Part 1

October 21st,2018

The topic I will be teaching today is very sensitive. Many believers have been attacked and deceived, so we have to address it. I have been counseling many of you and I notice that many of you have been attacked by this virus. So I have to teach you to avoid or come out of that stronghold. Many believers have been attacked with sexual sins. So let's address it.

Ladies you especially should hold your ears. Some ladies I wonder why they don't pity themselves! Sometimes I don't know if we should buy koboko for ladies Seriously. Many ladies have made up their minds to be victims, I don't know when they will stop to be careless. The issue ladies have is they they can easily be deceived but their carelessness will not allow them sit down in one place until they become wise enough. If you are wise, I'm sure you will not assume am teaching about you.

Satan uses your innocence and ignorance to trap you into sexual sins: lust and Masturbation. Sexual sins are sins that can take hold of your will. Sometimes, no amount of prayer can set you free until the word or a heavy anointing breaks you free. The fastest way Satan can steal your will is by sexual sins. Sexual sins make you powerless against Satan and gives him the right to attack you and keep you in bondage.

Parents are the cause of many ladies becoming victims of sexual sins. Many parents are so careless they leave their daughters to chance. The average parent never teaches their children about sex or anything, no wonder the children become sexually active and their parents don't. know. Satan's first aim is to corrupt your child in their innocence in a way that it will be too late to help.

The average pastor makes the lady that has committed sexual sin look like she is irredeemable. Many ladies have made mistakes but they can't even tell their pastors because the righteous pastors will bury them alive. Some of the men are dying of Masturbation because they are not getting help anywhere. I have good news for you if you have been a victim of sexual sins.

TRUTHS ABOUT SEXUAL SINS THAT ARE NOT TAUGHT IN CHURCH!!!

1.YOU CAN BE FORGIVEN TOTALLY.

2.YOU CAN STOP THE HABIT.

3.GOD WANTS TO HELP YOU.

4.STOP FEELING AS IF YOU KILLED SOMEONE, GOD WILL HAVE MERCY ON YOU IF YOU ASK.

5.YOU DIDN'T COMMIT THE WORST SIN ON EARTH, YOU CAN BE FORGIVEN.

Satan makes you feel condemned about sexual sins so that you can run away from God. The more you run from God, the more Satan attacks you. What is amazing is that Satan has created sexual pictures and videos everywhere, you can't avoid it. If you have not been prepared against sexual sins, you are hanging on a dangerous rope.

The plan of Satan is that before you become wise, you would have fallen deep into sexual sin. The average lady in 100 level has already been exposed to sex which is bad. Parents are very careless. In this 21st century you can hardly run from sexual sins because they are suggestive everywhere. If you don't ask God for mercy; it's a pity. There are free pornography sites everywhere.

Even if you don't want to see something that will make your mind lust, you will see it. Many believers don't understand the strategy of Satan now so they are victims. The average people in relationship now are sleeping with each other, yet they are not married. Many Christians have crossed the line in terms of sex and yet they wonder why nothing is working.

It is sad that even pastors don't teach about sex but only to condemn. I want to teach you people about this so that you will not become a victim. If you are already a victim, I want to show you the way out. Satan is using a strategy to trap believers with sexual sins. If you are careless; it's a pity. Sexual sins and lust are very sensitive that if you don't prepare ahead of it you become a victim.

As holy as you can be without knowing the deception of sexual sins and lusts you will be a victim. Those of you that feel God will forgive you and keep going back to sexual sins, You are opening yourself up to terrible attacks.

Now let me show you scriptures about sexual sins and what God has to say concerning you if you are repentant. If you ignorantly become a victim of sexual sin, God will easily forgive you but if you willfully become of victim of it, you will suffer the consequences. To know about a sin and to willfully do it or commit it carries a serious consequence.

Let's look at scriptures about What God is saying about sexual sins.

John 8:3

Then the scribes and Pharisees brought to Him a woman caught in adultery. And when they had set her in the midst,

John 8:4

they said to Him, "Teacher, this woman was caught in adultery, in the very act.

John 8:6

This they said, testing Him, that they might have something of which to accuse Him. But Jesus stooped down and wrote on the ground with His finger, as though He did not hear.

John 8:7

So when they continued asking Him, He raised Himself up and said to them, "He who is without sin among you, let him throw a stone at her first."

John 8:8

And again He stooped down and wrote on the ground.

John 8:9

Then those who heard it, being convicted by their conscience, went out one by one, beginning with the oldest even to the last. And Jesus was left alone, and the woman standing in the midst.

It is true that sexual sins are terrible but when you are trapped with them instead of running away from God, come to God so he can help you. Yes you made mistakes, yes you sinned, but then it is no excuse to keep sinning or to run far from God. The average Christian that sins is so dumb that instead of running to God, he runs away from God.

If you sin and you refuse to pray you are dumb. God is the only one that can help you but the devil has managed to take dumb you away from your only help. The problem many people have is that they don't have a conscience. If you are committing adultery/fornication always without your conscience being disturbed, you have lost your conscience. For you, I don't know where your help can come.

God forgives sexual sins but they carry heavy consequences. If you are thinking that we are trying to excuse sexual sins then you got it wrong. We are saying if you were a victim, come back to God but you have no excuse to remain there.

I pray that the Lord set every one free who has been under the bondage of sexual sins in Jesus Name, Amen.

You are delivered and your sins are forgiven you in Jesus Name, Amen.

Part 2

October 23rd,2018

I broadcasted the teaching titled "Sexual sins,Lust and Masturbation yesterday on one Koinonia WhatsApp group and i placed the Ark link. The teaching must have captured their attention. The problem most of us have is passion.

Many of us are liars, you say you want God's will but the truth is you have an agenda. So when you don't see that will, your passion dies off. The average human being is a liar, he may not go far with God. It is either familiarity has come in, or the devil has taken over or they have allowed challenges to overwhelm them.

Most human beings can't easily go far with God because they lose their passion.

Why We Lose Our Passion!!!

1.We came with the wrong motive.

Example:

A woman that is so passionate about getting a husband and she doesn't after sometime will lose her passion.(wrong motive)

2.A woman that came looking for a husband and finds a husband loses her passion because all her desire has always been for husband, so now she is not interested...

Most women have a very terrible motive that is why they lose their passion easily.The average woman can easily be taken out of God's will. She can claim she loves God but give her a husband, she will leave God completely Women hmmm

The fastest way Satan can trap you in through sexual sins. The moment you get involved it can hardly stop, even if you stop, you will always be tormented by the feeling. Apart from being tormented by the feeling, you will have demonic thoughts of lusts crossing your mind like hell. If you have never been involved in sexual sins, don't start. If you made a mistake, ask God for Grace. No amount of prayer can easily set you free from the feelings and emotions of sexual sins.

It will only take high level of discipline to be able to manage it but if you are yielded completely to the spirit, the evil thoughts begin to go slowly even though they may still still come back. If they come back, you have to rebuke them.

The fastest way Satan can get you trapped as a Christian is if he gets you sexually active when you are not married. The moment you become sexually active, you will discover you will begin to have serious struggles. It is sad that the TV gives us the wrong use of sex. They make you believe on TV, that if you love someone, you should sleep with the person.

If you are a lady and you love to watch Z-world and Telemundu, you are in trouble. I have discovered that there is a strange spirit in Z world and Telemundo. If after a hot prayer you go and watch Z World, you may have just wasted your prayers. We are not shying away from telling you people the truth because we are tired of this mistakes.

Christians are not taught how to avoid sexual sins by their parents and pastors, so they easily fall victim. Lust is a deadly spirit that can make anyone commit sexual sins without knowing until the did is done. Many innocent ladies are very sisterly until they discover that they lost their virginity carelessly. We are not shying away from telling you people the truth because we are tired of these mistakes.

Since Satan is attacking most Christians now through sexual sins, we will teach it. No shyness will stop us!. Why Satan wants many Christians to get active sexually is because sexual sins carry many terrible consequences. Except you repent from sexual sins you will have many laws working against you. Satan will always easily take you to court with sexual sins.

Please those of us that have made mistakes in sexual sins, don't feel bad, we are just trying to help you. We are not condemning you but I want us to see the disadvantages of sexual sins we were never taught. When you go in the dark doing those things you are not shy so we too,we will not be shy in telling you. We better save our lives now before Satan destroys it.

Why Satan wants many Christians to get active sexually is because sexual sins carry many terrible consequences except you repent from sexual sins, you will have many laws working against you. If you repent from sexual immortality, you are safe. If you don't, you are in trouble. Many women feel they can just give their bodies for money; foolish woman, you are collecting evil spirits.

The moment you sleep with a man or a woman all the linage and ancestral spirit of the man or woman transfers to you. Many people think marriage is going to church and taking vows, Marriage is sex simple! Even Without saying I do Sex is marriage but you will not listen. I sense a strange spirit whenever somebody turns the channel to Z world.

Just recently after a hot prayer somebody put Z world, truly I felt as if something was taken from me, then I realized that there was a Strange spirit. If you are not in a relationship, be careful what watch. If you are having issues in you relationship, Be mindful of what you are watching. I don't know why ladies are easily influenced.

If a lady is the only virgin in a group of 5 friends, she will be feeling bad...dumb girl, you don't know your worth!. Many ladies are always victims in 100 level or when they are new in school

because of influence. How easily a lady is deceived because of her carelessness. Sometimes many ladies don't recover from deception for life. If you are lady praying for admission, you better hold your ear now. Sometimes all this bad men may even drug you but your carelessness took you to the party.

If a man has been trying to sleep with you and you are still hanging around him, sorry because you are dumb and one day he will succeed because you are lied to yourself that you are in love. I wonder who can deliver ladies from their dumb decisions. A guy that sleeps with you will hardly marry you, I bet you but the dumb lady will be thinking she is in love.

I'm sorry the teaching is hard, but we must flog that senselessness out. Any guy that is sleeping with you, get ready to be hard broken but your senselessness did not tell you that he will leave you. Any man that tells you to sleep with him, tell him to be patient and fix wedding date sharp-sharp. The moment you allow him, get ready for unending pains and regrets in your life.

What is painful is that the men go unaffected, move on and marry but the senseless ladies are the ones that suffer everything and hardly marry again yet they will still not listen, they will rather carelessly fall in love. Some ladies need flogging because of the careless way they fall in love.

Why its bad is the average lady falls in love with a man that will maltreat her. A lady is suppose to be sensitive but how they get deceived by the wrong guys is still a mystery to me. If you are a lady and don't have a place like this where you can learn; it's a pity. Sometimes I get surprised how some ladies leave places like this. The average lady is just not wise, that is why she is a victim of deception and she will not learn wisdom and get a mentor.

You don't have to wait to make the mistakes of the world and get heart broken before you walk with caution. I wonder why some women want to be having prayer points all through life. You will pray to find husband and then you get a purposeless man and you rush and marry only to get another prayer point of a man that maltreats you, Haba women Take it easy please.

Sexual sins are killers, help yourself but if you fell in the past, don't kill yourself God will forgive you totally. Satan wants you to be involved with sexual sins because he can easily cage your spiritual life.

See what Apostle Paul says about sexual sins.

1 Corinthians 6:18

Flee sexual immorality. Every sin that a man does is outside the body, but he who commits sexual immorality sins against his own body.

HOW TO BREAK FREE FROM SEXUAL SINS:

1.Deliver yourself from inferiority.

2.Avoid bad friends.

3.Don't sell your body for money.

4.Ask God to help you.

5.Ask God to forgive and cleanse you by his blood.

6.Confess your sins and God will forgive you.

7.If you feel the strange sexual feeling rebuke it.

8.Never allow your thoughts go far in thinking about sexual thoughts.

9.Get a powerful fellowship like this and keep getting sharpened

10.Always pray and fast, so that you will not fall into temptation.

11.Learn to be disciplined.

If you are not very prayerful, you will easily fall into sexually sins again. Prayers strengthen your flesh. Without prayers your flesh will respond very foolishly.

Now let's quickly run how to break masturbation, especially for the men. If you are watching pornography you are in trouble. Pornography movies have strong lust that will cage you. The spirit of pornography or blue film, once you are trapped, you can hardly come out so help yourself.

How Satan traps people in sexual sins, lust and masturbation is by suggesting it to you. The moment you do it once, then do it again, you become trapped in that sin. As little as getting involved in sexual sins 3 times may trap you for life.

Romans 7:15

do not understand what I do; for I don't do what I would like to do, but instead I do what I hate.

Romans 7:17

So I am not really the one who does this thing; rather it is the sin that lives in me.

The strategy Satan used is to make you break God's law 2 or 3 times. The moment you do that, Satan takes your will and you can't stop again that is why the prostitute can hardly stop. A man that is sexually involved can hardly stop that is why if you start sleeping with a man, the day you refuse he will sleep with another.

Satan can easily take your will with sexual sins and masturbation. The moment you keep masturbating, Satan will take your will and force you to masturbate always against your will. The moment you begin to watch pornography or blue films, Satan will take your will again and force you to remain in that sin. The moment you get involved in sexual sins, Satan will take your will and force you to keep sinning against your will.

If you don't do anything to take your will back, you will be a captive of sexual sins at this point, even prayer can hardly set you free.

we exposed Satan's secret today

Romans 7: 15.

I do not understand what I do; for I don't do what I would like to do, but instead I do what I hate.

Romans 7: 17.

So I am not really the one who does this thing; rather it is the sin that lives in me.

This is the scripture.

The fastest way Satan can steal your will and make you a captive is through sexual sins, masturbation and pornography. If you keep sinning, you keep going deeper into captivity. The deeper you go the more difficult you can be redeemed from the sexual sins. This is the reason people involved in sexual sins say they have prayed and fasted but they still are into it.

HOW TO BREAK FREE FROM MASTURBATION...

1.YOU MUST BE WILLING AND READY.

2.YOU MUST ASK GOD TO HELP YOU.

3.CONFESS YOUR SINS.

4.BE DETERMINED THAT YOU WILL STOP FOR 3 MONTHS FIRST, NO MATTER WHAT HAPPENS.

5.USE YOUR WILL TO INSIST YOU WILL NOT MASTURBATE IN THOSE 3 MONTHS.

6.REPORT YOURSELF TO YOUR PASTOR OR SPIRITUAL HELP IF YOU FEEL LIKE IT...

7.AFTER THE 3 MONTHS TAKE IT TO 5 MONTHS.

8.IF YOU HOLD YOURSELF FOR 5 MONTHS WITHOUT MASTURBATING, YOU HAVE BROKEN FREE.

9.YOU HAVE TO BE HIGHLY DISCIPLINED, YOU U MUST BE FREE...

10.DESTROY ALL MATERIALS THAT MAKE YOU SEXUALLY AWARE..

11.WHEN THOSE STRANGE FEELINGS COME, REBUKE THEM LOUDLY AND COMMAND THE SPIRIT OF LUST OUT.

12.NEVER ALLOW YOURSELF GET CARRIED AWAY BY EVILS THOUGHTS.

Romans 7:23

But I see a different law at work in my body — a law that fights against the law which my mind approves of. It makes me a prisoner to the law of sin which is at work in my body.

Truly I don't know how the Holy spirit taught me this but Truly, God is good!

For your own good insist to stop any sexual sin because it is a trap. The trap of sexual sins is the badest thing you don't want to imagine. If you were involved before, please stop now, if you were never involved, help yourself and don't start and if you have lost your will reclaim it before it is too late.

Part 3

October 24th,2018

The fastest way Satan can trap you is through sexual sins. The moment you get involved it can hardly stop even if you stop, you will always be tormented by the feeling. Apart from being tormented by the feeling, you will have demonic thoughts of lusts crossing your mind like hell. If you have never been involved in sexual sins, don't start. If you made a mistake, ask God for Grace.

Now I also said that marriage is not just about I do. The moment you sleep with somebody, that is marriage because marriage is a union. The greatest trap Satan uses against Christians is the trap of sex contracts. Sexual union done out of God's will is the most dangerous law breaking spiritual principle. The only sexual union should be in marriage which is in God's will. The moment sex is done outside marriage is brings curses you cannot imagine on the individual involved.

Satan sells free sex on TV to get you corrupted and cursed if you allow him. The moment sex is done outside marriage, it attracts curses you cannot imagine on the individuals involved. God is a pure God, random sex always attract corruption and it leads to death. Satan's tool of corrupting God's people or Christians has always been sex. People think sex is for fun but the truth is sex outside God's will is a destroyer.

The only sex God recognises is in marriage, any sex outside marriage will attract a curse. Don't think this sex trap that the devil is using against believers started today. Satan started using sex traps right from the beginning of creation. I will show you in the bible how Satan's trap of trapping believers didn't begin today. The first time wickedness was spotted on the earth, was when the giants slept with human ladies.

Genesis 6:1-8

1AMP:When men began to multiply on the face of the land and daughters were born to them,

2AMP:The sons of God saw that the daughters of men were fair, and they took wives of all they desired and chose.

3AMP:Then the Lord said, My Spirit shall not forever dwell and strive with man, for he also is flesh; but his days shall yet be 120 years.

4AMP:There were giants on the earth in those days—and also afterward— when the sons of God lived with the daughters of men, and they bore children to them. These were the mighty men who were of old, men of renown.

5AMP:The Lord saw that the wickedness of man was great in the earth, and that every imagination and intention of all human thinking was only evil continually.

6AMP:And the Lord regretted that He had made man on the earth, and He was grieved at heart.

7AMP:So the Lord said, I will destroy, blot out, and wipe away mankind, whom I have created from the face of the ground—not only man, [but] the beasts and the creeping things and the birds of the air—for it grieves Me and makes Me regretful that I have made them.

The first time wickedness was found was after the devil corrupted the human race with sex. God had to destroy the entire human race with flood so that a pure breed will be left. Satan has used the tool of sex from the beginning to corrupt the human race and Satan is still using sex now to corrupt the human race. If you you feed your sexual desires carelessly, you will be helping Satan to achieve his goal of corrupting the human race.

Satan always use to look for a way of corrupting the human race. Anytime sexual sins enter into a land, the land is corrupted, the people are corrupted and God will not have any choice but to destroy the land and the people. See how God destroyed Sodom and Gomorrah!!!

Genesis 13:13

But the men of Sodom were exceedingly wicked and sinful against the LORD.

Why were they called wicked?. Because of sexual sin. This is what the people of Sodom and Gomorrah did. God destroyed Sodom and Gomorrah because they introduced wickedness that he cleared on the earth. Sexual sins, are the some of the laws of God you must not break because it carries serious consequences. Imagine just after God destroyed Sodom and Gomorrah, lots children still carried Sodom mentality so see what they did:

Genesis 19:5

And they called to Lot and said to him, "Where are the men who came to you tonight? Bring them out to us that we may know them carnally.

See what the men of Sodom did;

Now see Lot's daughters:

Genesis 19:30

Then Lot went up out of Zoar and dwelt in the mountains, and his two daughters were with him; for he was afraid to dwell in Zoar. And he and his two daughters dwelt in a cave.

Genesis 19:31

Now the firstborn said to the younger, "Our father is old, and there is no man on the earth to come in to us as is the custom of all the earth.

Genesis 19:32

"Come, let us make our father drink wine, and we will lie with him, that we may preserve the lineage of our father."

Genesis 19:34

It happened on the next day that the firstborn said to the younger, "Indeed I lay with my father last night; let us make him drink wine tonight also, and you go in and lie with him, that we may preserve the lineage of our father."

So sexual sin can hide in the mind. All the devil did was to make Lot's children to hide their evil sexual desires from Sodom in their minds. The same thing that God destroyed, Satan began to bring back through the very children of lot. Satan's agenda, is to always bring back sexual corruption. Now that God has began to move in the earth, Satan is back again with his sexual agenda and lusts. This is why many people are spiritual but have feelings of lust because of satan's attacks.

If you don't understand what is going on, it's a pity.God is not foolish to give a this law:

Deuteronomy 5:18

'You shall not commit adultery.

Sexual sin is not caused by financial problem but by demonic manipulation

Satan is at it again; Now that God is moving powerfully on the earth, Satan is trying to sell strong sexual feelings to stop the people of God. If you are not prepared to fight those sexual feelings in your mind and the ones that are carried out, you may not go far with God. You have to rebuke the satanic thoughts. Satan will send spirit of lusts, he will make many Christians have strong sexual feelings, he will make people to masturbate just to corrupt the spiritual work God is doing.

If you can't control your sexual desires and discipline your body, you cannot be used by God in this last days. The greatest battle of sexual sins, lust and masturbation is in the mind. If you can overcome in the mind, then you can overcome outwardly. Why many Christians fall victim of lusts and sexual feelings and masturbation is because they allow it go too far in their minds that is why when the feelings come, the battle is in the mind.

If you can take care of the battle in your mind, you can take care of the physical battle. Have you notice that before any sexual sin occurs, you must first struggle in the mind?

Before you masturbate, you must first have it in your mind. The mind is where Satan stores sexual desires if you allow him. Satan is storing those sexual desires so that he can use it against you. Always see it as your duty to destroy those sexual thoughts Satan is storing in your mind if you want to go far with God.

How To Destroy Satan's Sexual Arrows:

1.Be prayerful

2.Be sensitive.

3.Always transform your mind.

4.Be careful with what you are storing in your mind.

5.Be disciplined.

6.Never keep the wrong company.

7.Don't be caught in Sodom and Gomorrah.

8.Flee from youthful lust.

9.Always have fellowships like this.

10.Rebuke evil thoughts.

11.Always tackle lusts on time before it develops into sin

12.Ask God for forgiveness in case you Fall.

13.Be determined.

If you want to go far with God in this generation ensure you take care of sexual sins because they are destroyers. Nobody condemns you if you have fallen. Get up wipe yourself, Dust yourself and be determined to be totally free.God forgives; Kick Satan out of your mind and be free from sexual desires.

I pray that God sets you free in Jesus name

I pray that you will increase from glory to glory.

I pray that those desires are broken in Jesus name.

Today you are free.

God will use you to save others

Just as you know the truth now, go and sin no more

Go and bring others out of sin.

God bless you, have a great night rest, I love you all
