LET ME TELL YOU

SOMETHING

by

PASTOR I.E. MICHAEL

We live in an age where genuine spiritual truth is often overlooked and undervalued. Many no longer have the patience to engage with messages that could nurture their souls and transform their lives. For instance, gospel tracts (both in print and digital form) once an effective tool for evangelism, are now frequently discarded without even being opened, reflecting the growing disinterest in reading and reflection. People are increasingly drawn to instant entertainment, and fleeting distractions, while the deeper, life-changing wisdom of God's word is set aside. This shift reveals not only a decline in attention to reading but also a diminishing hunger for spiritual growth and eternal perspective.

In spite of this awareness, we went ahead to produce this quality piece just for you because we are passionate about reaching you with the message of the Gospel. There is something to learn from this, a lot of people give up too soon because they feel people will not accept what they have to offer, they conclude that people have tried

it before and failed, or because too many people are already doing it, they get intimidated by situations affecting their lives and therefore lose the faith and passion to pursue their dreams, callings, career or business they at one time proposed.

Let me share an experience with you. In 2020, I visited a Christian sister for follow up as my culture is, on getting to her house, I knocked and open the door and found her talking to a lady over the phone, this lady was based in Abuja. When this sister saw me, she exclaimed "Ah, Pastor thank God you are here". Out of curiosity I asked what the issue was, she then narrated to me that she was on a call with a lady in Abuja who was at the verge of committing suicide. I pushed further to really know the reason for such heinous decision. I was told that (according to the lady), she was tired of life, being a graduate without any Job forth coming, still staying with her parents that have made her burden heavier by robbing her problems on her face, and at the same time she was a young single mother without the father of the child anywhere in sight. All these became a heavy burden too much for her to carry. A lot of people have tried to encourage her and to talk her out of the suicide option, but all proved abortive.

At this point I knew the devil was at work in this lady's life, and only the voice and Authority of God can stop that demon romancing her with suicide thoughts as exemplified in scriptures, Matthew 17:18;

And Jesus rebuked the devil; and he departed out of him: and the child was cured from that very hour.

And also, in Mark 5:13

And forthwith Jesus gave them leave. And the unclean spirits went out, and entered into the swine: and the herd ran violently down a steep place into the sea, (they were about two thousand;) and were choked in the sea.

Then in Matthew 8:16

When the even was come, they brought unto him many that were possessed with devils: and he cast out the spirits with his word, and healed all that were sick.

Also see Psalm 66:3

Say unto God, how terrible art thou in thy works! through the greatness of thy power shall thine enemies submit themselves unto thee.

I then instructed my Christian sister to call her back, she called the lady for about three attempts before she picked the call, then God began to fill my mouth with the right words to minister to her. Jeremiah 1:9 declares and confirmed this

Then the LORD put forth his hand, and touched my mouth. And the LORD said unto me, Behold, I have put my words in thy mouth.

Also in John 17:8

For I have given unto them the words which thou gavest me; and they have received them, and have known surely that I came out from thee, and they have believed that thou didst send me.

This continued for about 45minutes. It will only take God for a person who has concluded the plan of suicide to be stopped only by a phone call, well I am glad to announce to you that, that demon left that lady Immediately she listened to the message of God reaching to her through phone call. Today she is doing very well for herself and still based in Abuja. Glory to Jesus. This is what the Gospel can do for us, Romans 8:21;

Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God.

Also see Luke 4:18,

The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent

me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised.

Also see Matthew 4:15-17

The land of Zabulon, and the land of Nephthalim, by the way of the sea, beyond Jordan, Galilee of the Gentiles;
The people which sat in darkness saw great light; and to them which sat in the region and shadow of death light is sprung up.
From that time Jesus began to preach, and to say, Repent: for the kingdom of heaven is at hand.

Jesus came to give us hope even in the most horrible and hopeless situation, He came to bring change in the most unchangeable situation, He came to make the Impossible possible. Luke 1:37 declares

For with God nothing shall be impossible.

Colossians 2:15 also declares

And having spoiled principalities and powers, he made a shew of them openly, triumphing over them in it.

Also see 1 John 3:8b,

> For this purpose, the Son of God was manifested, that he might destroy the works of the devil.

Just like the Abuja lady discussed above, a lot of people are also going through various issues too complicated to mentioned and capable of making them give up. Some have become less of themselves, some have become serious debtors orchestrated by life circumstances, some are secretly battling with one form of sickness or the other which they are too ashamed to discuss with anyone, some are struggling with low self-esteem, others are overwhelmed by stress and Anxiety, financial difficulty, loneliness and social isolation, lack of direction and a sense of purpose, fear of failure, Addiction or bad habits, spiritual emptiness, Greif and loss of loved one, among others. Like the message of God came to that lady and change her life, I am here to speak specifically to you irrespective of your age, gender, location or tribe, 1Timothy 2:3-4 declares;

> *For this is good and acceptable in the sight of God our Saviour; Who will have all men to be saved, and to come unto the knowledge of the truth.*

What the devil wants to achieve in your life and present situation is that you give up, lose hope, become depressed, and declare God unfaithful, he wants to steal your joy and corrupt your faith, John 10:10 declares;

The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly.

My question for you is this, will you allow the wishes of Satan to prevail in your life? Will you chicken out in the face of adversity and accept the lies and falsehood which is being fired in your mind or you will stay strong and allow God to glorify himself and honor you. The scripture gave us a perfect advice we all must adhere to in Ephesians 4:27;

Neither give place to the devil.

No matter what we go through, we must have our faith fixed and rooted in Christ without doubt or unbelief, we must hold on to Gods promise and make continual confession of his word. Romans 8:28 declares that;

And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

You may think your situation is the worst until you see another person soliciting for your help. In fact, I can tell you for free that people are hoping and wishing to be like you. Well you may say, "ah pastor not in this my condition", the truth remains that you are also better than a lot of people out there, just give God thanks for yours and exercise faith in his word and watch him change your story, it works.

Sometime ago, after counseling a woman in Benin City, she said to me, “Pastor Please how do you do this, don’t you have problems that bothers you, how are you always happy and smiling, how do you talk and preach like someone that does not know what is called problem, how do you advise and counsel people with various problems like you have been there, how do you handle things so freely”. Well, the answer and secret are simple, we have learnt to drop all at the feet of Jesus and look to him the author and finisher of our faith just as Hebrews 12:2 declared it;

> *Looking unto Jesus the author and finisher of our faith;*
> *who for the joy that was set before him endured the cross,*
> *despising the shame, and is set down at the right hand of*
> *the throne of God.*

Understand that not all who started a journey finish, not all who fall into problems come out from them, some fall off due to discouragement, impatient, lack of faith, intimidation from other people. I am glad that you have found this piece because am writing to you so that you will not be counted among those people just like Ephesians 5:7 declares;

> *Be not ye therefore partakers with them*

Giving up now will mean you are ready to throw away all the effort and faith you have put in into that family, marriage, calling, business, ministry, career, or any life pursuit. Scriptures declares in Ecclesiastics 7:8;

Better is the end of a thing than the beginning thereof: and

the patient in spirit is better than the proud in spirit.

this means if you hold on in faith and keep pushing, you will experience a better ending than how you started, this is enough good news to keep you going. Matthew 24:13 added that;

But he that shall endure unto the end, the same shall be saved.

Passionate Prayer

Lord, I thank you for your word that has been spoken to me now, I proclaim and declare total victory in every life battle I am going through now in Jesus Name. Amen.
