Sample answers:
Tell the teachers: a good idea – teachers are experienced in this type of problem
Post bad things about Marina: bad idea – two wrongs don't make a right
Leave the class group: a good idea if this problem happens a lot. But tell an adult, too.
Tell your parents: a good idea – it's important that our parents know our problems and can help us.
Ignore it: a good idea if it just happens once, but a bad idea if it makes you feel sad. Remember other people can help you in this situation.
