Blondes ... men and women... It's not just people with blond hair, people with a particular state of mind, who refuse any strain in life and as a result became stars of humor and anecdotes □ We also couldn't miss jokes about these remarkable heroes and heroines of simplicity!

So read and enjoy watching these wonderful jokes and take a good mood for many days and weeks!

A blonde, a brunette, and a redhead all die. In order to get into heaven, though, they must go up 500 steps, each containing a joke. The trick is that they must not laugh.

The brunette goes first and laughs at the first step and is sent to hell. The redhead goes next and makes it to the seventh step before she laughs.

Finally, it's the blondes turn. She gets all the way to the 49th step before she laughs. God asks her, "You were so close, why did you laugh?" and she responds, "It dawned on me the first

joke”

A blonde walked into a shoe shop and saw a pair of shoes made from alligator skin that she liked.

“How much for these shoes?” – she asked the store manager.

“\$300” – he replied.

“That’s too expensive! Can’t you bring the price down?” – the blonde.

The store manager said he couldn't, and got irritated when the blonde persisted.

Finally, after arguing with her for awhile he said, "There's a pond with alligators behind the store! Why don't you kill an alligator and get your alligator shoes free?!" – he yelled.

“Fine. I will.” – the blonde replied.

After two hours, the manager got a bit worried that the blonde might have come to harm with the alligators. He decided to go out and check on her.

When he arrived at the pond, he saw the blonde lugging a dead alligator and flinging it on the ground next to 7 other dead ones.

Before he could ask what she was doing, she wailed “Oh my gosh! This one doesn’t have any shoes either!”

There was a blonde who found herself sitting next to a lawyer on an airplane. The lawyer just kept bugging the blonde wanting her to play a game of

intelligence. Finally, the lawyer offered her 10 to 1 odds, and said every time the blonde could not answer one of his questions, she owed him \$5, but every time he could not answer hers, he'd give her \$50. The lawyer figured he could not lose, and the blonde reluctantly accepted.

The lawyer first asked, "What is the distance between the Earth and the nearest star?"

Without saying a word the blonde handed him \$5. then the blonde asked, "What goes up a hill with 3 legs and comes back down the hill with 4 legs?"

Well, the lawyer looked puzzled. He took several hours, looking up everything he could on his laptop and even placing numerous air-to-ground phone calls trying to find the answer. Finally, angry and frustrated, he gave up and paid the blonde \$50

The blonde put the \$50 into her purse without comment, but the lawyer insisted, “What is the answer to your question?”

Without saying a word, the blonde handed him \$5.

A highway patrolman pulled alongside a speeding car on the freeway.

Glancing at the car, the patrolman was astounded when to saw that the blonde behind the wheel was knitting!

Realizing that she was oblivious to his flashing lights and siren, the trooper cranked down his window, turned on his bullhorn and yelled, “PULL OVER!”

“NO!” the blonde yelled back, “IT’S A SCARF!”

Q: Did you hear about the blonde who stood in front of a mirror with her eyes closed?

A: She wanted to see what she looked like asleep.

A blonde and a redhead met for dinner after work and were watching the 6 o'clock news. A man was shown threatening to jump from the Brooklyn Bridge. The blonde bet the

redhead \$50 that he wouldn't jump and the redhead replied, "I'll take that bet!"

Anyway, sure enough, he jumped, so the blonde gave the redhead the \$50 she owned. The redhead said, "I can't take this, you're my friend." The blonde said, "No. A bet's a bet."

So the redhead said, "Listen, I have to admit, I saw this one on the 5 o'clock news, so I can't take your money."

The blonde replied, "Well, so did I, but I never thought he'd jump again!"

Three blondes are sitting by the side of a river holding fishing poles with the lines in the water. A Game Warden comes up behind them, taps them on the shoulder and says, “Excuse me, ladies, I’d like to see your fishing licenses.”

“We don’t have any,” replied the first blonde.

“Well, if you’re going to fish, you need fishing licenses,” said the Game Warden.

“But officer,” replied the second blonde, “we aren’t fishing. We all have magnets at the end of our lines and we’re collecting debris off the bottom of the river.”

The Game Warden lifted up all the lines and, sure enough, there were horseshoe magnets tied on the end of each line.

“Well, I know of no law against it,” said the Game Warden. “Take all the debris you want.” And with that, he left.

As soon as the Game Warden was out of sight, the three blondes started laughing hysterically. “What a dumb Fish Cop,” the second blonde said to the other two.

“Doesn’t he know that there are steelhead trout in this river?”

A blond was going to get her hair layered at the salon with headphones on. The lady at the salon said to take the headphones off.

The blond said, " No way, I would die if I did".

The lady said “Whatever” and did her work.

Then the lady took the headphones off thinking it wouldn't matter if she did. The blond dropped dead. The salon lady heard the headphones saying "breath in, now breath out" repeatedly.

One day a blonde felt like being a rebel, so she decided that she would drink and drive.

She found a cop car in the parking lot of a donut shop, so she started to drive around, circling the cop car.

After about 10 minutes of driving round and round she got fed up, so she parked the car, got out and walked over to the cop car, looked at the cop and said, “Aren’t you going to arrest me?”

The cop asked, “why?”

She replied, “Cause I was drinking and driving!”

The cop looked at her in bewilderment and answered, “We can’t arrest you if you’re driving while drinking... water!”

A blonde guy gets home early from work and hears strange noises coming from the bedroom. He rushes upstairs to find his wife naked on the bed, sweating and panting. “What’s up?” he says. “I’m having a heart attack,” cries the woman.

He grabs the phone, but just as he’s dialing, his 5-year-old son comes up and says, “Daddy! Daddy! Uncle Ted’s hiding in your closet and he’s got no clothes on!”

The guy slams the phone down and storms upstairs into the bedroom, past

his screaming wife, and rips open the wardrobe door.

Sure enough, there is his brother, totally naked, cowering on the closet floor.

“You rotten bastard”, says the husband, “my wife’s having a heart attack and you’re running around naked scaring the kids!!!”
