 - UAT Admission Ticket
 - Acceptable ID, Fayda ID
 - An acceptable calculator
 - Pen or pencil
- ☐ **Don't bring** these things:
 - Electronic devices, such as, mobile phones, tablets, smart watches, smart eyeglasses, laptops, and any other electronic devices that can store or access information.
 - Devices or tools that provide internet access, such as Wi-Fi routers or portable hotspots, are generally not allowed.
 - Any device capable of communication, including but not limited to, headphones, earphones, Bluetooth devices, or any other device that can transmit or receive information.
 - Books, notes, or study materials.
 - Unauthorized calculators.
 - Unauthorized aids , such as rulers, protractors, compasses, or formula sheets
- ☐ Arrive in time:
 - Plan to arrive at your respective testing site/hall by **8:00 a.m. for Session I, 11:00 a.m. for Session II, or 2:00 p.m. for Session III**, based on your assigned schedule.
 - Carefully follow the instructions given by the test administrators.

2 Log into the Test Portal and begin the test

After being admitted to the exam room, follow these steps:

- Open the portal at tms.aau.edu.et to sign in (Technology Monitors will make it ready for logging in)

- Log into the portal using your user name (registration number) and your one time password.
- After logging in, check your personal details and the exam that is scheduled is displayed correctly.
- Click on “Background Information” and complete it.
- When you finish, click on “Submit”.
- Read the ‘General Instructions’.
- Click on the “Start Exam” button.
- Carefully follow the instructions given by the test administrators.

Good Luck!
