "have her own husband." At times, the time of waiting for a spouse can be challenging because of temptations here and there but it pays to wait after all, the flesh might want to take over at times but that is when self-control is needed the most, that's when you should not seek to satisfy your urge through sinful means such as fornication, and masturbation.

Do you know that some Christians go into prostitution while some switch over to incests, all these are rampant today, and the solution is

simply deliverance after genuine confession and repentance from such sins, if not such person will still go back into it because the demon is still very much available.

Apostle Paul went further to make the duty of the husband to the wife known and that of the wife to the husband. 1 Corinthians 7:3 KJV **Let the husband render unto the wife due benevolence: and likewise also the wife unto the husband.** It should be noted that there are many other duties required but the Apostle is tackling the question he was asked concerning sexual immorality and also its fulfillment in marriage.

Now he makes it clear that the responsibility to satisfy the man sexually lies in the hands of the woman and vice-versa. From this, we will see that there should not be room for selfishness, the husband needs to seek for the satisfaction of his wife and the wife, the husband. The reason most people have issues in the sexual aspect of their marriage is because of selfishness, in as much as they are okay then they do not care

about the other. This can cause a deep pain in the heart of the other person.

Many Christian marriages are broken because of the negligence of this aspect. And since Christianity did not give room for adultery and polygamy/polyandry many are suffering in silence and why it is so is because many lack required knowledge. The aim of every married man and woman is to satisfy the other person, not themselves. Once this is put to heart then part of the problem is solved.

There are cases whereby some partners have high sexual libido which the other finds hard to meet, in such a case they have to talk things out with understanding so that one will not be hurt. Both should avoid the use of drugs for sexual strengths for it does much harm than good. The truth is that nobody receives a trophy for being the best in this aspect, therefore, do not try to impress anyone by doing more than your power, once the body is in good health it performs better. 1 Corinthians 7:4 KJV **The wife hath not power of her own body, but the**

husband: and likewise also the husband hath not power of his own body, but the wife. No one has an outright say over his/her body because both are now one flesh. And two shall become one flesh! Before they got married they each had full rights to their own body but now it belongs to each other.

However, this does not mean the body has stopped to be the temple of God. Because they both now have access to each other's body do not give room to sexual immorality on their matrimonial bed. And any of them have the right to refuse to subject his/her body to immorality. There are several ways couples commit immorality even on their matrimonial beds. 1 Corinthians 3:16-17 KJV **Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you? [17] If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which temple ye are.**

Many christian couples in their ignorance have positioned themselves to receiving God's wrath through defiling themselves on their

matrimonial bed. Every form of immorality attracts destruction because God's temple is polluted. Many will have to adjust, sitting up after reading this teaching, amending their ways before the Lord. God would not spare those who defile His temple.

This is why even what is done on the matrimonial bed must be done in reverence to His Holy nature. God should come first even on your matrimonial bed. There are different ways the Temple of God can be defiled by couples and this can even lead them to hell if they do not repent from such acts.

CHAPTER TWO

Ways Married Couples Defile Their Bodies which is God's Temple

1. Watching pornography together before, during or after intercourse: Although you are married yet you have brought in demons to defile the Holy bed of your marriage through these demonic films. David said Psalm 101:3 KJV **I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.** If any of the partners is not knowledgeable about this, the other one that has true knowledge should enlighten him/her and not join in such an act.

It is very painful that many Christian couples only look at the physical aspects of these demonic films and do not look deeply through the spirit to see the rappel effects it causes on their marriage and even their individual lives. During the time of watching pornography, sexual demons do have access to the souls of those watching it. That is why many people are

unclean inwardly because their spirit man has been polluted by unclean spirits, so they have different sexual fantasies also in the dream. 2 Corinthians 7:1 KJV **Having therefore these promises, dearly beloved, let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the fear of God.** God is interested in seeing that your spirit also is free from every form of filthiness.

2. Oral Sex: This is one that would land many couples in trouble before the Lord. The Bible says your spouse owns your body, that does not mean you should subject it to unholiness, God did not create the sexual organ for it to be licked. 1 Corinthians 6:13 NKJV **...Now the body is not for sexual immorality but for the Lord, and the Lord for the body.** God did not create the sexual organs for it to be put in the mouth for sucking and licking. This is perversion learned from most pornography as sponsored by Satan!

Some hide under the guise of "we are married" such people should know that they are married

in holiness to remain pure before the Lord and not in unholiness to be unclean for the devil. Marriage would not be an excuse before the Lord for being pervasive on judgement day. Romans 1:24 KJV **Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves:** Those who do these things do so through the lust of their hearts and they dishonor their bodies through these things, thereby, Romans 1:22 KJV **Professing themselves to be wise, they became fools, we must have it at the back of our minds that God is concerned about every aspect of our lives.**

3. Anal Sex: This is also perversion when a spouse wants such, the other has the right to reject it, this would defile the holy bed and will certainly attract demons into your lives and marriage. This is one of the reasons why people give birth to demonic children. The Lord did not command anyone to give their bodies over to sinfulness and perversion all in the name of marriage. If you observe that these are the

things you love doing as a man and you can not stop them, kindly go for deliverance to save your soul from hell.

Romans 1:24 KJV **Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves:** even apart from the fact that it is a sin before the Lord it is bad Health Wise. Some women are afraid of losing their husbands so they give in, but you have to realise that when your health begins to fail due to these acts, that same husband will go out to get another lady since he does not fear God. You must reject ungodliness on your marriage bed. If this persists, kindly take it to your spiritual head or counsellor in the church.

3. Demonic Sexual Positions: The Lord did not command anyone to give in to demonic sexual positions all in the name of marriage. Although this aspect is one that many carnal Christians find hard to believe and accept because of the lust of their flesh. They act like animals on their

matrimonial bed and expect God to approve it. God is not a filthy God.

He has a way He does His things. When He created a dog, He assigned how it should mate to it. The way a cock and a hen mates is different from that of a cow. The way humans mate is also different from that of animals. But many are already caught in this web of demonic sexual pervasive styles which the Lord hates, they learnt this from the people of the world who are carnal in nature.

Romans 8:6-7 KJV For to be carnally minded is death; but to be spiritually minded is life and peace. [7] Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be. Many are not subject to God's laws written in their hearts because they are friends with the world, so they love the things of the world so much including its pleasures and would put God aside.

James 4:4 KJV ...know ye not that the friendship of the world is enmity with God? whosoever

therefore will be a friend of the world is the enemy of God.

The bitter truth is that many will end up in hell as result of this, if they refuse to repent. Listen, dear brothers and sisters in Christ, the voice that keeps telling you that you can do anything you want with your spouse is the voice of the devil that wants to send you to hell fire. You can not be doing like animals in bed and expect to enter the kingdom of God where humans go. Because of this many are already possessed with animal spirits.

That is why some people give birth to children that behave like animals because these children get possessed right from the womb during their pervasive acts. Psalm 58:3 KJV **The wicked are estranged from the womb: they go astray as soon as they be born, speaking lies.** Why should Christian couples tie themselves to the bed all in the name of enjoying sex, why spanking your spouse like a horse, why hanging the legs, why having sex from the back side? Among others, don't you feel ashamed? These things are not

ordinary and they are expressway to hell, some give excuses that when their wives are pregnant they cannot lie on her, well I hope God will be able to accept such excuses from them on judgement say for being pervasive.

Nothing should push any heaven-bound Christian to that level, some argue that the Bible did not mention anything about sex styles but does nature itself not teach you? All these things are as a result of carnality and many do not want to turn away from them. The spouse that has been leading many into these things will one day repent after they are dead, crying in hell, while that spouse repent and make heaven. You need not endanger your soul because of pleasure.

Because some are desperate in having children they device several ways to cross over childlessness in marriage, such as making arrangements secretly with a man or woman to have sexual relations with their spouse so they can have children they would call theirs. This is also what the people of the world do, it shows

lack of faith in God and God will not accept it for any reason. Sarah made such a mistake by advising Abraham to go in to her maid and that's the major source of the problems we have today in the world from the child Hagar gave birth to.

All these are rooted in man's wisdom. In our relations with our spouses we must let love lead, some would because the Bible says the only reason why they are to stay away from each other is when they are fasting and praying and would refuse to listen to the complaints of the other person. Such as when they are sick or tired, whereas, a sick person needs treatment not intimacy, while a tired person needs rest too. Although this does not mean that any should hide under this in pretense in order to shy away from their responsibility. Those who are truly saved shouldn't do that, there are times that it will be good for the other partner to assist the other when work gets tedious so that it would ease the other a bit to avoid tiredness that can be avoided.

There are cases where the man does not do anything in the house since morning and would not render helping hands to his wife and later he would want her to release herself when he wants marital pleasures, and vice versa. By then he/she is already tired and may not even respond to anything even if they release themselves.

In that case such a spouse should render assistance to the other. Many men would work themselves up during the day and on getting home will be tired to the point that they sleep off and this happens constantly not minding the emotional state they leave their wives, by this many women remain hurt in silence. Such people need to stop being selfish and reschedule their time to create time for their wives. Couples must study each other well to know their sexual strengths and weaknesses so that they can stand for one another. The devil is looking for any possible way to bring many people down and why he has succeeded in most homes is due to the insensitivity of their

spouses. The devil worked hand-in-hand with these partners to destroy their marriages. Satan uses many tools to penetrate into the marital bed of many couples.

CHAPTER THREE

Satan's Penetrative Tools Into Marriages

a. **Lack of communication:** This is one of the most effective tools in the hand of the devil whenever he succeeds in breaking the communication between couples. Lack of mutual understanding comes in, then it graduates into bitterness, malice, hatred once the devil is able to achieve this, then he is winning in that home because there is no prayer both can pray at that time that will be answered by God. Satan knows that when you two agree concerning anything he is in trouble, so he causes disagreements by any possible means.

He has cheated many couples this way as they continued to keep malice and shunning each other, not knowing they are being used to kick against their progress and even prayers. 1 Peter 3:7 KJV **Likewise, ye husbands, dwell with them according to knowledge, giving honour unto the wife, as unto the weaker vessel, and as being**

heirs together of the grace of life; that your prayers be not hindered. There is nothing wrong for couples to even discuss while enjoying themselves in their privacy but Satan has interfered into the marriage bed of many.

Couples need to settle conflicts as quickly as possible and not let it crossover with them to the following day or else they will want the devil to start lying between them whenever they sleep.

b. Attacks against sexual organs: Some might find this strange and may not want to believe it but it is certainly one of the ways Satan penetrates into the marriage bed especially that of the children of God. How does this happen? It happens mostly in the dream when a person always dreams of several sexual encounters, by that the person's sexual organs can be attacked and manipulated.

If such a woman is ignorant, her sexual organ can be physically widened without her knowledge. Now when it comes to having

sexual relations the husband then finds her boring as the pleasure reduces drastically. Concerning issues like this only few are natural medical cases that can be solved by seeking medical attention; the larger number are spiritual. But many couples do not know why they keep seeking a solution using different means all to no avail.

Now the man goes to get sexual organs enlarger by doing this, he is trying to help himself with the devil's products for the devil planned it for him to see it as a solution, so he provided it as a solution. The women too start to look for sexual organs tighteners, by this the devil is given more foothold in their marriage. Then he continues to breathe frustration among them.

When one or both of the couple's get frustrated, the devil then whispers into their ears to engage in extramarital affairs. These are spiritual truths that are part of the devices of the devil which many true children of God are ignorant of and the devil is taking advantage of them. At times, the devil uses the unconscious

covenant of past sexual encounters of people to do this in their lives, the thing is that Satan cannot operate in the life of anyone without a legal ground.

That is why the Bible encourages no sex before marriage but many disobey this thinking they are wise and in thinking they are wise they became fools. To keep the devil out of one's marital bed such couple need to confess to themselves concerning past sexual sins if there are any and if the source is from the dream it should be told to the other, then both forgives each other after that, they should hold their hands together in one accord and ask the Lord for mercy, they should then break every covenant working against their bodies and marriage bed kicking the devil out of it in agreement and they shall be free when they pray it fervently with understanding using scriptures to back it up. Scriptures like James 4:7, Ephesians 4:27, Ephesians 6:11, 1 Peter 5:9, Matthew 19:6, 1 Corinthians 6:19 among others.

Another area where couples can stay away without sexual relation is immediately after childbirth. The woman should be given at least some time to recover. Women take time to heal up after childbirth, a man cannot because the Bible says prayer and fasting alone and then begin to act selfishly. No, such women can be killed by the man in that way. From what we have been learning we would observe that even self-control is required in marriage.

Therefore couples must know how to put their bodies under subjection if they would follow the sexual principles of marriage because self-control does not end in singlehood. The devil has crept into the marriages of a lot of people through one of the couples and many homes are broken. Whether couples would accept this or not, the fact remains that when the sexual life of couples goes wrong, virtually almost every other thing in the home goes wrong. That is why Satan is always looking for a way to attack the marriage bed. In a home where the man and the woman have sexual

relations frequently in a godly way, Satan would find such home very hard to penetrate into.

This is because every other thing they do will be in unity and they will both have clear minds towards each other. And whenever they pray their prayers will not be hindered. But in a situation when a woman denies her husband of such marital rights, giving several flimsy excuses, she wants the home to break up, many women do not know that they do more harm than good to their marriages when they practice the following things.

CHAPTER FOUR

How Women ignorantly destroy their Marriages

1. Sex denial because of financial challenges:

There are many cases such as this where a woman would refuse to perform her marital duty because the man is going through some financial difficulties, thereby, not having money to sustain the home as it should be. What this woman claims is that since there's no money then the man also should be able to stay off sexual intercourse. What such women should know is that those who are into such acts are a little better than harlots because that is also what prostitutes do, "no pay no sex." Women should be very careful of how they handle situations such as this, as a wise woman builds her home while the foolish one scatters it. When unwise steps are taken they would be making a crack in the wall of their marriage without them knowing.

In fact this is just too common and it should stop, it is against the commandment of God. 1 Corinthians 7:5 KJV **Defraud ye not one the other, except it be with consent for a time, that ye may give yourselves to fasting and prayer; and come together again, that Satan tempt you not for your incontinency.** DO NOT DEPRIVE ONE ANOTHER, since the scriptures accept consent for a time, Heaven Bound women do not do such, they remain submissive even when financial challenges come up in their marriage, because they know that money is not a criterion for having marital pleasures.

2. Sex denial because of lack of assistance:

Some women would claim to be tired even when they are not because they were not assisted at home when they were doing house chores. A responsible man should assist his wife when house chores are much and he's at his leisure time, this can prove to her that he really loves her and wants her to be stress-free. But that should not be an excuse for any woman not

to perform her marital dues. Sexual intercourse should not be a trade by barter affair.

"You do this I do that or else there will be nothing for you" is a wrong mentality, not godly at all.

3. Sex denial because of disagreement: Some use sex as a weapon to win the fight between them and their husband. When they have little Misunderstanding, the next thing they would say is "no problem we are going to meet in the bedroom" so they begin to keep malice and even separate themselves from their marriage bed or even their room. Most of those who do this are not generally saved. A true child of God cannot do this. Sex is not a weapon of fight in the hands of any couple, it is the devil that manipulates many to use what should be a weapon to resist temptation as a weapon to fight against each other.

Those who do this need to repent, God is not pleased, settle disagreements amicably and never fight using sex as a weapon. Doing so

proves that you are under the manipulative power of Satan.

1 Corinthians 7:5 KJV Defraud ye not one the other, except it be with consent for a time, that ye may give yourselves to fasting and prayer; and come together again, that Satan tempt you not for your incontinency.

And when giving yourself to fasting and prayer you must do so with the consent of your partner. This is an agreement! it must be mutual not personal. You cannot just embark on a 90 days fasting and prayer program with your wife or husband not agreeing to it. The fact is that any fasting done without the consent of one's partner is merely a hunger strike.

When a man or a lady is single they may decide to do a 365 Days fasting and prayer program that's not bad and they are good to go, but such must be avoided in marriage. We have heard of cases where the wife decides to embark on a 90 days fasting and prayer program without the consent of the man and whenever the man

wants to touch her she will say that she's on fast and this continues that way. By this many have ignorantly broken their marriages.

Some would even embark on by fire by force fast just because they want to punish their spouse. God frowns at such a fast. Isaiah 58:4 KJV Behold, ye fast for strife and debate, and to smite with the fist of wickedness: ye shall not fast as ye do this day, to make your voice to be heard on high.

Some ministers of God would travel about for ministerial assignments for many days and the few days they spend at home would be for fasting and prayer. He thinks the wife he left in the house is a wood, such a wife would have been hurt and not happy with him. It is dangerous for any man when his wife is not happy with him because God would listen to her heart cry against him.

This is why no couple should be too busy not to meet the sexual demands of their partners. It is because of this many have been tempted and

are falling into adultery. In fact the command is, if you both consents to the fasting and prayer then you should quickly come together after it to avoid temptation.

CHAPTER FIVE

Childbirth in Marriage

This is one of the main purposes of marriage, the will of God as well as His concern is for every marriage to produce godly children who will live to serve Him in obedience.

This was what God saw in Abraham and made Him bless him. Genesis 18:19 KJV **For I know him, that he will command his children and his household after him, and they shall keep the way of the Lord, to do justice and judgment; that the Lord may bring upon Abraham that which he hath spoken of him.** God wants every home to bear fruits that keep His ways, do righteousness and justice. This the devil knows and he knows that when this happens he will be in serious trouble, so he tries as much as possible to stop it from happening.

There are many things that do happen in the realm of the spirit when husband and wife mate, Satan is always available to give his own children to them or once a child forms in the

womb of a Christian woman he manipulates the unborn child outside the knowledge of the couples. That is why many children become extraordinarily stubborn and disobedient. Part of why I warned against ungodly sexual positions because they cause loopholes giving access to these demons to recreate and manipulate children already in the womb.

It is strongly advised that when couples are about to have the pleasure that would give them babies, they should pray to God and tell Him the kind of children they would love to receive from Him, they should commit the life and destiny of such child into God's hands pleading the blood of Jesus Christ over themselves and the environment they are in. Many do not know about the spiritual transactions that happen when they mate to make babies and the devil has taken advantage of some.

When such prayers are made in agreement the devil is shut out of their marital privacy and his arrows become impotent. Demon infested

children would then be far away from such couples, the truth of the matter is that some children get possessed, polluted and deformed right from the womb; some have given birth to strange children that have served as children sorrow to them.

Many of the children given birth to deformed are the works of wicked powers and principalities but wise Christians counter them beforehand. Hosea 4:6 KJV **My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.** Therefore, do not reject this knowledge for you not to be rejected because of your sexual sins.
