VISION
A Leading Industry-Driven State University

MISSION
To provide quality and inclusive education; establish industry and business innovation infrastructures; develop environmental initiatives; promote peace, justice and transformative leadership; and build strong and dynamic partnership with stakeholders.

GOALS
1. Foster application of the discipline and provide its learner with industry-based training and education particularly in engineering, technology and fisheries.
2. Conduct and utilize studies for the development of new products, systems and services relevant to Philippine life and of the global village.
3. Promote transfer of technology and spread useful technical skills, thus empowering its learners and their

BACHELOR OF SCIENCE IN FISHERIES
Midterm Exam in GE HIST – Readings in Philippine History
1st Sem., AY 2022-2023

Instructions:
1. You are required to use a pencil (Mongol No. 2) for shading and a black or blue pen for writing.
2. Encircle the letter of the correct answer. Be sure to make your marks clear and dark and stay within the box.
3. Do not make any marks in test questionnaire. Use the answer sheet provided. If you need to write anything down, please use a scratch paper.
4. You have one hour to complete the exam.
5. Reminder that in our school policy, cheating is considered a serious offense and sanction for the first offense is suspension for 3 days while the second offense would mean expulsion from the College.
