

The background of the entire cover is a photograph of a city skyline, likely New York City, viewed from across a body of water. The sky is filled with dramatic, orange and red clouds from a sunset or sunrise. A large flock of birds is seen flying in a V-formation across the sky. The city skyline features several prominent skyscrapers. In the foreground, a multi-lane highway with light trails from cars is visible. A billboard on the right side of the highway reads "We're not scientists. But we totally get space." and "American Astronomical Society".

THE DAILY **PROPHET**

[aka: URIM & THUMMIM]

SAGE: Malakai Godschild™

Day One: BE CAREFUL OF COMPETING WITH THEIR PRIDE.

They are temptations of that level. Be careful. Some of them are under the inspiration and oppression of demons of pride and arrogance. They will do anything including killing; just to be number one. I've been with people like that and I know their characters. They are found in different areas of life. When it comes to the spiritual side; you will find those who behave as if they are the chief share holders in the spiritual realm. In the realm of materials; it is more worse and funny; you will see a grown up man or woman behaving like a child. Pride.

Don't compete with them; because you will be competing with their pride. Competing with them is a luxury you can't afford and time and energy you should not waste. Don't do it; because demons will beat you with experience. Live your life.

CONFESSION:

I AM THE ONLY ME THERE IS. I ENJOY MY LIFE
ACCORDING TO THE PATTERN OF MY DNA. I
DON'T COMPETE WITH THEIR PRIDE. MY
CHOICES ARE BASED ON THE CHOICES OF GOD
IN ME. I HAVE MY OWN DEFINATION OF NUMBER
ONE, WHICH IS DOING THINGS ACCORDING TO
THE WILL OF GOD; I AM ME AND I WIN TODAY.

Day Two: THE ENERGY AND VIBRATIONS OF THE DAY.

Days are not the same and days will never be the same. Some days are like cancer and some days are like eating pudding. There is no coincidence. In your life, you have days that are more favourable to do business and days that are more favourable for you to relax and spend quality time with your loved ones. Don't mix those days because it will create a collision in the unseen realm.

You must have that special wisdom to separate days. Having an understanding of energies and vibrations of different days. Not walking in the dark. If today you hear that I was involved in a car accident; you must also remember that it was my choice; all because I chose to travel today. If someone gives you money today; you should remember that it was not only his choice but also the celestial rhythms and the energy of the day playing a role.

If you take this issue serious; you shall begin to see that nothing happens by mere chance. It is in the energy of the day. You will not do things haphazardly. I challenge you, Today; attune your spiritual antenna and start to navigate throughout the day in your meditations. Things happen before they happen. Don't expect to be accurate because this thing is progressive.

Sometimes my left eye flicks and it is a message and sometimes my right eye flicks and it's another message. Don't ignore those hints. Some days God wants you to be with him full time; saturated in his presence; but because of ignorance to this unseen reality; you spend a day that was meant to be spend in the presence of God with people and you wonder why you ended up quarrelling. You have the power to fight your day or to bless it.

PRAYER POINTS:

-PHRONESIS (PRACTICAL WISDOM)

-SUNESIS (ANALYTICAL WISDOM)

Day Three: ATMOSPHERE OF THE DAY.

Naturally speaking; some days are cold and some are hot or rainy. Same with the atmosphere that is unseen but can be felt. Like the wind, you will see the effects. There is an atmosphere that has the ability to push you to the highly fortified realms. And when you remember those days, you wonder how you did it. One day I spend twenty hours praying and there were days when I could pray for fourteen hours non-stop per day. And when I look back; I wonder how I did it, for sometimes I struggle to pray for over an hour. It's effortless effort.

They are different atmospheres. Have you ever experienced days when you work up and you don't feel like eating. Not hungry at all. Fast. Why eat when you are not hungry. It's so easy, but they have complicated it. Easy. Each day has its atmosphere, though some may look similar; but

there is a difference.

PRAY:

**THANK YOU FATHER FOR THE TRUTH. NOW I
KNOW I AM NOT WALKING IN THE DARK.**

Day Four: EMOTIONAL AWARENESS.

Are you aware of your emotions? It is very important to expand your awareness, concerning your emotions, more important than having a PhD in rocket science. There are many problems that one creates simply because one is not aware of his or her emotions. We emotionally wound so many people; simply because we don't know how our emotions operate.

Implosions and explosions. Even demons are very good at studying people's emotions. Those who are very soft are likely to become the very opposite of what they are. We are being taken advantage of simply because we are not aware.

Emotional awareness is very important, it is the first step to emotional intelligence. Know your emotions. Without awareness you will make a lot of poor judgements. Some people that you think are not easily provoked are simply masters of emotional awareness, they know how to calm

their nerves because they are aware of their emotions.

There is a man that I know who is very ignorant about emotional awareness. If he is happy, he wants everyone to be happy and if he is sad he makes everyone sad. That's torturing others.

Broken families, unhappy employees, emotionally wounded wife or husband, confused children; all because someone is not aware of his or her emotions.

COGITATE ON:

YOUR EMOTIONS.

Day Five: TOO MUCH MONEY IN THE MIND AND ONE LOSE THE VISION.

1 Timothy 6:10 For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.

Money is one of the greatest deceivers. It dominates until it starts doing the thinking for you. And when money is doing the thinking for you; then there is a big problem. The more money dominates the mind, the more the vision become blurry.

In the beginning there was no money, in the beginning there was God **John 1:1 In the beginning was the Word, and the Word was with God, and the Word was God.** It was God in the beginning. And all things came from him; and good things that you can ever think about and even those that have corrupted their beauty. **John 1:3 All things were made by him; and without**

him was not any thing made that was made.

Money is not the best to dominate the mind; God is the best to dominate the mind. In him there is authentic success, not money. Money has its limits. Money has to be secondary. Then God gives you a purpose; far greater than money.

For the love of money is the root of all evil. You may cut off the tree, but if the roots are still there; the tree will grow again. And yet the love of money is the root and not the tree. There is more in life than money. Don't get carried away. Am not saying you must not have it. All am saying is you must not get carried away. For money has power to carry people away.

I DECLARE:

YOU WILL NOT BE CARRIED AWAY. NO SATANIST WILL CONVINCE YOU TO ENTER INTO ANY EVIL COVENANT BECAUSE OF MONEY. MONEY RESPECTS YOU, BECAUSE YOU ARE ABOVE IT. WIN TODAY.

Day Six: BE WISE ENOUGH TO SEE THE DIFFERENCE.

Navy blue is not black, maroon is not red. There are so many things that are changing in your life. Weaknesses are now being seen because one has conscience. Yes the weaknesses are there, but there is a new strength that is now seeing the weaknesses. There were days when those weaknesses never bothered the weak. Even though the weaknesses are still there, there is a change. Those small changes mean a lot.

God has been so faithful to you. You prayed and something happened, but you did not see it. There is a lot that one can miss.

PRAY:

DEAR FATHER IN THE NAME OF JESUS, HELP ME AS AM EVOLVING. I WANT TO NOTICE EVEN THE TINIEST DIFFERENCE. IN JESUS NAME I PRAY.

Day Seven: WEEPING.

1 Samuel 1:10 And she was in bitterness of soul, and prayed unto the LORD, and wept sore.

If today you feel like crying; cry, God is your father, tell him everything. Hannah used to go to shiloh; year after year, but this time; her desires were very strong. Her soul was in bitterness. In moments like these, words don't work. There are times when tears do the talking **Psalms 56:8 Thou tellest my wanderings: put thou my tears into thy bottle: are they not in thy book?** You are not too old to cry. When you cry to God, it will be recorded. Tears speak.

One evening, I can still clearly remember; there was a person who mocked me. His words ignited bitterness within me but I never said anything bad to him, but before I slept; I prayed about it, I did not curse him, all I did was to lift my hands in worship, crying to the Lord. After that weeping session, I felt peace in my heart. Thank God I had

released all the bitterness. The following day when I woke up in the morning, this very same person told me about what had happened to him. Things had changed. The very same position I was in last night while he was mocking me, was the very same position he was in and even worse. God responds fast when we sincerely cry to him. He who told you that crying is not for the old ones deceived you.

If you are not fine, don't pretend as if you are fine; that will be hypocrisy and God hates hypocrisy.

Day Eight: GOD AND YOU.

1 Samuel 1:20 Wherefore it came to pass, when the time was come about after Hannah had conceived, that she bare a son, and called his name Samuel, saying, Because I have asked him of the LORD.

Some people receive before they even ask, yes it's not fair, but it's none of your business. God did not just give Hannah a son; she had travailed in prayer. She was not like Peninnah. With Peninnah, it was God who did it, but with Hannah, it was God and Hannah. Selah!

READ:

1 SAMUEL 1:9-18

Day Nine: A WEAKNESS OF THAT LEVEL.

It's a very immature and unkind gesture, condemning the errors of someone who triumphed over the weaknesses of your current level. Levels increase, as well as weaknesses. That person excelled so much, when he was at your level.

The weaknesses of a giant are bullying and beating those who are weak, just to prove his seniority. The weaknesses of one who is physically weak, is challenging and provoking the giants thinking they are in the same category. Selah!

We all do have weaknesses of that level, which is not a big problem; we are all evolving. The problem is in not having a desire to know your weaknesses of that level. As for me, I only compete with my weaknesses, because I know, every new level has it's own temptations.

PRAYER POINTS:

**-A PURE UNDERSTANDING OF YOUR
PERSONALITY.**

-GRACE TO OVERCOME.

Day Ten: PRIDE ALWAYS BREEDS EVIL COMPETITION.

If you want to know how proud you are, just look at how unhappy you are when you are number two, rather than being number one. It was good when all the lime-light was on you; the problem came when someone else came to share the same light.

To some people it was good when they were the only ones owning those big cars and houses, the problem came when someone else joined them. Pride has a way of making it's victims slaves. May God help us. Pride is a luxury we can't afford.

COGITATE ON:

PRIDE AND IT'S DANGERS.

Day Eleven: SEEING AND OBSERVING SO LITTLE.

What are your eyes seeing? What is your mind observing after seeing?

Seeing is good, but observing is an unfair advantage. Seeing in all realms. Seeing in the spiritual and seeing in the physical is not enough. There must be observations. When Daniel saw something, he did not end there, he started observing **Daniel 7:7-8 After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns. I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things.** Daniel said 'i considered' and when he considered, he started to discover a lot. This is the secret of

ages. Deep mysteries belong to those who observe. Mind you; observing is not for the prophets only. Observing has an ability of making you to be your own prophet.

As much as you are seeing, couple it with observing; for everything that you will have an encounter with has a meaning. I don't want you to be like those who see and observe so little. See, observe, interpret then act. A secret of ages. As easy as that.

PRAYER POINTS:

-AN EAGLE LIKE, MIND

-GOD'S BEST KEPT WISDOM.

Day Twelve: DIAMONDS ARE VERY SHY.

"That which you are seeking may be causing you to seek." An old saying.

Diamonds are very shy. What if that which you are seeking are diamonds? Do you think you can have it easily. No. Emphatically no. Diamonds are reserved and disinclined to familiar approach. It is their value. One small piece can cost plenty of millions of dollars.

You have abilities that are like diamonds within you; the only problem is they are shy. Dig deeper. In some mines they can even dig deep down to two kilometres; what a shy commodity!

Don't compare yourself with them. Dig deep. One lady thought she was barren; but she was destined to carry diamonds in her womb; all what she needed was to dig deep. What a work.

That someone has special keys to a door you

are trying to unlock, the only problem is this someone doesn't seem to be the one with the special keys. Maybe this person is very near you; but for you to recognise this person, it takes a deep digging and am helping you to dig. One woman once met two men; one of the men was very visible, most of the anointing that was in his life; was an anointing upon. The other one was not very visible and most of the anointing that was in his life, was an anointing within. Though he had a hidden anointing, he also had one of the two special keys and yet this woman paid lesser respect to this man, only to realize later that this man had her special keys too. Thank God; it was not too late.

One small diamond has the power to change one's life (financially speaking). As you are digging deep within yourself; be patient; for what is within you requires a heart that does not easily faint.

Day Thirteen: INDIRECT ATTACKS IN THE MEDIA AND MOVIES.

They have disturbed the truth. They want to make sure that the voice of truth is silent. I call them intellectual fools. They are very good at exposing mistakes if they are even mistakes at the first place. Many people are miraculously being healed from deadly viruses and diseases; but the mainstream media will never talk about it; if by any chance they talk about it, it will be criticism. And unfortunately the majority believe so much in these self appointed referees of this world.

Who decide what you see on the mainstream media? Who approves the authenticity of what you see? Appolyon is at work.

The majority is willingly and begging to submit itself to a lie, because someone is wearing a suit and seats behind an electric desk in a news room somewhere in France or America. We are now majoring the minor. Everyday the church is being attacked indirectly by the media while the so

called saints are fuelling that fire. They have reduced the most powerful book (HOLY BIBLE) under the sun, into nothing but a wishy-washy fairytale book; especially in their movies and they know it works. Brainwashing the mass. Promoting immorality. They are remorseless and sarcastic in doing it. They have exchanged the supernatural with spider-man. I've observed that in their movies, those who mention and trust the name of Jesus are always wrong. An error under the sun. It's happening and you wonder why your children despise prayer that much. Prayer has been reduced to wishful thinking

Protect your loved ones, their subconscious minds are being tempered with. The subconscious mind is the part of the mind that one cannot choose to think for, and they know it and they want to corrupt it. Am not against watching movies. I watch Harry Potter, I watch Super-Man and other movies, but to learn and observe and not to be manipulated. Lest Appolyon takes advantage of us; we are not ignorant of his devices. Am an Avid follower of the mainstream global news, but am also not a victim

of their heresy.

COGITATE ON:

MOVIES AND THE MAINSTREAM MEDIA.

Day Fourteen: DON'T UNDERMINE THOSE TINY HINTS.

'She complains too much'; 'you are now seeing it today?' 'he emotionally abuse people'; 'you are now seeing it today; all these years and months, you were not seeing it?' question. 'why didn't you warn me?' 'i did, but you were not listening.'

The hints are always there; nommater how much a person may try to hide them. You can tell from the word go, that there is something fishy. A bad blood in the future.

Though you might try to let thrills and desperations to blind you from seeing; hints knows no boundaries. Don't ignore them, they are very far sighted. Ask, analyze, respect hints.

SONG OF THE DAY:

WIDE AWAKE - KATY PERRY.

Day Fifteen: HINTS.

He speaks very terrible english; he doesn't even have a birth certificate let alone an ID card. But if I give him a dead gadget, he will resurrect it; you will think that he has a robotics engineering certificate. He does not have formulas when he is fixing electronic gadgets, he fix them by revelation. To some people, he is nothing but an imbecile liability, but to me; because of some hints that i did not ignore; I see a robotics engineer and a prophet, who only skept school. That man is an asset to me. I've saved a lot of money because of him.

There are plenty of people like this man, in your world. Sometimes what you want is not in Switzerland but three hundred metres away from you. The secret is in respecting hints. If you want to pay less in terms of money, respect hints. It's an unfair advantage.

READ:

PROVERBS 25:2

Day Sixteen: THE GREATEST SPIRITUAL GROWTH; IS GROWING IN LOVE.

Galatians 5:14 For all the law is fulfilled in one word, even in this; Thou shalt love thy neighbour as thyself.

If you can grow in love, you can grow in anything. Do you want a gift of the spirit that is not dry? Go for love first. If there is any area that you want to excell in; love is the universal key.

When I hear that someone has been a Christian for many years; what I will be expecting to see, is a person who is very rich in love; but unfortunately most of the time, I see people who have the scriptures of God, more than the God of the scriptures. They are so poor in love. A very big insult to God.

I used to struggle with depression until I realized that I didn't have a depression problem but a love problem. The opposite of love is not harming others but selfness. Am now carrying other

people's burdens and mine is getting less heavy
each time I increase the load. Love is powerful.
Those who love others are the greatest.

COGITATE ON:

LOVE.

Day Seventeen: HELL.

Yes you might not be the one who is ignorant about hell; but what about your father, nephew, secretary, boss or friend. A reminder again. Hell is real. **Isaiah 66:24 And they shall go forth, and look upon the carcasses of the men that have transgressed against me: for their worm shall not die, neither shall their fire be quenched; and they shall be an abhorring unto all flesh.** Think about hell, think about the lost, think about the dangers.

What about that Professor who always teach you new and interesting stuff; does she know about hell?; What about you?

Luke 16:23-24 And in hell he lift up his eyes, being in torments, and seeth Abraham afar off, and Lazarus in his bosom.

And he cried and said, Father Abraham, have mercy on me, and send Lazarus, that he may dip the tip of his finger in water, and cool my tongue; for I am tormented in this flame. This is real;

when your body separates with your soul; your soul's senses which operates like your natural senses; gets activated. You can feel real pain, including smelling things. Though one has left her physical body on earth; in Hades, one's soul operates like a physical body. Double trouble.

I love you with the love of Christ; don't let anything fool you! hell is real. Go and tell them the truth.

CONFESSION:

**I AM GOD'S MOUTH-PIECE; THOSE THAT I
KNOW, ARE SAFE BECAUSE OF ME. I
DEPOPULATE HELL. I WAS BORN FOR SUCH A
TIME LIKE THIS AND FOR THIS PURPOSE.**

**Day Eighteen: IF YOU FAIL TO PERCEIVE THE
PRESENCE OF A DEMON; YOU WILL BE IT'S
PARTNER.**

Ignorance has and is still destroying many. Many are partnering with the devil simply because of ignorance. Demons are everywhere, and if you fail to perceive their presence, you will do ninety percent of the work. Be serious with your life.

A devil in an animal and the woman failed to saw it. **Genesis 3:1-6** Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?

And the woman said unto the serpent, We may eat of the fruit of the trees of the garden:

But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die.

And the serpent said unto the woman, Ye shall not surely die:

For God doth know that in the day ye eat thereof,

then your eyes shall be opened, and ye shall be as gods, knowing good and evil.

And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat. The serpent never forced her to eat. Eve ate without being forced, but deceived. By doing that; she became the devil's biggest partner in destroying her own life. What a blunder! This kind of a blunder is no longer a blunder these days; or the meaning of the word blunder has changed these days.

If a young and beautiful lady see a demon driving a Rolls Royce; she will flee, but unfortunately, young ladies are failing to perceive the presence of demons. If a man see a demon wearing a pant or a mini-skirt, he will be the first one to run away; he will run even faster than Usain Bolt. But unfortunately men are failing to perceive the presence of demons.

Some of what you think are your thoughts; are

not your thoughts but demons speaking to your thoughts. A very small issue became very big, because you didn't know that it was not you, but demons telling you lies. The devil is after your life, but he wants to use you to destroy you, because he knows that it's very possible, and many a times you do it while smiling.

One is praying and all of a sudden a demon come to tell the person that these prayers are not working, and the person suddenly uses her own mouth to help a demon to nullify her prayers. The more we pray, the more our words become powerful and the more we can harm ourselves, if we fail to perceive the presence of demons.

PRAYER POINTS:

-A SHARP DISCERNMENT.

-POWER TO ENDURE AND OVERCOME.

Day Nineteen: AN EQUIVALENT ADVANTAGE.

God taught me not to complain and compare, because there is always an equivalent advantage in every situation; it's just that we are used to complaining. Look around again and you will smile.

Two girls prayed the same prayer. All of them wanted a certain figure of money. When the first one prayed; the answer came through an audible voice of God telling her that someone was going to give her the money on a specific day. When the other lady prayed; there was no audible voice, but after praying she decided to take a walk and in that walk she picked the exact amount of money in the street. An equivalent advantage. Different stories but the same answer.

CONFESSION:

I HAVE AN EQUIVALENT ADVANTAGE, IN EVERY SITUATION. I AM NOT FORGOTTEN, GOD KNOWS MY NAME.

Day Twenty: DIFFERENT STRATEGIES BUT ONE ENEMY.

The devil is still attempting and he will always attempt, because attempting means he was defeated. If an attempt fails in one area, he will try another area. That beast does not get tired. He can attempt through your family members, but if that fails he will attempt through your boss, husband or friends. But if all fails he will attempt through you. The enemy is still one.

It is much wiser to deal with the cause than with the conduits. Remember, this beast loves to divide. To some; the love they have is now the love they had. Best friends are now enemies. But the truth doesn't change; the real enemy is the devil who is just using different strategies to humiliate and to make your life sour. He has no mercy at all, at all.

Just imagine if the world knew that the battle is between us and the devil, not us and us; I believe the world would be a better place by now. This is

the truth that shall set nations free.

It was good when the holy spirit fell on the apostles on that day of pentecost. They were so filled with the spirit of boldness, ready to preach the good news to all creatures and little did they know that the enemy had a plan to kill and persecute the saints through a conduit called Saul who latter became a saint, and when that strategy failed he attempted to corrupt the church and to vex it's very own doctrine which is Christ the hope of glory and grace to all.

I don't want you to panic about what is happening now; it's just a new strategy, very soon you are going to render it powerless again. You can never be defeated. One enemy but different strategies. We are not ignorant of this reality.

CONFESSION:

THE DEVIL IS NOT GOING TO WIN BECAUSE HE IS ALWAYS A LOSER. HE IS ONLY ATTEMPTING THROUGH DIFFERENT STRATEGIES AND AM AWARE.

Day Twenty One: HE WAS ALWAYS IN THE WILL OF GOD.

Luke 22:41-44 And he was withdrawn from them about a stone's cast, and kneeled down, and prayed,

Saying, Father, if thou be willing, remove this cup from me: nevertheless not my will, but thine, be done.

And there appeared an angel unto him from heaven, strengthening him.

And being in an agony he prayed more earnestly: and his sweat was as it were great drops of blood falling down to the ground.

Jesus was about to be crucified. As prophetic as he was; he knew what was coming. A dark hour was very imminent. And it was in the will of the father. He submitted himself to the will of the father, though he was tempted to quit. Have you ever find yourself in a situation like this? When you know that you know that you are suppose to walk in the will of the father, no matter the matter, but because of some circumstances you are also

tempted to abandon the will of God. It is very easy to follow the will of God when everything is fine, the challenge comes when the will of God come caring pain and suffering.

"Father if it is your will, take this cup away from me; nevertheless not my will, but yours be done."

It appears as if Jesus was confused. This is what happens when you are in the mount of olives season of your life. It's not easy. But through it all Jesus remain submitted under the will of his father. When Jesus remain submitted under the will of his father though in agony an angel appeared to him from heaven, to strengthen him. First it was his effort and the heaven was challenged by his effort; an angel had to be sent. The will of God is not for the cowards. The will of God is not easy, but it is worth it.

SONG OF THE DAY:

THY WILL BE DONE - HILLARY SCOTT.

Day Twenty Two: CONVICTION.

The will of God is for the convicted and not the emotional. There is a movie that I recommend you to watch; it's called '**THE BOOK OF ELI**' it will help you to widen your mental horizons concerning the issue of conviction. Conviction makes the work half done. I don't believe in **hard work** but I believe in **heart work**. The difference between hard work and heart work is conviction.

We started the journey with many but when the atmosphere became unfavourable, they quitted; maybe they were not convicted. Some of us we have no options. Our convictions will not allow us to quit; this is beyond what **WILL-POWER** can do. A lot of people jump into things they don't fully understand, and when things change, they change too. When the tough gets tougher, the convicted gets tougher too.

SONG OF THE DAY:

SACRED OBSESSION - JESUS CULTURE.

Day Twenty Three: SIGNS OF AN ONCOMING SEASON.

When it's about to rain the sky will give you a clue. When an earthquake is about to happen, cats will give you a clue. When a woman is about to give birth, there is a special pain that will give her a clue. When something bad is about to happen, your heart will give you a clue. When someone is about to die his intuition will give us a clue.

God programmed us in such a way that it is very difficult for him to do something without us knowing that he is about to do something, even if he wants to surprise us. Clues are always there.

I don't get carried away when everything is going well; to me, it's a clue that change is very imminent and I don't become very pessimistic during a storm; to me the storm represents the coming of sun.

Look around and observe what is happening around you. Don't ignore what is happening.

Even that thing, that you despise, can be the very thing that will give you a clue for you to prepare for the next season. You are surrounded by many signs of an oncoming season.

CONFESSION:

**I AM SURROUNDED BY MANY SIGNS OF AN
ONCOMING SEASON AND AM AWARE.**

Day Twenty Four: EVERY SEASON HAS A LANGUAGE.

The language of a season. I no longer speak the language that I used to speak two years ago; and the sluggish and the mentally myopic are failing to understand me. Am I self contradictory? Emphatically no. I am not self contradictory; I am a person who sees all the sides of the cube. I am a person who goes through different seasons of life. I am a person who is good at adapting. My language suits my environment and my language suits the season.

It is mother of all insanity trying to teach a grade one student, grade seven stuff, no matter how docile the child can be. A grade one has her own language and a grade seven has her own language.

There are some special places that God is about to take you and your biggest blunder or biggest advantage will only be your language. The way you speak with your mother or brother at home

will not work at that place. You will be speaking a very different language. How prepared are you? May God help you so that you can speak accordingly.

CONFESSION:

I AM NOT SELF CONTRADICTIONARY, I SEE ALL THE SIDES OF THE CUBE.

Day Twenty Five: ORDINARY PEOPLE BECOMING ASTONISHING.

1 Samuel 16:6-13 And it came to pass, when they were come, that he looked on Eliab, and said, Surely the LORD'S anointed is before him.

But the LORD said unto Samuel, Look not on his countenance, or on the height of his stature; because I have refused him: for the LORD seeth not as man seeth; for man looketh on the outward appearance, but the LORD looketh on the heart.

Then Jesse called Abinadab, and made him pass before Samuel. And he said, Neither hath the LORD chosen this.

Then Jesse made Shammah to pass by. And he said, Neither hath the LORD chosen this.

Again, Jesse made seven of his sons to pass before Samuel. And Samuel said unto Jesse, The LORD hath not chosen these.

And Samuel said unto Jesse, Are here all thy children? And he said, There remaineth yet the youngest, and, behold, he keepeth the sheep. And Samuel said unto Jesse, Send and fetch him:

for we will not sit down till he come hither.

And he sent, and brought him in. Now he was ruddy, and withal of a beautiful countenance, and goodly to look to. And the LORD said, Arise, anoint him: for this is he.

Then Samuel took the horn of oil, and anointed him in the midst of his brethren: and the Spirit of the LORD came upon David from that day forward. So Samuel rose up, and went to Ramah.

Hallelujah! He is also the God of the FORGOTTEN ones. He was the forgotten and yet the beloved. His name '**DAVID**' means '**BELOVED**'. People may forget you, people may fail to see your presence but God Loves you. A God of ordinary people like me, becoming Astonishing. Being nothing to them mean nothing to God. Being uneducated mean nothing to God, infact it means he will educate you. Can you imagine being educated by God. What an unfair advantage. Who doesn't want to be educated by God? Not even the devil. It is the nature of God to astonish people using ordinary people.

Jeremiah 1:4-10 Then the word of the LORD came unto me, saying,

Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.

Then said I, Ah, Lord GOD! behold, I cannot speak: for I am a child.

But the LORD said unto me, Say not, I am a child: for thou shalt go to all that I shall send thee, and whatsoever I command thee thou shalt speak.

Be not afraid of their faces: for I am with thee to deliver thee, saith the LORD.

Then the LORD put forth his hand, and touched my mouth. And the LORD said unto me, Behold, I have put my words in thy mouth.

See, I have this day set thee over the nations and over the kingdoms, to root out, and to pull down, and to destroy, and to throw down, to build, and to plant.

PRAY:

**THANK YOU FATHER IN ADVANCE, FOR
MAKING ME ASTONISHING.**

Day Twenty Six: EXHAUSTED YET PURSUING.

Judges 8:4 And Gideon came to Jordan, and passed over, he, and the three hundred men that were with him, faint, yet pursuing them.

Are you exhausted? There is nothing new under the sun. Gideon went through that very difficult time too. Gideon and his team were very exhausted and very hungry and to make it worse, they were very few, as compared with the battle they were about to fight, mathematically speaking, this was a mission impossible. Let's continue with what then took place **Judges 8:10 Now Zebah and Zalmunna were in Karkor, and their hosts with them, about fifteen thousand men, all that were left of all the hosts of the children of the east: for there fell an hundred and twenty thousand men that drew sword.** Logically speaking; this was a mission impossible. I think God's favourite stories are mission impossible kind of stories. To add petrol to their fire; those who were suppose to help them with food had stoney hearts. How can a man who is hungry fight without eating before the battle? Let's leave it to

the one who Loves mission impossible stories.
Judges 8:5-6 And he said unto the men of Succoth, Give, I pray you, loaves of bread unto the people that follow me; for they be faint, and I am pursuing after Zebah and Zalmunna, kings of Midian.

And the princes of Succoth said, Are the hands of Zebah and Zalmunna now in thine hand, that we should give bread unto thine army? Double trouble and an emotional world war three **'Are the hands of Zebah and Zalmunna now in thine hand, that we should give bread unto thine army?'** His expectations were crushed and he had to find an alternative as soon as possible, **Judges 8:8 And he went up thence to Penuel, and spake unto them likewise: and the men of Penuel answered him as the men of Succoth had answered him.** Any vestige of hope was vanished by these evil man's responses, but they kept on pursuing. Even with a handful group of hungry soldiers, Gideon kept on pursuing. Where was this man getting his inspiration? This sounds very suicidal.

As sons and daughters of God, this is our inspiration. Even when our talents and gifts, fail

us, and even when people fail us; God must not be our last hope, but our only hope. Man's help should be secondary. **Judges 8:10-12** Now Zebah and Zalmunna were in Karkor, and their hosts with them, about fifteen thousand men, all that were left of all the hosts of the children of the east: for there fell an hundred and twenty thousand men that drew sword.

And Gideon went up by the way of them that dwelt in tents on the east of Nobah and Jogbehah, and smote the host: for the host was secure.

And when Zebah and Zalmunna fled, he pursued after them, and took the two kings of Midian, Zebah and Zalmunna, and discomfited all the host. Exhausted yet pursuing.

I DECLARE...

**YOU WILL GET YOUR ZEBAH AND ZALMUNNA.
YOU ARE GOING TO WIN THAT BATTLE. FROM
TODAY GOING FORWARD GOD IS NOW YOUR
STRENGTH.**

Day Twenty Seven: WHAT GOD SAID, IS WHAT GOD SAID.

If he said you are blessed, it means you are blessed. If he said you are healed, it means you are healed. Delay is not denial and sometimes God delays not because of any reason but to prove to you that you can live and survive without that very thing that you crave for; but it doesn't mean that he will not give you; he will. Allow me to announce this message to you my dear reader; your victory is now imminent. What God said is what God said.

CONFESSION:

WHAT GOD SAID IS WHAT GOD SAID AND I WILL STICK TO THAT. THIS TIME I WILL NOT BE SHAKEN BECAUSE I AM A RESULT OF BEING SHAKEN. MY GOD IS NOT A MAN THAT HE SHOULD LIE, NEITHER IS HE A SON OF MAN THAT HE CHANGES HIS MIND.

Day Twenty Eight: HEAVEN ON EARTH.

Ounce upon a time. Thousands of years ago, here on earth, not in Heaven, there was a couple that was greatly loved by Jehovah Elohim in a garden called Eden. In that garden, Elohim provided everything to this couple. They had everything and they enjoyed the legitimate pleasures that they were provided by Elohim. They enjoyed uncontaminated fresh air, not the air that we breathe today. They were given dominion over every animal in the garden and there was no enmity between them and animals. Their food were grains and fruits, water and honey. What a healthy diet. And their taste buds enjoyed these foods. There was no killing in the garden and there was no death and sickness in the garden, for their physician was the tree of life. Every now and then, they visited the tree of life, to eat from it, for it was full of life and healthy, you cannot compare it to any drug or vaccine that has ever been invented nomatter how powerful the drug or vaccine may be. To them life was glorious and beautiful. They could commune with Elohim in the garden, without any restrictions and everything

was blissful; no rent stress or debt stress. No money no problems and yet they had every resource; talk of food, precious stones and the environment itself was very rich. The irrigation system was already there in that garden, to assist this couple in maintaining this garden **Genesis 2:10 And a river went out of Eden to water the garden; and from thence it was parted, and became into four heads.** Work was not work, like what we see today, work was a way of exercising and pleasure and not slavery.

This couple had no secrets to hide from each other. There was total honest between a man and his wife, for keeping secrets was regarded as a sign of being paranoid and there was no fear and nothing to be paranoid about. The energy and vibrations in that environment were anti-fear and anti-strife; what an environment! **Genesis 2:25 And they were both naked, the man and his wife, and were not ashamed.**

In all that was happening in that beautiful garden; God only wanted them to prove their love to him and to exercise free-will, he didn't wanted them to

live like robots so he gave them freedom and choice. There was one tree that he forbade them to eat from, in order to prove their love and loyalty to him, and if they had passed that stage, God was going to promote them to another dimension of glory. He tested their loyalty in order to introduce them to greater dimensions. Loyalty is very important. **Genesis 2:16-17 And the LORD God commanded the man, saying, Of every tree of the garden thou mayest freely eat: But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die.**

Heaven on earth was their life and there was another being who had disobeyed and rebelled against God, and this being was against anything that had to do with God; filled with jealousy because man and woman were greatly loved; this being decided to influence and deceive this couple to be separated from their maker. He knew it was going to open a door to a lot of things. Either God was going to forgive this couple which was going to open a door for this beast to be pardoned too or this couple would be

separated from God and losing that best life they were enjoying. It was a great plan between this beast and its associates. It was not a one day plan as some may imagine. The beast and its associates started by observing the daily routine of this couple in order to find the right moment to deceive this couple. After discovering that one was weaker than the other; the beast and his associates; decided to find an animal to work with. Then Mr serpent was available. The devil entered the serpent and he positioned the serpent in a place where he knew the weak loved to dwell alone; studying this person who was the wife.

The wife was the best target **Genesis 3:2-5 And the woman said unto the serpent, We may eat of the fruit of the trees of the garden:**

But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die.

And the serpent said unto the woman, Ye shall not surely die:

For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be

as gods, knowing good and evil. And they had a conversation. Eve and the serpent talked, and the reason why Eve was not shocked when the serpent started talking to her, it was because in the garden of Eden animals used to speak. The conversation was interesting. I think it happens to us all some days; when the devil's words make sense. When they yield to that temptation, that is when when they lost it all. The life of heaven on earth which they were enjoying was about to end. God visited them; knowing what had happened, He asked the man as if he wasn't aware of what had happened; only the wise ask such intelligent questions. The tree of knowledge of good and evil was a curse to them. What a blunder! The devil's gift was a curse. Even today, the devil's gifts are curses. They had to be casted out of the garden of Eden so that they could not have access to the tree of life and death was now inevitable. Knowing little about the tree of knowledge of good and evil; they assumed much **Genesis 3:19**
In the sweat of thy face shalt thou eat bread, till thou return unto the ground; for out of it wast thou taken: for dust thou art, and unto dust shalt thou return. This is what happens when one is cursed. A curse is a cancer **Genesis 3:17-18** **And**

unto Adam he said, Because thou hast hearkened unto the voice of thy wife, and hast eaten of the tree, of which I commanded thee, saying, Thou shalt not eat of it: cursed is the ground for thy sake; in sorrow shalt thou eat of it all the days of thy life;

Thorns also and thistles shall it bring forth to thee; and thou shalt eat the herb of the field; this is the morden economic system, inspired and empowered by the curse. People are dying, there are wars, pestilences, a kingdom is rising against another kingdom. This world is up side down. There is selfishness under the sun, there is fear everywhere. Who can redeem us from these evils? **JESUS** the prince of peace. This is the reason why he died for us; a life of heaven on earth as it was in the beginning. **JESUS** is the access to heaven on earth realm **Romans 5:17 For if by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ.)** As it was in the beginning; Jesus at the cross; redeemed us from the curse. Heaven on earth is our lifestyle. Amen.

SONG OF THE DAY:

HEAVEN ON EARTH - MICAH STAMPLEY

Day Twenty Nine: LOVE THYSELF.

Maybe you think that your body is not the perfect body; you compare yourself with movie stars, who go through thorough make-ups before taking pictures.

You are so tired, you think you are not good enough. You don't love yourself or maybe you were made to believe that you are useless, but let me tell you the truth my dear reader, the voice of truth is saying you are the best there is. Look at yourself on the mirror, what about your taste, not forgetting that strong heart that you have; they admire you inwardly, it's just that their envie and jealousy will not allow them to acknowledge some good things about you, you make them boil with envie.

Before you love others, you start with loving yourself, because you cannot give what you don't have. Going back to the same people who humiliate and torture your soul is a sign of a person who hates himself. If a church is

tempering with your peace, leave that church, if a friend is sucking your energy, leave that friendship. Love thyself so much that when you are not treated fine, you will know it.

PRAY:

**HOLY SPIRIT MY COMFORTER AND TEACHER;
HELP ME TO LOVE MYSELF.**

Day Thirty: RESPECT THYSELF.

Sometimes what you call respect is not respect at all, but self humiliation. How can you say you respect him, when you don't know the true definition of respect. Before you respect anyone, start with respecting yourself. Respect starts with knowing who you are and not what they say you are. It's not even pride but an expanded self awareness.

I cannot say to a man who moves around gossiping about me 'thank you very much' I have to confront him if I can and tell him that what he is doing is not good; it ruins not only my colourful reputation but his reputation too, when they see the real me.

COGITATE ON:

SELF RESPECT.

Day Thirty One: A BEAST DOES NOT EAT A REAL BEAST.

Mark 1:13 And he was there in the wilderness forty days, tempted of Satan; and was with the wild beasts; and the angels ministered unto him.

Jesus in the wilderness; he was in a very dangerous zone. For example: it's like spending a month in the amazon jungle without a car or anywhere to hide. Jesus was surrounded by dangerous beasts. We all know how dangerous wild beasts are; they don't negotiate or pity. Even those who run fast cannot outrun these wild beasts; and Jesus was with these wild beasts for forty days. This tells us that beasts don't eat real beasts. Jesus is the lion of the tribe of Judah: a beast. And we are like Jesus in this world **1 John 4:17 Herein is our love made perfect, that we may have boldness in the day of judgment: because as he is, so are we in this world.** You know the beasts that surrounds you; be it at work, home or anywhere; they must not scare you, for greater is he that is in you than he that is in the world. A beast does not eat a real beast.

PROPHECY:

**TODAY GOD IS RELEASING AN UNCTION THAT
WILL SHOCK YOUR DANGEROUS ENEMIES. I
SEE YOUR ENEMIES TELLING YOUR OTHER
ENEMIES NOT TO PLAY FUNNY GAMES WITH
YOU.**

Day Thirty Two: BEING RICH IS NOT A SIN.

My friend, there is a dangerous zone and when I say dangerous, I mean it is something that is beyond economics of this world; it is way beyond the most corrupt systems of this world and yet it is very clean. This dangerous zone, is a zone of riches; an end-time release. When you start to experience this dimension, Law makers, economists and the police will question and yet they will not see dark areas. This is where we differ with bling-bling satanists. Ours is the most accurate one, theirs is the most corrupt. This dimension appears like sin, but it is not a sinful dimension. It has God's signature on it, it's just that it has been painted very black by bling-bling satanists and those who read the bible without the help of the holy spirit. Be rest assured that being rich is not a sin.

Day Thirty Three: CLEAR.

1 Corinthians 2:9 But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him.

It is clear. This is what belongs to a son and a daughter of God. Yours has never been seen, yours has never been heard about. Yours is beyond normal. There is something great prepared for you by God. Raise your expectations. Do not lose heart.

2 KINGS 2

Day Thirty Four: DIG A LITTLE DEEPER.

Proverbs 25:2 It is the glory of God to conceal a thing: but the honour of kings is to search out a matter.

Why are you complaining when everything is yours? Don't compare yourself with those who have plenty because you have everything. You have Jesus and Jesus is everything. You are better than them.

Luke 15:27-31 And he said unto him, Thy brother is come; and thy father hath killed the fatted calf, because he hath received him safe and sound.

And he was angry, and would not go in: therefore came his father out, and intreated him.

And he answering said to his father, Lo, these many years do I serve thee, neither transgressed I at any time thy commandment: and yet thou never gavest me a kid, that I might make merry with my friends:

But as soon as this thy son was come, which hath devoured thy living with harlots, thou hast

killed for him the fattened calf.

And he said unto him, Son, thou art ever with me, and all that I have is thine. The prodigal brother once had plenty but his brother had everything. It was not much more about the tangible but the character that the elder brother was developing through what he went through. He developed self control, he was not a lazy person. The reason why I respect the billionaire and business tycoon Aliko Dangote is he does not come from a poor background, infact his grandfather was a rich man. Dangote managed to advance the family status and name, a very difficult thing to the pleasure lovers children of rich people. I believe Dangote was not a spoiled brat.

Today I am challenging you to dig deeper; your glory is in searching thoroughly. No need to complain. You are surrounded by everything. Work up and see; everything belongs to you. Am not consoling you inorder to calm your nerves; am telling you the truth. Chinese people; when they go to Africa, they see what Africans are not seeing. They build where Africans never thought a structure can be built.

Embrace your eccentric personality and dig deeper. Blessed is the one who is reading this. Amen.

CONFESSION:

**I CAN SEE THE UNSEEN. WHEN OTHERS ARE
GOING TO THE WORST I GO TO THE BEST.**

Day Thirty Five: THEY HAVE PLENTY... YOU HAVE EVERYTHING.

You have everything and everything mean everything. What you received that day, when you opened the door of your heart to king Jesus is priceless and it cannot be compared with anything. Jesus is everything.

SONG OF THE DAY:

NO ONE LIKE YOU - FRANK EDWARDS

Day Thirty Six: YOU ARE SURROUNDED BY GREAT WEALTH.

People, your money, your servants, your everything surrounds you. There are people that God anointed for you, they will listen to you, they will support you and follow you nomatter what. These people are your money, your joy and they will make your life enjoyable. They will enjoy you and you will enjoy them, it's like you belong to each other. Your servants are waiting for you. They are waiting to be told what to do by you, because it's you, who is going to take them to their Canaan.

It's high time you should take responsibility. The little that you think you have, is not little; it's just that you have little revelation about it.

We were made to believe that money is the full description of wealth which is a very big lie. But wisdom is wealth that can be converted to anything. Wisdom sees the unseen. Then you will realize that you are surrounded by great wealth.

READ:

PROVERBS 25:2

**Day Thirty Seven: EVERY WORD YOU SPEAK
WILL PRODUCE AN EQUIVALENT FRUIT IN THE
FUTURE. TRAIN YOUR TOUNGE.**

Words spoken, are seeds, with them, you can grow thorns or apples **Proverbs 18:21 Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof.** Sometimes it is wise to be mute for the sake of the future.

People are not fools; they know when they are not treated well; what more if you use words against them? Bad words you say to others will be a field of thorns one day and good words you speak to others will be an orchard in the future, maybe in a very near future or far future, only God knows. What you say will haunt you or bless you tomorrow. Mind your tounge with wisdom.

COGITATE ON:

YOUR WORDS TOWARDS OTHERS.

Day Thirty Eight: SHOW ME A MAN WHO DOES NOT FORGIVE AND YOU HAVE SHOWN ME A DEAD MAN.

Forgiveness does not only work for the person you are forgiving; it much work for you. The moment you release that burden, you release your body, spirit and soul from a dangerous dungeon

Proverbs 17:22 A merry heart doeth good like a medicine: but a broken spirit drieth the bones.

Some of the diseases that we struggle with are a result of unforgiveness.

Today you can choose to be a dead man walking by keeping their offenses and sins in your heart and suffer with bitterness or today you can choose to cast their sins in the sea of forgetfulness and partake divine nature. It's a matter of choice.

COGITATE ON:

FORGIVENESS AND BITTERNESS.

Day Thirty Nine: GENUINE LEADERSHIP IS MORE ABOUT FORGIVENESS AND ENDURANCE.

You will never share the same bedroom with a lion simply because, you own it.

We leaders, we see what the majority do not see, we hear what the majority do not hear, we know what the majority do not know; that is enough for us to pardon our offenders **Luke 23:33-34 And when they were come to the place, which is called Calvary, there they crucified him, and the malefactors, one on the right hand, and the other on the left.**

Then said Jesus, Father, forgive them; for they know not what they do. And they parted his raiment, and cast lots. Sometimes we are labelled as sadists and yet we are sacrificing a lot for them. Sometimes we are labelled as weak and yet our efforts are stronger than their judgements. Sometimes we are labelled as the money hungry and yet we are creating jobs for thousands. Sometimes we are called power hungry and yet we come with great strategies of change.

We are mocked, harassed, persecuted, browbeaten and betrayed. And sometimes the pain that we go through is unbearable, but dear dear, we should forgive and endure, for that is what true leadership is more about.

PRAYER POINTS:

-GRACE TO ENDURE

-GRACE TO FORGIVE

Day Fourty: WHY WORRY ABOUT WHAT PEOPLE THINK YOU ARE NOT, WHEN GOD KNOWS WHAT YOU ARE.

People talk, people misunderstand, people under-rate, people hate but that should not stop you. I don't want you to lose sleep because of some imbeciles who are struggling with mental myopia. What God says you are, must be the only thing that should move you.

PROPHECY:
