“And God said, I have given you every herb that yields seed which is on the face of all the earth and every tree whose fruit yields seed, to you it shall be for food” Genesis 1:29

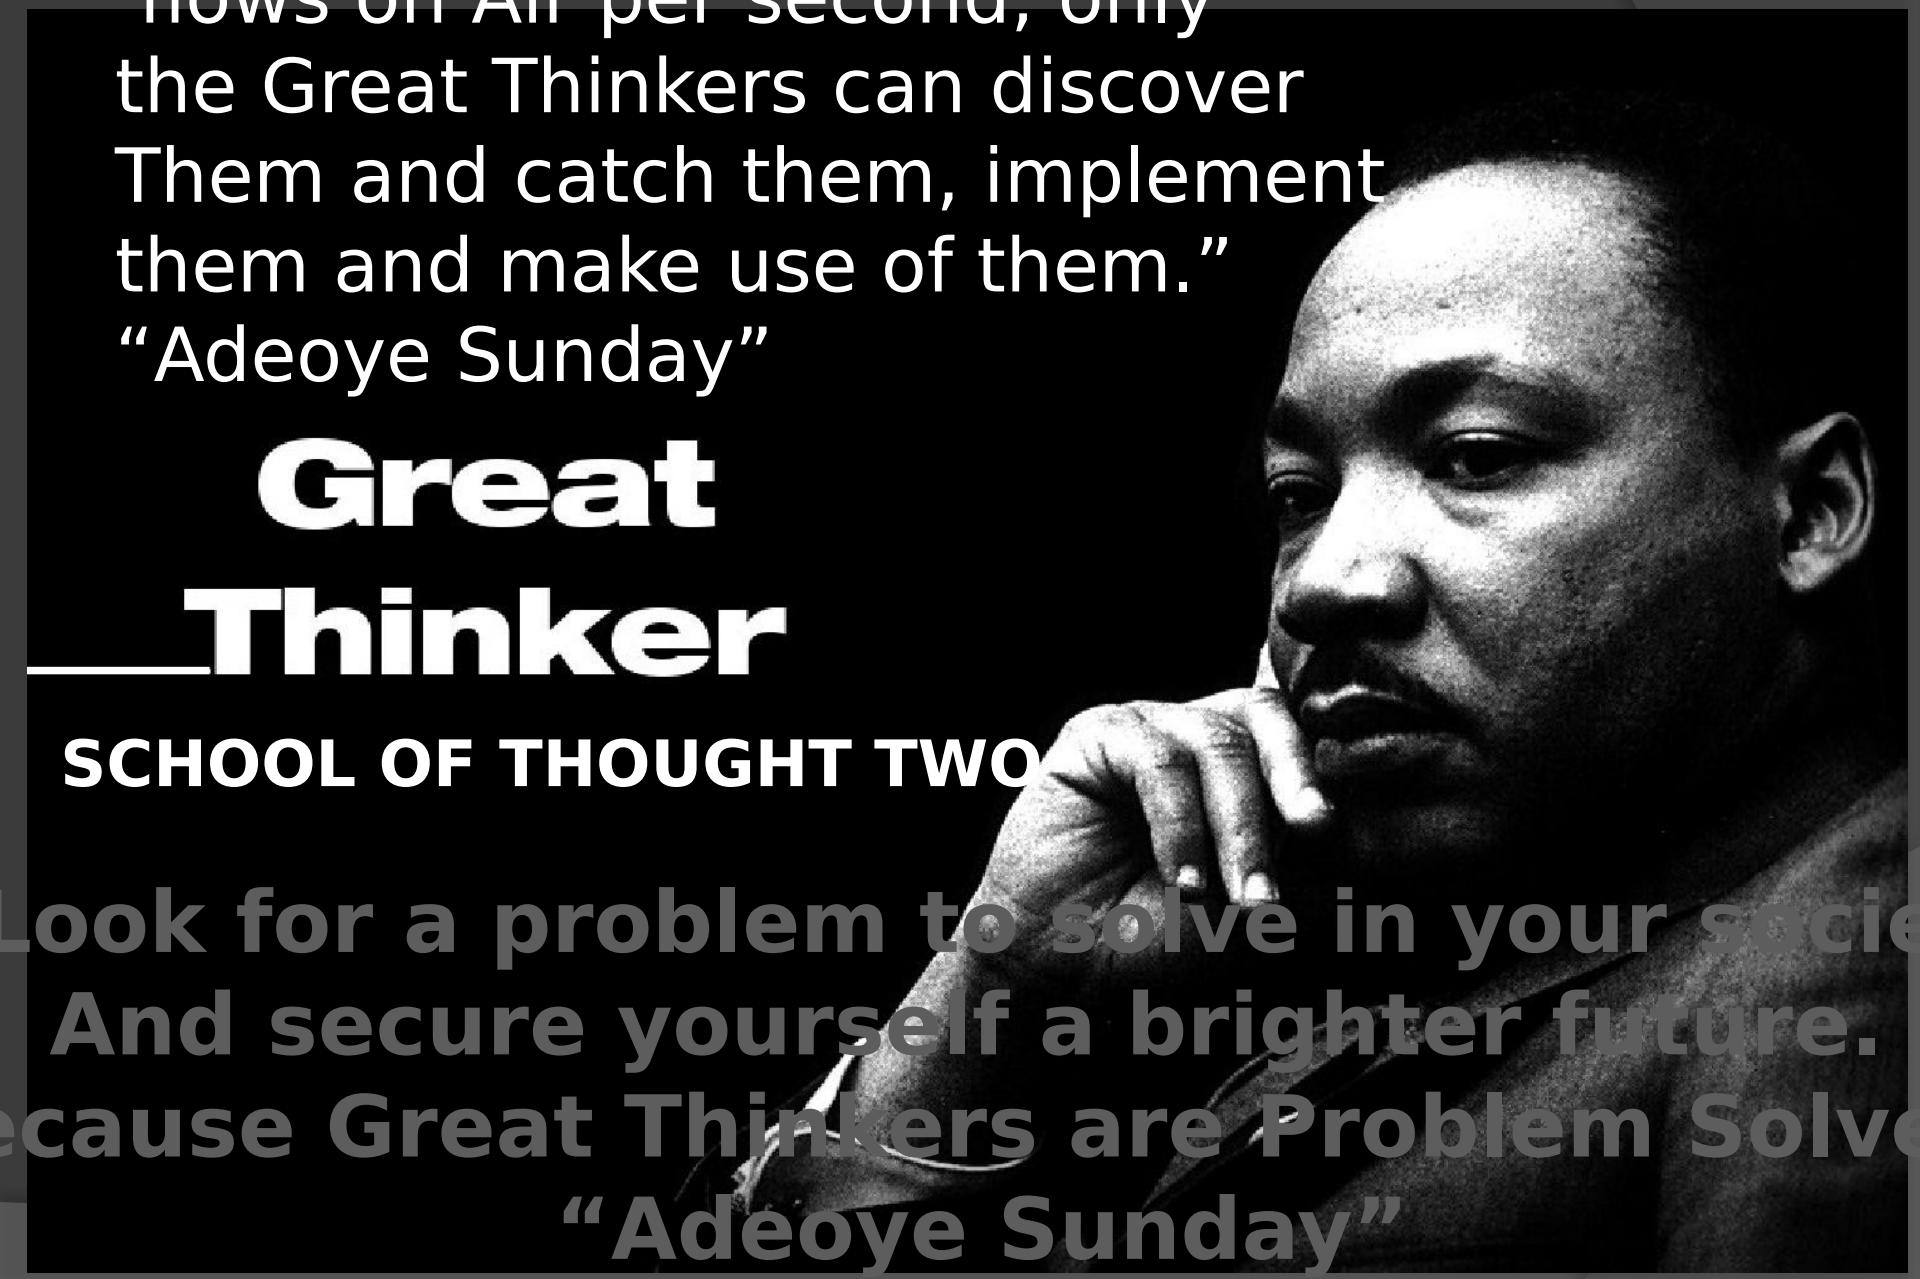

TEXT: Genesis 1:26-31

There are five Schools of Thought you need to know
But;
SAY THIS TO YOURSELF
God, make me a candidate of solution to my Generation

“Do you know that everything you can feel, touch, see, and sense talks of the glory of God, and it is your path to greatness and attainment in life” Adeoye Sunday

“Do you know that thousands of ideas
flows on Air per second, only
the Great Thinkers can discover
Them and catch them, implement
them and make use of them.”
“Adeoye Sunday”

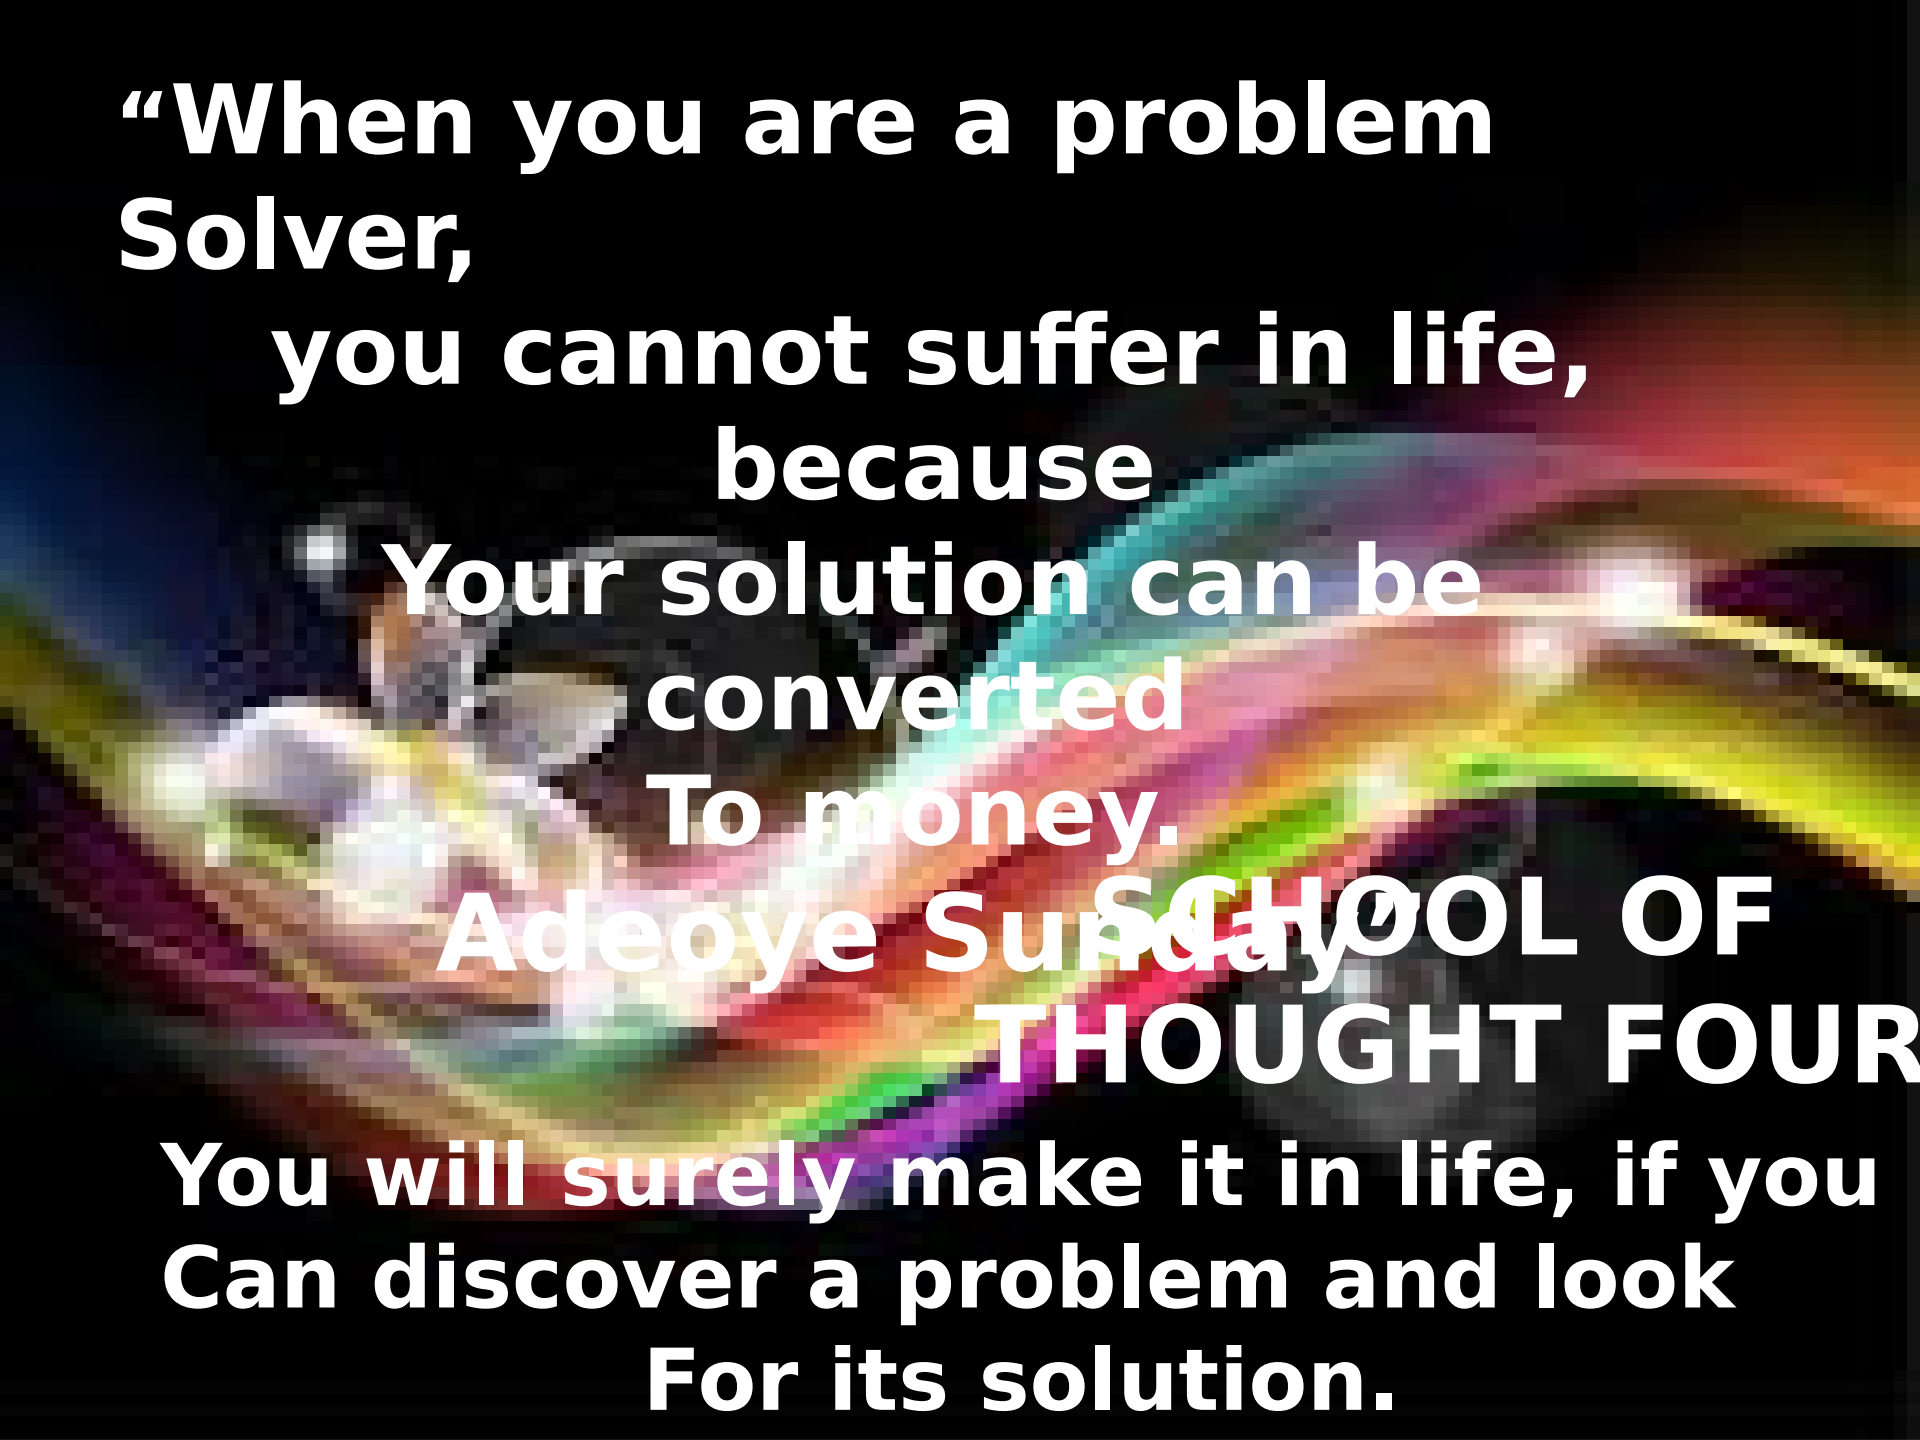

Great Thinker

SCHOOL OF THOUGHT TWO

Look for a problem to solve in your socie
And secure yourself a brighter future.
ecause Great Thinkers are Problem Solve
“Adeoye Sunday”

“Do you know that God only created Nature for us to tap from its resources, It is our responsibility to convert the raw materials into the finished product” “Adeoye Sunday”

“When you are a problem Solver,
you cannot suffer in life, because
Your solution can be converted
To money.
Adeoye Sunday
SCHOOL OF THOUGHT FOUR
You will surely make it in life, if you
Can discover a problem and look
For its solution.

SCHOOL OF THOUGHT FIVE

o you know that if you are a product of this generatio
d you are not on Internet or social media, the bad new
or you is that you may not be relevant And when your
presence is not felt, your absent cannot be noticed.”
Adeoye Sunday
