About The Author.

Introduction: What Is A Curse And A Spell?

Curses and spells have power to impose invisible barriers in someone's life; such that the person works so hard but gets so little results. They can also affect someone's health, business and relationship in a very negative way.

So what is a curse and a spell?

A curse is a negative statement or agreement that has power to produce negative effects in someone's life.

Spells are also words with mysterious powers to cause harm and pain. They are usually invoked while going through some kind of ritual. Spells are used by people to try to control others to do things the way they want it.

One unique feature about curses and spells is that they are released through words. That is also the assurance that we have. Since curses and spells are released through words, they can also be broken and destroyed through superior words.

The bible says that death and life are in the power of the tongue (Prov. 18:21). This means that the Bible recognizes that ***words have tremendous powers to influence one's life for good or bad.***

These may be words you have spoken over yourself, or words that your parents, marriage partner, colleagues, boss, *etc.* have spoken over you.

All negative words come together as a curse and produce negative results.

In this book, our job is simple:

- *Break all curses that have been made over your life, curses that are now limiting the flow and manifestation of God's blessings in your life.*
- *Reverse all spells that have been cast on your life, spells that are working so hard spiritually to destroy you by making you act in ways that are not right.*
- *Destroy all kinds of invisible barriers posing a limitation in your life pursuit.*
- *Command the blessings and favors of God into your life, family and business.*

CHAPTER 1: WHAT THE BIBLE SAYS ABOUT CURSES.

In the King James Version of The Bible, the word ***curse*** was mentioned 101 times. While the word ***curses*** and ***cursed***, together, appear about 80 times.

Simply put, the Bible recognizes that someone can be cursed, same way that someone can be blessed. It recognizes that a curse or spell can work negatively in a person's life.

God told Abraham: *"And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed."*

God knew that there were people who would try to place curses and spells on Abraham, so He assured him to intervene in such circumstances.

Do you really think that the world that Abraham lived in has changed that much?

Except for the technological changes, it's the same world. We still have people willingly and unwillingly placing curses and spells on others and causing them pains and torments.

Beyond curses and spells from outsiders, curses from people with evil mindsets, there are also other kinds of curses that the Bible talks about. But the good thing is that all kinds of curses can be broken and replaced with blessings and favors from above.

Chapter 2: Types Of Curses.

1. Self-Imposed Curses

These are curses that you have placed over yourself by the use of negative confessions and responses.

For example, if I ask you and say, *'how is life?*'

And you say…

'Men, it's not easy.'

'Things are so hard now.'

'I've tried all I could but there is no way.'

'I'm just parching and managing'

'I'm dying'

‘There is no hope’

‘These children will kill me’

‘This job is killing me’

‘I’m just wasting away here’

‘My husband is just a big pain in the ass’

‘My wife is troublesome. She is killing me’

‘This economy is biting so hard’

‘I just keep getting frustrated and frustrated’

‘I’ll be dead soon’

‘This child is just so hopeless’

Using words like these may seem that you’re just stating how things are at the moment, but those are strong negative affirmations that eventually create those realities.

The Bible says:

Let no corrupt communication proceed out of your mouth, but that which is good to the use of edifying, that it may minister grace unto the hearers.

- Ephesians 4:29

But those things which proceed out of the mouth come forth from the heart; and they defile the man.

- Matthew 15:18

Pleasant words [are as] an honeycomb, sweet to the soul, and health to the bones.

- Proverbs 16:24

For by thy words thou shalt be justified, and by thy words thou shalt be condemned.

Matthew 12:37 -

He that keepeth his mouth keepeth his life: [but] he that openeth wide his lips shall have destruction.

- Proverbs 13:3 -

Whoso keepeth his mouth and his tongue keepeth his soul from troubles.

- Proverbs 21:23

Personally invoked curses are real and work just like all other curses. We'll revoke these curses shortly but you must learn the art of positive self-speaking and Godly affirmations of faith and hope onwards.

2. Parental Curses

The words that parents speak to and over their children have strong powers to eventually create their realities. As parents let us watch with care how we release words over our children, even when we are provoked and trying to caution them.

And as children, the way we've treated our parents matter a lot. The Bible says that *"Whoso curseth his father or his mother, his lamp shall be put out in obscure darkness."* (Prov. 20:20).

There are several places in God's Word we are cautioned against disrespecting our parents because when they are greatly offended and pushed to tears, we purchase troubles.

> *"Cursed is anyone who dishonors their father or mother." Then all the people shall say, "Amen!"*
> 7. Deuteronomy 27:16

> *The eye that mocks a father and scorns to obey a mother will be picked out by the ravens of the valley and eaten by the vultures.*- Proverbs 30:17

If you've disrespected your parents in the past, you must go back and say sorry. By going back to say sorry and getting their blessings, you seal the prayers.

Rev. Dr. B.C Ebere is a man of God I highly admire. He has been in the ministry for close to 40 years now and always does his best to encourage upcoming ministers on the power and benefits of integrity and patience while pursuing God's call for their lives.

Sometime ago, he shared a story that made a great impact in my life. One day he got worried that things were not moving forward for him despite his years of service and sacrifice to the LORD. He decided to fast and pray and ask for divine direction. While praying the LORD told him that he had disrespected his father years ago and needed to go back and say sorry and get his father's blessing.

It was quite shocking to him because he had been in ministry for close to 20 years then. And as far as he could tell, he was not having any grudges with his father.

Well, the Bible says that obedience is better than sacrifice, so he decided to obey. He bought gifts and took them to his old man and appealed to him to forgive him if there was any way he had disrespected him in the time past. Surprisingly, the old man still remembered an incidence of disrespect and let down he had caused him while growing up as a young man. They discussed it and he prayed for him and blessed him.

Dr. Ebere spent some time with his dad and then returned to his ministry base. Two weeks later, someone gave him a car gift. A month or so later, another person gave him a parcel of land. He started getting so blessed that he wondered why he didn’t do this earlier.

You see, the truth is that our parents may not have been so good to us. But they are still the source from which we came into this world. We must do the best we can to get their blessing. The simple action of getting our parent’s blessings has the power to neutralize many years of hardship.

I know there are exceptions, like when we have been abused and treated like shits by our parents. However, even in such situations we must still not ascribe judgment and vengeance to ourselves. We should forgive, pray for our parents and court their prayers, not because we have not been hurt, but because we must move forward. The person who forgives actually does himself a greater good.

3. The Curse Of Spiritual Disobedience.

In 2009, I registered a company, and in 2010, I went into a business partnership with two friends of mine. We decided to raise funds for trading. It wasn't long before people started bringing funds to us for our business plan. Our terms were that their capital was secured, no matter what. Things were looking so good that one could literally look at tomorrow and believe that we were made.

But there was a small problem. Inside me, the CEO of the company, I had this uncomfortable feeling that all was not going to be well. I was just uncomfortable about the whole arrangement-the partnership, the business, everything. I couldn't really see any physical reason for this "***uncomfortability",*** because all seems to be in order. The money was coming in, people were responding to our business plan, we had spent days praying, fasting, and sowing seeds in different ministries for divine backing, so why the inner fear? Why the inner discomfort?

I called my friends and told them that we need to dissolve this business and refund our investors right away. I didn't have any other proof except that I know that this inner discomfort was a sign of danger ahead. Unfortunately, they looked at me like I was nuts. The accountant used figures to prove me wrong. So we had to continue.

Fast forward, in 2011, we did some wrong transactions and lost every fund with us. We wound up and ran into huge debts, followed with all manner of crisis. The investors, all of them, wanted their monies back. And so began a long fight that has lasted several years, a fight that only the grace of God is helping to see me through.

I believe that spiritual disobedience attracts the biggest of all curses in life. We attract this curse when we willfully disobey the inner witness of the Holy Spirit in us. The Bible says:

> *He opens their ear to instruction, And commands that they return from evil.*
>
> *"If they hear and serve Him, They will end their days in prosperity And their years in pleasures.*
>
> *"But if they do not hear, they shall perish by the sword And they will die without knowledge –* ***Job 36: 10-12***

May God open your ears henceforth so that you will understand the inner prodding of the Spirit in your heart and follow them. When you obey those inner witness, your conscience, those divine ideas, you'll walk in victory all your life.

4. The Curse Of The Law.

The curse of the law is the curse we all inherited from Adam. By that it means that we were all doomed to perish because of Adam's sin.

However, Christ has already delivered us from this curse. So right now, we are no longer under that curse.

> *Christ redeemed us from the curse of the Law by becoming a curse for us. For it is written: "Cursed is everyone who is hung on a tree."*
>
> *He redeemed us so that the blessing promised to Abraham would come to the Gentiles in Christ Jesus, so that by faith we might receive the promise of the Spirit* - Galatians 3:13

The curse of the law is no longer effective once we acknowledge that Jesus is Lord and savior and confess our sins and accept Him into our lives.

5. Inherited Curses, Generational Curses.

There's so much misinformation and untruths about the subject of ancestral or inherited curses. Many people question why their grandparents would commit sin and they would be the one to suffer the consequences, while there are others who have made a serious business out of this concept. Every little challenge that people have they tell them it's because of curses from their father's lineage. So funny! Unfortunately, many people are falling for this. They keep going from one family deliverance to the other.

Listen to what the Bible says:

> *"What do you people mean by quoting this proverb about the land of Israel: " 'The parents eat sour grapes, and the children's teeth are set on edge'?*
>
> *"As surely as I live, declares the Sovereign Lord, you will no longer quote this proverb in Israel.*
>
> *For everyone belongs to me, the parent as well as the child—both alike belong to me. The one who sins is the one who will die.*
>
> **- Ezekiel 18:2-4**

Those who are in covenant with God through Christ are the Israelites. The Word

of God says here that they are not affected by the sins of their fathers. They are not under any kind of generational curse.

However, every curse produces some kind of effects, disadvantages and pains. The effects already produced by these ancestral curses are what we consciously revoke and replace with positive effects and blessings.

Have you ever seen a family where the father has a problem with uncontrollable anger, his son seems to have been 'handed it', and the grandpa had the same problem? Or have you noticed that not only do you suffer from something such as persistent irrational fears or depression, but your mother and her father also suffered from it as well?

Those are effects produced by ancestral curses. They are beyond learned behaviors; they are bondages that must be consciously broken with prayer.

Another example of common symptoms of ancestral curses are family illnesses that seem to just walk from one person down to the next, continual financial difficulties, mental problems, persistent irrational fears and depression, *etc.*

However, once we have revoked these curses, we now need to have faith that we have been delivered and then stop attributing any challenge we have to generational curses. The truth is that we'll keep having challenges here and

there, as long as we are in this world. This doesn’t mean that curses from our past generations are the problems.

The Lord will deliver and heal you from any kind of inherited problem you are currently going through in Jesus name. He will deliver you because in the first place, these problems have no legal right to operate in your life.

6. The Curse Of Wicked Men And Women.

Not everyone likes you. Some of those who hate you take it beyond ordinary hatred and go very far in plotting your downfall and calamity.

> *The heart [is] deceitful above all [things], and desperately wicked: who can know it?*
> - Jeremiah 17:9

> *'For from within, out of the heart of men, proceed evil thoughts, adulteries, fornications, murders.'*
> - Mark 7:21

> *A good man out of the good treasure of the heart bringeth forth good things: and an evil man out of the evil treasure bringeth forth evil things.*
> - Matthew 12:35

There are people who will try to cast spells on you and place curses over you. They may even go as far as making some sacrifices in witchcraft covens and occult temples just for your downfall. These are realities that we have seen from our daily experiences and encounters.

For instance, a brother started sending money to his brother and mum to build his house in the village in far away Africa. When the project began, the wicked men started plotting and planting evil. On a daily basis, the mum, who stays more in the village would visit the construction site early in the morning in order to wait for the workers. But always on getting there she would always see charms in different parts of the project site. Sometimes lizards are tied with a red cloth and dropped in the land; sometimes a black thread is tied at the entrance of the land. Everyday, there would one kind of charm or the other.

Unfortunately, his son doesn't believe much in things like these, so he treated the reports with lightness. It was when he no longer had money to send home and the work had to be abandoned for years that he came to the realization that he may have been attacked by the curses of wicked men.

Friend, these things are real. These wicked curses if not revoked and destroyed willfully, can generate a lot of harm. Even the Bible says that we are in a spiritual warfare that controls the realities of our existence. Since you don't lose anything by praying, when you suspect things like this, all you have to do is wait on the LORD and pray wit authority and destroy these curses. As you do, you claim back your deliverance, victroy and breakthrough.

Chapter 3: Signs Of Curses And Spells.

Generally, curses produce the opposite of blessings. When you find out that you are working so hard, but with little to show for it, that is a sign of a curse in operation.

If you notice that you are always getting sick and there are no real causes of the sickness that is a sign of a curse in operation.

If you discover that there is a sickness that your parents and past generations have suffered and somehow, you suffer this sickness as well, that is a curse in operation.

If people just naturally hate you without any good reason, that is a sign of a curse.

If you have anger or you are addicted to anything and you observe that your parents or grandparents also suffered a same addiction, that is a sign of a curse in operation.

Generally, when you suspect that something is wrong somewhere, but you can't really lay hand on what is wrong, then there is a curse in operation.

When your life is not making tangible progress despite all your efforts, then there is a curse somewhere.

If you observe that you are always getting punished for offences you didn't commit, then there is a curse somewhere.

In fact, if you suspect something is wrong, there's no harm in dealing with these curses treated in this book.

I believe that as we go through the prayer ministrations below, every curse against your life will be broken and replaced with blessings.

Chapter 4: 55 Powerful Prayers That Will Destroy Curses And Spells And Release The Favor Of God.

The prayers below are scripturally stuffed prayers. Praying scriptures is a powerful prayer strategy that gets quick results.

How To Pray These Prayers.

You can pray the prayers in this book anytime, but I'd recommend you pray them in the night, if possible, in the midnight. This is because the night time has strong powerful spiritual significance. It is time to create and or destroy.

> *But while everyone was sleeping, his enemy came and sowed weeds among the wheat, and went away.* - Matthew 13: 25

Many spiritual evils, curses and spells are released during the night time. So if you can pray these prayers in the midnight, it will be the best. But it's not compulsory though. You can pray these prayers anywhere, any time.

Also, for the purposes of breaking curses, I recommend you pray these prayers for 7 days consecutively. You will definitely experience spiritual breakthrough.

WHAT YOU NEED.

1. **An anointing oil** (See Isaiah 10:27)
2. **Prepare a Holy Communion representation:** The body and blood of Christ is a mystery that heals us, breaks curses and renews us in the covenant of Christ. Apart from waiting to take the communion in Church service, you can prepare this spiritual meal for your personal ministration. (See John 6:53, I Corinthians 11:26). Just get anything (for bread and wine elements) that will represent the body of Christ and the blood of Christ.

At least spend one minute or more in each prayer point.

Getting delivered is great. Keeping your deliverance permanent is best.

>
> *Then it says, 'I will return to my house from which I came.' And when it comes, it finds the house empty, swept, and put in order.*
>
> *Then it goes and brings with it seven other spirits more evil than itself, and they enter and dwell there, and the last state of that person is worse than the first. So also will it be with this evil generation."*
>
> ***- Matthew 12:43-45***

Jesus is simply saying here that there is a probability that one gets delivered from curses and evil spirit attacks and the problems comes back again.

But it doesn’t have to be so.

The Word of God gives us an idea of how we can keep our deliverance and victory permanent.

1. Do Not Keep Your Spirit Empty.

From Jesus' statement above, it's obvious that if you leave your spirit empty, you might get attacked with worse situation.

Consequently, it's important to fill your spirit with positive thoughts and vibrations. Fill your mind with God's Word on a daily basis.

> *Keep this Book of the Law always on your lips; meditate on it day and night, so that you may be careful to do everything written in it. Then you will be prosperous and successful.*
>
> **- Joshua 1:8**

---

2. SERVE THE LORD.

“So you shall serve the LORD your God, and He will bless your bread and your water. And I will take sickness away from the midst of you. No one shall suffer miscarriage or be barren in your land; I will fulfill the number of your days."

- Exodus 23:25-26:

---

3. Exercise Your Faith.

It is possible that you experience some form of setback in life, from time to time. That doesn't necessarily mean that you are under a curse.

Also, even if you suspect so, after praying, it's important for you to believe that you have been delivered and confess your deliverance, and stop running to and fro looking for other types of prayers for deliverance any more.

> *Now faith is the assurance (title deed, confirmation) of things hoped for (divinely guaranteed), and the evidence of things not seen [the conviction of their reality—faith comprehends as fact what cannot be experienced by the physical senses]. 2 For by this [kind of] faith the [a]men of old gained [divine] approval* - Hebrews 11:1(AMP).

---

4. TESTIFY.

When you share your story with others, your blessings become permanent.

> *“ Return to your home, and declare how much God has done for you.” And he went away, proclaiming throughout the whole city how much Jesus had done for him* **- Luke 8:39 (ESV)**

---

5. Confess Positive Things About Your Life.

Proverbs 18:21 - Death and life [are] in the power of the tongue: and they that love it shall eat the fruit thereof.

1 Peter 3:10 - For he that will love life, and see good days, let him refrain his tongue from evil, and his lips that they speak no guile:

Ephesians 4:29 - Let no corrupt communication proceed out of your mouth, but that which is good to the use of edifying, that it may minister grace unto the hearers.
