

Vacancy Announcement

Addis Ababa Science and Technology University would like to invite qualified applicants for following vacant positions.

1. College of Social Sciences & Humanities

No	Required position / Academic Rank	Qualification	Background and Requirements /Specialization	Experience	Required numbers
1	Assistant Professor	PhD	B.Ed./BA in History and Minor Geography or Civic Education MA & PhD in History, Heritage Management, Federal Studies, Political Science and International relations	0 Years	01
2	Assistant Professor	PhD	BA in History/ Anthropology MA in Anthropology/History /Geography PhD in Social Anthropology	0Years	02

2. Department of Software Engineering

3	Professor/Associate Professor/Assistant Professor/Lecturer	MSc & Above (Preferably PhD)	BSc in software engineering or Computer science and MSc/PhD in Software Engineering and related fields	2 years and above teaching and research experience for a Lecturer.	10
4	Technical Assistant	BSc	BSc in Software Engineering	0 years	1

3. Department of Environmental Engineering

5	Professor/Associate Professor/Assistant Professor/	PhD	BSc /MSc/PhD in Environmental Engineering and related fields	0 years	5
---	--	-----	--	---------	---

6	Technical Assistant	BSc	BSc in Environmental Engineering	0 years	2
4. Department of Mechanical Engineering					
7	Professor/Associate Professor/Assistant Professor/Lecturer	MSc & Above (Preferably PhD)	BSc in Mechanical Engineering ,MSc/PhD in Mechanical Design	2 years and above teaching and research experience for a Lecturer.	3
8	Professor/Associate Professor/Assistant Professor/Lecturer	MSc & Above (Preferably PhD)	BSc in Mechanical Engineering ,MSc/PhD in Thermal Engineering	2 years and above teaching and research experience for a Lecturer.	2
9	Professor/Associate Professor/Assistant Professor	PhD	BSc in Mechanical Engineering /Automotive Engineering, MSc in Thermal Engineering /Automotive Engineering, PhD in Automotive Engineering	0 years	1
10	Professor/Associate Professor/Assistant Professor	PhD	BSc in Mechanical Engineering /Manufacturing Engineering ,MSc in Automation Engineering /Manufacturing Engineering, PhD in Manufacturing Engineering	0 years	2
11	Technical Assistant	BSc	BSc in Mechanical Engineering/Manufacturing Engineering	0 years	2

5. Department of Architecture					
12	Professor/Associate Professor/Assistant Professor/Lecturer	MSc & Above (Preferably PhD)	BSc/MSc/PhD in Architecture or related	2 years and above teaching and research experience for a Lecturer.	5
13	Technical Assistant	BSc	BSc in Architecture	0 years	1
6. Department of Mining Engineering					
14	Professor/Associate Professor/Assistant Professor/Lecturer	MSc & Above (Preferably PhD)	BSc/MSc/PhD in Mining Engineering or related	2 years and above teaching and research experience for a Lecturer.	2
15	Professor/Associate Professor/Assistant Professor/Lecturer	MSc & Above (Preferably PhD)	BSc in Mining Engineering, MSc/PhD in Mineral Processing	2 years and above teaching and research experience for a Lecturer.	2
16	Professor/Associate Professor/Assistant Professor/Lecturer	MSc & Above (Preferably PhD)	BSc in Geology/Mining, MSc/PhD in Engineering Geology	2 years and above teaching and research experience for a Lecturer.	2
17	Technical Assistant	BSc	BSc in Mining Engineering	0 years	2
18	Technical Assistant	BSc	BSc in Software Engineering/computer science and related	0 years	1

7. Department of Electromechanical Engineering

19	Professor/Associate Professor/Assistant Professor/Lecturer	MSc & Above (Preferably PhD)	BSc in Electrical Engineering, Control Engineering MSc in Control/Robotics/Mechatronics Engineering, PhD in Control Engineering or related	2 years and above teaching and research experience for a Lecturer.	2
20	Professor/Associate Professor/Assistant Professor/Lecturer	MSc & Above (Preferably PhD)	BSc in Mechanical Engineering, Control Engineering MSc/PhD in Mechanical Design	2 years and above teaching and research experience for a Lecturer.	2
21	Professor/Associate Professor/Assistant Professor/Lecturer	MSc & Above (Preferably PhD)	BSc in Mechanical Engineering ,MSc/PhD in Thermal Engineering	2 years and above teaching and research experience for a Lecturer.	2
22	Professor/Associate Professor/Assistant Professor	PhD	BSc in Electrical Engineering, MSc/ PhD in Electronics or Embedded System or related	0 Years	2
23	Technical Assistant	BSc	BSc in Mechanical Engineering/Manufacturing Engineering	0 years	1
24	Technical Assistant	BSc	BSc in Electrical Engineering	0 years	1

8. Department of Electrical & Computer Engineering

25	Professor/Associate Professor/Assistant Professor/Lecturer	MSc & Above (Preferably PhD)	BSc in Electrical Engineering/Control Engineering/ MSc in Control/Instrumentation/Robotics& Automation Engineering, PhD in Control Engineering or related	2 years and above teaching and research experience for a Lecturer.	3
----	--	-------------------------------	---	--	---

26	Professor/Associate Professor/Assistant Professor/Lecturer	MSc & Above (Preferably PhD)	BSc in Computer Engineering, MSc in Computer Engineering Focus, PhD in Computer Engineering	2 years and above teaching and research experience for a Lecturer.	2
27	Professor/Associate Professor/Assistant Professor/Lecturer	MSc & Above (Preferably PhD)	BSc in Electrical Engineering and related MSc/PhD in Electronics Engineering	2 years and above teaching and research experience for a Lecturer.	1
9. Department of Civil Engineering					
28	Professor/Associate Professor/Assistant Professor	PhD	BSc in Civil Engineering, Construction & Technology Management MSc/PhD in Construction & Technology Management	0 Years	2
29	Professor/Associate Professor/Assistant Professor	PhD	BSc in Civil Engineering and related, / MSc/PhD in Geotechnical Engineering,	0 Years	2
30	Professor/Associate Professor/Assistant Professor	PhD	BSc in Civil Engineering, / MSc/PhD in Road & Transport Engineering	0 Years	2
31	Professor/Associate Professor/Assistant Professor/Lecturer	MSc & Above (Preferably PhD)	BSc in Civil Engineering / MSc /PhD in Rail way Engineering	2 years and above teaching and research experience for a Lecturer.	1
32	Professor/Associate Professor/Assistant Professor	PhD	BSc in Civil Engineering, / MSc/PhD in Structural Engineering	0 Years	2

33	Technical Assistant	BSc	BSc in Surveying	0 years	4
34	Technical Assistant	BSc	BSc in Civil Engineering/ Road & Transport Engineering	0 years	1
9. Department of Biotechnology					
35	Professor/Associate Professor	PhD	BSc in Biotechnology/Biology, MSc in Biotechnology, PhD in Bioinformatics	4 years of teaching and research experience after PhD & having recent publication.	1
36	Professor/Associate Professor/Assistant Professor	PhD	BSc in Biotechnology/Biology ,MSc in Biotechnology specialized in Environment or Applied Microbiology, PhD in Environmental Biotechnology	2 years of teaching and research experience after PhD & having recent publication.	1
37	Professor/Associate Professor/Assistant Professor	PhD	BSc in Biotechnology/Biology ,MSc in Biotechnology specialized in Medical Biotechnology or related fields, PhD in Medical Biotechnology	2 years of teaching and research experience after PhD & having recent publication.	1

10. Department of Geology

38	Professor/Associate Professor/Assistant Professor	PhD	BSc in Geology/Earth Science, MSc in Geology/Earth Science (Economic Geology), PhD in Economic Geology/Mineral Exploration	2 years of teaching and research experience after PhD & having recent publication.	1
39	Professor/Associate Professor/Assistant Professor	PhD	BSc in Geology/Earth Science, MSc in Geology/Earth Science , PhD in Geophysics	2 years of teaching and research experience after PhD & having recent publication.	1
40	Senior Technical Assistant	BSc	BSc in Geology, Earth Science,	4 years of experience as a Technical Assistant & having action research experience	3

11. Department of Industrial Chemistry

41	Professor/ Associate Professor	PhD	BSc in Chemistry, MSc/PhD in Inorganic Chemistry	4 years of teaching and research experience after PhD & having recent publication.	1
----	-----------------------------------	-----	--	--	---

11. Division of Mathematics, Physics& Statistics

42	Assistant Professor/Lecturer	MSc & Above (Preferably PhD)	BSc/MSc/PhD in Statistics	2 years and above teaching and research experience for a Lecturer.	2
