Mark 4 : 12 KJV

This book enlightens your soul, helps you to structure and shape your destiny.

Introduction

Purpose is the key of Life, without purpose life has no meaning,

Proverbs 29: 18 KJV

Where there is no Vision, people perish.

Unless you discover the reason for your existence, you'll not enjoy your life in Christ.

Question yourself-

Who am I? reason for my existence? Where am I going? What am I doing? How am I living? What I am born to do? What is the Truth?

Each of us must find the answers to these questions.

1. Change the way your thinking
2. Change the way of your Attitude
3. Doers of the Word are the sayer's

Greetings in the name of our Father-God and our Lord Jesus Christ.

May God our Father and the Lord Jesus Christ give you Grace and peace.

Many in life struggle everyday not knowing which way they're going, from morning to evening they try hard for better life,
They always keep saying, I don't know what I'm doing, and I'm just letting it go,
I don't understand things, I don't understand I'm full of confusion, few says I'm doing just to know something hmmmmm good,
few says I'm doing it for time-pass, and some people say that I don't understand what I did from morning to evening 24 hours the time just lapse.
My dear, when you say life is boring nothing is interesting you have not known your purpose.

The above listed ones, just don't know their purpose on this earth, if they know their purpose, the reason for their existence, they would know how to manage their time, they don't know the biggest asset they have.
because time is the biggest asset everyone of us have,
if you don't know how to use your assets what will happen?
you will lose them.
until you realise you cannot regain your wasted time,
yeah you can regain your wasted time and wasted years.
how ?
I don't mean that you will go back to your previous year again and you pursue the same,

NO, that cannot happen.

The day you are born again you are a new creature in Christ Jesus.

if you come unto Him, He will give you much more wisdom, ability, strength to do things in a very short time.

If someone can work it for 5 years you can get it in 5 days, if someone can achieve in 5 years you can get it in 5 days, all you have to do is to follow HIS instructions, follow HIS word, God will give it to you, restore double fold, if you have not known your purpose my dear don't waste your coming next hours, quietly sit in front of the Lord ask him what is His purpose upon you on this earth.

Science says everyone has a unique DNA, no human ever existed like you, no human ever existed with the same DNA ever since 6000 years, every human has unique DNA, meaning God has unique purpose on each and every individual no one has same journey like you, you are unique, ask the Lord your purpose on this earth. after knowing your purpose don't rush.

just take instructions from the Spirit of the Lord, follow His guidelines in everything that you do, discover your purpose, get prepared for your purpose, because man is a spirit being, he has a soul and he lives in a human body. you are a spirit being, you have a unique purpose.

what is purpose? and what is life? and what is destiny?

what are you doing every minute?

let's say your watching some movies and what is your purpose to watch that movie? is it for time pass? Is it for an entertainment? Or you wanna learn something from the movie or you just doing it because you don't have any option?

Many watch the same movie number of times, they say it proudly I watched this movie for 10 times,

My dear, what have you learnt watching the same movie for 10 times?

3 hours movie for 10 times = 30 hours,

You have wasted 1 and half day already, wasting time is wasting ability, it is wasting the thing that makes you worth while.

Learn to use it, make your time your wealth. Make yourself worth while.

Every minute you can learn something new if you schedule your time properly,

If you don't know how to manage your 24 hour time,

My dear, How will you work as a manager in your company?

How will you work as a CEO of the company?

How will you progress in life?

If you aren't progressing in life, meaning you haven't known your purpose, if you have not known your purpose, you are blind.

Bible says, Where there is No Vision, people perish.

Cut every corner, save every moment.

Determine your future, settle what you are going to do and then make every day to pay you.

Some also says I wanna go out, why are you going out? is there anything that you have to do today or you just wanted to roam outside without any specific reason without any specific purpose? in everything you do, you should be clear with your purpose,

Let's say you are watching movie, why are you watching that movie ? You should know your purpose to watch that movie,
Let's say you are on social media platform this morning, you come online browsing, what have you learnt being online for 3 hours ?
If you can't say, what have you learnt, you have wasted your time,
you have wasted your assets,
Because time is the biggest asset you have in life,

what is life?

life is, when I asked a young man, he said, getting married, having sex, giving birth to children, growing them, giving them good education and a good future, fortune living, engaging them to get married.

This is life ?

This isn't life, is man's routine way of living from 6000 years, this is part of life, marriage, sex, having children all these are a small part of life.

Then what is life ?

becoming an engineer? becoming a scientist? becoming a dentist? Or a doctor?
Education is becoming selfish day by day,
The more people educated, the more selfish they're behaving,

Let's say you become a dentist,

you work for money in return, you're not giving service, and you can't give service, because the definition of service is accepting nothing in return, you're working for your own selfish reason, your education is for your own selfish, you study Masters degree and you wanted have a job that is also selfish.

how do I Survive without job?

of course I'm not telling that doing(working) the job is wrong,
I'm not telling the master degrees wrong,
you can have it, it's good to study more, it's good to work,
but apart from all these things what are you doing what is life is there a single person that is happy because of you?

Yeah, my parents are happy because of me.
every parent is happy because of their children,
Again just to make parents happy is also another selfish.

is there someone else ?

a stranger to you,
Is he very happy because of you and he is blessed because of you ? are you a blessing to somebody just question yourself are you a blessing to somebody in their life?

Life is living for others, Jesus gave His life for us, He lived 33 years for us, He died for us,
Everything He did, He did for us.
He rose again for us, Everything He did, He never did it for His own selfish reason,

See Jesus Words, " My Meat is to do the will of my Father", even before crucifixion, He said" NOT MY WILL BUT THY WILL BE DONE."

I hear many says, if that thing is giving you happiness then do whatever makes you happy,
People do selfish things, selfish became pleasures of their life,

Let me tell you if you wanted to be successful in life do 3 things

- Change the way of your thinking
- Change the way of your attitude
- Speak the word of God in every situation,
these are the important ones, do this if you want to be successful in your life.

I have met people who have masters degree, achieved what they wanted, became professional members in Professional bodies but deep in inside of their heart they found themselves struggling, no joy, the feeling of emptiness.

Why?

Because that is not what they are born to do, they always wanted to do something what their parents, brothers, relatives motivated or pressed them to do. In general they pursued, achieved the high masters degree by influence of somebody.

Where purpose isn't fulfilled, satisfaction, fulfilment, accomplishment can't be expected.

Be exact with yourself, put yourself on a schedule.

1 Corinthians 9 :

26 Therefore I run thus: not with uncertainty. Thus I fight: not as *one who* beats the air.

CHAPTER 2

Thinking affects your way of attitude towards things, thinking affects your way of talking
Matthew 12 : 34

For out of the abundance of the heart, the mouth speaks.

Mouth is the expression of the outer side of the mind, if you are not thinking anything, you'll not express anything.

Every human on planet earth has the imaginative ability,

Man was created in the image of God.

Man is a Spirit, he has a soul, he lives in body.

Thinking, imagination comes from the soul, now soul consists of three

Soul

- The mind (thinking, imaginations, you can see your future now by imagining in your mind)
 - The will (ability to take decisions, what is right and what is wrong, ability to judge)
 - The emotions (your mind is the channel bringing emotions from within heart, emotions breaks heart, emotions build heart)
 - The intellectual (intelligence of human brain)
- The emotions :
- Fear, confusion, anger, disgust, sadness, confusion, disappointment, pride all these are negative emotions.

Boldness, happiness, joy, enjoying, Gratitude, excitement, inspiration, Faith, love, Hope are the positive emotions which builds your Spirit.

What we believe is the result of our thinking, if we think wrong, we believe wrong, it is important for us to study the Word of God everyday renew our mind

Romans 12: 2 be transformed by the renewing of your mind.....”

The word transform here is to renew, in other words change the way of your thinking towards things. What you believe is your attitude towards things, if you believe wrong, you have the wrong attitude(negative attitude) towards things.

Your old way of thinking might struggle you all the time, because you have the negative attitude towards things.

When I’m 6 years girl, my grand father warned me to scare me not to touch the switch board, if I touch I’ll get electric shock. For many days I have not touched the switch because I have a fear that I will get shock. Until I realise one day, if I touch the switch board I may get electric shock, what about others? How are they handling?

One day I boldly went and turn on the switch, nothing was happened to me, I then realised, I was misguided, I have not known the Truth.

I was scared all those days, my way of **thinking** towards this switch board has a **negative attitude** until I dared to change my attitude.

Likewise, many of us have wrong thinking towards things,

We should renew our minds by studying the Word of God. The Bible teaches us to have the “ mind of Christ”-1 Corinthians 2: 16.

The only way to have the mind of Christ Is to study the Word of God and act on it.

When you are studying, you are renewing your mind, you are changing your way of attitude towards things.

It is important to have positive attitude always, Maintaining Positive attitude is the success for your life.

A new way of thinking(renewing your mind) always takes you upwards and forward.

That’s where you are different from an ordinary person.

An ordinary person can’t accept the change, they don’t accept the Word of God, they’re limited in their knowledge, they can’t come out of their culture, cast, race, colour, they put a full stop for their success limiting themselves.

Few people are very stubborn about their culture, cast, I’m feel so sorry for them.

Be Stubborn with the Word of God, because the Word of God is real, Word of God is Truth, Word of God is Life.

BE YOU (TRANSFORMED) RENEW YOUR MIND WITH THE WORD OF GOD, HAVE THE MIND OF CHRIST.

RECEIVE WISDOM IN JESUS NAME.

AMEN.

Bible teach us, James 1 :22

"But be doers of the word, and not hearers only.

Doers of the word are the sayers

You speak what you believe,

You confess the Word of God on all occasions.

The Bible says,

Proverbs 18: 21

Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof.

Any negative word you speak is death.

Eg: if children's aren't listening to you, they make too much noise, harshly you yell at them, You stupid kids shut up.

Many have spoke such, or you might have heard somebody speaking that way.

You are letting the words of death to come out from your tongue, you shouldn't allow negative words from your tongue.

Now you heard momma yelled at his child " stupid kid". He will behave like a stupid person, one day he will loose the ability to think,

He'll not progress in everything he does, because of the words that spoke on him,

He will start business, but there's no growth, whatever he does is failure, because he does like a stupid man, he can't think beyond until he speak the Word of God over his life,

because the Word of God tells us Death and life are in the power of your tongue.

There is power in your words. Speak life you shall eat the fruit thereof.

You might say it's just funny, don't take it too personal.

NO, it's not about taking too personal, it's all about the Word of God.

When the Word of God says, it will come to pass.

If somebody spoke negative words on you, don't worry " no weapon formed against you shall prosper."

Speak the Word of God over your life, the lord is my strength, the carry the Spirit of excellency, I refuse to worry, I refuse to fail, nothing is too good to me, I always go upward and forward excelling in every good I do.

You can change any situation in your life by speaking "Word of God." Over your life.

You are measured by your words, you are rated by our words, your salary is gauged by the value of your words.

Study how to use words that will change circumstances around you, I don't mean how many words but how much you can put into the Words, so that Men listen and get thrilled by weightage of your words.

Cut out the useless words, that stand in the way, don't say it's funny, NO, LIFE ISN'T FUNNY, IT PAYS YOU ONE DAY, BE CAREFUL WHAT YOU SPEAK.

Fill your words with "LOVING TRUTH."

Love always seeks the right word to convey it's message without loss in transit. Clothe your thoughts in the most beautiful words. you'll always make people want you.

Mould your tongue for success.

The only difference between Jesus and we is His way of Words, nobody Spoke like Jesus, nobody acted like Jesus,

If you want to be like Jesus, Speak like Jesus. It pays you Dividends.

Drive your mind, make use of it.

Time to do is now.
