3. Tokologo is a depressed high school learner. Her schoolmates created fake profiles to spread rumours about her, trolling her and calling her names on Facebook.

With a sombre look on her face, she says: "Sometimes they make all kinds of nasty comments – why I have lost weight and what not. There's a lot that's stressing me out. If it's not my books, it's the situation at home. They're all just adding more to that."
