Bitget KOC BD recruitment

Bitget KOC BD recruitment

Purpose

To form a team similar to the Binance Angels where each KOC has their own influence, and improve the popularity and reputation of Bitget KOCs among Latin American users.

Objectives

1. **Penetration:** Engage with a variety of communities on Telegram, WhatsApp, and other social media to develop Bitget community builders from community members while expanding the reach of Bitget promotions to more chat groups. Gradually develop more builders starting from chat groups or personal social media accounts.

2. **Influence:** Increase the individual influence of KOCs to expand community reach for cooperation and the wider spread of information.

3. **Personal account management:** Create individual accounts on social media platforms such as Twitter (for example, https://twitter.com/BNBVIP9).

Put **Bitget KOC** on your profile.

Perks:

1. Monthly base rewards **(200 USDT per month).**

2. Monthly bonuses based on your contribution $50-$200

3. Close contact with the Bitget team Get first-hand data and promotion information from Bitget.

4. One-on-one customer support and special value attached to your suggestions.

Duties of a KOC BD

1. Bring 15 new KOCs on board each month (failure to meet the requirement will result in a proportional deduction of your base rewards)

1. Promotion work

   S- and A-level Bitget promotions are mandatory, and B-level promotions are optional.

   The promotion work includes 3 tasks:

   1. Share the promotion from Bitget to your chat groups or communities.

   2. Maintain a community of onboarded KOCs to share promotions and answer questions about Bitget.

   3. Keep track of the public opinion and provide feedback and guidance.

   *After completing your day-to-day promotion work, record your workload in the spreadsheet: ****

KOC BD Assessment

1. KOC BDs who perform the above duties will receive a base reward **(200 USDT per month)**. Those who maintain excellent performance throughout a quarter will have the opportunity to be promoted to Bitget Global Community Ambassador, which means recognition from the Bitget Team, community recognition, and other perks and rewards.

2. Any words or actions that could harm Bitget's image are strictly forbidden. Do not talk about other exchanges in Bitget group chats. For the first violation, you will not receive any bonus for the month and your base reward will be slashed by 30 USDT. If you violate this rule again, you will be removed from the Bitget KOC BD team.

3. KOCs recruited by a BD will be considered invalid if they **do not generate any trading volume within 14 days** after onboarding.

Notes

1. If you do not engage in any promotion work for two consecutive weeks or your monthly completion rate is less than 30%, you will be considered to have resigned from the program.

2. If a BD needs to take leave for special reasons, they should communicate with Bitget in advance.

3. If a BD's words or actions damage the interests of Bitget, we have the right to end the partnership.

Application form:

1. Your Bitget user ID
2. Your Telegram account
3. Your email address
4. Do you have any experience as a crypto BD?
5. Are you proficient in English?
