

Understanding The Word

Faith comes from God's word, how God's word dominates our heart determines how much faith we have. We all have been given faith as a gift, else we wouldn't have believed the word "Jesus."

How much Faith you have is manifested by how much of God's life dwells in you. Without the word one cannot be filled with the life of God and without being filled, such will be of little faith.

Meanwhile, understanding God's word is understanding God, His mind and His will. Understanding God's word is understanding the mind of God concerning how He functions at given times and seasons of men and How He wants to function through them at the level they've attained spiritually in Christ Jesus, i.e. our rankings. God's word will be revealed unto us in accordance to our level or rather rankings in Christ Jesus, so we can become of use unto Him at anytime.

Jesus is never limited, He's eternal, but He'll only function in us and through us based on our limitations, i.e. how much we've Journeyed deeper in Him will determine how much He'll function in us, do not limit Him okay. This is why it seems as if only a selected few experience God more, still people see it as normal. This is the reason also many find it hard to chew on hard food substance, because they're still of low ranking (babes) to accept that which is from a higher dimension of God's word.

God's word is eternal, the more you feed on it, the more you'll discover you knew nothing, it renews as it is eternal. It is being unveiled from truth to truth, not from truth to deception or from theology to theology, but from truth to truth.

I'm not trying to brag, but I'll give a few example through God's word to better explain what we're saying. Many of you might have read the scripture below, but not too many sees it this way, it was only seen according to them by the holy spirit in accordance to how much ranking they've attained, as they Journeyed in Jesus.

" Then Jesus said to them, "Take heed and beware of the leaven of the Pharisees and the Sadducees."

And they reasoned among themselves, saying, " It is because we have taken no bread."

But Jesus, being aware of it, said to them,

"O you of little faith, why do you reason among yourselves because you have brought no bread?"

[Matthew 16:6-8].

We'll talk about this as we progress. Faith is heavenly currency, and heavenly currency is life. How much faith you have also, is how much Heavenly currency you have to purchase heavenly resources. How much life you have will determine how much you can access in God through Jesus. While faith is heavenly currency, life is more than just currency, it is everything, life eternal is like an access card. How much life you have will determine how much access you'll be granted to things hid in God.

Life, just as it gives access, it is also age in the realm of the spirit and this is what we'll be talking today.

In eternity, there no age, but there are rankings, our age in eternity is sealed and interpreted as rankings, i.e. how much value of life we've harnessed in God, how much worth is the value of life eternal in you? If you're more ranking in eternity you'll be greater than one who isn't. I and Moses would never be of equal, he'll be far greater and wiser, he'll be more than me in everything i can think of when i cross into eternity. it's not about how long you've lived on earth, a son can be greater than his grand father in eternity, a member can be greater than his pastor in eternity, because of how much they've lived as living sacrifices unto God and how much life they've harnessed while on earth.

The only way you can grow in eternity is to grow in time, time becomes an investment factor unto eternity, immediately you get there, you become fixed. Even witches and the occults whatever attain ranks in the realm of darkness, how much you live to become filled with God's life, having authority and attaining ranks in the spirit will determine your age in eternity, i.e. your value.

" But in a great house there are not only vessels of gold and silver, but also of wood and clay, some for honor and some for dishonor.

Therefore if anyone cleanses himself from the latter, he will be a vessel for honor, sanctified and useful for the Master, prepared for every good work."

[II Timothy 2:20-21].

When I see people while away their time in the world, I do get sad at times. If a man of flesh can be sad, how much more do you think Jesus who created us will feel for deviating from our true act of worship.

Faith comes from the word, and life in God's word, if you slack off in attaining life through intimacy, it'll affect your value in eternity.

And so Jesus said;

"O you of little faith, why do you reason among yourselves because you have brought no bread?"

He wasn't just telling His disciples (us) they had little faith, He was actually telling them they had so little life, the value of their life eternal was of little worth, and so they were babes, not being able to understand when He was talking about the yeast of the Pharisees and Sadducees. Jesus was telling them indirectly and also directly that they couldn't understand such little parable because they were low on life eternal. Well I tell you, they're even better than us.

We have Jesus dwelling in us through His word ,yet we do not understand God when He speaks, because we failed to be filled with His life. We ought to grow spiritually to understand in much in-depth whenever God speaks.

Understanding God's word is not for you to go showing off with the gospel, if you do this, well don't be surprised, the holy spirit would never teach you again. Rather, it is for us to understand what God is speaking to us through His word in order to help us build a better relationship with Him. We are of different class in the school of the spirit, when you feed on God's word, God will speak to you through His word by the holy spirit according to your class. If you're a kindergarten, He'll teach you as a kindergarten, not as a college student.

One can be filled with life, but not having knowledge to execute the will of God. We need the word to become filled with God's life and also, to become more of God and less of us. However, without knowledge we can't give God permission to fully execute His will in and through us

Have this in mind; no kindergarten knows what he wants to become in life, he can say all he wants, but as the wind blows, when he attains maturity he'll have to know where he'll fit in. In other words, if you don't become filled with God's life, attaining maturity you'll never know what course you're to study in the college of God, you'll remain a kindergarten and leave as one.

Life is eternity, God is life and He's eternal. It is your life value that'll determine where you'll be placed in God's Kingdom, not everyone will be the same, God is just. Be filled with life and by the spirit of wisdom, understanding will be given, to know the mind and will of God, enabling you become all God has called you to be.

Whenever you give way for the world to encroach your heart, not being busy with God, think of your eternity. Every wasted time you spent on your television, talking all the time, engaging in whatever meaningless leisure you have, your eternity is being bargained. Many will say we have our time and God's time, well that doesn't affect God, it does really affects you in eternity. We are eternal buildings, where intimacy cease, our building comes to a pause. If you make much sacrifices, if you love God more, if you're willing to walk the path of death, the path of the cross then, your building (your spirit man) will be of greater value.

Jesus is the king of kings, and we are predestined kings in God's kingdom under the true king "Jesus." Being born in a fallen nature, we've fallen from our thrones. How much time you spend with God will determine how much of your throne will be rebuilt. Jesus said;

In My Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you."
[John 14:2]

Oh, did you think Jesus was only talking about your house in heaven? You are that building and He has gone to prepare a place for you, i.e. your position. How much you let Him, will determine how much He'll restore you, He has already made you, you only need to be built back to restoration. Do not let the world have it's way in your heart. It's unfortunate but, I'd say, a great multitude of us haven't even gotten anywhere in their foundation, they're still on foundation level, some haven't even begin laying a foundation.

When you get to eternity then, you'll remember these words of God;

" Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him.

For all that is in the world; the lust of the flesh, the lust of the eyes, and the pride of life is not of the Father but is of the world.

And the world is passing away, and the lust of it; but he who does the will of God abides forever."
[I John 2:15-17]

God's love in you, is to restore you back to the original place you've fallen from. If you love the world and spend less time with God, you don't truly love God, because you're not willing to sacrifice walking fully in His will.

Invest more on God, for night is nigh when no man can work.
