The Mystery of Destiny Helpers

1 Timothy 4 vs. *15 Meditate upon these things, give thyself wholly to them, that the profiting may appear to all.*

Luke 1 vs 1 ... *Forasmuch as many have taken in hand to set forth in order a declaration of those things which are most surely believed among us*

Vs. 2 *Even as they delivered then until us, which from the beginning were eye-witnesses and ministers of the word*

Vs. 3 *It seemed good to me also, having had perfect understanding of all things from the very first, to write unto thee in order, most excellent Theophilus*

Vs.4 *That thou might know the certainly of those things, where in thou hast been instructed*

There is a dimension in the spiritual realm that makes it a possibility that a man can sustain perfect understanding, I mean accurate understanding of all things.

I do not want you to believe these things just because you respect me or whoever is your spiritual father or teacher, but to understand the basis from whence these truths came from, so that your conviction will not only be on the confidence of the teacher, but the validity of the truth.

Paul said "*for I know who I believe, and I am persuaded*" 2 Tim 1:2

It's important to build convictions that we not only believe because we

trust the speaker, but we must come to a point where we understand the systems of the kingdom and we can place our faith in God and the integrity of his word.

Jesus spent three and a half years mentoring a group of people; first the twelve, then occasionally the seventy who come and several other people. He held different conferences upon the earth, In one of those sessions, he began his mentorship sessions with beatitudes, teaching them on the ways of the kingdom.

He was teaching them the kingdom and a concept of living, that was very different from that which they had known being under the Roman government

Matthew 13 vs. 11 ... *He answered and said unto them, because it is given unto you to know the mysteries of the kingdom of heaven, but to them it is not given.*

Likewise, as a born-again Christian, It has been given unto you, to come into a place of comprehension, where you understand a body of spiritual knowledge called "The mysteries of the kingdom of heaven".

The kingdom of God represents every cell, where the influence of God can reach; and that includes

everywhere; heavens, earth and hell ...*where can I hide from your presence*, Ps 139:7

So, his presence stretches from every realm to every domain of existence. Anywhere the government of God can extend to, is called the kingdom of God.

But the **kingdom of heaven** is that portion of the kingdom of God, where in experience and reality; the life and culture of heaven have been allowed to find expression. Wherever the culture or government of his kingdom is allowed to find expression in experience, that is the manifestation of the kingdom of heaven.

There are mysteries that make heaven the way it is. That the dexterity and the order and the excellence in heaven are not just because God is there; there is a body of spiritual knowledge that makes the result that we find in heaven.

Now unto you inhabitants of the earth it has been given, that you can also come into a comprehension of the truth that governs the happenings of heavens so that you can reproduce the same in your territory. This is what is meant by ...*thy kingdom come, thy will be done on earth, as it is in heaven. Matt 6*

So when we handle this body of spiritual truth called the mysteries of the kingdom, we are able to reproduce the power, prosperity, grace and possibility that are in heaven. This is what makes us supernatural, the ability to transport a dimension of living, which cannot be gotten from the earth realm. The bible tells us that these truths called mysteries are not mysteries because God enjoys them been secrets. Mysteries are generic names used in the new testaments to capture a body of spiritual truths that can only be revealed by the spirit.

These truths cannot be revealed through education, secular enlightenment. It will take the ministry of the Holy Spirit to bring the saints into a comprehension. It is a body of truth that is privy to a people. It has been given unto us to know, to comprehend, to come into the understanding of the mysteries of the kingdom. And when we have this understanding the bible made us to know that we will reign and be able to walk practically in dominion.

THE MYSTERIES OF THE KINGDOM

Nothing in life is by mistake, nobody rises by mistake. Ephesians 5 *says to walk circumspectly as wise and not*

as unwise. Capture all of the wisdom that can help you redeem time because all of the days are evil.

Your wisdom is the ability to have dominion over time. The bible says whoever can access the secret that give you an advantage over time walks in wisdom.

The greatest gift God gave man aside salvation is time, and the unit of destiny is time. Whatever affects your time affects your destiny.

The bible says *...to walk circumspectly.* Which implies accurately, no time to make mistakes or guessing because you will not always have time to correct it.

Our work on this earth requires a measure of accuracy, and in doing that you have dominion over time, and you walk in wisdom when you master time.

The real asset of a believer is not just land, not just investment but time. Whatever attacks your time has attacked your life.

- It takes time to know God
- It takes time to raise Godly children
- It takes time to build anything that last
- It takes time to build a great church

- It takes time to build a great business

The devil is aware of all these, so he helps you live a fruitless time by interrupting your time.

The secret of the kingdom among other things help you to exercise dominion over time, so that you can redeem time while the days are evil. If you do not know how to redeem time, you will be a victim of many things.

Why do we want to prosper? It's not just to prove a point. Prosperity has a unique ability to redeem time.

When you just hate poverty because it makes you suffer, is not a valid reason enough for you to have prosperity. You must be able to attack it from the interruption that it provides for your time. The devil knows that when you have the key things in place, you will have time to serve God and be serious.

Time is very important ...*oh teach us how to number our days.* Not because we are afraid of dying, but *that we may apply our heart to wisdom.*

By default, every man's life carries a disadvantage; you introduce systems of advantage into your destiny as you grow. The first of it is salvation.

I come from a family, for instance with no advantage, and now it is my responsibility under God, to understand God and his ways and then introduce to my destiny systems of advantage and begin to correct the errors that I met.

This is why we have the system of restoration. Restoration is an advantage *...and I will restore the years that cankerworms had eaten.* Because when you lose time, you really lost.

Imagine a scenario of a man who has been waiting on God for a child for 9 years. If he eventually gave birth to 1 child, it's a testimony, but not yet a restoration. It becomes a restoration when God restores his time of the children, he is supposed to have had in the space of those wasted 9 years by giving him Triplets.

It is because of these provisions that the bible says, *'for we know'.* We are in the kingdom and know that **all things** can work together for those who love the lord and them that are called, and we have been called, crafted into glory. For such people, the concept of being disadvantaged does not truly exist.

Most times when we cry to God that time has gone, he does not answer, this is because the remedies that can

bring back lost time are many and designed for the believer.

God can keep you waiting for a while, while others are moving just for you to know him better. And there you are complaining, and God says there are too many more keys to bring you to where you should have been.

Ezekiel 37 talks about the dry bones that came to life under a certain condition.

When you say something left you, it didn't leave the earth. That means there is a condition that can make it come back. So that we don't lament like unbelievers and our basis of confidence is that we understand that in the economy of God, there is always a way to do anything we want done.

When the bible says all things are possible, it is true, but not under every condition.

Secrets to the kingdom

You have to understand that these principles are not opinions, they truly do work. Meditate on these things, give yourself wholly to them and there is a guarantee that your profiting will appear unto all.

My people are destroyed for the lack of knowledge

It takes knowledge to be able to reign. Isaiah 60 vs. 1 *Arise shine, for your light is come and the glory of the Lord is risen upon you.*

The law of value: proverbs 18 vs. 16 *A man's gift makes room for him and brings him before great.* A man's gift makes room for him, before then there was no room, creates space for him.

Value is defined as a measure of usefulness. To be valuable means to be perceived to be useful as far as the context of a territory or civilization is concerned. We deal with cosmos, which is the world of men. And the bible says when it has to do with dominion over the cosmos; we must be wise as serpent and gentile as dove.

A serpent is not a good reptile, yet the bible says borrow wisdom from it especially when it has to do with dominion over the cosmos. The serpent is disadvantaged in many ways, no hands, no legs and it crawls, yet men fear it.

Your value is not just the measure of your skill. The first real skill that you have is your virtue, not your transactional skill. Your virtue is

the measure of your closeness to the character of Christ.

Your virtue gives you an edge as far as value is concerned, irrespective of your transactional skills.

When you contend to sustain the character of Christ, it becomes difficult to ignore you. What the world is looking for in men is what only Christ can give the fruits of the spirit. You are valuable to the degree to which you walk in partnership with the word and spirit of God to sustain the character traits that make you reflect Christ.

What makes heaven to be called heaven, is because there is a system that judges rebellion immediately. There was war in heaven, and Lucifer was judged immediately. God is unperturbed seated on his throne because a system has been put in place where rebellion is judged in any part of the heaven. This implies you can sustain this level of intelligence and stop policing people to check for loyalty.

There is an intelligence you can employ in an area of your life, that where you are, you can detect rebellion.

Note: deal ruthlessly with rebellion; it is not an advantage under any condition.

Your virtue should portray the character of Christ ...John 13:35 *By this, men will know you are my disciples,* not when you pray in tongues or sow seeds or when you have love. There is a dimension of love – agape –that is not given unto men. It is the spirit of God that will share that love abroad in your heart by the Holy Ghost.

Transactional skill- we place more value on translatable skill. There is a realm you get to, where your transactional skill no longer becomes the basis of your lifting, it is your closeness to the character of Christ, even unbelievers are looking for Christ in everybody.

You know you are valuable by who pursues you. If no body pursue you, simply implies that you are not valuable.

- There are certain skills that when you have, only the rich will seek for you
- There are certain skills that when you have, only the poor will seek for you
- There are certain skills that when you have, only the educated will seek for you

- There are certain skills that when you have, only your tribe men will look for you

But there are skills that you will have, and all men will look for you. That was the testimony of Jesus ... Mark 1:37 *all men seek for thee.*

Make up your mind that you will be valuable, you must contend to be valuable. Rewards follow value.

Reasons why preachers are blessed

Preachers are communicators of value; it might be spiritual in context, but it is real value

1. They connect people to faith; a relationship that is superior to any on the earth
2. They help to shape the mindset and understanding of the people that made for victory
3. Their spiritual conduit that communicate the possibilities of God.

..seeth thou a man that is diligent, the bible promises that he will stand before men and that he will not stand before mean men.

Exodus 4 vs. 2 *And the Lord said unto him, what is in your hand, and he said, a rod.*

vs. 17 *And thou shall take this rod in thine hand, wherewith thou shall do signs*

There must be something you carry that keeps speaking when your mouth is shut. One of the principles of dominion is that you must build something out of you that immortalizes your impact.

You know you are valuable when no amount is enough to reward you; you are priceless at that point.

Until kings look for you, you are not yet there. The real wealth and honor are in the palace. It is very easy to rise, when we contend to be exceptional.

When you become like everyone else, you become easily replaceable. To be valuable means to be giving the impression that you are not easily replaceable.

When God anoints you and you work on your skills with exceptional Christ-like virtue, backed up by intelligence that is beyond arguments, life will shift and create space for you.

There are not too many valuable people on earth, although there are many people. Choose to be valuable.

Nobody follows anyone who doesn't have result, they may love and pray for you, but they won't follow you.

Irrefutable ministry of destiny helper: 2 Samuel 9. We live in a world of men. The earth, the heavens, and heaven of heavens belongs to the Lord, but the earth has he given to the sons of men. The cosmos is a domain that is controlled and managed by man.

If you know God alone, you will do well, but you will not succeed in the cosmos. You need to know both God and Men. In this kingdom here on earth, who hate you does not matter, but who likes you matter.

2 Samuel 9 vs. 1 – 11

When you have favour with God, you will know him and have encounters, but you will be broke, you will fail and suffer. Because you also need favour with men

Destiny helpers are people equipped, empowered, ordained and assigned by God to help you fulfill your destiny and also to take you to the next level of your life.

All blessings come from God through men to men. Nothing comes directly from God to men.

- Your promotion is **from** God **through** men **to** men
- Your property is **from** God **through** men **to** men
- Your miracle is **from** God **through** men **to** men

If God says "Yes" and the middleman says "No" it is no.

While David was in the wilderness having visions to be the king of Israel, Samuel the middleman was yet to agree with God. God did not bypass Samuel to go and anoint David. Not until God told him "Samuel how long will thou weep, seeing that I have rejected Saul" 1 Sam 16:1

Our advantage is not just our spiritual connection, but our understanding that when God wants to lift you, he will connect you to destiny helpers.

Four dimensions of destiny helpers

Divine connectors. 2 Kings 5 (The story of Naaman who was a leper who got his healing through his maid servant) Divine connectors don't have what it takes to bless you, but they can link you to those who have what it takes. It takes discernment to identify divine connectors, becomes they come in fashion that are not receivable, you will need discernment.

The bible says we should honor all men, why, because the least of people can still be used by God to Bless you.

Men of influence: These are gate keepers; they have what it takes to bless you. They have the resources, track record and the credibility. There are times you have the skills and gifts, but you do not have access to the gate. You will need somebody who is already at the gate to recommend you. Their resources, track records and credibility can lift you overnight.

Jesus' body was hanging on the cross, no one to put it down, not until a man of influence called Joseph of Arimathea brought it down.

Joseph was in the prison, while Pharaoh, a man that can make a decree for him to become the prime minister of Egypt was in the palace, but the middleman forgot. But when God wanted to lift Joseph, he gave a dream that no astrologer could interpret.

There are certain level of influences that if you don't rise to, God cannot use you in certain ways, because showing you the vision is useless, since you don't have any to do about it. And the king sent for Joseph (not

that God searched for Joseph) and brought him out and enthroned him.

There are many ways to pay for things, the cheapest is through relationships. If you pay for everything in money, you become poor soon enough, relationship is currency.

Gifted people: 1 Samuel 16 vs. 17, 18. Sometimes you just need skilled people, people who can get the job done. It is great to find gifted people, who love God and love you.

Burden bearers: These are trusted and faithful people who will stay with you through the storms, challenges until your glory is revealed. Ruth 1 vs. 16 tells us about Ruth who vowed to be with Naomi in all circumstances. Don't just pray and ask for burden bearers, be burden bearers.I cannot promise you that you will not have challenges, I only promise you victory. But between the challenge and the victory, you will not only need God, but you will also need men.

Prayer: Lord make me valuable, but also send me helpers, send me burden bearers. Amen.

Others Transcribed Sermon Of Apostle Joshua Selman

How To Access The Deep Things of God: Do not get used to what God is doing. Your heart must always be in a posture where you receive every miracle no matter how great or little with gratitude in your heart. If it could not be done by man then, God deserves the glory for it.

John 11:40 - Jesus said to her, "Did I not say to you that if you believe [in Me], you will see the glory of God [the expression of His excellence]?". There is a relationship between your experience of the glory of God and believing Him. If you doubt and wonder if God can touch you, you won't receive from Him because the scripture teaches us that there is nothing new under the sun. Your assignment is not only to listen but, to listen in faith, to listen in hope expecting to receive something. Let your heart be open. Every experience, if God is there something must happen to you. Not necessarily falling down and manifesting. However, there is an assurance that you will be visited. God's wisdom, power, and authority comes. Faith is built, your conviction is strengthened because they are characteristics of the presence of God. The Major Secret of God's General: We live in a very ungrateful generation. We always want more without giving sustained thanks for the ones we have. Lord you have given me five children, what about adding two more? Lord my salary is 300k, can't you make it 500k? Lord, you deliver me from accident, when will another car come? Very ungrateful with lust for more. But those who reign in life are those who give thanks. This is the key to unprecedented rest. Things you never prayed for will follow you like a charm because you are grateful. In recent times, I have been paying attention to exact spiritual requirements that make a man usable.
