CHAPTER 1

YOU ARE CALLED TO OPERATE IN THE GOD CLASS

"I have said, Ye are gods; and all of you are children of the most High. But ye shall die like men, and fall like one of the princes." - Psalms 82:6-7 KJV

The bible says "Ye are gods". Notice that a lowercase letter "g" is used, which implies offspring's of a bigger God with an upper-case letter "G". We became gods when we gave our lives to Jesus. At this point we became born again - born anew by Gods Spirit and his Word and this according to John 1:12 released a supernatural rebirth power into our spirits that caused our old man to die and a new spirit to be born of God within us, and as a result, we became " sons (children) of God"

"But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name: " – John 1:12

Notice also in Psalm 82:6-7 that the bible says **"all of you are the children of the most high"**. Comparing this with John 1;12, you will discover that the moment

we accepted Jesus into our lives and became born again, we were born into the god class after the order of God Almighty.

A good way to understand this truth is by considering the law of reproduction. A dog will give birth to a dog; a monkey will give birth to a monkey, animals, including humans give birth to their kind. The same way God gives birth to his kind. That was what happened when we became born again. At that point, we became gods after the order of God Himself.

Jesus confirmed this in John 19:34:

> **"Jesus answered them, ...Ye are gods?"**

What this means is that we have the fullness of the capacities of God in us. We have his energy, his life, his power, his wisdom and all that makes up God in us. The same power and Spirit God applied in creating the world dwells fully in us.... This means we have overwhelming creative abilities. We can say "Let there be" and it will be so. We are not to run from enemies, but as gods, we are to rule in the midst of our enemies and dominate our world. Nothing was designed to be impossible to us because we operate under a different set of rules - from a stand point of dominance and divine god-like authority and power.

We have being born into the class of god - the Higher life. This is why we don't fail or expect to fail; this is why we prosper; this is why no weapon formed to be used against us shall prosper; this why the fullness of Gods wisdom dwells in us; this is why we decree a thing and it gets established and fulfilled; this is why we don't fear; this is why we don't expect to get sick; this is why the devil is afraid of us (because he knows the truth). What truth? "Ye are gods after the order of the only true God"

But there is a problem here. Most Christian folks don't know this truth and those who know don't function as gods. This is the reason why Psalm 82:6-7 ends up saying

> **"But ye shall die like men, and fall like one of the princes."** .

Why? The answer is simple "**my people perish because of lack of knowledge"** and those who know this truth, don't function by what they know.

If we fail to function as gods which we are, with the same capacities of God, which we have, we will experience what ordinary men experience - death, poverty, failure, sickness, beggarly life and unfulfilled dreams.

Fine tune your mindset to being to see yourself as a god after the class of God. See

your words and actions carrying weight as that of God himself. Begin to regularly give commands and make decrees to reshape and recreate your world. Approach every task, not with fear but with a god-like attitude and mindset that says "I don't fail"!

'You are a god, start living and acting as one

CHAPTER 2

THE FULLNESS OF THE GODHEAD BODILY DWELLS WITHIN YOU

> **"For in him dwelleth all the fulness of the Godhead bodily. And ye are complete in him, which is the head of all principality and power" - Colossians 2:9-10 KJV**

The scripture above in revealing what Jesus carries is actually revealing to us what we have on the inside of us too.. The bible declares that in Jesus **"dwelleth ALL THE FULNESS OF THE GOD".** The Amplified bible puts it this way:

> **"For in Him the whole fullness of Deity (the Godhead) continues to dwell in bodily form [giving complete expression of the divine nature]. And you are in Him, made full and having come to fullness of life [in Christ you too are filled with the Godhead—Father, Son and Holy Spirit—and reach full spiritual stature]. And He is the Head of all rule and authority [of every angelic principality and power]."**

Whao! Did you read that? This is great. Look at the part that says:

> **".. you are in Him, made full and having come to fullness of life [in Christ you too are filled with the Godhead—Father, Son and Holy Spirit—and reach full spiritual stature]"**

It means the same fullness of the Godhead dwells in bodily form in us. This, in other words means we are divine temples carrying divine capacity. It means as a child of God we are not less than Christ - we have what He has. Even Jesus thought it not robbery to be equal with God. So, don't think it is out of place to say "you cannot be less than Christ" The scripture above proves it. What He has we have. **"because as he is, so are we in this world" - 1 John 4:17 KJV**

Never underestimate who you are and what you have on the inside of you.. You have come to the fullness of life - this life is the HIGHER LIFE - a life of bliss, power and glory. Choose to think this way and choose to function this way. BELOW IS MY CONFESSION - AN EXPRESSION OF WHO WE ARE. Declare it and say:

> **"I am as Christ - Christ dwells in me and I dwell in Him. I cannot be less than Christ. What He has I have. I am not a lesser heir of the Abra-**

hamic blessings. I am a joint heir with Christ. As He is, so am I in this World. The fullness of the Godhead - the capacities and energy of God that dwells bodily in Christ, dwells bodily in me also. I am a god called into the god class after the order of God.

I speak and it is so. I decree and it is established. My words don't fall on the ground. Even devils are subject unto me. I give commands and they obey. Angels minister daily to me. They go with me wherever I go and stay with me wherever I am. I rule and dominate my world. Nothing shall be counted unto me as lost. I affect and impact lives positively. I am blessed and prosperous to be a blessing. My presence is light - it brings life, hope, solutions and joy because the light of God dwells in me. I am a success. I make steady progress. I am Favoured and preferred always. This is my life. This is who I am. Glory to God!"

The confessions above are Word of God based - products of meditation.

CHAPTER 3

GOD'S DON'T BREAKTHROUGH; WE BREAKFORTH

Really, there is no place in the bible where the word "breakthrough" is used. But there is the use of the word "Breakforth" in the bible found in the book of Isaiah:

> **"For thou shalt break forth on the right hand and on the left; and thy seed shall inherit the Gentiles, and make the desolate cities to be inhabited." - Isaiah 54:3 KJV**

From the scripture above, you will realize that Breakforth used here means "spreading". Another place where "Breakforth" is used is also found in Isaiah 58:8 :

> **"so shall thy light break forth as the morning"** used in connection to fasting.

When light breaks forth, it spreads and consumes darkness. In other words, to break forth means to rise above every limitation and spread - consuming every opposition on your way without your energy being spent. Glory to God!

This is the reason why I believe God carefully chose to use "Breakforth" instead of breakthrough. To breakthrough has a lot to do with your location at that time. It is like you are at point A and you NEED to get to point B, but there is a wall before you keeping you from getting there.

So to get to point B, you have to break through the wall by exerting a lot of energy. It involves struggling and clawing your way through. And by the time you breakthrough to the other side, your energy could be spent and this might even keep you from moving beyond point B, therefore localizing your blessings.

Most times, the blessings of breakthrough are short-lived in the sense that, all you see is just the blessing at hand that you are fighting for. You don't see any other opportunity except that. This has more to do with your location - by this I mean, it's like foot soldiers that are on the ground - what they can see is limited. They might have broken through enemy resistance and claimed a territory, but advancement into another territory could be walking into an ambush which might claim their lives. This makes them to remain where they are until they get intel about their next mission. This Intel is usually provided by satellite3 view or drones which operate in the air or space. Why? They are ground soldiers and know little about what is ahead.

But when you breakforth, you are like a pilot in a war fighter jet. Your speed is a million times faster than that of foot soldiers. You know were the enemy lines are and when you drop a bomb, in a second, they are wiped out. Claiming of territories is very easy and faster. You see the walls of limitations and rise above it and in your rising, you spread - you manifest everywhere - your influence and impact is felt and you become one who experiences exponential increase in prosperity and success. You don't operate from the ground level, you rise into the air (in this case, the Spirit realm) where you have a better view of not only the opportunities you are pursuing, but every other opportunity around and you are able to take a hold of them

This is what the BREAKFORTH is all about. To breakforth means to pray with the mind that you are conquering and possessing. It is about praying in the Spirit – in your understanding making Word-of-God-Based decrees and declarations and in other tongues with the Holy Spirit being our fighter Jet. He quickens us with divine power. He sees and knows all things and will direct our tongue praying laser guided ballistic missiles accurately to the enemy lines to wipe them out in order to make room for us. And as He makes room for us, we are able to possess long awaited blessings, lands, favours, territories, and all that makes for a good living.

CHAPTER 4

OPERATING FROM WITHIN JESUS

"At that day ye shall know that I am in my Father, and ye in me, and I in you." - John 14:20

The scripture above is loaded. Meditating on it via the inspiration of the Holy Spirit will open your eyes to certain realities of the Christian life. Let us begin.

Who are you in Christ? The answer:

"As he (Jesus) is, so are we in this world" - 1 John 4: 17

We function and operate like Jesus on earth. Can we meditate on this scripture from another dimension?

What does it mean to you when you hear "we operate and function like Jesus?"

Who speaks when you speak?

Who walks when you walk?

Who works when you work?

Who ministers when you minister?

> **Who is actually facing the problem or challenge when they come to you?**

Meditating on the above questions will help you understand what the bible means by **"as he (Jesus) is, so are we in the world".** This means we look and function in every way like Jesus. But let us give it a little twist by answering the next question meditatively. It will throw more light on the deeper meaning of what Jesus meant by "I am in the Father, AND YOU IN ME". Hold the **"YOU IN ME"** close to your mind ... Don't lose sight of it.

Now, "Where do we operate from?"

Jesus answered this in John 14:20 KJV:

> **"At that day ye shall know that I am in my Father, and YE IN ME...."**

Whao! This is great. I am in Jesus and I function from within him.

Yes, a lot of folks like answering they operate from heavenly places when asked where they operate from! This is scriptural and true. But, there is another dimension to it that has a very great impact on your faith and the way you respond to issues. This can be found in John 14:20. Have you ever considered this? Jesus said **"we are**

in Him". Whao! That means I operate and function from within Jesus Christ and not outside of him. When I speak and give commands, devils don't hear me speaking, but they see and hear Christ. Now you understand what the bible means by **" as Jesus is, so are we in the world".** Our being in Jesus gives us the ability to function as god's. Jesus is God and we in Him makes us god's. My voice is not heard when I speak. Jesus is seen and heard. All this takes place in the spirit realm because that is where we operate from.

Try going to any place - work or ministration with this mindset and you will be dazed at the results and the effect it has on your faith walk, your frame of mind and the way you respond to and approach situations. You function this way by **RECOGNITION** of who you are. and a complete belief system that you function daily from within him.

Jesus functioned on earth also with this mindset.. No wonder He lived supernaturally. He said in John 14:20, "I am in the Father" He saw himself as functioning from within the Father. There is something great having this type of mindset does to you - it completely changes you and makes you function with a settled peace and a quiet confidence that all things are possible unto you. All you see is Jesus working, speaking and moving instead of you.

Whao! This is good stuff to live by. What a life we have?

CHAPTER 5

SPEAK THE WORD ONLY: THE ANTI-PROBLEM SCANNER AND REMOVER

"The centurion answered and said, Lord, I am not worthy that thou shouldest come under my roof: but speak the word only, and my servant shall be healed. For I am a man under authority, having soldiers under me: and I say to this man, Go, and he goeth; and to another, Come, and he cometh; and to my servant, Do this, and he doeth it." - Matthew 8:8-9 KJV

The Centurion had a boy that was sick. He told Jesus about it and Jesus said, "come, let us go so that I can pray for him". but the Centurion said "Hey, Lord. I know who you are, you don't need to come. Just **SPEAK THE WORD ONLY** and my servant would be healed." What a faith? How did this Centurion come to strongly believing that Jesus needed to speak the Word ONLY for the miracle healing to take place? Herein lies the key and application for us.

Now listen, the man was a high ranking soldier. From his military background, he

understood authority. A man with authority usually have people who are subject to him - this people are under his authority. They fear and revere him. When he issues a word in his capacity as one having authority, those who are subject to him or those under his authority will tremble and obey with speedy dispatch. This is what Jesus has made us to become in Him. We are men and women of great authority and the devil, circumstances and all of the earth are subject to us. We should recognize this and learn to address and resolve issues by Words.

Take for instance, God resolved the chaotic condition of the earth in Genesis Chapter one by speaking. This was how he also created us to function - by Words. Value your words - they are loaded with divine power.

One secret about Word Power is this: the results are often not automatic, but that doesn't mean they are not working. The results could be slow in coming, but they are sure to manifest. Whether good or evil, the fruit of every Word will always manifest no matter how long it takes.

So being aware of this reality, should never make you give up on your words. Invest in speaking right about your life. INVEST IN THE RIGHT WORDS. See every problem or challenge as a computer virus and your words as the antivirus software. There are some viruses, malware or spyware that

will regenerate themself into several millions of places. You don't run an antivirus for a couple of minutes to remove them. You run it till the end. What does this mean? It simply means that you stay with the program until it finishes. That is how we must approach the word we speak. We should stay with the program of speaking and speaking and speaking, until the virus is removed.

There are some viruses that previous versions of antivirus cannot remove. What you do in this case is to update or upgrade the virus software to the latest version. This also applies to us. There are some words that will not completely remove or solve some problems. In this case, we need to go for word upgrade which may involve loading yourself with scriptures and promises of God (that addresses the issue, specifically), fasting and prayer, vigils or speaking in tongues for a long period before you give words of faith to address the issue.

So if you have a problem or challenge, invest in words - run the "Word antivirus scan" to remove it, If it doesn't produce result as expected then go for a word upgrade. Never doubt your words.

CHAPTER 6

HOW TO PRAY FOR FRESH ANOINTING: BASIC INGREDIENTS OF THE ANOINTING AND WHAT IT DOES

"How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with him." - Acts 10:38 KJV

Many folks miss it when it comes to praying for the anointing. They pray **"Oh, Lord anoint me!"** The first question that comes to mind is "with what; to do what or for what?" Many don't even understand what the anointing is made up of.

In the old testament, God asked Moses to make the anointing oil from special spices and ingredients. ...this anointing oil was for specific purposes highlighted by God unto Moses. It is the same with the present day anointing we pray for everyday

From the scripture above, you will observe that God anointed Jesus with two basic ingredients - **Holy Ghost and Power**; these

are the basic ingredients of the anointing under the dispensation of grace which we are currently under... And this anointing has three basic applications -

1: **"to do good"** (live right and walk in love towards God and man) . To do good, also means "to do well" This has to do with your health, quality of life, prosperity and well being. Jesus lived right and walked in love towards God and man. He also lived well with good success, health, and prosperity.

2: **"healing all that were oppressed of the devil"** This is not only limited to healing the sick and casting out devils. But it also extends to seeing to the wellbeing and emancipation of others from social ills, deprivation, lack, poverty, etc God empowers you to help others. Jesus exhibited this in his life and ministry.

3: **"for God was with Him"** When you are anointed with the Holy Ghost and Power, God's presence overshadows you all the time. God's presence becomes both indwelling and overshadowing presence in your life.

So praying "Oh, Lord anoint me" sounds a bit vague. Anoint you with what? To do what or for what? Are questions that need to be addressed before God.

Specifics works with getting the anointing of the Holy Ghost and Power functional in

your life. Praying with specifics with regards to the anointing gives you a strong quiet confidence of divine empowerment to accomplish what you are setting out to do. This is how living and operating in the supernatural becomes easy.

Don't see this model of prayer as only meant for Pastors or special ministrations. We are expected to ask that God anoints us with the Holy Ghost and Power (the basic ingredients of the anointing) every day to do, succeed in, prosper in or achieve anything we are setting out to accomplish that day - like meeting your target in the office that day. This helps you to develop strong faith, knowing that failure is not your conclusion. Even though you fail at first, that anointing has away of making you think and believe there is a way and this drives you to continue pushing until you succeed. Why? You know you have both the indwelling and overshadowing supernatural backup of Gods Spirit and Power working in you, through you and upon you to achieve your goals. Glory to God!

This is how sons of God function. Do this...it works!

CHAPTER 7

POSITIONED FOR GREATNESS: UNDERSTANDING THE BASICS

"According as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue" (2 Peter 1:3-4).

God has positioned you for a life of glory and greatness, and to live that transcendent glory-life He has called and positioned you for, your outlook on life must be from the perspective of His Word. You must live in the light of His Word and cease to observe situations like an ordinary man.

God has already done all that's necessary for you to experience His glory and greatness here in the earth. But sadly, many Christian's folks still make the mistake of waiting for Him to do something about their situation.

Some even say they're waiting for Him to take them to the Promised Land that

good and prosperous place, flowing with milk and honey. What such folks haven't realized is that in the mind of God they're already in the Promised Land! They got there the moment they were born again. In other words, they are already positioned in the best place they could ever be, having already come on to Mount Zion (Hebrews 12:22).

You've been positioned for the glory-life - a life tuned and programmed for greatness, therefore, sickness, poverty, defeat and failure are unnatural to you. Ordinary men may be susceptible to these influences, but you've been positioned for victory through the Word of God. But it is sad to note that many who were positioned for the glory-life still suffer as mere men. They still go through life struggling without seeing the fulfillment and realities of the promised greatness. The reason for this is that they think God is a magician who does "abarakadabra" and blessings jumps out of the hat for you. They fail to understand what it means to be positioned. They expect the blessings promised to be theirs without doing something (their part) to get it.

Every blessing requires faith and every faith requires action. Every one seems to have faith for the glory-life of increased greatness promised, but not everyone will put-in the required necessary actions to get it.

To be positioned for something or to get something is to put you on the mark for it. It means it is actualizable, reachable and have-able! It requires living the Word - Living the Promises and that is the ACTION required.

Living the glory-life or in increased greatness cannot be separated from living in the Word of God. There is no shortcut to it. Our divine positioning by God to live the glory-life of increased greatness is as real as you can see the palms of your hands, but we need to activate it by living the Word - seeing, believing and doing nothing else but the Word.

With this said, I encourage us all to begin to align ourselves with the Word and start living the Word daily - moment by moment.
