INTRODUCTION

I am so glad that you got a copy of this book. I can assure you that if you will open up your heart for a fresh intake of this powerful and illuminating knowledge, your life and future experiences will amazingly become a wonder to both you and your world.

Knowledge is key and that is why you are commanded to buy it **(Proverbs 23:23).** You are to sell everything and buy wisdom. **(Proverbs 4:5)**

I would like to note here that this is not a religious book in any way. However, the principles contained in it are Scripture-based and very potent. It is for anyone on the planet who desires a mind renewal and life transformation.

A QUICK DISCLAIMER:

The principles contained in this book are guaranteed to work. However, it is your sole responsibility to practically apply them to your own life and ***wait*** *for the result like you would when you plant a seed.*

So open up your heart and lets dive into this great principle and secret of life.

THE AIM OF THIS BOOK

This book seeks to awaken your consciousness to mind your predominant thoughts. What you constantly think and meditate on will someway or somehow be manifested in your real-world because God is directly involved in creation. He delights in manifesting new things in our world. God rested on the seventh day does not mean He is resting forever; Jesus said, *"My Father is always working."* Meaning that God is still working and the Universe has everything in abundance and is ready to accomplish your thoughts with or without your permission.

This book is laid out with simple and understandable grammar, to favour all levels, shed light and eliminate darkness (i.e.) *ignorance* from anyone who has been going through one life struggle or the other at different levels and areas of life, to now begin to take full responsibility and control of their lives with an assurance that can only come when you have become enlightened; because whenever light shines, darkness always give way.

We have often heard that as a man thinks in his heart, so is he. Many books have been written on it, but we still might not have fully understood the depth of it and how it really works.

In the HEART is where it all begins before it is manifested in the physical, which is why you must be careful what you allow in your heart.

Credit to wallpaperaccess.com

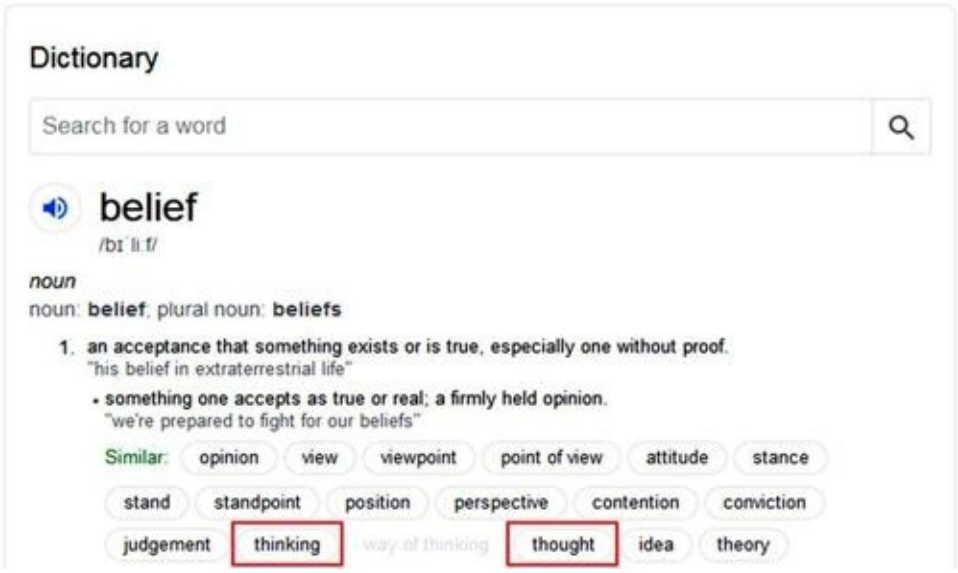

THIS HEART we are talking about here is not the physical one that pumps blood, but one that cannot be seen with the physical eyes. It is also called the *mind*. That is where all inventions first take place before it is finally delivered to earth for all to see. **Proverbs 4:23** says, *"Guard your HEART with all diligence; for out of it are the issues of life."* How do you guard your heart? You do, BY BEING CAREFUL OF WHAT YOU MEDITATE AND PROCESS IN YOUR MIND. The **Good News Translation** explains it even better, it says, *"Be careful how you THINK; your life is shaped by your THOUGHTS."*

INTRODUCTION TO FAITH

One day, I was doing a study on FAITH, and I was prompted to look it up on a dictionary which is my usual custom, and I saw that a similar word for FAITH is ***BELIEF*** *(i.e.)* **TO BELIEVE**. View the dictionary definition below.

Of course, we already know that faith means to believe and trust in God for something; so, I decided to further check the meaning of belief and I was even more excited. I saw that another similar word for **BELIEF** is *THOUGHT* (i.e.) **TO THINK**. This was becoming very interesting to me as it will to you shortly.

Now you might be wondering why I was even excited at all, that is if you are not already. CHECK THIS OUT, among every other similar word there, **THINKING** is one of them. **But is that really what faith is about?**

So, I started searching and seeing all through Scriptures (some of which we will look at) that God is even more concerned about what goes on in our MINDS than what we even say or pray; because *"it is from the abundance of the heart **(YOUR THOUGHTS)** the mouth speaks."* I began to see faith in a different dimension that was completely strange and different from what I have been taught growing up, and it began to make a lot more sense and even more effective. I started inter-changing these words from **FAITH** to **BELIEVE** to **THINK** and it always matched.

I mean, *thinking* is something we unconsciously do naturally as humans; whether it is positive or negative, we just are thinking something; and it is even more powerful when we add images and emotions to these thoughts which we will look into shortly.

Creation always begins with a THOUGHT which begs the question, "what have you been thinking?" ***What have you been creating?***

You might be shocked that some of the negatives you have experienced in life were not the devil, IT WAS YOU. You sent out those negative signals or vibes unconsciously by what you were thinking and you were getting the corresponding results because **THE UNIVERSE ALWAYS RESPONDS TO YOUR THOUGHT**. Those experiences (good or bad) happened because you unconsciously exercised FAITH and God honoured it. Those times you were busy worrying (thinking) about that problem or that sickness or whether you will lose a particular job or not; you probably never knew that the Universe was also stacking them up for you and finding all the possible ways to bring them into your reality. **THIS IS NO JOKE**. This is real; because we are going to see a few more scriptures that will enlighten us more to consciously begin to sieve the kind of thoughts we process in our minds.

It is safe to know that God created the entire Universe and everything is in ABUNDANCE, whether good or evil. **Isaiah 45:7 (NLT)** says, *"I create the light and make the darkness. I SEND good times and bad times. I, the LORD, am the one who does these things."* So whatever path you consciously or

unconsciously choose to follow, you will get the result you unconsciously anticipated through *thought.* **Ephesians 3:20**, *"Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us."* That power that works in you is the power of your mind. You are only limited by your imagination.

Romans 12:2 (NLT), *"Don't copy the behavior and customs of this world, BUT LET GOD TRANSFORM YOU INTO A NEW PERSON BY CHANGING THE WAY YOU THINK. Then you will learn to know God's will for you, which is good and pleasing and perfect."* Your transformation will only come by the change in your state of mind and thought pattern; *"For as a man THINKS in his heart, so is he."* So, God is going to do exceedingly abundantly for you according to what you are *thinking*.

If you focus your mind on bad times, you are invoking the Universe to notice you and co-respond; and if you focus your mind on good times, the Universe will also respond accordingly. God is the one sending all the good times or bad times, but He is sending it to those who are making requests by what they are thinking. What do you mean, does anyone ever pray or wish for a bad experience in life? **OF COURSE NOT**. Nevertheless, it is done unconsciously through what they constantly meditate on. This is why you should guard your heart with all diligence.

It does not matter whether you were born with a silver spoon or not; holy or not; young or old; regardless your religion; **THIS PRINCIPLE IS UNIVERSAL**. See what Job - A WEALTHY MAN said in **Job 3:25 (nlt)**, *"What I ALWAYS FEARED has happened to me. What I DREADED has come true."* Job was a "child of God" but yet, that did not prevent his negative imaginations from coming to pass; because he was 'wealthy' did not prevent what he had often thought about from manifesting. Like you know, GOD WAS FULLY INVOLVED**. By the way, It was God that gave the devil permission to attack him.**

While Job was busy thinking and imagining all kinds of evil about his family, little did he know that his imagination was creating those events, and God said "OK" to his negative imaginations, and you know how it all played out. It's amazing how these things happen. God knows exactly how to bring your thoughts to life. He will either send the devil or an angel your way.

I love the way another translation puts it. **The Brenton Septuagint**. it says *"For the terror of which I MEDITATED has come upon me, and that which I had FEARED has befallen me."* So, you can see that it does not count who you are; God is no respecter of persons. This is very serious.

Jeremiah 17:10 (Easy English Version) says *"But I, the LORD can look inside a man. I can see what he FEELS. And I can see what he THINKS. I will give good gifts to him if he does good things. And I will punish him if he does bad things"*. A MAN here means ANYBODY. The gifts or punishments are the life experiences God sends to the person one way or another.

"God is no respecter of persons…" - **Acts 10:34**; as you sow, so shall you reap; and *"He does not show favoritism."* **(Romans 2:11)**. God simply responds to your **FAITH** (**your thoughts**). When you begin to worry about life and how to survive, or afraid that something bad might happen to you or someone you care about, you are unconsciously making a request and invoking the Universe to respond. **By the way, to worry is also a form of meditation; but a negative one**. It is a thought process that affects your emotions and feelings which will ultimately affects your actions to determine your outcome.

Matthew 6:31-32, Jesus speaking - *"Do not WORRY about life, thinking, 'What will we eat? What will we drink? What will we wear?' These things dominate the thoughts of unbelievers…"* Unbelievers here are the Gentiles; those who lack the knowledge of God, those who are ignorant. Which is why you are commanded to get wisdom and knowledge by all means, even if it means selling all you have. **(Proverbs 23:23, 4:5)**.

"My people are destroyed for lack of knowledge…" Says God. **(Hosea 4:6)**.

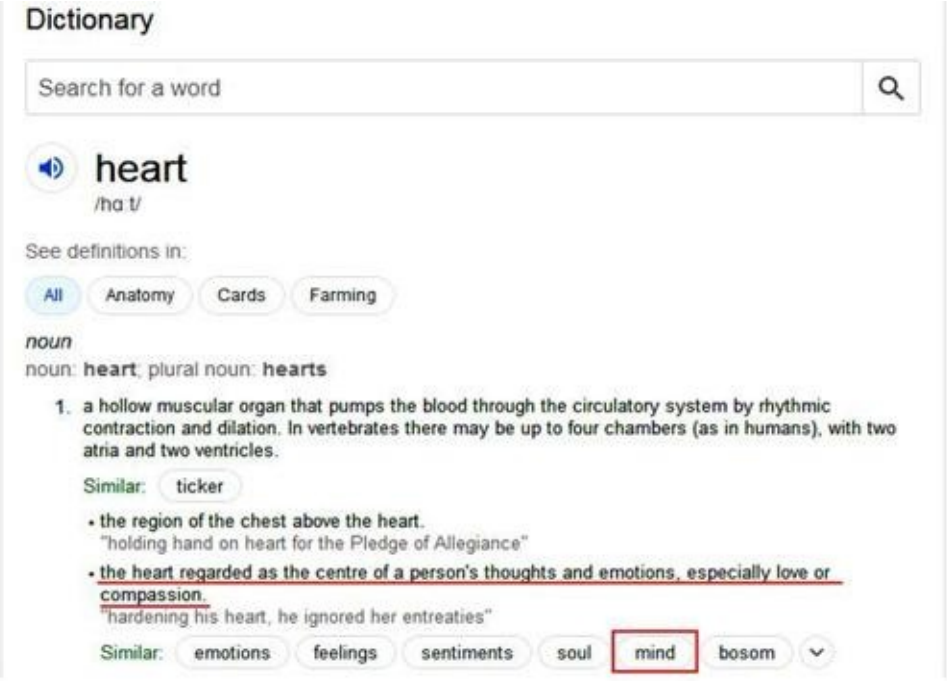

Ignorance is the real problem and it brings about destruction and suffering.

"You are exactly the image you constantly hold in your mind; whether it tends to poverty or prosperity"

Faith is to believe God for the impossible. **Faith is to *Think* that God Can do it**. Now whether you believe God can do it or not, does not matter; for the fact that you are *constantly* thinking and meditating about something at all, just expect it. IT IS COMING. So, the purpose of this book, however, is to teach you

to consciously start to *master* your thought life and purposely channel it to whatsoever you desire in life. *"For with the HEART one believes and is justified…"* **(Romans 10:10)**. To re-write this verse in simple terms to better understand it will be - *"For with the MIND one MEDITATE and is TRANSFORMED…"* Meditation (**Faith**) is what grants you access to the impossible. There is no limit to what you can think/meditate upon. God can do all things.

"By the way, like you already know, another word for HEART is MIND. It is often interchanged but they mean the same thing."

By *faith*, the entire World was formed that what we now see, did not come from anything that can be seen. Through faith, God also did the impossible. **All things are possible to him that *believes***. It does not have to be in existence before you can believe or imagine it; it is the other way around. It has to be first created in the mind before it will manifest in the physical. God said to Abraham, **AS FAR AS YOUR EYES CAN SEE** it will be given to you. ***What eyes?*** The eyes of your MIND *(your imagination).*

"Elijah said to Elisha, *You have requested a difficult thing, NEVERTHELESS, IF YOU **SEE** ME as I am taken from you, it will be yours. But if not, then it will not be so.*" **YOU MUST *SEE* IT.**

Matthew 21:22, Then Jesus told them, *"You can pray for anything, and if you have faith, you will receive it."* IN OTHER WORDS, "You can pray all you want, if you cannot picture yourself already in possession of it, you just wasted your time." Therefore, if you can have faith, if you can imagine it, if you can believe it, if you can meditate on it, if you can think it, YOU WILL RECEIVE IT.

"Therefore, I tell you, whatever you ask in prayer, BELIEVE (THINK) that you have received it, and it will be yours." **(Mark 11:24)** No matter what you say or pray, if you cannot picture the outcome of it in your mind it will not be delivered to you.

The mind is responsible for the majority of all the experiences you have in life. I believe that God considers what you are thinking more seriously than even what you say or pray. To think is a function of the mind and fortunately or unfortunately the mind is always busy thinking something. *"Carefully guard your thoughts because they are the source of true life."* **(Proverbs 4:23) Contemporary English Version**.

THE MIND

The mind is the creator god in you. It cannot be seen. It is connected to GOD and we know that God is Spirit. God has given the earth to man to dominate and rule over it, therefore He does not just interfere without legal permission. The human mind is God's undisputed access to earth to manifest things on the earth. ***The spirit of man is the candle of the LORD.*** The spirit of man is his MIND.

The mind is that part of you that is not limited to what it can imagine and God is never limited. There is no part of the body system that labels the mind but it is in there. Often times, some people label the brain as the mind. **IT IS NOT THE BRAIN**. The mind is that spiritual part of you that cannot be seen with the physical eyes. When God looks at a person, He is not looking like a man does, to see how handsome or beautiful a person is; **HE IS LOOKING AT YOUR HEART**, not the physical one that pumps blood but the *mind* which is not visible to human eyes. **God is always concerned about what you are thinking**. I am really stressing some of these words and statements so that they will stick on your mind. *"But the LORD said to Samuel, "Do not look at his appearance or height, ... For man sees the outward appearance, but the LORD sees the HEART."* **(1 Sam 16:7)**. The LORD does not look at the things people look at. People look at the outward appearance, but the LORD looks at the heart.

Jesus said, *"they worship me with their mouth but their heart (mind) is far from me."* In other words, what they are thinking about me is a complete opposite of what they say. Most of them did not even believe him.

One way to counter a negative thought is to THINK THE DIRECT OPPOSITE OF THAT NEGATIVE. For example, if you had no money to pay your rent and you start thinking how your Landlord might throw your things out and all that; the direct opposite could be to imagine how you had so much money and even surprised your landlord with an extra year's rent. Make sure to maintain this thought.

Your wonderful human imagination is the actual creative power of God within you. God gave you a MIND so that you could create your little world to rule and dominate. You should never lack anything. If you can consciously

exercise FAITH and mentally create that world you desire, GOD IS MORE THAN ABLE TO BRING IT INTO REALITY. Nothing is impossible for your imagination.

THERE IS NO LIMIT TO WHAT YOU CAN IMAGINE OR BELIEVE GOD FOR.

Your MIND is not limited to what it can visualize. If you can imagine something, you can achieve it. Let me give you an example. If you were unable to walk and were confined to a wheelchair, you could imagine yourself running on the beach or wading in the water. If you would imagine yourself doing this until it took on the tones of reality, you could accomplish healing that would allow you to walk or run. **This is what FAITH is simply about**.

GOD CREATED MAN IN HIS IMAGE

***"For I know the thought I think towards you..."* (Jer. 29:11)**

God is the Almighty Creator and He created the world from nothing that already existed. The entire world came out from Him. God thought creation into a reality. Before God says a thing, you can be sure that he has given it a deep thought. God does not talk anyhow. He honours his Word more than his Name **(Psalms 138:2)**.

Let us see an example of how God exercised FAITH and also THOUGHT about the Man He wanted to put on the earth that should rule and govern it.

"And God said; Let us make man in our own image… So, God created man in his own image…" **(Genesis. 1:26-27)**

The next chapter says:
"…for the LORD God had not caused it to rain upon the earth, and there was NO MAN to till the ground." **(Genesis 2:5)**

Wait a minute, but we just saw that God created man in His image; why then was there was no man to till the ground. WHAT HAPPENED HERE? Let's see.

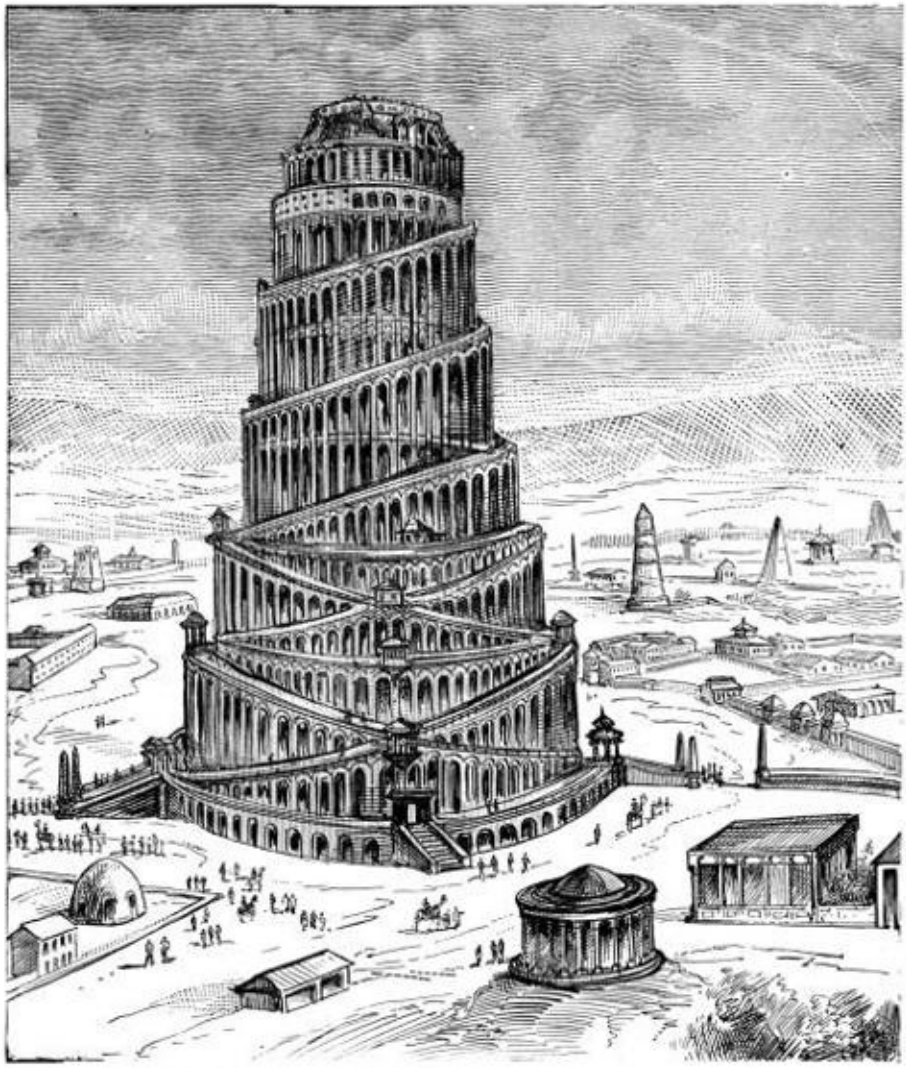

God already knew how He wanted Man to look and function on the earth. In other words, He already had **THE IMAGE OF MAN** in His mind but Man was not yet in existence, hence the reason there was no man to till the ground because **Man was still in the imagination process**.

From my school of thoughts, I believe the phrase - **"IN HIS OWN IMAGE"** here represents the **IMAGE OF MAN THAT GOD HAD CREATED IN HIS MIND**, and how He wanted the man to look and function on the earth. Often times, people reason this like, God has the shape of man. NO. It is not about the resemblance. If we think of it that way, it will simply mean that God has a genital; then since there are both male and female genitals, which one would God take on? HMMMM! but God has eyes, ears, mouth, hands and legs which means He made the man look like Him. Well, animals also have eyes, ears, mouth, hands, legs and even *brains;* does it now mean that God looks like

an animal too? That is so awkward to even say.

The only difference between man and animals is that man can *think* and be *creative;* animals *cannot.* Which was why the Psalmist asked, "*what is man that you take notice of him, or the son of man that you pay attention to him?*" **(Psalms 8:4)** God doesn't take notice of animals but of Man, not because man looks like him but because He has created man to have a MIND.

GOD IS ALWAYS CONCERNED ABOUT THE THOUGHTS IN THE HEART OF MAN.

ATTEMPTED RESTITUTION OF THE TOWER OF BABEL, BY FATHER KIRCHER.

From the account of the Tower of Babel in Genesis 11:5, God had to come down to earth because He saw what Man had IMAGINED to do. That is to show you how your imaginations (**FAITH**) can attract God. **Verse 6**, ***"And the LORD said, Behold, the people are one, and they have all one language; and this they begin to do: and now NOTHING WILL BE RESTRAINED FROM THEM, WHICH THEY HAVE IMAGINED TO DO."***

Now tell me, if God says *nothing is impossible*, **it simply means you are only limited by your imagination**. God is faithful. So whether you are worried or rejoicing about something, whatever you are meditating on, be rest assured that it is coming your way, anyways.

It is very important to realize that God has given you the same ability to function and dominate on the earth and you can be sure that whatsoever image you can create in your mind, HE can form it. He has made you a god and a co-creator to enable you create your reality, to think your way out of trouble and to bring solutions to the world. Jesus said, *"My Father worketh hitherto (UP TILL NOW), and I work."* **(John 5:17)**. God is still manifesting things in our world and He is doing so through those images we have in our minds. The mobile phones we use today, the aeroplanes we see flying across the sky, all that were never in existence until someone thought about them and God made it happen. It doesn't matter who you are, it's not about your religion; God always responds to your thoughts. "…*there is nothing new under the sun."* **(Ecclesiastes 1:9)**

Everything God created, came out from Himself through His imagination. They first existed in His Mind before they manifested. Whenever you think (or, exercise faith), you are consciously or unconsciously engaging God. **GOD ALWAYS RESPONDS TO FAITH**. The Universe has been programmed to respond to your imagination.

WHAT ARE YOU CONSTANTLY THINKING?

"And GOD saw that the wickedness of man was great in the earth, and that

every IMAGINATION of the THOUGHTS of his HEART was only evil continually." **(Genesis 6:5)**.

You can see that the wickedness of man was great in the earth because his ***imaginations*** were only *evil*. **YOUR PRE-DOMINANT THOUGHTS CONTROL YOUR ACTIONS**. Therefore, if you can control your thought, you can control your actions.

YOUR IMAGINATION

The secret to all this is your ability to constantly IMAGINE that thing. Whatever you can imagine, IT IS POSSIBLE. If you can think it, you can get it. God even considers your imagination more powerful than what you confess. When God saw the heart **(mind)** of Cain, He knew what was going to happen and He quickly interrogated him. As you know, Cain eventually carried out the evil in his heart, he killed Abel. You may ask, but God could have stopped him, why did He not? Did God grant the evil thought of Cain's heart (his unconscious request)? I will let you decide that… *(Smiles)*; but remember, God sends you good times and bad times and also gives you good gifts or punishes you depending on what He sees you constantly thinking and feeling. Remember **Jeremiah 17:10**. YOUR MIND IS VERY POWERFUL. In **Genesis 6:5**, God saw that the wickedness of man was too much on the earth because the thought of his heart was *only* evil. **Your thought determines your corresponding actions**. If you spend time thinking about poverty and lack, you will only find yourself acting in accordance. If you occupy your mind with healthy and prosperous thoughts, it will come to fruition. **That's what makes the rich richer and the poor poorer**. While the rich man is thinking, "how will I make *more* money" the poor man is thinking "this little money I even have will soon finish; how will I survive?"

Whatever it is you desire in life, if you can spend quality time to imagine it, picture it, think about it, meditate on it; you will naturally begin to speak it, and ultimately start to manifest (act) it. Create an IMAGE of whatsoever it is you desire in life. **GOD CREATED MAN IN HIS OWN IMAGE; Therefore, CREATE YOUR OWN IMAGE**.

If you create an image of poverty and lack, you will begin to manifest it. you create an image of prosperity and abundance of wealth, even in the face of lack, **JUST EXPECT IT**.

Remember, God created light in the face of darkness. *"And God said (from the abundance of the thought of His heart) Let there be light: and there was light."* **(Genesis 1:3)**

AFFIRMATION

The ultimate principle is to THINK, DECLARE and **SAY** *ONLY* WHAT YOU DESIRE. Do not think or say what you do not want to experience. YOUR WORDS ARE EQUALLY VERY POWERFUL, BUT IT DEPENDS ON WHAT YOU'VE GOT GOING ON IN YOUR MIND. *"The Word gave life to everything that was created."* **(John 1:4)**

Amid storm, Jesus did not say, *STORM CEASE*; but rather he said, **PEACE BE**. **(Mark 4:39)**. Acknowledging the storm would have only given it more power to rage. Amid the darkness, God did not say, *DARKNESS GO AWAY*; Rather, He said, **LIGHT BE** – And there was light. **(Genesis 1:3)**

I AM NOT WEAK is not the same as ***I am strong***. I AM NOT WEAK is a negative statement; I AM STRONG is positive. *"…Let the weak say, I AM STRONG"* **(Joel 3:10)**. The action word here is **STRONG.** The moment you mention *strong,* the *MIND* will go to work and begin to reason what it feels like to be STRONG and begin to implement it to your body. Then instead of getting worse, you might start to feel healthy and strong.

GOD, through FAITH called the things that were not yet in existence as though they were. When you engage your mind on something, you are consciously or unconsciously invoking it into reality.

PRAYING

It is quite unfortunate how we sometimes unconsciously spend half our prayer time blaming external forces. Blaming God and binding the devil. Alot of times that's a misfire. Sometimes we even think God who is behind our negative experiences and that He is probably punishing us for our sins. The Bible says, you pray but you don't get answers because you pray amiss.

What does it mean to pray amiss? **IT IS SIMPLY TO PRAY IGNORANTLY**.

Remember what Jesus said in **Matthew 6**? You should not WORRY as the IGNORANT Gentiles do. The Bible states that when you pray, BELIEVE (imagine, visualize, think, have an image of it) that you have received it and you shall have it. Most people have read this statement or heard it many times but still wonder how it works.

OKAY, LET ME MAKE IT SIMPLE and though it may sound FUNNY. **Just think of it like psyching yourself**. Pretend you are already in possession of whatever you asked for, and also have at the back of your mind that God is committed to bringing your thoughts (**imaginations**) to life.

Remember, Faith is to believe; **Believe is to think**; **Think is to imagine**; to **Imagine is to Visualize**. They're all connected. Have you ever been ill and prayed for health? Just imagine what it feels like to be healthy, put yourself in that consciousness and make sure you can FEEL IT. If you prayed for financial breakthrough, just imagine *(visualize)* how you would feel if you had a particular sum of money in your bank account; and maintain that thought and feeling.

Most people pray to God to change something in their lives or to give them something they do not have, and if their prayers were not answered, they think that God had a reason for withholding that particular thing. They think that perhaps God did not grant their request because He didn't want them to attain their desire for whatever reason known only to God, and you guessed it, **GOD WILL RESPOND TO THAT NEGATIVE ACT OF FAITH**. That is why

sometimes, it feels like God does not answer prayers. But if you begin to consciously apply these principles, you will be amazed at how things will take a new turn in your life. Remember what Jesus said to those blind men in **Matthew 9:29**? *"Then he touched their eyes and said, "Because of your faith, it will happen."* In other words, **because you believe, because you think I can do it, it will happen.** And you know, blindness means ignorance or inability to see. Jesus would do anything to open the eyes of the blind, even if it means using his saliva because he knows that IGNORANCE IS A DEADLY DISEASE.

God said to Abraham, *"As far as your eyes can see, it shall be given to you…"* **(Genesis 13:15)**. FRIENDS, THIS IS THE SECRET AND PRINCIPLE OF CREATION. **YOU MUST FIRST SEE IT**. You don't have to physically see it before you believe, only have the mental image of whatever you desire.

If you need to go to some quiet solitary place so that you can have fewer distractions, PLEASE DO. Spend minutes or hours visualizing and creating those beautiful images in your mind. God has more than a thousand ways to

grant your heart's desire. Remember that He sees your thought and also knows how passionate you feel about that thing on your mind. Just be sure it is not a negative thought. Man's prayers are always answered, for he always receives that which he constantly meditate on. The law that governs prayer is not personal. **GOD DOESN'T SHOW PARTIALITY, He simply responds to FAITH**. Belief is the condition necessary to realize your desire. No number of pleas or rituals will bring about the fulfilment of your desires other than believe *(to think)* that you are, or already have that which you want.

"My ways are past finding out." - GOD.

What you do in IMAGINATION is an instantaneous creative act. However, it may take a short interval of time to realize in the outer world what you have just experienced in your imagination.

After you have performed this act in your imagination, be confident that what you have done in your imagination must come to reality in your real world. Make sure your words agree with your thoughts. You have planted a seed; you have to keep watering the seed by your continual practice of visualization and meditation (which is faith) and you will soon see the harvest of that which you have sown.

To make this clearer, imagine that you would experience driving a new car after you have achieved your goal. In that case, you would not just merely see a new car in your mind's eye, you must see yourself seated behind the wheels, smell the newness of the interior, and feel yourself enjoying a comfortable ride. Feel the happiness that would be yours after accomplishing your dream.

That which you experience in imagination is an actual creative act; just as surely as planting a seed will result in the growth of a particular plant. Once you have planted this seed in your imagination, do not uproot it by being anxious about how it will be accomplished. Each seed has its own appointed time. Some seeds take a few days; others a little longer. Feel confident that what you have planted will appear in your world. Your imagination will draw all that it needs to make your dream an actual reality. Remember, this is not your part but God's.

Your only responsibility is to remain faithful to your ability to meditate on it

until you experience it in your real world. You can repeat this ability several times a day. You may wish to do this repeatedly until it feels normal and natural. Continually feed your subconscious mind with that which you desire in life. Your part is to see the result of your desire, God (the Universe) knows exactly how to work out the means to realize your dreams while your conscious mind sleeps.

Bring your five senses into play as you perform your imaginable art. Hear a friend's voice congratulating you, or feel yourself hugging that person.

If you wanted a new car, see yourself opening the door

and stepping into it, smell the aroma of the interior, put your legs on the pedals and just enjoy yourself in this imaginable world that will soon become a reality, because God is seeing what you are doing. Make sure you don't uproot this wonderful seed by stopping the practice. You must keep watering it until it begins to bud.

THIS IS YOU, TAKING THE BULL BY THE HORN AND BEING RESPONSIBLE INSTEAD OF BLAMING GOD AND BINDING THE DEVIL.

If you do this persistently, you will begin to notice that you no longer acknowledge or think about the devil or even blame anybody. Your attention will suddenly and completely be on God Who is the doer of all things, and you will begin to feel joyful and happy.

If you need to have a physical photo of what you desire, please do and keep

visualizing with it.

Finally, you must be persistent in attaining your desire. Change those negative thoughts and feelings to positive ones. Continue to imagine what you want until you have obtained it. If it is necessary to take some actions, you will be led to do so. Remember that it is God Himself, who is doing the work and He knows exactly how to accomplish it.

Nothing is impossible! According to Scriptures, creation is finished. Not only is creation finished, but also, God said it was good.

Have you ever considered what God could have used to create all there is? Have you ever wondered why God gave you a mind? In all of God's creation on planet earth, Man is the only creature God gave a mind; and that's because He wants you to be like Him; to be creative, rule over the earth and dominate it.

Nothing is impossible to the creative power that resides within you. YOU CAN BE AND HAVE ALL THAT YOU DESIRE IN LIFE. There is no limit to what you can accomplish for yourself and others. It does not matter what your present circumstances are, the same principle you have unconsciously used to bring about the undesirable conditions in your life can be consciously applied to make your every dream come true.

Creation is finished and it is good! God created the earth and all that is in it and said it was good.

GOD IS INFINITE; therefore, God has been before any form came into being. What could He have used to create all that exists? **Hebrews 11:3**, *"By faith we understand that the entire universe was formed at God's command, that what we now see did not come from anything that can be seen."* BY FAITH means that God simply engaged His MIND and imagined everything that HE WANTED. God always wants to give us whatever our heart desires, which is why He created both good and bad, light and darkness. So, every time God looks at the thought of your heart and sees negative and unpleasant thoughts, He takes it that you desire it, and guess what? HE BRINGS IT YOUR WAY, EXCEEDINGLY ABUNDANTLY ABOVE YOUR IMAGINATIONS because He has it in abundance. GOD CREATED EVERYTHING THAT EXISTS FROM THE ONLY SUBSTANCE AVAILABLE **– HIMSELF**. God spoke the

Word and brought everything into being out of Himself. Everything you perceive is made of the one substance – God.

HOW WILL IT HAPPEN?

This is where a lot of people miss it. They try to figure out how it will happen. **When you plant a seed, do you wait to see how it will grow?** You don't bother how it will grow; **YOU JUST BELIEVE IT WILL**. Your job in all of this is to plant the THOUGHT in your heart and keep watering it with continual meditation. You must learn to create that image of whatever you desire, and keep that image *constant* in your mind. You will be amazed at how it will manifest. You might also get the nudge or impulse on what to do.

THAT IS WHAT FAITH IS ABOUT - **to believe and trust God *without questioning* how it will happen**. The "**how**" is God's business.

Nothing was impossible for JESUS to do; HE EVEN WALKED ON WATER, because He confirmed that GOD IS THE ONE WHO DOES THE WORK. **John 14:10**

"BUT WITHOUT FAITH IT IS IMPOSSIBLE TO PLEASE HIM, for he who comes to God must believe that He is…" **(Hebrews 11:6)**. That **HE IS** able to do all things. For the Scriptures tell us, *"Abraham believed God, and it was counted to him for righteousness.' When people work, their wages are not a gift, but something they have earned. But people are counted as righteous, not because of their work, but because of their FAITH in God."* **(Romans 4:3-5)**.

Now, there is nothing you can do to earn righteousness before God; the only thing that pleases God and grants you access is your FAITH, and you now know what FAITH is about. Whatever you can think and meditate on will attract God's attention. What do you believe God for? Abraham believed God for something that seemed impossible and God made it possible. God can do all things and He wants you to realize that. WHICH IS WHY YOU MUST ACKNOWLEDGE HIM IN ALL YOUR WAYS. He is the One Who will manifest your deepest thoughts and imaginations whether they are good or evil. **SO, MAKE SURE THEY ARE GOOD**.

Remember, Abraham saw the stars in the sky and the sand on the seashore **(Genesis 22:17)**. WHAT CAN YOU SEE?

When you finally understand this, you will see that it is very easy to find God Himself; because God wants you to find Him. He said, *"You will seek me, you will find me when you search for me with all your heart."* **(Jeremiah 29:13)**. The phrase, "***with all your heart***" means that He is all over your MIND. **HE HAS TO BE ALL YOU ARE THINKING ABOUT**. When your heart is searching for something, your mind will be on it, you are thinking about it and sometimes, (before you know it) you will start to get answers suddenly. **Malachi 3:1**, *"…And the Lord whom you SEEK will suddenly come…"* Answers will suddenly begin to come – whether it is God you are seeking or something else. IT WILL SHOW UP SUDDENLY.

Spend quality time in your prayer session thinking and creating images of whatever you desire God to do in your life. Trust me, you don't even have to say anything just yet until whatever you desire has filled your heart. **That's when you can now say** – *LET THERE BE LIGHT* and there will be light. **MEDITATE MORE, TALK LESS**. God can already see what's on your mind.

If for example, you are praying that God should bless you financially but

your mind is busy thinking, "**Can I ever be rich, how will it even happen? I am not even from a rich family, I am not even educated, how can it possibly happen?"** You guessed it – God will do exactly what you are thinking, not necessarily what you are saying (praying).

The faith you are unconsciously exercising is based on what you are ***thinking***; **that is what God is seeing and will respond to, not your empty words**. This is the reason some prayers are not answered; not because of sin but because your thought is more powerful than your mere words. If it is by being **"A CHILD OF GOD" or "A BORN-AGAIN CHRISTIAN"** then the so-called unbelievers should be very poor since they are the so-called sinners/unbelievers here. But unfortunately, **IT IS NOT ABOUT BEING RELIGIOUS**. GOD SIMPLY RESPONDS TO FAITH.

Jesus said, *"These people draw near to me with their mouth, and honor me with their lips, but their heart is far from me."* **(Matthew 15:8)**.

I love the way the **Contemporary English Version** puts it; *"All of you praise me with your words, but you never really think about me."* Meaning that they didn't even have *faith* in him. Remember, **FAITH IS TO THINK**. Abraham exercised FAITH. All the Patriarchs did. The Bible says, "These all died in *FAITH...*, having *SEEING* the promises from afar." **Hebrews 11:13**

God sees and knows what you are thinking. HE ALSO SEES THE IMAGES YOU ARE HOLDING ON YOUR MIND. **Jeremiah 17:10 (Easy English Version)** says, *"But I, the LORD can look inside a man. I can see what he FEELS. And I can see what he THINKS. I will give good gifts to him if he does good things. And I will punish him if he does bad things."* As you can see, God is the One responsible for the outcome of whatever you BELIEVE (THINK OR FEEL), whether it will be good or bad for you.

CONCLUSION

I HAVE VERY GOOD NEWS FOR YOU. It doesn't matter all the negatives that have been programmed onto your mind by you or your environment; nor your past struggles of life, or whether you are from a very poor family; THINGS CAN BECOME BETTER. You can consciously start to apply the principles you have seen in this book and begin to take charge of your life once again. WE HAVE CONSCIOUSLY OR UNCONSCIOUSLY CREATED OUR REALITY THROUGH OUR THOUGHTS.

If you have been experiencing lack, limitation, illness or any other unwanted conditions; you have either consciously or unconsciously brought these conditions into your experience. God is sovereign and He has set the world in motion. Remember, you reap exactly what you sow. The majority of people do not yet realize that their IMAGINATION has the capacity to create their reality, and the Universe is always ready to accomplish it. STOP BLAMING EXTERNAL FORCES ALL THE TME. START TAKING RESPONSIBILITY FROM NOW. Feed your mind with the right information and stay positive.

Remember, faith comes by hearing and hearing. In other words, nothing is ingrained onto your mind until it is repeated over and over again. BLESS YOU.
