How to use this book

This is a first activity book for children who are just beginning to learn to recognise and write numbers and use them to count and order simple objects.

Help your child to enjoy using the book by looking together at a few pages at a time. Looking carefully, matching, copying and practising working from left to right are important for developing early number skills.

Encourage your child to talk about what he or she is doing and to recognise numbers and practise counting when you are out and about together.

Have fun!

This is 0.

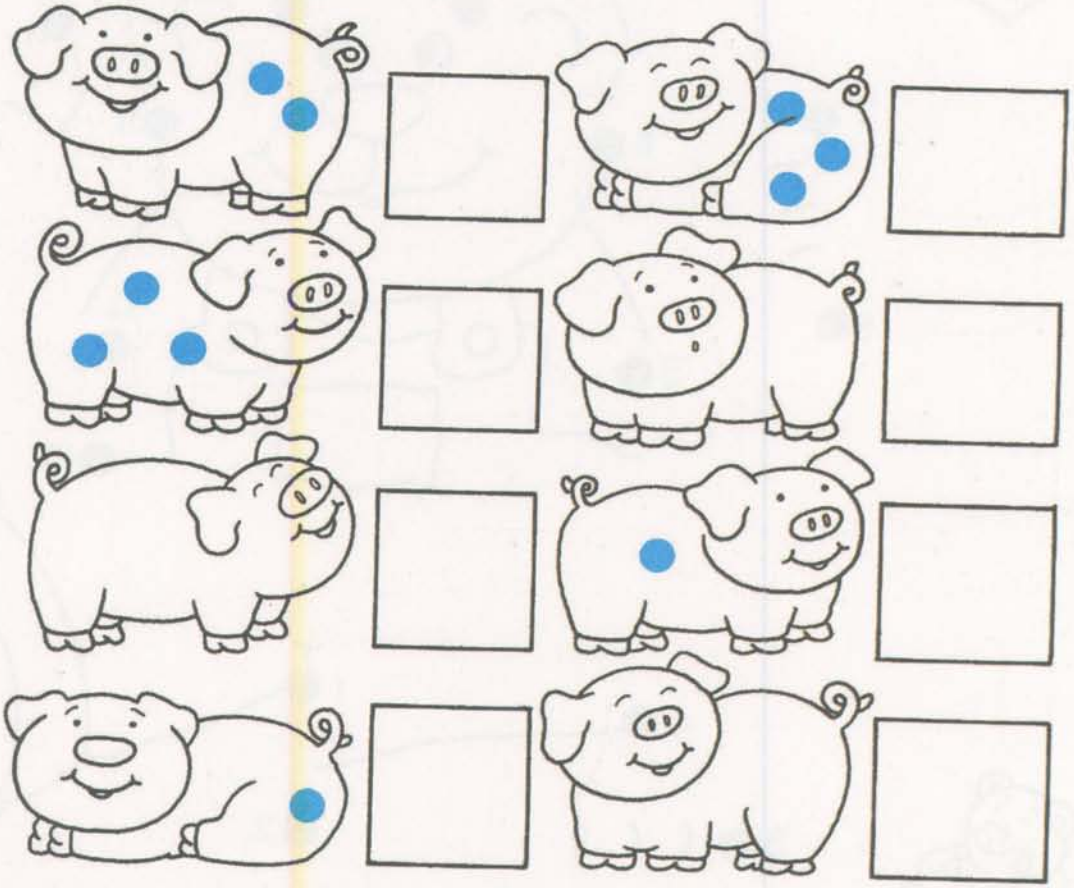

zero

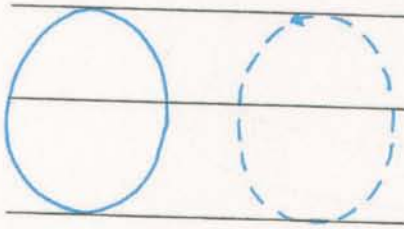

How many spots are there on each pig? Write the number in the square. If there are no spots, write 0.

Practise writing 0.

Here is number 1.

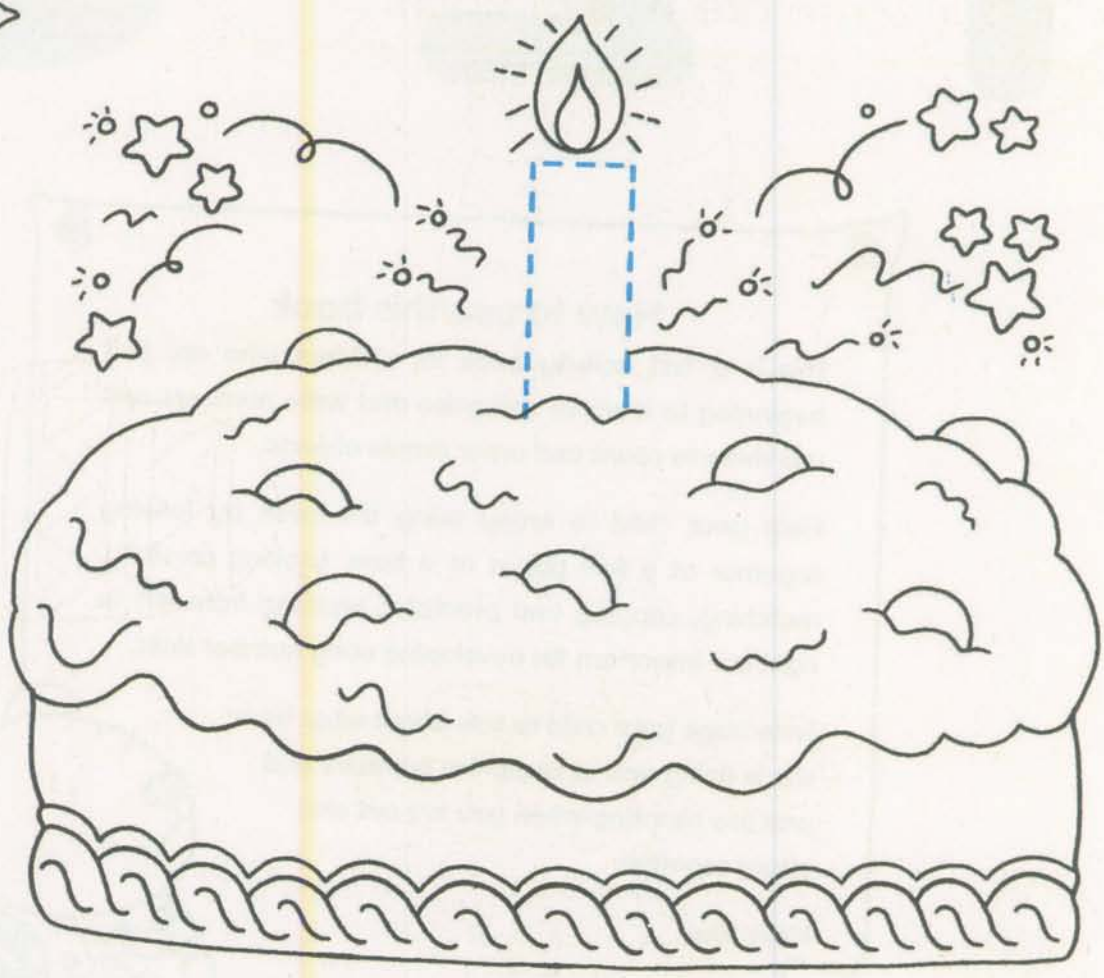

one

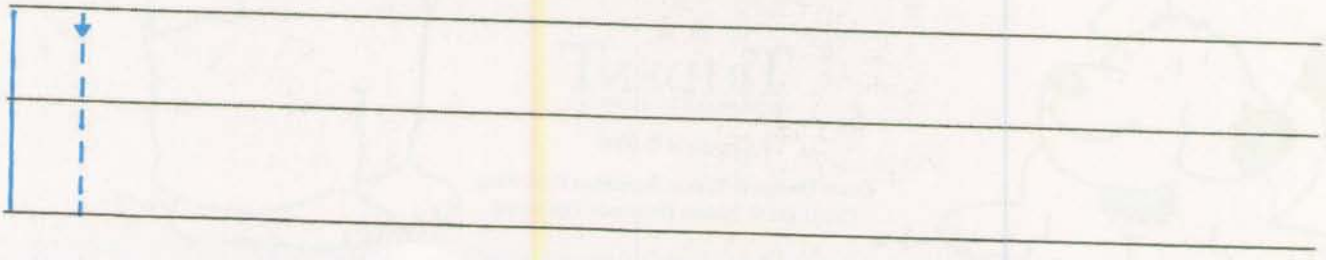

Draw one candle on the cake.

Practise writing number 1.

Here is number 2.

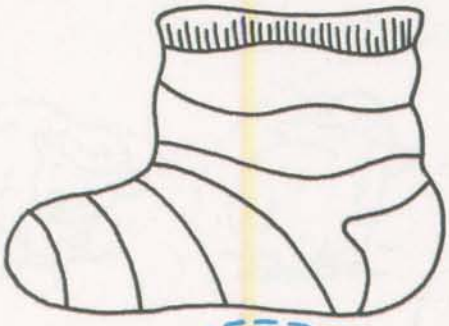

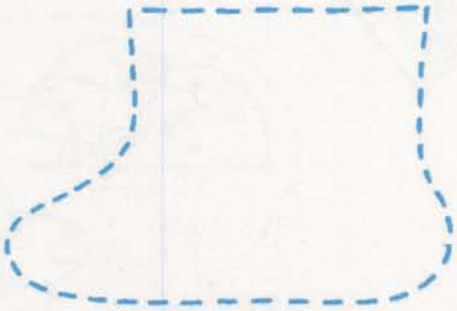

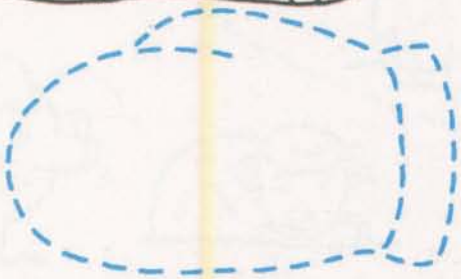

two

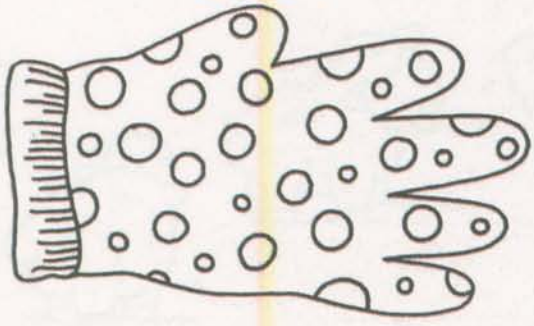

Draw another sock, mitten and glove so that there are two of each.

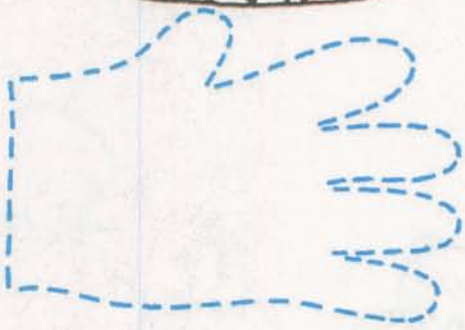

Practise writing number 2.

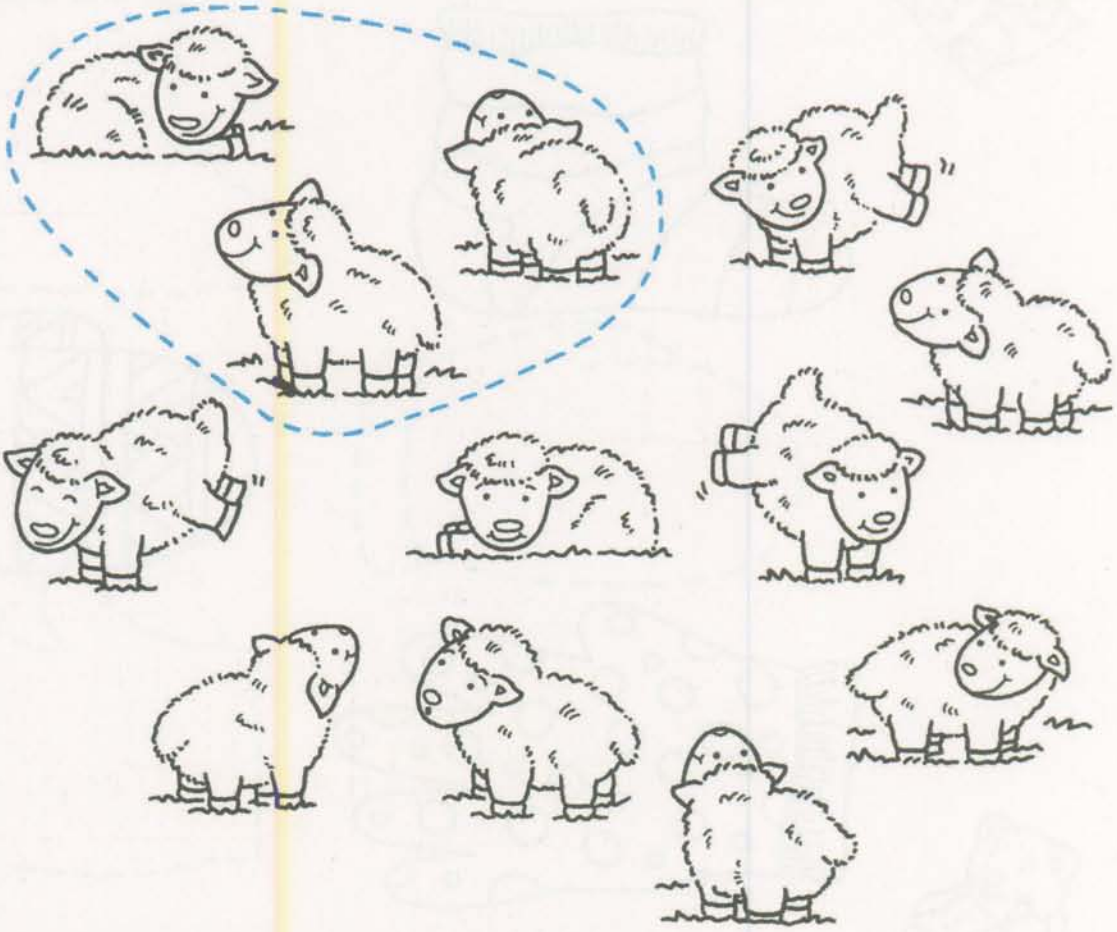

Here is number 3.

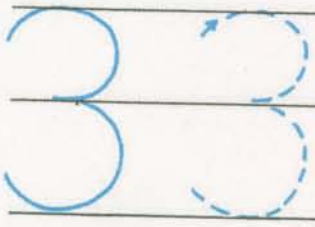

Draw some fences so that each field has 3 sheep.

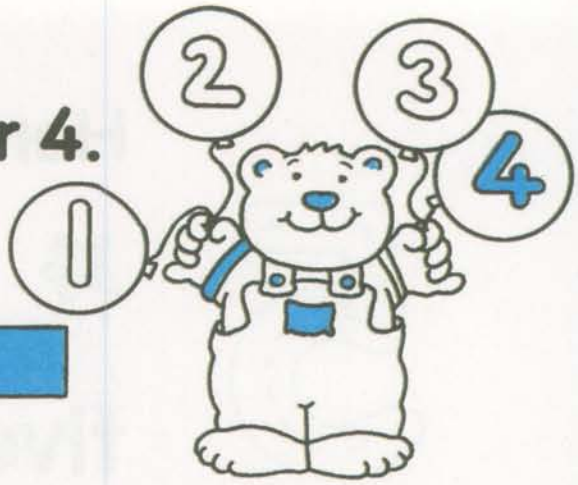

Practise writing number 3.

Here is number 4.

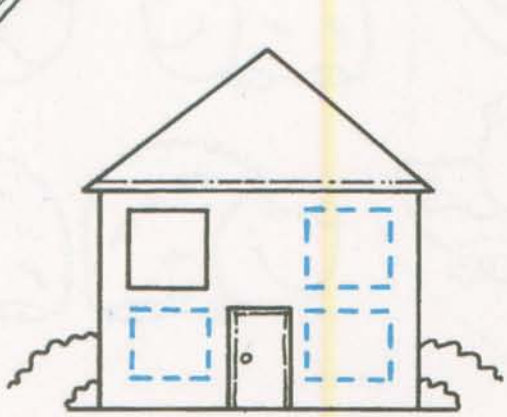

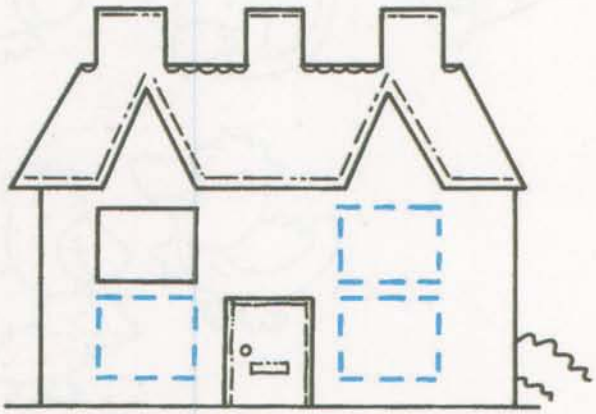

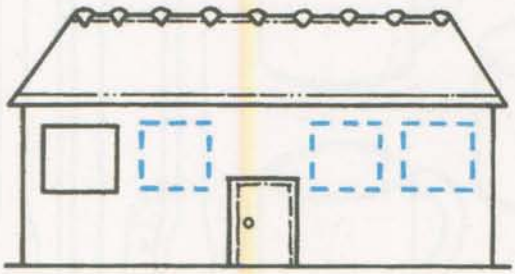

four

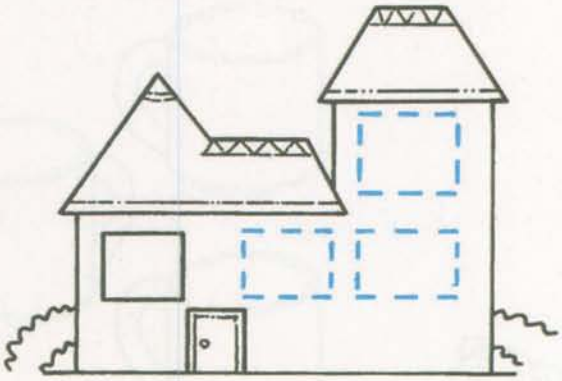

Draw 4 windows on each house.

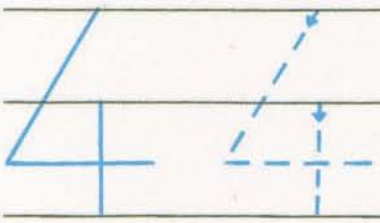

Practise writing number 4.

Here is number 5.

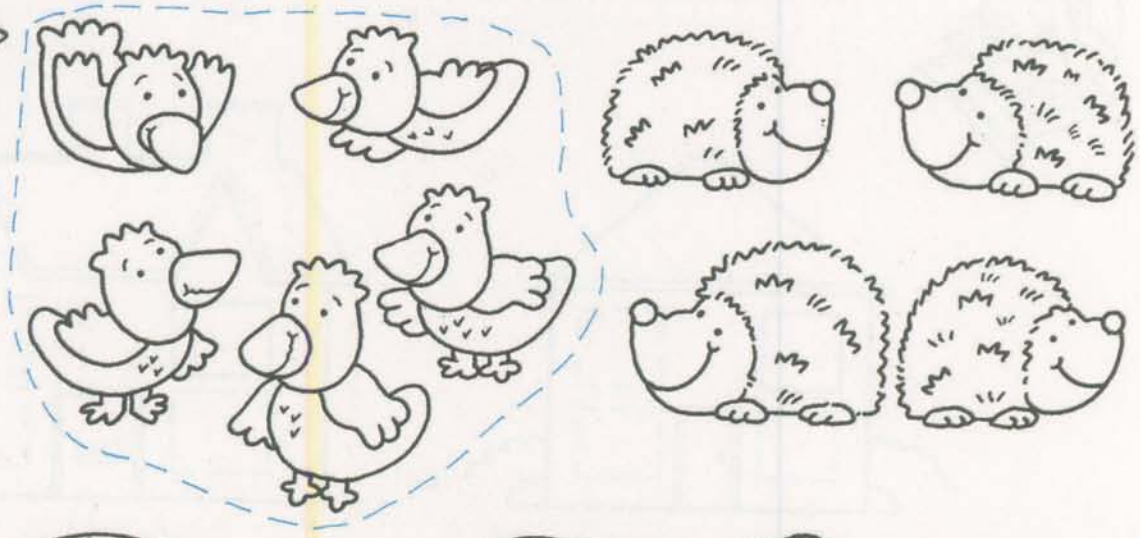

five

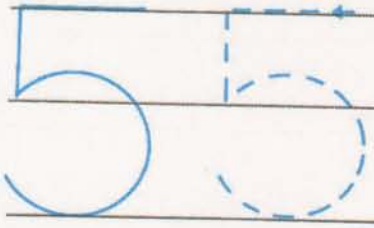

Put a ring round each group of 5.

Practise writing number 5.

Here is number 6.

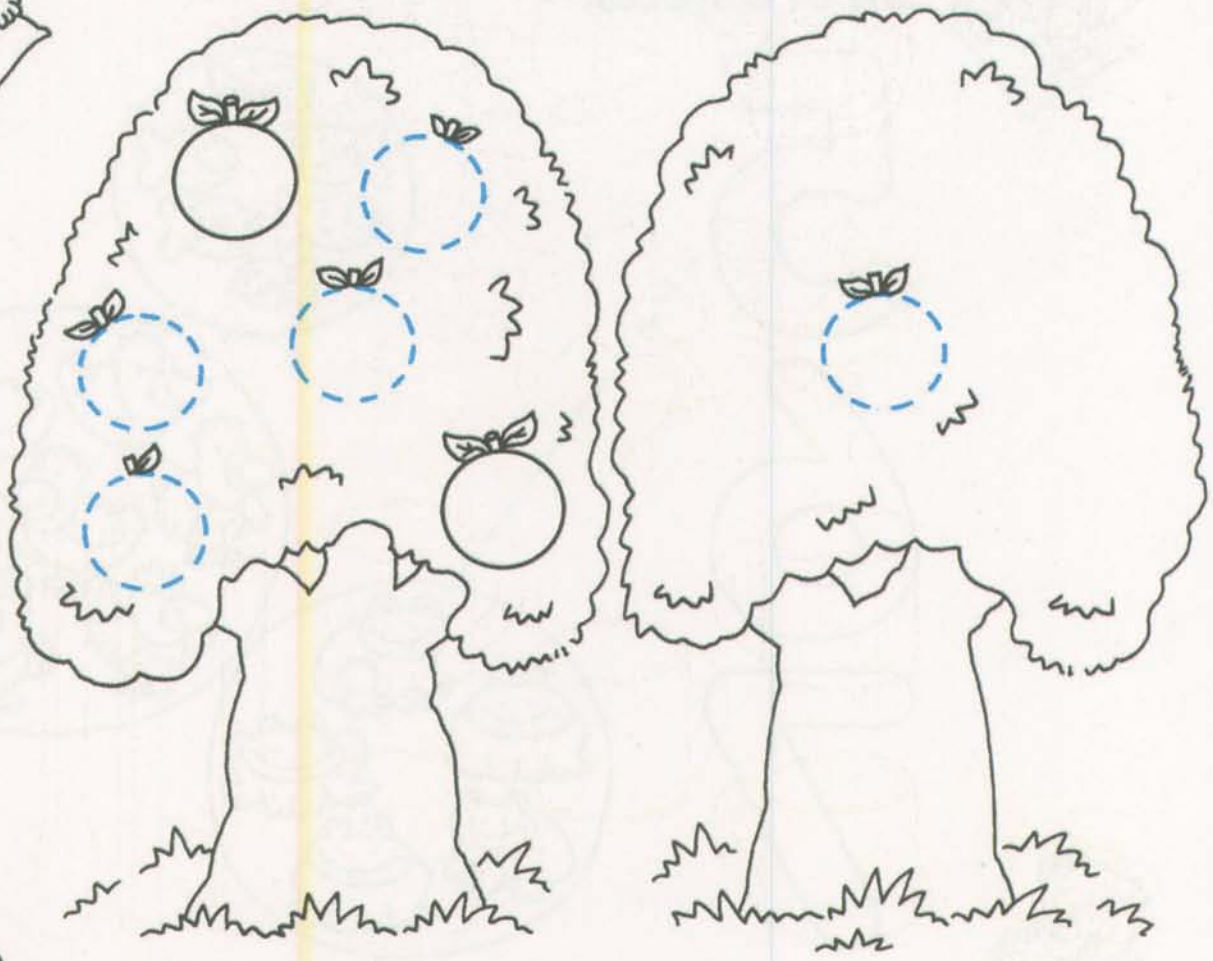

six

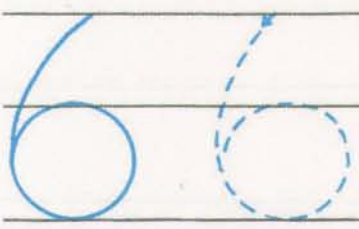

Make sure that each tree has 6 apples.

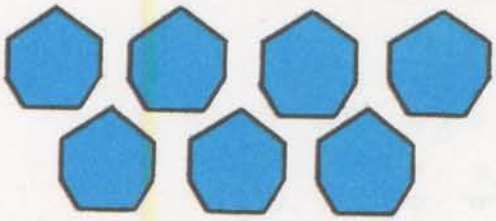

Practise writing number 6.

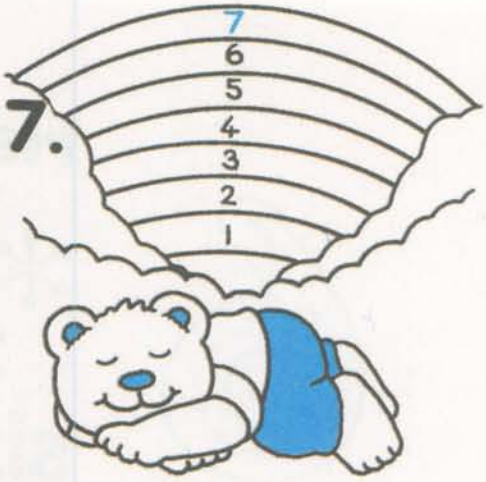

Here is number 7.

seven

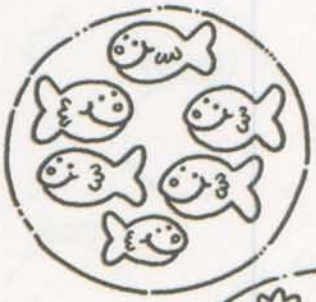

Draw a line to join the right number to each set of objects.

5

6

7

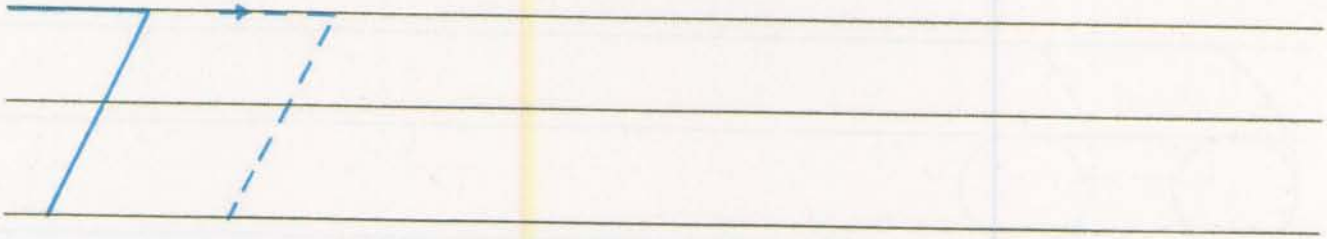

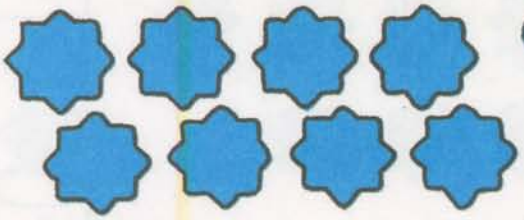

Practise writing number 7.

Here is number 8.

eight

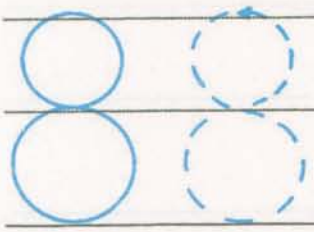

Draw eight wiggly legs on the octopus.

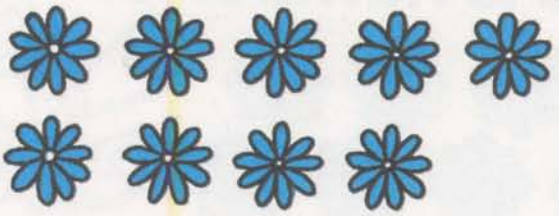

Practise writing number 8.

Here is number 9.

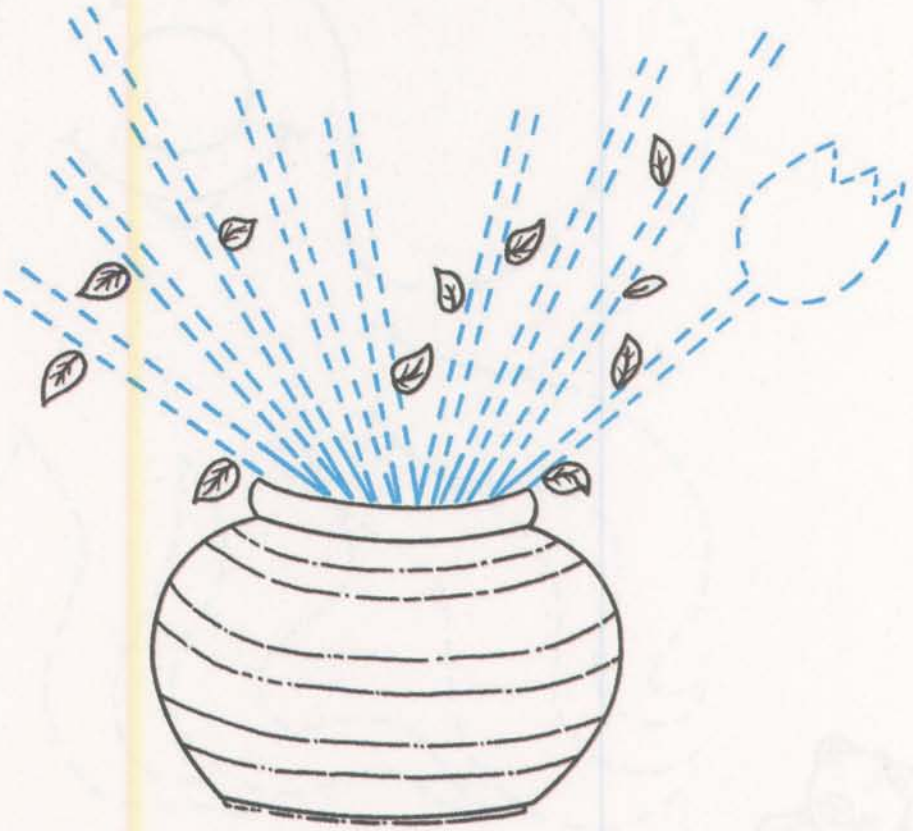

nine

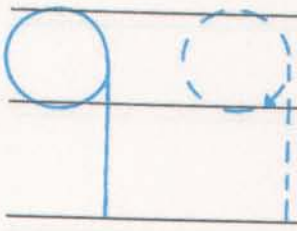

Draw 9 flowers in the vase.

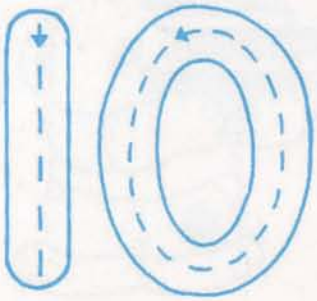

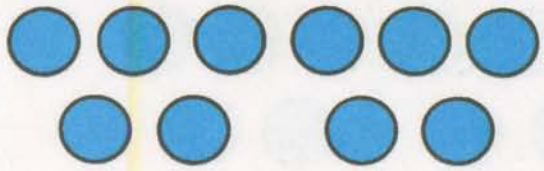

Practise writing number 9.

Here is number 10.

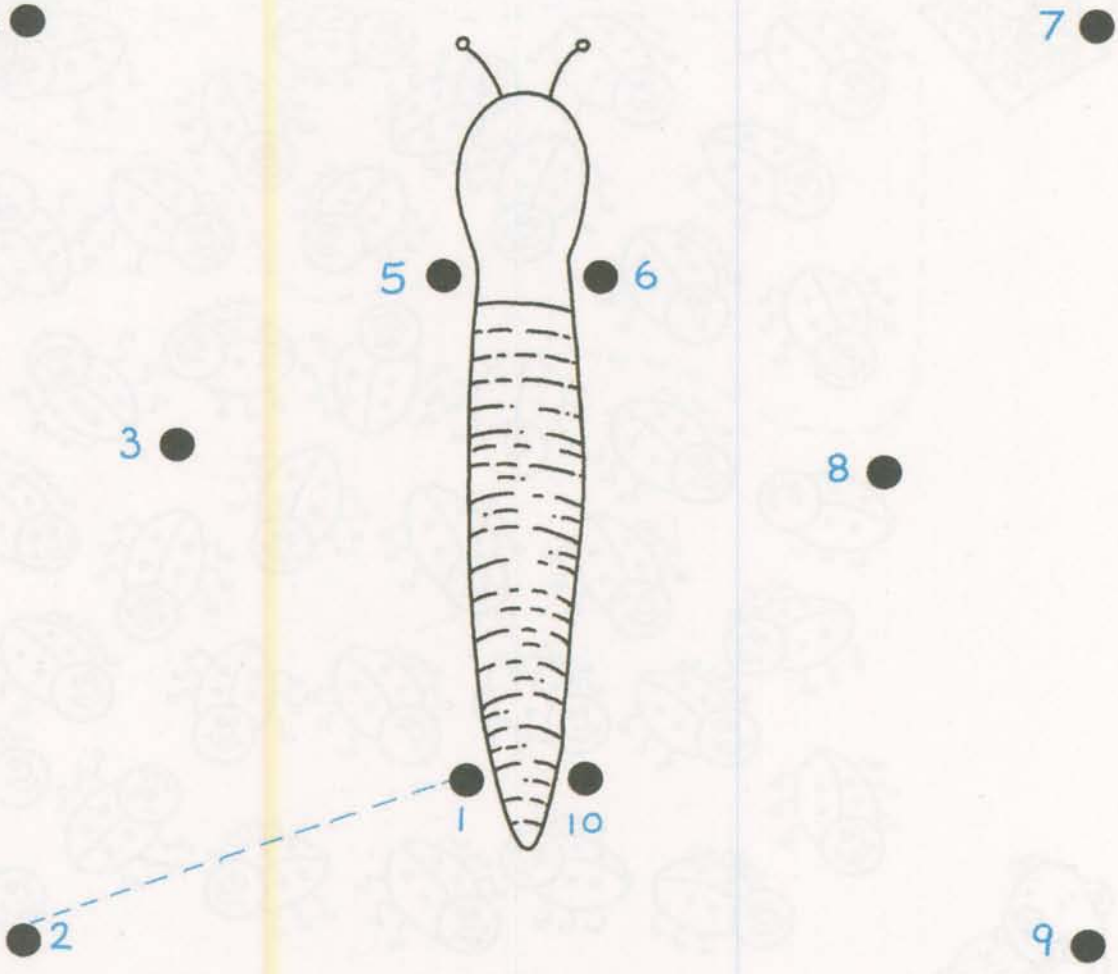

ten

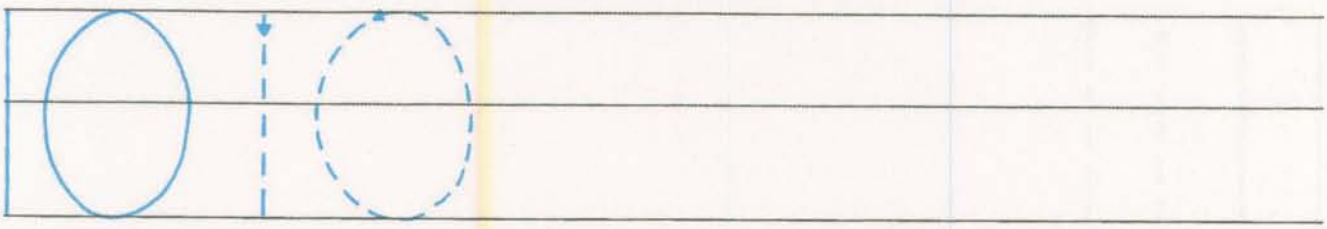

Join the dots from 1 to 10.

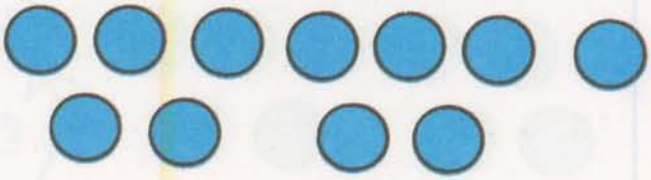

Practise writing number 10.

Here is number 11.

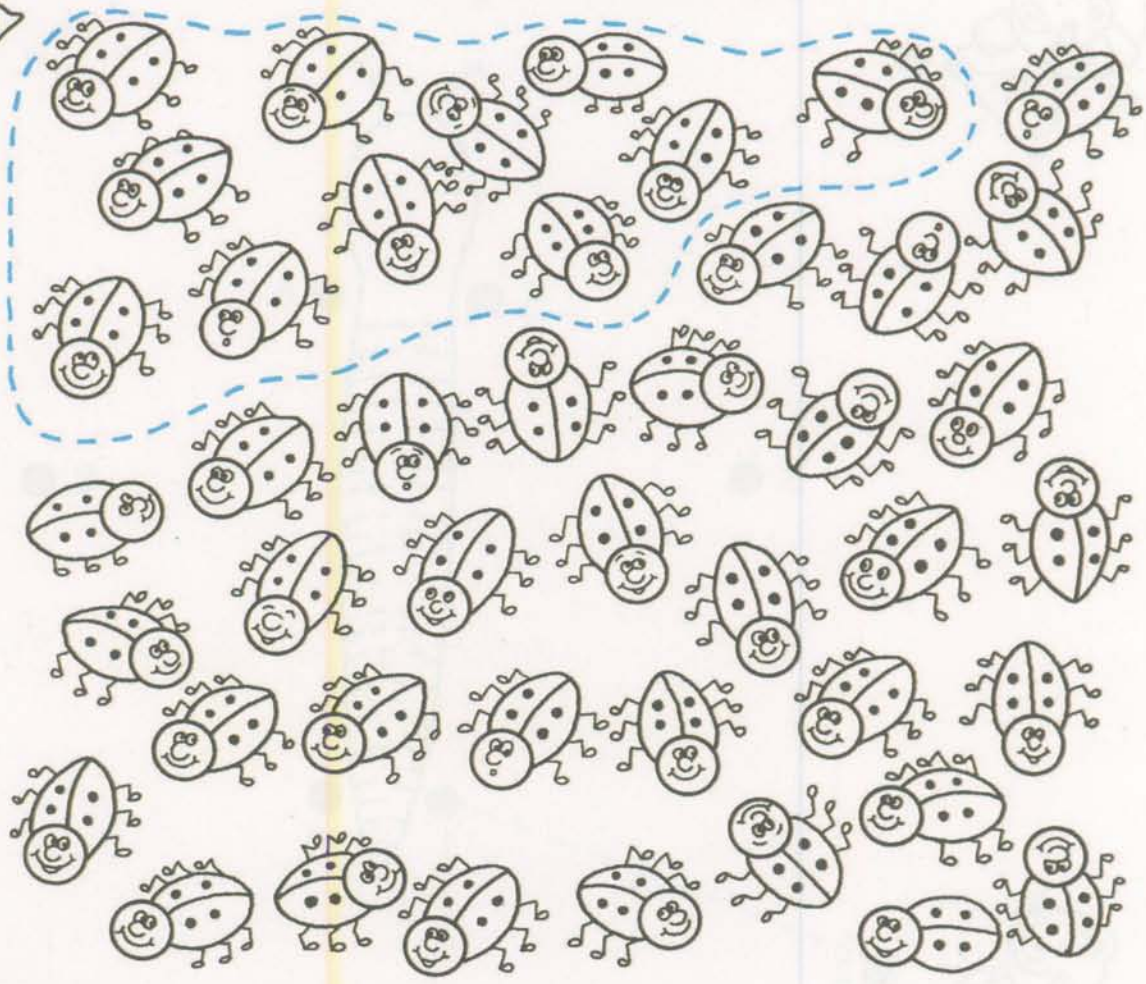

eleven

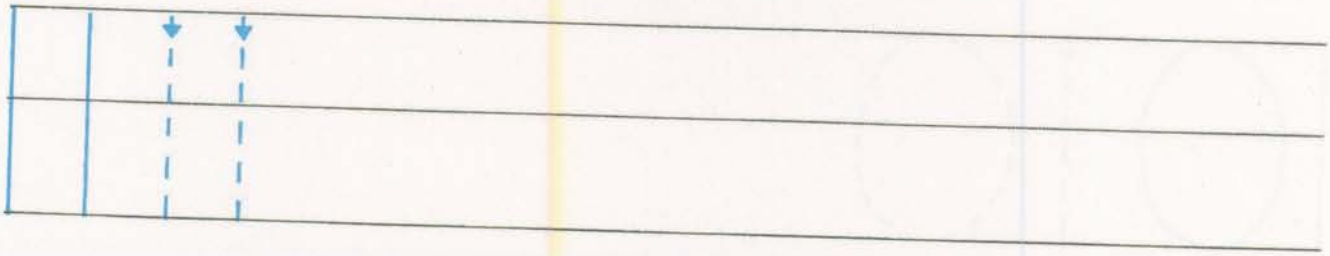

Divide the ladybugs into sets of 11.

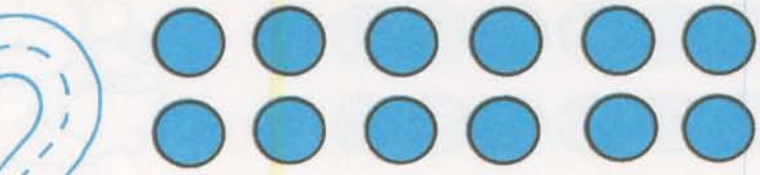

Practise writing number 11.

Here is number 12.

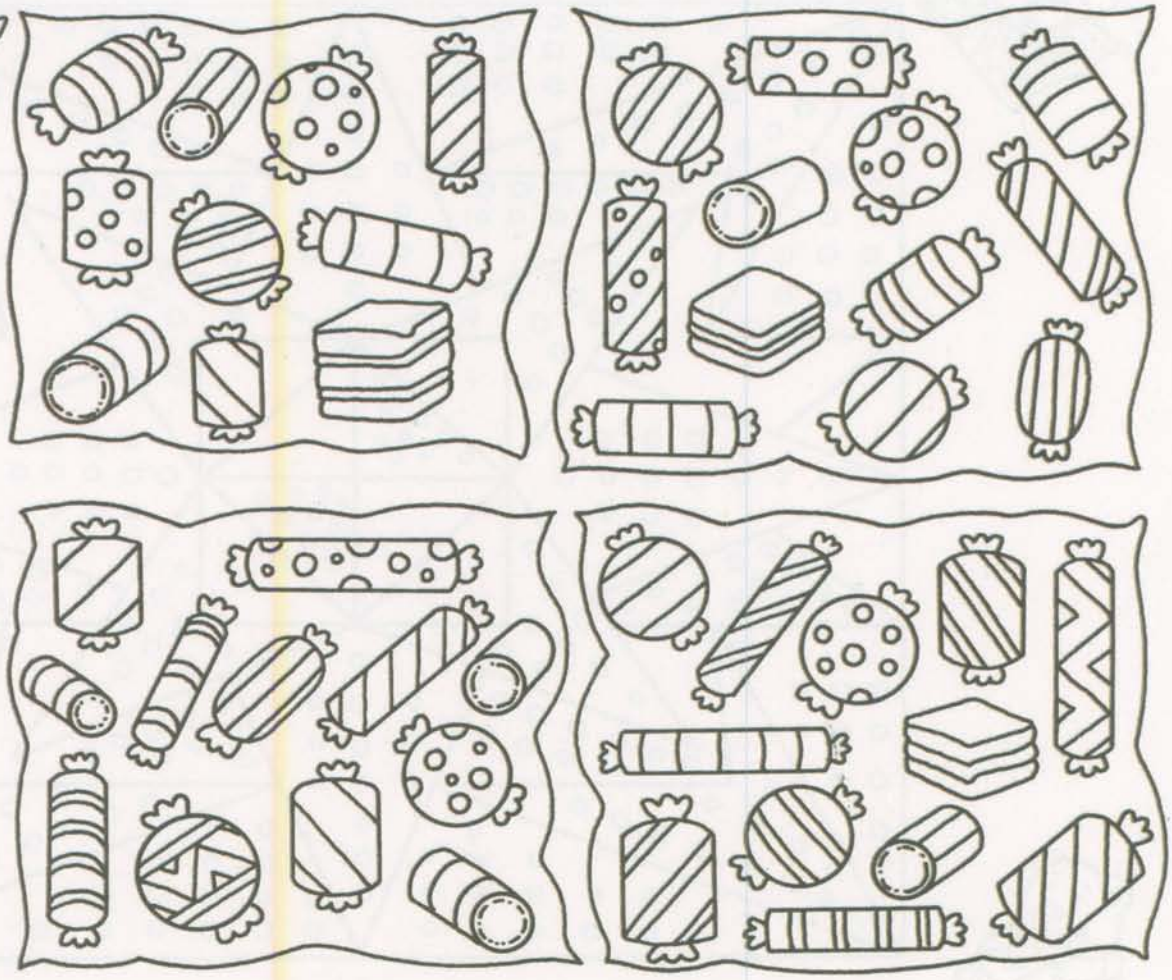

twelve

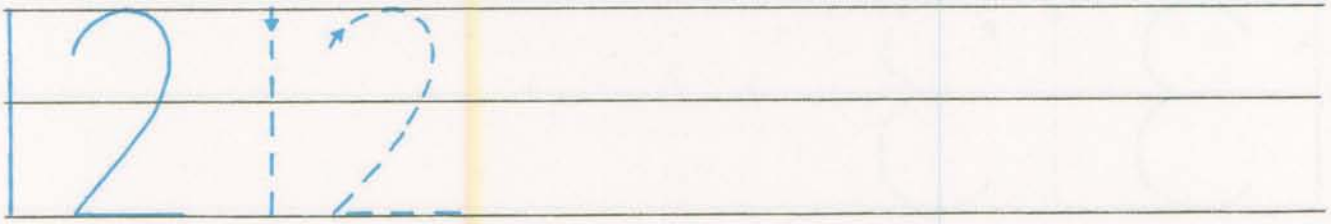

Shade in the sweets that are in bags of 12.

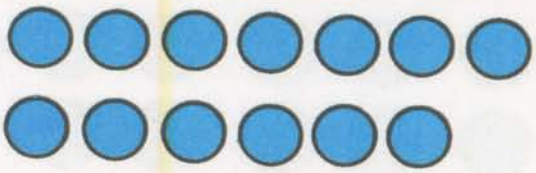

Practise writing number 12.

Here is number 13.

13

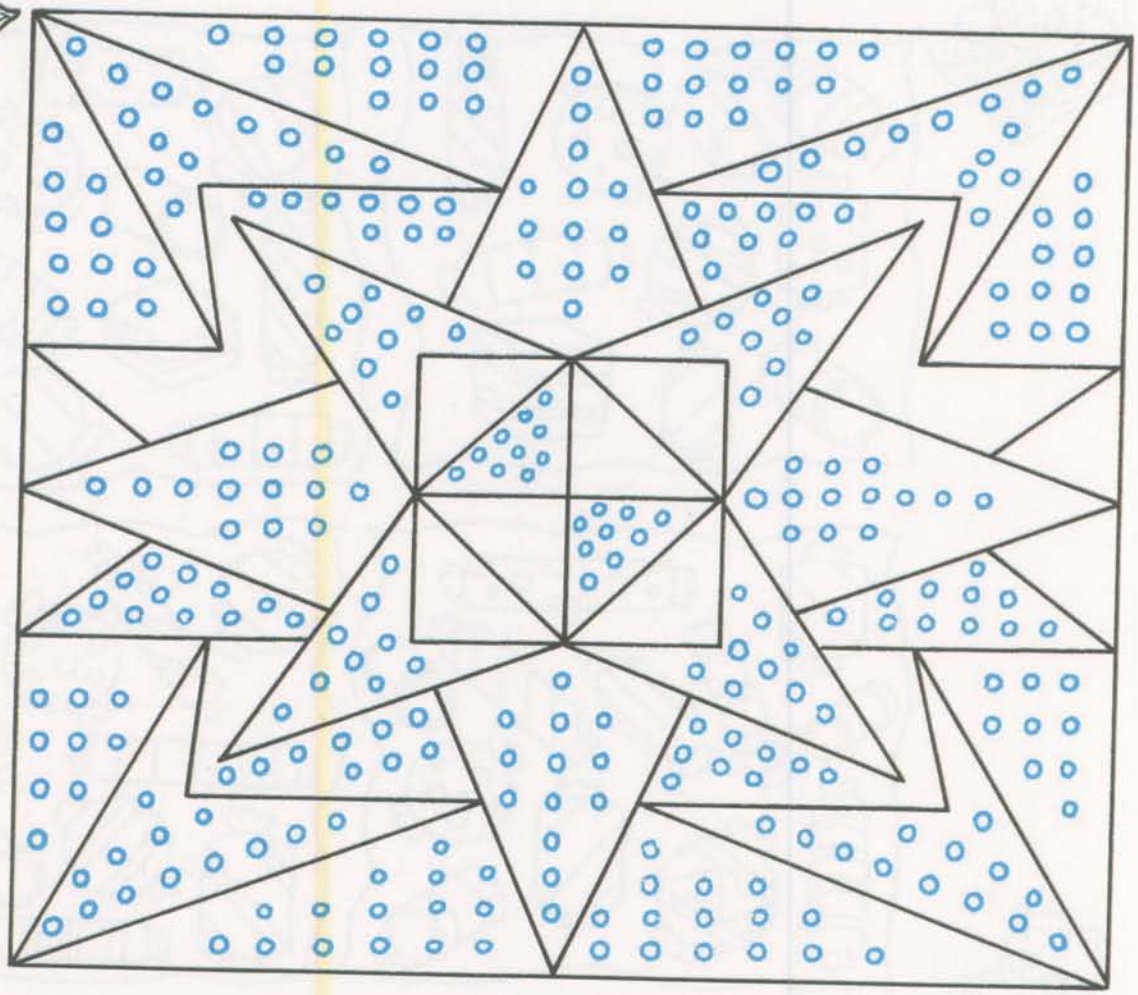

thirteen

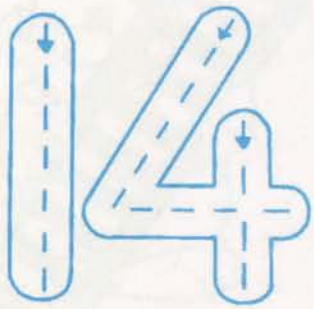

Shade the shapes with 13 rings blue.

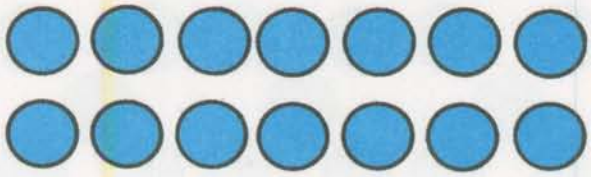

Practise writing number 13.

13

Here is number 14.

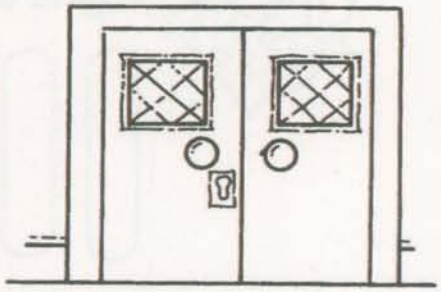

fourteen

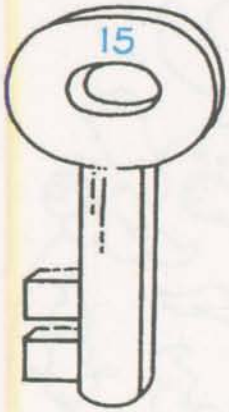

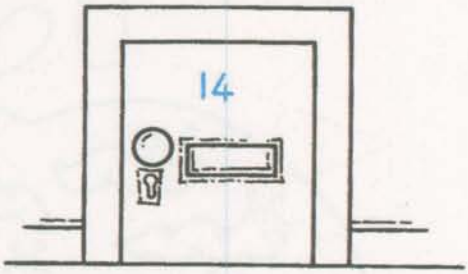

Join each key to the door that it opens.

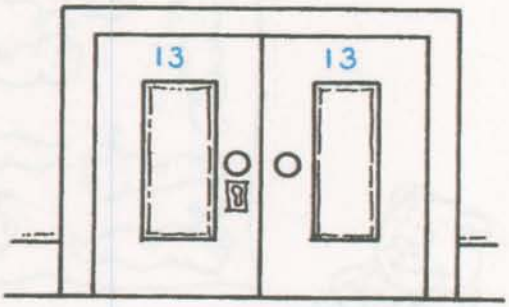

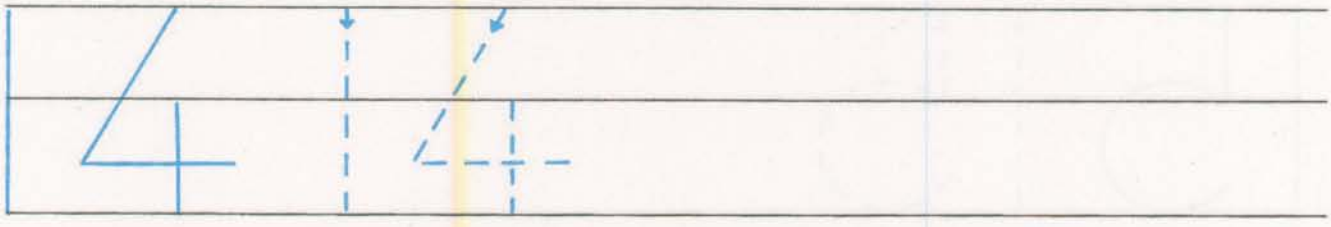

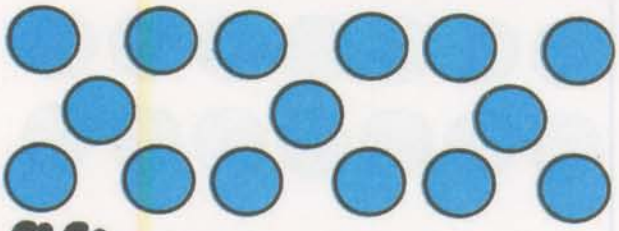

Practise writing number 14.

Here is number 15.

15

fifteen

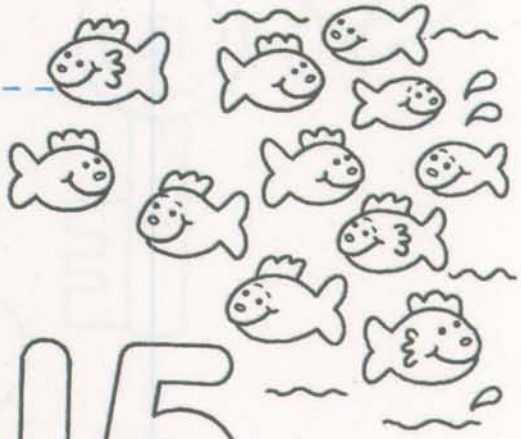

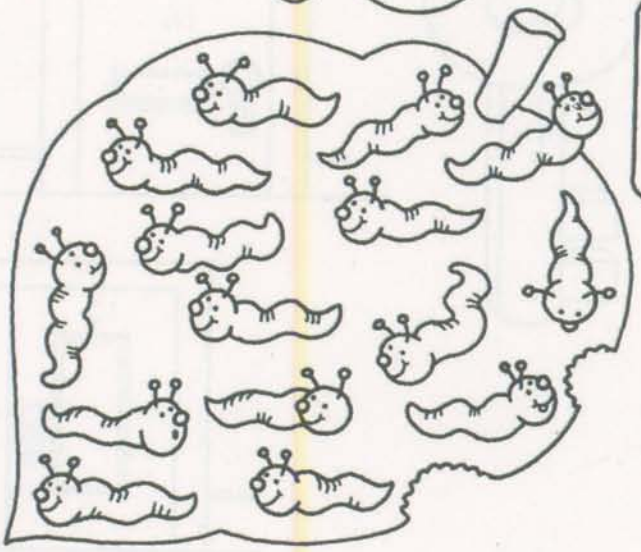

Draw a line to join each number to the right set of objects.

11

13

15

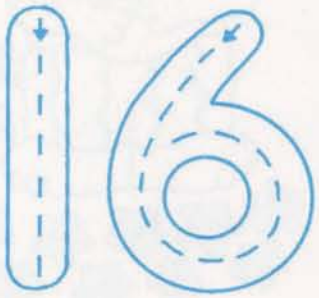

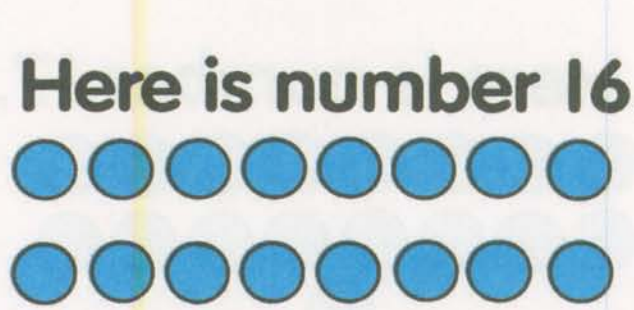

Practise writing number 15.

15

Here is number 16.

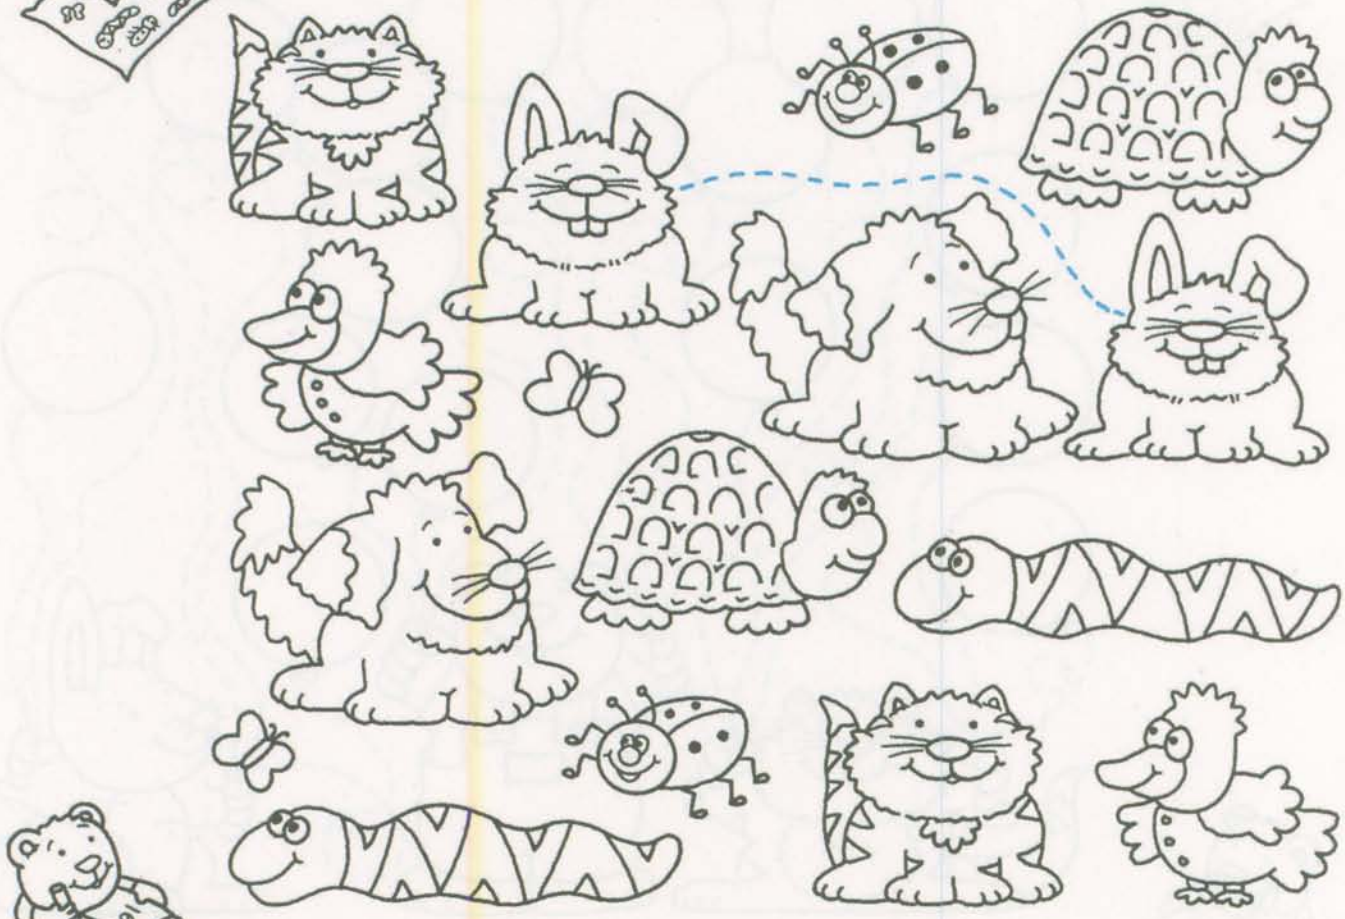

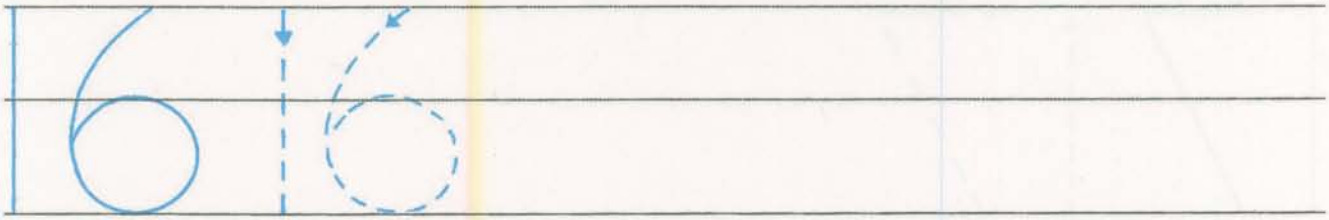

sixteen

Join each animal to its twin. How many animals are there?

Practise writing number 16.

Here is number 17.

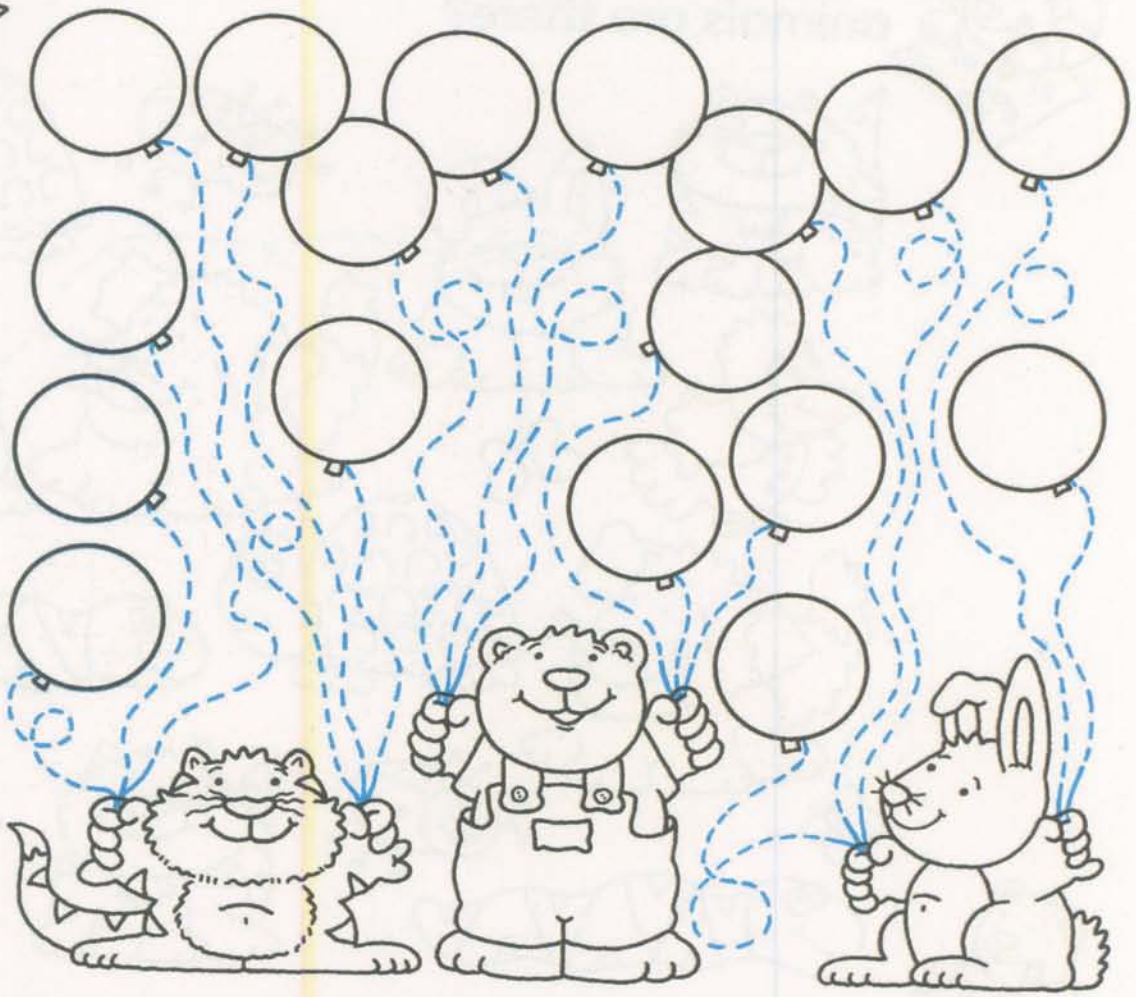

17

seventeen

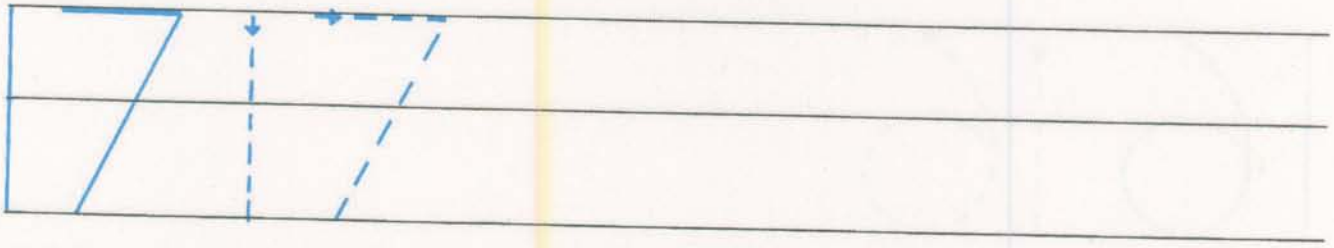

Draw seventeen strings for the balloons.

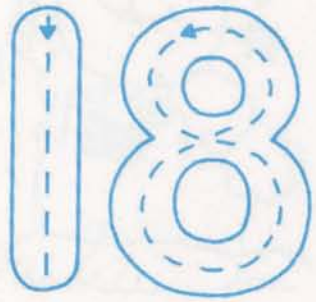

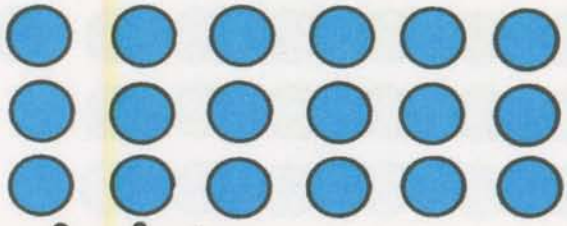

Practise writing number 17.

Here is number 18.

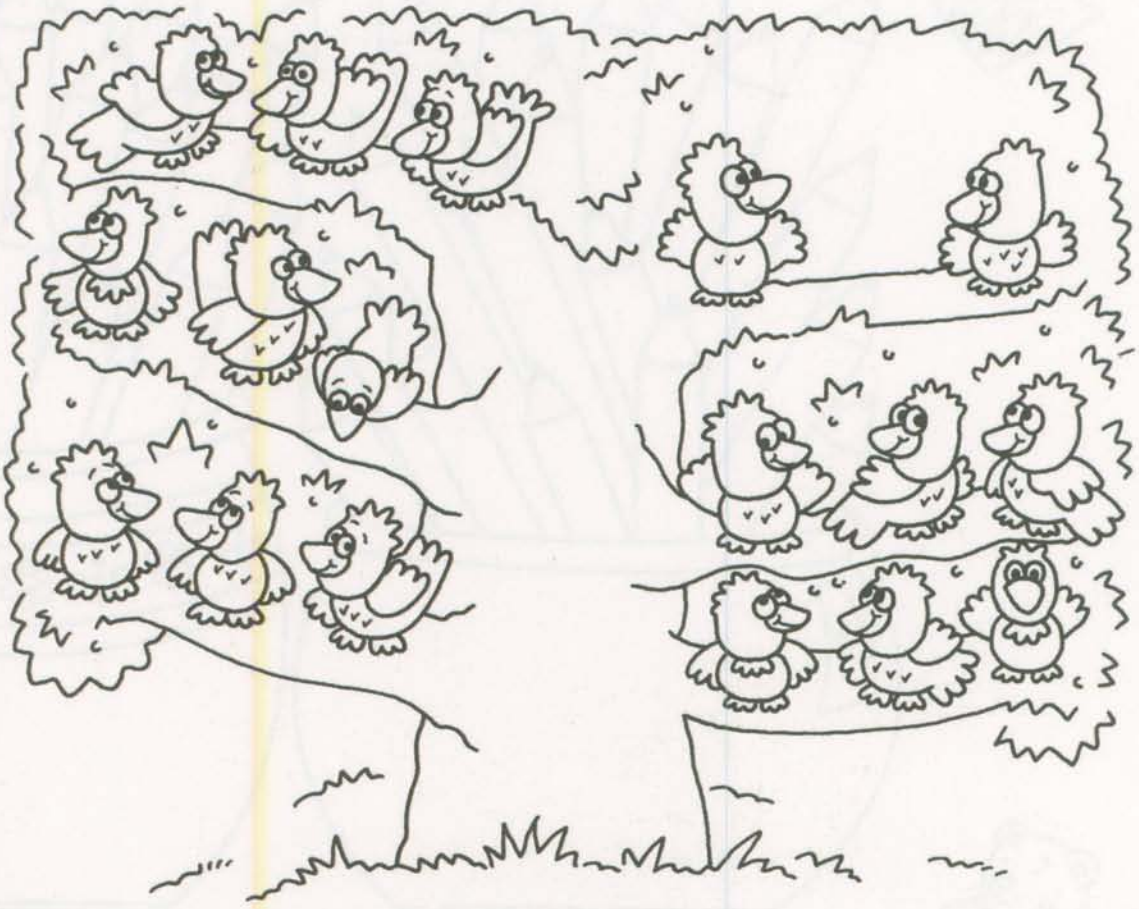

eighteen

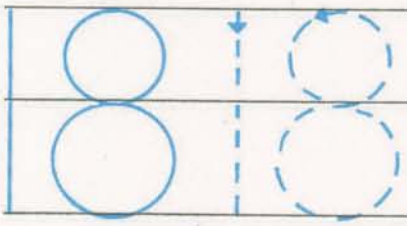

Draw one more bird to make 18 and shade them in.

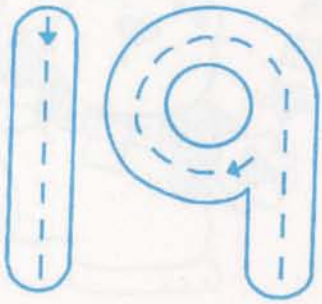

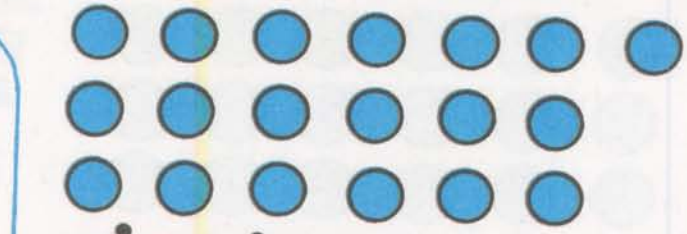

Practise writing number 18.

Here is number 19.

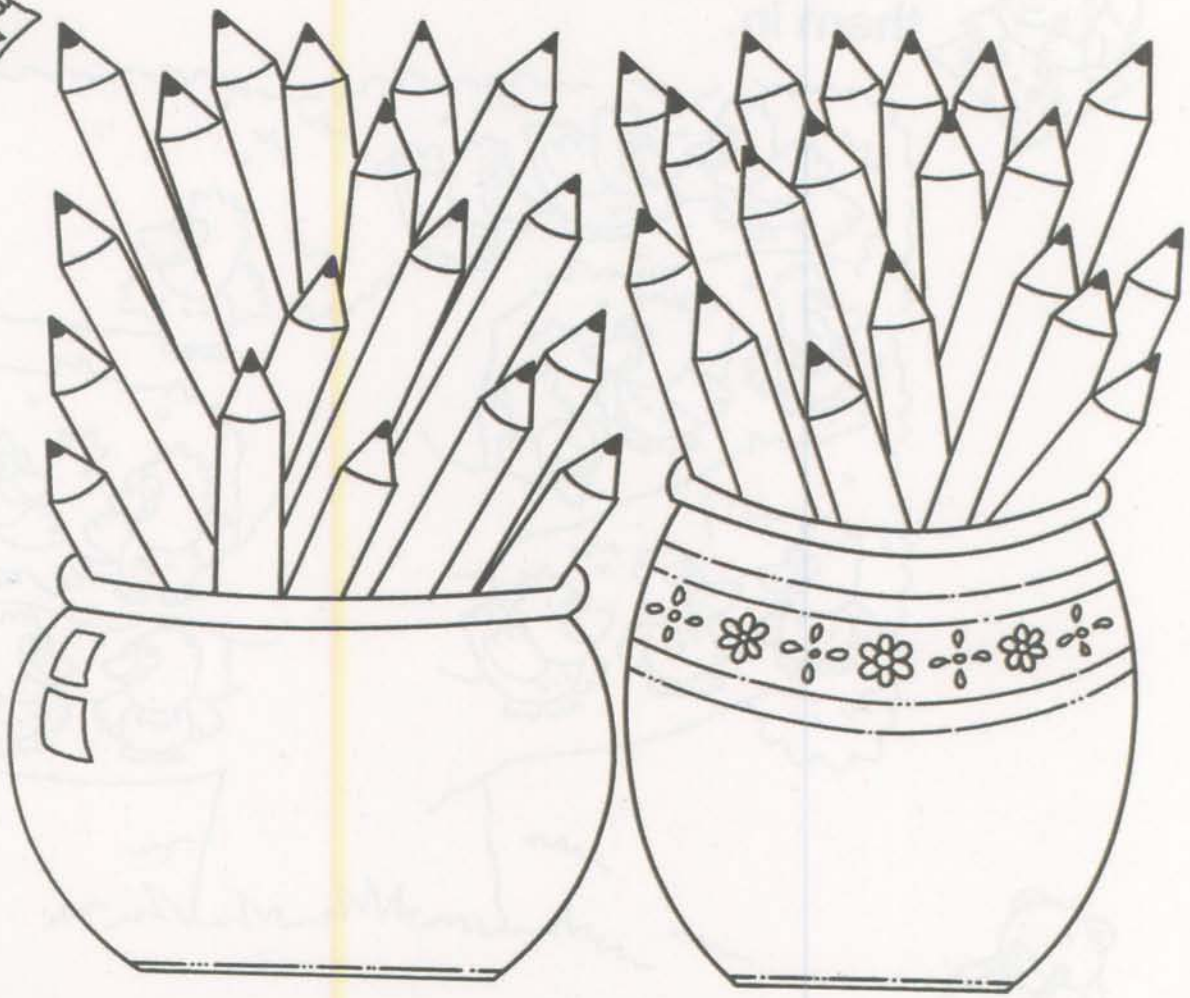

nineteen

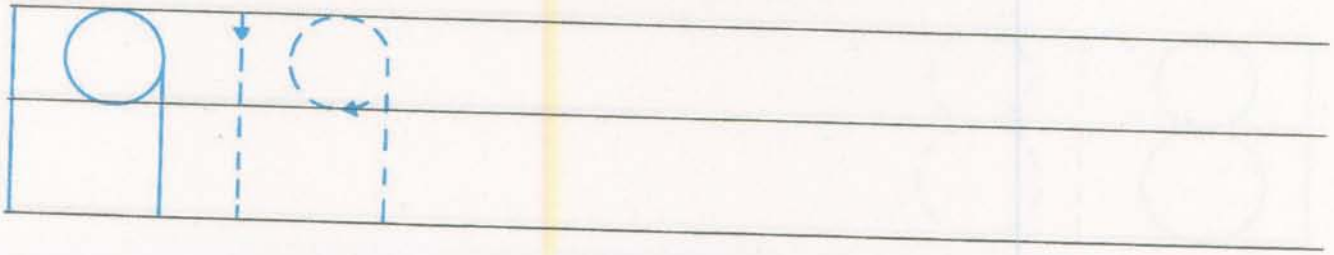

Circle the jar that has 19 pencils in it.

Practise writing number 19.

Here is number 20.

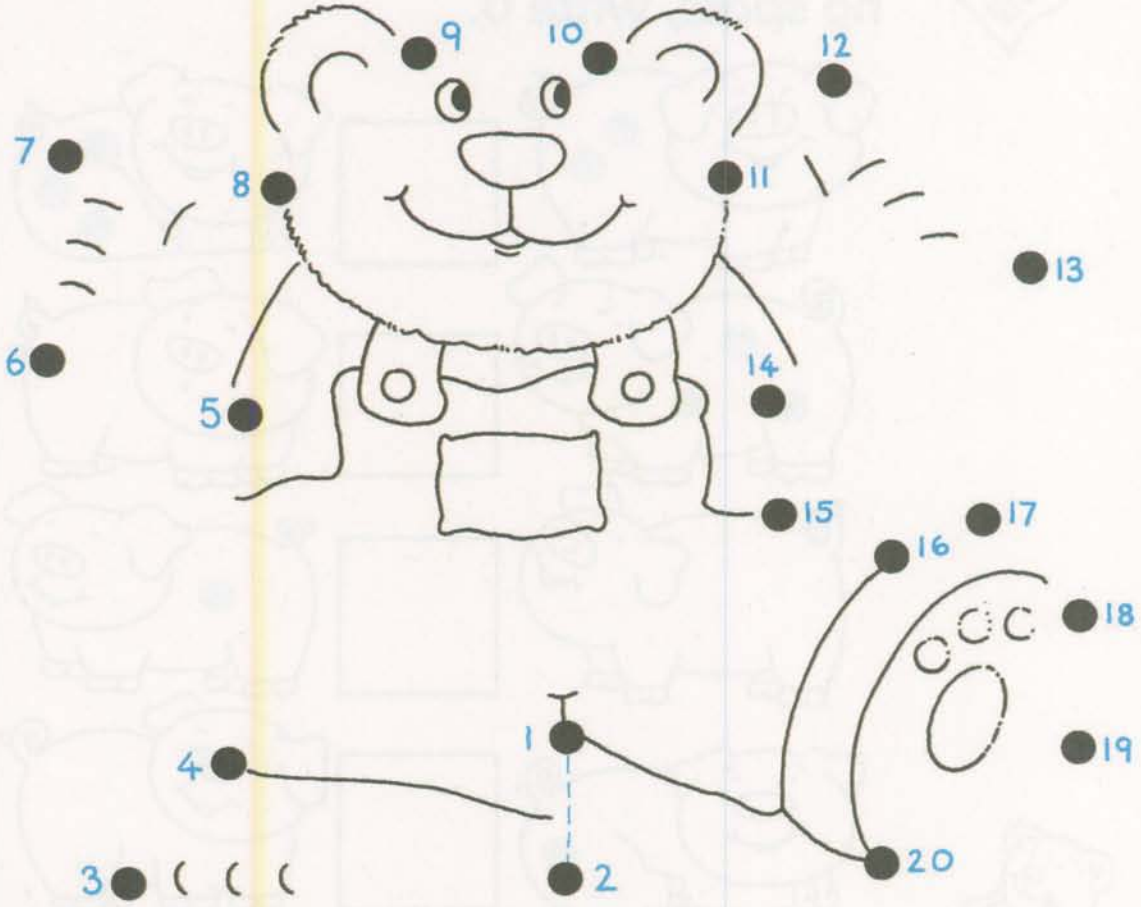

20

twenty

Join the dots from 1 to 20.

Practise writing number 20.

20 20

Draw one button for each button hole.

Write the missing numbers on the calendar.

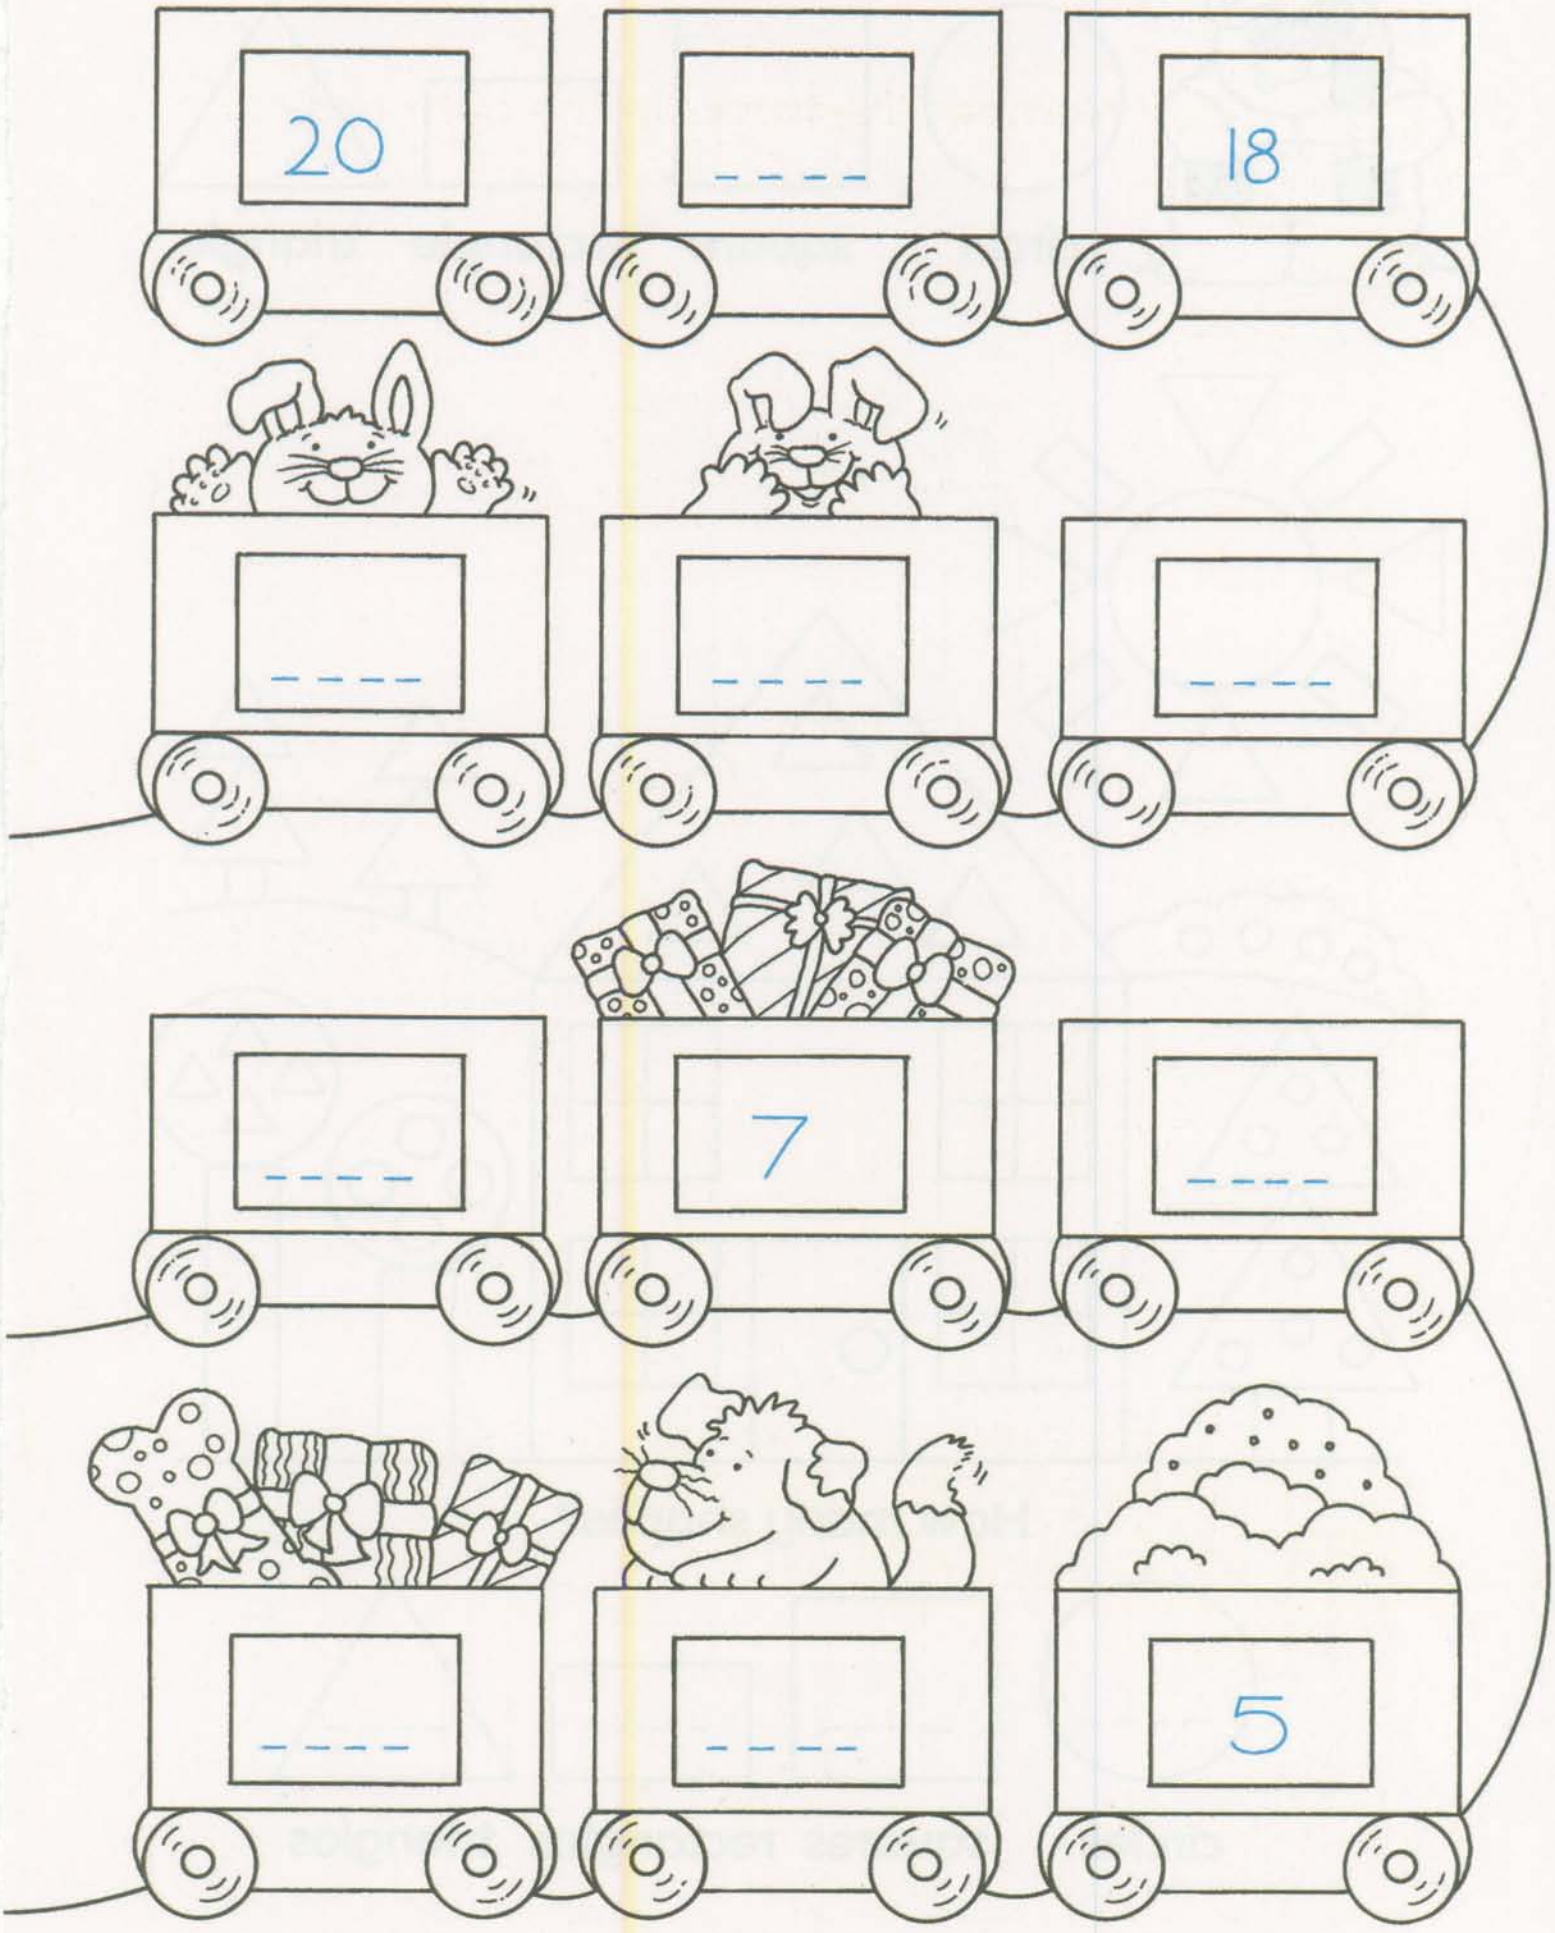

March

1	2	3		5		7
8		10	11		13	14
15	16	17			20	21
22	23	24	25	26	27	28
29	30	31				

Shade each number the right colour to finish the picture.

1	= yellow
2	= blue
3	= red
4	= green
5	= black
6	= brown
7	= orange
8	= white
9	= purple
10	= pink
