Anthropology Assignment 1 & 2 (15 % Each)

Dear first year Accounting (BA1R1N1-N6) and Management (BG1R1N1) Unity University Arega Campus students, first I would like to warmly greet. I hope you and your families are safe and doing well. As part of your assessment on the course anthropology, you will have two group assignments to be submitted immediately after face to face class resume. Assignment questions that demands critical reading of your module and other reference materials are listed here under.

Assignment One (15%)

1. What is the subject matter of anthropology? What does it share with other social science disciplines and what makes it unique from others? (5pt)
2. What is ethnography and ethnology? Compare and contrast?(5pt)
3. What is ethnocentrism and Relativism? Compare and contrast? (5 pt)

Assignment Two (15%)

1. What is racism? What are its manifestations? What are the causes of racism? How do you relate racism with the current political situation in Ethiopia? Do you think that racism exists in Ethiopia? If yes, argue with concrete evidence (15%)

Guidelines

1. Maximum number of group members limited to 8
2. Submission date is on the first day of class after covid-19
3. Copy and paste answers directly from the module and other resources is intolerable. You have to paraphrase statements and attempt to express ideas in your own words.
4. Avoid grammatical, spelling and coherence errors as much as possible
5. There will be mechanism of checking that all students have actively engaged in the group works
