

The One [Power] Within

Prayer is not necessarily about the payer but rather the one Praying the prayer....That is; The Heart [current position in God] of the one praying the prayer, this determines the results of the prayer.

Prayer of Intercession, speaking and acting for God is not necessarily about the action, but rather the Heart of the Christian, the position of the Christian in God and the life lived before the speaking, acting for God. The processing, the life lived before the acting is greatest, because it is "Relationship" and the reward for relationship is simply "More of God." The life lived; In constant communion with God, Obedience, Repentant heart to become more of God [power of God] to think, speak, act and to live as God

This is life of a Christian;

"...He who has seen Me has seen the Father;"

[John 14:9]

A Christian is Love

It's takes Love to wield power without corruption. Without Love, humility, a heart of God completely dependent on God, like Lucifer, power destroys the wielder.

It is power [spirit] of God in the Christian that effect change, brings God to the scene. And the spirit of God in us increases in infinite measure by our relationship with the Word [Jesus] and the spirit of God. God will only be evident in measure of how much of Himself he can find in us. Greater Power will not be given unless there is sufficient spirit of God..., "more of God" in the Christian to become the embodiment of that power.

The power within is the measure of God within

It is the measure of Love [God] the Christian has become. God loves us so much He will not entrust more of His power to us unless we becoming more of Him.

Power is given to destroy [darkness], to restore [Life].

God will only entrust more of Himself [His power] to us in measure of our love for Him. For only Love [God] can wield greater power. Power of God is Love. We do not desire power, we simply desire Love. If we desire Love, we'll receive the reward; "power [more] of God" to bring the Heart of God into being. People of God, work on your relationship and become Love. If we desire love, we'll journey to become the infinite measure of every divine attributes in Love [God].

Become Love

Shalom
