Introduction

It is time to unlock the secrets and technological systems of the Spirit world. The spiritual world is not a myth or fantasy. It is the real world! It is a world for the Spiritual forces.

In the Spiritual world, human beings, angelic beings, evil spirits, and godly spirits transact business. If you desire to unlock the language of the Spirit world, you have come across the right book.

The ability to decode the symbols of the Spirit world helps you discover your purpose. You can interpret past, present, and future events when you understand the language of the Spirit world.

Cats and dogs may be talking. You may interpret the sound of the animals as noise because you don't understand their language. The fact that you don't understand the language of

cats, dogs, and several animals does not mean they are irrelevant.

The animals are communicating. However, you cannot understand them. You have to decode what the animals are saying. In the same way, you must understand the language of the Spirit world, the Holy Spirit, evil spirits, the human spirit, and the soul.

Every tribe, organization, profession, and group has unique languages. You will be limited in a group if you don't understand their language. God is a Spirit. Most often, He does not speak to us using the human systems.

God speaks to us using symbols, riddles, numbers, and several mediums. It is your responsibility to decode these divine languages. Because of this reason, I have revealed some best ways to interpret the language of the Spirit world.

After reading this book, you will not struggle to interpret the language of dreams, visions, trance, and the spiritual world. I used biblical keys and some of my spiritual and dream experiences to explain the language of the Spirit world.

After reading this book, you will explore deeper truths, mysterious visions from the Holy Spirit, and the devil's tactics. You will know which dreams and visions come from God, the devil, the flesh, and the soul.

Several revelations have been unlocked in this book to help you walk and live with the Holy Spirit. This book will teach how to walk with the Holy Spirit and connect with the light of the Spirit.

Your season of the enemy's manipulation is over because you are about to explore uncommon revelations that will deliver you from demonic oppression. You are about to connect to the light of the Holy Spirit.
