Preface:

Beloved, there are some mountains that cannot be removed except we pray at Midnight. There are problems that will prove insurmountable unless you form the habits of praying at night. God did almost everything important at midnight. There are levels you can never attain in the spirit realm without mastering the act of praying in the midnight. Are you not tired of telling people to pray for you without getting result, when you can wake up and be a prayer warrior too? Are you not tired of all the nightly nightmares and attacks? Praying for one hour at night has great effects on the operations of dark kingdom, much more all night prayer. You must wake up to render evil arrows, enchantments, curses and incantations against you useless. Reduce your sleep! Make up your mind that nothing will interfere with your nightly appointment with God. Be determined to give the devil a technical knockout by praying at night. Your victory is guaranteed, in Jesus name!

Why do we need to pray at midnight?

- The midnight is a period of intense satanic activity and operations.
- The midnight is the high satanic traffic and holds in the heavenlies.
- The midnight is the period Christians are weak most in their defenses, and in warfare. As such Christians should attack at midnight.
- The midnight is the time dark powers hold meetings; as such it is best to strike the enemy when its camp is full.
- The midnight is the time when evil decrees are issued and evil communiques are circulated; as such it is best to cancel the evil resolutions before they are implemented.
- During this period the body immune system is at its lowest.
- The midnight is the time when a lot of patients die in hospitals and this is the time when witchcraft is at its peak
- The midnight is the time when a lot of patients die in hospitals and this is the time when witchcraft is at its peak.
- The midnight is the hour we should be strong in prayer as believers.
- After 430 years of enslaving the Sons of Israel, Pharaoh remained adamant not to let the Israelites go , until the

day God delivered the Midnight judgment as seen in Exodus 12:29

- See this; the angel of the Lord smote the 1st born at midnight.
- Remember the bridegroom shall come at midnight Mathew 25:6 and we should be found in control of the situation.
- ARISE AT NIGHT AND PRAY!!

Midnight prayer is the surest arena for breaking satanic bondage and limitations. No matter how strong and difficult the yokes of the enemy over our life, they cannot resist persistent and prolonged midnight prayer. The devil knows this very well, and that is the reason why he will do everything to discourage you from getting up in the midnight to pray. Midnight is like a spiritual highway, and like I have said earlier, most of the things that happen to us are programmed into our life at this period. So, when you also get up and battle at this time, you invariable take part in deciding what happens to your life.

There are so many people living in satanic bondage today. There are so many individuals, families and groups that are unknowingly struggling with satanic yokes. There are millions of people walking on the streets with their hands and legs bound in the spirit with chains by powerful satanic forces. I know this will sound strange to some people, but it is a fact. It is a spiritual matter. You

can only be aware of this if the spirit of God chooses to show you.

When you experience perennial problems in your life or family, year after year, you face the same kind of problems, or you feel you are hindered from crossing certain limits in life, then it becomes advisable to go into prayers and ask God to show you the source of your troubles. Most times, it is the work of Satan and the agents of his dark kingdom. In Africa and also in some other parts of the world, it is not strange to hear that agents of darkness chain destinies, fruitfulness, progress, or even health of people in the spirit realm, especially those operating in witchcraft covens. Victims of such satanic manipulation will struggle through life.

They will do everything humanly possible to have breakthrough in life, but will never succeed. Some will even be programmed not to marry, not have babies or have a successful marriage. All these happen. We not only see them in the lives of unbelievers but unfortunately, amongst believers also, and remember that Jesus said the enemy comes to sow tares while you sleep.

Midnight prayer is one of the ways that God will use to return the power and anointing to the church and individual Christians. And when this power comes, it shall break every yoke, every chain and every satanic bondage. Let's see in the Bible where and how the chains of the enemy were broken through

this. "They were severely beaten, and they were thrown into prison. The jailer was ordered to make sure they didn't escape. So he took no chances but put them into the inner dungeon and clamped their feet in the stocks. Around midnight, Paul and Silas were praying and singing hymns to God, and the other prisoners were listening. Suddenly, there was a great earthquake, and the prison was shaken to its foundations. All the doors flew open and the chains of every prisoner fall off!" Acts 16: 23 - 26.

You know the above story. At Philippi, Paul and Silas conducted deliverance ministration that landed them into trouble. They were beaten, bound with chains and put into the inner dungeon of the prison. Dungeon is an underground prison cell. This is what was mostly used in those days. Also, the Jailer was seriously instructed to make sure that these men of God did not escape. This is exactly what Satan and his agents do to people in their captivity. They mess their victims up and also keep them as hostages. Like I said earlier, a lot of people are bound with satanic chains today.

They move around like normal human beings, but when you see them in the spirit they are bound with fetters. This is usually done through witchcraft and other demonic manipulations. The victims of this kind of satanic influence will live all their life without any meaningful success, unless those fetters are broken. Some, their destinies would

be locked up by these enemies. Others, their businesses, their wombs or marriages would be held. We have also seen cases where projects (like building) were stop through this kind of manipulations. They will simply cripple the person's source of income or inflict him/her with an incurable sickness and that will be the end of the project.

There are others that have been used for money rituals, sacrifices, etc. Though they will be alive, but they will live as imbeciles all the days of their life. Others are also manipulated into sinful habits like drinking, stealing, prostitution, etc, and will be ultimately destroyed. We also see people who are held in bondage by demonic spirits e.g., marine spirits, ancestral spirit, territorial spirits, etc. Some of these may sound strange, but certainly not to people from Africa and some other parts of the world. Though satanic bondage are not limited to these places. There is no boundary to their operations. Every environment has its own peculiar situations

Some have been chained by Satan and demons assigned to watch over them like the Jailer was instructed to watch over Paul and Silas. Any demonic entity assigned to watch over your/ destiny will be blinded from today, in Jesus' name!

One can also be in the church and still be a victim of satanic fetters. Sometimes because of the person's disobedient to the

word of God, ancestral links or just evil arrows shot into the person's life, especially in the dreams. Whatever is your case, God has promised to break the chains and set you free. In Isaiah 61:1, He said that "... the captives will be released and the prisoners will be freed." He also said in the same Isaiah 49:24, "who can snatch the plunder of war from the hands of a warrior? Who can demand that a tyrant (Satan) let his captives go? But the LORD says, 'The captives of warriors will be released, and the plunder of tyrants (demonic forces) will be retrieved." You shall possess your possessions through your divine encounter with God via this book, in Jesus name!

More so you need to claim your victory over the devil and his agents through God's word, prayer and fasting. I claim the victory of the Lord over your enemies, in Jesus name. NIGHT 4 NIGHT OF BLESSING

Bible Reading: Genesis 12:2-3, Proverbs. 10:22

The true riches and greatness consist in the blessings of the Lord; blessing is an oral that comes on a man that makes him successful. The Lord told Abraham,"I will bless thee, and make you a blessing, I will make you great, he that bless you shall be blessed." Which means despite the knowledge and labor of a man to succeed, he needs the blessings of the Lord to be rich, true riches comes from God. Never imagine success without God, if not it will give the devil chance to add sorrow to your blessings. I prophesy, your blessing will come without sorrow, in Jesus name. You can attract the blessing by obedient and praying it into your life, therefore pray these prayers with all seriousness.

NIGHT 5 NIGHT OF FRUITFULNESS

Bible Reading: Genesis 1:28, 1 Samuel 18-20

To be fruitful is the desire and command of God to everyone; barrenness is the program of the enemies. This wicked devil is working against the plan of God for your life and the Bible says, rebuke the devil and he will flee from you. You need to rebuke that spirit of barrenness in your family. You can rebuke the devil in the place of prayer and fasting. This prayer will bring fruitfulness to reality in your life and family, in Jesus name.

Confession and Declaration: Psalm 1

1. Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful.
2. But his delight is in the law of the LORD; and in his law doth he meditate day and night.
3. And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper.
4. The ungodly are not so: but are like the chaff which the wind driveth away.
5. Therefore the ungodly shall not stand in the judgment, nor sinners in the congregation of the

righteous.

6. For the LORD knoweth the way of the righteous: but the way of the ungodly shall perish.

PRAYER POINTS

1. Lord, I thank you because you are God of fruitfulness, in Jesus name.
2. Every seed of barrenness in my life, be up rooted, in Jesus name. Matt. 15:13
3. Any arrow attacking my season of fruitfulness be destroyed, in Jesus name. Psalm 91:5
4. Any strongman attacking my fruitfulness fall down and die, in Jesus name. 11Cor. 10:4-5
5. My life, receive supernatural wonder of fruitfulness, in Jesus name.

Anything good that is lost can still be recovered by God's intervention. If dry bones were able to come back to life and also the axe head that fell into the water could float and David was able to recover all his people by the power of the Almighty God, you will recover every good thing you have lost. NIGHT 13 NIGHT OF SUCCESS

Bible Reading: - Psalm 1:1-3, Joshua 1:8, Deuteronomy 28:5-12, 29:9.

Success is the desire of God for your life and that you may prosper in your entire endeavor, God told Joshua that he should meditate on God's word day and night and observe to do what is written therein, and He shall make his way prosperous and have good success. But there is a spiritual phenomenon called the near success spirit. This phenomenon is completely against peoples' success. The bible says, King Agrippa said Paul; almost thou persuadest me to be a Christian. Acts 26:27-28, the passage show that Agrippa would have been saved but near success spirit stood against him. Later in the history of Agrippa's life, he died a shameful death. Another case in Deuteronomy 1:25-26, "and they took of the fruit of the land in their hands, and brought it down unto us, and brought us word again and said, it is a good land which the Lord our God doth give us. Not with standing ye would not go up, but rebelled against the commandment of the Lord your God."

The Israelites took the fruit of the land and tested it and got to the gate of the Promised Land and yet they lost the land. I pray your case will not be like that, but brethren you need to pray serious prayer, for you not to be attack with near or almost success spirit.

Breakthrough is breaking through an obstruction or to fulfill your destiny. Destiny is the original plan of God for your life. This is to have dominion over everything GOD had created and to live without suffering. Adam and Eve were created in the Garden of Eden for enjoyment but the devil stole it from them. Many destinies have been taken away by the wicked enemies; many are living outside and without a destiny or glory. But destiny can be restored and fulfilled when it is handled with seriousness. The battle for destiny or glory fulfilled is one which you must fight and win. The challenge of today is the ability to fight against the enemy of destiny. These prayers are divinely designed for your weapon against the stubborn enemies and restoration of your breakthroughs, therefore pray them with all seriousness and aggressively.

Bible Reading: Act 1:8-10, Luke 10: 19, Psalm. 62:11, Matthew 28:18-19.

Power is the ability to control people or things and also to do something. Our lord Jesus Christ knew the importance of power, he started with prayer and fasting that he

may begin with power, luke14:14, when he left, he instructed his disciples not to start the work until they are endowed with power. Mark 3:27 says, "no man can enter into a strongman's house and spoil his goods, except he will first bind the strongman and then he will spoil house. We need the power of God to bind the strongman and spoil is goods. There are some realms or level we need to enter with power for lasting testimonies. Every promise land has a giant that occupies it, which we need to overcome and possess the land. These prayers are divinely designed and will enable you to bind the devil with power of God and park the spoils
