TEN BAD HABITS THAT EVERY YOUTH MUST AVOID

Proverbs 22 vs 6 Train up a child in the way he should go: and when he is old, he will not depart from it.

Habits can become the best of servants or the worst of masters – Nathaniel Emmons.

Who you become in life depends on the habits that you develop on a daily basis. If you want to predict your future as a youth just evaluate your habits. Whether you succeed or fail in life sorely depends on the habits that you develop today. Successful people have good habits, failures have bad habits. No one was created to fail in life but the habits that you develop today will either make you a success or a failure in the future! Identify bad habits and destroy them today before they destroy your life.

- ***Every bad habit that you don't destroy will destroy you in the future!***
- ***Every bad habit that you don't stop will stop you from succeeding!***
- ***Every bad habit that you don't cut away from your life will cut your life short!***

Destroy bad habits and develop good habits today as a youth and position yourself for a successful life! Here are the habits that you should destroy as a youth:

1: Prayerlessness. You can never rise to be a strong youth without prayer. Don't be a prayerless youth. Wake up to start your day with prayer accompanied with study of the word. *Mark.1.35 - And in the morning, long before daylight, He got up and went out to a deserted place, and there He prayed.*

- *A prayerless youth will be a defeated youth in life.*
- *If you are not serious with prayer you will never do something serious in life.*

2: Dishonoring the presence of God. If you talk and chat online during church service it's a sign that you do not honor the presence of God. A youth who doesn't respect and honor the presence of God is destined for fail in life. *Ps.114.7 - Tremble, O earth, at the presence of the Lord, at the presence of the God of Jacob,*

- *Dishonoring the presence of God is the reason why many youths fail in life.*
- *Dishonor schedules disasters in life!*

3: Criticising servants of God. One of the habits that many youths have developed which is very deadly is the habit of discussing and criticising servants of God. Never be found speaking evil about an Apostle, Pastor, Prophet or Evangelist. Do not be found judging people! Focus on your relationship with God not just

discussing people! The Bible commands us to honor servants of God! *1Tim.5.17 - Let the elders that rule well be counted worthy of double honour, especially they who labour in the word and doctrine.*

- *The anointing you dishonor will never be released in your life!*
- *You will never be used by God if you dishonor those who are already being used by God!*

4: Fornication. Never sleep with anyone before marriage no matter the benefits that they have to offer you. Fornication is a sin against God and it will create memories that you will never forget the rest of your life. *1Cor.6.18 - Flee fornication. Every sin that a man doeth is without the body; but he that committeth fornication sinneth against his own body.* Fornication includes kissing, touching of private parts and sleeping with

someone before marriage. Never do that before marriage you will open doors for demons to enter and destroy your life.

REMEMBER:

- ***Kissing before marriage is fornication***
- ***Touching private parts before marriage is fornication.***
- ***Sleeping together before marriage is fornication.***

5: Being Idle. Being a youth is not a passport to just wait to be given money by parents. If you don't destroy this habit of being idle you will end up being a prostitute or a thief! *2 Thess.3.10 – 11 For while we were yet with you, we gave you this rule and charge: If anyone will not work, neither let him eat. Indeed, we hear that some among you are disorderly [that they are passing their lives*

in idleness, neglectful of duty], being busy with other people 's affairs instead of their own and doing no work.

- *A lazy youth will never succeed in life!*
- *Idleness is to the human mind like rust to iron. – Ezra Cornell*

6: Cheating. Cheating is a bad habit that will not just affect you today but even tomorrow when you get married. If you start cheating during your youth days you will cheat in marriage. *1 Tim.3.12 - Let deacons be the husbands of but one wife, and let them manage [their] children and their own households well.*

- ***Cheating is never a mistake it is a decision that emanates from lack of genuine love for another!***
- *Cheating doesn't just damage trust; it dismantles the foundation of love - Donna Lynn Hope*

7: Lying. Lying is a sin that God hates. Many youths are professional liars who are not even ashamed. Liars cannot be trusted and will always lose many opportunities in life. *Prov.12.22 - Lying lips are extremely disgusting and hateful to the Lord, but they who deal faithfully are His delight.*

- *There is no small lie, a lie is a lie!*
- *Tell the truth no matter how much it will cost you.*

8: Arriving late for appointments. Arriving late for appointments is a very bad habit! Train yourself to be early for every appointment no matter who you are meeting up with! *Eph.5.15 – 16 See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil.*

- *Develop the reputation of always being on time every time.*

9: Social media abuse. Don't spend your life on social media! Destroy that habit of just wasting your time on social media yet doing nothing productive. Give yourself to things that will develop you and help you rise unto Greatness. *1Tim 5 vs 13 - Moreover, as they go about from house to house, they learn to be idlers, and not only idlers, but gossips and busybodies, saying what they should not say and talking of things they should not mention.*

- *How you spend your time will determine who you become in life.*
- *Don't just waste your time and money while making other people rich on social media!*

10: Oversleeping. *Prov 6 vs 4 - Give not sleep to thine eyes, nor slumber to thine eyelids. Prov 24 vs 33 – 34 Yet a little sleep, a little slumber, a little folding of the hands to*

sleep: So shall thy poverty come as one that travelleth; and thy want as an armed man. Many youths are failures because they sleep too much instead of working to build their life. Oversleeping is a bad habit!

If you sleep eight hours per day in a year you will have spent four months sleeping! In twenty years, you will have spent six and half years of your life sleeping that means you will have lived for just fourteen years of your life!

Don't waste your life sleeping break that habit of oversleeping!
