Welcome to Q project

Q project is part of ZamREC Initiatives that seek to bring in all creative graduates and experts in constructing initiatives that strives in achieving the organization goals.

Q project 1

Project definition: q project 1 is a q project for teachers and educators to participate and create questions out of the content provided. Participation earns a certificate of participation from ZamREC and affiliation.

Common terms in this project includes: starters(words that guides a question), Block(a complete project to extract questions from. It is formed out of 1000 words), Mentor(the person representing the organization)

The following are the expectations of this project

1. Thorough understanding of 1000 word blocks
2. Constructing questions that covers with the following starters
   a. What....
   b. Who...
   c. When...
   d. Where...
   e. Why...
3. Questions extracted consist 4 answers to which one is correct but all of them proceed from the same paragraph of that block
4. Having one thousand words in each block, after 100 words there should arise a question that covers the above starters
5. In completing each block, all starters should have at-least 2 questions formulated.

Mode of participation from partner.

1. Having contacted ZamREC the project begins by receiving 2 blocks(2000 words) online
2. Each block contains paragraphs which should be counted and written down before starting
3. Each paragraph being read questions according to the starters should begin to be formulated
4. Questions and their answers should typed on whatsapp or using Word or written on a clear paper in block letter
5. On each Block completed the questions should be sent via whatsapp to the number provided by your mentor
6. At the end of the week(according to the start date) all blocks completed shall earn a K10.5 ngwee.
7. Q project has over 500 blocks to be completed. With this partner can participate till the end.

ZamREC is a nonprofit organization that seeks to find ways in solving career and educational problems through partnering school leavers, graduates, learning institutions and companies
