MONITORING by DoF

Ensuring adequate & equitable distribution :-

- The web based iFMS-

- Weekly Video conference- States, DOF, DAC&FW & M/o Railways. All the States are regularly being advised to monitor the availability of fertilizers at district level.

- Social media- whatsapp.

- Daily/ Weekly report.

Agrilearner App {agripdfnotes.com}

Role of State Governments

- DOF ensures availability of fertilizer at State level. Within State, the State Governments are responsible for equitable distribution as per district/block requirement.
- To Check black Marketing, Hoarding and Diversion of fertilizers the state Governments are adequately empowered under FCO to take appropriate actions.

Agrilearner App (agrioutnotes.com)

Role of State Governments

- There are provisions of Quality checks at each level and State Agriculture departments are empowered under FCO to do quality checks and take necessary steps.

MIS REPORTS INTRODUCED FOR STATE USERS

Extract of "**Top 20 buyers State-wise/ District-wise**" report in CD for month of December 2018 and January/ February 2019 has been forwarded to all the Chief Secretaries/ Administrators of the States to examine whether the quantities of Fertilizers bought by top 20 buyers from retailers are justified by their operational holding, crop sown etc.

Agrilearner App {agripdfnotes.com}

Adequate availability at District level

- States must ensure adequate availability at District level
- State Agriculture department representatives are advised to do the same
- District wise availability from the DoF website mfms.nic.in
- A letter in this regard has also been written to Pr. Secretary (Agriculture) in States

Agrilearner App {agripdfnotes.com}

Functioning of POS at retailer end

- Anecdotally, it has been found that the stocks as PoS, physical stocks and stocks as per inventory records are not reconciling at retailer level.
- State Agriculture may take proactive measures to check this.
