SESSION 2 PHASE 1

CHRIST EMBASSY MINISTRY

Your loveworld Season 2 phase 1 :

WEDNESDAY 1 JULY 2020 DAY 1

Pastor is singing great is thy faithfulness.

Because he lives

Today we begin a new series of discussions and teachings, so we are in another season, And this is phase 1 of this season. I don't know how many other seasons we are going to have. Something that the lord said to me very instructively, about bringing the word to you. Because he said your victory is in the word. That's where it is. You need to have your attention, focus your attention, on the word. There's so much coming from everywhere, but the adversary is defeated.

THE MYSTERY OF CHRIST

We are discussing the mystery of Christ. A lot of people don't know about this.

For example they shut down the congregations, so how will they know? Jesus had such challenges with the religious leaders of his day. Matthew 22:43-46.

David said The lord said to my lord, and the Pharisees sang about it. Then Jesus said if David called him lord, how come he is his son? And they couldn't answer him.

Christ is the English of the Greek kristos, which is from the Hebrew meshiach, which in English means the anointed. This is significant.

Meshiacha means to smear, to rub, to anoint. Meshiach is used for the one that anoints. This goes for the blessing. You can only bless the one that is blessed. If you're not blessed, the blessing won't work. The anointed means the one consecrated by God, it has nothing to do with the oil. Get our book the oil and the mantle.

When the oil is used, it is only symbolic. If God didn't anoint you, it doesn't matter how many bottles of oil has been poured on you. It won't work. God makes a choice, and he anoints the one he chose, by the spirit. So the oil is used as a symbol of the spirit's consecration. When this is done, it means symbolically, this one is chosen by God and is chosen to what God wants to do. 1 Samuel 16:6 Samuel went to Jesse's house and was ready to anoint Eliab. Let's read.

1 Samuel 16:12 He was looking for the lord's anointed, not the "would-be" anointed.

Here's an interesting thing, if David called him lord, how then did he call him his son. That means David had a better understanding of the Christ, than the Pharisees did. If David called him lord, what else might he said about this Christ. Seems he knew better than the Pharisees, so if I want to find out about the Christ, I would ask David and not the Pharisees.

Let's find out what he knows: Acts 2:25-28

29 was Peter preaching, and he was preaching this on the day of Pentecost. Peter states emphatically that David was a prophet.

Vs 32. This is remarkable, because here we see that Jesus did go to hell. And his flesh didn't see corruption, means his body didn't decay. So he went to hell but did not remain in hell, neither did his body decay.

Vs 33. I love this, I wish I could take time to express this truth, who this Jesus is... Do you know what this is? I'm gonna have to come back to this, so I can explain it to you....let's continue.

Vs 34: the lord said unto my lord, remember that. He was talking about the Christ.

He declared that this Jesus whom they crucified, God has made him both lord and Christ. Who was the anointed one supposed to be? He was supposed to be king. The messiah is king. They knew it. So he declares that God has made him both lord and king. He's the anointed. Do you know what he charged them with? He charged him with killing the king. They didn't know who he was. Now

They're hearing that this Jesus they crucified is both lord and Christ. He is the anointed one. This is something. We are talking about Jesus. We are not talking about some poor fellow who is looking for help from God. He is lord and Christ.

Let's go to zechariah, here is what the prophet said Zechariah 9:9. The first thing that the Christ is king. He wasn't a savior, having a crown. He is king having salvation. He is lowly, you're not gonna see him, looking greatly dressed with regalia like the king. You're not gonna see him

dressed like Herod or Caesar. Think about he comes riding on a donkey. Some thought that he was going to come on a chariot with a great army. But he comes on a donkey. Who is he, thy king. Matthew 21:1-5. Wow wow wow!

Go to Saint John 12, we read from verse 12. The common people had enough sense to tell who he was. John 12:13 they knew, it was the leaders that didn't know. John 12:16. They saw it happen but didn't understand. His disciples didn't understand. The common people understood. The religious leaders didn't understand. Luke 19:34-39(the Pharisees wanted him to shut his disciples up). Vs 40 -Jesus is saying I am king.

Luke 19:41- the Bible said Jesus wept over it.

Luke 19:44. How painful, the king was rejected. They didn't know who he was. Had they known the scriptures they would have known. The leaders were ignorant of the scriptures.

Daniels 9:24. Seventy weeks (I explained this to you before). He gave Daniel an overview, from then till the end of time.

Daniel 9:25- specific. See the lord never left the people in darkness. He was always clear. There was four commandments given in all. Cyrus came, Darius came, Darius commandment was to finish Cyrus work. Artaxexes came. Each had their commandments, while the first two were to handle the sacrifices and the temple. the latter was to rebuild the walls of Jerusalem.

There was definiteness from God, as to when the king would come.
How come they still didn't know it?

They didn't reject him because they knew he was to die. They did so because they were hardened, unbelieving and didn't know him.

We have to take the word seriously. The word is truth. We are not only to believe it, but to act on it. His wordens are very important. I've told you, we are living in the signs of the times. You have to put your life in order. You have to believe in who he is and what he came to do.

Acts 2:34-35, Matthew 22:41-

Who is Jesus talking about? The Christ. So when he quoted David, Jesus was saying this was talking about himself. David was talking about the Christ.

1 Corinthians 15: 25. This was an expose by Paul about the resurrection. Notice the language, he didn't say he shall reign when his enemies are under his feet; he said he must reign till all of them are under his feet. This is remarkable.

We are backing up to verse 23, to put it in perspective. 1 Corinthians 15:23-26. So he says death is going to be destroyed. Interesting. Now I want you with this in mind, go to Hebrews 2:8(who is he talking about? He's talking about man. Go to verse 7, who? Man.)

Verse 9-10. He's saying that because man sinned, he fell from the position God put him, which is over all the works of God's hand. But we

see Jesus. So Jesus is the second Adam with all authority. All authority has been vested in the name of Jesus. Man may not have the power to change his life as his desires, but if he would use the name of Jesus, all things are possible. Death came into the world through, death passed upon every man. So when Jesus came, he gave us life. In his name, there's power, deliverance. It is all vested in his name.

So, how does he reign? He's not here, he ascended to heaven. Alright, I'm gonna show you something. You can go to Romans 5:17. So Jesus is the name that reigns. This is the name of the king, the messiah the Christ, his name is Jesus. Let's read from Philippians 2:5- (I explained this to you the other time, about Christ not thinking it robbery)

Philippians 2:10-11 (remember he is both lord and Christ). What a name. So this takes us into Ephesians 1, and I want you to follow this, cos now (Pastor blows). Ephesians 1:17 (the spirit of wisdom and revelation in the knowledge of him, wow)

First you have to understand what he is like, the power, authority and glory that he has. Who is he? What power does he wield. We take about the force. How powerful and mighty is he. Who is this Christ? So you can understand why we are bold and confident. Because we know the one we have believed in. If you don't know him, how can you believe? Ephesians 1:21. He says after Jesus died and resurrected, because of that humility and obedience, God gave him a position that is far above. Ephesians 1:22, all things are under his feet.

Here's the difference between the legal and vital statement. The legal statement is that God had subdued all things under his feet. In other words, God has done it. The only reason we can cast out devils is because all things have been subdued under his feet. If that power wasn't available unto them and they had to wait till the millennial reign, it means that all that we read in acts would not have happened. So because the name has authority, they cast out demons, and the same authority is what we are using to cast out demons today, and they're fleeing, all over the world.

Ephesians 1:23- I need to break this down for you properly, so you can understand.

Jesus is both lord and Christ. He is the anointed. In whom all the glories and graces of God have been vested. All of God is vested in Jesus.

Acts 2:32-33. I'm trying to show you, here, how great this Jesus is, and the place that he occupies in the godhead. Did you know that it is Jesus who distributes the Holy Ghost. We refer to him in Matthew 1:18, as the child of the Holy Ghost, but Jesus is the one with the right and power to give the Holy Ghost to men. How great is he?

Peter said Jesus received the promise from the father and has given us to him. John 14:26- whom the father will send in my name, do you know what that means. So the father would send the Holy Ghost in the name of Jesus. When you pray in the name of Jesus, it is taken as though Jesus said it. We've gotten the power of attorney. This means the father can't do anything on the earth, without the name of Jesus. Because the earth belongs to Jesus, therefore it belongs to God. God needs the authority in the name of Jesus to do anything. John 15:26- Jesus would send the Holy Ghost from the father. Who is this Jesus that

he would have the authority to send the Holy Ghost who proceeds from the father?!

There's a scripture in the king James, that other translations have an issue expressing because they're trying to contextualize it, instead of doing so with the body of truth. Revelation 11:15. King James understood he shall reign forever and ever.

Revelation 11:17- king James says "and hast reign", other translations say "shall reign". The Greek says "thou didst reign", which is what the king James says. (Pastor read from the Douey-Rheins version).

Verse 18. And the nations were angry. So he wasn't talking about the millennial, because it is a time of judgement. The nations didn't have time to be angry. So it's referring to something earlier. The nations were angry with the lord's anointed. But he did reign, 1 Corinthians 15:25. And he is reigning through his church. His name has power. And you can have dominion over the powers of darkness. Imagine if the church knew this. Most never knew because they never learned it. Pastor said he had asked people over the years, what did you receive now that you're born again.

The first thing you receive, when you are born again is Eternal life. The life and nature of God that is imparted to your spirit when you got born again. When you were born into this world, you were born with human life. That's why Jesus said "You must be born again". when you're born again, your human life is supplanted. Eternal life replaces your human life. They were not placed side by side. And when you have this eternal life, no sickness or disease can have dominion over you. If you don't know, you will be sick like them.

Christianity is not a religion. When you receive this life, you're completely changed. We are not into religion. Many think this way and they are wrong.

You would know what it is in the next few days, and suddenly you would be awakened to its reality; And you would live it everyday. 2 Corinthians 5:17 would be made clear to you and you would live the life of this creature that you are. Then prayer becomes a completely different thing, and you would know what it really means.

Pastor gives a call for salvation.

Pastor reveals that we hit another 3 billion people that prayed in this past Global day of prayer.

Your loveworld Season 2 phase Day2

We Are God's Domestics... His Inner Caucus!

The Mystery Of Christ - Day 2

God is relying on us to care. I've never heard anybody calling to help preachers. The Holy Spirit asked me to do it. I believe He wants us to do it one more time. Those that didn't participate before, this is your opportunity. Thousands of ministers benefited.

We can put joy in the hearts of theses ministers. Let them know that God heard their prayers.... I was praying when the Holy Spirit showed me faces of ministers in need. I brought it to you and we all helped. Thank you very much. God bless you. Hallelujah.

In the world, we trust our political leaders to make decisions for us. We think that's why they are in in office. Like children trust their parents to make decisions. You feel betrayed when they make wrong decisions knowingly. Or when they don't make sufficient effort to make the right decisions.

Not many are leaders. Leaders should be thoughtful and considerate and work for the good of the people. It's painful when leaders become uninspiring. Strong, character, and tough in making decisions for the future of their countries. Boldness, strength of character.

What do you tell your children when they ask why they're at home? That you are running from virus? Uninspiring. What are those leaders doing nothing but waiting for other national leaders to hand them what to do. Nations whose leaders sold out.

You're not the first leaders, you won't be the last. If you like, continue making bad decisions. It's not enough to occupy the office, be a leader in truth. In the bible, God gave responsibilities to leaders of nations. God gives them opportunity to lead. Don't misuse or abuse it.

Many leaders ever subject these vaccines from other countries to quality evaluations. They weren't checked and many never worked. Nobody was called to question. They never worked. Outright deceptions. Some were. They knew that clean water was what some needed, they sold vaccines and brought clean water. They were deceived to believe it was the vaccine. There's an abundance of research behind these statements, God is fed up. Too many have died or maimed and nobody has been held responsible.

People are finding out those behind these. It's always been about business. They make money, far more than they put in. It's never a free gift. There's an agenda behind it. The deception has been on and on. God is addressing it.

There are not many in the media interested in the truth. They create the news according to their narrative. You cannot suppress the truth. The word of God cannot be suppressed. You can't kill it.

Yesterday, we had a part transmitted from South Africa. Watch this...

The swine flu vaccination fraud of 1976.

Pause for a second. They've not changed. The deception. No confirmed case and yet a whole nation was coerced to take the vaccination. 46 million people. They're careful about their words. The head of the CDC. Th

Who were those behind the cdc then and now? Might they still be around? Who funded it then, might they still be around? How about their partners in crime. The conspiracy theory. There is a conspiracy. I'm not theorizing. We have the conspirators, the collaborators, the executors, they know. They all know.

None wanted to look at the data. Thank God for those that are speaking out. The conspiracy of silence...

Let's go to our subject... We're talking about the mystery of Christ...

When we were younger, we had a sense of victory in Christ... Hallelujah Jesus conquered the world, hallelujah Saran you're in trouble, the Lord reigneth in my heart today...

Whose Son was Jesus? They said He was the son of David, why did David then called Him Lord if He was his Son? Matthew

They didn't know who Jesus was. They claimed to be sent by God and loved to be recognized in the streets. They finally condemned Jesus.

John 1:20-26

The high priest and the king were called the anointed. There was something about this anointed they knew was different. They asked what he said of himself. The Christ, Elijah or that Prophet...

John 7:40

Of the truth, this is that Prophet, others said that He is the Christ.

Deuteronomy 18:15

The Lord will send them a Prophet. They were confused who that Prophet Moses talked about. How will they know? Evidently, the Pharisees were confused and thought the prophet was different from the Christ.

Acts 3:21-22-24

Peter quoted Moses and refer to the prophet Moses talked about.

Acts 7:37

Here again, the Prophet is mentioned.

Acts 3:22-28

What Moses prophesied had come to pass. Peter said that Jesus is that prophet. Stephen also said so.

They didn't know that Jesus was that Prophet Moses talked about. One of the reasons is that Moses said that they must listen to Him. The religious leaders didn't know the difference. Hallelujah

That takes us to the next level.

Ephesians 3:1-5

Gentiles here refer to non-Jewish people. All non-Jews. The uncircumcised. The rejects from God. That was how it was until Jesus.

As I have already written briefly. What did you write? Where is it? Evidently, it wasn't about a previous epistle. It must have. Even from chapters 1 to 2 before here...

Ephesians 3:6

He narrows it down. This is so huge. It fully encapsulates what he told us he had written already.

Ephesians 2:11-22

Here is where he began what he wrote before. It's so huge. It's so big. May God help you to comprehend, it will change your life. In the flesh, you were non-Jews, the uncircumcised, the gentile.... David called Goliath the uncircumcised philistine. At that time, you were without Christ. Aliens and strangers without hope or God. This was the state of the Gentiles.

Several key points...

Jews and Gentiles are reconciled to God in Christ Jesus. Same sacrifice made by both of them. One man caused that. Ephesians 2:14-16. He abolished the law that brought the division. The Jews were His people. The Gentiles weren't His people. One man died for both of them. The law was perfect but made nothing perfect. The circumcision...

Through Christ, both have access to the Father. They didn't expect the Gentiles will have access by one spirit to the Father... Ephesians 3:17-19. We both have access, we don't have to pray through anybody. Both the Jews and Gentiles. Access through Jesus. Remarkable. Now you see...

In Christ both Jews and Gentiles are members of the household. Ephesians 3:19-20. Fellow citizens with the saints, not with the Jews. Every Jew was not a saint. Jesus called them generations of vipers. Fellow citizens with the saints, Abraham, David, etc. Fellow citizens with the saints and of God's household. And of God's domestics. Inner caucus. That is huge. Oh oh, glory hallelujah. Fellow citizens with the saints and God's domestics. Think about the saints in the Old Testament and are built upon the foundation of the Apostles and prophets. Jesus Christ Himself is the Chief Cornerstone. There are classes... Fellow citizens with the saints. The first stone you lay to set the tone of the orientation of the building. Hallelujah. Glory. When Paul was taken to the third heaven, some of the things he saw were what John saw in the book of Revelation. John tells us what he saw in a vision what Paul saw in prophecy. Revelation 21:9... The church is the body, not the bride of Christ. Ephesians 5:25-32... He's talking about love... The "but" ought not to be there. The great mystery is about Christ and the church. The

only other place about the great mystery is 1 Timothy 3:15-16... How to live out, express, outward show of the inner life. God was manifest in the flesh... This is what we ought to do. This is what He expects of us. We are limbs of His body... Oh boy... Get it, get it, get it, get it... Revelation 21:9-27... That great city, the holy Jerusalem, he didn't show him a woman. This city hasn't descended.... The twelve tribes of Israel is not the church.... This is marvellous... That's Old Testament... The twelve apostles of the lamb... The church is built on the foundation of the apostles.... The foundations were garnished with all manners of stones... We are stones... Hebrews 11:8-16... whose builder and maker is God... We are fellow citizens. Hebrews 12:21-25 - We have come unto mount Zion, we are citizens already... Thank you lord Jesus. Glory to God forevermore. This is amazing. So what you have in that city...

Who are those in the bride of Christ...

Old Testament saints...

The New Testament saints (us)

The 144,000 Jews

All tribulation saints (with the two witnesses)... Those that will come to Christ during the great tribulation...

As great as the Old Testament saints, they are not as great is Christ... Remember what Jesus said about John the Baptist...

This new man is the new temple of God. They didn't know that... They spent their lives building new temples for God. Ephesians 2:20-23... It's growing all the time, adding more souls and adding new knowledge... This is God's new temple, the habitation of God. This special group in the body of Christ... Revelation 14:1-5... These 144,000 are all men, sent out as preachers for the conversion of the Jews during the last week of Daniel's 70th week... Different from all the other Jews. They are first fruits unto God. Special class.... Follow the Lord everywhere He goes. Given such a unique ministry. Amazing... The parable of Jesus about those that were hired that last hour and got the same blessing with the others... These are the 1st guys... They arrived at the scene like they've been working... These guys will come join us...

James 1:18... We are a type, a unique class, first fruits... 1 Thessalonians 4:17, we will go everywhere with the Lord. We are members of His flesh, bones, etc... We're just beginning to scratch the surface... This is huge...

The salvation call!

Your Loveworld

Season 2 Phase 1 Day3 03-07-2020

Rev. Chris Oyakhilome

Pastor started the program with the song "JESUS, YOU HAVE THE GREATEST NAME OF ALL".

Welcome to today's program.

The Lord is with us strong and mighty.

We are opening with a beautiful one from Jahdiel, "OH, HOW I LOVE YOUR NAME."

THE MYSTERY OF CHRIST.... Continuation

Looking into the revelation of the mystery.

What was God's purpose for this? What's his plan? It boils down to asking what is the purpose of life? What is this all about? And that question cannot be answered with science; because science cannot answer it.

In other words, by human observations, and assumptions, they cannot prove or explain the meaning and essence of life. It doesn't appeal to

the human brain, to the human mind, to the human understanding. You can't figure it out, through your understanding.

What is necessary, is to discover the source of it. Because science cannot discover the source of life. Science cannot answer that question. You can only know when you discover the source. Without the source, you can't understand it; you can't explain it.

But when you look at the word....something so beautiful about Jesus; nobody talked like Jesus. Nobody had the audacity to make the claims that Jesus made.

No one ever had the power, to prove the claims that Jesus made. He alone proved his claims. And it is impossible to contest Jesus' claims. impossible, because he proved them.

Josephus made a statement to the effect "if it is right to call him a man". He wasn't sure if it was right, to describe Jesus, as a man. Not just because of the abundance of miracles that he performed, but the things that happened with regards to himself.

His death for example. His crucifixion.

Ordinarily, an average man would be on the cross for 13 hours before he will give up. Jesus stayed for six hours, and with his words, commanded his own death. He said father I commend my spirit into your hands; with words!

Think about it, someone is hanging on the cross, and he just says “I die now”, and he dies.

Think about it. He had told them three days in the grave, and he would rise again. It happened exactly as he said.

Jesus resurrected.

Also, he had said to them, I came from above. They knew he was born on earth. And that’s what made some of the religious leaders mad, because he said I came from above, they said 'we know your parents, we know your family, we know your siblings are here with you, how can you say you’re from above?'

But they didn’t understand who Jesus was. He wasn’t dealing with a body. And so, after his resurrection, he was teaching his disciples, things concerning the kingdom of God, forty days and forty nights.

He made an appointment with them in Galilee and he addressed them. The Bible tells us, over 500 people saw Jesus, after his resurrection.

Always remember that; not only the apostles.

Then on this occasion, before the several disciples that were there, at least 120 of them. Jesus was still talking to them, he levitated and ascended before their very eyes, and they were watching him, until a cloud received him, out of their sight and he went right into heaven.

Amazing, shocking!

How do you explain that? Who do you tell what you just saw? Who do you tell that the man that was crucified some days ago, when he resurrected, the religious leaders and the government, sent out their publicity machines, encouraged the media to lie about it, and tell the people his disciples came, and stole his body. How could they have done that? It had the Roman seal! They would've hunted down all the disciples and prosecuted them.

Well, if they did that about the resurrection, what are they going to do, when we go out to say, we saw him ascend? They knew nobody would believe them.

So they just went, quietly, to the upper room and sat down there.

Nobody was talking. How can you talk, what are you going to say?

The whole 120 of them. It just dawned on them, That the man that they had been with, for the last 3 years, was not ordinary; even his brothers who never believed in him, saw [Forwarded from Benny Agbo]

it happen. They joined the other disciples, in the upper room, and just sat down thinking about what they saw.

It just dawned on them, that he was truly the son of God.

When he told them, 'I am from above', they thought he was nuts. One time he asked them, what if you see the son of God ascend back to where he came from?

This Jesus said 'I am the way, the truth and the life'.

He declared who he was. He said I am the life.

He said he is the only way to God.

He said no man comes to the father, except by me.

Some people say that there are many ways to God, Jesus said not so. There's only one way and he is that one way to the father. He made this declaration.

John 14:6.

Don't you ever forget it. Acts 4:12,

in peter's message, he made this declaration ...'There's no other name, given under heaven, for salvation'.

Jesus is the only way.

Just so you know, in our world, in no too distant time, governments will prohibit this verse of the scriptures. It will be crime to make this statement, the same one that Jesus made. We have the deep church, which are really religious lunatics, they are going to support that law; and it will become a crime, to say anything negative about satan. It will be called a hate speech. Why? Because all that's going on now, is controlled by him, with the help of the deep state and the deep church.

The painful part of all this, is the "churchy" part; because they are the ones that will help draft this satanic idea. It will become wrong to say "Jesus is the only way". Why? They are the ones planning for the one

world religion. You cannot have a one world religion, if you say “Jesus is the only way”. And every minister or pastor, that are the proponents of the one world religion, will persecute those who say Jesus is the only way. And because Satan heads up that one world religion, according to the Bible, how can anyone be allowed to insult him. This is where it’s all going. The Bible already showed us. And they are rehearsing right now. But because we are still here, declaring the all powerful name of Jesus, they cannot enforce it; because we will break them. They are rehearsing a totalitarian regime for the whole world. Now they’re closing up things and insisting that it is mandatory. Now when they close up things, whether Christian or not, you say no! Because it is an infringement on your human rights. You have the right to make your choice.

(Pastor talks about the ridiculousness of politicians making face mask mandatory, and choosing which science to accept or reject.

Pastor also talked about some places in some countries, where protest are going on for the rejection of vaccines. And how it will continue. Pastor said that the politicians have no right to want to shut down those who question their decisions, which were based on questionable data.)

“If I sound angry, it’s because God is angry at you. And you will soon find out” Pastor Chris.

Look at this deep church, in Luke 20:19-20. That's the deep church for you, they're so deep, they can't come out of hell.

MYSTERY OF CHRIST CONTD...

So yesterday, we got to number 4, of the key points of what Paul called the revelation of the mystery of Christ, that was granted him.

(Pastor explained briefly about point number 4, on how this new man is the temple of God. And the verses accompanying the mystery of Christ that Paul has mentioned aforetime to the Ephesians.)

Ephesians 3:1-7

5. The new man is a body, in which Jews and gentiles, are fellow heirs, and partakers of God's promise in Christ.

Like you have in Romans 8:16-17. We have a oneness with the Lord. We have a joint body with the Lord. We are all partakers of the same promise in Christ. He is saying here that just as we all have one body, no member of the body has any right, more than any other part of that body. That's how we are connected in the same body, with Jesus.

Somehow, the Jewish prophets had an incline that the gentiles would be saved, but they thought that they would be saved to come and worship their God.

Nobody knew that there was going to be a creation [Forwarded from Benny Agbo]

of a body, that the Jews and gentiles would come into and become one with Jesus. This is the mystery, which nobody knew.

So when Jesus said I will build my church, it was a new thing. Meaning Jesus is going to have his assembly. They didn't get it. They expected that Jesus would be a part of their already established Jewish assembly; but didn't know something else was brewing. Hallelujah!

The gentiles were going to be co-participators of the promise of God in Christ, through the gospel.

What does it mean by promise?

The word promise means "evangelia" which means the announcement of a promise; not the promise itself, but the announcement.

It is also called a message.

A message of goodwill.

A message of good that should be done.

So that announcement of the promise in Christ, the gentiles are now going to be brought in. Now Jews and gentiles, are going to be co-participants of the announcement.

2 Peter 1:3-4

Here the word promise means a statement of commitment to something said. It is not the announcement. It is something you can have right now and live with it right now. This means that there is a deposit that has been made. A down payment on the promise, such that even if we haven't seen the rest as yet, we know that it is there, and living in the reality of what has been declared, we can utilize everything to our advantage.

But when it comes to the life, we are not participating. When you go swimming, you're not participating in the water, you are in the water. This is different from when we are sharing a plate of food, where you have yours and I have mine. We don't swim in different waters when we get into the swimming pool, we are in the same water.

The word Participate here is koinonos, which means a sharing, a partnership.

Your Loveworld Season 2, Phase 1, Day4

Rev. Chris Oyakhilome

Pastor sings 'Oh Lord, our God, how excellent your name is.' And 'Tis so sweet to trust in Jesus.'

Pastor sings in tongues....and eulogies the Lord God, Almighty.

Are you ready for us today? Lots of beautiful things.

We were discussing some things in the last few days; just...I got to find out the California Governor, this is not unique to him, they are all using the same script. It just needs to start from somewhere. They banned singing in churches. You should worship without singing, and they banned congregational recitation, which means congregational prayer. So what does that mean? You're to pray with your mouth shut, so that others will not be infected with COVID-19. This is crazy. They with guidelines and face masks, which several governments are distributing; which the deep church is using to monitor others.

By the way, if you're a minister of the gospel, and you're going, supervising churches making sure they follow these guidelines, you're not a Christian. You never were. This is the truth. Read your Bible. You have deceived yourself, all these years and now that is why you can take on this kind of responsibility. Some of you that are making money,

out of this situation, you've never known Christ. Otherwise, you will understand this, and stay away from this.

They banned holy communion, in this new church system, that they've created for the church.

You're not supposed to be baptized; now you're told you cannot sing, and you think it has to do with COVID-19, it doesn't! See! Here what they're telling you, it's about infection. Which means aside COVID-19, it is a new way of keeping the churches clean of infections. So as not to get other people infected, with any kind of disease, you must not pray out; you must not sing out, and we must not baptize. These are lunatics! Listen, Jesus commanded us to baptize, we will do it! Jesus commanded us to take and serve the communion, we will do it! Whether you like it or not. He commanded us to worship God, we will do it! We will do so, with our mouths open, whether you like it or not! He commanded us to pray, we will pray, as they prayed in the book of Acts! Whether or not, you like it.

Listen! In the shops, the markets, they are allowed to talk and open their mouths, outside, they can protest, and riot, now social distancing, no covering of the faces, they don't care! but when it comes to the church, it is something else. They knew what the problem was, all along. Satan is head of this system, and what he is mad about, is the church.

That has always been his enemy.

We are not afraid of them. This thing is doomed to fail. It will happen at a certain time and it will be worse. But now, we will not let it happen.

This is not the time, and that is why it has to fail and it will fail. They will do it, when the time is right, and no one will resist them.

So protesters don't spread the virus, it's Christians inside the churches, that are spreading the virus; meanwhile, the house of God, is the house of healing. That's where people come when they got a problem.

And you have this deception that is going on; they like to get high profile personalities to declare that they're positive. So they want to make it fashionable to be positive! Who is deceiving who?

Because they think there's a stigma to it. When did it become fashionable to have malaria?

See we are studying the word of God, building our faith strong; because the world we live in today, has a lot of wickedness, deliberate destruction of lives. They are coming up with all these kind of things, telling you about the vaccines, with which they have maimed and killed people, crippled people, lots of sicknesses people have never known about, coming to them; and these things are deliberately being spread, so you need to know the word of God now for yourself. Because this is what's going to keep you afloat and beyond others.

Jesus said concerning us, these signs shall follow them that believe, in my name, he says, they shall cast out devils! They shall speak with new tongues, they shall take up serpents, he told us, if they shall drink any deadly thing, it shall not hurt them.

Mark 16:18. Look at this, if you drink any deadly thing, whether through your mouth, or through your veins, it doesn't matter how it entered, through some.... whatever!

Any deadly thing that gets into you, will have no power over you. Understand it now, and walk in this light now, because the days that we are going into, are dangerous days. The Bible says "for the days are evil". That's why I'm sharing the word with you, so you understand the mystery of Christ. See, it's a mystery to the world, they will never know it. But for us, the spirit of God reveals it to us. So we know and understand this mystery and walk in the light of it.

The world will not understand it, so they cannot not walk in the light of it, and the glory of the father will be radiating through us, all the time, and they will find out, there's a group of people that are so different. Praise God! Thank you Lord Jesus!

We dealing with the mystery and starting out with the question, Jesus asked those Pharisees. There's a reason he asked them.

Matthew 22:42.

What a question. Of course, Jesus knew their thoughts and what they believed. And they were right, when they answered that the Christ was the son of David.

So, what was Jesus getting at? Next verse.(vs 44-46)

Matthew 1:1. He was declared to be the son of David. So they answered correctly. But, David in Psalm 110:1. This is remarkable, because Jesus confirmed by his statement, that the psalm was written by David. He confirmed David was referring to the Christ, the messiah. And the people knew it. They always said and thought so.

The Aaronic priesthood was different from the priesthood of Melchizedek, which Jesus was to be a priest in the order of; because (Melchizedek had no beginning of days not ending of days).

Psalms 110:4. Melchizedek was called the king of righteousness. So Jesus is saying if he is the son of David, why does David call him Lord!

What they didn't want, was to attribute to Jesus, what he (Jesus) was trying to make them recognize, that the messiah was to be Jehovah incarnate. And he was the messiah.

Isaiah 11:1 (the word stem refers to the stump of a tree). At the time of this prophecy, Israel was in a terrible state. The root here refers to Jesse. So he is saying that there's going to be a descendant of Jesse, from the root of Jesse. The prophet said that a rod would come out of the beaten down tree of Jesse, then he said it will come from the root. The next verse, shows us that he is not talking about a tree. He is talking about a person. Isaiah uses plants to refer to humans. Remember "trees of righteousness, the planting of the Lord?"

It is one person, who is this branch, that will be an offspring and root of David. Now who is Jesse ? He is the father of David. Now if this person

will the root of Jesse, then he will ultimately be the root and offspring of David. Because David is Jesse's son.

Now in Exodus, you will find when he talks about the spirit of God, coming upon people to do extraordinary things, they received a part, a measure of the spirit. Pastor dealt with this in the fullness of the spirit.

John 3:34, When Jesus came, he wasn't given the spirit by measure. He had the fullness of the spirit.

There are seven spirits of God. Now the number 7 in the Old Testament refers to a completion, a fullness of the spirit.

If you receive the Holy Spirit in the New Testament, you will receive him, just like Jesus did, without measure, which is different from those of old. The Holy Ghost does for you, what he did for Jesus, when you receive him. He will cause you not judge by the obvious but by the leading of the spirit in your heart.

Isaiah prophesied that The messiah would be anointed with the fullness of the spirit, and that was the sign that was given to John the Baptist to know the messiah, and declare him to Israel. Which was different from what they had in the Old Testament.

The spirit was going to descend in a bodily form upon Jesus. The wholeness of the spirit would come on Jesus. John was given the ministry to baptize, so that this way he would know who the messiah is.

The Holy Spirit descended in a bodily form, just like a dove would. A lot of people make mistakes thinking that the bodily form the Holy Spirit came in, was the form of a dove. No! The dove description is from the gentleness of the descent, but the bodily form the Holy Spirit came in, was the form of Jesus. The Holy Spirit looks like Jesus.

Remember, God said never represent me with the sign of a bird or any animal. He doesn't look any of his creatures.

God only looks like the one he made in his image. So if you wanna know what the Holy Spirit looks like bodily, he looks like you.

God doesn't look like the animals he created; only Satan is represented by the head of a goat, in cultism, in witchcraft and so on. He has the sign of a goat.

Listen, the Holy Spirit descended in a bodily form, just the way a dove would. This is the sign John was given. And this is the first time, anyone would receive the Holy Spirit in a bodily form. Every other person received him in a measure. So the fullness, the wholeness of the spirit would bodily tabernacle in a person.

The Old Testament Christophanies and theophanies, are manifestations of the Holy Spirit.

The Father never leaves the throne. Jesus called the Holy Spirit, the one who proceeds from the Father.

The man Jacob wrestled with, was the Holy Spirit; he was the one that gave Joshua the strategy for taking Jericho; he was the very same angel of the lord, that appeared to Moses at the burning bush.

What about Jesus? Jesus was always the word of God. Never seen outside the father, he was always in the bosom of the father. He was the spoken word of the father. That's why the Bible said all things were made by him, who's the him? The word! The word was never a moving being outside of the father. It was for the first time, in Bethlehem, that we read that he became flesh and dwelt among us, that's where Jesus came from. His name shall be called Jesus, for he shall his people from their sin. That's why Jesus is truly as the Bible says the word of God.

The word that God spoke became tabernacled in a person. Jesus is the character of God's thoughts, mind, person, his purpose and plans. Jesus is the manifestation of the innermost being of the father. Jesus is the reflection of the thoughts of God.

The people of Israel, of Jesus day, wanted Jesus to save them, in respect to the world they lived in, and against their enemies. That's why they cried out "hosanna save us". But Jesus has a better plan.

John 17:1-3

Jesus has power over flesh, doesn't matter who they are. He has authority over all.

You can only know and understand life, when you know the source of life. Jesus gives eternal life.

If you don't know Jesus , you cannot know life. You cannot have eternal life without knowing Jesus.

Notice how he classifies himself as God...in verse 3. You have to know God and you have to know Jesus Christ.

Peter alludes to this when he said in 2 Peter 1:1-3,4. This knowledge brings you into being an associate of the Godkind.

Eternal life is knowing God and Jesus whom he has sent.

John 17:3

Revelation 22:16

That's what he wanted the Pharisees, to understand. Which they wanted to know only one side of the story.

John 8:51-59.

Jesus was patient enough to answer the questions of the Jews. Jesus called Abraham their father, not our father, even though he was a Jew in the flesh. Jesus is the root of David, Jesse and Abraham. Amazing realities who Jesus is.

Jesus told the Jewish leaders, (who had told him that he wasn't yet 50 years of age, so how could say He had seen Abraham) that before was, I

AM. This is a name ascribed to deity. Like when Moses said to God, what is your name and who shall I say sent me; God said I AM has sent you. That's what Jesus said. You'd have thought Jesus would say "before Abraham was, I was" No! He used the language that has been ascribed to God alone. So he is saying, by this statement, that he (Jesus) is self existent; that he is timeless. Watch the reaction,

verse 59. They took up stones, and Jesus hid himself and then went through them, out of the temple. It's amazing how he did.

So Jesus is the root of Jesse, David and Abraham.

This was brought up so you understand who we are dealing with. We are talking about the life and nature of God, what he's done for us. Who we are as individuals and as a body. What he's made us to be.

Ephesians 1:9-14

The plan of God is to gather all things in Christ Jesus.

Vs. 11.

We have obtained an inheritance, we are not going to get it, we have obtained it. It's our present reality now. We have received it. It is ours now.

God does things according to the counsel or purpose, of his own will.

We are all to the praise of his glory.

When you received the Holy Spirit, you were sealed. There is a seal on your life; you're branded for Christ.

Some people go for sealing meetings, and sealing prayers. This is not true. We were sealed, when we received the Holy Spirit.

vs 14: The term redemption, means acquisitions. When we finally get all of the acquisition, so the Holy Ghost is the deposit, the down payment. As long as we have the holy spirit, everything else is assured.

Ephesians 3:8(AMPC) Riches of Christ, which are past finding out.

The amplified breaks it down, with further synonyms.

What is he telling you?

vs 9: fellowship is from the Greek koinonia. The word translated fellowship here, wasn't totally agreed upon by all the translations.

First there is a translation copy problem.

In the KJV, Fellowship, you would see, is from the word, koinonia.

But in other translations like the NIV, ESV or NASB, the word fellowship is translated, Administration or Dispensation.

The Greek word is 'Oikonomia'. Now why does one word have two different expressions from the greek? It's because of the original Greek copies used in the translation. The KJV got its Greek translation from the 'textus receptus', where you will find 'koinonia'. But there are others, like the Byzantine, the Alexandrian. Erasmus created one in the 15th century, which the Novem instrumentum and the novem testamentum. The novem testamentum has a nestle aligned area; and this code is called the NA28.

So why koinonia for some Greek versions, and oikonomia, for others?

Translations are very important.

In translations, the focus of the translator matters. Is he thinking about a contextual presentation or is he thinking about the language being used, or the sum total of the message? All these things matter.

What is meant by the administration, or the fellowship of the mystery?

Pastor goes further to give, a thought he noted:

"What is the fellowship of the mystery? This refers to that which is associated with the mystery,"

And what is associated with the mystery? the KJV textus receptus, calls it the fellowship.

The others looked at what it referred to.

What is associated with the mystery? it is in terms of its economy, dispensation, administration and management.

That is oikonomia;

It refers to all that it embodies, in provisions, rights, privileges and all its judicial assignments and writ of applications accorded. How does God specify that these judicial assignments be applied.

What do we have in this mystery? What belongs to us? What's been granted us in this revelation, that we can vitally apply right now? We have eternal life right now, the rightness of God in your human spirit. When you know this, your everyday is a day of joy. You won't have a blue day or a day of downcast. Every blessed day is a day of victory and joy.

This is what he has done for us. We live in his day. A day of grace, of victory and joy.

vs 8: This became climatic for Paul, as he declared that this grace was given to him to preach the mysteries, the unsearchable riches of Christ, to the gentiles.

2 Corinthians 12:1- Unspeakable words, here means untellable words. The word lawful here is used about 30 times. And it means exactly what is there.

Paul said it is not lawful to say the things he saw. In plain English, what I heard with ears, my mouth cannot tell it. Untellable!

If you speak in the language I understand, I know what you said. Then I go...I can't say them (it didn't mean it was forbidden....he only meant, it was too heavy to utter them in the earth). Paul is saying that the things he heard and saw, was inconsistent with human words in the earth. If he utters it, they will think he is mad.

Do you know what it is to make known the mystery of God to principalities and powers?

Understand that, We have a ministry to men, and also a ministry to principalities and powers. But how are you going to fulfill it, if you don't know it?

That is why the growth of the church is very important to God.

1 kings 4:29.

God gave Solomon, wisdom and understanding, exceeding more; and largeness of heart. His wisdom excelled the wisdom of all the wise men of the East and Egypt.

Solomon was so wise that he spoke and all people, of the Kings of the earth, came to hear him.

Wisdom is primarily expressed in words.

And when you study wisdom, you find out that it causes you to do excellent things.

1 Corinthians 1:30.

Christ Jesus is my wisdom, righteousness, sanctification and redemption.

Ephesians 1:17:

The spirit of wisdom and revelation in the knowledge of him.

Colossians 2:3:

In Christ are deposited all the treasures of wisdom and knowledge.

Then that Christ was tabernacled in you, and the revelation is Christ in you, the hope of glory.

If Christ is in you, you have the life of God in you; and you have access to all the treasures of wisdom and knowledge.

Life will never be same; the confusion has ended; the beggarly prayer has ended. You have discovered who you are.

Moving to the next point: 1 Corinthians 2:1

Solomon was wiser than the experts, during his day. And Jesus described himself as a greater than Solomon.

We speak wisdom. We don't speak of wisdom.

We speak wisdom!

If you don't know what wisdom is how can you speak.

We speak wisdom among the mature. If we speak wisdom among the immature, they can never understand it.

The wisdom of this world comes to emptiness.

We speak the wisdom of God in a mystery. This wisdom was crafted for our glory. He didn't give it to the principalities and powers.

We speak it with coded language. You have to be initiated to understand it.

Even the basest ones, many are thrown off. "How can you say I'm well, when I don't feel well". They were taught that if you kept speaking it, it will happen. But that's not what it's all about.

1 Corinthians 4:13

we don't speak so that we can believe, we speak because we believe. But this is still for the babes. We need to come up to a higher level.

Pastor gives an example, of what the language of heaven is like.

When you feel hungry, you don't say I want to eat, you say "I eat".

You speak the reality now...you don't say what you hope.

When Jesus was healing people, in heaven, he said the father is doing it now. Jesus was walking in real time with the father. That is what happens when you're in sync with the Holy Ghost. This what the Holy Ghost has come to do in our lives.

A quick work will the lord do, and cut it short in righteousness. The growth of the church is imminent.

Not one of us is supposed to be subject to demons or diseases. We are seated with Christ far above principalities and powers, and every title that can be conferred.

Pastor talked about the boldness of Peter, who told his persecutors to crucify him upside down. Because he said that being crucified like Jesus was too high and holy for him.

1 Peter 2:9.

We are to display his virtues and perfections. We are not thriving for excellent.

Say “from now on, I do excellent things”. We have been called to a life of glory and virtue (excellence).

Pastor says “Sharon’s first song, I AM EXCELLENT”.

You have to bombard your mind, with excellence.

we have been called out of darkness, into his marvelous light. Where are you now? We are in his marvelous. We are to display!

We are to display his virtues and perfections.

So you say I WALK IN HIS VIRTUES, AND I WALK IN HIS PERFECTIONS

Your Loveworld

Season 2 Phase 1 Day 5

Rev. Chris Oyakhilome

Pastor starts by singing “DOWN IN MY HEART”

What you listen to in life is important.

Your life is a reflection of what you hear. Even more than that is your life will be the result of what you hear. What have you been listening to?

Are you building your faith in God or is it in man?

If your life is about reading newspapers or the news, your life's result would be confusion and emptiness.

I want you to take a look at this video, and see how the media is controlled. You think you're doing good research, no! Otherwise a lot of things that we have told you, they would have researched it.

(Video play out)

The news media about the COVID-19, get their scripts from the same source.

Let the wisdom of God, guide you. Bible says in the last days, perilous times shall come.

This video was for those who have built their faith on the media and experts.

The character of man determines his actions. Whether a scientist or experts.

When there was a cholera in a country, did the people find out where it came from? When you have been told that there's a pandemic in your country. Do you research where it comes from? When some people are offering you vaccines, you have a right to demand where it comes from? This boils down to the fact that some leaders that are trusted by their citizens are out for their own bellies. You have a right to question the decisions of your leaders. Leaders don't own the country more than you. Don't live like a victim. Don't be afraid. Have no fear of anybody. Where are the Caesars and pharaohs of yesteryears? They died like the people they killed. Where is Hitler? In all this you will know that God is greater.

The numbers of the second wave of the pandemic, is as fake as the first one.

The lockup is to weaken your immunity, so that you can be easily be susceptible to diseases; even the wearing of face masks.

Can you use a mask for a long time, and not have a problem?

Can you do social distancing and not have challenges?

The goal is to reduce the world's population.

Why should we be subject to the dictates of other men, who have a vision to destroy other people's lives?

Jesus said Search the scriptures. Satan wouldn't want you to search or ask questions, they just want you to obey. Jesus allowed people to ask him questions, and he had the patient to answer them. He didn't say I am God, why are you asking me questions.

Amos 3:7

LET THE CHURCH SAY AMEN, GOD HAS SPOKEN, LET THE CHURCH SAY AMEN.

We are discussing the mystery of Christ. We began sharing from the book of Ephesians, not because that's where it is all stated, but because it is a good starting point.

Ephesians 3:4-6.

This is remarkable. This mystery wasn't revealed to men, but to his holy apostles and prophets.

Romans 16:25-26.

He is talking about the same mystery of Christ, and how it was kept secret, but now is made known. The secrecy of this mystery was always on God's mind. So Jesus wasn't an after thought. He wasn't brought up to solve the problems of the devil. It was always on God's mind.

Colossians 1:24-27. Extraordinary!

It was kept secret from ages and generations. That God intended to have a body that was joined to him. And he planned to have all things.

The Holy Spirit reveals the mind of God. You cannot know the mind of God without the Holy Ghost.

1 Corinthians 2:9-10.

The spirit is beyond the understanding of man. Who is the Holy Spirit. He is that which proceeds from the father.

Whenever Jesus speaks, listen to what he says is continuous, past and present; because Jesus is God. What he says is.

He said the Holy Ghost proceeds from the father; not proceeded from the father.

The father doesn't get off the throne, because he is too big.

But if he wants to do something, he moves out from himself, and goes to where he wants to go. And while he is doing a work in a place, he isn't diminished, in power or totality. And the father isn't diminished at all.

The spirit also does things independent of the father. By the Holy Ghost, the father created the heavens and the earth.

Revelation 10:7

What is the mystery of God? It is the mystery of Christ. This mystery Christ is an ongoing revelation, that will come to a climax.

Colossians 2:1-2.

The mystery of God is Christ.

Back to Revelation 10:7; 11:14-16

(vs 15; this is the vision of God all the time. The father always wanted to be with us.) the plan of God was to be like a man, and be together with men.

John 1:14.

This is Jesus. He knew that he would be rejected the first time.

John 1:11.

He set up his work, with the plan to return. He said I will build my church. Listen the nations of this earth belong to Jesus, you have to come to this conclusion.

Revelation 21:1-3.

When it shall be fully accomplished. This is God's vision accomplished.

Ephesians 1:3-10.

In the Old Testament, God was addressed as the God of Abraham, Isaac and Jacob, but in the New Testament, he is referred as the God and father of our Lord Jesus.

The plan of God was to gather all things in Christ. All the glory of God is tabernacled in Jesus. When he had sorted the management of the times, he will then gather all things together in Christ, whether in heaven or in the earth.

Colossians 1:19. The father was pleased to have all his glory and personality tabernacled in Jesus. Jesus is the body of God. When you look at the great white throne, you will see Jesus.

We are the members of his body, flesh and bones. We are the full expression of him.

In Christianity, we are just scratching the surface. Trying to come an understanding of what we are in.

Many have believed in him, and they don't know him. Think what will happen when you discover Jesus; You will be totally transformed... And we better learn and grow fast, because the time is short.

(Pastor describes his mood and experience when he discovered who Jesus is, in 1981. The more he studied, the more amazed he was. And his studies spurred him to want to teach the whole world, which was and is still in ignorance of who Jesus is.)

Yesterday, we were talking about wisdom, and it is very important.

Ephesians 1:17, the spirit of wisdom is one of the seven spirits of God.

Isaiah 11:2. These are the seven spirits of God, for the fullness of the spirit, in the messiah, the branch.

The gifts of the Holy Spirit are not a package of box of the spirit, but it is the manifestation of the Holy Ghost. 1 Corinthians 12:7.

Ephesians 1:17(the amplified bible breaks it down better). The spirit of wisdom gives you insight into mysteries and secrets.

When you receive the Holy Spirit, he comes in totality. Now what you need is the manifestation of the operations of the spirit in your life. How the church needs it.

The preaching of the word, ministers the spirit to you.

It is by this gift of God, that the epistles were written. 2 Peter 3:16.

1 Corinthians 2:6.

A lot of people in churches are babes, and it's difficult to find those to discuss spiritual things with.

The wisdom we speak is hidden wisdom, which God ordained before the world began. It wasn't a solution to a sudden problem.

A lack of knowledge. Psalms 82:6.

1 Corinthians 2:9-11 The Holy Ghost dwells in your spirit. If you wanna know search your spirit. If you wanna things about God, the Holy Ghost reveals him. Just as no one can know you like your spirit.

Proverbs 20:27.

The light of God is in spirit. God guides and leads you through his spirit which is in you. The Lord wants to lead you from glory to glory. Upwards and forwards only. Shining brighter and brighter, until the day he shows up.

1 Corinthians 2:12- 13

The things he has given are the things we speak. We speak life, prosperity, health; we don't speak about them. Man's wisdom speaks about the senses. These things are just so huge.

How do you compare spiritual things with spiritual? When we are talking we are sorting the things of the spirit.

1 Corinthians 12:1.

There are spirituals. This where we function. Not us relating spiritual things with earthly things. They don't relate. Stay in the spiritual. Stay there.

1 Corinthians 2:14.

Now man can know the things of God with a carnal understanding.

THE NATURAL MAN gets bored of the things of the spirit. He says "I Dey go sleep". Pastor, by the spirit, spoke to someone watching.

1 Corinthians 2:15. Talks about the spiritual man, who is an enigma to the world. John 3:17

1 Corinthians 2:16

Why do people come to a point, where they forget things. When did you start learning to forget? Because you have been speaking man's wisdom and learning man's wisdom.

Forgetting is something you learn. You practiced it for a long time till your mind realized that it has the capacity, propensity and authorization to forget.

When you say I forgot, i can't remember, these declarations start taking shape. The more you said you forgot, the more you rob your spirit of the ability to remember.

Your spirit can remember. (Ref. The rich man and Lazarus. Abraham told the rich man "son, remember...".)

Abraham wasn't talking to the man's body, he was talking to his spirit, in hell. So your spirit has the ability to remember.

Instead of saying "I forgot", say "I remember", or "I will remember".

After a while, your spirit begins to naturally remember.

1 Corinthians 3:1-3

We are identifying three kind of men in Corinth.

THE CARNAL MAN is a BABE IN CHRIST.

The Greek word for BABE is nepios meaning a baby that can't talk right, whose words are not 'comprehendable'. They are fed with milk and not with meat.

The SPIRITUAL MAN is the one who has come of age in the things of God, or is still growing up in the things of God.

When you become spiritual, you no longer walk as men.

Galatians 4:1-3. The word 'child' here, means nepios.

Meaning there is a higher life in Christ.

We will move some things to phase 2. God doesn't teach us things to leave where we were; he teaches us things to promote and move us higher.

Pastor talks about how God told him in 1982, about teaching his children about their inheritance.

The teaching of the word, can only be done by the Holy Ghost. He alone can do it.

Pastor says we are going to be praying for one hour tomorrow, from 12 noon, in whichever city you're in. And if the 12 noon isn't convenient, there should be a rescheduling. But don't skip it. It is important as we move into the middle of the second part of the year.

From the 13-19th, we will be praying and fasting, while participating in the phase 2 of the program.

Question and Answer session
