CHOOSE THE CORREC

THE LETTER OF YOUR

Excellent | **c** | 1. Which of the follow

A. Erosion

B. Weathering

C. Earth quake

D. Plant and animal a

| | 2. Folding is the blenc

A. Earth movements f

B. Human s movemer

C. The formation of la

D. The occurrence of

3. Which of the follow

A. Andes

B. Alps

C. Rockies

D. Atlas

4. Why do faults occu

A. Human force

B. Biological force

C. Compressional anc

D. Gravitational force

5. Which of the follow

A. South American rif

B. East African rift val

C. North American rift

D. North African rift v

6. Rift valleys and blo

A. Folding

B. Faulting

C. Volcanism

D. Earthquake

7. Which of the follow

A. Mount RasDejen

B. Mount Everest

C. Mount Ziquala

D. Mount Choke

8. Which of the follov

A. They may erupt in

B. They are not expe

C. The can cause fev

D. They are likely to

9. Which of the follow

A. Providing hot wate

B. Providing hard roc

C. Providing fertile sc

D. Resulting threats

10. The point at whicl

A. Epicenter

B. Focus

C. Richter scale

D. Kelvin

11. Which of the follo

A. Wind----------

B. Rainfall----------

C. Temperature-------

D. Earthquake---------

12. A sudden movem

A. Volcanism

B. Earth quake

C. Syncline

D. Anticline

13. Which of the follo

A. Temperature chan

B. Frost action

C. Animal action

D. Dormant volcano

14. How does sheet e

A. When surface wate

B. when surface wate

C. When floods cut de

D. When surface wate

15. Which of the follo

A. Denudation

B. Chemical weatheri

C. Sand dune

D. Desert land

16. What is the strong

A. Water

B. Wind

C. Moisture

D. Altitude

17. Which of the follo

a diagram from upper

A. Troposphere, strat

B. Mesosphere, Tropo

C. Thermosphere, Me

D. Stratosphere, Mes

18. What is the most

A. Argon

B. Helium

C. Carbon dioxide

D. Nitrogen

19. The transfer of en

A. Air pressure

B. Radiation

C. Conduction

D. Convection

20. The difference be

A. Daily range of tem

B. Daily average temp

C. Monthly average te

D. Annual average te

21. Which of the follo

A. It is genetically tra

B. It is the common w

C. It is static in its nat

D. It is limited to tang

22. Which of the follo

A. Tools

B. Clothing

C. Houses

D. Beliefs

23. Identify the langu

A. Amharic

B. Afan Oromo

C. Agewigna

D. Afarigna

24. Which of the follo

A. The spread of tech

B. The loss of cultural

C. The access to new

D. The access to new

25. Which of the follo

A. Agriculture

B. Forestry

C. Fishery

D. Transportation

26. What can tourism

A. To create job oppo

B. To meet basic nee

C. To avoid smokeles

D. To obtain minerals

27. The process of bu

A. Market

B. Trade

C. Manufacturing

D. Demand

28. An exchange of a

A. When the brokers

B. when buyers and s

C. When buyers and s

D. When the major ac

29. Which type of trad

A. Export trade

B. Import trade

C. Retail trade

D. Wholesale trade

30. What is the value

A. Hospitality and pat

B. Prejudice and disc

C. Considering the el

D. Extreme sentimen

31. The movement of

A. Tourism

B. Transportation

C. Communication

D. Leisure

32. Which one is the

A. Forestry, Fishing, M

B. Mining, Manufactu

C. Communication, H

D. Manufacturing, Co

33. Let say there are

Which economic activ

A. Agriculture

B. Mining

C. Support services

D. Money

34. A system of comm

A. Value

B. Race

C. Language

D. Religion

35. Which of the follo

A. The extraction of r

B. The processing of r

C. The provision of di

D. The production of

36. Which of the follo

A. Selling products af

B. Providing better pr

C. Selling products in

D. Avoiding the probl

37. The amount of a g

A. Equilibrium

B. Supply

C. Producer

D. Demand

38. Who are the main

A. Occupational group

B. Mobile products

C. Consumers and pro

D. Quality and Quanti

39. A compulsory pay

A. Trade

B. Tax

C. Charity

D. Duty

40. Why does the gov

A. to ensure absolute

B. to ensure economi

C. to provide social se

D. to discourage capit

41. The first tax syste

A. King ZeraYacob

B. King Menelik II

C. King AmdeTsiyon

D. King Yishaq

42. Which of the follo

A. Taxation in the forı

B. The tax proclamati

C. The first birr 105 fr

D. The elements of th

43. The resources tha

A. Renewable resourc

B. Non Renewable res

C. Resource Utilizatio

D. Resource Conserva

44. Which of the follo

A. Air

B. Water

C. Coal

D. Soil

45. One of the followi

A. Planting trees

B. Reducing emission

C. Practicing crop rota

D. Wastefulness

46. Why is the sustain

A. to promote extrava

B. the inexhaustible r

C. to ensure sustainal

D. to increase govern

47. Which of the follo

A. the Availability of r

B. the availability of u

C. the unwise use of t

D. the absence of infr

48. The impact of hur

A. the availability of i

B. the consumption le

C. the creativity level

D. the policy of the g

49. When the consum

A. products that are c

B. products that are p

C. products that are c

D. products those are

50. A careful, efficien

A. Saving

B. Conservation

C. Consumption

D. Exploitation

51. If the members of

surrounding farmers,

A. Afforestation

B. crop rotation

C. Check dams

D. Reforestation

52. The Konso people

A. Strip cropping

B. Terracing

C. Contour ploughing

D. Shelter belt

53. Which method is

A. Use of traditional i

B. minimizing forest c

C. Protection of wate

D. Use of pesticides

54. What is the impor

A. to supply raw mate

B. to maintain ecolog

C. to increase enviro

D. to promote utilizat

55. Which of the follo

A. Wild life resource i

B. Wildlife resource is

C. Wildlife resource ir

D. Wildlife resource c

56. Which of the follo

A. Deforestation

B. Illegal hunting

C. Drought and famin

D. Afforestation

57. What measures c

A. Killing domestic an

B. Educating people a

C. Destruction of nati

D. Burning of forests

58. If people don’t us

A. Water shortage

B. Ecological balance

C. Mineral conservati

D. Soil fertility
