

The Remembered 02

Some of us don't have the spiritual capacity to contain much of God's word at a time, so we had to split it in two, so that we shall not only absorb God's life, but rather we'll have also knowledge to apply what we've received. Still, even if you can't remember, the Lord will still act in you through His word, by His spirit.

Psalms 106:4-5

"That I may enjoy the prosperity of your chosen ones, that I may share in the joy of your nation and join your inheritance in giving praise."

In this section of the verse, the psalmist was talking about the kingdom of God, no matter how we preach the gospel, we can barely do without talking about the kingdom of God.

It is good to be remembered by God on earth, however our greatest remembrance is to be remembered and numbered relevant in God's kingdom. You know, everyone will be ranked differently in God's kingdom in accordance to their sacrifice and the degree of their intimacy with God while on earth.

Our earth realm is an investment ground for eternity, when we get to God's kingdom, there lies a paused existence where we can no longer work to increase our rankings amongst the Immortals, we'll be rewarded according to how much life we harnessed and lived in God. He was talking about the prosperity of the chosen ones.

These chosen ones are the remnants of God, I don't mean the remnants who are born again, but those who are walking in line with God to manifest and establish His kingdom on earth. Our true prosperity is not of the flesh but that of the kingdom, our lives lived will be judged and rewarded in accordance to how much sacrifices we made, in other words; in God's kingdom there will be rich and richer, great and greater. Can you venture into God's kingdom and then the Immortals will be able to boast of you unto others saying;

"Have you heard of Favour?"

And the heavenly host will boldly say; "yes we have."

That is true prosperity, however, as we walk with God in intimacy, spending time in His word, praying without ceasing, yielding in obedience, making sacrifices, we're being filled with His life. The more we're being filled with His life, not only being filled but functioning in it, the more we have influence and relevance in His kingdom.

It is the overflow of God's life in us we'll be recognized by the immortals, the Immortals are more interested in life, how much life have you harnessed to appear as a beacon in heaven? As you are being filled with life overflow, you'll be remembered in heaven, you'll have easy access to life, and as you walk to expand God's kingdom, that life also will be expressed in the dimensions of the physical realm to resurrect every dry bone. When you're filled, you can also give life

unto others for salvation, you'll become a channel of life in this world of death, it is not yours alone, but to give also to others.

But, you cannot thread this path if you've not dethrone the flesh, you must be led by the holy ghost to dethrone the flesh, because the flesh hinders the manifestation of God in us, sealing away the dimensions of heaven away from us out of our reach. Have ever you wondered why only few can be used by God to deliver and bless instantly? It is, because they have dethroned the flesh, and are now walking as spirit entity to manifest the dimensions of heaven on Earth. What they have, they can give unto men out of the abundance of life harnessed and given to them by God.

Life is prosperity, and we begin to walk in this limitless life prosperity when we choose it discern and yield to the holy ghost to be guided and built in order to manifest the kingdom of God. You don't just do it you must be filled first then, you'll be guided, built and equipped by the holy ghost. Only the few can thread this path out of the multitude of born again children of God, because many think it's only about entering heaven without investment.

" That I may share in the joy of your nation and join your inheritance in giving praise."

When we journey deeper in love with God, He begins to express Himself through us, His spirit becomes an integrate part of us that whatever He feels, we feel, when He's sad, we are sad, and when there is advancement in His kingdom, there is also an inexpressible joy in our heart. As we journey deeper, He uses us, He remembers us and He invest in us to become His vessels of honor.

Being vessels of honor, ushers us into a life eternal of great rewards. Though we all children of God shall be crowned kings at the end of age, still there are few, the chosen ones who yield themselves unto God to be used by Him, they'll be rewarded greatly than all, much of the Father Kingdom will be given unto them to rule.

How much is your obedience? The degree of your intimacy will usher you into remembrance for all eternity.
