
Doozy Moo
and the
Cabbage Thief

Doozy Moo and his neighbor Pop are about to
harvest Doozy Moo's cabbage on this beautiful, clear day.

Oh No!
What happened here?

Somebody ate all of my cabbage!
?!

What is that?!

It looks like there is a giant white worm eating Doozy Moo's cabbage.
What are Doozy Moo and Pop going to do?

Who are you?
Oh, hello there!
My name is Silk.

I don't know
what you are talking about...
Did you eat
my cabbage?

Doozy Moo and Pop are very upset at Silk for not admitting that he was the one who ate Doozy Moo's cabbage.

You won't get away with this!
Try to catch me!

Pop is trying to catch Silk with a net
but it looks like it might be too small.
Oh?

Catch him Pop!
Ha!
I am too fat
for your net!

Oops!

Oh no! Doozy Moo just slipped on a cabbage leaf chasing after Silk.
!?
Ouch!!

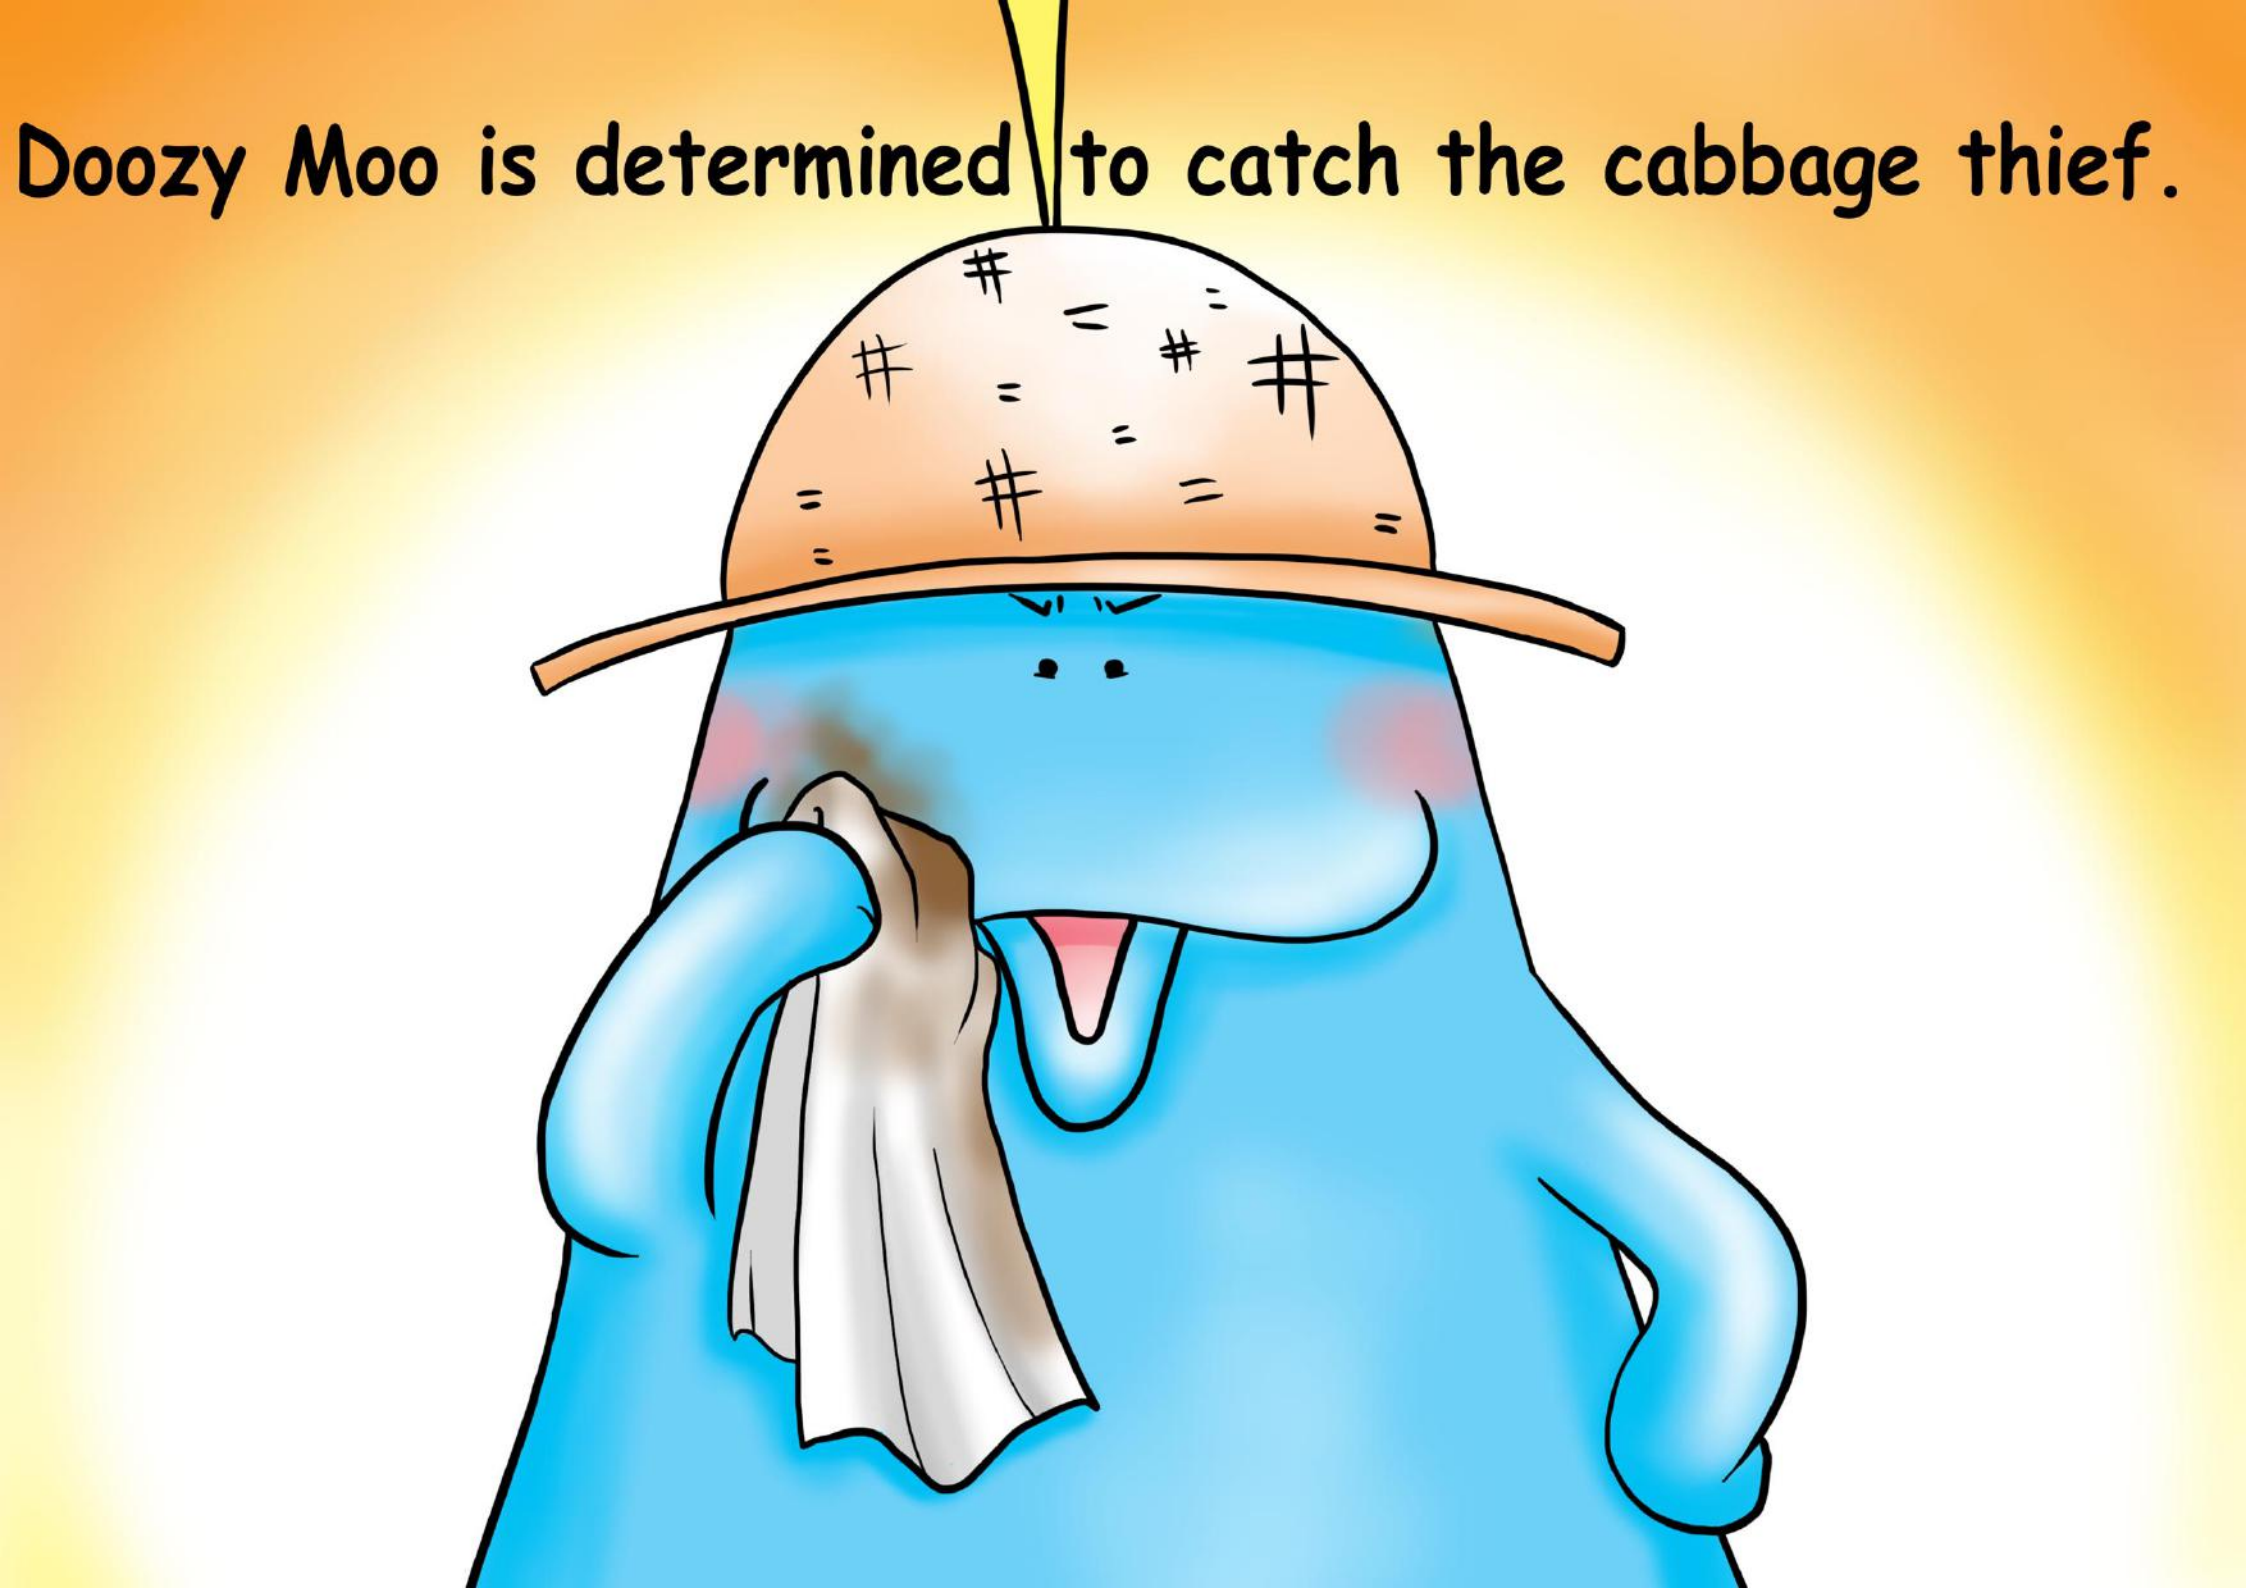

Mwahahah...
Buahahaha...
Watch where you are going!

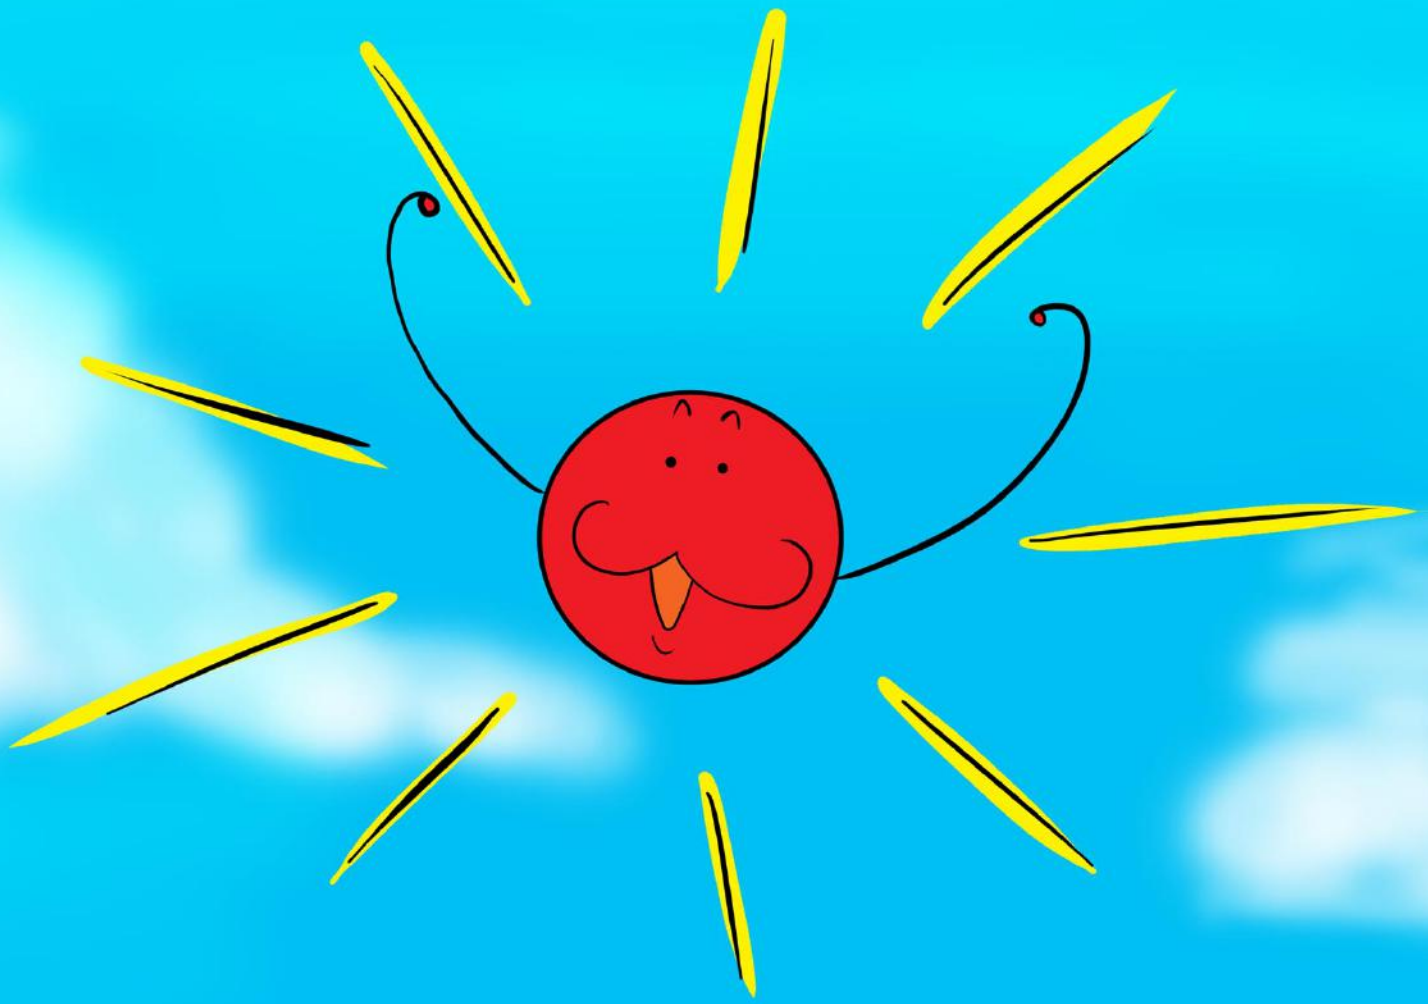

Please wait!
Bye Bye!

Silk is running away so fast that Doozy Moo and Pop can't catch up.

He ate all of my cabbage!
I'm so angry!

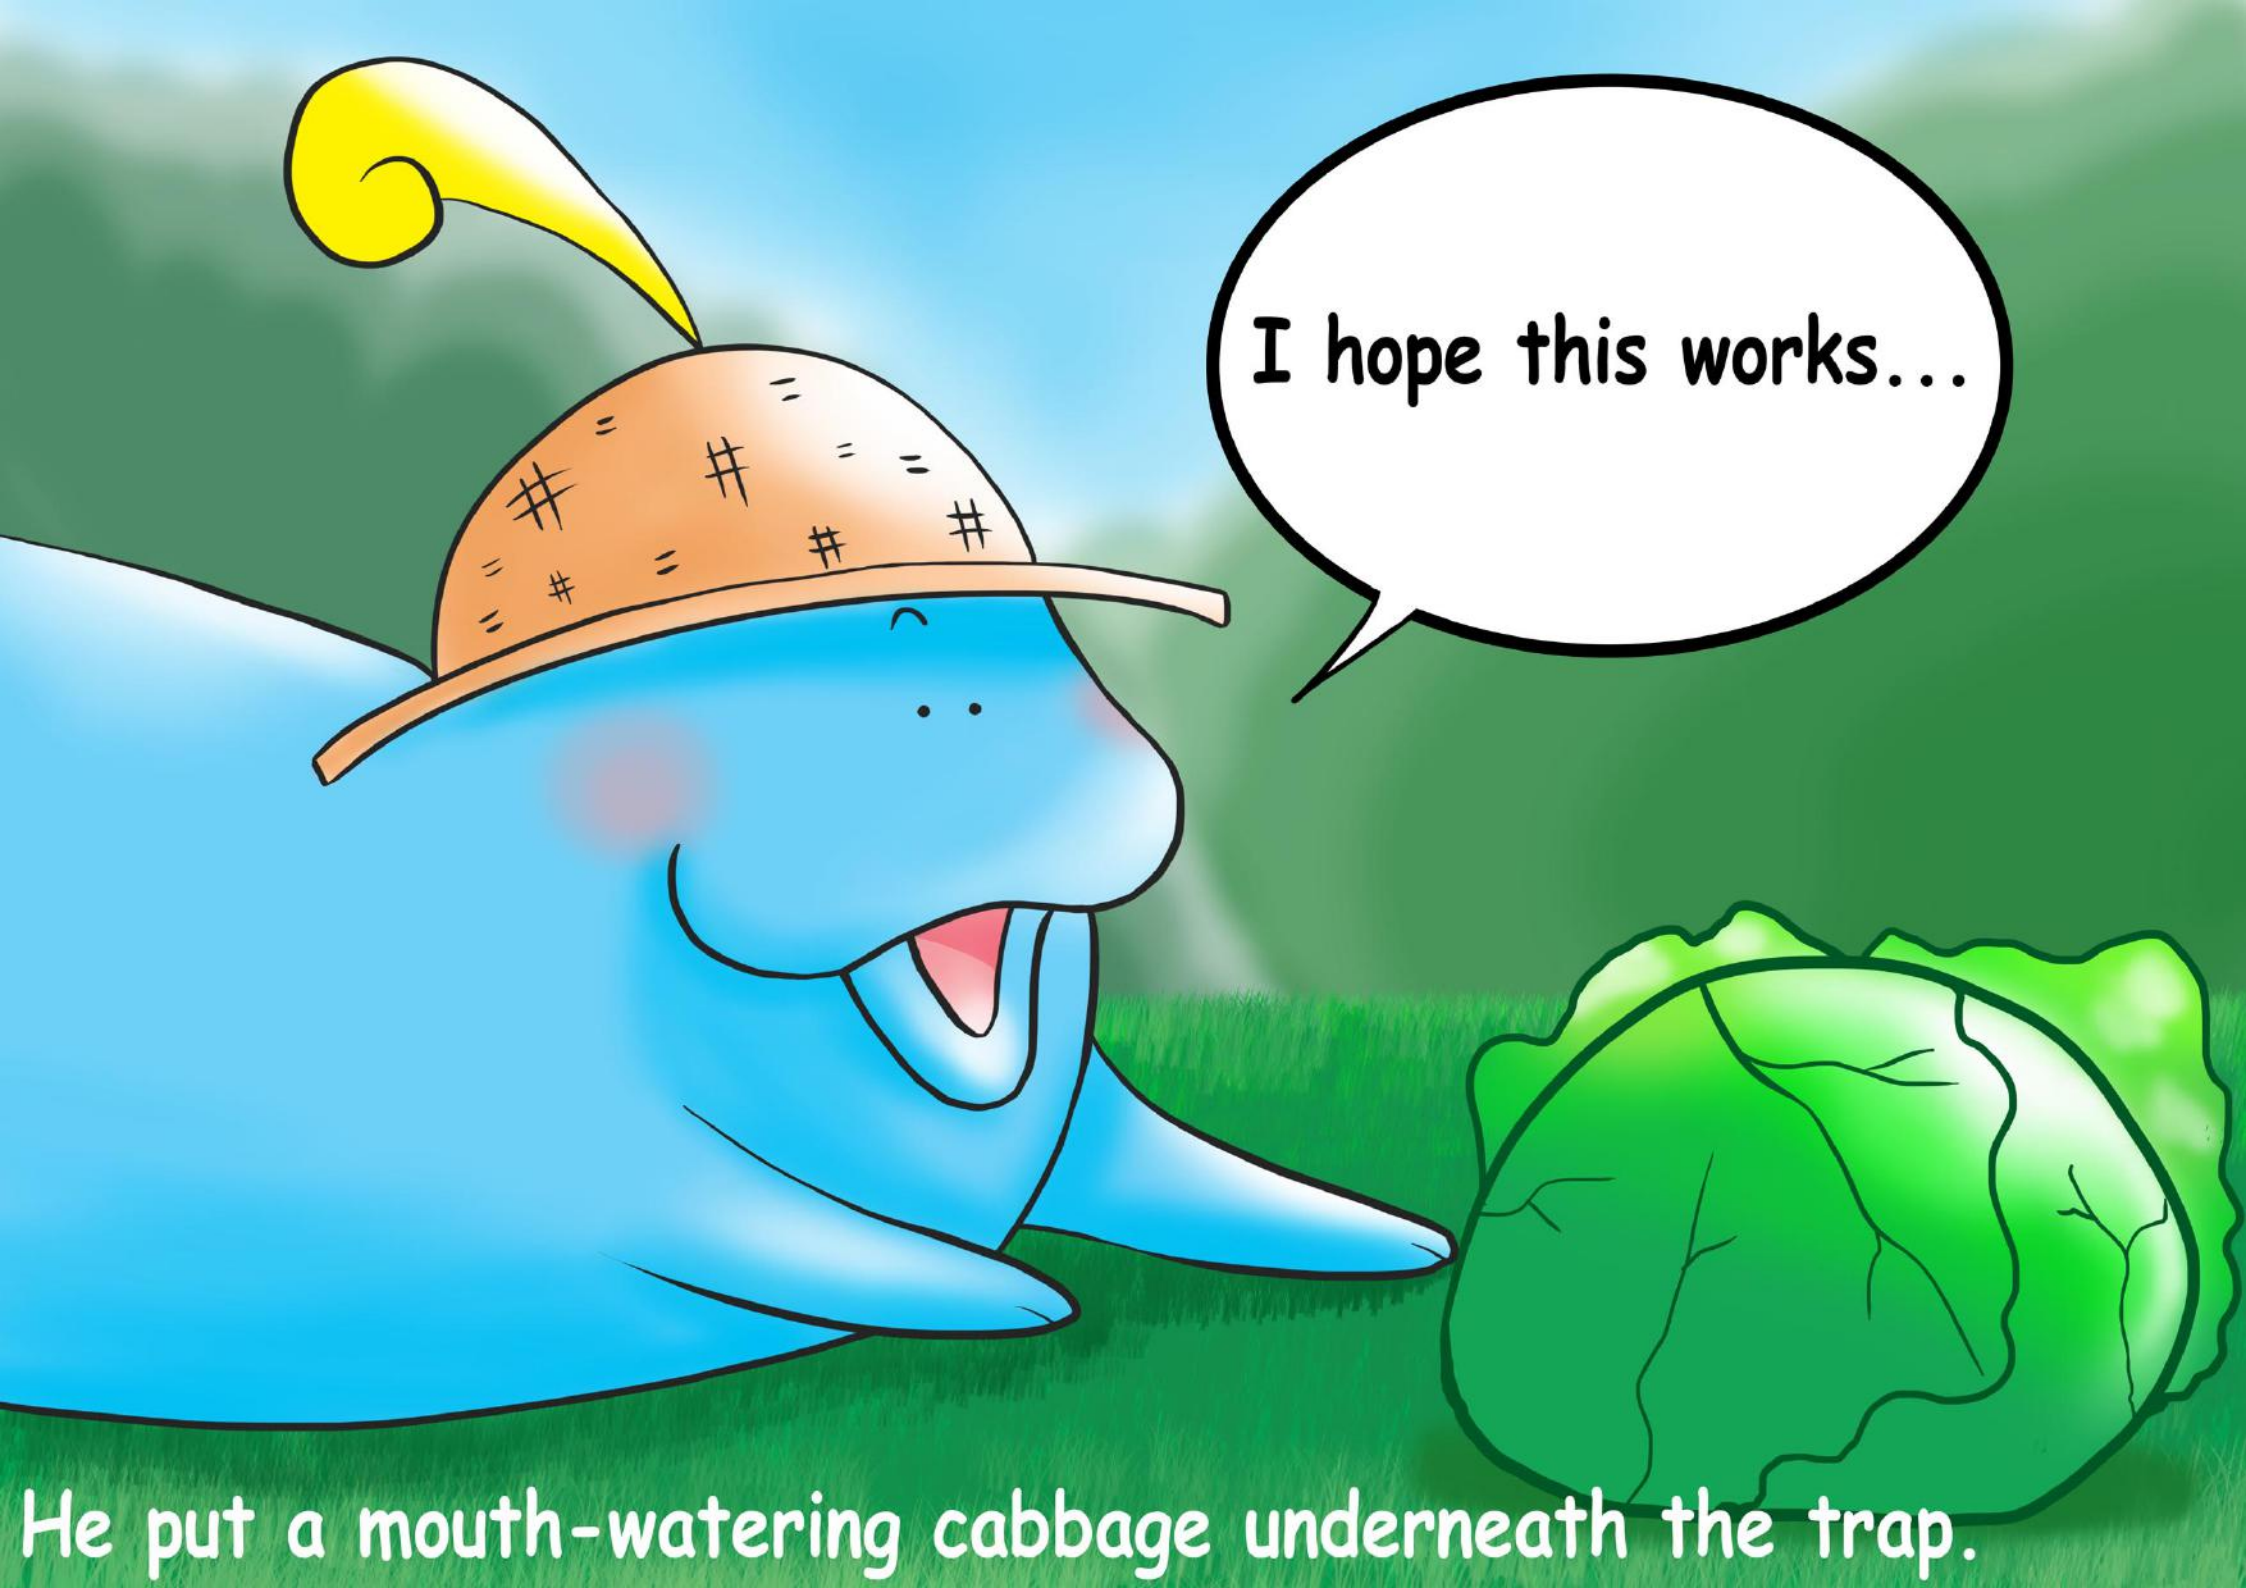

Doozy Moo is determined to catch the cabbage thief.

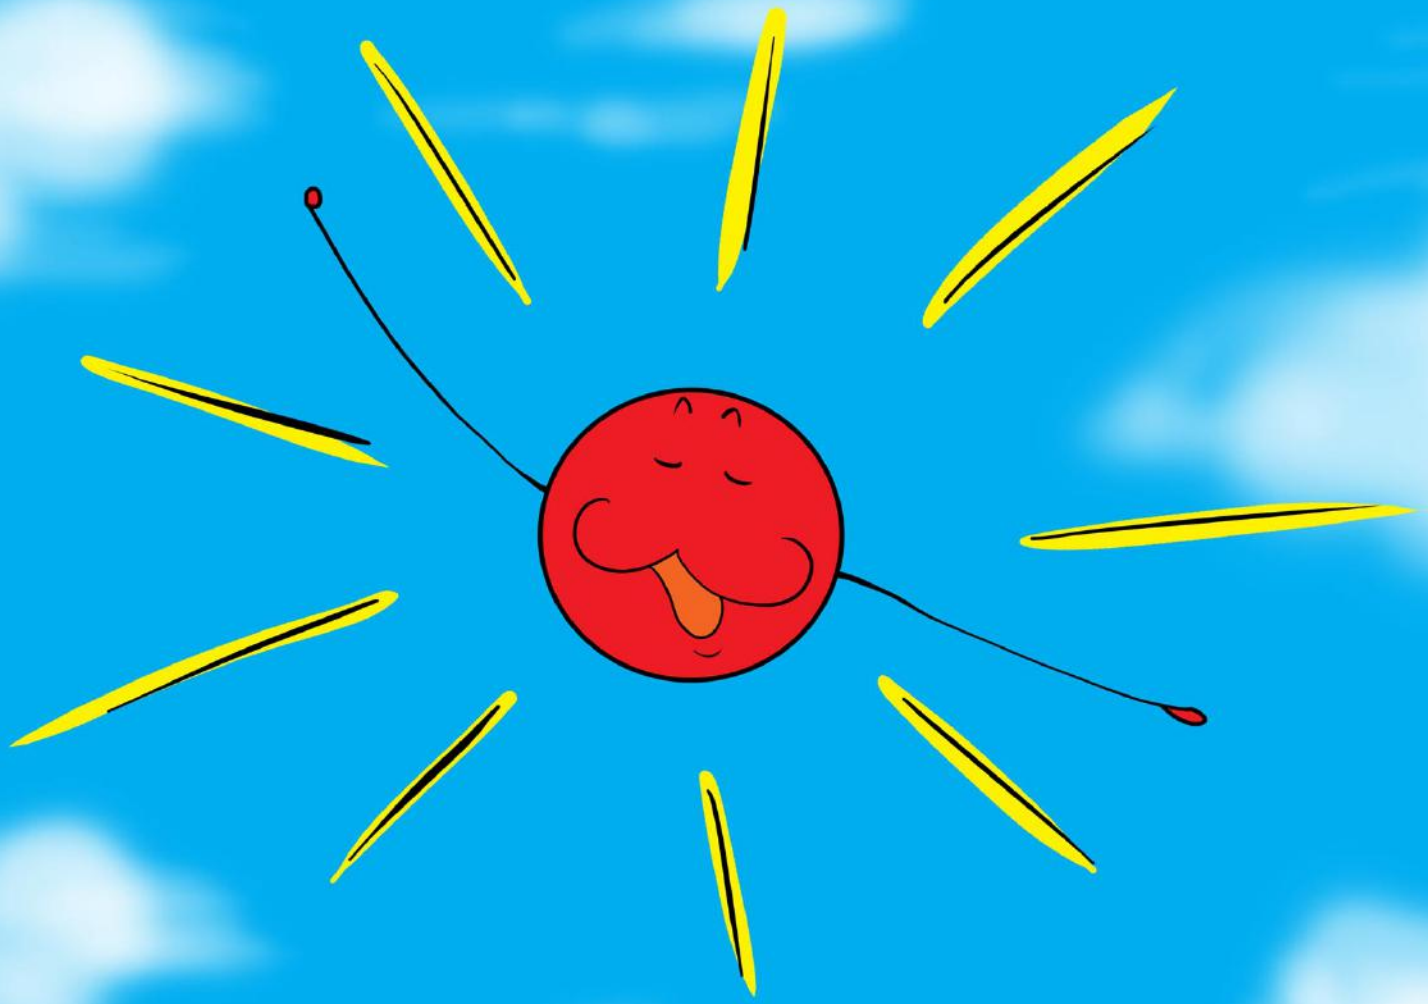

The next day...

Doozy Moo decided to set a trap for the cabbage thief.

I hope this works...
He put a mouth-watering cabbage underneath the trap.

Doozy Moo and Pop hide in the bushes
and wait for Silk, the cabbage thief, to take the bait.

One hour later...

Silk is whistling as he takes a leisurely stroll.
He has no idea that he is walking towards Doozy Moo's trap.

Silk finds the cabbage.
Oh?

It's my lucky day!

Now! Pop!

Bam!
Oh?!
What's happening?

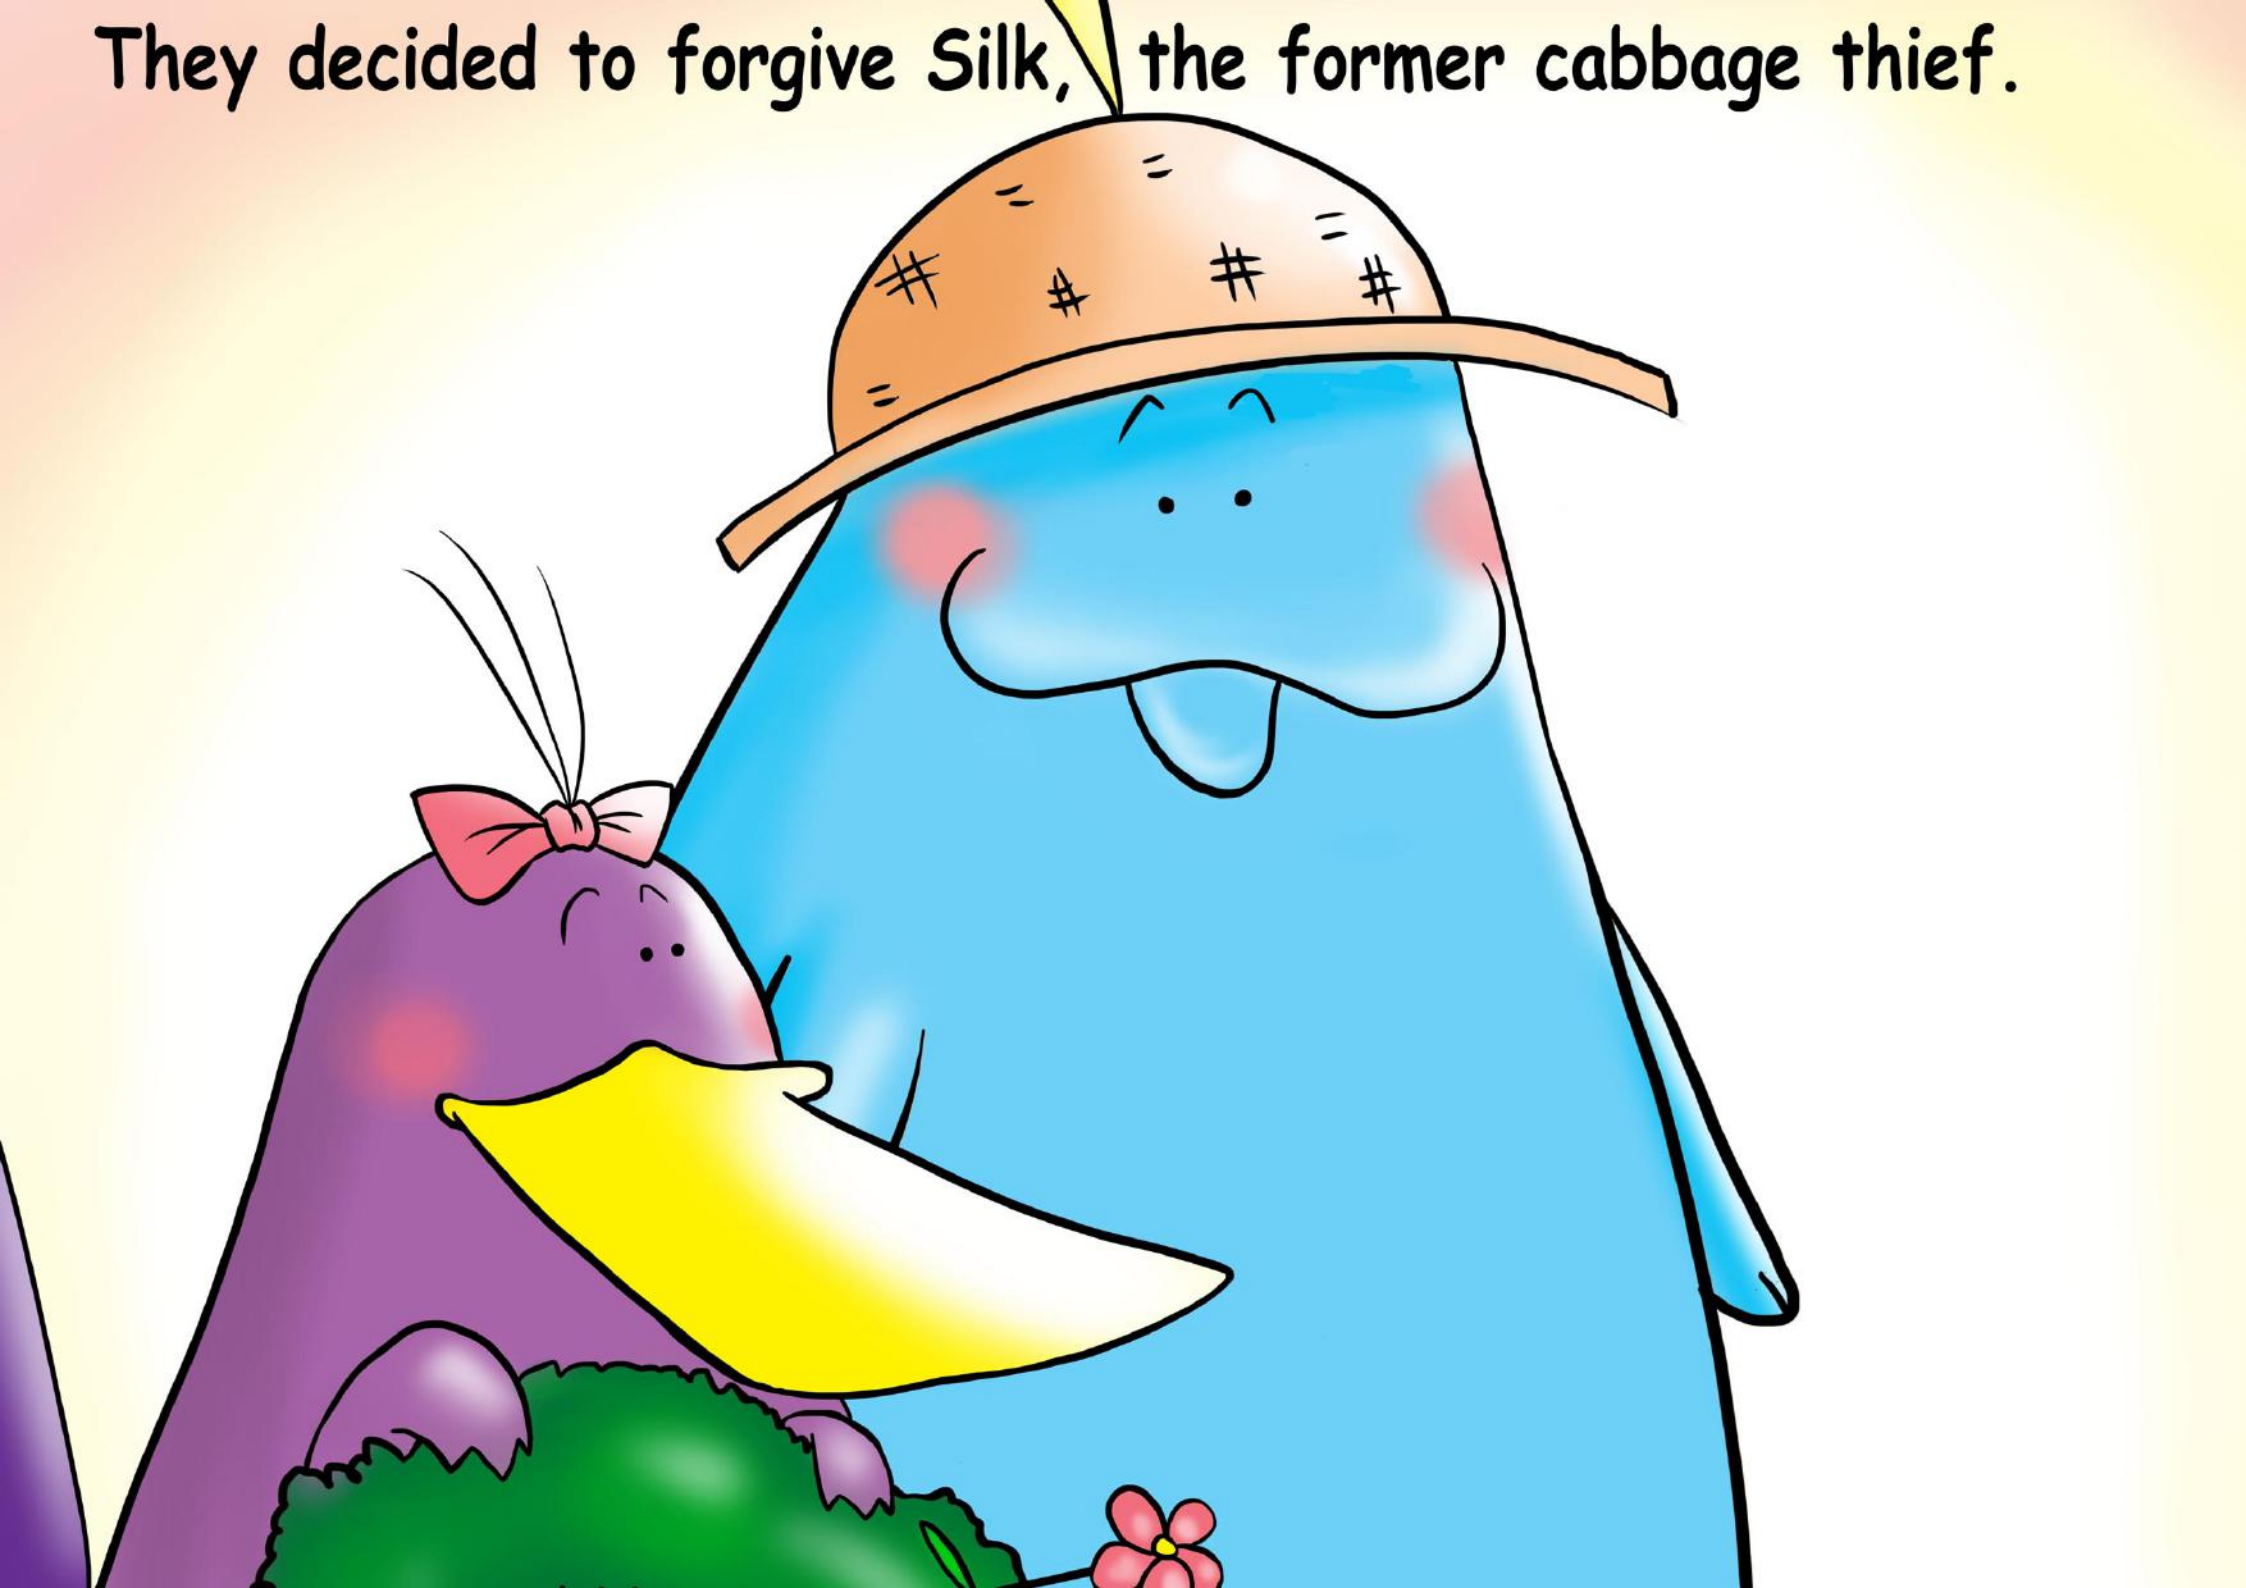

Silk has been caught!
You can't run away anymore!
Doozy?! You did this?!

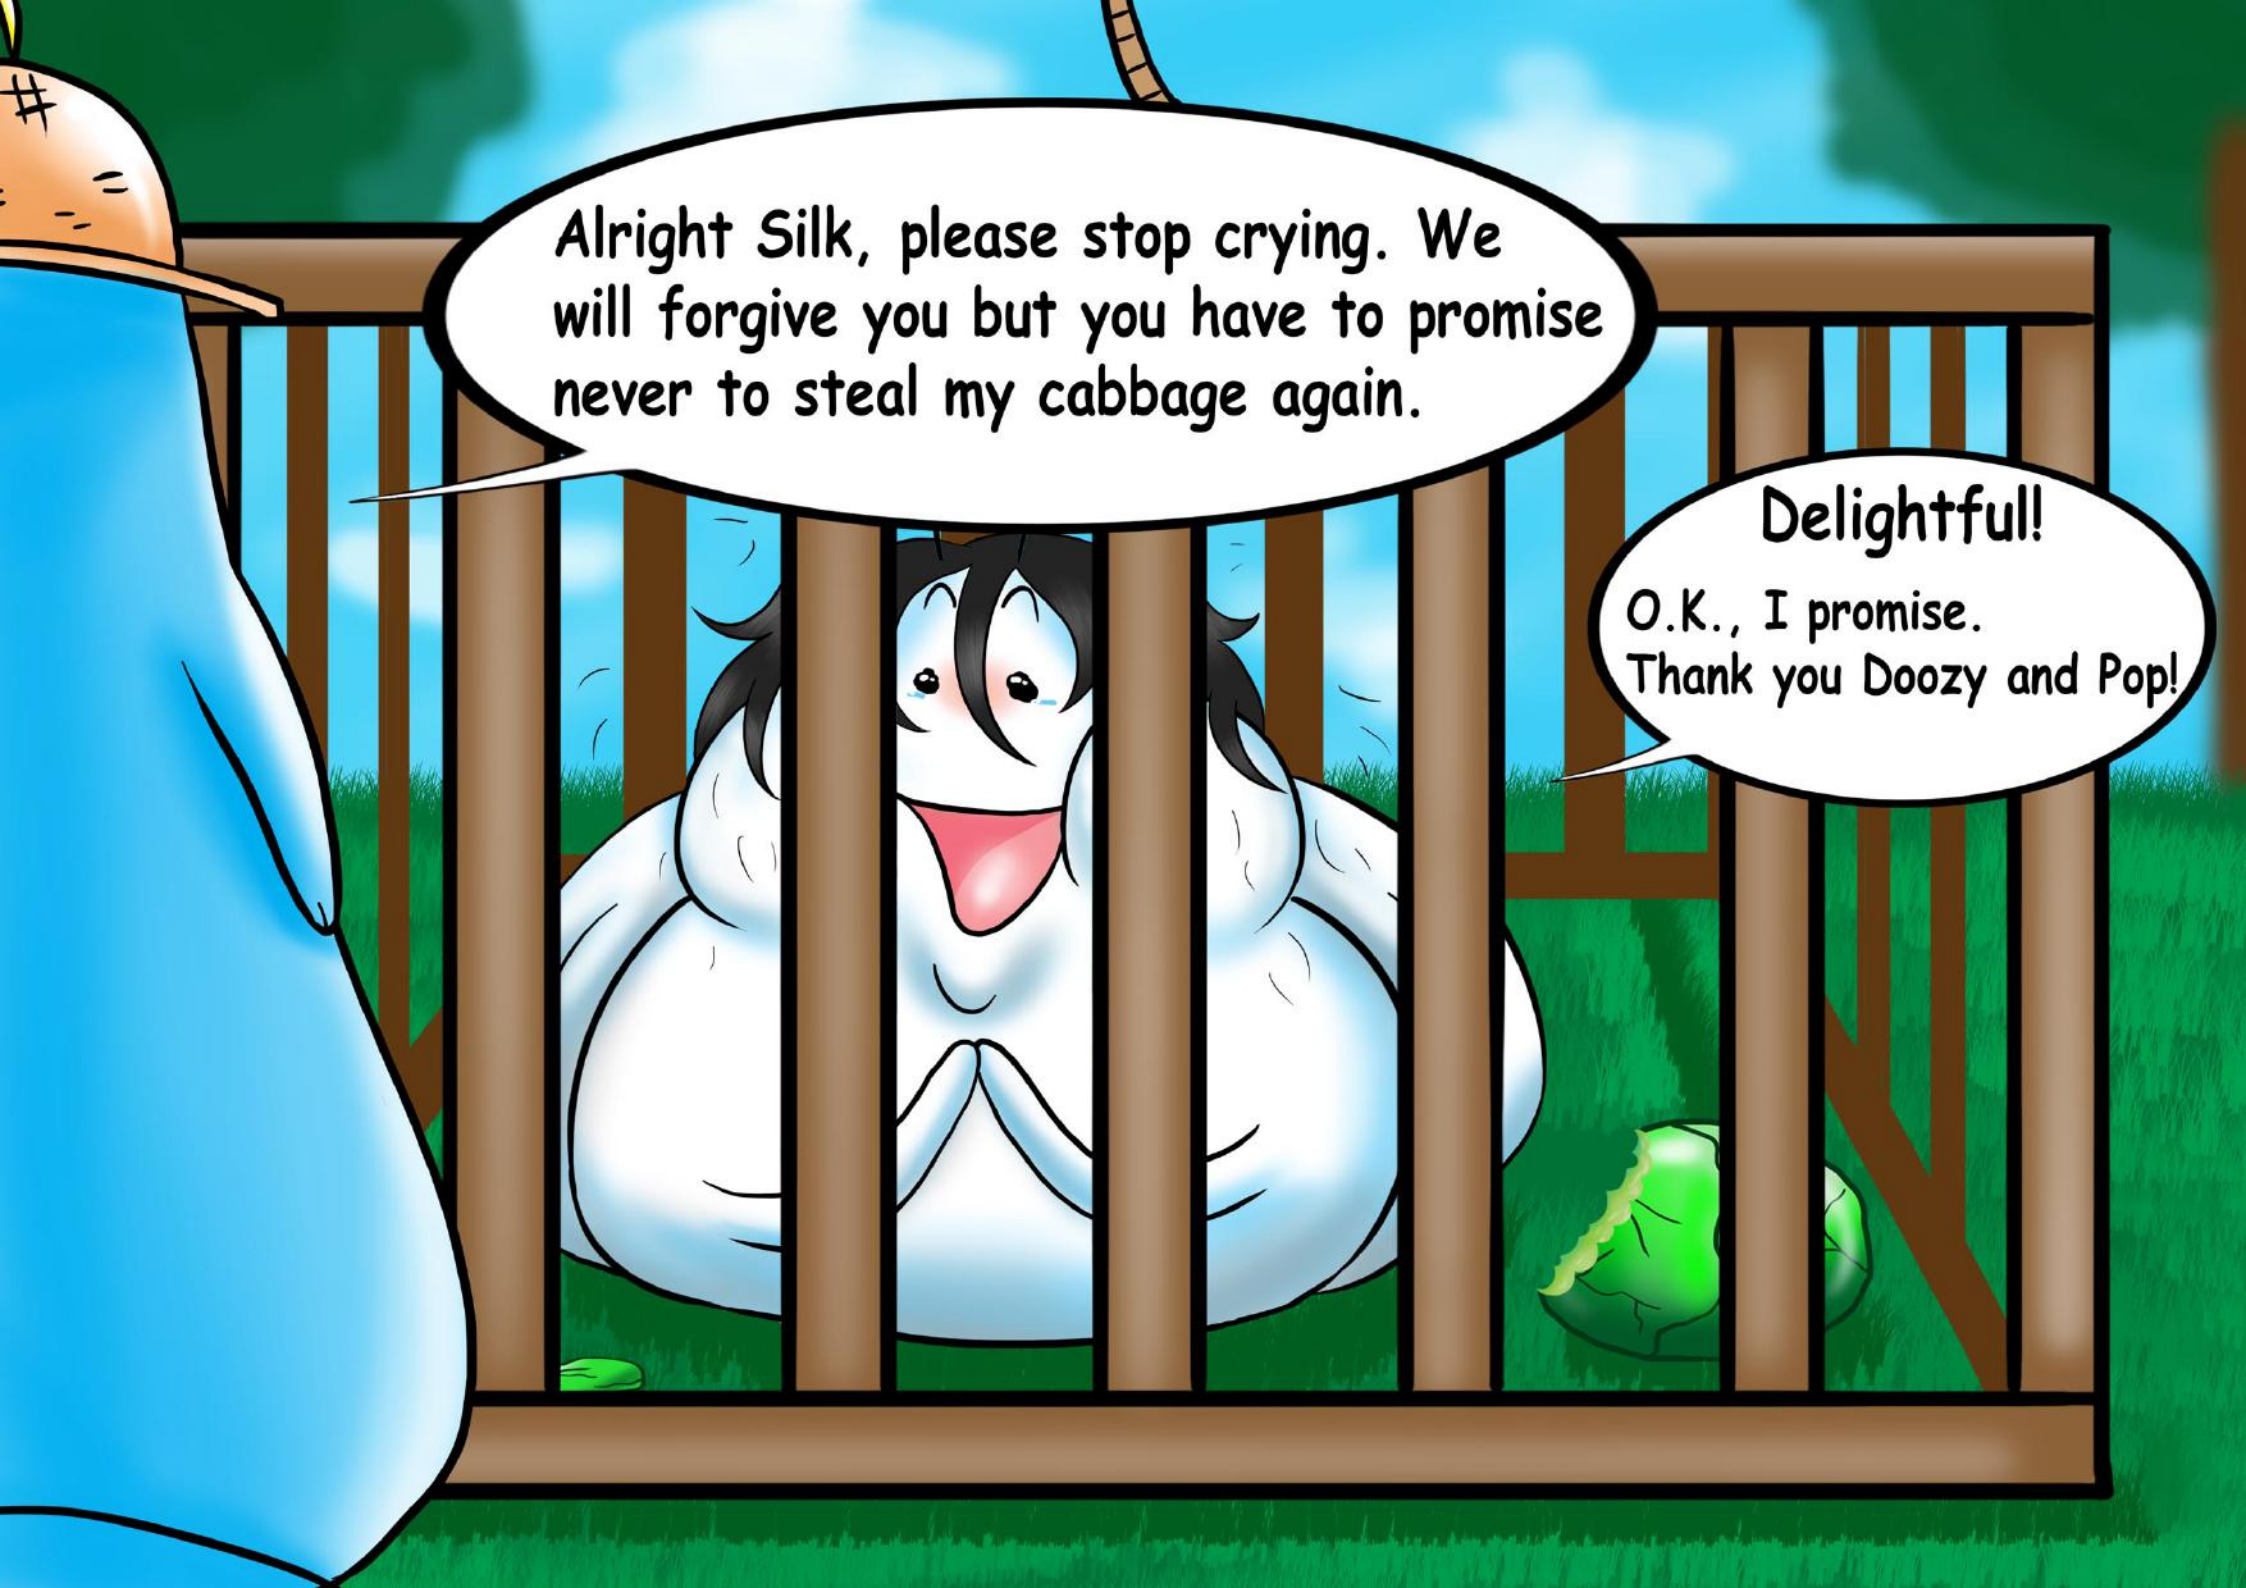

I can't believe that you ate my cabbage and then ran away.

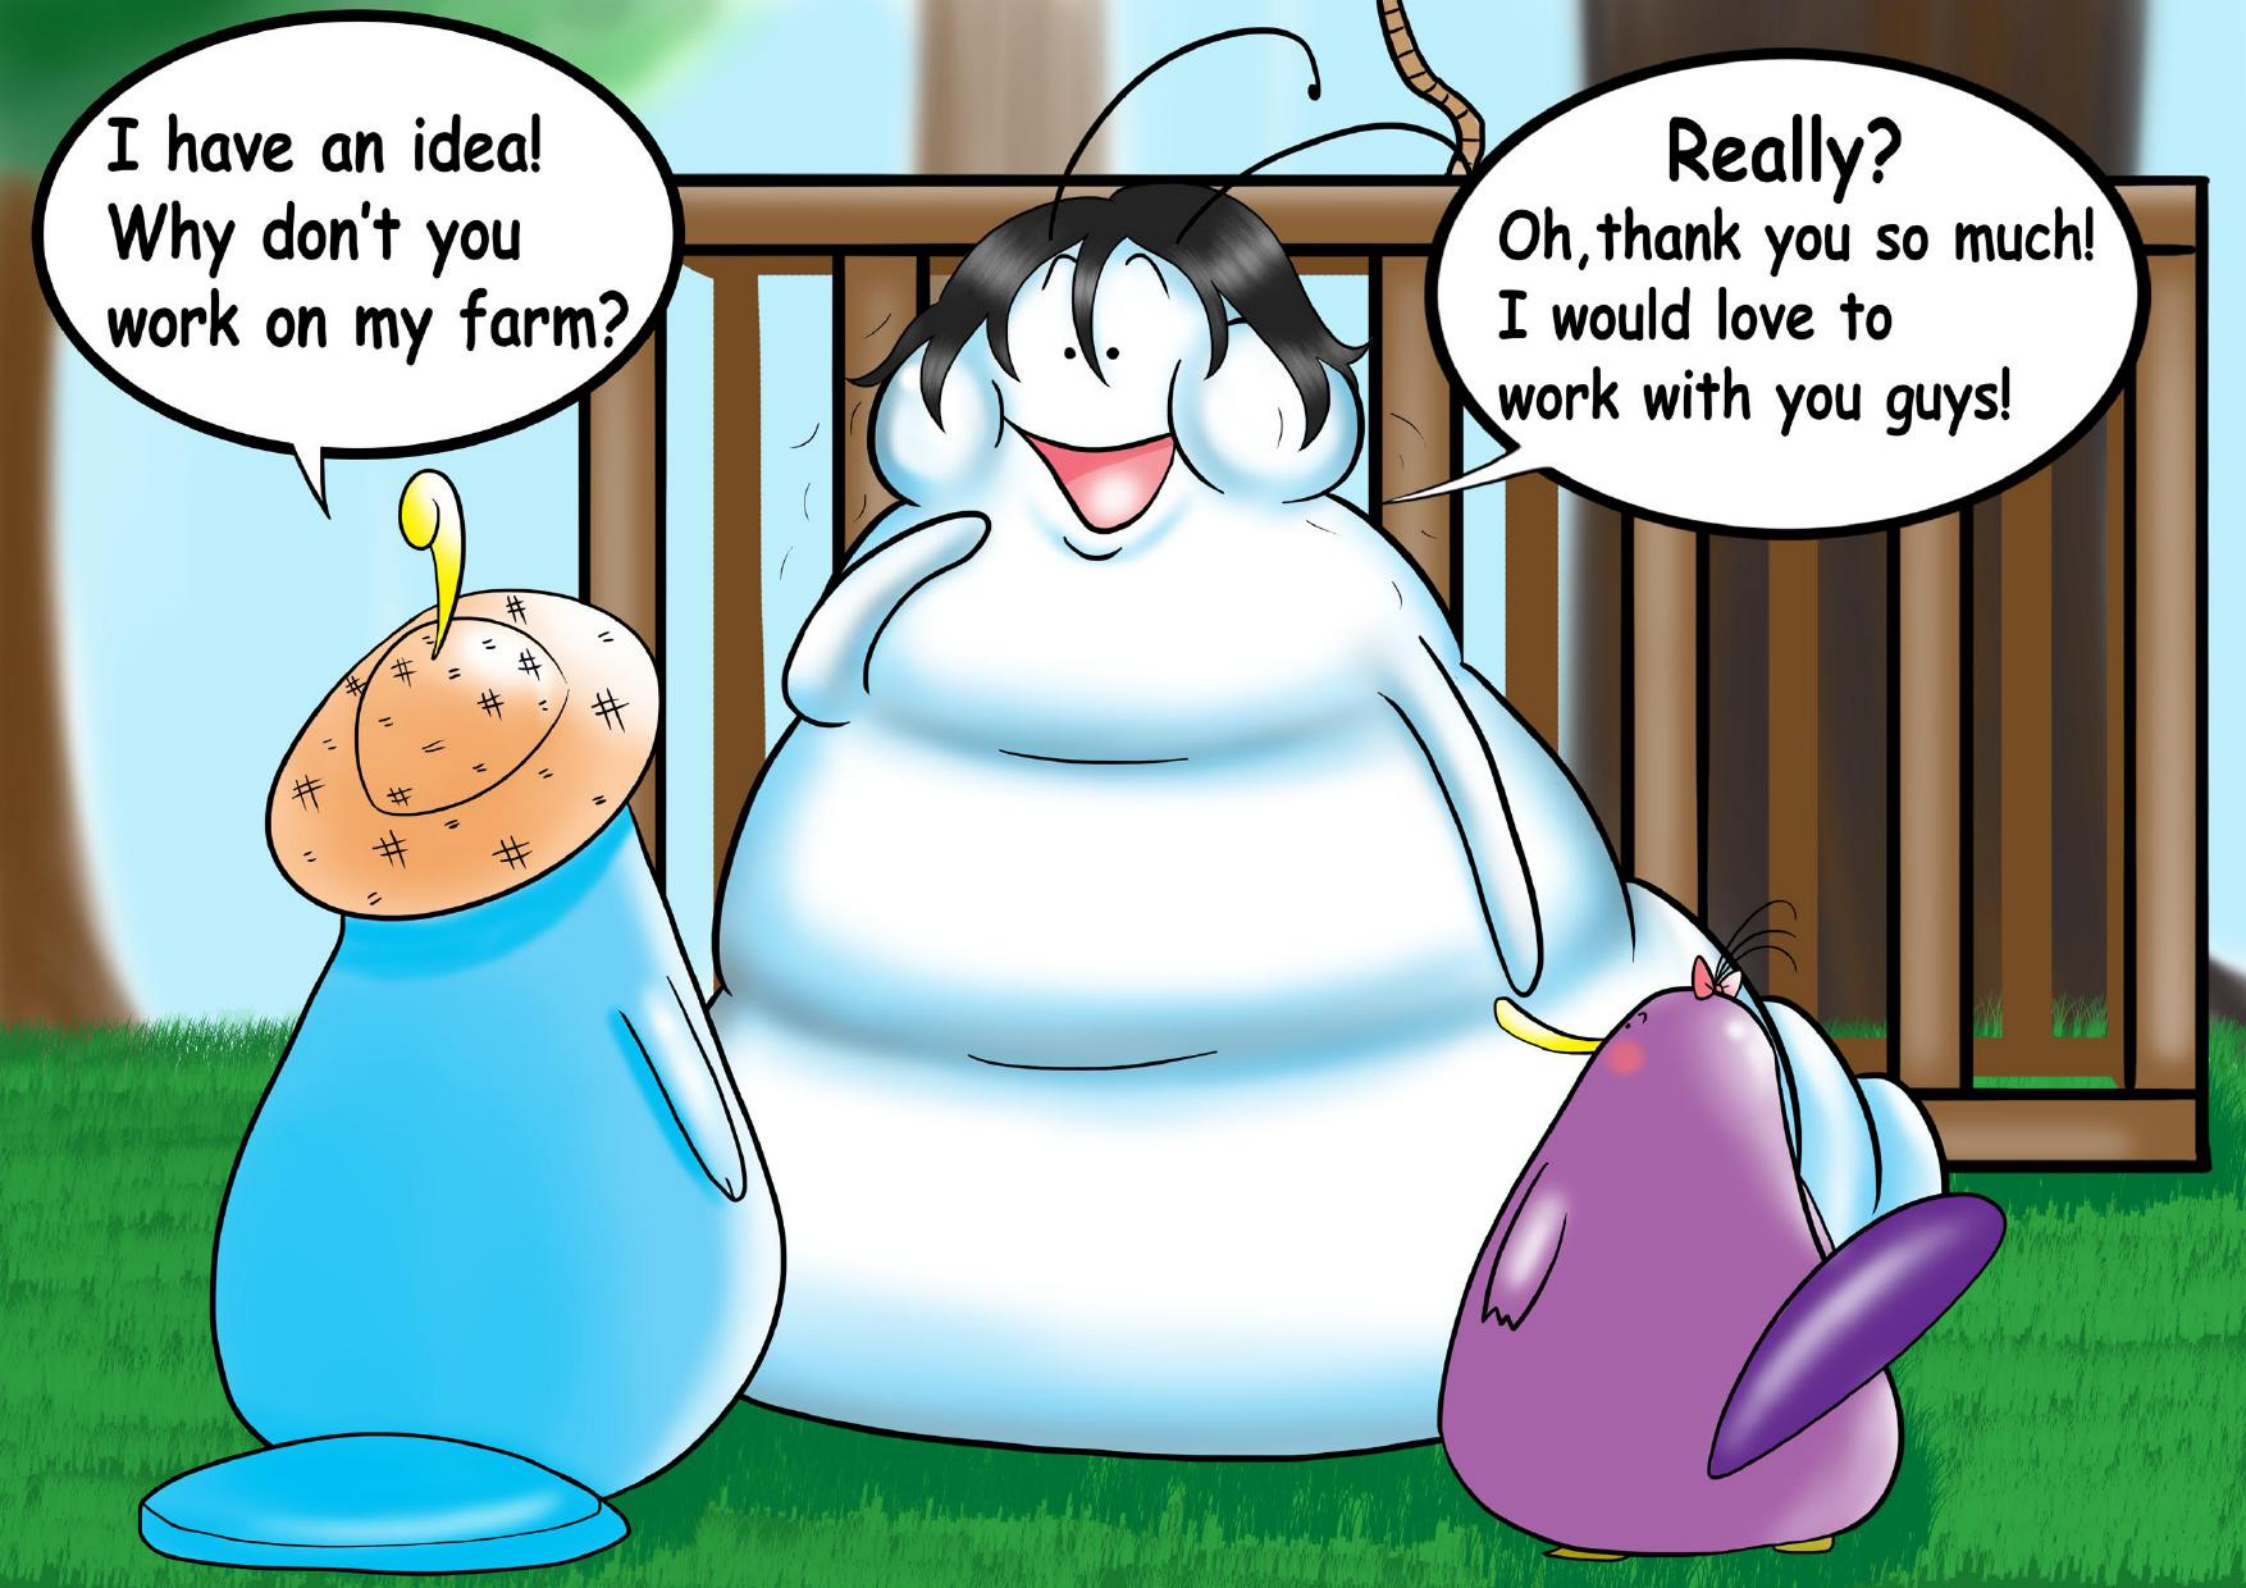

Silk has tears in his eyes and appears to be sorry for what he has done.
Mercy!
Please let me out of this cage.
I'm sorry Doozy...
Your cabbage is so delicious
I couldn't help myself...

After listening to Silk apologize, Doozy Moo and Pop are starting to feel sorry for him.

They decided to forgive Silk, the former cabbage thief.

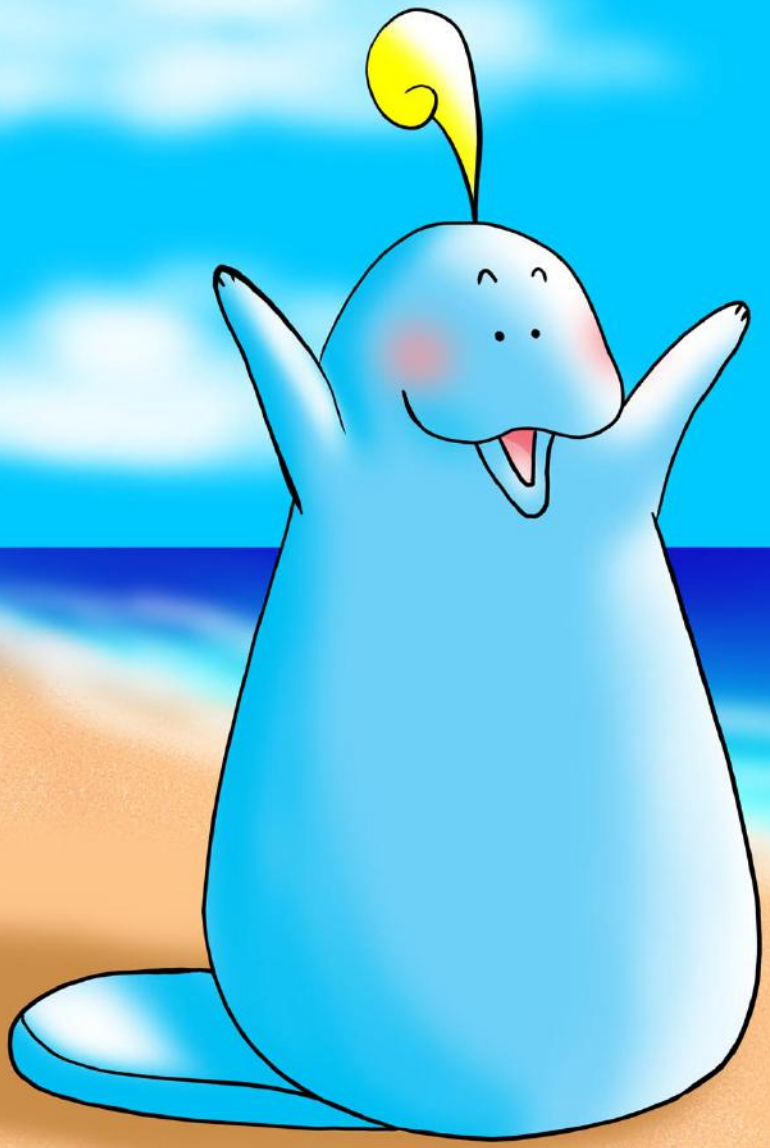

Alright Silk, please stop crying. We will forgive you but you have to promise never to steal my cabbage again.
Delightful!
O.K., I promise.
Thank you Doozy and Pop!

I have an idea! Why don't you work on my farm?
Really? Oh, thank you so much! I would love to work with you guys!

Come here! Group hug!!

Silk began working on Doozy Moo's farm the next day.
With Silk's help, the cabbage grew bigger and faster than it ever did before.
Doozy Moo, Pop, and Silk are the best team of cabbage famers in the world!
