YOUR LION EXEMPTIONS

In every heart a lion sleeps - *Turkish proverb*

Revelation 5:5: *"And one of the elders said to me, weep not, behold, the Lion of the tribe of Judah, the Root of David, has prevailed to open the book, and to loose the seven seals thereof"*.

- The moment you become a child of God, you are born into The Lion of the Tribe of Juda.
- Everytime you read or study the Holy Bible the Lion nature is released.

- Everytime you meditate and act on the LIVING WORD OF GOD your spiritual lion status is activated.

Therefore as a Spiritual Lion:

YOU CAN'T BE PURSUED: Friend, no physical lion is pursued by any animal in the forest. The instinct in every animal forbids the animal to pursue the lion in the forest. You are a spiritual lion because the Lion of the tribe of Judah dwells inside of you. You are the house of the Lion of the tribe of Judah. The Bible says; do you not know you are the temple of God and the Spirit of God dwells inside of you. You are the carrier of the Lion of the tribe of Judah. The Lion of the tribe of Judah lives in you. You are the mobile house of the Lion of the tribe of Judah. Therefore, no human being, no force, no demon is permitted to pursue you in this world because you are living, moving and existing inside the Lion of the tribe of Judah. You are un-pursuable.

No power is permitted to pursue you because everything about your life displays the Lion of the tribe of Judah. You represent the Lion of the tribe of Judah in this world, you are on a mission for the Lion of the tribe of Judah on planet earth. A sister was pursued every day by a masquerade and she came to me and said that "every night am being pursued by a masquerade in my dream" and she will wake up in the morning panting for breath because the masquerade was always

pursuing her. I showed her in the Word of God that she dwells, she lives inside the Lion of the tribe of Judah.

She is un-pursuable, no power is permitted to purse her in this world. Acts 17:28; *“for in him we live and move and have our being”*.That she lives and moves and has her being inside the Lion of the tribe of Judah. She is a creature of the WORD that created the nations of the earth, the WORD that sustains creation, the living Word of God. I prayed for her. She came with a testimony and said; 'pastor, the masquerade came again in the dream but instead of the masquerade pursuing me, I was the one pursuing the masquerade'. Friend, I want you to know you will begin to pursue whatever has been pursuing your life in the name of Jesus because you are un-pursuable. One of the characteristics of a spiritual lion: the spiritual lion is unpursuable.
You can't be pursued by the forces of darkness, the power of the enemy. You can't be pursued by the financial hardship of the economy, by the wicked forces of our economy, the wicked forces in the politics of our nation. You are created to live in dominion because the Lion of the tribe of Judah dominates, rules in this world and is ruling through you because you live in him, you move in him, you exist in him. You are a spiritual lion upon the face of the earth. Whatever is pursuing the physical lion in the forest will be cursed, will be eaten up. Whatever attempts to pursue the physical lion is doomed. You are mandated to curse whatever is pursuing your life. Curse fear because you are not permitted to be pursued by fear. *"For God has not given us the spirit of fear but of power, of love and of a sound mind."* - 1 Timothy 1:7. You are un-pursuable friend. Alleluia, thank you Lord Jesus.

YOU CAN'T BE OPPRESSED: No physical lion can be oppressed by any animal in the forest. You are a spiritual lion. You cannot be oppressed. God wants you to know friend that you are not permitted to be oppressed because oppression died when the Lion of the tribe of Judah died. The Bible says in Isaiah that He was oppressed for you, He was led as a sheep before the slaughter yet he opened not his mouth. His judgment was taken away from Him because of you. Jesus the Lion of the tribe of Judah bore all your oppression on the tree where he was crucified that you will no more be oppressed.

I want you to know friends that you cannot be oppressed. Isaiah 54:14; “In righteousness you shall be established: you shall be far from oppression; for you shall not fear: and from terror; for it shall not come near you."You are exempted

from oppression, you are exempted from fear, from the terror of

night, you are exempted from the arrow that flies by day, you are exempted from the destruction that walks in darkness, you are exempted from the destruction that wastes at noon day because you are living, moving and existing in the Lion of the Tribe of Judah. Declare that to yourself every single day: I am a spiritual lion, I live, I move and exist inside the Lion of the Tribe of Judah. I cannot be oppressed. I am exempted from oppression, in the name of Jesus Christ. By the blood of the Lion of the tribe of Judah, I cannot be oppressed.

YOUR BLOOD IS UNDRINKABLE: No physical lion in the forest will dare to eat up a living physical lion, You are a spiritual lion that means friend, no power can eat your life, no power can drink your blood. You are uneatable, your blood is undrinkable because you are a spiritual lion upon the face of the earth. No witch, no wizard, no occultist and no power can eat your flesh or drink your blood when you dare to live in the consciousness of who you are: a spiritual lion every single day of your life. That you are living, moving and existing inside the Lion of the tribe of Judah. What cannot suck the blood of Jesus cannot suck your blood, what cannot eat the body/flesh of Jesus cannot eat your flesh. You are uneatable. Your flesh is uneatable, your blood is undrinkable, by the power of THE BLOOD OF JESUS.

Do you know friend, one child of God was to be eaten by the witches, the wizard and the occultist. They never knew they were fighting and contending with the Lion of the tribe of Judah. Do you know in the old covenant Daniel could not be eaten up by the lions because the Spirit of God was inside of him. His flesh was not eaten up because lions don't eat spiritual lions. You are a spiritual lion living inside the Lion of the tribe of Judah. When they dared to eat up the flesh and drink the blood of the child of God, they were smitten by the Lion of the tribe of Judah. The Lion of the tribe of Judah will

eat up the witches, the wizards, the occultists, the water spirits, the demonic spirits, that are at war against you, against your family, against your destiny,

against your business in the name of Jesus. You declare to yourself, you declare to the world, you declare before the adversary: I am a spiritual lion, I live and move and exist inside the Lion of the tribe of Judah.

My flesh is uneatable, my blood is undrinkable, because what cannot drink the blood of Jesus cannot drink my blood, what cannot eat the body of Jesus cannot eat my body. It is written I am a member of the body of Christ, of His flesh and of His bone's. If the world is going to see the body of the Lion of the tribe of Judah, they have to see me because I am the body of the Lion of the tribe of Judah on the planet earth. Do you not know you are the temple of God, you are the dwelling place of God, the Spirit of God dwells inside of you? You are the carrier of the Lion of the tribe of Judah. You are not just a child of God, you are not just a Church member, you are the carrier of the Lion of the tribe of Judah on planet earth.

YOUR TERRITORY IS UNTAKEABLE: Every physical lion in the forest has a well guided territory. There is a territory belonging to every physical lion in the forest and that territory is guided against every invader, against every animal enemy. No animal in the forest is permitted to trespass the territory of the physical lion. You have been given a territory to rule over because you are a spiritual lion on planet earth. No one, no power can take your territory. No one, no power can take your land, your possession. Your properties are untakeable because you have been given a territory by the BLOOD of the everlasting Covenant. Your territory includes those who are living in your household, those who are living in your family, those who are living in

your possession, in your company, in your property. Those who are living in your organization belong to your territory.

God has given you the territory to rule over because you are a spiritual lion on planet earth. He said everywhere the sole of your feet will tread that I have given you. 'Everywhere'; you are created to dominate, you are created to rule over the land, the nations of the earth. Deuteronomy 28:10 says *"All nations will know that you are called by the name of the Lord and they will be afraid of you"* because of your rule over the world, over the nations of the earth. You are a

spiritual lion ordained to rule over the lands, over the nations. Genesis 1vs26; *“Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea (sea power), and over the bird of the air (air power), and over the cattle, and over all the earth, and over the creeping thing that creep upon the face of the earth (land power)”.*

He gave man dominion, he gave man ultimate sea power. He gave man ultimate land power. He gave man ultimate air power. Why? Because he said man was created in the image of God. When you become the child of God, He recreated you in the likeness of Christ, He recreated you by the Spirit of Christ. *"If any man be in Christ he is a new creation old things have passed away, all things have become new."* - 2 Corinthians 5:17. You are a new creation in Christ Jesus, the Master of the universe. You have your being in the master of the universe. You live and move and exist inside the Lion of the tribe of Judah. You've been given dominion and rule over the lands. Possess the lands. Possess the nations of the earth. Prosper over the nations of the earth. Rule over your territory, exercise dominion over your territory that you have been given by the Spirit of the God. Many years ago, somebody in our church was given a property in the GRA and one of the Governors became interested in the property. And

the Governor said the property was going to be taken away from him and he was going to put a massive building on the property. And that he will give him land somewhere else.

This child of God brought the letter to the altar in our church. He and his wife said “This is my land, I take possession over my land, I rule over my land. My land is un-takeable, my possession is un-takeble”. Do you know what friend, God used the general manager of the corporation to tell the governor to withdraw his letter. The Governor changed his mind because this child of God, this couple decided that no man, no woman, no governor, no president is going to take what God has given them.

You are a spiritual lion: possess your possession! Your possession is untakeable. I want you to know friend that no man, no woman, no tribe, no president, no power, no demon, no spirit, not even satan will be able to take what belongs to

you in the name of Jesus. Your possession, your territory is untakeable. Your land cannot be taken away by religion, by demonic powers, by political power. God wants you friend to celebrate your lion status. You are a spiritual lion on the face of the earth in the name of Jesus.

THE ROAR

Romans 8:26 – 28:"Likewise the Spirit also helps our infirmities, for we know not what we should pray for as we ought, but the Spirit himself makes intercession for us with groaning which cannot be uttered. And he that searches the hearts know what is in the mind of the Spirit, because he makes intercession for the saints according to the will of God. And we know that all things work together for good to those who love him, who love God. And to those who are

called according to his promise." The roar! The experts tell us that the physical lion roars in the forest. What is a roar? When the lion roars the lion is saying am in charge of the forest, I am in charge of the Africa Savannah. The roar sends fear into the heart of the animals in the forest. The expert tell us that the roar of the lion is heard within 8 kilometers radius. It tells the animals in the forest that the physical lion is in charge. You are a spiritual lion. You are commanded to roar every single day of your life. How do you roar? You roar in Tongues of The HOLY GHOST and in your understanding. When you pray in tongues and in your understanding everyday you are roaring the roaring of the spiritual lion. The ROAR affects circumstances, the business, the economic, the physical and the spiritual worlds.

Spiritual lion's roar terminates and exempts you from the groanings of life. When you roar in the Tongues of the Holy Ghost you are exempted from the groanings of life. You are exempted from the mourning of life. You will not be mourned. Men, women and children will not mourn you in the name of Jesus. Your spiritual groanings terminate your groanings in life.

The spiritual groanings of a spiritual lion ignites the spiritual fire that quenches all the fires of the enemy. Your groanings are the release of spiritual fire, that controls the physical. Praying in the Holy Spirit pushes you to the place of dominion where you quench all the fires of the enemy. The arrow of the wicked

bows before you. The terror of night, the pestilence that walks in darkness, the arrows that flies by day, the destructions that waste at noon day will bow to the groanings of the Holy Spirit. I remember one time, years ago, we have a spiritual daughter who was going to give birth in the hospital and we were not in

town. She was a member of our church, and her mother called us that the doctors in the teaching hospitals said they were going to remove the baby because the baby was already dead in her womb.

And the mother was calling us, to pray for her daughter's safety. All hope for the dead baby was gone. But while my wife and I were praying in tongues during the midnight hours, the HOLY SPIRIT said to us that the baby will live and cry during surgery the next morning. So we asked one of our pastors, to go to the hospital in the morning, pray in Tongues in the premises, that God told us the dead baby will come out alive crying during surgery in that teaching hospital. To the surprise of the doctors who were doing surgery to bring out a dead baby, our baby came out alive crying for joy. This baby is now grown and is alive today. Alleluia.

THE LION ENTREPRENEUR

Strive Masiyiwa is a young African entrepreneur who had times of meditation while working in a telecoms company in Zimbabwe. He created ECONET, a wireless company in Zimbabwe in 1993. In order to have his license from the government, he fought a five year legal battle that brought him to the brink of bankruptcy. He and his wife became so devastated financially that his wife told him to give up the fight. It was a fight against the government's corruption.

The license was not going to be given without governmental corruption. However, after five years of legal battle, he was given justicein the court of law which caused ECONET wireless telecoms company to begin to function in 1993. Strive Masiyiwa is known for his integrity. His life and investments are marked with integrity around the nations of the world today.

He has grown to become Britain's first black billionaire. Friends, Strive Masiyiwa had seasons of meditation where he was inspired to create the ECONET wireless telecommunication company.

We are living in a world of noise pollution. The greatest noise pollution is the inner noise pollution where a person does not have times or seasons of meditation. It was during Strive Masiyiwa's seasons of meditation that he had the inspiration to create the ECONET wireless telecommunications company. A lion entrepreneur creates seasons for meditation.

FORCE OF MEDITATION

“Meditate upon these things; give yourself wholly to them that thy profiting may appear to all”-Timothy 4:15.Meditation gives insight into the depth of the vast resources the Creator has made available to the world and to you. These resources include; economic resources, mineral resources, limitless resources in the sea, limitless resources in our lands, limitless resources in the air.

The treasures of the world are in the deep. You will have deep insights when you

create seasons of meditation. You will exempt yourself from mind and noise pollution. You will also exempt yourself from the distractions in the world. You will be able to tap into the resources that are available. You will be able to create job(s). You will realize that you are not a victim in the world because the resources in the world are in abundance. We have plenty of air, water, sea, land, mineral resources.

When God created the world, he gave man dominion and authority. He said “Let us create man in our own image and let them have dominion over the fish of the sea (this implies giving him the sea power), over the birds of the air – that is air power, dominion over the limitless resources in the air space. He also gave him dominion over everything that creeps on the earth and all cattle, that is land power. Man therefore was created to exercise dominion over sea power, land power and air power. The lion entrepreneur must daily live in the consciousness of the limitless resources in his world.

Meditation empowers you to live in dominion. You reign over the resources of the earth. You receive insight and creativity to utilize and maximize the resources in the world because of your times of meditation. Meditation makes the resources of the world to carry your fingerprint and you will be able to leave your footprints behind (your working footprints) as you live in dominion and power over the limitless resources in our world.

UNITY WITH THE SPIRIT OF CREATION

Meditation causes you to come into unity with the Spirit of creation. The Word says “He who is joined to the Lord is one spirit with Him”. You come into unity with him. I remember a time back when I read the story of Strive Masiyiwa and he said that he will never leave his house in the morning without devoting a minimum of one hour to communicate with his creator and to meditate on the Word. That is what dominion is about. In meditation, you are clothed with the dimension of God, you are clothed with divinity. You are created a god putting on human flesh. You are one spirit with the Spirit of the Creator. You are not ordinary. You are not mere flesh and blood. You are a spirit having a soul and living in a body.

Having seasons of meditation causes you to come into unity with the Spirit of God and put on divinity, the divine nature of God. You know that you are a god

upon the face of the earth.

Meditation enables you to terminate distractions. You will become focused. Your ability for creativity becomes focused and you are able to focus on inspirations. You are no longer distracted by what distracts the common people in your world. You cease to be common. You become uncommon through the practice and act of meditation.

You will become extraordinary because you align with the extraordinary Creator of the universe. You therefore dominate and rule over the distractions of the world. The world is full of distractions. The man in our case study, Strive Masiyiwa was being distracted by the corruption of the government in not issuing him a license initially to fulfill his dream of running the ECONET wireless telecommunication company. Strive Masiyiwa refused to be distracted because he was focused. He is a man of integrity and meditation. This enabled him to be focused. You will be able to terminate the distractions that are in your world. You will no longer be distracted because you have an appointment with destiny.

THREE DIMENSIONAL DEVELOPMENT

Meditation causes you to be developed in your spirit, soul and body. It empowers you to develop your environment. Your spirit is the part that communicates with your Creator. Your soul is made up of your mind, your will, your intellect and emotions. Meditation brings harmony between your soul, your spirit, your body and your environment. It enables you to connect to your creator, the sustainer of the universe. Seasons of meditation are very important in the development of our lives.

Development is the process of growth into the Godhead, the creator of the universe. Through meditation you will grow into the fullness of God. The Word says “of his fullness have we received grace for grace” -John 1:16. You begin to grow into the fullness of God, into the glory of God that has been assigned for your life. As a young entrepreneur you will become a god in the business world. You will become a ruler dominating the business world, the intellectual world, the marketing world. You become a god in your world as you live in harmony with God, the master ruler of the world, who is the creator of the universe.

Development through meditation is a continuous, unending growth. You grow in God. You will become a developed specie. You become like your creator. You will become a co-creator with the creator of the world. The work of creation has not ceased. God has given the world to us to recreate. Meditation decorates a man's life. Beyond gold, silver and diamonds. Meditation causes you to be decorated with the God-life. You become god to men and the government of the world, in your relationship with them. You cannot afford to be fraudulent or corrupt. You cannot afford to lose your integrity. You become a god to the nations of the earth. When you are decorated with the God life, you are decorated with the fullness of God. For instance, when you appear in the board room, the classroom, anywhere, you will be a moving expression of the creator, God.

You will be a solution provider, a problem solver. You will be able to turn situations around. You will be a god on the earth. The Word say in John 10:34-35 that *"Jesus (the Lord) answered them, is it not written in your law, I said, ye are gods? If he called them gods, unto whom the word of God came, and the scriptures cannot be broken,"* He was saying you are god on earth. You have been created to reproduce the God-life on earth. You are created to be decorated with the God-life on earth.

Friends, the lion entrepreneur creates season for meditation. The lion entrepreneur is the thinking entrepreneur. He creates times and seasons for meditation, to think. He thinks about the solution to the challenges of life, the problems of life. He asks the question; what is the way out? In about 40BC,Hannibal said while he was involved in a war with the Roman military. He only had elephants to fight the war while the Roman military had superior weapons. However, this black man, Hannibal said "Either find a way or make a way" This implies in other words to either find a way (i.e. seek out a way) or make a way (i.e. create a way). The thinking sessions cause you to become creative. Hannibal defected in Romans. Your victory in challenges of life is undeniable in the name of JESUS.

3

THINK

“For as he thinks in his heart, so is he: eat and drink, said he to you; but his heart is not with you” - Proverbs 23:7.

RULERSHIP: Have the thought of rulership. When you wake up in the morning, have and maintain the thought that you are created to rule your world. Think on being created to be a co-ruler with your Creator. The Wright brothers invented the first airplane that ruled the sky. They did not have a university degree. They did not have an engineering certificate but they lived in communion with the creator of the universe and they were able to create the first airplane that ruled the skies, because they thought 'rulership'. You are a ruler. You can rule over that circumstance, situation or problem. You are not a victim, you are created to rule.

IDENTITY: The lion entrepreneur identifies his territory. Identify your area of specialization. It may be a political calling. Identify your political terrain, your calling in the ministry, in your vocation. You must identify your territory. You are a territory taker. You are a territory possessor. There is a domain that has been assigned to you. There is a territory that has been assigned to you in this world. You have a territory. You will discover your territory in your thinking sessions. You will discover your area of calling, your area of specialization, your passion in life during your thinking sessions.
ALIGNMENT: This implies yielding to the creator, God who is the ruler Spirit, the ultimate one, the Holy Spirit. 1 Corinthians 6:17 says that “But he that is joined unto the Lord is one spirit.” You remain in communion with the Ruler Spirit. You declare 'sweet Holy Spirit I worship you. I bless your name. You are my Comforter, my Advocate, my Strengthener, my Standby, my Counselor, my Intercessor, my Abba (Father and Source). Sweet Holy Spirit I worship you. You are the Spirit of truth, the Spirit of life, the Spirit of dominion, the Spirit of power, the Spirit of resurrection, the Spirit of glory, the Spirit of creativity, the Spirit of inspiration. Thank you for inspiring me today to live in harmony with you.

'Sweet Holy Spirit I worship you. You have given gifts to men.You give fruits to

men. Thank you for the gifts and fruits of the Spirit that you have given to me to function perfectly in the board room, the classroom, in my neighborhood, on the farm, in politics. Thank you Sweet Holy Spirit of God'. By this, you are yielding to the Spirit of God, the Holy Spirit. In Genesis 1, He created the world, He brooded over the waters and God said let there be light. Creation came into existence through HIS working.

The lion entrepreneur daily yields to the rulership of the ultimate ruler, the Holy Spirit.

DOMINION: The lion entrepreneur talks with dominion. He is not discouraged. He speaks with authority against dream killers. The Wright brothers for example were often discouraged but they did not give up. The lion entrepreneur knows he has been created for a world of limitless possibilities. You have been created to explore the limitless possibilities in your world, in your work place, in politics, in the industry, in marriage, in relationship. You must speak authoritatively every single day of your life because you are carrying the ultimate ruler Spirit inside of you. I read a testimony of a man of God who went for a crusade returned with his team to the hotel room. When he got to the hotel room and opened the door, they saw a fiery structure like a ghost, dark structure with massive frame roll out of the room. That experience was enough to instill fear in any common person but thank God, the man was not a common man. He was a child of the creator. He said to his team that they were not going to pray that night. We will wake everyone up tomorrow and no one will die. He said so to imply that the deadly creature had no right to determine for them when they should pray. He felt the creature would not have disappeared if it was strong enough. This testimony emboldened me. He is a man who was living in unity with the creator of the universe.

Talk authoritatively against contrary powers.

God wants you to pray with a rulership mindset. Prayer is a communication with your creator. It is reasoning with God. It is not merely asking God to do something. It is reasoning with Him. It is like going to a board room with God the Father, God the Son and God the Holy Spirit. You will then begin to reason how to recreate your world, how to create and invent new and glorious things, how to make discoveries out of the limitless resources in the sea, on the land, in the air and in the heavenlies.

CREATIVE LABOUR: The lion entrepreneur is a creative workaholic. You work rulership. You must be a creative worker. People like Strive Masiyiwa and the Wright brothers were and are workers. They worked until they became very impactful, relevant, wealthy, influential. As a lion entrepreneur, you have to work. The scripture says the lion does not turn from any animal, even if there is an animal that tries to fight the lion in the Savannah or the Jungle. You are a spiritual lion. You shouldn't turn from any circumstance or challenging situation. You have the dominion to rule in the earth. You have dominion over the circumstances of life. You can change things positively. You can change for good the situation, circumstance, outlook of people connected to you.

You can change the unpleasant life journey of many. Jonah in the Bible had an unpleasant experience when he tried to avoid God's instruction. But God, the Creator changed him.

I see you creating the circumstances and events that will cause many who are challenged to submit to your rulership, in the Name of JESUS.

4

THE LION POLITICIAN

I

came in contact with a young committed civil servant in one of the African nations who through diligence and integrity rose through the ranks to become the head of a

government department. He executed outstanding projects that earned him honors.

He also earned himself persecutions from his colleagues because through the ranks, he would not accept government money given to him as a gift. He believed that the money meant for projects was not to be distributed corruptly to the executive heads of the different departments.

On one occasion he was asked, if he did not want to become a millionaire? There are millionaires in the immigration sector, the electoral commission, in different departments of the government, the ministries and the corporate bodies. They asked him repeatedly if he did not want to become a millionaire.

This man however told them that he had made a vow to his God that not a dollar of government money will be in his personal account. On his retirement it was found that he had saved over one hundred million dollars to be used for another project, but he was forcibly retired because he was

not part of the corrupt system in that African nation. His successor then came into his position and the over one hundred million U.S dollars that this godly man had saved in that government department was shared to the different leaders in that department and the project that the godly man had planned for was abandoned.

I want you to know friend that if you are not accountable to God, you will plunder anyone or any nation or any government department. Be accountable to God.

The lion politician lives in daily communication with his Creator. The lion politician acknowledges that he is a caretaker of the limitless resources of God in the sea, on land and in the air. He has been given the responsibility to manage and maximize the resources of the world.

He does not own the resources of the world, so he wakes up every morning to communicate with his creator and that is what prayer is about. Prayer is not merely demanding something from God. It is not just asking God to do what you cannot do or what you can do.

Prayer is a communion session, a fellowship session where you communicate with your creator on how to exploit the limitless resources in the sea, in the air and on land because you have been given dominion over the creatures in the earth.

Prayer is participating in the board room of God and making discoveries of the secrets in the creation. It entails making discovery of the limitless resources that God had put in nature. It is exploiting the limitless opportunities that exist in our world. You are living inside the limitless God; you cannot be limited because what cannot limit the Creator cannot limit you. What cannot embarrass or frustrate the Creator cannot embarrass or frustrate you because you live in Him.

The Word declares that in Him “we live and move and have our being”. You are living and moving and existing in the Creator of the universe, in the Sun of righteousness, so you commune with him everyday. You live in the consciousness of the creator who has made you to be the under shepherd, to be the director, to be husband man of your family, your community, your nation.

The lion politician was seen in Daniel as found in the Bible. He reigned in the regimes of Nebuchadnezzar, Cyrus, Darius and Belshazzar. In all these governments, Daniel was known as a man of integrity. He was a politician. He was a prime minister in the kingdom of Babylon. He had seasons of communion

with his creator. He believed that he was representing the creator in government. He chose not to corrupt himself with the finances, the privileges, the positions in the kingdom because he had a daily communion with his creator. Daniel had a prayer habit of communing thrice everyday with his God.

Friends, we are living in a time that the Holy Spirit is now in every believer. You do not need three times or seven times or five times to commune with your creator, you can commune with your creator every single second of the minute and every single minute of the hour and every single hour of the day. You are a carrier of the Spirit of God, the Creator. You are the dwelling house of the Creator. You, as the lion politician, must create seasons to commune with your creator.

INNOVATION: *"Then Daniel was preferred above the president and princes, because an excellent spirit was in him; and the king thought to set him over the whole realm"* (Daniel 6:3). Daniel was innovative. Innovation means finding new ways of doing things. It is bringing beauty out of the common place. Innovation is the reason you are ordained to rule your world. The lion politician must be

innovative. To change your family, community, nation, the world positively, you have to be a man, a woman, a youth or a child that is innovative. Daniel stood out against the dominant corruption, societal decadence in Babylon. He refused to have a part in the decadence of the society. He fought against corruption. The lion politician must fight against the corruption in his family, in his home, in his community, in his office, in his place of work and in his nation. Fighting corruption comes with a price.

Many years ago, I was writing my senior school certificate examination. At that time I belonged to a group called Scripture Union in my school and we were living by the principles and the laws of the kingdom of God. We found out that the school had planned massive examination malpractices backed by some teachers in the school.

They were going to have the questions answered and the answers given to them to write out for the students taking the examination. It was an external

examination. We, members of the Scripture Union stood out and told the teachers that we were not going to participate.

We also reported them to the governing council called the West African Examination Council(WAEC) at that time. And there was a cost because the principal of our school found out that we accused the school to the governing examination body.

The principal found out also that I was among the students who took that action because I had signed on behalf of my friends. He decided to persecute me. He decided to deny me of the school's testimonial. The boys and girls in the school conspired to fight me. Friend, integrity comes with a price especially in a corrupt society or nation. As a lion politician you have to be ready for the persecution that will come. You

will be persecuted. The corrupt world cannot stand what you believe in. Therefore, they will fight against you. You must not be scared by the price you will have to pay. Everyone who stands for truth pays the price. Even the Truth himself, Christ Jesus paid the price. He lived out his name, the Truth. He sacrificed his life. He died, was buried but rose again on the third day, glorified by the Father and now He is alive forever. Hallelujah.

RUN ON A PLAN: *"Wisdom has built her house; she has hewn out her seven pillars"* -Proverbs 9:1.The lion politician will definitely triumph over all contrary circumstances and people because you have dominion built into you. You will dominate through the spirit of the lion inside of you which will give you wisdom, strategy, schemes and ideas to conquer and subdue all who are incensed against you.

You are a spiritual lion. You can effect changes on government, people and systems through the lion's spirit in you. God will give you ideas and wisdom to prevail against all who are against the prosperity of your nation, community, society, work place and family. The lion politician is a man or woman of plan and purpose. He or she does not merely think for the now. They think for the future. The lion politician believes that the future can be now.

I read of a Japanese multi-national company having a plan for the next one hundred years. The lion politician plans. Planning gives a road map of what you will achieve or where you are going.

A plan preempts the future; a plan causes you to seize the future. Can you imagine the fact of that Japanese company having a plan for the next one hundred years? A hundred years is a century. In otherwords, that company is seizing ten decades, a full century now because they have a plan for it.

The lion politician plans for his community, family, nation and government. The lion politician wants to leave his footprints on the sands of time. He wants to impact generations yet unborn. He is not living for the now. He is not living to enrich himself and his family. He is not living to corruptly divert the wealth of the nation, community, government departments to his own account (foreign or local). The lion politician has a plan to develop the resources of the nation, to develop the human capital, the natural resources and the material resources of his nation. Planning causes the lion politician to destroy failure.

He works continuously toward success. He has the attitude of a winner. Attitude determines altitude. Attitude is the way of thinking, feeling, that man sustains and lives by, the circumstances and challenges notwithstanding. His vision and purpose are what determines his response, feeling, action, not his external experiences. You must maintain the attitude of a winner. You must have the love driven mindset that you will win the battle, race and contest beyond merely being a participant in it.

MAKE A DIFFERENCE

You are in government to build the government, to transform and make a positive difference in the government, in the business world, to create what has never being and bring it into existence. You are living to be a blessing, and to bless a great number of people in your world. You retain the winning attitude; you maintain the mentality of an achiever. You can overcome. You can fulfill your dream. You can accomplish your assignment. You will become a pride to your nation, your community, your family and environment. The lion politician is love driven. Unconditional love, unselfish love is what he executes. He puts

priority on the people he is called to serve in the political, business and academic world. He is always love driven. The Bible says in Romans 5:5 *"That God's love is shared abroad in our hearts by the Holy Spirit He has given to us"*.

Just as God was love driven according to John3:16 which says; *"For God so loved the world that he gave his only begotten Son that whosoever believes in him should not perish but have everlasting life"*. The lion politician is also love driven. His love for the people, community, and nation causes him to be sacrificial.

You sacrifice your time, your resources and your relationship for the prosperity of the greatest number of people in your world because you are love driven. You make the people you serve your priority and not yourself. Accolades, honors, rewards are not what drives you. Your desire to re-organize things for the betterment of the people, community, nation you are called to serve is what drives, inspires and motivates you.

BORN A LION

T

he Turkish people believe that there is a lion in every human being and that agrees with the Word of GOD that every believer is created to be a mobile lion on

the face of the earth. The reason is because when you made Jesus the Lord and Savior of your life, you receive the Lion of the tribe of Judah into your life. Revelation 5:5; *"And one of the elders said to me weep not: behold the Lion of the tribe of Judah, the Root of David has prevailed to open the book and to loose the seven seals thereof"*.

Wherever the Lion of the tribe of Judah is, weeping ceases, mourning ends. No more crying, no more weeping. He said the Lion of the tribe of Judah has prevailed. When you receive Jesus as Savior you receive the prevailer, the one who prevails regardless of the circumstances of life.

Many people don't realize when they make Jesus there Lord and Savior of their life that they receive the Lion of the tribe of Judah. He is the one you are carrying, you are no more ordinary. You are carrying the one who prevails. You are carrying the one who took the keys of hell and death. Revelation 1:18 says; *"I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the key of hell and death."*

You are carrying the one who has conquered the world and He has the keys of hell and death. You are not just a believer, you are carrying the lion inside you, the Lion of the tribe of Judah. You have become the house of the Lion. First Corinthians 3:16; *"What, don't you know that you are the temple of GOD, and that the Spirit of GOD dwells in you?"* Don't you know that you have become the mobile house of GOD upon the face of the earth? You are no more ordinary. Alleluia. You are carrying the Lion of the tribe of Judah, the one who opens and no man can shut, the one who shuts and no man can open.

God wants you to become so sure that you are carrying the Lion of the tribe of Judah inside you. Many in the body of Christ don't have the confidence that the people in the world have in themselves.

I remember many years ago, one young student in the secondary school told the teacher not to beat him, why? He said “if you touch me I am going to deal with you.” It was discovered that this young person was a wizard. He was so confident of what he carried. He was so conscious of what he carried. God wants you to be conscious of what you are carrying; you are carrying the strength of God, the everlasting Father, the Prince of peace. You carry the Resurrection and the Life, he has the keys of David, he opens any door, he can shut any door.

God wants you to be conscious of Him. How do I make the Lion of Judah inside me to become real in my world? The doctors tell us; You are what you eat. The difference between the eagle bird and the vulture diet is that the eagle eats fresh animal while the vulture eats dead animals. The lion will never eat a dead animal, the lion eats only living animals, living creatures. Fresh food is what makes the lion to be the lion. If you are going to live as a lion in this world you must eat fresh food, and what is the food of the spirit? The word of GOD is the food of the spirit.

Your spirit will be starved if you turn down the Word of God in your life. That means you are going to read the Word, it doesn't matter if its two verses of the Bible, because that is your food. You must study the Word, you must create time to study the Word, you may not be able to do that everyday but you must study the Word every week because in studying the word you have to go from chapter to chapter, or book to book.

You must study the Word; you can study on marriage, finances, dominion over the powers of darkness. That is study. In reading of the Bible you could just read maybe three verses everyday. You should meditate on the word that you read everyday, you must meditate on the word as you go to the business center, as you go to the board-room, to fly your plane as a pilot.

Your mind must be thinking on what you read or what you studied. That is meditation because you want the lion inside you to be refilled. I met a Pastor some years ago. He came kneeling down before me. I went to preach in his well built Church. After my ministration he took me to his office locked the office

and knelt down. He said I should pray for him. He said he does not read the Bible unless he wants to go and preach on Wednesday. He only studied on Saturday on what he will preach on Sunday. That he was sleeping with one of the church members.

Reading the Word is everyday. Meditate on it everyday and study every week because your food will determine what you will become. I shared a testimony one time; one of the missionaries in the north told us that a woman who does not understand English had read the Hausa Bible that year more than twice from Genesis to Revelation. So you don't have an excuse: there are many Bible translations into different languages of the world. Choose your language and be soaked in the LIVING WORD OF GOD.

WHAT WILL THE SPIRITUAL FOOD DO:

DEPTH: Only the Word of GOD gives you depth. The treasures of the world are found in the deep. The oil wells that made nations great, is found in the deep. The engineers have to reach into the depth of the earth to get that wealth out. The Bible says; deep calls to the deep. The wealth of GOD, the riches of GOD is in the depth. You are going to have depth in GOD the more you spend time with the Word, the more time you meditate on the Word.

Why is it that when some people are asked after service what was the message pastor preached? They say; wonderful, powerful. “What was the message?”: They can't remember because they don't meditate on the Word. Do you know that there is nobody who doesn't think about making money, why won't you think about life? The Bible says; *"The word that I speak to you, they are spirit and they are life."* -John 6:63. This is the life of GOD. I see you reaching to the depth of GOD, I see you reaching to the treasures of GOD in the name of Jesus. Amen.

The treasures are in the depth, that is why he asked the disciples: Who am I? The disciples replied some people said you are the prophet, some said you are the apostle. But Peter said you are the Son of GOD. He told Peter: this is revelation. My father revealed this to you Peter. Therefore on this revelation I will build my church and the gates of hell cannot prevail against the church. The lion dwells in you.
When you walk and live in this consciousness, I tell you friend, no power can

prevail against you, no power in the world can stop you because he said I will build my church and the gates of hell cannot prevail against the church. That is the reason you need to spend time with your Bible if the power of the lion in you is to be released because this is the food of the spirit.

DOMINION: The Word of GOD is what guarantees your dominion in life. “Let us make man in our own image and after our likeness and let him have dominion over the fish of the sea (sea power), over the birds of the air (air power) and over cattle and everything that creeps on the surface of the earth (land power). He gave man dominion by His Word, his spoken word in Genesis 1:26. You can't live in dominion if you don't have Word of GOD in your life. To have dominion and to walk in dominion you have to create time everyday to read the bible, to study the bible every week and to meditate daily on the word of GOD, to think about the word of GOD.

The Word guarantees your dominion over land, dominion over air, dominion over the sea. A woman was inside a plane with her husband, the woman was not a pastor, not an elder. Then pilot said the plane had lost its engines and the plane was dropping from the sky. I watched this woman giving her testimony and I was challenged. The woman brought out her Bible in the airplane while people were crying calling on their gods. She stood on the Bible with her two legs and inside the airplane she said: I defy death by the Word of GOD, I and my husband will live and not die and declare the works of the Lord.

That plane with the two engines revived by the faith of this woman and that plane landed safely. The Word of GOD gives you dominion because man was created for dominion: Dominion in the business world, dominion in your marriage, dominion in your academics, dominion in your relationship. The Word dominion means you have dominating influence, you have a dominating power, you have the last word in the circumstances of life.

DECORATION: The word of GOD decorates lives. The Word of GOD decorates your life, the word of GOD beautifies your life. That is why the psalmist says you are wonderfully and fearfully made. You are wonderfully created. You are a creature of beauty. The more you read the word of God, the more you study the word of God, the more you meditate on the Word, the more you listen to the Word determines how well your life will be decorated.

Faith comes by hearing and hearing by the word of God. You hear the Word, you read the Word in books you are studying, what happens then is that your life will be decorated. The lion in you will come out because you are carrying the Lion of the tribe of Judah inside you. I see somebody that will be honored. I see somebody God is going to decorate in life. He will decorate your business, and marriage in the name of Jesus because HIS word cannot fail. For the Word to fail, God has to fail. God said I have exalted my Word above my name. The Word of God will decorate your life.

DESIGN: The Word of God designs your future. The Word of God is a designer. He will design your future. The Word of God can redesign your future. If you were to be a nobody, the Word of God can make you somebody. The Word of God has exalted you and lifted you up. The Word of God can redesign your purpose in life and redesign your destiny. That is why God said I have exalted My WORD above My Name. I see the Word of God designing a future for you. The economy will not decide your future. Poverty will not decide your future. The Word of God is the decider and designer of your future. Egypt wanted the children of Israel to be slaves forever, they made them to be slaves for over four hundred years. The Word of God destroyed the bad destiny that men were putting on them and redesigned their future.

The Word of God can redesign your economic future. You are not to be the victim of the madness of those who are handling our economy, those who want the naira to be one thousand naira to one dollar. In the midst of that economy chaos, in the midst of that economy problem, in the midst of that economic difficulties, the Word of God can redesign the economic future for you. He did it for the children of Israel. They did not leave Egypt empty handed. They left Egypt with gold and silver that they used in building the tabernacle in the wilderness. They spoiled the Egyptians!

DESTROYS THE OPPOSITION: The Word of God destroys the opposition. It is the Word of God that destroys the cult, the wizards, the killers, the kidnappers: They can't survive the Word of God because he said; he sent His Word, the Word healed them and delivered them from their destructions. The Word of God is a deliverer. Do you know the reason why the Word of God is a deliverer? *"In the beginning was the Word and the Word was with God and the Word was God"* John 1:1.

The Word of God is God, the one who is the Word is Jesus Christ. Jesus Christ is the Word of God. Colossians 2:15; *“And having spoiled principalities and powers, he made a show of them openly, triumphing over them in it."* He spoiled principalities and powers with His own blood. He spoils the witches and the wizard, the familiar Spirit, the water spirit, the mermaid spirit. He spoiled them according to Colossians 2:15. He made an open show of them, he disgraced them. He is the Word of God Almighty. He created the world. In Genesis the Bible said that the earth was void, darkness was upon the surface of the deep and the Spirit of God began to move upon the face of the waters.

Did you know He was using Jesus to create the world? 'and God said' because Jesus is the Word of God. The Word of God destroys every opposition. I have seen witches destroyed, I have seen the cult destroyed. We have some testimonies on the power of the Word: someone shared that her dead sister used to come to her. We prayed she never saw her dead sister again and we told the dead sister “don't ever come back” by the Word.

The Bible says; He was given Him a name above all names that at the name of Jesus every knee must bow and every tongue confess that Jesus Christ is Lord to the glory of God the Father. The Word destroys every opposition. Whoever says you will not rest is destroyed in the name of Jesus, Amen.

There was gross darkness all over the world. Michael Faraday thought, imagined, experimented and worked creatively. He discovered electromagnetics and the generator. He made a discovery that led to the creation of electric motor. He and other scientists lighted our world with electricity.

You can change your world.

The Wright Brothers – Orville and Wilbur Wright – were two sons of a pastor. They were bicycle repairers. They had no university degrees. They were not engineers. They imagined possibilities out of impossibilities. They planned, they acted. The world of engineering graduates and professors of engineering mocked them.

Yet, they invented the first airplane that successfully flew in the air in 1903. You can change your world.

Daniel, a statesman, politician and prime minister in Babylon was relevant in the political government of Nebuchadnezzar,

Cyrus, Darius and Belshazzar. He was known for financial integrity, political wisdom and creative hand-work.

Though in a foreign country, he shone gloriously above the wisest of the country's indigenes. He triumphed above the persecutions arrowed against his integrity and worship of Jehovah GOD.

You can crush all oppositions of governmental corruption in your own nation. There is limitless wisdom in the HOLY ONE who indwells you. You can be empowered to dominate contrary circumstances, change evil governmental policies, initiate progressive electoral laws and create a corruption free nation.

You can revolutionize the educational system of your nation. Legislative laws can be made through your dogged fight to create a new educational system in your nation. You can change the political mentality of your people from poverty to prosperity. Poverty mindset stalls development, destroys integrity, crushes creativity and emotional stability, and exalts immorality and internet prostitution. You can change your world. You can create your own business, craft and trade. You can turn a government job into a lifting, prosperous daily service to the people of your nation.

You can change yourself, your family, your nation, the world. Daily discover your life, integrity, communication, dominion, relationship and creativity from THE LIVING WORD OF GOD.
