Re: Higher Education Entrance Requirements

Ethiopian students applied in different universities of Polish requested us to write the university entrance result requirements to your esteemed Embassy and Vistula University has also requested the Ministry on date 05/06/2023 on the same and to send the current admission requirements for Bachelor studies in Ethiopia and abroad that must be applied to Ethiopian students.

Therefore, the Ministry of Education of the Federal Democratic Republic of Ethiopia presents its compliments to the Embassy of the Republic of Poland in Addis Ababa and has the honor to kindly inform that our high school graduates are eligible for higher education if and only they score a total of 50% and above in ESLCE.
