Greeting in Jesus name!

Winning Life Daily Devotional for the month of October is designed to help believers to honor themselves. You have an assignment to accomplish. God is going to work in you and through you to touch many lives.

Winning Life Daily Devotional only costs $1 per month. Winning Life Daily Devotional is available in PDF format; hard copies can be printed as per order. Read this devotional prayerfully and watch God turn your life around.

Before you read this devotional, make sure you are saved. If you are not saved, say this prayer from your heart.

Father, I come to you today, I acknowledge that I am a sinner. I believe that Jesus died for my sins. Jesus, come into my heart and be the Lord and savior of my life. I choose to serve you the rest of my life. In Jesus name, Amen!

CROWNED WITH HONOUR

For thou hast made him a little lower than the angels, and hast crowned him with glory and honour (Psalms 8:5 KJV)

God loves you so much that he crowned you with honor. The members of parliament are referred to as honourables; they command respect wherever they go. Their honour comes from the earthly governments but your honour comes from God. You are not ordinary at all, God sees greatness in you. Choosing to dishonour yourself is a great way of dishonouring your Maker. No one in this life should dishonour you because the one who made you has crowned you with honour.

Confession: I am an honourable, I am crowned with honour. My life is a living testimony. I am growing in honouring myself

Prayer: Thank you Father for putting such a great honor upon my life. I choose to honour myself

CROWNED WITH GLORY

For thou hast made him a little lower than the angels, and hast crowned him with glory and honour (Psalms 8:5 KJV)

On top of the honor that God has crowned you with, He has also crowned you with glory. The glory of the Lord is upon your life. You live to manifest the presence of God on earth. You are the suitable candidate to represent God in your family, community and nation at large. You were created to shine and to display the splendour of God.

Arise, shine; for thy light is come, and the glory of the LORD is risen upon thee (Isaiah 60:1 KJV)

You have to live like someone who understands what you carry and represent.

Confession: I am a new creation full of God's glory

Prayer: Thank you Father for your glory in me

LOVE YOURSELF

And the second is like unto it, Thou shalt love thy neighbour as thyself (Matthew 22:39 KJV)

It is so shocking that there are people in this life who don't even love themselves. You never hear them say any good thing about themselves. You are an important person and you have to love yourself. You can't love other people well when you have not learnt to love yourself first. Just think about how God loved you and gave you his son, that was not ordinary love at all. If you were loved to the extent of being given the Son of God then you have no reason to hate yourself. When you love yourself you are honoring your Maker in special way.

Confession: God loves me and I love myself. I am important in the eyes of God. I am loved with an unconditional love

Prayer: Thank you Father for loving me and teaching me to love myself

YOU ARE NOT A MISTAKE

Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations (Jeremiah 1:5 KJV)

You are on earth at the right time. God knew that you were coming and He had already prepared great things for you. I went through a lot as I was growing up. I questioned myself about why I was born. The pain of what I was going through made me think that I was a mistake and I wasn't supposed to be born. I thank God for the Word because it changed my perspective. You have to stop blaming God for what you are going through and start running with the assignment that you were born to fulfil.

Confession: I am not a mistake on earth. God created me for a reason and I know my assignment

Prayer: Thank you Father for your plan upon my life, thank you for choosing me

OTHERS ARE NOT BETTER

Then Peter opened his mouth, and said, Of a truth I perceive that God is no respecter of persons: But in every nation he that feareth him, and worketh righteousness, is accepted with him (Acts 10:34-35 KJV)

You were created in the image and likeness of God just like others. You might not have more money than your neighbours but yet you still hold the same value with them. Stop comparing yourself with anyone, God is not a respecter of persons. We are equally important before our Maker. No one is better than you and you are not better than anyone. Even the little children have the same value before God as the adults. Always thank God for who you are.

Confession: I am important before God, my God is not a respecter of persons

Prayer: Thank you Father for creating me with the same value with everyone else

OTHERS ARE NOT MORE QUALIFIED

But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name: (John 1:12 KJV)

What qualifies us before God is the same, Jesus is our qualification. You are as saved as all those who received Christ; you are a sanctified child of God. The same blood that cleansed others is the same blood that cleansed you. You should not underrate yourself. You are chosen and ordained (John 15:16). The grace of God is sufficient for you and you should boldly identify yourself with your heavenly Father. Seeing yourself as disqualified is actually dishonouring the finished work of the cross. Jesus did not die for you to remain disqualified and valueless. He died for your exaltation.

Confession: I am chosen, ordained and qualified. I am God's precious child

Prayer: Thank you Father for qualifying me

OTHERS ARE NOT MORE ACCEPTABLE

There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus (Galatians 3:28 KJV)

We are living at a time when the world is fighting racism. Who is more important the whites or the blacks? The answer is right there on the above scripture. We are all one in Christ. God accepts me the same way He accepts you. We all deserve a better life. No one is above the other, the white can lead and the blacks can lead too. Your nationality, tribe or colour is never a hindrance. Never listen to the lies of the devil who always try to make you feel small and unworthy. The enemy can never do anything to you if you walk in consciousness of who you are and the God that you carry and represent.

Confession: I am accepted by God, my church, my family and my community

Prayer: Thank you Father for accepting me

OTHERS ARE NOT MORE GOOD LOOKING

I will praise thee; for I am fearfully and wonderfully made: marvellous are thy works; and that my soul knoweth right well (Psalms 139:14 KJV)

God took his time when he created you. Everything about you is perfect. You have to visit the mirror everyday to look at yourself. Appreciate how you look because God did his best on you. People with carnal minds can say whatever they say about how you look, they can even call you by names like what those children did to Elisha. You should not be moved by that. Your creator is satisfied with you. He sees great beauty in you and He doesn't feel like making some adjustments on you. Always appreciate God for your physical appearance.

Confession: I am fearfully and wonderfully made. God took his time on me

Prayer: Thank you Father for creating me with great beauty and glory

OTHERS ARE NOT MORE GIFTED

Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should remain: that whatsoever ye shall ask of the Father in my name, he may give it you (John 15:16 KJV)

Other people are not more gifted than you, they are just gifted differently. You have your own assignment and other people have their own assignments also. God does not measure your success by looking at what other people are doing; He measures your success by looking at what you are doing versus what He has put in you. That is why you should never be in competition with anyone in this life. No need to be jealous about anyone. Run your race in your own special way. Use the gifts that God has put in you.

Confession: I have a unique gift upon my life. I am not in competition with anyone

OTHERS ARE NOT MORE LIKABLE

And Jesus increased in wisdom and stature, and in favour with God and man (Luke 2:52 KJV)

Everyone is ordained to increase in wisdom, stature and favour with God and man. I have my own sphere of influence and you have your own. There are people who will know me and like me yet there are people who will know you and like you but never get to know me. You can't be known and liked by everyone, you will only meet and get to know people that you were ordained to meet. You should never complain about the people who don't seem to recognize you. I know I can't be a pastor of everyone; I thank God for those that God will bring in my life and also for those who God will direct into other churches.

Confession: I am growing in wisdom and favour. The right people are coming into my life

FIND TIME TO REST

For it was through working for Christ that he came so near death, risking his [very] life to complete the deficiencies in your service to me [which distance prevented you yourselves from rendering] (Philippians 2:30 AMP)

God gave you one body and it is your responsibility to take good care of it. Many gave died before their time for failing to take care of their bodies. Hard work is important and it is recommended by the Word of God but after work there is need to rest. The young man in Philippians almost died for overworking himself. Pastors can burnout if they work without rest. Find time to sleep. Taking good care of your body is a way of honouring your maker.

Confession: I love my body; I always take some time to rest after hard work

ENGAGE IN GODLY RELATIONSHIPS

Do not be so deceived and misled! Evil companionships (communion, associations) corrupt and deprave good manners and morals and character (1Corinthians 15:33 AMP)

There is an aunt that we once stayed with, she died last year and I know why she had to die that young. She engaged herself in so many ungodly relationships. My grandmother tried to counsel her but she refused to change. She went on to get married with someone's husband and this man happened to be HIV positive. Never dishonour yourself by engaging in relationships that are ungodly. Honour yourself, value your body and connect to the right people only.

Confession: I choose friends wisely. I value my life and I will not be unequally yoked with unbelievers

DON'T TAKE IN UNNECESSARY STUFF

Wine is a mocker, strong drink is raging: and whosoever is deceived thereby is not wise (Proverbs 20:1 KJV)

I tried beer and smoking before I got saved; I thank God that I never liked it. I have watched many young people destroying their lives with drugs. We are living in a time when many are looking for scriptures to justify the taking of alcohol and drugs. My advice has always been, it is wise to do away with things that you can live without. I am living a normal life without taking any beer. Your body can function in a very normal way without taking any drug. Be wise; take good care of your body. You don't need to take in something that is written, "It can be harmful to your health."

Confession: I am wise, I don't take in unnecessary stuff that don't help me in any way

EAT GOOD

So I think we should get as much out of life as we possibly can. There is nothing better than to enjoy our food and drink and to have a good time… (Ecclesiastes 8:15 CEV)

I grew up in an environment that we were taught that eating good food was wastage. We would just eat to fill our stomachs and we were not worried about the quality of the food. That was so wrong; there is nothing wrong in spending money on good food. Sometimes it is not about the quantity of the food but the quality also. Buy fruits to eat daily. Take in more vitamins and reduce carbohydrates. Always make sure that you take in reasonable amounts of everything that you eat. Drink lots of water daily.

Confession: I love my body, I eat good always. I am disciplined to eat the right food only

CHOOSE A GRATEFUL LIFE

I will offer you a sacrifice to show how grateful I am, and I will pray (Psalms 116:17 CEV)

You are alive today because of God. God is on your side and he has been keeping you from destruction. The devil wants to see you dead but God has been faithfully keeping you up to today. This is the reason you should always be thankful to God for what he did, what he is doing and what He will do. Never pretend as if you are where you are because you have been clever or smart. It has been God from the beginning and He will continue to keep you. Songs of thanksgiving should always be on your mouth.

Confession: I am a grateful child of God. Songs of thanksgiving are always on my mouth

CHOOSE TO FOLLOW GOD'S WILL

And he went a little further, and fell on his face, and prayed, saying, O my Father, if it be possible, let this cup pass from me: nevertheless not as I will, but as thou wilt (Matthew 26:39 KJV)

The life of Jesus was surrendered to God that is why he was a great success. Do you know the will of God for your life? You will never live your life to the best until you start following the plan of God for your life. Sometimes the plan of God for your life might sound strange but as you give yourself to it, you will be fulfilled in many ways. I will never forget a time when I went to live in a town that God didn't want me to be at that stage of my life. I struggled a lot and my life was like a living hell. Things changed when I went back to the place that God wanted me to be.

DRESS WELL

And my God will liberally supply (fill to the full) your every need according to His riches in glory in Christ Jesus (Philippians 4:19 AMP)

God is faithful to supply everything that you need include the clothes to wear. How you present yourself to the world is very important. There is nothing wrong in investing in expensive clothes. The cheap clothes usually don't last that long. Know your body and what fits you well. I know of places where I will struggle to be accepted if I am not dressed properly. I always wear my best clothes when going to preach. People have to accept me first even before I start preaching to them. You live in a world that is full of people so you should not just dress for yourself but also for others.

TAKE A BATH

Do you not know that you are God's temple and that God's Spirit dwells in you? (1Co 3:16 ESV-r)

I used to think that the body was not important at all. I would abuse my body and I wouldn't mind how I looked. That was very wrong. The body is very important; we can't survive on earth without the body. The bible goes on to tell us that our bodies are the temple of God. With this in mind, we should never take our bodies lightly. Clean your body everyday and if it means taking a bath more than once, go ahead and do that. Brush your teeth regularly, cut your nails and do your hair. Always keep a fresh smell on you. Wash your clothes and make sure they are clean.

I am one person who is so much into technology that I have gone paperless. I use the bible in my phone and in my laptop. I find technology very helpful when used in the right way. Get yourself an original nice phone with a reasonable screen size that you can use for reading and social media. Join social media platforms like WhatsApp, Facebook, Twitter, Instagram. For you formed my inward parts; you knitted me together in my mother's womb. I praise you, for I am fearfully and wonderfully made. Wonderful are your works; my soul knows it very well (Psalms 139:13-14 ESV-r)

Did you know that there is something that you can do better than everyone else in this world? God never creates duplicates. You are one of your own kind and you can do things that no one can ever copy. Continue to discover what God has put in you. Run with your specific assignment. YOU ARE VERY GOOD

And God saw everything that He had made, and behold, it was very good (suitable, pleasant) and He approved it completely. And there was evening and there was morning, a sixth day (Genesis 1:31 AMP)

Our God is a master in everything that He does. The creation is a display of the awesomeness of our God. Everything that we see today was in God before it manifested on earth. God was pleased by everything that He had created and after He created everything He said, "Everything is very good." This included you also. He looked at you and said, "You are very good." You are God's best created in the image and likeness of God. You can stand and display the beauty of our God. Stop blaming God for anything, He never made a mistake and He is so proud of you.

LIVE LONG

With long life will I satisfy him, and shew him my salvation (Psalms 91:16 KJV)

I am so disturbed when I hear some people wishing if they were dead. If God didn't want you here, He would have never wasted his time to bring you here. You are on an assignment here on earth and you should live to see God using you in a great and mighty way. Don't be in a rush to go to heaven, finish your assignment on earth first. See yourself living up to 100 years or more. Be like Apostle Paul, He knew that heaven was a great place waiting for him yet He was not in a hurry to go there. His desire was to influence many people before his departure. Stop talking about death, there is life in you.

SMILE DAILY

Then [Ezra] told them, Go your way, eat the fat, drink the sweet drink, and send portions to him for whom nothing is prepared; for this day is holy to our Lord. And be not grieved and depressed, for the joy of the Lord is your strength and stronghold (Nehemiah 8:10 AMP)

Never allow anything to steal the joy that you have in Jesus Christ. Christianity is not a boring journey; it was designed to be enjoyed. The devil is an enemy of our life and he always tries to steal things that are important to you. The joy of the Lord keeps you healthy. Anything that steals your peace is not worthy doing. Let the world see your smile; keep smiling in good and bad times.

GO TO SCHOOL

As for these four youths, God gave them knowledge and skill in all learning and wisdom, and Daniel had understanding in all [kinds of] visions and dreams (Daniel 1:17 AMP)

I always thank God for my parents who sent me to school. I am able to read and write. Even after graduating from tertiary education, I am still learning and developing myself. It is very difficult to be relevant in this life if you are not educated. Christianity is not an excuse for failing to go to school. Daniel has to be our example, he was not just a spiritual giant, he also had skill and knowledge in all learning. Get to learn new things everyday of your life.

PRAY DAILY

Pray at all times (on every occasion, in every season) in the Spirit, with all [manner of] prayer and entreaty. To that end keep alert and watch with strong purpose and perseverance, interceding in behalf of all the saints (God's consecrated people) (Ephesians 6:18 AMP)

Prayer can never be substituted by anything in the life of a believer. It is your way of communicating with your heavenly Dad. It is also your access to everything that your Father has. Consistency in prayer is very key in building a strong Christian life. Just imagine a fish trying to survive out of water, it is very impossible. This is the same with your life; you draw your strength from a consistent prayer life. You flourish in everything that you do when you are prayerful.

STUDY THE WORD

Study and be eager and do your utmost to present yourself to God approved (tested by trial), a workman who has no cause to be ashamed, correctly analyzing and accurately dividing [rightly handling and skillfully teaching] the Word of Truth (2 Timothy 2:15 AMP)

Your relationship with God is seen in how you value the Word of God. The Bible is a solution and answer book. Joshua succeeded by meditating on the Word of God day and night. I remember when I got saved, I fell in love with the Word of God and I was so excited by what I was seeing in the Word. I saw some truths that have changed my life completely. I realized that I could do far more greater things than what I had been told as I grew. My spirit jumped when I saw that I can do all things through Jesus.

ATTEND CHURCH SERVICES

One thing have I asked of the Lord, that will I seek, inquire for, and [insistently] require: that I may dwell in the house of the Lord [in His presence] all the days of my life, to behold and gaze upon the beauty [the sweet attractiveness and the delightful loveliness] of the Lord and to meditate, consider, and inquire in His temple (Psalms 27:4 AMP)

The desire of David has to be your desire also. Going to the house of God has to be your lifestyle. There is a time when I went for about 9 years without missing even a single Sunday service. I don't think I will miss any church service in the future. Create time for God; don't allow your business or education to come in the time of God. Be a participant in the house of God. Punctuality is also needed in the house of God.

FIND A MENTOR

Where no wise guidance is, the people fall, but in the multitude of counselors there is safety (Proverbs 11:14 AMP)

A good student is always looking for opportunities to learn. There are people who know what you don't know and you should take advantage of that to learn. You need to have people who mentor you in the area of finances, marriage and ministry. Learn from the strengths and mistakes of others. Read books that were written by people who inspire you. Listen to audio and video sermons. I am personally a product of books. I am grateful to God for Kenneth E Hagin's book ministry. What are you reading? There should never be a time when you are not reading something.

Confession: I am a wise student; I value Christian literature. I am growing daily

Prayer: Thank you Father for the people that you put in my life to mentor me

BODILY EXERCISE

For physical training is of some value (useful for a little), but godliness (spiritual training) is useful and of value in everything and in every way, for it holds promise for the present life and also for the life which is to come (1 Timothy 4:8 AMP)

I listened to a woman of God talking about how God told her about taking good care of her body otherwise she would die young. She started changing her diet and going to the gym. She is currently in her late 70s but she is still very strong. The bible talks about bodily exercise profiting little but that little is every important. You have to burn that extra fat in your body. Always monitor your weight. Get rid of junk food. Give yourself to running and jogging every day.

Confession: I am a disciplined child of God. My body is in great shape

Prayer: Thank you Father for teaching me to be disciplined

SPEAK GOOD ABOUT YOURSELF

And [the cripple] bowed himself and said, What is your servant, that you should look upon such a dead dog as I am? (2 Samuel 9:8 AMP)

If you were asked to write a page about yourself, what would you write? How many times have you spoken good about others yet you have never said anything good about yourself? You only have this life once, make the most out of it. Speak good things about yourself. Stop mocking and criticising yourself. Declare that you are blessed coming in and going out. Speak about the life of exploits that God has called you into. Reject every negative word spoken over your life. Speak life over yourself, your business and your education. Only positive things should come out of your life.

Confession: I live a positive life. I speak good things only about myself. My life is getting better and better

Prayer: Thank you Father for teaching me to be positive

KEEP YOUR VISION ALIVE

Where there is no vision [no redemptive revelation of God], the people perish; but he who keeps the law [of God, which includes that of man]--blessed (happy, fortunate, and enviable) is he (Proverbs 29:18 AMP)

Life is full of tests, trials, temptations and persecutions. Some people will be used by the devil to try to anger, disappoint and frustrate you. It takes faith to keep your vision alive. Always remember that the devil fights you because he sees great potential in you. Never give up in life, there is so much you can achieve if you keep holding on to what God has given you. Live to solve problems and answer the questions that many people have in this life. You are a problem solver

Confession: I am a visionary; my vision is alive. I solve problems and bring answers

Prayer: Thank you Father for the vision upon my life. Thank you for the endurance to hold on even in the trying times of life
