Please be informed that the 2024_2 Faculty of Sciences hands-on Students Practical shall commence on 9th September, 2024 across designated Study Centres. The practicals shall effectively run from 9th September, 2024 to 2nd November, 2024 in the following Study Centres;

South East: Enugu

South South: Benin and Uyo

The 2024_2 practical exercise shall be conducted according to the schedule shown in the table below. Students are expected to choose among the window periods given depending on their convenience. Each window has a fixed maximum number of students depending on the Centre so that the distribution of registration can spread throughout the semester so as not to congest the laboratories. All students are therefore expected to do an online registration in order to determine when they wish to conduct the practical exercise. An early online registration is therefore encouraged.
