CLASSROOM **PHOTOCOPIABLE** TIMESAVERS

TIMESAVER GAMES

A photocopiable resource book for busy teachers
Timesaver Games contains dozens of time-saving and motivating activities for immediate use in the classroom. *Timesaver Games* enables you to help your students consolidate newly acquired language whilst having fun with puzzles.

All the activities in *Timesaver Games* have been tried, tested and enjoyed by students and teachers alike. They are suitable for use in all teaching situations – including mixed ability classes – or they can be given as homework tasks.

Bringing variety to the classroom!
Timesaver Games has a rich variety of activity types, including: personality quizzes, cultural games, wordsearches, theme-based board games, pronunciation games, logic puzzles, crosswords and memory games.

***Timesaver Games* is part of the *Classroom Timesavers* series**

Classroom Timesavers is a series of supplementary photocopiable materials for teachers of lower and upper secondary school students aged 11 years and upwards. The *Timesavers* series provides teachers with refreshing and motivating photocopiable resource material.

If you have enjoyed *Timesaver Games,* you'll love using *Festivals and Special Days in Britain* and *New Classroom Timesavers.*

Easy to use!
The highly accessible and flexible contents list means you can select the activities you want to use:

- by level
- by language point
- by lexical area
- by activity type
- by theme

A full answer key is included in the teaching notes for complete ease of use.

SCHOLASTIC

To The Teacher

The language level of these puzzles varies from beginner's level to intermediate. At the back of this book you will find all the games and puzzles listed both according to level of difficulty and also according to topic or language point practised. We hope this will be useful in helping you to choose suitable material for your classes. This means that you can cross-reference the level of your class with topics which they will enjoy.

As well as actual answers to puzzles and notes on usage, you will note that the Teacher's Section at the back of the book also contains the analyses of the scores in the personality quizzes, so you will need to copy these for your pupils or be on hand to give them the information verbally.

A small clock on each page tells you approximately how long each activity should take.

Occasionally you will have to photocopy several pages for one activity, for example pages 3 and 5, and pages 33 - 36. Choose which language points, topics or vocabulary you want your pupils to practise, and you will find puzzles, quizzes or personality tests which will test their skill and improve their English at the same time.

Small icons at the top of each page show what materials are needed:

pen

scissors

glue

dice

coloured pens

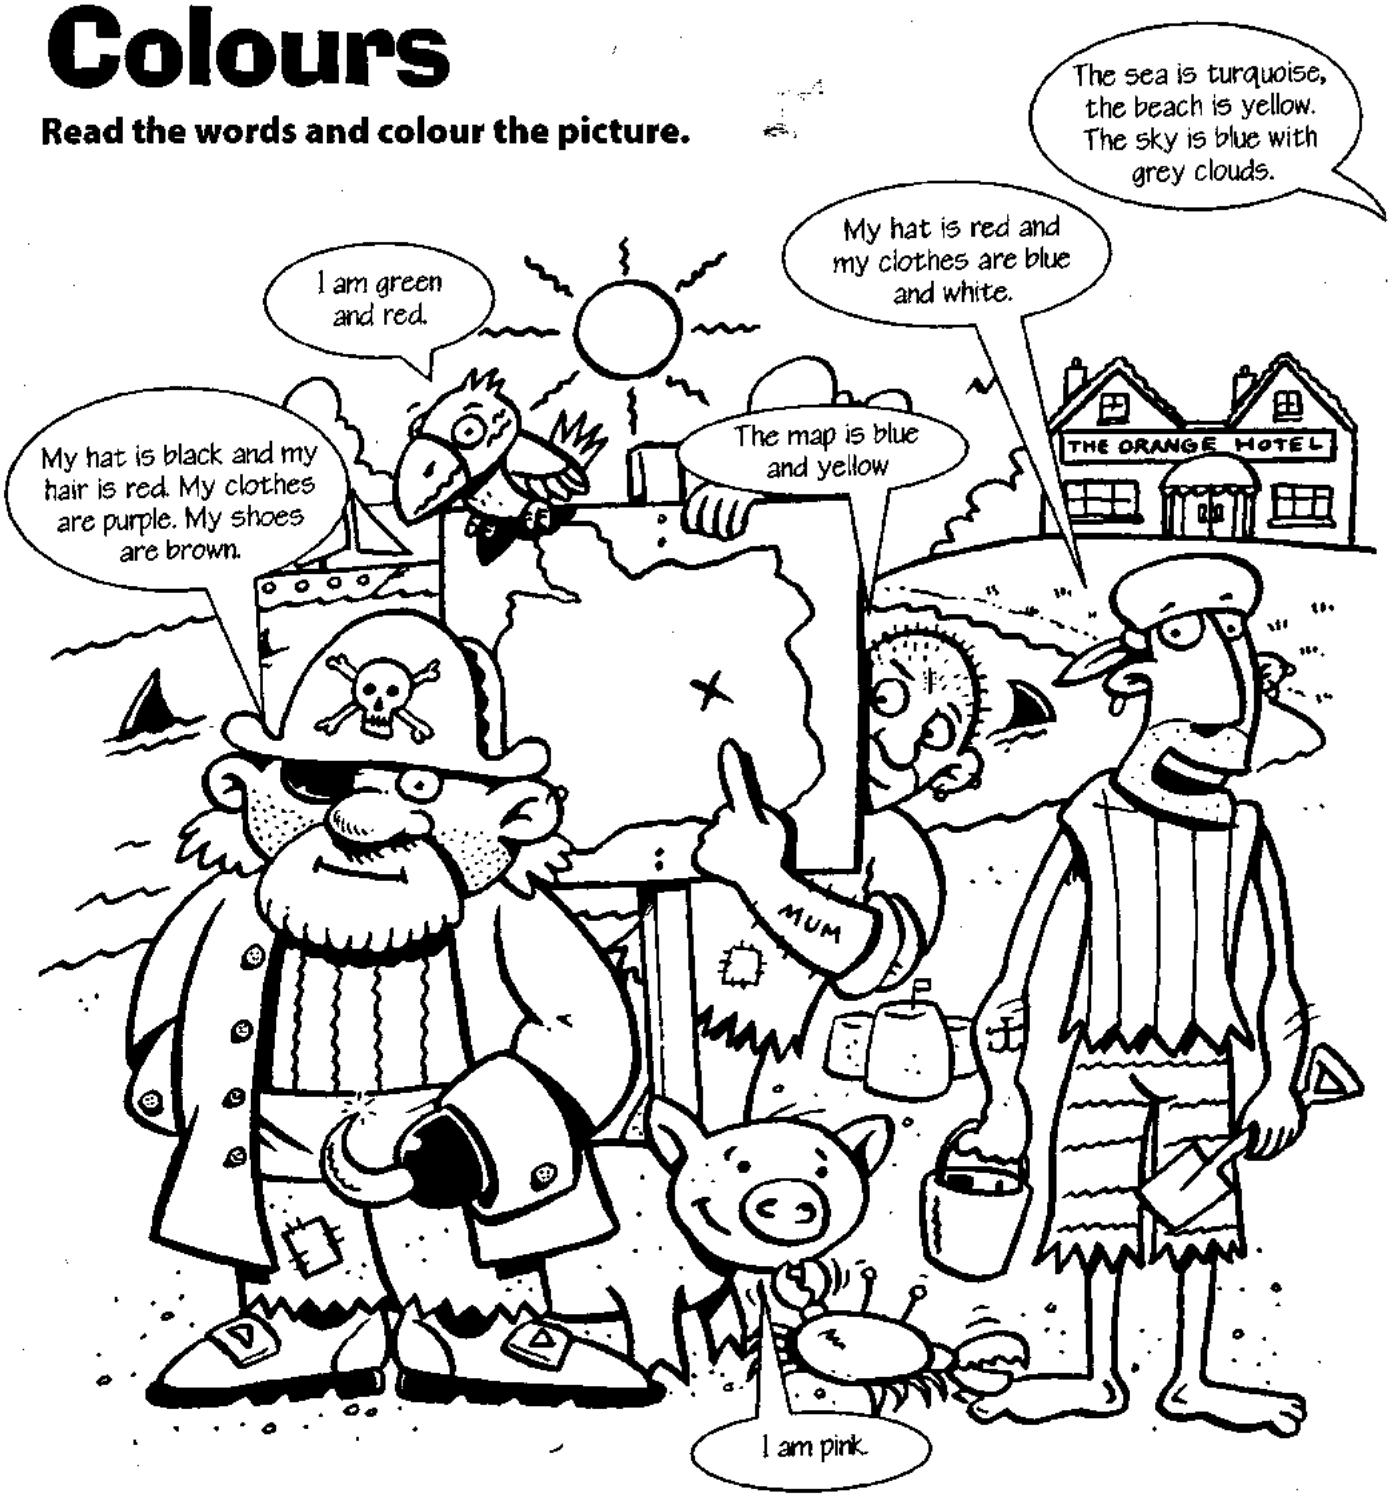

pencil

If this book is a success with your class, you may also like to try its companion title: ***Festivals and Special Days in Britain*** which looks at British customs, traditions and celebrations through photocopiable games and puzzles.

The Invitation Maze

Can you find the two paths through the maze?
Andy speaks first. Follow Andy's path in red and Lydia's path in blue.

START

Hi, Lydia. How are you? (9)

Hi, Lydia. How do you do? (14)

It was Thursday yesterday. (36)

Fine, thanks. Thank goodness it's Friday. (300)

Where are you? (15)

Nothing. Why? (600)

Are you? (200)

My name's Lydia (400)

I love going swimming on Wednesdays. (52)

No. (12)

Yes. What are you doing tomorrow? (5)

That's a good idea. Let's go and see the new Leonardo di Caprio movie. (500)

Sorry, I hate horror films. (75)

That's a great idea (150)

I have to. (24)

How about going to the cinema? (8)

What a lovely day! (710)

Would you like an ice cream? (180)

How about seven? (75)

Where's Martin? (150)

Oh, no. I saw that last week. It was rubbish. Let's go and see Scream 2. (3)

Alright, forget the film. Let's go for a pizza. (5)

Where are you going? (9)

How about toast? (7)

Alright. What time do you want to meet? (3)

I don't think so. I hate it! (200)

That's a good idea. Give him a ring. (20)

No problem. Why don't we invite Martin, too? (6)

Thank you. (16)

Here you are. Let's go. (94)

I'm never late! (30)

How? (63)

Alright. See you on Saturday. Don't be late. (12)

That's not true. (1)

'Bye, Lydia. (4)

'Bye, Andy. (5)

Alright. See you. (50)

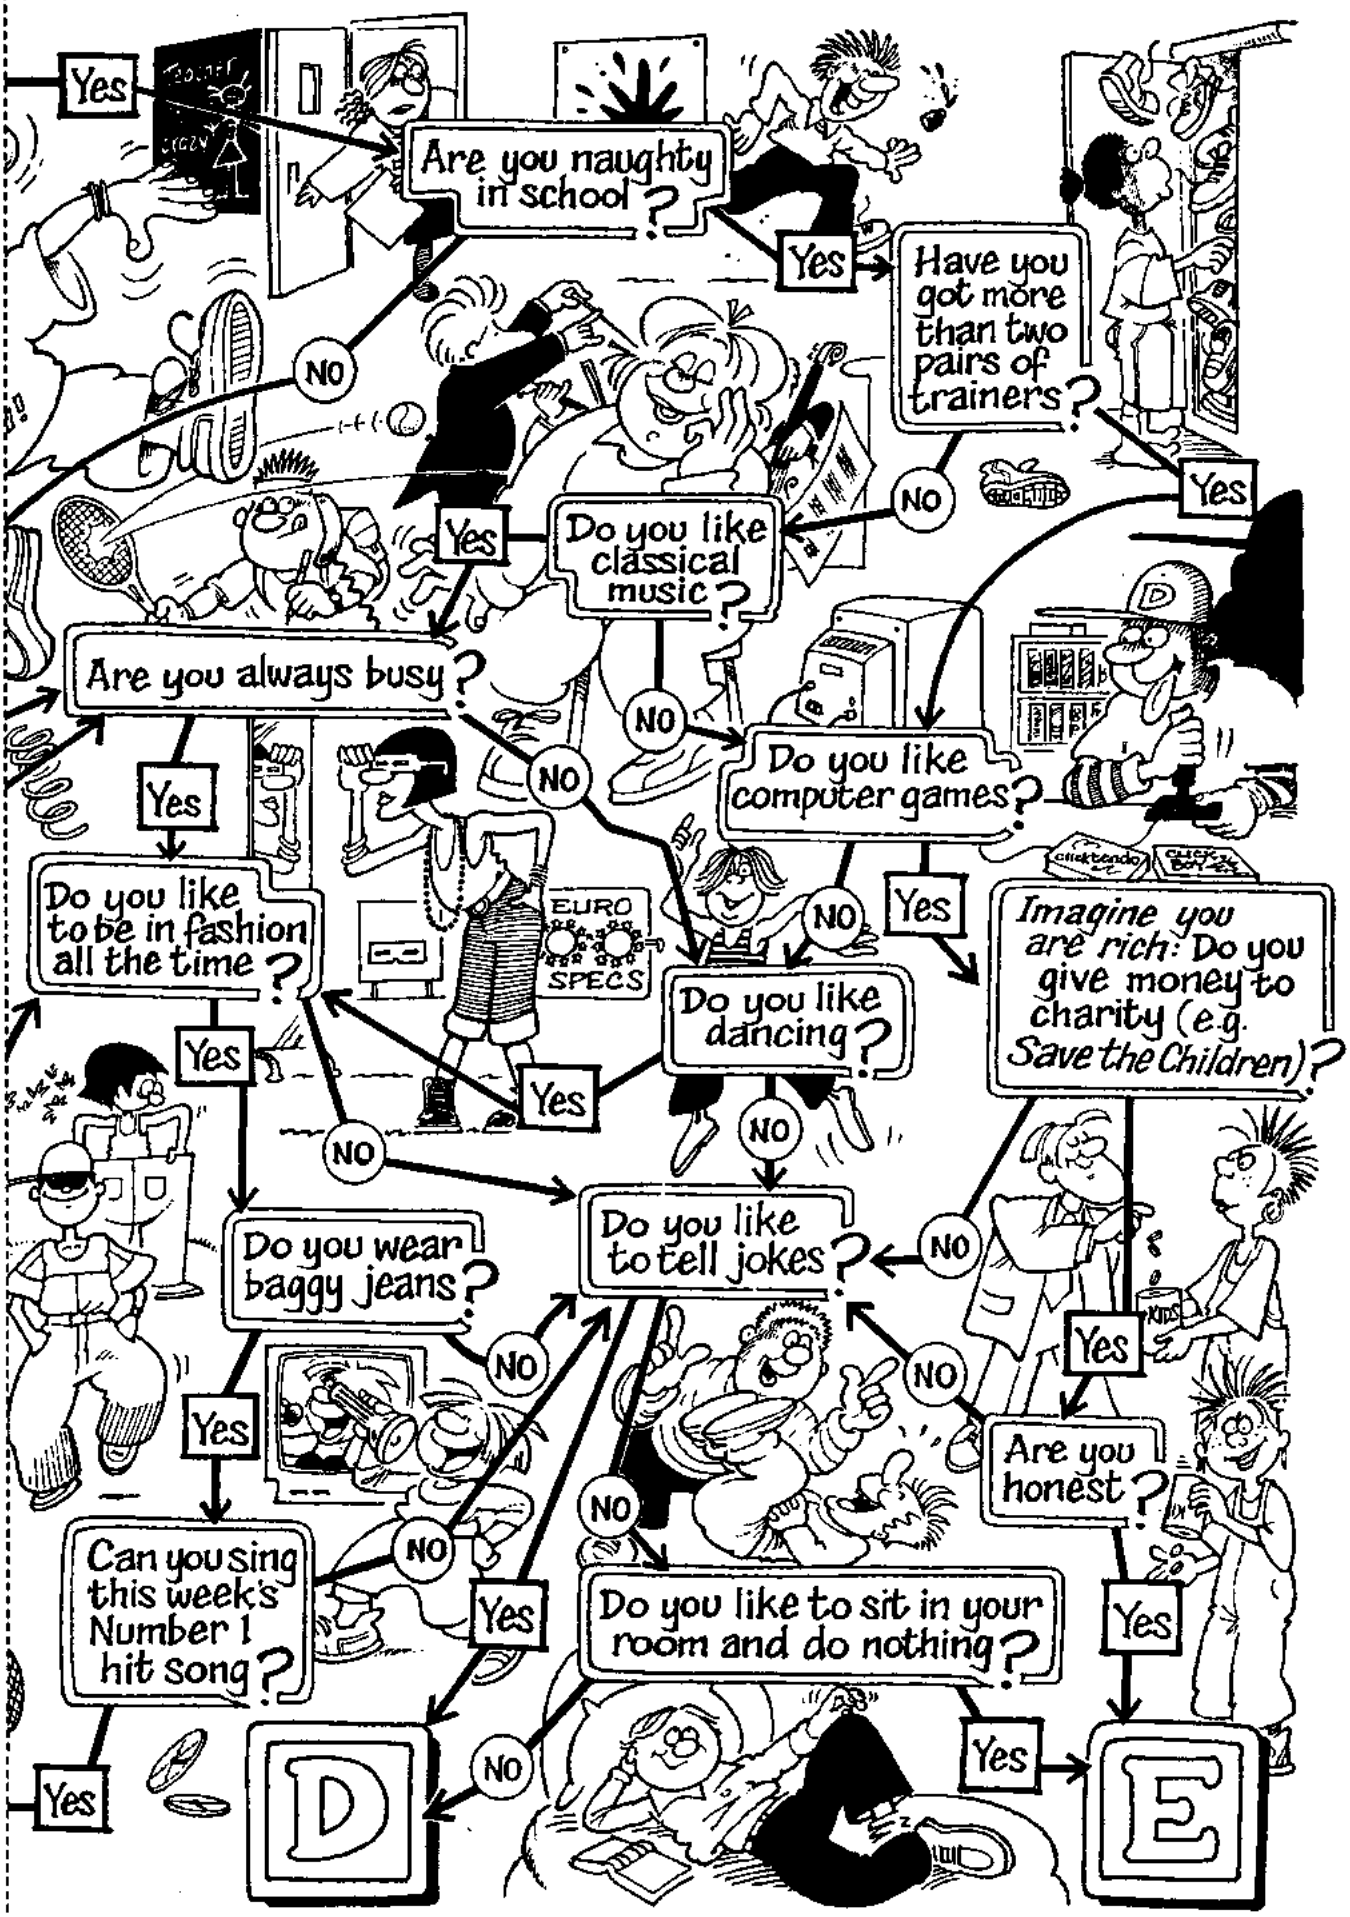

How far is it? (210)

Now add up the numbers on Andy's path to find out the height (in metres) of Nelson's Column (in Trafalgar Square) and add up the numbers on Lydia's path to find out the date of the Battle of Trafalgar.

The Clothes Show

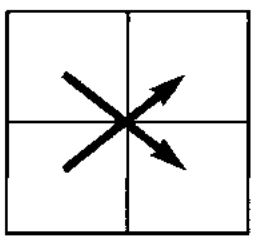

To play this game you need:

● two, three or four players ● dice ● three counters for each player

Look at the pictures of clothes and choose your three favourite items of clothing. Write their names on a piece of paper. Put a counter on one of the boxes. Then throw the dice and move the counter. If you land on a box with one of your favourite items, leave the counter on that box and continue the game with the second counter. If not, it's the next player's turn to throw the dice. The winner is the first person to get his/her three counters in the correct boxes.

YES

NO

Your moves

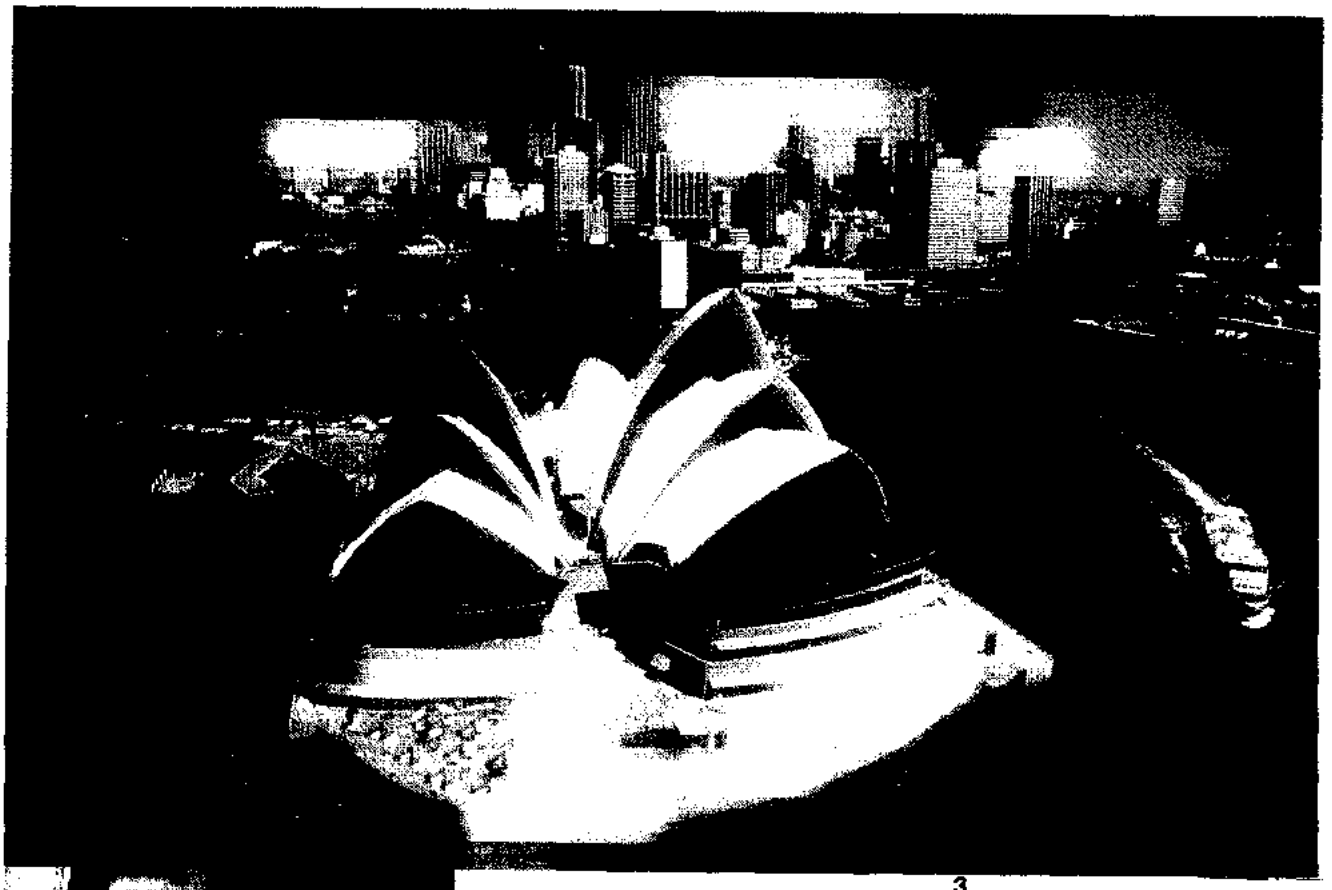

● You can move the counter from left to right, from top to bottom and from bottom to top.

● You can also change direction. But you cannot move diagonally.
