ABIOT PRIMARY SCHOOL

2014 E.C Social Study Work Sheet Two FOR GRADE 8th

Unit Three Questions from grade 7

1. Which one is the characteristics of world's rain forest?

A. The soil in the rain forest is poor in nutrients

B. The vegetation is multiple in species

C. The rain forest grown with high amount of rain fall & temperature

D. All of the above

2. Which Africa's natural vegetation and its animal types are mismatched?

A. Equatorial rain forest--- Arboreal

B. Savannah---- Elephant &giraffe's

C. Desert--------Lizard & snake

D. Mediterranean ---- Zebra& wild ass

3. Which one is the importance of agro- forestry?

A. It used to maintain the ecological balance of the environment

B. It used to focus only for crop plantation than tree plantation

C. It used to reproduce useful microorganisms

D. It used to expand burning of land for agriculture

4. Which one is **NOT true** about soil conservation?

A. Crop rotation used to increase soil fertility

B. Terracing is basic especially for terrain land scape.

C. Inorganic fertilizer is more efficient for soil fertility than organic fertilizer

D. Plants are fruitful on infertile soil

5. The criteria to classify natural resource in to renewable and non- renewable is:

A. Duration of everlasting use

B. Climate of existence

C. Holding components

D. Location

6. Which endemic mammal of Ethiopia and its location **correctly** matched?

A. Walia Ibex----------Bale mountain

B. Gilada Baboon--------Bale Mountain

C. Semien fox---- North Mountain

D. Mount Nyala------ Afar Mountain

Unit Three Question from grade 8

1. Which one is **NOT true** about environment?
   A. It focuses on abiotic elements than biotic elements
   B. It is a narrow concept than eco- system
   C. It occupies elements which are interdependent each other
   D. It is a habitat for only a particular elements.
2. Which one is biotic factor that affect natural resources?

   A. Deforestation B. Overgrazing C. Legal hunting D. Rain fall

3. Which one is **True** about greenhouse effect?

   A. A cloudy night is more warming than a clear night

   B. The earth is warmed during the night than day time

   C. Earth's coldness increase as of greenhouse gases increase

   D. The effect of temperature decline created greenhouse effect.

4. The atmospheric percentage of greenhouse gases from the least to the highest is:

   A. CO_2----CH_4---CFC-----N_2O C. N_2O----CH_4----CFC----CO_2

   B. N_2O----CH_4----CFC----CO_2 D. CO_2----CFC----CH_4----N_2O

5. Which one is True about the outcomes of global warming?

   A. CO2 is the leading agent for Ozone depletion

   B. Acidic rain increase soil fertility

   C. Temperature rise cause melting of ice caps

   D. CFC directly leads to excessive rain fall.

5. Which one is **Not** a possible solution to prevent water and air pollution?

A. Reducing chemical emission C. Replacing solar energy by gas
B. Government adopt policy to recycle wastes D. Establishing modern waste removal system

6. Atmospheric gases used to prevent infra-radiation not to escape towards space is:

A. Sky B. Greenhouse gases C. The sun D. Greenhouse effect

7. Which one is **NOT** true about layer of atmosphere?

A. Third- quarter of Oxygen found in stratosphere

B. Cloud and rain formed in troposphere

C. Air pressure fluctuating across all layer of atmosphere.

D. Altitude and temperature are proportional each other.

8. Which one is the **cause rather than the solution** of global warming?

A. Acidic rain B. Ozone depletion C. Green hose gases D. Sea level rise

9. Which gases released from Cooling of industrial product?

A. CFC B. CO C. SO_2 D. CH_4

UNIT FOUR FROM GRADE 7

1. An advanced economic development with benevolent-literate population leads to:

A. Quality of life B. Malnutrition C. Poverty D. Migration

2. Which one is the cause rather than the indicator of poverty?

A. a deep root corruption C. Poor productivity

B. Low per-capital income D. Low life expectancy

3. Which form of corruption refers to giving and taking money for personal gain?

A. Nepotism B. Bribery C. Favoritism D. embezzlement

4. Which one is the purpose ratifying children right under UN convention?

A. To protectorate children by law

B. To undermine children based on color

C. To provide a dual citizenship

D. To limit their desire and wish.

5. OF which purpose African Union is different from Organization African Unity?

A. To bring peace and security C. To practice democratic principles

B. To establish pan- African parliament D. To eliminate food security problem

Unit Four Qestions from grade 8

1. Which one is harmful practice?

A. Promoting clan difference & racism C. Encouraging early marriage
B. Facilitating gender inequalities D. Avoiding domestic violence through peacefully

2. Which one is **True** about affirmative action

A. It is a special program to empower women participation
B. It is given to women to undermine men participation
C. It is provided to women to admit their supremacy in the society
D. It show gender inequalities in the community

3. Which one is True statement?

A. Short Doubling time in developed nation C. Average life expectancy is high in underdeveloped nation
B Minimum Infant death rate in industrialized nation D. Maximum Maternal death rate in developed nations

4. Which one is **Not** the strategies to achieve the population policy of Ethiopia?

A. Reducing/ avoiding early marriage C. Enforcing indigenous people to go abroad
B. Expanding family planning method D. Awaring societies to limit mother's fertility

5. The population pyramid of Ethiopia, **broad base** and **narrow apex** indicated:

A. High mortality, but low birth rate C. Low life expectancy and low fertility rate
B. High death rate & high birth rate D. High life expectancy and high birth rate

6. Which one is the main cause for high mortality rate in Ethiopia?

A. Providing life insurance for all people C. Very poor standard of living
B. High standard of medical facilities D. High income level

7. Which one is the most effective methods of handling delinquent?

A. Detained all delinquents in prison C. Probation and or behavioral therapy
B. Making Juvenile to escape from their country D. Creating job opportunities

8. Which one is the guiding principle of UN?

A. Maintaining global peace and security C. Sovereignty of all nations

B. To develop solidarity among nation D. Cooperating to solve humanitarian problems

9. Which one is the leading organ of UN?

A. The Security Council B. ICC C. The Economic& Social Council D. The Secretary General

10. Which country has **NOT** Veto power? A. USA B. France C. Germany D. Britain

11. Who was the first UN secretary General from Africa?

A. Try give Lie B. Boutros Boutros Gali C. U-Thant D. Kofi-Annan

12. Why the Trusteeship Council suspended since the final decades of 20th century?

A. Development of all states C. Democratic gov't established in all states
B. Independency of all countries D. Removal of corrupt behavior of leaders in all nation
