Bible Text: Luke 9:2

Prayer

Heavenly Father, we bless Your Holy name, make us hear and understand the word of today, and also use it in our daily life in Jesus name. Amen.

Study

You are all welcome beloved brothers and sisters in Christ. I hope we are still standing strong in the faith because there are a lot of things that surrounds us today that are capable of discouraging us. To live holy and righteously these days is becoming very difficult because of all the things that are happening, these things are tempting us to compromise our faith and trusts in Christ but please let's hold forth, our redemption is nearer than when we first believed. If you know this hymn, please sing it.

1. Ho, my comrades, see the signal, waving in the sky!

Reinforcements now appearing, victory is nigh.

Refrain:

“Hold the fort, for I am coming,” Jesus signals still;

Wave the answer back to heaven, “By Thy grace we will.”

2. See the mighty host advancing, Satan leading on,

Mighty ones around us falling, courage almost gone!

3. See the glorious banner waving, Hear the trumpet blow!

In our Leader's Name we triumph over every foe.

4. Fierce and long the battle rages, but our help is near,

Onward comes our great Commander, cheer, my comrades, cheer!

Luke 9:2 KJV

And he sent them to preach the kingdom of God, and to heal the sick.

In most cases we will read about the ministry of Jesus Christ where He sent His disciples out to go and preach in verses such as Mark 16:15 KJV **And he said unto them, Go ye into all the world, and preach the gospel to every creature.** More emphasis is usually placed on preaching even in our churches today, we teach people to go for evangelism but we forget to add the second command that usually follow the instruction given by the Lord Jesus Christ which is to heal the sick.

The same way the Lord Jesus Christ has commanded us to preach and teach is still the same way He has commanded us to heal the sick, looking at these three things one would think that one of it requires a supernatural intervention than the other whereas they are all in the same level as placed by the Lord Jesus Christ. No one can preach a successful gospel of repentance to a sinner to accept Christ without the help of the Lord, in the same way you cannot teach for someone to understand without the help of the Lord, likewise you cannot heal someone of any kind of disease without the help of the Lord, therefore, they are placed on the same level but we do think that it is not easy to heal because we think it is our own strength that we can do it; we do rely on our strength. When we place preaching, teaching and healing on the same level, seeing these three as Christ's command to us, we would wrought healings that would shake our environments, lack of faith, total trust in Christ and fear is why many of us are not working in that command to heal.

If we look into the book of Matthew chapter 8 we would see that in that chapter the ministry of Jesus Christ comprises of teaching, healing and preaching, The Lord wants us to use His own ministry as a model for ours since His ministry was successful He also wants ours to yield the same results which is why He sent His disciples out telling them that all who believe will do exactly what He did. Now I want every one of us to access ourselves, have we ever tried to heal the sick during evangelism, have we tried to pray that a chronic sickness should

disappear from someone's life? Without this we have not obeyed Christ's command fully, He said heal! He knows that you do not have the power to do so, yet He said heal! This shows that He would not allow His name to be put to shame because you went there to represent Him.

Is someone still with me?

Mark 16:17-18 KJV **And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; [18] They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.** "In my name" Jesus said in His name all these things which He did will be done just the same way He did them by coming in His father's name. The certificate of permission/permit needed to do what Christ did was His name after we might have believed. He touched and healed the leper just by speaking a word, He healed the centurion servant just through a word, He touched Peter's wife mother and she was healed of fever, Mary who was demon possessed with seven demons was brought to Him and He casted out the spirit with a word and healed all who were sick. Matthew 8:16 KJV When the even was come, they brought unto him many that were possessed with devils: and he cast out the spirits with his word, and healed all that were sick:

He calmed the storm with just a word. Jesus is powerful than we think, even our imaginations cannot comprehend how powerful He is, and that is why we do not know the advantage of the availability of His name given to us to bring heaven on earth. Nothing remains the same at the mention of that name! I want us to consider how powerful our Lord is. Matthew 8:28-29 KJV **And when he was come to the other side into the country of the Gergesenes, there met him two possessed with devils, coming out of the tombs, exceeding fierce, so that no man might pass by that way. [29] And, behold, they cries out, saying, what have we to do with thee, Jesus, thou Son of God? art thou come hither to torment us before the time?** These verses tells us of two demon-possessed men coming out of the tomb and exceedingly **fierce** so that **no one** could pass that way, the scribes and Pharisees could not pass the way, the rich and tax collectors could not pass the way, everyone looked for another route just because they fear for their lives, but now is Jesus close to that venue where these demons possessed had hijacked from

people, yet they could not attack Christ but came to Him and began to confess what they were not asked. They **cried out** "what have we to do with You?" in other words what did we do to You that made You come to us? The situation has now changed; it is no longer men running from these demon-possessed men but them trembling at the sight of a higher authority.

They recognized Jesus as the Son of God when nobody told them. In the same way, it is an insult for demons not to know you or recognize your sonship, if indeed you are the son of your Father Jesus Christ demons must know you. Matthew 8:29 KJV **And, behold, they cried out, saying, What have we to do with thee, Jesus, thou Son of God? art thou come hither to torment us before the time?** That was why those demons the sons of Sceva tried to send out exclaimed that they know Jesus and Paul. Acts 19:15 KJV **And the evil spirit answered and said, Jesus I know, and Paul I know; but who are ye?** God forbid it that a demon should ask me this question! The first thing this demon saw and observed when they saw Christ was the authority of Sonship He is yielding, these demons who have been tormenting their hosts for a long time, thereby causing fear in the hearts of passerby's are now the ones being fearful and trembling in the sight of a higher Authority, this means that the men that has been passing through that route before then were all **empty** men. I pray that you will not be empty in Jesus Christ name.

Now they cried out because the lower power must be tormented by the greater, they knew that they would certainly be tormented when the time for it finally arrives at the end of the world so they trembled. As children of God we are not to have a single regard for demons, they should fear us, those who fear demons are babes in Christ who do not know the kind of Spirit that lives in them. Luke 9:55 KJV **But he turned, and rebuked them, and said, ye know not what manner of spirit ye are of.** Jesus Christ has delegated His ministry to us, not only in teaching and preaching but that we should also exercise authority over demons through His name and healing the sick. When demons see us they must tremble because we carry the identity of Christ about so they must shake, and when they hear our voices they must obey! Jesus still had not spoken a word to these demons yet they continued speaking and begging.

When demons confront a man it means such a man is already losing his authority.

Matthew 8:31 KJV **So the devils besought him, saying, If thou cast us out, suffer us to go away into the herd of swine.** They begged Him, as children of God, demons should beg us and request for permission to do certain things that is why their unauthorized activities in the life of a man is due to his lack of authority of Sonship in such a man, If a demon must take any step within the jurisdiction of any true child of God, it must take permission because it is under us and not above us. They said, **if Jesus cast them out.** That is to say if He does not, they will remain there, everything about them depends on Christ's decision not theirs anymore. As children of God, it means that these evil spirits are at our mercy, they can no longer take decisions for us anymore, if we know who we truly are in Christ. They are always waiting to receive instructions when they are encountered by the sons of the Kingdom.

But what do we see today? We Christians who cry at the activities of evil spirits in the lives of their family members, some cannot even sleep because these demons would surface in their dreams. The Lord said heal the sick, most sickness has a spirit that causes it, Is it cancer, insanity, chronic headache etc. that are natural? Doctors would call them medical, but the spiritual controls the physical. Once a spirit in charge of sickness leaves, that sickness disappears, so healing a sick person chases the supervising demons of that sickness away.

They said "permit us", it all depends on Christ's permission at that point, they could not take any step by themselves anymore, they cannot choose to stay or go out anymore so they are no longer independent but dependent on whatever instruction they will be given, so they requested to be permitted to go away into the swine thinking it will be a better choice than to be tormented before their time. Children of the living God, demons fear you! Ever since Jesus got there they have been talking like barbarians even as the Lord Jesus Christ did not say anything and at this point He said a single word "GO!" and they went out with full speed. As children of God we should not be struggling with demons, we should always exercise our faith because authority has been given to us. The Lord Jesus Christ said in His name we would cast out demons, It is not "maybe" we would, but it is certain that they will not struggle with us they would bow at our words because they are in the name of Jesus who lives in us.

Christ lives in us so when they see us they see Christ instructing them and not us

.Galatians 2:20 KJV **I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me:** Christ is in us so no demon should stand to look at our faces, every sicknesses and diseases should flee. The Lord also said that we will speak in new tongues, this is the only area where most of us are operating and neglecting the others because we lack Faith. Some people can speak in the tongues of angels yet they lack power, their tongues are just like mere noise in the kingdom of darkness because they lack faith. Lord increases my faith so that I can know how powerful and big You are in me.

Now you have known the kind of authority you have at your jurisdiction over spirits that are in charge of sicknesses and diseases, therefore, the moment we obey Christ's instruction of preaching and teaching then you should also obey His command of healing, stop thinking it is impossible or it requires a special skill; it is also a command which the Spirit helps us to achieve, all you have to do is to have it in your sub consciousness that it is Christ that is living in you who wants to heal and not you. Put your image aside and let Christ be at the forefront, when you command in the name of Jesus you put it in your heart that it is Jesus that is commanding them because He is the one living inside of you.

Because of lack of faith some of us have gone for evangelism coming across someone in serious sickness but we evangelize to the person and just say God will heal him shallowly because we do not believe even in instant healings. That boldness that can make you go out to preach should also be the boldness that should make you to heal, we need to stop looking at ourselves like we can't do it, if we say that we can't do it and at the same time not putting it in practice trying to obey Christ, then it means we are limiting Christ in us. It can be that all you need to do to exercise your faith is to pull that crippled man up from his position in the name of Jesus Christ for him to receive his healing. Remember Peter and John at the beautiful gate.

Acts 3:6-8 KJV **Then Peter said, Silver and gold have I none; but such as I have give I thee: In the name of Jesus Christ of Nazareth rise up and walk. [7] And he took him by the right hand, and lifted him up: and immediately his feet and ankle bones received strength. [8] And he leaping up stood, and walked, and entered with them into the temple, walking, and leaping, and praising God.** You see that? As from now on go out and heal all the sick people around you in the name of the

Lord Jesus Christ. Brethren, at this point in time the Lord is seriously looking for those through whom He is going to showcase His power, might, strength and glory. He is seeking for available and usable vessels to liberate those oppressed and afflicted. We have to prove that we are ready by taking steps that are beyond ordinary human imagination, we must demonstrate the power of God even when on a normal day our own self cannot try to do so. Remember that for every sick person around you, it is your responsibility to obey the Lord's command to heal them so that they can be delivered from the hands of the devil and trust in Christ.

Prayer

Our Father and our God, we thank You for Your word that has enlightened us, we pray that You'd make us the doers of Your word and not hearers only, that we would obey every of Your commands to us so that we can have an effective ministry and successful Christian life the way You had it. We pray that you will increase our faith and help us to please You always in Jesus Christ name. Amen
