The kingdom Gospel

The kingdom gospel is the gospel brought by Jesus. However, many seems to have forsaken it. Any gospel that doesn't talk about the kingdom, any gospel that talks about timely based things and not integrating it with eternity is not Kingdom gospel.

The kingdom gospel is a gospel that talks about restoration, not of physical things, but of eternal restoration to our original place in God. It talks about prosperity not of the earth, but of eternity. It is good to be prosperous in earthly things, but if your earthly possessions is not or does not have an influence in the kingdom, then it's vanity. If all you're concerned about is storing up treasures on earth, and living a holy life without sacrifices, then you'll be poor amongst the Immortals when you venture into eternity in the kingdom of heaven.

It is a gospel of sacrifice and not demands. If all you do is demand from God, then you don't truly know God, because If you really do, you'd know that just as He cares for the birds of the air so also He'll care for you even much more. A lack in faith and love is what makes men impatient and deny the sufficiency of God. Whereas, a man must go through a trial phase in life to build his relationship with God, it is on the basis of his relationship built on a firm foundation, God will then commit to him earthly treasures, not only for his pleasure, but as an investment also unto eternity.

Such a man, no matter the blessing, even if he receives a billion dollar yearly, he'll love God even more and use it for God, because out if his trial he has built Intimacy to love God more in good and in bad. Meanwhile, the one who takes the detour using his own skill and wisdom, will be swallowed up by the flesh and easily thwarted by the devil, he'll amount to nothing in God's kingdom. So when next that trial comes, wait and see it through, don't go crying here and there, you must experience pain before you can lay a foundation in which your building will be built and treasures stored in God's kingdom.

If all you do Is pray for self, demanding only from God like a child who knows his parents would feed him but still cries. If you've not yet pray the will the Father, then know you're still far from your inheritance in God's kingdom, because only sons receives inheritance, and sons work hand in hand to establish the Father's business.

Jesus taught us to pray the will of the Father, it is a gospel that taught us to live selflessly in other to fulfill the will of the God. Whatever we do must have profit for God which will then, in turn profit our soul. If whatever you do ends in the flesh, it's a waste.

Jesus never came for time, he barely emphasized on heaven, all he always talk about is the kingdom of God, because that's our true reality. Many will enter the kingdom of heaven, but won't have a place in the kingdom (government) of God. The gospel now has been watered down to everything bound to time, whereas, time is just a basic platform on which we invest unto eternity.

It is a gospel that teaches and reveals to us the diverse dimensions of warfare for the kingdom of God and not against flesh.

Ephesians 6:12
" For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

These demonic entities war against the Kingdom of God, it's our duty to rise as ranking warlords to conquer them. If you don't you'll be a casualty, your throne will be in ruins. We war for the sake of the kingdom, restoration of thrones and nothing else.

Matthew 24:14
" This gospel of the kingdom shall be preached in the whole world as a testimony to all the nations, and then the end will come."

I.e this kingdom gospel will be preached to all nations, then the end will come. The seal has been broken and it is done. This kingdom gospel which had been subdued for thousands of years has now been preached to all nations mostly through the media. Even if you're not aware, God has raised Apostles in this age and the job is done already. The gospel I've brought to you also has been a fragment of diverse fragments of this kingdom Gospel. All we do now is wait.
