Chapter One

THE RESTORATION OF AUTHORITY & POWER

This world is a system controlled by powerful and authoritative individuals. It operates without regard for pity, and people's experiences are often determined by the level of power they possess. Although every person is born from a woman and shares the same flesh and organs, some individuals seem to wield

more influence and success due to their access to advantages, while others are less fortunate. This world can feel like a battlefield, with many wounded, some deceased, and a few celebrating victory. The question arises: which role do you wish to assume? The victim or the victor? The employer or the employee? The successful or the failed? The answer may depend on the connections one has. Merely wishing for something does not bring results; action is required. Many have

sought solutions in various places, only to find no success. I introduce to you the greatest force on earth, the most powerful key in the universe, an unbeatable name, and an unquenchable force: Jesus Christ.

Unfortunately, we have reduced the significance of the name of Jesus Christ to a mere religious statement. We have taken it for granted as a Sunday school rhyme, and we use it in our songs to make it seem less mundane. We acknowledge it as the most powerful force on earth, yet we fail to

recognize that it is weak in the hands of men.

Exodus 4:2

"And the LORD said unto him, What is that in thine hand? And he said, A rod."

When Moses encountered a similar situation in his generation, he saw a vessel that held all the answers to his questions, but he thought it was just a rod. If he had known that the same rod would part the Red Sea, swallow up serpents, create water

out of rock, and turn water into blood, he would not have said that it was just a rod. Do you know the answer to your long journey towards breakthrough is being tied to that Name? Do you know that name can heal, deliver, and bring you destiny helpers? That name, Jesus, has been compared to Moses' rod for herding sheep. It also holds the key to the greatest power on earth; had you known what was at stake, you could have prevented the death of those you loved.

Psalm 34:5

“They looked unto him, and were lightened: and their faces were not ashamed”

The failure to succeed in marriage, ministry, and career is a result of looking away from Jesus Christ. While pastors, churches, mantles, and their level of seed sowing are all worthwhile, why don't we focus on Jesus Christ and set everything else aside? What is your faith focused on? Don't assume it's

Jesus Christ because you appreciate your prayer life more than that name and your Spiritual Father, mentors, mantles, and anointing oil are more valuable to you than that name.

Psalm 20:7

"Some trust in chariots, and some in horses: but we will remember the name of the LORD our God..."

Your chariot could be anything; our generation has forgotten what was left

behind as our weapon; we now boast of how our strength and prayer life enabled the ministry and finances to function; we now demonstrate to men that we are not Jesus Christ's but rather ourselves; your faith in the name assures victory; let's reclaim the honor and significance of that name, which is our triumph in every conflict.

Chapter Two

IN MY NAME

Phillippians 2:9-11

"Wherefore God also hath highly exalted him, and given him a name which is above every name:

That at the name of Jesus, every knee should bow, of things in heaven, and things in earth, and things under the earth;

And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father."

After Jesus' victory on earth over Satan and his cohorts, the Father bestowed upon him a great reward that cannot be quantified by anything on earth. This reward was to establish his name as an authority. His name is now anointed with authority, and he has become the Lord over all the universe, including heaven and beneath the earth. To the extent that all humankind

seeking to experience divinity through God's kingdom must invoke that name. God has invested all he had and will ever have in that name.

Jesus Christ ceased to be just the name of Joseph's son and instead became the key to many healings, a weapon of victory, miracles, and power. The name no longer represented just a rabbi or a good man; it now embodies the very force that makes darkness tremble. This investment is unparalleled, the greatest ever in the

universe, as one man bears the authority of the entire earth and heaven in his name. It's no wonder that a proverb gives us a clue that it is better to bear a good name than to access riches. The value bestowed upon that name is unimaginable, but it can be experienced.

Matthew 18:20

“For where two or three are gathered together in my name, there am I in the midst of them.”

The name holds such immense value that it can compel God's presence in a place. The name serves as the signal that brings God's manifest presence to a person. It is futile to gather without the consciousness of that name. This is why meetings with thousands can become nothing more than a mere spectacle, as true authority has not become a reality in the minds of the people. For many, the name is still seen as a mere personality, but it has transcended being

just a person and has become an authority that brings the supernatural into the natural.

Do you desire to bring God's manifest presence to your meetings, business, and home? It only will take the Name.

Mark 16:17-18

"And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues;

They shall take up serpents; and if they drink any deadly thing, it shall not hurt

them; they shall lay hands on the sick, and they shall recover."

Jesus Christ has bestowed immeasurable value upon His name. No other name on earth can cast out devils. While names can bring wealth and employment, no other name in existence has the power to heal sickness and disease in a dying person. This authority is not obtained through fasting, crying, or titles. Those who believe in the name of Jesus Christ can cast out demons from their homes and send away

the spirits of disappointment and hardship. No other name is honored by demons, and sickness only yields when confronted with this name. Additionally, this name can transmit power to an individual. The Bible states that through this name, many will speak in new tongues. In Acts 1 and 2, God instructed His disciples to stay in the upper room to receive power so that they could fully witness Him through healing, miracles, and the conviction of God's word. When the power came, it manifested in the form

of speaking in tongues, indicating that speaking in tongues is the process of generating power. This underscores the power that the name of Jesus Christ possesses.

John 14:26

"But the Comforter, which is the Holy Ghost, whom the Father will send in my name".

Men of God carry the name of Jesus Christ to the pulpit and the evangelism field. The

reason why power may not be manifesting and why the sick may not be receiving healing is that the focus has shifted away from the name of Jesus Christ. This name, not the name of a spiritual father, not the name of a church, nor the theme of the year, is the only thing that can produce authentic power and miracles. It is essential to return to the foundational and transformative power of the name of Jesus Christ.

John 14:13

“And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son.”

John 14:14

"If ye shall ask anything in my name, I will do it"

What a plain cheque, “whatsoever” is a statement of assurance and it is daring us to try and ask anything we can think of in “my name”; you desire a certain breakthrough

then engage the Name. “Whatsoever” is a statement of choice, as long as you can answer “I’m ready”.

My God! We have an endless cheque that Jesus Christ has signed for us and we can fill in whatever we want, He is able to answer.

Chapter Three

JESUS CHRIST THE SAME

Hebrews 13:8

"Jesus Christ the same yesterday, and today, and forever."

The Writer of Hebrews started telling us that the same Jesus Christ we read about in the four synoptic gospels is still the same, meaning that the ability and the grace He carried while alive is still

available in His Name. Wherever the Name is mentioned, it will produce the same result as if He were in that place.

Believe this, dear reader: Jesus Christ is the same today and yesterday. He has not changed. The only difference is that you do not see Him physically. However, mention that name, and you will experience the same result as if He were there. The greatest gift to pass on to your children is the gift of believing in this Name with all their hearts because that Name remains

active even until tomorrow. The only place where their future is secured is in that Name.

Luke 10:16

"He that heareth you heareth me; ..."

Jesus Christ spoke with authority, indicating that when people speak, they are no longer speaking on their own; He automatically takes over the scene. What a great access and privilege! We have not missed anything. What the disciples saw in the four Gospels

can also be witnessed in our days, in our meetings, homes, companies, streets, and many other places. The name Jesus Christ can still bring about the wonders and signs we read about in the Gospels. The moment you mention it, Jesus Christ takes over as if He were physically present with you, addressing the situation before you.

Luke 8:27-28

"When he went forth to land, there met him out of the city a certain man, which

had devils long time, and ware no clothes, neither abode in any house, but in the tombs.

When he saw Jesus, he cried out and fell before him, and with a loud voice said, What have I to do with thee, Jesus, thou Son of God most high? I beseech thee, torment me not."

Wonderful! Jesus Christ's presence made demons uncomfortable to the extent that the legions in the man started crying out

before Him. Jesus Christ is still the same, and you can also replicate that physical occurrence with His Name. As you carry His Name as a consciousness and totally depend on His Name, as you lay your life and trust on the value of that Name, your presence suddenly becomes uncomfortable for demons. When they hear you speak, they see Him speak. This demonstrates the great power of carrying the Name as a presence. My beloved, every disease, sickness, and oppression are all rooted in

demons. Every time Jesus Christ encountered a sick, diseased, or oppressed person, he cast out the spirit from that individual to bring about healing. This means that beyond good living, the root cause of disease and sickness often lies in the presence of demons over an organ or body.

Mark 3:11

"And unclean spirits, when they saw him, fell down before him, and cried, saying, Thou art the Son of God".

The moment the name "Jesus" is mentioned, demons begin to see Jesus Christ in that place; they no longer see you. This name, Jesus, is always powerful. In the scriptures, demons started going out as soon as they saw Jesus Christ. This is how it will be today. The moment you mention the wonderful name of Jesus Christ, whether in your prayer room, church, fields, or elsewhere, its power will be evident.

Our belief and faith in this name guarantee freedom. The Bible states that "as many"

can cast out devils and lay hands on themselves through that name can be healed. This is not only for pastors or apostles but for everyone—ushers, businesswomen and men, career persons, mothers and fathers, and children—who believe. Do not build your faith on drugs; they may cure, but they cannot provide the permanent freedom you need. Demons do not respond to drugs; they only respond to that name. If Jesus, the name, is a healer, then he can heal you and use you to

become a healer and deliverer through that name.

Mark 2:2

"And straightway many were gathered together, insomuch that there was no room to receive them, no, not so much as about the door: and he preached the word unto them."

The presence of Jesus has always been associated with drawing people in, as seen in the story mentioned in the text above.

Many believe that His name continues to hold power and influence today. It's a sentiment that reflects the enduring impact of Jesus and the faith that many people place in Him.

It's clear that the presence of Jesus had a powerful impact on the gathering in the house, and the idea of His presence turning a building into a stadium is a powerful image. The message seems to emphasize the importance of placing faith and confidence in Jesus and His name, rather

than relying solely on human teachings or methods. It's a call to focus on the power of faith and belief in Jesus for miracles and impact, rather than relying on external factors.

Mark 1:37

“And when they had found him, they said unto him, All men seek for thee.”

Jesus Christ, during His time on earth, was sought after by all people, not just some, but all. This means that if His Name could

draw people then, it can do the same for your business, ministry, and needs. Helpers can be attracted to you, customers will come, and membership will increase because the Name is still the same. Can't you see that you need to get back to that Name? That is the secret behind the business explosion you are praying for. Go into that shop and declare the name. Don't stop; keep making mention of it. Jesus Christ stays in that shop, Jesus Christ is in that ministry. Don't assume He is there.

Now you have the revelation that Jesus Christ is still the same, and what He is physically is also a reality when His name is mentioned. Hallelujah!

John 12:32

"And I, if I be lifted up from the earth, will draw all men unto me."

The key to drawing a crowd is through the power of the Name. When you lift the Name in your heart through prayers, and preaching, people will naturally be drawn to

you. As ministers of God, if you want to see your church grow, then it is essential to engage with the name. The Name has a magnetic effect, like honey drawing bees; wherever you declare it, people will be attracted to it.

It's important to note that the influential leaders of the past didn't have the modern-day publications or the plethora of teachings that we have today. However, they held one thing in their hearts: the immense power vested in that Name. By

declaring and exalting that Name, you can witness an overflow in your church. Just as Jesus Christ attracted thousands of people during His earthly ministry, His Name has the same power to draw people to your church today.

Mark 9:28

"And John answered him, saying, Master, we saw one casting out devils in thy name, and he followeth not us: and we forbad him, because he followeth not us."

While Jesus was still alive, people were using His Name to cast out demons. This demonstrates that the power vested in that Name was already being experienced while He was still physically present. If this Name could bring about such significant results during His time, it means that it can do even more in our present day. Those who were using His Name to perform miracles were not even His disciples, yet the Name was still potent. Do you have the childlike faith to bring out the wonder in this Name?

Chapter Four

PROPHET ISAIAH'S VIEW OF THE NAME

Isaiah 9:6

"For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace."

The passage above highlights the significance and value of the Name of Jesus. Isaiah, guided by the spirit, explains the qualities and the results that are inherent in this Name. He opens our eyes to see that this Name holds numerous qualities and manifestations, and our ability to believe in and declare it brings about these results.

Indeed, the Name brings wonders. When spoken, it produces wondrous things such as healing, financial breakthroughs,

deliverance, and natural transformation. The Name of Jesus is a source of great wonders. If you truly desire to experience wonders in your life, the Name of Jesus is a powerful tool to bring about these miraculous results.

Matthew 15:31

"Insomuch that the multitude WONDERED, when they saw the dumb to speak, the maimed to be whole, the lame

to walk, and the blind to see: and they glorified the God of Israel."

Mark 6:51

"And he went up unto them into the ship; and the wind ceased: and they were sore amazed in themselves beyond measure, and WONDERED."

Luke 11:14

"And he was casting out a devil, and it was dumb. And it came to pass, when the devil

was gone out, the dumb spake; and the people WONDERED."

John 4:48

"Then said Jesus unto him, Except ye see signs and WONDERS, ye will not believe"

The wonders that Jesus performed while He was alive are a testament to the power and consistency of His Name. Jesus remains the same yesterday, today, and forever, and His Name continues to carry the same authority and power. Through the

Name of Jesus, you can experience wonderful things in every aspect of your life, including ministry, business, academics, and your career. The Name of Jesus has the power to bring about miraculous and wondrous results in every area of your life.

Acts 2:43

"And fear came upon every soul: and many WONDERS and signs were done by the apostles. "

Acts 4:30

"By stretching forth thine hand to heal; and that signs and WONDERS may be done by the name of thy holy child Jesus."

Do you see that after Jesus died and was resurrected, the Name was still doing wonders in the lives of most of the apostles? Wondrous things were done by the Name of Jesus Christ. The Name brings counsel; it is through the Name that we have access to the Holy Spirit. The Spirit of God can't

do anything without the Name. Jesus says, "I am the Way, Truth, and Life." If you want guidance, it's through the Name that you can receive it.

John 16:13

“Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come.”

This means that the Holy Spirit brings guidance to you through Jesus Christ, and you can't receive the Holy Spirit outside of His Name, because when you declare the Name, the Holy Spirit shows up. The mightiness of God is revealed through the power in His Name. When we talk about God's mightiness, we are referring to the host that God carries. The mightiness of a man is revealed by the level of wealth and human resources at his disposal, and the largest human resource God has is the host

of angels. These angels reveal the mightiness of God through Jesus Christ. When you declare His Name, the angels come to reveal His mightiness.

2Thessalonians 1:7

“And to you who are troubled rest with us, when the Lord Jesus shall be revealed from heaven with his mighty angels.”

The host of angels is ready to reveal God's might in your ministry, finance, career, and marriage. You can reflect the mightiness of

God in your academics; just believe and declare the Name of Jesus Christ.

Are you experiencing storms in your career, home, marriage, and health? Isaiah the prophet has revealed to us that the greatest storm calmer, the peace giver, is not the comedians, nor your spouse. It is in the Name that there is the ability to give you peace. That Name is the Prince of Peace. When you declare the name of Jesus Christ in the face of any storm, it gives way. Jesus

truly calms the storms. Allow Jesus Christ to give you peace through His Name.

John 14:27

"Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid."

2Thessalonians 3:16

"Now the Lord of peace himself give you peace always by all means. The Lord be with you all."

Let Jesus Christ give you peace amid your storms. Declare Jesus Christ, and peace will be revealed.

Prophet Isaiah tells us that the name reveals the dimensions of the everlasting God, meaning that it is the same today, yesterday, and forever. This occurrence of wonders, mightiness, peace, and glory always happens anywhere and everywhere the Name of Jesus Christ is mentioned.

Chapter Five

THE LIMITATION OF THE NAME

I understand that you are concerned about not seeing the expected results when engaging in the Name of Jesus and during your prayers. It seems like you are eager to understand what might be going wrong and why your prayers are seemingly going unanswered. It's important to recognize that

the issue may not lie with the Name of Jesus Christ, but rather with your awareness of its potency and the triggers for manifestation. While we have discussed the power of the Name, it's also crucial to understand the triggers that lead to its manifestation.

Act 19:13-15

“Then certain of the vagabond Jews, exorcists, took upon them to call over them which had evil spirits the name of the Lord

Jesus, saying, We adjure you by Jesus whom Paul preacheth.

And there were seven sons of one Sceva, a Jew, and chief of the priests, which did so. (Compare)

And the evil spirit answered and said, Jesus, I know, and Paul I know; but who are ye?"

There were men in the Bible like you, who sat under the preaching and teaching of Paul, and saw what the name of Jesus Christ could do. They stepped out by faith

to declare the Name that Paul preached but got no result. I felt for them because I know what their reaction should be. They might have felt that Paul was lying, that the name is not potent. They may have gone back with shame, believing maybe the anointing was the reason, not the Name. But let me tell you that if you can have access to the power of the Name, nothing will stand against you in life. But why were they embarrassed? You have also been embarrassed with so many unanswered

prayers, no confirmation of prophecies, and praying using the name and still looking like a fool. Has the name lost its value? The answer is no, but you are the one who has lost the standard of partnership.

The first problem of the boys that were embarrassed, as you also have been embarrassed, was that they were not genuinely born again. The demons recognized that when they saw them, Jesus Christ was not available, meaning that they

were not sons, they were simply testers of Jesus' power. That is why the demons said, "Jesus Christ we know, and Paul we know, but who are you?" If they were born again, they would have sounded like Jesus Christ to the demons. Many believers are neither hot nor cold, they don't have a placement in God's heart, they are weak today and dead spiritually tomorrow. Which side you are on matters? The first trigger of the Name is being born again in acts and deeds.

Secondly, the demons made mention of Paul, not because he was a preacher, but because to them, Paul represented a man of deep knowledge. The realm of the spirit works by light, and your dominion is dependent on the sufficiency of the knowledge you have downloaded in your Spirit through meditation. To bring out the power and authority in the name, you must spend time meditating.

Mark 16:17

“And these signs shall follow them that believe; IN MY NAME shall they cast out devils; they shall speak with new tongues;”

One day, as I was meditating on the Name as usual, my eyes were opened to discover that it was not "by my Name," but "in my Name." This revelation means that it has to be within me first before it can manifest through me. Therefore, meditation on the power of the name is the key. Every

believer must cultivate a daily practice of reflecting on the wonders and power in the precious name of Jesus Christ. The deeper the meditation, the greater the result.

Psalm 104:34

"My meditation of him shall be sweet: I will be glad in the LORD."

What fills your heart is of great importance. When Jesus Christ fills your heart, you will understand the power of His name. If money, fame, sex, power, ministry, cars,

and wealth are what fill your heart, then the name may seem weak from your lips. Allowing Jesus Christ to be your daily song and meditation is crucial. This is why I and the ministry (Kathizo Global) are committed to always praising Jesus Christ, as He is always in our hearts. What fills your heart matters greatly, as the power of your words is dependent on the posture of your heart. If Jesus Christ is your song and meditation, you will experience the

incredible power His name brings to your life and career.

Psalm 119:99

"I have more understanding than all my teachers: for thy testimonies are my meditation."

The disciples accomplished great and mighty things because they had access to the name and maintained a certain standard. However, we can surpass their achievements through meditation on the

Name. The more we meditate, the more we can excel beyond the apostles of old. We can achieve greater works through the Name if we allow it to fill our hearts through meditation.

Additionally, honor holds significant importance. It's akin to telling a child that his father is present, and the child runs outside to check, only to find out it was a prank. If this happens repeatedly, when the father arrives and you need the child to meet him, the child may not believe it,

assuming it's another prank. Similarly, the Name of Jesus Christ has become a casual expression in our lives. We shout it in various situations, almost as a reflex. This casual use has diminished its impact, and demons no longer respond to it as they once did. They have started to use it as a mere song on their lips.

To restore the value and respect for the Name, we must consciously give it the honor it deserves. When we misuse the Name, we should seek forgiveness and

strive to build reverence and respect for it. By doing so, we can witness God's mightiness revealed through the name of Jesus Christ in our ministries, families, health, finances, marriages, academics, and careers. Jesus Christ be praised.
