CHAPTER ONE

LORD BEHOLD THEIR THREATENING

Threats form an integral part of the weapons used by the enemy to fight against God's people. The devil has continued to cheat a lot of people, using the strategy of evil threats.

In Acts 4, the apostles were pushed around. They were warned not to preach in the name of Jesus and then in verse 29, they started praying,

> *And now, Lord, behold their threatenings and grant unto thy servant, that with all boldness they may speak thy word.* **Acts 4:29**

I had a visitor sometime ago who told me that she had been born again for 33 years, but recently she met a member of The Mountain of Fire and Miracles Ministries, who started praying 'with her. And from the time she started praying with her, it was as if she was not born again at all. She said the kind of prayer points that the sister was calling were strange to her, although she had been born again for 33 years.

A GOOD REPORT

Despite the fact that the prayer points were strange, she prayed them and she was getting results instantly. For the first time, her life never remained the same. According to her, this sister who prayed with her did not seem to recognise that there was something called fear. "When you say that something is big and terrible, she just moved in and demolished it with prayer."

She said that several weeks back, somebody fired an arrow at her and one of her hands and leg were getting paralysed. The sister just came with anointing oil, applied it on her, and everything disappeared. She said she asked the sister if she

was a pastor and she said she was only an ordinary member.

Then she said to the sister, "If you, an ordinary member, can be this good, I must come and see your pastor." This is the kind of testimony that encourages us. Not those who would say, "When my husband was talking rubbish, I just gave him a terrible slap and later, I asked the Lord to forgive me." My prayer is that you too, will be a good example and your life will record testimonies. Any power militating against a true child of God is looking for problems. Such a power wants to sink in the Red Sea, after the order of Pharaoh. It is also seeking to be destroyed by God's anger, after the order of Senacherb.

One angel defeated 185,000 people. I am very sure that nobody has up to 185,000 enemies. Any power militating against a true child of God, is seeking to fight and oppose itself. It is seeking to receive the stones of fire, after the order of Goliath. Any power militating against a true child of God, is seeking to be substituted in the evil that he is doing. Such a power wants to receive what we call divine hail stones.

Any power militating against a true child of God is looking for, compulsory and forceful burial, after the order of Korah, Dathan and Abiram. It is seeking Lo be eaten up by worms, after the order of Herod and to be pursued by terrifying noises, after the order of the Syrians.

Few months ago, I heard another testimony that gladdened my heart. The testimony was that, the co-tenants of one of our members came to report him. What did he do? They said since this brother moved into their compound, the whole place was always hot at night. Apart from that, the wife of one of them, who used to attend witchcraft meetings to assist him, could no longer attend because the brother had blocked her way. Then I said, "Since you can see that this man is praying and because he is praying, he has blocked the journey of the woman, why don't you seek to get the kind of power that he has? They said, "We are just appealing to you, we would not mind refunding the rent he has paid; but he should leave."

This testimony is good, for a change. That is how it should be; the wicked should run when they see a Christian. They are the ones who should be having the problems, not the believers. Not the kind of testimony where somebody comes and says, "Please, pray on these prayer requests for me, sir, My cotenant, the man on the first floor, is a witch doctor, the other one a witch, and they are

harassing me at night." This one was different; he was the one harassing the co-tenants. Take the following prayer points with holy anger:

1. Every witch living in my surrounding, receive the stones of fire, in the name of Jesus.
2. Any evil vessel conveying my information to the evil world, be paralysed now, in the name of Jesus.

What is the principle of praying to get results?
There are many examples in the Bible, of those who prayed and got results instantly. For us to understand the principles of praying to get results, we shall study the prayer points of some people, who prayed and received instant answers in the Bible. There are many examples but we will look at three.

1. MOSES

In Numbers 16, Korah, Dathan and Abiram offended God by offending his servant, and in verses 28-33, that servant of God began to pray:

And Moses said, Hereby ye shall know that the Lord hath sent me to do all these works; for I have not done them of mine own mind. If these men die the common death of all men, or if they be visited after the visitation of all men; then the Lord hath not sent me. but if the Lord make a new thing, and the earth open her mouth, and swallow them up, with all that appertain unto them, and they go down quick into the pit; then ye shall understand that these men have provoked the lord. And it came to pass, as he had made an end of speaking all these words, that the ground clave as under that was under them: And the earth opened her mouth, and swallowed them them up, and their houses, and all the men that appertained unto Korah, and all their goods. They, and all that appertained to them, went down alive into the pit, and the earth closed upon them: and they perished from among the congregation. **Numbers 16:28-33**.

2. ELIJAH

And it came to pass at the time of the offering of the evening sacrifice, that Elijah the prophet came near, and said, Lord God of Abraham, Isaac and of Israel, let it be known this day that thou art God in Israel, and that I am thy servant, and that I have done all these things at thy word. Hear me, O LORD, hear me, that this people may know that thou art the Lord God, and that thou hast turned their heart back again. Then the fire of the Lord fell, and consumed the burnt sacrifice, and the wood, and the stones, and the dust, and licked up the water that was in the trench. And when all the people saw it, they fell on their faces: and they said, The Lord, he is the God; the LORD, he is the God. **1 Kings 18:36-39**.

The man prayed a prayer point of about 60 words and instantly, things began to happen. Compare his wordings with the wording of the prayer of Moses.

3. THE APOSTLES

In Acts 4, the apostles were beaten up and were told not to preach in the name of Jesus. They were threatened that if they continued to preach in that name, they would be killed.

And being let go, they went to their own company, and reported all that the chief priests and elders had said unto them. and when they heard that, they lifted up their voice to God with one accord, and said, Lord, thou art God, which hast made heaven, and said earth, and the sea, and all that in them is: Who by the mouth of thy servant David hast said, why did the heathen rage, and the people imagine rain things? The kings of the earth stood up, and the rulers were gathered together against the Lord, and against his Christ. **Acts 4:23-27**

And now, Lord, behold their threatenings: and grant unto thy servants, that with all boldness they may speak thy word, By stretching forth thine hand to heal; and that signs and wonders may be done by the name of thy holy child Jesus. And when they had prayed, the place was shaken where they were assembled together; and they were all filled with the Holy Ghost, and they spake the word of God with boldness. **Acts 4:29-31**

What are the characteristics of these passages?

1. **A petition was filed to God.** The Bible says, "Plead your cause before the Almighty."
2. **The troublers of Israel were reported directly to God, as if God had not seen them.** We too should form that kind of habit. Talk to God as a friend. When you wake up in the morning and don't like the kind of dreams you had, you can sit down and say: "Father, when I slept last night, I had so and so dream. I don't understand what this means, explain it to me and teach me what to do."
   Report the case to God, as if He did not know about the dream.
3. **A war was declared against the opposing forces**.
4. I**nstant divine intervention was requested.** That is, eyen if God is not going to give you the cash now; you can at least go with the cheque. That is a good way to start with.
5. **They prayed from the bottom of their hearts.** There is a difference between surface prayer and deep prayer. Whenever prayer comes from the bottom of the heart, it yields results.
6. **There was instant faith and holy expectancy.**
7. **They prayed using the standard of somebody who is divinely dissatisfied**. You have to declare today too that you are divinely dissatisfied with your unfavourable situation.
8. **They asked for divine judgment against opposition.**
9. **They made an urgent request for the display of the supernatural.**
10. **Signs and wonders were expressly requested.**

Having looked at the major characteristics of these three passages, let us consider the prayer points. I was not there, but from what I can see in the word of God, I have an idea of the kind of prayer points they prayed. They must have prayed the kind of prayer points we sometimes pray, for example, "Let God be God in my Red Sea situation." When you check what Moses, Elijah and the apostles said: "Let it be known that I do this thing, because you sent me; therefore, let it be known, that thou art God."

PRAYER POINTS

They might have also prayed:

1. Let it be known that you are God in every department of my life. Or,
2. Lord, do a new thing to my enemies that will permanently destroy their powers.
   God did a new thing to Korah, Dathan and Abiram. They broke record. They were the first men to go to hell fire without dying.

They must have prayed like this:

3. O Lord, utilise uncommon techniques to disgrace my opposition. They must have said:
4. Let the earth open up and swallow every stubborn pursuer.
5. O Lord, God of Abraham, God of Isaac, God of Jacob, manifest yourself in your power.
6. O Lord, answer mc by fire and roast every single stronghold.
7. Every power challenging your power in my life, be disgraced.
8. Let every rage of the enemy be quenched, in the name of Jesus.
9. Let every evil imagination fashioned against me, be frustrated and disgraced.
10. Let every satanic plan that concerns my life be rendered a failure.
11. Every evil ruler assembled against me, be scattered unto desolation.
12. O Lord, behold these powers threatening me.
13. O Lord, give me divine boldness to disgrace my oppressor.
14. O Lord, stretch out your mighty hand to perform signs and wonders in my life.

These are examples of the kind of prayers they prayed and had instant results.

Many of us whether we like it or not; have arrived at our Red Sea situations. Some got there very early in life; some have just arrived, while some have just started to hear the sound of Pharaoh running after them.

TRAUMATIC EXPERIENCES

A woman came to me, broke down and cried saying: This is disgusting. If I had known that Nigeria was like this, I would have kept my husband in England. Immediately, we got here. he just forgot us and started running after other women, who he brings to the house and they take anything they like and go away. The first time I tried to challenge them, three of them beat me up. O, what kind of thing is this!"

Then I said, "Well, if you want to cry, I give you one week to do that and when you finish, you can come back." She said, "I have stopped, sir." I told her so because prayer and crying do not work together. You may only cry for your sins, that is fine.

> *Thus the Lord saved Israel That day out of the hands of the Egyptians; and Israel saw the Egyptians dead upon the sea shore.* Exodus 14:30.

THE MINUS

That was the end of that contest. The Egyptians sank like lead. in the Red Sea. A sister came all the way from Ijebu-Ode, for the Anointing Service. She brought her boy, who was five or six years old. The boy had never talked. At his young age, he had arrived at the Red Sea. It is like when you go for an examination and immediately you get to the door of the examination hall, the examiner asks you to bring your answer sheet and you give it to him. You have not even answered any question and he says. "Minus 50!"

A lot of people are like that. Their enemies start with them from the womb; he has removed 50 marks from 100, before they even became adults. That was the case of that boy. At the anointing service, there was a word of knowledge that somebody who could not speak would speak. After the service, the mother gave him the anointing oil and they travelled back to Ijebu-ode. They both slept and suddenly, the woman started to hear, "Amen, Amen, Amen!"

A MIRACLE!

And by the time she looked up, it was her boy making the sound. The first sound he produced in five to six years was, Amen! That was how he started to talk. Many people are at present, camping by the Red Sea. They were moving

forward only to find that they could not move further. They have arrived at the Red Seal Things were moving smoothly and suddenly the smoothness fades out. Heaven became brass; the coloured prophets began to make money out of them, while the herbalists started using their money to build their own houses.

A man told me that one prophet told him to sell his big house at Allen Avenue, Ikeja, Lagos for N3 million, a house he spent N11.5 million to build. This prophet told him to sell it and use the money to work for Jesus. He sold it but, the prophet collected the all the money and went away. That was the only house he had. The door of escape for some people is getting farther and farther, that is their Red Sea. The joyful morning of some is bringing in fearful nights now and the nice flower in the hands of some people is being buried.

THE LORD SHALL FIGHT

A boy used to fail all examinations. He failed the School Certificate exam several times, every year he had F9 in all subjects. There was a particular year he did not enter for the examination, yet the W.A.E.C. sent him a result of failure. It was that bad. What am I trying to say? He was barricaded on every side. Some people are under hot pursuit, by evil powers and by forces with evil rage. They are in a Red Sea situation. Perhaps, you too have been hearing the battle cry of the enemy; the battle cry of witches and wizards, sounding right there in your ears. I have news for you now: The Lord shall fight for you.

Jesus has all the strength and victory. All creatures, which are living now, which have lived and which shall be, are less than the smallest dust before the power of Jesus. When the Israelites were being pursued, they could not fight. They had no army, no chariots, no horses and no trained soldiers. Everything seemed to be working in favour of Pharaoh, until something happened. A voice spoke from heaven and immediately that was the end of the contest.

The Lord said, "Speak unto the children of Israel that they go forth." Then Pharaoh learnt a big lesson: that man is nothing. He even learnt a second lesson: that God can use the instrument that saves His children, to destroy others. That was what He did with the Red Sea; the Israelites passed through and the same Red Sea swallowed the Egyptians. All their tests and preaching did not work as far as God was concerned.

Therefore, beloved, I want you to close your eyes and pray with holy madness like this: "Let impossibility be disgraced before me today, in the name of Jesus."

I want to apply a parable in Matthew 22. There was a feast and something happened there.

> *And when the king came in to see the guest, he saw there a man which had not on a wedding garment: And he saith unto him, Friend, How camest thou in hither not having a wedding garment? And he was speechless. Then said the king to the servants, Bind him hand and foot, and lake him away, and cast him into Outer darkness; There shall be weeping and gnashing of teeth.* **Matthew 22:11-13**.

THE ASSAULT

Notice certain points about that parable: A king invited people to his feast, he did not force people to attend, but there was an enemy at the feast. Every enemy at the feast of your life shall be disgraced today, in the name of Jesus. The criminal walked in and the executioners of the firing squad quickly removed him. It is interesting that the members of the firing squad were also present at the feast. Whenever God is doing something good in people's lives, some unworthy forces try to attack them. Whenever God is doing something great in your life, some members from the camp of the enemy will attend the meeting. No matter how good your spirit system is, they creep in unawares.

God wants to use good materials, if a person then decides to be a useless material, he will have himself to blame. People should understand that just as this man went from the wedding feast to hell fire, the same thing happened to Korah, Dathan and Abiram. The feast is what God is doing in your life, the king is Jesus. Those guests without the wedding garments are the enemies that have come in, satanic agents. All such agents shall be paralysed now, in the name of Jesus. This is why God calls His people the apple of His eye, the delight of His eye and the joy of His eye.

Make this declaration: "Evil powers might be drinking other people's blood and wasting their lives, my case is different. Every power designing shame and embarrassment for me, be paralysed, in the name of Jesus. Any power that says I should eat sand, should eat sand, in the name of Jesus."

THE GOD OF THE SAINTS

All those who have been harassing the children of God are probably not reading their Bibles. They have not read about Pharaoh, Haman, or those who threw Daniel into the lions' den. The big truth is that, there is no one who has battled against the saints, who was not ruined by the God of the saints.

Check it out. Those who fought against Daniel were ruined by the God of Daniel. Those who fought against the Israelites, including Pharaoh, were ruined by their God. An angel gave Herod a little slap, not a big one, because if he had given him a big one, that would have roasted him. In fact, we need to ask for angelic assistance today, because when God sends His angels; they can slap our enemies, block their transport routes, invite special fire upon them, attack them with the sword, or give them the last warning.

Angels too can issue curses; they can stretch out their hands and destroy, they can chase or persecute. That is why you see the Psalmist praying: "Let the angels of God pursue them. Let them have no rest day and night."

At this juncture, I would like you to pray like this: "Let the angel of God pursue and persecute all the enemies of my soul, in Jesus' name."

PRAYER POINTS

1. Let God be God in all my situations, in the name of Jesus.
2. Lord, let it be known that you are God, in the name of Jesus.
3. Lord, do a new thing to my enemy, in the name of Jesus.
4. Let the earth open up and swallow every stubborn pursuer, in the name of Jesus.
5. Lord God of Abraham, Isaac and Jacob, manifest yourself in your power, in the name of Jesus.
6. Lord God of Elijah, answer my prayers by fire, in the name of Jesus.
7. Every power challenging divine power in my life, be disgraced now, in the name of Jesus.
8. Every satanic plan against my life, be rendered impotent, in the name of

Jesus.

9. Every evil power assembled against me, be scattered unto desolation. in the name of Jesus.
10. Lord, behold the threatening of my enemies and silence them, in the name of Jesus.
11. I shall laugh last, in the name of Jesus.
12. Lord, let my prayer letter, arouse your signs and wonders, in the name of Jesus.
13. Every rage of the enemy, be quenched, in the name of Jesus.

CHAPTER TWO

PRAYER AS A MILITARY STRATEGY

> *Now Amalek came and fought with Israel in Rephidim and Moses said to Joshna, Choose us out some men, and go out and fight with Amalek. Tomorrow I will stand on top of the hill with the rod of God in my hand. So Joshna did as Moses said to him and fought with Amalek. And Moses, Aaron and Hur went up to the top of the hill. And so it was, when Moses held up his hand, that Israel prevailed, and when he let down his hand, Amalek prevailed. But Moses hands became heavy, so they look a stone and put it under him, and he sat thereon; And Aaron and Hur stayed up his hands, the one on the one side and the other on the other side, and his hands were steady until the going down of the sun. So Joshua discomfited Amalek and his people with the edge of the sword. Then the Lord said to Moses, write this for a memorial in the book and recount it in the hearing, of Joshua that I will blot out the remembrance of Amalek from under heaven. And Moses built an altar and called its name; JEHOVAH NISSI, (meaning, THE LORD IS MY BANNER). For he said, because the Lord has sworn, the Lord will have war with Amalek from generation to generation.* **Exodus 17:8-16.**

There was a battle between the Amalekites and the Israelites. The physical battle was going on down the hill, but Moses knew that before you could get anything to work in the physical, it would first of all work in the spiritual. So. he fought spiritually. As he prayed, the battle came in favour of the Israelites, but anytime his hands were weak, the Amalekites prevailed against the Israelites. Beloved, prayer is an unnatural activity. It is not a wonder that the largest church in the world was built on prayer and has somewhere been called "Prayer Mountain," where people are taken by buses, in their thousands, to avail themselves of the blessings and power that flow from prayer.

THE FLOW

Many people do not really know much about prayer, before they practise praying. But the truth is that God's power can only flow to people who pray and pray aright. The Bible says, "The Lord is a man of war and the LORD is His name." So, our Commander-in-Chief is a warrior and a fighter. Prayer is an important part of that war.

If we look at this story again, we can see that Moses prayed while Joshua fought. And he had to keep his hands stretched to heaven in prayer, if he must open the door for God's supernatural intervention. He discovered that God's prevailing power is released through prayer and that this power is released into the lives of those who pray. It would be hard for God to release His power into your life, if you do not take praying as a serious business. Prayerless people cut themselves off from God's prevailing power. They are overwhelmed, over run, beaten down, pushed around and defeated by the enemy.

THE ANGEL

Immediately Moses could make the connection between prayer and God's power, his prayers began to yield results at the battle. Jesus said, "Men ought always to pray, and not faint "He did not say, "Men ought always to sing," or "Men ought always to preach."

There is nothing too great, too hard or too difficult that prayer cannot do. It has obtained things that seemed out of reach. It has won victories over fire, water and even death. It was prayer that parted the Red Sea, So shall your Red Sea part today, in Jesus' name. Prayer brought water out from the rock and bread from heaven. What does that mean? It means that your impossible situations can become possible through prayers.

A long time ago, at one of our business meetings, I shared the testimony of a man who was a prayer warrior. He would come to the church and pray his heart out, but he was poor and people were laughing at him. When contributions were to be made to buy certain things, this prayer warrior would not be able to make any. Many times he actually suffered open ridicule from some brethren. When he got discouraged, he sat at home, but the church people did not know that it was his prayer that God respected most. Immediately he walked out on the church,

problems started. The city council brought a letter that the church should be moved, because a road was to be constructed there. Quickly, they called a prayer meeting and started praying to God so that the council would change its mind. During the prayer meeting, there was a word of prophecy: "You people have chased the angel out of this place; you better go and look for him."

Eventually, somebody was sent to that man's house to beg him to come back to the church. When he came back and they prayed together, to the glory of God, another letter came from the council, stating that there was a mistake by one of their engineers and that the road would not pass through the church. This was a clear demonstration of the power of prayer.

This man kept coming and God was always saying to him, "I am going to make you a millionaire without you raising a finger." But he did not understand. One day, as he finished his prayer, the Lord said, "Go to the Bar Beach now." And as a good prayer warrior, he just obeyed the Lord, praying on the way. When he got to the Bar Beach, he saw a corked bottle floating on the river. Eventually, the wave of the sea brought the bottle ashore. He ran there, picked it and saw that there was apiece of paper looking like a cheque leaflet inside it. He opened the bottle, forced the paper out and road it.

THE MIRACLE

There was one rich man somewhere in America, who was very rich but never married and had no child. Before he died, he left a will in which he instructed that half of his wealth should be given to his dog and the other half to anybody that could find that bottle and what was in it. That was what this man found! So, the man who could not afford to come to church by bus became somebody who they came to fetch with an airplane, all the way from America.

Prayer can turn a person's situation around. It made the sun to stand still, meaning that the enemy will not be able to introduce darkness that will hinder your breakthrough, and the sun shall stand still until victory is yours. Prayer brings fire from the sky, and so shall help come to you from above, in Jesus' name. Prayer turned the counsel of Ahitophel into foolishness. So shall every evil counsel against you be turned to foolishness, in Jesus' name? I know that all my Ahitophels shall receive confusion, in Jesus' name.

THE POWER OF PRAYER

It was prayer that overthrew the army of Senacherib, when it encamped against the children of God. After prayer, the Lord sent just one angel, and that single angel destroyed 185,000 soldiers, encamping against few people. So shall all encamping enemies be put to shame, in Jesus name.

You may wonder. Can a person have up to 185,000 enemies? Oh yes. There was one man in the Bible who had 6,000 demons living inside him and he was still moving about. Some black people have more than that number and they are still drinking beer on the streets. Sometimes you wonder how someone can drink a whole carton of beer; he is not the one drinking it.

A white man friend of mine used to say, "The child of many prayers can never perish," A lot of people wonder why they pray but still have attacks. The Bible says, "Pray without ceasing." It means that if you cease, something bad will happen, because we have a ceascless enemy, one who does not sleep. Some people take sleeping pills when they cannot get enough sleep, but the enemies of the souls of men do not sleep at all, they are ceaseless attackers.

When God told Moses that He wanted to destroy the people of Israel, because of their stubbornness and make Moses a great new nation; Moses said no and appealed to God not to destroy them. His prayer held God's hand. As long as Abraham Was asking for mercy on behalf of Sodom and Gomorrah, the Lord was granting him and did not cease until Abraham stopped. May be if he went further and said, "Supposing you find one righteous person there," perhaps Sodom and Gomorrah would have been saved. But he stopped at 10 and the Lord stopped at 10 too.

As God's children, beloved, we are supposed to do all our things militantly. We should read the Bible militantly, speak militantly, evangelise militantly and pray militantly; because God is not a civilian, but a soldier.

> *And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war. His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself. And he was clothed with a vesture dipped in blood: and his name is called The*

Word of God. And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean. And out of his month goeth a sharp sword, that with it he should smile the nations: and shall rule them with a rod of iron: and he treadth the winepress of the fierceness and wrath of Almighty God. And the hath on his vesture and on his thigh a name written KING OF KINGS, AND LORD OF LORDS. **Revelation 19:11-16.**

The Lord Himself is a man of war, so, when you pray, you are employing a very powerful military strategy. The most useful soldiers in the army of the Lord are the prayer warriors. Satan has raised a great antagonism against prayer, and he launches violent attacks on any ministry of prayer. He tries to ensure that people do not pray. The devil wants to ensure that nobody prays and if he fails in doing that, he makes sure that the prayer is weak. If he fails in that too, he manipulates the person to pray civilian prayers, that is, useless prayers, prayers that will go up and bring down nothing.

MILITANT PRAYERS

Militant prayer must have power and fire in it. It must get the supernatural power of God, to work in overcoming problems and unprofitable situations. When you pray militantly, you rise from your knees refreshed. When you pray and rise up weak and wary, know that you have prayed the civilian way. Militant prayer is a powerful weapon. It has the capacity to issue embarrassing surprises on the enemies, because they can never know what you are going to say next or your direction. This is part of the reason that the devil fears prayer, especially the prayer in the Holy Ghost. Militant prayer can turn the table in favour of the minority.

Peter was put in prison with very tight security and there was no way he could get out. Why did they take that kind of precaution on Peter? They did because they had thrown some apostles into jail before, but an angel came, opened the door and said, "All of you walk out, go back to the market, where they caught you and start preaching there again." So, 16 soldiers were attached to Peter and he was tied with two chains.

But something happened. His miracle did not come late. The doors opened, the chains broke; the soldiers did not know what they were doing and Peter walked out. The doors opened for Peter on their own accord. It will be wise, beloved,

that you too pray like this: "Let the doors of breakthrough open for me on their own accord, in the name of Jesus."

CHARACTERISTICS OF MILITANT PRAYER

1. **Militant prayer must be anointed prayer and not one taken from a 17th century book that has no relevance to your life now:** You must pray in divine presence. Jesus prayed at a particular place and the Bible says that His countenance changed. When you pray without the anointing, you chase away the presence of God.
2. **It is prayer filled with determination:** There is nothing we can achieve in the school of holiness, if we cannot stay long alone with God in persistent prayer. The forces wanting to pull people down are so many and the Bible laments: "How are the mighty fallen and the weapons of war perish?" You have to pray with more determination and persistence, like Jacob.
3. **It must be specific and intensive:** There are many promises for the believer in the Bible, so you must be specific when you pray. When blind Bartimaeus was screaming, Jesus asked him, "What do you want me to do for you?" So, be specific. It is an insult for a man to be asking God for things that are of no value. So, in your prayer, call a spade a spade.
4. **It must be according to God's will.**
5. **It must not be cold:** It must have life. We must not offer dead prayers through laziness. Laziness in prayer will cause trouble for you.
6. **It must be done with violent faith, believing God for a breakthrough.**
7. **It must be bold:** In other words, prayer must have holy boldness.

Prayer as a military strategy must be done with militant aggression, military tactics and a sense of purpose. We must remember that the battle is the Lord's and the victory has been given to us. We are only battle axes in the hand of the almighty God of War. If we yield ourselves as effectual instruments of prayer in God's hands, we are sure to win any enemy that confronts us, in Jesus' name.

CHAPTER THREE

I SHALL NOT GIVE MY ENEMIES MY INHERITANCE

We have lots of lessons to learn from I Kings 21. If you can open up your mind as you read this message, the Lord will do some deep works in your life.

> *And it came to pass after these things, that Naboth the Jezreelite had a vineyard, which was in Jezreel, hard by the palace of Ahab king of Samaria. And Ahab spake unto Naboth, saying, Give me thy vineyard, that I may have it for a garden of herbs, because it is near unto my house: and I will give thee for it a better vineyard than it; or, if it seem good to thee, I will give thee the worth of it in money. And Naboth said to Ahab, The LORD forbid it me, that I should give the inheritance of my fathers unto thee.* **I Kings 21:1-3**

Here was Naboth, who had a vineyard which was beside the king's palace. King Ahab was already a wizard because he married Jezebel, who was a witch and it was his witch wife that was controlling nil his activities. In fact', the havoc that Jezebel did to Israel can still be felt today. She was the woman that got 850 prophets for Baal and Balim. She was the one that threatened Elijah and he ran away. She manipulated the life of Ahab and got him to a terrible state.

THE PRECIOUS GIFT

Ahab was an Israelite, the king of Israel who knew very well that it was against the law to give out the inheritance of his forefathers. Nevertheless, he went to Naboth and requested for the vineyard which he had inherited from his forefathers. Naboth said, "No, I might be poor, there may be no money, but God forbid that I should give you the inheritance of my fathers. Even if you were the highest king in the land, God forbid that I should hand the inheritance to you."

Beloved, apart from your life, the most priced gift that you have is your salvation. Our Lord Jesus Christ humbled Himself, put Himself in a ridiculous position, in order to redeem us and show us the way of life. The people He came to save arrested Him like a common criminal. They came with sticks, clubs and lanterns to locate the Man that had come to help them. They arrested Him, bound Him up and gave Him 39 strokes of the cane.

They took the King of kings, stripped Him naked and mocked Him. They said to Him: "You trust in God, let Him come and deliver you. If He delights in you, let Him deliver you now," They laughed Him to scorn, when He said, "Eli, Eli, Lama sabachthani?" they said, "He's calling Elijah." They spat on His face, slapped Him and pulled His beard. You try and pull out one strand of hair from your head and you will see how painful it is, then you can understand what it is to pluck out hairs from a man's beard.

They tied His hands and pressed a crown of thorns upon His head. As they did that, the sharp thorns entered His skull and blood poured out on His face. They divided His garments amongst themselves and condemned Him as an unjust man. They ridiculed His mission, drove skipes into His body, hands and legs. Terrible things they did to the Master.

The life of Jesus could be divided into three sections:

1. His birth.
2. His death.
3. His resurrection.

When Jesus was born, a handful of shepherds witnessed His birth, which divided our calendar into two - AD and BC The birth had more of animals as witnesses than human beings. The Bible does not even bother to call the names of the shepherds. Angels came down and the glory of God shone around. The same angels who predicted that Jesus was to be born announced His birth, protected Him as a child, and even ministered to Him in the wilderness. They also ministered to Him in the Garden of Gethsemane, rolled away the stone at His sepulcher and announced His resurrection.

On His resurrection day, a couple of witnesses stood by. But on the day that He died on the cross, the angels completely avoided the cross and stayed away; God

the rather Himself turned His back. The people ridiculed him: "You saved others, now save Yourself." A large crowd gathered to watch His trial, verdict, crucifixion and death. Unlike when He was born, only a few people were there. Jesus Himself shouted, "My Father my Father, why hast Thou forsaken me?"

THE DEATH OF JESUS

Of the three events in the life of Jesus, the one that shook everywhere was His death. That day, nature itself went into convulsion; there was darkness at unusual hours, the ground shook, tombs cracked open and dead people came out. The sky went black and the angels kept away. The question is: why? It is because of one thing - sin.

SIN

Sin means success in nothing. How can anyone who calls himself a lover of Jesus, knowingly continue in sin? Why is it that we have multitude of believers today who continue to cling to lusts, bad habits, grudges and bitterness?

Why do Christians come to church every Sunday to raise their hands in praises to God for delivering them, go out to witness about Christ's power to break bondage, but cling to their sins. Sin has entangled itself around the hearts of many modern-day Christians; it already has full control of many lives. That is why the ancient power that the Bible talks about is going down. The apostles did not have to wait for Paul or Peter before they could pray for anyone. Somebody like Stephen did not even belong to the group of the apostles.

DECAYING POWERS

The longer we indulge in besetting sins, the stronger its hold on us becomes. The longer you stay in any sin, the tighter its hold will be on your neck. No matter how gifted you are or how talented you are, as far as sin is in your life, you are not going anywhere. Secret sins have decaying powers, which cause destruction in every area of our lives. It is a cancer that spreads throughout the entire being, defiling thoughts and actions.

There are so many people around who think they are better than others. There are some pastors who feel they are the best and that other pastors are inferior. Some people who are sinners consider others as sinners too. The trouble is that sin never dies of itself. No! If it is not uprooted and destroyed, it takes over the throne of a person's life. If it is allowed to stay for long, he then becomes a sermon-proof Christian, meaning that he is no longer responding to the conviction of the Holy Spirit.

Such a person would annoy God and his eyes would still be dry. He gets defensive when he is confronted with his sin. God's promise to break every bondage and set the captives free is only for those who are sick of their sin.

SCARCITY OF POWER

The Holy Ghost cannot release His full power on anyone, who does not see his sin as a serious matter. This is why there is a scarcity of the power of God. This is why things that ought to take two minutes to do, are taking five hours. This is also why we have pastors, ministers and teachers with no fire at all. You are deceiving yourself, beloved, if you think the Holy Spirit will release you from the grip of sin without your co-operation. The Holy Spirit is just a helper and would help you only when you are ready.

It is time for you to cry out like this: "Oh Lord, if there is any sin in me, deal with it. I do not want to be a castaway, in the name of Jesus." Sin will make a person a castaway. You need to sit down and ask questions; if not, you will eventually give the inheritance of your fathers to the enemies. You need to sit down and ask yourself questions such as: Why do I continue in my sin? Why does the evil bondage still hold me? Why am I not free?

Many Christians are still living in sin because they do not have the fear of God. Please, pray like this: "Lord, if there is any sin in me, deal with it now, in the name of Jesus." It will be a tragedy, if after reading this message your life remains the same. Without the fear of God, you cannot experience lasting deliverance from sin. Unfortunately, in many churches now, the subject of the fear of God has become a taboo. Many people do not talk about it anymore. The fear of God includes a full understanding, of the danger and consequences of sin.

THE DANGER

The longer you continue in sin, the more you are in danger of hardening your heart. And the more you harden your heart, the more spiritual blessings flow out of your hand, also, the more the anointing flows away. You may make noise and jump up, but that is not a problem for the devil, for he can see you in and out.

If anyone continues in sin, he will eventually face the wrath of God. If you continue in sin, you wm experience a constant drain of peace and strength. If you continue in sin, you will lose your usefulness in the kingdom of God. It is a serious matter.

You can see what our Saviour passed through because of sin. He went through humiliation and suffering, to hand over salvation to you and me. If we now joke with it, it means we are looking for trouble.

> *And Jacob sod pottage: and Esau came from the field, and be was faint: And Esau said to Jacob, feed me, I pray thee, with that same red pottage; for I am faint: therefore was his name called Edom. And Jacob said, Sell me this day thy birthright. And Esau said, Behold I am at the point to die: and what profit shall this birthright do to me? And Jacob said, Swear to me this day; and he sware unto him: and he sold his birthright unto Jacob. Then Jacob gave Esau bread and pottage of lentiles; and he did eat and drink, and rose up, and went his way: thus Esau despised his birthright.* **Genesis 25:29-34.**

Recently, I received letters from four sisters who were not married. All four were going about with married men, who kept them as concubines or girlfriends. They bought them houses, cars and took them to London, America and other places. They kept their lives on a shelf, but when they came to our meeting, they heard the word of God and were touched in their hearts.

I expected that the next thing they would do, was to leave the relationships. But instead of that, they wrote letters telling me that the houses they were living in, their cars, drivers and shops, etc. were given to them by their men friends and that if they broke off the relationships, they would die of hunger. The bottom line is that these women have sold their birthright without knowing it and the longer they stay in their present situation, the longer the devil will keep them in slavery.

They must get to the level of Esther who said, "If I perish, I perish. I will not sell my birthright."

WHAT IS A BIRTHRIGHT?

A birthright is the privilege you are entitled to from birth. What is your spiritual birthright? They are spiritual and physical privileges you are entitled to as a born again Christian. There are so many things attached to birthright. For example, Esau was entitled to the following things as his birthright:

1. His family inheritance.
2. The head of his family.
3. The right to collect his father's blessings first.
4. The spiritual leadership and priesthood of his family.
5. The best of all the family land.
6. A special providence meant for him alone.
7. A special party to the Abrahamic covenant.

This birthright belongs only to the first son and that is why he was entitled to it. Unfortunately, he sold it for some pottage. If you pick an ant and say that it should be picking all the grains of sand, from the Bar Beach in Lagos to Abuja one by one, the time it will take the ant to succeed in evacuating the whole of the sand, cannot be compared to eternity.

It is a tragedy for a person to use his life here on earth, to destroy his eternity, even if the person lives for 150 years. Unfortunately, Esau sold his birthright; he exchanged his inheritance for a pot of pottage, which was a temporary thing. Anyone who sells his birthright, which Jesus Christ suffered and died for, would be lost forever. To trade this important thing for worldly things, is sad indeed.

Sometime ago, a man who was smelling of adultery and who, the chain on his neck was almost touching his belly button, offered me a Mercedes V-boot car. I said to him: "I am sorry, I don't want it. The reason for a vehicle is for me to

move from one place to the other. You are not born again or broken and you are giving me a Mercedes Benz car. The day I preach what you do not like, you will ask for your car. I prefer to tell the truth without the car, than to have it without being able to preach the truth. The day I see that your life changes and you are broken; I will take a car from you, so that you can be blessed. But if you are not broken and you are not a child of God, if I take things from you, I am a transgressor like you."

THE BIRTHRIGHT

It is a dangerous thing for you to have an important material and not realise it. Before you give your life to Christ, God has attached some blessings to your life. When you now give your life to Jesus, more blessings are attached. Many do not know what it means to be born again; being born again means, to be begotten from above. The reason many people are undergoing deliverance now is that they are in trouble for selling their birthright, cheaply to their enemies.

Some years ago, we were at a crusade and people were divided into different groups, depending on their needs. There was a group for those who were possessed by witchcraft spirits, while there was another one for those who were looking for employment. As I was moving around and got to the group of those possessed by witchcraft and familiar sprits, I found out that many of the girls among them could qualify for Miss Nigeria and some of the men too, could qualify for models you see in magazines.

All of a sudden, one girl opened her mouth and vomited three birds; red, black and white. The birds were very ugly. The evangelist who was conducting the meeting moved back and pointed at me to do something about it. The girl now pointed at a pastor in a far corner, who was calling prayer points for those who were experiencing failure at the edge of breakthrough and said, "You see that one, he slept with me yesterday." I was shocked. I said, "Well, if he slept with you what is the implication?" She said, "The prayers he is calling are curses, because already I have polluted his life." This man of God had sold his birthright for a cheap price.

There are sisters who sell alcohol, hair attachment, jewellery and things that are Jezebelian in nature, because they are looking for money. May God have mercy on them, because they are trading their birthright cheaply. Many have sold their birthright to their enemies like the pastor I told you about, and they are

busy rejoicing. The foolish man did not even know that he had sold it just like Esau.

THE APPETITE

Esau's problem started with his appetite. The appetite for food has destroyed so many precious souls. That is why the Bible says that the belly of some people is their God. The reason you find so many churches in every corner, is that the belly of many people has become their God. If they can tell lies to one or two people and get money from them, they are okay. I pray that your belly will not kill you, in the name of Jesus.

Stealing or cheating to buy what you cannot afford, is selling your birthright. Why do you want to eat what you cannot afford? It is better to die of hunger, than to sell your body because of food. Many so-called believers do not want to leave their boyfriends, because they are afraid of starving. They are just selling their birthright. Have you sold your birthright because of food? You better repent today.

Many sisters and brothers have missed God's will for their lives by being too greedy. A lot of people sold their birthrights cheaply through sex. They need to pray so that God will deliver them and restore their inheritance which they have sold to the enemy.

OTHER WAYS OF SELLING YOUR BIRTHRIGHT

1. **Self-centeredness:** Putting yourself first before others or exploiting and using others to accomplish your selfish goals, is a way of selling your birthright. You should pray for your inheritance to come back, if you are like that. If you give because you expect something in return, you have sold your birthright and need to buy it back. If you do good, only when you will be given praise for it, then you have sold your birthright. If you like self-display, you want people to know that you are the one there; you have sold your birthright. If you are primarily concerned with what others are thinking about you, then you have sold your birthright.

2. **Doubt and unbelief:** If you are full of doubt and unbelief, then you have sold your birthright.
3. **Sin:** If you enjoy sinning but hate the consequences, then you have sold your birthright. If you are always thinking of covering your sins, instead of repenting of them, you have sold your birthright. If you are so self-conscious that you can commit sin in order to please others, then you have sold your birthright. If unfortunately, you are one of those who prefer to spend money for burial ceremonies, than to pay your children's school fees, you have sold your birthright. If you justify your sin instead of saying, "Oh God, I am a sinner, deliver me," then you have sold your birthright.
4. **Hypocrisy:** All hypocrites have sold their birthrights. If you refuse to admit that you are what you are and need to change, you are only caging yourself, which amounts to selling your birthright. God forbid that I should give my enemies the inheritance of my fathers. Rejoicing when, others are failing, pretending to be loyal, using your mouth to pull others down and backbiting, are ways of selling your birthright.
5. **Being revengeful:** If you are always looking for somebody as a scapegoat instead of facing your own sin, it is selling your birthright.
6. **Impatience:** If you, who have been horn again for one or two years, still act before you think and take rash decisions, then you have sold your birthright.
7. **Unteachable spirit:** If you cannot really listen to others and you are not teachable, then you have sold your birthright.

The greatest inheritance that Jesus gave to us is, our salvation. It will be very sad for anyone to sell it to the enemy. The church is a place where you find the highest number of hypocrites. The heathens worship their idols with all seriousness; they dance and roll on the floor with all their strength. But in the house of God, you find people who are lazy and unserious.

The fact that somebody is a pastor does not mean that he is born again; the fact that somebody is a house fellowship teacher does not mean that he has encountered Christ. The only thing is that he has a label.

EMPTY LABELS

At the end of the age, all the labels of pastor, deacon, General Overseer, bishop, etc shall be taken away and we shall see what people are inside. A bachelor who is sleeping with a woman outside marriage is already dead, likewise n spinster who sleeps with a man she is not married to. Such people are the ones disturbing the power of God from moving in a place. They are inside the church, but the church is not in them.

It is important to pray that whatsoever is making the devil to rejoice in your life should go, no matter how much you like it. What I am talking about is both preventive and curative. Some prayers are called curative prayers while some are called preventive prayers. Do not feel unconcerned, you better pray. Paul said, "We have no confidence in the flesh. Let him that thinketh he standeth take heed lest he fan.

Review your life in the last one week. Does it glorify Jesus? Is there no malice in your heart? Have you. not been telling lies? Have you become a habitual sinner? Have you been, entertaining the thoughts and imaginations of sin? Have you lost your vision of heaven?

A REVIEW

Are you neglecting the can of God upon your life? Have you lost the presence and anointing of God upon your life? Is the peace and joy of the Holy Ghost still in your heart? Is your birthright still there or have you sold it on the altar of sex, food, money, malice or anger? Have you sold your inheritance to your enemies? It is time to review your life.

The God of MFM is the God of holiness and power. He will by no means welcome people, who want to live in sin and experience power. Why should He send His Son to die for you and you want the death to go in vain. Look at what Jesus went through. Do you think He would be happy with any one who wants His suffering and death to go in Vain? please tell the Lord to remove any sin that is demoting you out of your life. Repent of them and possess your possession.

The Bible says, "Narrow is the path that lead to life, few there be find it," meaning that not many will find it. You may be a bishop's wife or daughter, son of a priest, or you may have gone to apostolic this and that, Elijah this, gospel that, and everywhere. It is possible that all you have done, while going around

was collecting arrows that would demote you further.

THE ENEMY'S FIRE

Will you not cry to the Lord today from the bottom of your heart, so that He can rescue you from the well of the enemy? Open your mouth and pray like this:

1. O God, deliver me from this wicked generation, in the name of Jesus. This generation must not mess me up.
2. I will not sacrifice my destiny on the altar of this wicked generation, in Jesus' name.
3. I shall not surrender to my enemies, in the name of Jesus.
4. If I have sold my birthright to the enemy, blood of Jesus, buy it back for me, in the name of Jesus.
5. I refuse to be wasted, in Jesus' name. The enemy shall not waste my life, in Jesus' name.

The first problem of Peter started when he began to warm himself in the fire of the enemy; and of course temptation came and he fell flat. He got too close to what he should run away from. Make the following declarations: "I shall not warm myself in the fire of the enemy, in the name of Jesus." "I shall not surrender my inheritance to the enemy, in the name of Jesus."

Samson died with his enemies. Although he killed them, the place was also his burial ground. Pray like this: I shall not die with my enemies, in Jesus' name.

PRAYER POINTS

1. The arrow that rues by day shall not locate my destiny, in the name of Jesus.
2. O Lord, sweep away anything that does not glorify You in my life, in Jesus'

name.

3. I shall not be a worker of iniquity, in the name of Jesus.
4. My life will not cooperate with the enemies of God, in the name of Jesus.
5. Holy Ghost fire, purge my life, in the name of Jesus.
6. I shall not be an unprofitable servant, in the name of Jesus.
7. My legs, hear the word of the Lord, you must not walk the path of destruction, in the name of Jesus.
8. Every stronghold of sin in my life, I pull you down, in the name of Jesus.
9. The sin of my ancestors shall not cage my life, in the name of Jesus.
10. O God, arise and kill every iniquity in my life, in the name of Jesus.

About the Book

Lord, Behold Their Threatenings is a clarion call for spiritual militancy. The principles presented in this book will enable you to take your case to the courts of the Almighty and advocate for divine vengeance.

It is a bold attempt towards taking the battle to the gates of your enemies, level allegation against your stubborn pursuers and make legal demands which will culminate in unchallengeable victory on your part and shameful defeat on the part of the enemy.

Here is a compelling challenge to stimulate offensive warfare and make you a threat to the kingdom of darkness. This book will enable you to threaten those who threaten you, oppress your oppressors, and trouble those who trouble you. It will launch you into your season of divine vindication.
