Question No: 39 (Marks: 10)
Write an essay on any one of the given topics. It should comprise of 200-230 words. Forests are the lungs of the earth.
Should the rain forests destruction be prohibited?
How is it possible to protect forests?

Forests are the lungs of earth in reality because of due to huge development of earth day-by-day new experiments, research work ,and construction make our environment polluted and it show development on one side and destruction in earth on other side. But, we can minimize the effect of destruction in earth just to save our forest and make them wide. Forests are pure lives nobody wants to poison his life, we are taking main thing for our lives from forests, if we keep destroying forests in reaction, one day we will finish human being from the this earth. We should keep growing plants on suitable place and take care of them until we are getting benefits from them Infect, plants are always giving benefit even deadly or a lively .Every country has one ministry of environment for taking care of natural resources they are responsible for growing new forest and stop rain forest destruction. Now in our developed world we are facing environmental problems like rain water, pollution destruction in land, lack of minerals because of this that we don’t have abundant of rain forests and we lost our natural forest.
We need do set our aim to built our healthy future by protecting our forest and grow plants as more as we can ,and save our world.

Question No: 40 (Marks: 10)
Write an essay on any one of the given topics. It should comprise of 200-230 words.

The influence of the Internet: More harm than good or vice versa.
OR
Should students be allowed to grade their teachers?
The influence of the Internet: More harm than good or vice versa.

Internet is common communication way than can be accessible for all humans in the world. The use of internet is depend on the way of usage either we are using for good things or bad. It is good in this sense that we can use it for updating knowledge, entertainment, and for good life style. And is sometime harm in this sense that it gives us the open doors for bad deeds also. But, its is influencing in all level of people from lower-class to higher class peoples. It provides the way of good communication and effects globally now in every business any social acts there is a image of internet. Its decreases the distance between individuals in one side and increases the distance between families on another side. Naturally, every things has some good or bad effect but we can minimize the harmful effect and make it productive for human being. We can see influence of internet in our daily life that our new generations adopting some good habits like keep updating vocabulary from internet at the same time they are using internet for gaming. but, we are communication across the world in low calls rates, doing businesses, and market growth in no low price which was not possible before. We can not say that influence of internet is more good than bad or more bad than good .
