Bible Text: Jude 1:17-18

Teacher: Adewuyi S. Oluwatobi

Introduction

Tonight's study is a very important one, especially for those of us who are in this current period of the world, the world is getting darker day by day, it is ageing gradually and the days are getting fulfilled, I'm pleased to announce to those of us who are eagerly waiting for the coming of our dear redeemer that the days are at hand. This is the time we have to be on standby watch to continue waiting earnestly for our deliverance, the Lord is closer than expected, arrange what ought to be arranged now if you are not yet set, the day is closer than you think. Praise the Lord!

Study

We would be examining the topic which I call, *The Spirits Of The End-Time.* This is a study that requires adequate understanding and concentration so that we would actually be able to decipher what the Holy Spirit wants to tell us. Therefore I call for attentiveness void of distractions, even as I myself do not know what the Spirit wants to teach us. The Lord gives us understanding in Jesus name. Can someone help us with Jude1:17-18 please?

Jude 1:17-18 KJV

But, beloved, remember ye the words which were spoken before of the apostles of our

Lord Jesus Christ; [18] How that they told you there should be mockers in the last time, who should walk after their own ungodly lusts.

If we look at the first sentence that starts the above verse, we would see that it is bringing our attention to what was said before. Brother Jude was referring us to what the apostles before him had said, which is also how we are being reminded of what has been said before tonight, I do not think there is anybody here who have not heard about the last days before, but it's important for us to be reminded constantly of what was written before this time. We cannot endeavor to walk in darkness anymore since the lights of God's revelations about what would happen in our days has been given already in the Holy Scriptures. It then takes only the wise to take note and walk in God's ways that prepares one for a glorious eternity. The apostles told us that there will be mockers/scoffers in the last days. Another translation says

...In the last time there will be scoffers, following their own ungodly passions. ESV

"In the last times people who ridicule God will appear. They will follow their own ungodly desires." GW

.. “When the last days come, people will appear who will make fun of you, people who follow their own godless desires.” GNT

All these translations are still telling us the same thing in different ways. What kind of spirit would make ordinary men ridicule God? What kind of spirit would make men feel so comfortable walking according to their own lust if not demonic spirits which are the spirit of the End-Time. Anybody who chooses to remain ignorant of these biblical facts would certainly be carried away unconsciously by these controlling spirits of the world, don't forget that we are in the world **but not of the world**

Is someone still with me

The truth is that there has been traitors, scoffers, mockers, ridiculous people and many more even right from the days of the early Church, then why the special warning to us? This is to make it known to us that the ones in our days would be so mean and dangerous to the point that if one do not take his/her stand, such would fall away from the faith. I tell you beloved that Satan has sent out his demons who are currently ruling the world in multitudes to see that no man on earth makes heaven, that is why everyone of us needs to be focused by avoiding any form of distraction currently going on in the world which was orchestrated by the devil. The only joy and hope we have currently as Christians in the world is the sealing of the Holy Spirit, who is capable of keeping us adequately in the world from all the wiles and darts of the devil until Christ returns to take us home. The devil and his demons cannot get us because we are flaming fires. Hebrews 1:7 And of the angels he saith, Who maketh his angels spirits, and his ministers a flame of fire. Our fire is so great that it can consume them, so they do their duties strategically, in such a way that they would strip a child of God of this blazing fire before attacking him. And this they achieve through different means for those who do

not take to the warnings of the early Apostles.

There are spirits of different kinds currently in the world from the pit of hell, they are in charge of diffent areas of sinful pleasures (woldliness), I tell you tonight that there is no sin currently in the world that does not have a spirit that backs it up. That is why when some of these sins are made mention of in the bible they are regarded as spirits. Revelation 16:13 KJV And I saw three unclean spirits like frogs come out of the mouth of the dragon,... Luke 8:2 KJV And certain women, **which had been healed of evil spirits** and infirmities, Mary called Magdalene, **out of whom went seven devils,** please take note that the word "evil spirit" is pluralized not singular. Seven devils is "seven demons" or "seven spirits" too, these tell us that they are different spirits from one source.

And these are the spirits that have been sent out to the world currently, let's identify some of them. **Some of the End-Time spirits are:**

1. spirit of lie (also known as lying spirit)

2. spirit of lust

3. spirit of hatred

4. Unforgiving spirit

5. spirit of covetousness

6. spirit of pride

7. Seducing spirits

8. spirit of Jealousy

9. spirit of drunkenness

10. Witchcraft spirits

11. spirit of bitterness

12. spirit of immorality (Adultery, fornication, lesbianism, masturbation, sodomy, homosexuality, anal sex, oral sex, blow job, demonic sexual positions)

13. spirit of anger

14. Blasphemous spirit

15. Abominable spirits

16. spirit of deceit

17. spirit of filthy languages (idle words)

18. spirit of disobedience

19. spirit of strife

20. spirit of wickedness. Etc

Duties of the End-Time spirits

They all have the same duty which is to make sure humanity end up in hell fire, one of them alone in the life of any man is capable of dragging such man to hell, that is why it is important to pray and study the Bible very much so that one would easily find out the activities of any of these spirits in one's life so as to send them out before death or rapture. The word of God in 2 Timothy 3:1-5 tells us more about what the spirits of the End-Time are, please read through carefully to recognize these spirits and what we are commanded to do. [1] This know also, that in the last days perilous times shall come. [2] For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, [3] Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, [4] Traitors, heady, highminded, lovers of pleasures more than lovers of God; [5] Having a form of godliness, but denying the power thereof: from such turn away. All what we have been discussing since, all what the Apostles have been warning us about is so that we would not be taken unaware by the time they start happening so that we can turn away from such people who do that, because they are capable of dragging us too into the mud. We should be careful and watchful, the moment you discover any of these things in your life, the first thing you have to do is to get rid of it. Delaying it would certainly cause more harms than good.

It is of no doubt that we are in the era of the fulfillments of these prophecies, because when we look at the current state of the whole world, we would see that things are no longer normal and that they would go back to normalcy is what no one is sure about. These spirits are everywhere walking in the lives of many unbelievers and unsuspecting church goers. Is it to talk about loving oneself without considering about others? It's is on rampage currently, even in the church where pastors use the children of his members for rituals so as to get members, he loves himself, fame, wealth, popularity etc than his fellow humans. Are we to talk about covetousness? Stealing, fraudulent activities, robbery. Embezzlement is on its high level as people crave for what they cannot get legally, because the spirit of covetousness has taken over their lives. It's also covetousness that has made many men marry more than one wife while the first is still alive, contentment has traveled out of the world because it has found no place to stay anymore except in the lives of watchful believers. Sex is very cheap these days that it can be gotten at anywhere, anytime, and any day without stress. Even on the altar of many churches, it is available in sizes and shapes, skin color & tones, heights and even status, the young teenagers are into it, the youths are into it, the adults are not left out, even pastors, prophets, apostles, etc are all enjoying it outside their marriages, defiling the marriage bed, because the spirit of immorality is doing its job seriously.

Spirit of pornography is not left out in the End-Time drama, in fact it has gotten so much waves at this current period, that most people now enjoy it in secrecy, listen! Most men of God are not left out too because it's free on net and easily accessed in privacy, what of those using church's free Wi-Fi to access pornographic contents. This spirit is working together with the spirit of lust and many do not know that their lives are in danger because they are not watchful neither do they give themselves carefully to the instructions of the apostles. There are proud people everywhere, even the devil has deceived many into prideful ways of dressing, through extravagant dressings, and the shoes of pride (high heel) God resists the proud, he does not want his children to have anything to do with things that would suggest even the lowest level of pride in them. But the spirit of pride is silently doing its duty in the lives of many and they refuse to recognize it so as to send it out before it would be too late. Pride in actions, words, conducts and even in the heart should be totally done away with.

False accusation is another spirit controlling this End-Time which we have to be careful of, that is why being careful of where we go to and those whom we keep as friends is very important, many who indulge in things like this already have their consciences seared with hot iron, so that they do not come out of these things which these spirits have dragged them into. However, there is still solution for those who want to come out and also to set these spirits packing out of their live

How to be free from the ravaging End-Time spirits.

1. **One must be born again:** being born again is not about going to church and participating in church activities, it's a personal decision to follow Christ, one must confess his sins to God, believe in His death and resurrection for the remission of sins, and continually work in His ways. It must be done at least once in a lifetime, if you have never done it, please do it now.

2. **One needs to be watchful:** being watchful is to be mindful of one's ways, conducts, motives, actions and others in serious fastings and prayers, with meditation. To be watchful is to be a lover of the word of God by reading, hearing and doing what is written in it.

3. **One must resist the devil always:** The devil and his spirits are fond of attacking a pure heart, instant rebuke is important, once he brings his poison to pollute one, one has to rebuke him instantly in the name of the Lord Jesus Christ.

4. **Using the weapon of the blood of Jesus:** Constant use of the blood of Jesus to wash the spirit, soul and body is important to keep us clean from pollution, this must be done as constantly as possible.

5. **Having a thankful heart always:** always rejoicing in the Lord no matter the situation or challenges, giving thanks so that the devil will not capture one through depression is important.

I pray that we would not be kept captive under any of the End-Time spirits in Jesus name.

Because of our time, this is where we would stop for tonight, please send in your questions if there are any. God bless
