PREFACE

After many years of schooling and ministry, I have great Joy releasing this book to be used by deliverance ministers and schools of deliverance and also by Christians throughout the victorious church worldwide. This book, as well as our ministry, is to serve those experiencing life crises. So many people are suffering and do not know the source or the solution to their problems.

This book will stir you up spiritually and will make you to run not as uncertain and to fight not as he who beats the air (1 Cor.9:16). This book is not to be taken lightly. It is for those who love Jesus and hate the devil. The devil is ever ready to sift believers as wheat (Luke 22:31). But God will no longer tolerate it.
We must wake up to the reality that we are engaged in Spiritual warfare and learn that there is more to Gospel than the salvation and prosperity messages most of us have heard, hence Apostle Paul says *"work out your own salvation (Body and soul) with fear and trembling (Phil.2:12).*

For too long the church has been told by her ministers that any predicament or misfortune that one encounters is a part of the cross he has to bear and that the devil has no power and Christians cannot be demonized. But Christians feel the abrasive rub of reality when she still has sexual intercourse in the dream and her marriage becomes threatened or broken. Or when a beloved is taken from us through untimely death probably after a

sordid dream, which results, to sickness or moving object in the body, we are encouraged to believe it is our destiny. We try often to be spiritual giants, but the lyrics and songs of the world drop an unforgettable melody into our minds and we unconsciously sing them. How about the several resistances in our minds of the battle against the spirit of fear and the evil thoughts, which kept coming on and on alluring us into hated sins.

Friend, Christianity has been brightly colored and packaged to offer prizes and bonuses to all that will come to Jesus. But after coming what next? We discover that we remain uninformed and unequipped to deal with the demons that surreptitiously unleash their blows against us from the satanic kingdom. The ministers of the gospel have so covered the Anonymity of demons with fables and scary stories thereby causing hesitation of venturing into deliverance ministry, this is most appreciated by Satan and his host. But Jesus says *"for there is nothing covered that shall not be revealed; neither hid, that shall not be known* (Luke 12:2). God is continually exposing the enemy so that Christians can engage him on all levels.
It is common to say, "You pray and I will say Amen no fight in the church." But I submit to you that battle begins and ends in the church, hence the measurement and judgment begins in the temple of God (Rev.11:1) Take this for an example.

CASE: I was invited to a gospel church to minister deliverance in Lagos, sometime in July 2015. In the church amidst the congregation were two women seated under the fan beside a pillar. One was sleeping and resting her head by pillar while the other woman beside her was fully awake but sweating profusely as if she was doing a hectic manual work. But the Lord opened my eyes and I saw that the sleeping woman was sitting and resting on the head of the sweating woman who was struggling not to faint. Upon seeing this I released a word of authority aloud and the sleeping woman fell down from the seat where she was physically seated, fully awake and so embarrassed by my discovery she hurried out of the church. Thus the innocent ignorant woman was relieved.

Dear reader, this is the day when a torrential flood has been released by the devil against the church and believers, hence, the church needs to march on as the gate of hell is coming closely behind. The devil is serious about taking you out of action, he wants to enlist your name under casualties of spiritual war, and your reply must be serious through the spiritual weapon given to the church by the atonement of Jesus. No retreat, no surrender as the intensity of this battle against the Church and Christians will continually escalate until the Lord returns.

Let the Christians arise strongly and shake themselves from the lethargy of the enemy so that the devil and his demons will feel the

crescendo of hammer blows from the Army of the Lord being trained this hour. In this book, I rip the façade off the tricks of the devil and expose it to the light of God's truth. The prayer points at the end of each chapter will help you, more importantly, to know you will stop Satan in his tracks, claiming back all that he had stolen from you, winning the devil every time he attempts to enslave you and becoming free from demonic invasion.
The Lord is speaking to His Church this hour again as we remind ourselves with this hymn:

" Stand up, stand up for Jesus, Ye soldiers of the cross lift high His royal banner, it must not suffer loss from victory unto victory, His army He shall lead till every foe is vanquished and Christ is Lord indeed."

LET US PRAY

Heaven Father, I thank you for the opportunity you have given me to minister your word to this generation of believers so that they can hear and understand the mystery of life.
Jesus, you are the word, you are the Spirit and you are the Truth, you said we will know the Truth (you) and the Truth (you) will make us free, I command by your anointing upon my life that the readers will experience freedom more than ever before, I break and destroy every yoke of the devil in their lives. I also declare that your word will change the life of

the readers for better and will keep them informed and equipped till you return, in Jesus name. Amen and Amen!

CHAPTER ONE

OPERATION ANTI-THEOCRACY

HISTORY BACKGROUND

Theocracy is the rulership of God. ("Theos" means God). This move against God the sole ruler of the universe began in the Antechaotic age (The time before chaos) when the original heaven and earth were created in the beginning. The period is known as the angelic dispensation by the dispensationalists.

"In the beginning, God prepared, formed, fashioned and created the heaven and the earth" (Gen. 1:1 Amplified Heb.11:3).
Notice that all the verbs used here are in the past tense. In the original King James Version. The verb "Created" in Hebrew is "Bara" which means to bring in to existence. The verb was not used in all other places of Genesis chapter one but it was substituted with "Asah" and Hebrew word for "made" (Gen.1:7) meaning to make out of already existing material, a reconstructive work.

The heaven of the original creation was ruled by the omnipresent God "Elohim" who manifested himself in three ways is a Spirit. Jesus says God is a Spirit" (John 4:24) Elohim is not three different Godheads as the Trinitarians preach, a belief which originated from Babel of a god with three heads. When we get to heaven we will not see three Gods but

only Jesus the God that came to dwell in the human body so He is the same Elohim who worked in three ways.
He is a "Spirit" which is "Holy" that came to dwell in a body, which God prepared for himself to perfect the work of redemption. He is God for us, God with us and God in us. (John 1:1-2; 14)

Elohim created the stars (Angels) with great strength, wisdom, and beauty out of the brimstone of fire. Their main purpose was to assist Elohim to administer His government and kingdom throughout the universe. *"He set His Glory excellently above the heavens"* (Ps. 8:1) from where He ruled His entire creation. Of all the angels Lucifer was created the most glorious, precious creature that God took His time to fashion out of every precious stone like a diamond, emerald, sapphire, gold etc. (organ/flute) during his creation. Elohim created Lucifer as He did for two reasons that the Bible clarifies:

1. To stand before God as a cherub that covers His throne "Thou art the anointed cherub that covereth" (Ezekiel 28:14) from the position, Lucifer gives Elohim the joy to appreciate his handwork just as a technician admires his good job.

2. To lead other angels as a conductor who stands in front of a choir, as an organist and as a choirmaster in praise and worship of " Elohim". When the

morning star sang together all the son
Of God shouted for Joy" (Job 38:7)

"Lucifer" literally means Light Bearer was the most honored of all the angelic hosts. He was a chief among the three archangels mentioned in the Bible. The other two being "Michael" the Angelic prince of the Jews and Gabriel" who brought the Annunciations. Form Lucifer's exalted position he got pretty close to God and got to know a lot of fundamental truth and mysteries about power, being and creation. He also got to know the like and dislike of God.

In this favored position, Lucifer was God's delegate to the pre-Adamite or Antechaotic world. He also ruled the then earth in his beauty and Glory ands controlled the whole of the then world completely. *"Thou hast been in Eden the garden of God" Ezek.28:13a).*

The system of government at this time was THEOCRACY, there was joy, love, peace, and harmony everywhere in God's Kingdom and then God's garden of Eden (earth) (Ezek. 28:13-17, Isa. 14:12-14).
In due course, Lucifer's great beauty, position, and knowledge went to his head and he began to covet God's throne, then things began to change

Friend, please permit me to ask you this question, is your favored gift and position in the ministry, in your home and at your working place not beginning to get into

your head? Has God decided to release little out of His great power, anointing or beauty upon your life and your head are beginning to swell? Are you not beginning to have an exaggerated opinion of yourself? Or have you suddenly become so obsessed by your thoughts that you now think you are responsible for the making of your God-given abilities? Before things begin to change for worse in your life why don't you stop here and cry to God for help?

PRAYER POINTS:

(Read Roman 12:2 Amplified)

CHAPTER 2

THE ABORTED COUP

"*And the earth was without form and void; and darkness was upon the face of the deep*" (Gen. 1:2a KJV).

If we critically consider this verse we will observe its proofs that Genesis 1:1 was prior acts of God. And this subsequent verse was now the earth under a deep (flood) and judgment waiting to be restored to a second habitable state; as before the curse of verse 2.
The pronoun "was" in the verse above in the Oxford dictionary is the same as "Be" and the Hebrew word used for "was" is "Hayah" meaning, "became".
So the earth was formally "Bara" (created perfectly) but "hayah" (became) "Tohu Va bohu" (waste and empty).
The earth was not "Tohu" in the beginning (Isa. 45:18) but became "Tohu" because of sin and consequent judgment (Jer.4:23).
"And the darkness was upon the face of the deep" This darkness which was never of God's pattern of creation came to obscure the sun and light.

The deep in this verse is what the Theologians call "LUCIFER'S FLOOD". A flood that was more devastating and which lasted longer than Noah's flood. Some Theologians speculated a time lapse of approximately one thousand years (1,000 years). This Lucifer's

flood destroyed many things that were created.

The fossil record of the scientist does not contradict the Bible if they will learn of Christ; Jesus will say the animal became extinct during Lucifer's flood.

HOW DID IT HAPPEN?

Lucifer, the original delegate to the planet earth, conceived an idea that he could obtain the co-operation of other angelic beings to dethrone God and oppose Theocracy so as to become the exalted supreme ruler of the universe. This thought and rebellion began to form in his head. As his pride increased, he canvassed with one-third of the heavenly host to support him in his coup d'état against God and Theocracy, claiming that God's system of government was dictatorial, unjust and dishonest, he formatted rebellion by slander and accusations against the Almighty. He promised his earth-kingdom subjects and the one-third of angels that he would establish a better and more equitable government, telling them that they would all be blessed under his administration than God's. He also promised the angels greater position of authority in the universe.

Remember that God is a Spirit and the earth subjects of Lucifer could not see Him, they could only see His physical delegate, who was Lucifer. (Just as God cannot be physically seen today but can be seen through his min-

isters and Christians) maybe his subjects too influenced him.
God did not interfere in this rebellion plot, He allowed them their free will as He does to man even now, He gave them the opportunity to choose, and then went on to prepare hell as the eternal habitation of all angels who will rebel or disobey. Unimpressed, Lucifer carried out his plans, He said he would rather be a prince in hell than a servant in heaven having tasted power and authority as a delegate. He openly broke the relationship with God and Theocracy, hoping to use the numerical strength of his earthly subjects and angelic supports as an advantage, he led his rebels from the appointed place of mobilization on earth into heaven in his attempt to dethrone God. He was however met by Michael and the loyal angels and after a terrible battle, he and his supporters were cast out of heaven down to the earth. (Rev.12:4:4-9).

Undaunted, Satan organized his kingdom for war and prepared to match to heaven (Isaiah 14:12-14). Again he was defeated and cast down like lightning (Luke 10:18). A downward being with a downward journey and downward career, which will end in the lake of fire (Rev.20:10).

This casting down of Satan and his hosts was accompanied by the total destruction of the heavens and earth. Only God's heaven and the foundation of the earth and the basic element remained (Read Jere.4:23-26;

11 Pet.3:5-8). Lucifer's earthly kingdom was completely destroyed, every bird, animals, fish, vegetation were destroyed by the fierce anger of the Lord. Everything was turned upside down, by the means of a great flood thereby making it empty and waste (Psalm.104:5-9, Gen.1:2). Elohim the omnipresent God who also is a Spirit kept watching over the remnant of creation.
Have you heard of dinosaurs? Those terrible animals they are not fictitious. The paleontologists (those who study dinosaur fossils) prove that those enormous animals most of which were carnivorous lived here on earth, many years ago and they became extinct long before man lived. They also proved that during this time the continents were joining together in a single land (PANGEA) because they found the bones and fossils of dinosaurs on every continent (kingfisher's encyclopedia page 250-273).

If the scientist would forget the theory of evolution and come back to the master, Book off all age (BIBLE) they will readily know that Lucifer's flood is the answer (Gen.1:2) At this junction Lucifer was christened "Satan" means" Adversary" and the Angels that left their first estate and were enlisted in Satan's rebellion became Demons and are addressed a such.

Friend, this battle is real and the demons are out there for the meal with no good intention toward God and man, " *Be sober, be vigilant; because your adversary the devil, as roaring*

lion, walketh about, seeking whom he may devour who resist steadfast in the faith. (1Peter 5:8-9a).

Why don't you take time off to pray like this:

PRAYER POINTS

9. Every access point of demons into my life be closed by the fire of the Holy Ghost, in the name of Jesus.
10. Thou fingers of demons on my body, be paralyzed, in the name of Jesus.

CHAPTER THREE

THE IMPLICATION OF MAN

"And the spirit of God moved upon the face of the water" Gen.1:2b.

The earth now under a curse of flood and judgment needed to be restored to the second habitable state as before the chaos & curse. The rebellion forces meanwhile watched fearfully for the next step Elohim would take. Elohim does not change and His plan of creation must come to pass, Satan only delayed it. After some time, Elohim remade the heavens and the earth (Seven in number). The Hebrew word for "**Heaven**" here is " **Shamayim**" " IM" is the plural ending, and all that God began to do was a work of calling forth out of the already existing materials.

In verse seven of Genesis chapter one, we find an accurate Hebrew word which makes it clearer "Asah" (made) And God made" (Gen 1:7). **"Asah"** is the opposite of **"bara"** to create. This Elohim remade everything ready for another delegate (Gen.1:3-25). He later spoke out His plan and vision of new rulership for the new Garden of Eden (earth).

let us make man in our own image (spirit being), after our likeness (Spirit, soul, and body) and let them have dominion (often translated exousia" Authority in Greek) over the fish of the sea, and over the fowl of the air, and the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth" (Gen. 1:26 KJV).

This time God created a new race of mankind to refill the earth. He did not create giants, neither did He give it to the earth. He did not create giants, neither did He give it to the angels, they had let Elohim down. He gave the earth to man and placed man in the Garden of Eden to keep and guard it. He commanded all the animals to pass before their new master in the worship of him as a god to the planet. And Adam created the names for the animals (Gen. 2:19-20). The purpose of the names was to call them and talk to them to give them instructions. So where Lucifer was formally placed was given to Adam and man is now to play the role which the proud Lucifer lost through his rebellion. This was a big slap for Lucifer who was desperately searching for a destination other than hell. Satan

quickly developed a plan with Leviathan (the serpent, one of the rulers of the darkness of this world) (Isaiah 27:1) entered into him and came subtly in form of a serpent to beguile the woman.

Mama Eve, if it were now on seeing a snake talking to her would have run away but because animals do talk before, Eve was accustomed to it. A practical life application here to you my dear reader is that you should learn to bridle your tongue. The serpent asked the woman a question of fourteen words and she lost the gear and went on and on to reply with forty-four words. (Gen.3:2-3), I strongly believe that the spirit of a tale- bearing and gossiping entered into the woman. This was influenced through the serpent. (Pro.20:19).

Satan and Leviathan's plan succeeded, they won and, man lost his dominion and authority over the earth to Satan. The threefold instruments which Satan used and still uses today are: (a) lust of the flesh (b) lust of the eyes and (c) the pride of life (1 John 2; 16). *'The woman saw that the tree was good for food (food to satisfy the flesh). It was pleasant to the eye (lust the eye "beauty is vain" Pro.31:30) a tree to be desired to make one wise (wisdom to be like God as a pride) and gave her husband with her and he did eat* (Gen.3:6). But the realization dawned on them too late that they have taken the bait, they have been obsessed by the devil into believing his lies and rejecting Theocracy they had been sold out to the

devil thereby putting themselves and their off-springs under a curse and have sold out their birthrights, like Esau for a morsel of red pottage (Gen. 25:29-34.).

Thus through the instrumentality of the devil man became an outcast and rebel to God. It was at this junction that Satan got another name the "slanderer" "who slander both God and man". Quickly he and his host moved into earth's atmosphere (second heaven) in between God's heaven and man's earth's from where they began a vain bid to gain eternal control of this planet.

Satan now distributed the earth to his chiefs as he had earlier promised them before the coup against God; he gave the "land" to the "power" (also known as idols). The "air" to the spiritual wickedness in high places (also known as " hindering spirit and guardian demons or prince of the air) The "water" was given to the ruler of darkness of this world (Marine spirit, Leviathan etc.) While he resides with the principalities in second heaven. After the job specifications, these demons assumed the forms of animals to represent the kingdom of man and animals. They chose specific animals to be their symbols e.g. "Marine-Fishes" Witches- Birds", Baal-Cattle", Beelzebub-Flies and Cows", Gog and Magog-Dog", etc. Thus what God naturally gave man dominion over in Gen 1:26 now became means of treat and oppression to man by the demon, either physically or in our dreams. (Ps.22:12; 16:21) "For the thief

cometh not but for to steal, and to kill and to destroy" (John 10:10).

The moment man lost dominion, his kingdom fell, and thus affecting all the creatures; dogs now bark, sheep now bleat and cow moo, plants and vegetations are not exempted. Yams bring thorns and orange trees have thorns just to torture man until his redemption.

Have you ever read this translation? "*All creation is waiting patiently for the day when God will resurrect his children. On that day the things that overcome the world will disappear. The world will share in the glorious freedom from sin which God's children enjoy. We know that the animals and plants suffer as they wait for this great event*". (Romans 8:20-22 Simplified living Bible).

Satan, ever since then has put man and animals in bondage, hence man needed to be delivered. But who can deliver man? No one except Elohim and thus Elohim has been planning a means of coming to the earth for man's deliverance and restoration.

PRAYER POINTS

1. Father, I will dominate, restore my dominion, in the name of Jesus.
2. I release myself from every demonic domination and from every harassment of the animals used in my life, in Jesus name.

3. All my birthrights that have been stolen willingly or unwillingly, consciously or unconsciously, Father I claim them back, in the name of Jesus.
4. Every animal of darkness, pursuing my life, the sword of God, cut them down, in the name of Jesus.
5. I destroy every demon of mental discouragement; I cast you into the bottomless pit, in the name of Jesus.
6. I destroy every demon of misfortunes and bad luck; I cast you into the lake of fire, in the name of Jesus.
7. O finger of God, arise and destroy every demonic power of frustration and disappointment in my life, in the name of Jesus.
8. I cancel and destroy every demonic assignment of the ancestral-debt-collector, in the name of Jesus.
9. Holy Ghost fire, arise locate and destroy every habitation of demons in my environment, in the name of Jesus.
10. I destroy everything that has been used by sorcery and enchantment to afflict my life with demons, in the name of Jesus.

CHAPTER FOUR

THE AGE LONG BATTLE

THE BATTLE LINE IS DAWN

Amidst this conflict, cool calculating goal oriented Elohim gave his verdict and this verdict will run for ages.

"And I will put enmity between thee (Satan) and the woman (Eve is symbolic a woman or bride often refers to nations in prophecy probably referring to heaven the city of God above from where Jesus came) and between thy seed (demons and unbelievers) and her seed (Christ and Christians). It shall bruise thy head and thou shall bruise his heel" (Gen.3:15).

Satan knew that this was no joke and he was preparing to fight to finish the battle with Elohim attempting to thwart His purpose and stop this verdict. He quickly began to look out for the man who could possibly bring this prophecy to fulfillment. He did his best to despoil the human race, introducing all forms of manifestations of sins to the firstborn of mankind Cain. Such sins as Jealousy, unhealthy rivalry, fear, temptations undercutting a possible comparison and murder. In this Satan succeeded again but he realized that man was continually multiplying and that ordinary temptation will not pollute them fast enough, he commission some of the fallen angels (Asmodee with his twenty thousand demons Locally called spirit husbands or wives) to assumed human bodies and marry woman so that through demonic intermarriage and reproduction

they could demonize the whole human race (Gen.6:1-2).

The plan also became so successful that in no time the whole human race was corrupted. Murder, fornication, adultery, and idolatry were introduced and taught to the human race by the giants (Gen.6:4-6).
The human race became corrupt and genetically tainted because of the mixed marriage and hybrid children. The aim of Satan was to eliminate the pure strain of the human race so that there will be no possibility of his overthrow by the seed of the woman prophesied in Gen.3:15.

Because he had been with God for long in heaven he knew that God hated sin and the logical end of sin is consequent judgment and destruction, the rebels gloated over their great victory and great wisdom in outsmarting God, knowing fully well that God would have to destroy man. But there was a slight miscalculation; they had overlooked Noah, one man that God choose to be righteous, a man who could stand in the gap, who had not become corrupt through the scheme of the devil. The anti-diluvial world type of Jesus Christ through who God could preserve faithful remnants to continue the human race.

Truly as the rebels anticipated, God moved to put an end to all flesh because it has corrupted his way upon the earth, but God preserved eight people in an ark out of

the human race. The battle resumed immediately the righteous Noah and his family landed from the ark. All the one-third rebel angels now focused their attention on only eight people. This is still unknown to ignorant Noah. Baal one of the powers succeeded by oppressing this righteous man, Baal introduced his favorite "Alcohol" and made Noah drunk and naked with irreverence cursing (Gen. 9:20-29). Thus polluted Noah's children began to multiply and in no time the earth became corrupt again, by the schemes of the devil.

Nimrod the great-grandson of Noah through the grandfather Ham and the father Cush was the next target of the demons. Nimrod from the Hebrew word "Marad" meaning "he rebelled" was a large powerfully built dart skinned man who became famous as a hunter against wild animals which seems to have overrun the land in those days. Obviously, anyone who could successfully provide protection from the wild beasts would receive great acclaim from the people (Ex. 23:29-30, Gen.10:8-9) but this is ordeal was perverted to hunting men for sacrifice as initiated by the idols Baal and Asteroth for mother and child worship.

Satan who was bent on destroying God's verdict of "the seed of the woman" once again polluted the strain of the lineage by picking up on the wife of Cush a wicked woman who gave herself wholly to gaiety and willingly allowed Asteroth to possess her (Asteroth is

also known as queen of heaven of holy Mary, she is served as a goddess and is one of the powers. (Jere.7:18; 44:15-19). This demon convinced her to kill Cush her husband and marry Nimrod her son an ordeal which was carried out, thus through this incestuous contract outright demons from their way legally into the planet earth.
God had bound himself with an oath never to destroy man with a flood again but the rebels angels went ahead to spread rebellion to provoke God in destroying them again. After the flood, God told men to multiply and fill the earth but Satan told them don't mind God, move in a company don't scatter.

"And as they journeyed from the east that they found a plain in the land of the Shinar and they dwelt there" Gen.11:2 "Plain" here means Convenience". All the while in their journey they were not obeying God's command but were so obsessed by the devil to actually look for an opportunity to rebel. (Babylon) was a convenient place for them to formulate all manner of paganism or religion of convenience.

Dear reader have you not been by the devil and transformed to a cafeteria Christian, picking and choosing not the will of God but those doctrines that best conform to your lifestyle? It began here in Babel the place of confusion. When Nimrod died, according to Alexander Hislop the great historian, his body was cut into pieces, burnt, and sent to various areas. Similar practices are men-

tioned even in the Bible (Judges 19:29, 1 Sam.11:7).

Following his death, which was greatly mourned by the people of Babylon, his wife Semirami claimed he was now the semi-god an influence impressed on her by Baal. Later when she gave birth to a son, she claimed that her son, Tammuz (another name of Baal) was their hero reborn.

The mother of Tammuz was told by Asteroth the prophecy of the coming Messiah to be born of a woman, a truth which was known from the earliest times (Gen.3:15). She claimed that her son was supernaturally conceived and that he (Baal) was the promised seed, the "savior". In the religion that develop, however, not only was the child but the mother was worshipped also, thus the mother and child worship influenced by Asteroth and Baal with such name as name as "Isis and Horus", Venus and Jupiter" "Isi and Iswara" "Cybele and Deoius" Devaki and Chrisna" queen of heaven (Asteroth) and Baal "Holy Mary and Baby Jesus" of Rome began in Babel. God needed to scatter them. Till date that Ancient City has been ruined but their demonic religion and idolatry have found their way to all countries in the world.

While Satan was at work introducing all manners of sins and perversion to destroy mankind and prevent the seed of the woman, God was busy working out His plans of salvation by preserving remnants to Him.

Satan was concentrating on the wrong group of people. Abraham nine generations after the flood was the man God separate and made a covenant with through which the seed of the woman who was to overthrow Satan will come.

Immediately Satan realized God's covenant with Abraham, he went to pervert him, he obsessed him with thought of unbelief, doubts, impatience, skepticism and inability to exercise faith thus through Sarah's suggestion of Hagar a personal arrangement different from God's plan was made and Ishmael a slave and persecutor of Isaac was born, The devil now made our great father of faith to believe this error as an attempt to hinder him and to make him hopeless. Satan, however, succeeded in making Abraham to obstruct God's plans for his life and to feel that God was only making an empty promise. Hear father Abraham pray:

"*Then Abraham fell upon his face and laughed, and said in his heart, shall a child be born to a man* who is hundred years old? And shall Sarah who is ninety years old bear a son? And Abraham said to God, oh, that Ishmael might live before thee" (Gen.17; 17-18).

Does it mean anything to you? God doesn't worry about Isaac just protect Ishmael for me. But Ishmael will never dwell in God's presence he will be a wanderer and every Ishmael will delay the birth of Isaac. Eventually, Abraham paid off the devil's alternative and

he never saw him again till he died. The devil again succeeded in raising a religious persecution to whoever will be numbered among the seed's seed. (Christian). Through Ishmael the founding father of Islam.

The devil having failed now with Abraham attempted a lot of tricks to prevent the coming of Messiah. The entire son in Egypt was killed at birth. But Moses another type of the seed was rescued and through divine intervention was raised up by the murderer. Untrained Moses the deliverer became a murderer hence he needs to be trained at the backside of the desert for forty years in search of an answer to a question "who made you"? (Ex.2:14). At the end of his wilderness training, the burning bush got his concentration to draw nearer to God the consuming fire who gave him a message of deliverance to the Hebrew. Still, in search of the answer to the question, he asked: "whom shall I say sent me?" And God replied I AM THAT I AM (Ex.3:13-14). The Lord in His bid to preserve His remnant led them out of Egypt as He had promised Abraham (Gen.15:13-15, Exo.12:40-41).

The devil knows that God meant business and with his entire hosts were looking for an opportunity to pollute this race. The opportunity finally came at Horeb the mountain of God in the wilderness of Sinai. When God decided to give them the law of conduct (The Ten Commandments). The stiff-

neck Israelites remove and stood afar off (Ex.20:18-21) but Moses drew near to God.

The devil watching this and knowing that a man afar off there is nothing God can do with him, because there are so many things standing between such man God and that they chose not to hear directed from God but from man and hence they were only observers and could not hear the intimate sharing of God. The devil plotted again with two of the powers (Baal and mammon) and took advantage of the gap between them God to double-cross them. Dear friend, Satan will always double-cross a Christian following God from afar off. When Peter the great Apostle followed his master (Jesus) from afar off, he denied the master three times (Luke.22:54-62). When the sons of the prophet at Jericho stood to view Elijah and Elisha from afar off, they became servants to Elisha the latecomer (11 Kings 2:7-15). Now Baal (*the god of wine and party, patron of the dance the bull god of nature)* and Mammon (the golden demon a god desiring to be served) Commissioned by the Obscure Satan influenced the mixed multitude who went up also with them (Ex.12:38) to compel Aaron in making them gods (Plural). Aaron the incompetent leader obliged and told them to sow their golden earrings for making gods. He now fashioned the gold (*mammon)* in form of a calf (Baal, the gods of four-footed beasts) thus producing two idols and said: "*These be thy gods, O Israel which brought thee up out of the land*

of Egypt" (Ex.32:2-4). what an abomination! Yet some influenced ministers of today show off their gold (cars, buildings, other material things) which they have acquired by "Break-off" ("sow" in today's Language) As Aaron did (Ex.32:2-4) they say, look around don't these (gods) prove to you that God is here? They are Aaron's brothers who told the Israelites. *"These be thy "gods"* (Ex.32:4) Are you not influenced too?

Satan had succeeded again in introducing sin and perversion the Israelites he knew that consequent judgment will follow. *"The children rose up early to offer burnt offering (making their sons and daughters pass through the fire, an abomination originating from Babel through Nimrod and Semirami which was done during Baal worship.) They sat down to eat (food sacrificed to idols) and to drink (Alcohol Baal's device for targeting man's mentality negatively for the quick accomplishment of his vice) and rose up to play (sodomy, sex orgy, and gross immorality) shrine adultery as introduced by Appolyon or Abbaddon Rev.9:11. One the principalities who originally was in charge of immorality, pollution, and wickedness" (Ex.32:6).*

God was not expecting that the Israelites would quickly have turned aside from the just given commandments to them. Satan, happy about this was expecting their total destruction so that the possibility of the seed of the woman will be eliminated alongside them by God. It was a very near at-

tempt if not for the intercession of Moses. (Ex.32:1-14) However, on the day that the law came, the devil succeeded in destroying three thousand men (Ex.32:28) but God won because when the Holy Spirit came, three thousand more were added to the church (Act.23:41)

Unrelenting, Satan fully knowing that the Israelites had become the plaything of his influence, concentrated on Moses the intercessor, the meekest man in the whole of Israel (Number12:3). Israelites were used to provoke this meekest man as to give to himself, glory due to God. He got an instant judgment and his career record was dented (Number 20:8-13). God is no respecter of persons, all glory belongs to Him, and He will never share His glory with any man. Yet He needs men that He will endure with His glory, men who will walk in God's glory and yet not share the glory. The later battle of the devil with Moses was recorded in Jude 9 when he contended with Michael disputing about the body of Moses. Satan was desperate to have this mighty man of God dead or alive as he is desperate to have even Christian today. If not for God's intervention this mighty man would have been taken to the left-hand side of Sheol.

So while the devil continued in hid an attempt to despoil man and to taint them genetically, God was also carefully laying out his plans for the seed of the woman who will

come and deliver man, rescuing him from the clutches of Satan.

Does this chapter bother you? Then we need to pray together. The summary of the prayer point goes like this:

CHAPTER FIVE

HOW THE BATTLE STANDS

"Christ disarmed principalities and powers that were ranged against us and made a bold display and public example of them, in triumphing over them in Him and in it (the cross)" (Col.2:15. The Amplified).

"There Christ defeated all powers and forces, He let the whole see them being led away as prisoners when He celebrate His victory"
(Col.2:15 Contemporary English Version)

The kingdom of Satan is not an uncoordinated mob, Satan knows pretty well about order and organization, so he established his kingdom based on pattern, a silly copycat who imitates the true things of God. He formed his "unholy trinity" the principalities, a plural term and not a singular term as God's principality (compare Eph. 1:19-21, Col.2:10 and Eph.6:12; Col.2:15). Satan divided and grouped all the one third rebel angels into four categories.

(1) The principalities (2) The powers (3) The ruler of the darkness of this world (4) The spiritual wickedness in high places. (Eph.6:12). The principalities (three in number) and the powers (seven in number) that control countless other demons are the omega and omega in the satanic kingdom, they are the supreme head.

The battle was fierce against the chosen line that Satan made them commit several blunders against God who gave them the judgments due for each blunder. But at the fullness of time, God remembered His covenant with Abraham and decided to come down to earth to rescue man from the grip and domination Of Satan. Over two thousand years ago, Jesus was born not of blood or of the will of flesh, (that of a physical impulse) nor of the will of man (of a natural father) but of God (John 1:13) His complete genealogy is trace in the gospel of Matthew 1:1-17. God with us came saying "A body hast thou prepared me" (Heb. 10:5) He came to the earth legally through the way of birth a license to operate legally on earth which the devil, a thief who jumped the fence does not have.
"Verily, verily, I say unto you, He that entereth nor by the door into the sheepfold, but climbeth up some other way, the same is a thief and a robber" (John 10:1).

The main work Jesus came to do was to destroy the work of the devil and to liberate mankind from satanic bondages (John 3:8, John 10:10). Satan as he did with Pharaoh also influenced Herod to kill Jesus at birth but he failed. When Jesus started His earthly ministry Satan came to seduce Him and divert His attention from His heaven-sent mission, he came with various temptations and offered Him a walkover match if only Jesus cold bow down. Failing in this,

he used his threefold ministry tricks which succeeded with the first Adam on the second Adam but he failed woefully and fell down flat. He influenced the forerunners of the Antichrist and false-prophet of His days (The Pharisees and Sadducees) against Him, but they failed. Jesus recognized them and said, "Ye are of your father the devil" (John 8:44).

In the brief lifespan of thirty-three years, Jesus fought a terrible battle with Satan, resulting in the Shedding of His divine blood. Jesus did not wrestle with the lesser spirits but He bruised the Head of the arch-enemy as prophesied in Gen.3:15, He broke the head of the serpent. He destroyed the principalities, he destroyed the powers, if the head is destroyed, what can the lifeless body do? From the cross, he went to the grave and said *"O death, where is thy sting? O grave, where is thy victory"* (1 Cor.15:55). "If the princes knew, they would not have crucified the Lord of glory" (1 Cor.2:8). Christ went to the grave and liberated those who are waiting for his arrival (Eph.4:8-10) and took them up, all the way to paradise. (Notice a stopover of the saints on their way) (Matt.27:52-53).

The good news today is that Jesus resurrected. The plan of Satan was that the principalities and powers would seal the tomb after crucifying Jesus. The plan was carried out with Appolyon leading the way and gog and magog (The demon in charge of war)

leading other rebels to battle with their ammunitions to prevent Jesus from resurrecting. But it was a great loss for Satan and his hosts as only Michael the angelic prince terrified them all, forcing their knees and heads to bow in obeisance to the risen Lord (Phil.2:9-11). In a twinkle of an eye, there was a great earthquake and the stone from the door was rolled away and Gabriel sat upon the stone to declare the good news. The battle was over. Jesus Christ is risen. It was with great shame and disgrace that the host of hell left the tomb in utter defeat. (Matt.28:2-4).

The false prophet (one of the three principalities) now encouraged Satan and devised another scheme, THE BAD NEWS". This was heavily impressed upon the elders who were influenced to take counsel and they gave large sums of money to the soldiers to propagate the bad news that " He did not resurrect, He was stolen by His disciples while we slept" (Matt.28:12-13).

The news spread fast and Mary Magdalene rushed to the sepulcher and met the stone rolled away, She was influenced to herald the bad News to Peter and John *"They have taken away the Lord out of the sepulcher, and we know not where they have laid Him" (John 20:2).*
They have stolen Jesus Based on this information, they ran to the sepulchre (as if Peter said to himself I must see for myself) on getting to the tomb they saw the nap-

kin with linen clothes neatly wrapped and they believed (Sister Mary's news) Then the disciples went away again into their own homes with this false belief and brother John said in verse 9,that "as at yet they know not the scripture." If I may ask what then do they know after walking with Jesus for thirty-three years? (John 20:3-10). The demon of thought must have ministered to them like this *(what we were hearing must be true, somebody must have stolen him away because the napkin was neatly wrapped by the person, I didn't believe sister Mary's story initially, but I went there myself and confirmed it.)*

The disciples too became obsessed by this false prophet's news. Their faith was successfully shifted away from their master and they were probably resigning back to their old business "fishing," they must stand outside the tomb weeping (weeping here is praying) Permit me to phrase out her (Sister Mary)prayers; God is this the end of my following the master? Why did *He cast out my seven chief demons to have left me empty? How about my life's savings of the Alabaster oil that I wasted in anointing Him? Will I go back to my former harlot and demonic friends with a story of the napkin and grave clothes? No, I must see the Lord dead or alive".*

With this determination, she now decided to repeat the step as she wept. She stooped down (not standing tall and walking high,

she was willing to learn, forgetting all that she had ever heard or known) and looked in (not looking out at the exterior or the superficial things). It was then she saw the two angels (Michael and Gabriel) who had been there all along when the complacent Peter and John came rushing in and rushing out without seeing them.

Friend, God will never entrust any tangible revelation to a complacent Christian, a man that does not care. Desperate Sister Mary was trusted with the GOOD NEWS for other big Apostles who had believed Satan's deception. The good news was the herald and Satan's scheme in collaboration with the false prophet was foiled. Though some are still obsessed into choosing this satanic lies today saying that Jesus is not the Son of God, He did not die, neither did he resurrect, but the GOOD NEWS is that Jesus died and resurrected, He lives and now sits at the "right hand" of God in Heavenly places far above all principality, power and might and dominion and every name that is named (Eph.1:20-22). *(The "right hand" in this verse above is not the literal opposite of left hand but the opposite of wrong"* Christ is seated in His rightful position.

Through His victory, the Edenic loss was restored to those who will believe in Him, Jesus took power and Authority (dunamis and exousia) from Satan and give it to Christians. Because of the presence of Christians on earth, God is able to preserve the world

until the appointed time when His plan will be fulfilled. What the Christians do in the interim is to cast out Satan and his demons wherever they are enthroned and hold the conquered territory till Jesus returns to rule the earth. This is the day and age when Christians should arise from their slumber and fear and begin to exercise their God-given authority over the devil and his demons. Do not be deceived, an easy guise of the devil today is to remain anonymous by making Christians doubt His existence through some learned ignoramus and some self-acclaimed ministers of God. They bring all sort of theories to prove that demons are not real and that once you are saved, you are saved. But remember how the Lord having saved the people out of the land of Egypt, afterward destroyed them that was polluted and that believed not (Jude 5). Is your salvation testimony as sound as theirs? Yet they perished in the wilderness not getting to the Promised Land.

I am telling you boldly that Satan and his demons are real and are active on earth, and their major aim is to hunt Christians and make them casualties of Spiritual wars. Be informed.

But friend, my good news to you is that demonS are thieves with no moral or legal backing over man. But because of fear of ignorance, many people have not known this truth and are still under various forms of bondage. (Prov.11:14; Hos.4:6).

Listen, The devil keeps running around saying to his demons HURRY! HURRY!! Seize every opportunity, make attempts (attempts result into temptations) don't wait for convenience an opportunity is always lost when a convenient time comes, we have not much time left, destroy, entice, afflict, tempt and do all you possibly can so tell hell will be jam-packed. Will you be numbered among the casualties?

The aim of this book is to expose you to the truth so that you can destroy every demonic attempt and works in your life or ministry if you believe this truth; I want us to pray together like this:

PRAYER POINTS

1. I command the fire of the Holy Ghost to consume every demonic agent assigned against me, to seduce me from my heavenly assigned mission, in the name of Jesus.
2. O Lord, people will go based on my information! Therefore I reject every complacent spirit and attitudes and I consumed you spirits of false prophet with the fire of Holy Ghost, in the name of Jesus.
3. Lord, I will stoop down, I will look in, therefore, every napkin revelation I consume you with the fire of Holy Ghost, in the name of Jesus.
4. Negative dreams, negative visions, fashioned against me backfire, in the name of Jesus.

5. Every vampire demon assigned to my life, I bind you by thunder and cast you into the bottomless pit, in the name of Jesus.

8. Every zombie demon (eaters of flesh) assigned to eat my flesh; I bind you by the power in the blood of Jesus and I cast you into the bottomless pit, in the name of Jesus.
9. Lord entrust me with divine trust, approved me, mobilize me and send me forth, in the name of Jesus.
10. Father pull me out from wilderness wandering and let every journey of Kadesh end in my life today. I must enter into the Promised Land, in the Jesus.

CHAPTER SIX

THE EXISTENCE OF DEMONS

Although we cannot see demons physically, their works do manifest physically against the believers and the church. Their works show that they are real, they manifest by their wicked works. *"Be sober, be vigilant, because of your adversary, the devil as a roaring lion walketh about seeking who to devour"* (1Pet.5:8).

The word "demon" comes from the Greek word "daimon" which means an evil spirit in the New Testament. Some scholars think that daimon come from the root word "da" which means, "to know". This is not correct as it would mean "daimon" (a knowing one). Though demons have superhuman intelligence because of their original creation by Elohim they are not all-knowing. They are invisible and they operate above natural laws.

They are evil, wicked, vicious and unclean. They possess superhuman strength which they give to any human body they inhabit. Nothing in the world can stop or withstand them except the NAME of JESUS and the BLOOD of JESUS, and those invested with His authority.

PERSONALITIES OF DEMONS

While the demons do not have physical bodies, they do have the power to assume human form and appear to man.

CASE II: Sometimes ago in 2012, I got down on a bus and a beautiful lady walks toward, The Lord opened my eyes to see beyond her eyes and I saw two empty holes in the eye sockets, she recognized the presence of God with me as I also recognized her to be pure demon in woman body going on an assignment. I immediately released the fire of the Holy Ghost, she hurriedly crossed the gutter and uttered these words *("They would not mind their business, I don't know what concerns him with me now")* looking terrified as she was talking and going. I command her mission to the unsuccessful and increased her torment with the fire of the Holy Ghost.

Demons are spirit being and are fallen angels debased along with Lucifer after their unsuccessful attempts to overthrow God. They have hierarchies and are divided into four categories (Eph.6:12). They are immortal. We can only torment them and bind them but God will do their ultimate destruction when they will be cast the lake of fire.

THEIR OPERATIONS AND ACTIVITIES

Satan and his demons are intent on ruining the man; their operations are always negative toward God and mankind. Their main objective is to deceive, entice, tempt hinder and ruin mankind by drawing man's mind from God and inducing them to break God's laws thereby bringing God's displea-

sure upon. *"The thief cometh not, but for to steal and, to kill and destroy" (John 10:10).*

They also oppress, possess, suppress, afflict and bind their victims with moral or physical defects or deformities, while they themselves take on the forms and names of these infirmities and or afflictions.

They always oppose God's will hinder man's welfare, they corrupt sound doctrine, deny the deity and Savior-hood of Jesus Christ. They are guerillas of spiritual warfare under Satan's command. Satan and his demons are doing all these against the man because:

i. **They hate God's image in a man being a latecomer who has been placed in the position of God in Eden, the garden of God which Lucifer lost.**
ii. **They hate the human nature we bear which had been assumed by the Messiah "Jesus Christ"**
iii. **They hate joy to which we are destined because they themselves have forfeited it forever.**
iv. **They hate a man for a thousand and more reasons and envy mankind. Be warned! You are wrestling against desperate folks.**

THEIR DOOM

They share the same fate as their master. Like Satan, their final destination is the lake of fire (Rev.20:10) and they will be tormented there forever.

PRAYER POINTS

1. Tormenting arrows, targeted at my destiny, backfire, in the name of Jesus.
2. Demons from the grave jump out of my body, in the name of Jesus.
3. Blood of Jesus, Holy Ghost fire, purge my life from every demonic material, in the name of Jesus.
4. Thou great physician, heal my roots from every demon of infirmity, in the name of Jesus.
5. Heaven, ordain terrifying noises against all the demons tormenting my life, in the name of Jesus.
6. Every demonic judgment against my future, backfire, in the name of Jesus.
7. Angels of God, break every demonic siege mounted against me, in the name of Jesus.
8. Henceforth, I will progress and prosper in life, in the name of Jesus.
9. I declare loud and clear, I am free from demonic bondage, in the name of Jesus.
10. Divine revelations, spiritual visions, divine dreams will not become scarce in my life, in Jesus name.

CHAPTER SEVEN

THE FIVE CHURCHES

The Church here does not imply structure or edifices, neither does it particularly signified a sector or denomination but the body of Christ, the Christians. When Christ came preaching, he did not come to build edifices, in fact, he said not one stone of the building of the temple shall be left upon another. This prophecy was fulfilled when Titus destroyed the temple in A.D.70 (Matt.24:1-2).

Christ came to build a mobile church. Men with the epistles written in the fleshy tables of their hearts by the Holy Spirit and read of all men. Jesus did not leave a synagogue for the disciples when leaving. But responded to Simon's revelational statement *"thou art Peter, the rock no longer Simon meaning hearing), and upon this rock (revelational confession) I will build my church (people, fold) and the gates of hell* ["demons and hindering spirits" same as gates in Psalm 24:7-9] shall not prevail against it" [Matt.16:18].

Revelation brings a change of name and if you can catch the vision that God through his Holy Spirit is unfolding, you will be lifted up to operate in the supernatural. It is time to be a part of God's mobile church and do away with expensive bricklaying, tower, name-making (a.k.a) and empire building as was in Babel of old (Gen.11:3-4) an ordeal which has crept into the churches today.

The Church is people and as far as deliverance and spiritual warfare are concerned, there are five groups.

1. The first group disbelieves deliverance ministry and the proof that Christian can have demons. They give their reason as saying it is the doctrine of demons.
2. The second group believes in deliverance but says it has gone with Christ and his Apostle that Christ had fought for Christians and had won, His victory has eradicated demons, therefore we have no need of deliverance having been once delivered.
3. The third group believes in deliverance and the existence of demons but they do nothing about it because of fear. "Don't touch the devil, leave Satan alone they say, let a sleeping dog lie." But demons do not leave them; they are always on the defensive the demons are on offensive an opposite of God's intention.
4. The forth groups are the most unfortunate Christian who are ignorant of the devices of the devil and their rightful authority over Satan and his hosts. These groups are sincerely wrong in their ignorance. Whatever problem comes their way, they believe it is from God as the trial of faith, whatever predicament comes their way, they believe it is their destiny. But hears God's

verdict

"My people are destroyed for lack of knowledge" (Hos.4:6)

5. The fifth groups are those who believe in deliverance and accept Christ's teaching on it and practice it. Those who know their right and God's expectations towards the devil and its demons.

Which of the churches do you belong to? Among the first four or the fifth? Be sincere with yourself, if you are among the first four it means you have been deceived. "To deceive" means to impose a false idea or belief on someone to mislead purposely with tricks or strategy, causing a person to believe what is not true; Deception involves falsehood or the deliberate concealment or misrepresentation of truth with intent to lead another into error or to disadvantage; it tends to produce a sense of helplessness. The same word interpreted as *"beguiled" is deceived."* (Gen.3:13) Eve said to Elohim; *The serpent "beguiled me" This suggests that he deceived her or mislead her by means of allurement.*

It is better for you to consider a change of baton now and get equipped the available equipment with which Christ has equipped His church. Do not procrastinate your decision, act right now, fear is the opposite of faith and defeat is the opposite of victory. Christ has both giving us faith and victory.

"then Jesus said to those Jews who believed on him, if ye continue in my word(hold fast

to my teachings and live with accordance to them), then are ye my disciples indeed; "and ye shall know the truth, and the truth shall make you free" (John 8:31-32).

If you are a baby, there is no harm in carrying feeding bottle, but to be a man and yet you are carrying feeding bottle, it is a disgrace. Without knowing the truth of the matter, automatically you remain in a bondage of ignorance to the matter, and ignorance of the law is no excuse as there might have been several advantages taken of you. But to know the truth of the matter, and yet be in bondage in suicidal. Bow down your head and pray.

PRAYER POINTS

1. Thank You, Jesus, for educating me about the truth of the matter, from today I refuse to be in bondage, Jesus has set me free, in the name of Jesus.
2. Every property that I have lost through ignorance, I claim you back right now in seven-fold, in the name of Jesus.
3. I claim and stand upon the authority conferred on me by Jesus and I disengage myself from with every demon sent on assignment against me. Let the thunder of God begin to strike you now, in Jesus name.
4. Success padlocking demons, I bind you by fire and collect the key of my

success from you right now, in the name of Jesus.

5. I declare loud and clear, I open my door to my success, in Jesus name.
6. Every demon of humiliation, loose your hold over my life, I bind you and cast you to the bottomless pit, in the name of Jesus.
7. I decree by the authority in the name of Jesus, I am untouchable, unstoppable and unbeatable, in the name of Jesus.
8. I command the wind of God to uproot every demonic tree of death and hell growing in my life, in the name of Jesus.
9. My Angels of greatness locate and bless me, in the name of Jesus.
10. My destiny shall command supernatural breakthroughs, in the name of Jesus.

CHAPTER EIGHT

KINDS OF DEMONIC ATTACKS

1. **REGRESSION:** this is the act of going backward, or returning to a previous, usually worse, condition. When you regress spiritually: you go backward in your spiritual work or life. This is similar to backsliding, instead of going forward in your relationship with Christ, you turn again to sin. It is reversing or returning to the earlier stage of development.

When you regress physically, your business becomes backward until dormant and eventual bankruptcy. You go to your office or workshop and it becomes a ghost store where no one patronizes whereas others besides you are selling. "Djakarta" a demon under mammon (one of the rulers of the darkness of this world responsible for backwardness and delusion) is usually the executor of such. It makes people sell their hard-acquired properties until they are left with nothing. It becomes serious when you are indifferent or complacent to God and his words. The aim is to make you backslide and turn away from God as though He is of no value.

2. **REPRESSION:** This is often misinterpreted as suppression but it is different, as here Satan or his demons hold you back or restrains you through di-

rect attacks from within. This starts from being actively excluded through unwelcome thoughts that keep you from conscious awareness. And all the while you become moody and dull as your Joy is being stolen away by the demons. Little by little.

Spiritually this is slowing them down or little cooling off and a little despondency. You know longer see any reason to be joyful and happy to pray or praise the Lord. If you are with a group of other believers you can pray and sing but alone you can not. Your mind and thoughts are fixed on what you have prayed for and not received thereby becoming discouraged, despondent and unable to smile while "Anem" the demon that steals nullifies prayers is at war against all Christians. Satan and his host are achieving their goals little by little because the Bible says "A glad heart makes a cheerful countenance, but by sorrow of heart, the spirit is broken" (Prov.15:13) read also (Prov.15;17:22).

3. **SUPPRESSION:** This is a form of attack from the devil or his demons by which one is held or subdued forcibly through direct attacks from without. Spiritually it is curtailing or prohibiting ones spiritual growth through pressures from the outside squeezing down on one, the faith (Jude 3). It could be through activities in the church of other engagements which looks gen-

uinc, innocent, and unsuspecting but it tears you apart from your personal altar and personal relationship with the Lord and your altar of fire is either burning low or is out of fuel. The aim of the devil to tear you off as a branch from the vine (Jesus) and you might not immediately know it until the leaves (gifts) start folding the fruits (maturity) starts drying. The ultimate aim and the end are that the branch, have withered becomes firewood. When the devil sees you yield to this external pressure, he calls his troops, "Hey, we've got one going over here (he is going little by little and has not arrived). Let us work on him and see how far down we can take him (Satan and his host being downward creatures) One of the rulers of the darkness of the world "ORIONTA" is on assignment against such person. ORIONTA The Chameleon Spirit, the demon of hypocrisy, which gives people the ability to assume any form they want, both physically and spiritually. It will make such person pass as a Christian anytime you see him without knowing that he is gone down. Suppression is a step in demonic oppression and may result in possession if untreated quickly.

4. **DEPRESSION**: This is the act of being pushed down or lowered to be affected

or afflicted with a low spirit or spirit of heaviness. Depression brings about sadness, grief, disappointment, loneliness, and discouragement. The person under depression may feel fearful, guilty, or helpless; he may lose interest in work or social life; he may experience ache, fatigue, loss of appetite and other symptoms. He may feel rejected, hopeless and may seek to harm himself or become suicidal. Satan and his demons have caused such to sink to a lower level and if allowed to linger, Satan strengthens his control and grip over the individual. Physical depression gives way to psychological, emotional and spiritual depressions. It looks natural at times but it becomes an entrance or doorway. Some unsuspecting causes like self-esteem, comparison ambivalence, sickness and hyper-mental activities can become a doorway for demons invasion thereby causing depression. During the depression, each of the negative feelings has a demon behind them that operates through the thought, they could be lesser spirits like the spirit of fear, the spirit of rejection, the spirit of guilt, frustration spirit with hindering spirits and the spirit of death called the chief demons. Are you depressed? Do something about it now before demons take advantage of it.

5. **OPPRESSION**: This is the process by which harsh dominion is exercised over one by the demons thereby making one to feel heavily weighed down mentally and physically. One feels overwhelmed or crushed. Oppressed people often lack vitality and they deteriorate mentally or physically. They are afflicted with various forms of sickness and disease, which is mostly from the POWERS or ANCESTRAL SPIRITS who have to delegate their afflictions to the RULERS OF DARKNESS OF THIS WORLD, being the closest to man to carry out these attacks upon the victims of their target. This goes on in the body and soul of a man. At this stage of the demonic attack, there is a stranger hold on the person. The devil plans from this stage how he can build his strongholds in the victim and how to totally control such before long, yet there are many of them in our churches. Pastors, what are you doing this? Christ came to set the captives free.

6. **OBSESSION:** This means a compulsive preoccupation of one's mind with a fixed idea, unwanted feeling or emotion, often, to an unreasonable degree. It is from Latin "Obsideo" meaning, "Besiege". Besiege means to lay siege to or to crowd around. When demons besiege a man's mind it means that

demons in the soul and body are attacking and besieging the spirit of the man. *"Acarine" (One of the rulers of the darkness of this world who is in charge of blindness both physical and spiritual)* pushes a spiritual scissors or cellophane into the eyes thereby preventing such from the seeing the truth even vision from God. The person now becomes obsessed with an idea (either from himself or from demons impressed upon him) or thought which could be anything; e.g. what is bad in drinking? What is bad in marrying another wife or husband? There is nothing like miracles? Is Jesus no longer coming? Does God heal today? Such become unreached by God's warning having built a wall around himself in self-defense. Lust of eyes, strong evil imagination, desires of the flesh, the pride of life are easy bait for him, his thoughts are unreasonable but he cannot help leaving it or overcoming it.

Soon he refuses to hear anyone else's opinion on the subject and becomes unteachable. It becomes so tough when such can still speak in tongues or prophecy being fully deceived by "CYRIEL" *(A ruler of darkness which gives people the ability to prophesy and speak in tongues. It gives vision too. It is a marine demon in charge of the pseudopentecostal churches).* At this point, the devil really has control over one's soul and body.

He has captured all of the person's thoughts and has established a strong like a fortress; it is difficult to break through.

7. POSSESSION: Means to hold totally as property, to own one's spirit, soul and body. I do not believe that Christian can be demon possessed but I know that demons can dominate and carry out all the previously mentioned forms of attack on Christian. Demon possession is possible with those that are Christless because you cannot be neutral either you are sold out of God or for the devil.

Those possessed of the devil fall into a category of the kingdom of Satan part three (Eph.6:12) The ruler of the darkness of this world and these agents of Satan are two types, known as (1) THE DEMONIC RULERS and (2) THE HUMAN RULERS.

THE DEMONIC RULERS: These are demonic spirits with territorial authority who exercise control over a large area of human and world activities. They normally work as a team and share the same name and privileges as one body. Variations in a name for the same kinds of demons by their activities; no matter what name they are called in a locality. Such are Marine demons, Leviathan demons witch spirits

and other invoked demons like Archangel Michael, Michael of the planets, Sat-an etc.

THE HUMAN RULERS: They are human beings who serve Satan in high places and often have some type of control over large numbers of human beings. The influences could be political, moral, social or religious. Some of such people are head of cults or brotherhoods, Chiefs false prophets, kings or rulers. These get their positions at the cost of human blood or human heads. Such rulers are often buried with a lot of bloodsheds; some promote false religions or are directly anti-Christian.

The witches and wizards fall into this category. Formally in Yoruba land, Nigeria, when a king dies, seven people are killed as a sacrifice to appease the gods. These human rulers willingly allow the spirits of the demonic rulers to enter into them and operate through them. These human rulers are extremely vicious, wicked, merciless, narrow mind and intolerant. They exhibit Satan's cruelties on earth; they are a big sickness suffered by the whole of mankind. The only cure for them is Jesus Christ of Nazareth.

CHAPTER NINE

CAN A CHRISTIAN HAVE DEMONS?

Yes, a Christian can have demons but demons cannot have a Christian. To have demon means that one is being afflicted by the evil spirit through one of the first six ways mentioned in the previous chapter, such affliction could be physical or spiritual sickness or weakness. But God through Christ has given us the ability to rule over demons so that they obey us and take their leave when commanded to do so, in the name of Jesus. I have personally ministered to many born-again Christians and even Pastors whose their salvational testimonies and genuine and yet they manifested demons during deliverance ministrations. I do not say that a Christian can be POSSESSED with evil spirits but I say and mean that a Christain born again, with Jesus living in him as His personal Lord and Savior can have demons. The word often translated as "demon possessed" in Greek is "diamon izomai" which means to be "demonized". There have been several arguments and Biblical quotations to prove these facts wrong. Such as *"Light and darkness cannot stay together"* (11 Cor.6:14) or *"Old things (like this demons) are passed away"* (11 Cor.5:17) etc. but these arguments come from an incomplete knowledge of man. Or form a misconception that man is a one-room apartment occupied either by Jesus Christ or by Satan at one

time. Man is not one rooming apartment but a Trinity of Spirit, Soul, and Body. (1 Thess.5:13).

THE SPIRIT: In Hebrew "RUWACH" (wind) and in Greek "PNEUMA" (Breeze) is that unit of man that is born again when he receives Christ as his Lord and Savior. The Spirit has a keen sensitivity for the divine and it is responsible for the life of a man. Jesus says, "Let the Dead bury the dead" (Luke 9:60) which means that a man can be spiritually dead while he is very much alive physically and mentally.

THE SOUL: Is the part of man that has to do with the mind combining the WILL INTELLECT and EMOTIONS. Called in Greek "PSUCHE"

"But the natural (Soulish) non-spiritual man does not accept or welcome or admit into His heart the gift and teachings and revelations of the Spirit of God, for they are folly (meaningless nonsense) to him; and he is incapable of knowing them (of progressively recognizing, understanding and becoming better acquainted with them) because they are spiritually discerned and estimated and appreciated" (1 Cor.2:14 Amplified)

THE BODY: it is the part we see as the physical horizon of a man with the inner and outer parts. It is called "SOMA" in Greek. Man is compared to an egg with

three layers of the shell, being the covering as a body, the soul being the albumen and the spirit, which is the yolk.

Jesus has provided the salvation for our spirit on the cross of Calvary and Apostle Paul advised the Philippians church

"Work out (cultivate carry out the goal, and fully complete your own salvation with reverence and awe and trembling (self-distrust, with serious caution, tenderness of conscience, watchfulness against temptation, timidly shrinking from the whatever might offer God and discredit the name of Christ." (Phil.2:12b Amplified) which means we are fully complete the salvation of both our soul (from demonic thoughts) and our body (from demonic oppression.)

When Jesus comes into one's life at salvation, He comes in as a spirit and goes straight into the spirit of the man and impregnates it to produce a child called the "New Man". (Col.3:10) "New Creature" (11 Cor. 5:17) or the "Image of God" (11 Pet.1:4: Rom: 8:29)

"The Spirit itself beareth witness with our spirit, that we are the children of God" (Rom.8:16). Immediately this "child" is born, the Holy Ghost seal him with a divine seal (Eph 1:13-14) and then shuts off the entrance of any other spirit good bad. Therefore a Christian CANNOT BE DEMON POSSESSED because THE HOLY GHOST has already POSSESSES him her or her. When a

woman is pregnant no sperm can fertilize an egg until after delivery.

The soul and the body are two dimensions of the human sphere that are not connected with salvation, so demons still have access to this area of the believer's life. The demons dominate the spirit, soul, and body of the unbelievers. But of the believer, demons are limited to his soul and physical body only. When these attacks are successful the demons pitch tents and occupy either to oppress the body with sickness or to afflict the soul with evil thoughts.

If demons could get into the chief Apostle Peter and spoke through him despite and the fact that he been following Jesus all the while as his disciple, they would have occupied him without his knowledge, and also have used him. (Matt.16:21-23)

Brother Ananias and Sister Sapphira were members of the Christian body where Apostle Peter was the Senior Pastor. They must have been baptized with the Holy Ghost either at the upper room (Acts 2:1-4) or during one of the later services in Peter's church because it was rare to find any member of Apostle Peter's church without the Holy Ghost baptism. (Act 8:14-17). They must have been attending and take part in the Bible study classes on Christian growth and victory taught by the Apostolic elders (Act 5:41-17). However, this

couple's minds were in-dwelt and used by the demons of lying cheating, greed, deceit covetousness etc., which terminate their lives in an untimely death Act 5:1-10).

Many of the Corinthian Christians, born again, not lagging behind in any spiritual gift (they were matured and advanced Christians) watching for and expecting the coming of our Lord. (1 Cor.1:7), But were said to be yet carnal and still have the demons of envy, strife, division (1 Cor.3:3); fornication plus a host of other demons. (1 Cor.5)

Just look around you, within the redeemed community, and you will hear testimonies and see things which show that many of the Christians have some physical infirmities that don't get cured expect they are delivered from the demons behind this infirmities.

TESTIMONIES

(A) I ministered once to a Christian lady, matured in the Lord and a zealous worker, in a big Pentecostal Church in Lagos. Unfortunately, she had scars and bruises on her face as a result of frequent falls she sustained whenever she had fainting spells. This used to happen to her at least six times in a week either she's on the street, in the market and even in the church. During her deliverance, she vomited an egg and a stone. The demons screamed, kicked and

begged to say they have been sent to afflict her fifteen years ago. I commanded them to get out and go to the bottomless pit and that was the end of the problem.

(B) A brother came to me for ministration sometimes in November 2015. He is a prayer warrior in one of the fastest growing Pentecostal church in Nigeria, but he has epilepsy which has been an embarrassment to him all the while. He told me they have prayed and he had claimed Biblical promises of victory, yet he had no victory.

We ministered deliverance to him and he fell down and was gyrating on the floor. When the demon responsible for the epilepsy was commanded to move out, he began to scream and a wall gecko came out of him physically, we kill the wall gecko and threw it away and the brother was freed from 14 years of epilepsy, put on him by his mother who was a woman ruler. But when I got home and was about to sit down, I felt a strange coldness on my thigh, I held that part and observed a movement to which I shook my trouser and there on the floor was the wall gecko which we had killed during the day. The Holy Spirit made me realize that the epilepsy was transferred to me because of the brother's deliverance but the wall gecko could not enter into my body because of the divine coverage of the blood of Jesus and the Holy Ghost fire thereby forcing it to appear

and stayed glued on my thigh. I killed it, burnt it with fire and scattered the aches and that was the end.

(C) During a ministration in Benin, Edo state, there was this Christian couple whom the rulers of the darkness of this world have picked upon. Sickness was being transferred from the husband to the wife and vice versa. The wife and goiter as a result of the demonic deposits in her. We ministered deliverance to her and her goiter disappears, also the demon of infirmity was cast out of the husband and there was a speedy recovery. Thus these couples were liberated.

When we minister deliverance to people, we cast out demons from their minds, emotions, will, and bodies so as to enthrone Jesus over these areas, crowning Him Lord of the Total Man. Submit yourself for deliverance and Let Jesus rule over your spirit, soul, and body supremely.

PRAYER POINTS

1. As soon as they hear of me, they shall obey me; the strangers shall submit themselves unto me, in the name of Jesus. (Psalm 18:44)
2. The strangers shall fade away, and be afraid out of their close places, in the name of Jesus. (Psalm 18:45)
3. You dark strangers in my life, fade away by fire and be afraid out of your close places, in the name of Jesus.
4. Hot coals of fire from heaven, blow down the spiritual habitation of demons in my life, in the name of Jesus.
5. Every demon of envy and strife, in my life, I cast you out by fire into the bottomless pit, in the name of Jesus.
6. Demons of fornication and adultery, hear the word of the Lord, I cast you out by fire, into the pit of hell, in the name of Jesus.
7. Assignments of hardened demons against me scatter by thunder, in the name of Jesus.
8. Ancestral demons in my life, I cast you out by the power in the blood of Jesus, go to the bottomless pit, in Jesus name.
9. I crush under my feet, all the satanic demons, trying hard to imprison me, in the name of Jesus.
10. No demons shall survive in my body again, in Jesus name.

CHAPTER TEN

DEMONS OPPRESSION IN THE BIBLE

"How God anointed and concentrated Jesus of Nazareth with the Holy Spirit and with strength and ability and power, how He went about doing good and in particular, curing all who were harassed and oppressed by the power of the devil, for God was with Him" (Act 10:38 The Amplified).

The Greek word here for "oppressed" is "Katadunasteuomenous". The present participle, passive of "katadunasteo", " I dominate or exercise Lordship over". This comes from "Kata", "down or under" and "dunasteo" "I hold power or Lordship". Then all whom Christ healed while on the earth were diseased or afflicted people. The word "oppressed" in Acts 10:38 really means "those under the domination or Lordship of Satan" because Satan had gotten the Lordship either over them or over their ancestors. But Jesus came, died on the cross, then rose again that He might destroy the works of the devil.

In Luke 13:11 we read. *"And, behold, there was a woman which had spirit the of infirmity eighteen years, and was bowed together (bent double), and could in no wise lift up herself.* "Luke 13:16 informs us that this was Satan's work and she was of the household of Abraham the father of faith, she was a believer:

"And ought not this woman, being a daughter of Abraham, whom Satan hath bound, lo, these eighteen years, be loosed from this bond on the Sabbath day? Notice the word "which had the spirit of infirmity" and being a daughter of Abraham".

The Greek word for "infirmity" here is "astheneia", the commonest word in the Greek Language for "Sickness". Then this poor woman a believer had been dominated for eighteen years by an evil spirit, a spirit here called "a Spirit of sickness". Yes, in Bible times as it is today, Satan really has "Spirit of sickness" whose one great work in this world is to propagate sickness and disease.

In Mark 9:25 we find that Satan also has "deaf and dumb" spirits: When Jesus saw that the people came running together, He rebuked the foul spirit saying" I charge thee, come out of him, and enter no more into him". In addition to the "spirit of sickness", Satan also has "deaf and dumb" spirits to afflict mankind.

In Luke 4:35 we read, "And Jesus rebuked (epitimesen ie the Hebrew) him (the evil spirit in a man), saying Hold thy peace and come out of him.

"In Luke 4:39 we read "And he stood over her (Simon's wife mother), and rebuke "epitimesen" the same word as in Luke 4:35 above) (the Spirit of) fever; and it left her". Christ used the same harsh word to rebuke all sick-

nesses as He used to rebuke all evil spirits because Satan causes all sickness.

In Mark 1:23 we read, "And there was in their synagogue a man with an unclean (unwashed, dirty, foul) spirit."

The case of lot and her two daughters in Gen.19:30-38 make us also to know that Satan has spirits who are specialists in polluting men's minds and imaginations, making them immoral. Satan has all kind of evil spirits who obey his every command in laying siege around the mind and body of believers in order to afflict them in various ways.

The main goal of Satan and his hosts in to hinder God's purpose in one's life; they succeeded with the Israelites at Kadesh and caused them forty years wildness wanderings (Numbers 14:25, 32-34, 13:26). They hindered Daniel's ministering angle for twenty-one days (Dan. 10:12-13) they **hindered** Paul twice from going to the Thessalonians (1 Thess. 2:18).

2. Any ancestral bloodshed of animals or human beings, affecting my life, loose your hold by the blood of Jesus.

CHAPTER ELEVEN

DELIVERANCE A FOOD FOR CHILDREN

"And behold a woman who was a Canaanite from that district came out and with a (loud, troublesomely urgent cry, begged, have mercy on me, O Lord, son of David! My daughter is miserably and distressingly and cruelly possesses by a demon!" ***(Matt. 15:22 Amplified)***

This Syrophoenician woman whose story is found in two Gospels of the Bible was determined to get deliverance for her daughter at all cost. Despite the fact that Jesus did not want anyone to know that he was there (maybe he wanted a quiet time) (Mark 7:24). This woman's tiresome cry heralded the presence of the Lord who did not answer her knowing that what she was asking for did not rightfully belong to her. Her noise became unbearable for the disciples and they urged Jesus to send her away. (Mark 15:23).

Jesus replied her saying" I was sent only to the lost sheep of the house of Israel" (Matt. 15:24) "lost sheep" here means believers who do not know their rights and have become dead in sin or in demonic oppression. Upon getting a little attention from Jesus, the doggedly determined woman came and WORSHIPPED him saying "lord help me". *but she came knelt down and worshipped Him and kept praying lord help me"* (Matt. 15:25 Amplified).

The woman meant something likes this from the above passage. "I worship you as my Lord and I refuse to worship my pagan god, I kneel down for you and I refuse to kneel down before idols anymore, I refuse to pray unto my deaf, blind and dumb gods anymore, please help me."

Jesus now wanting to confirm her declaration hit the nail at the top by saying " it is not meet (proper, good or right) to take the children's bread, and cast it to dogs" (Matt. 15:26). As if to say you now believe me because of the gravity of your problem but this deliverance that you want for your daughter is not meant for dogs (unbelievers) but for children of the kingdom (the sheep). The undaunted woman replied Jesus that "even the dogs eat of the crumbs which fall from their master's table" (Matt.15:27). This woman's faith was greatly commended by Jesus, (Matt. 15:28) and her daughter was healed from the demonic oppression. The woman though a dog by nationally being a gentile seem to believe in Jesus as her only hope of deliverance for her daughter. This belief runs like this *"Even if you call me a dog, of a truth, so I was before I met you but now I accept you as my Lord and Savior."*

The teachings of Jesus in these passages are very clear that:

(a) Deliverance is the meat (food) for the children of God the lost sheep

(b) It is not proper to minister deliverance unto the Gentiles (unbelievers)

without them accepting the Lord Jesus. From field experience, such ministrations often result to a worse condition as the cast out demons might come back with seven stronger demons to occupy the Christless soul. (LK. 11:24-26, Mt. 12:43-45)

(c) It affords us a good opportunity to minister salvation first to gentiles and make them confess Jesus as their Lord before giving them an entitlement meant for the believers, no matter how compelling their cry is.

CHAPTER TWELVE

WHO NEEDS DELIVERANCE?

Having been ascertained that deliverance and healing are meant for the believers, (the lost sheep who do not know the value of their stock of wealth that is already given them by the Lord Jesus Christ) it is high time for believers who are suffering in ignorance, thinking it is part of their cross to know that deliverance of their soul and body is what Jesus has left the power to the church for.

Christian versus demons, the battle continues until Christ returns to take us home. My prayer is May the Lord help us as we submit ourselves for the perfection of His work through this Holy Ghost ministration that Christ does in Jesus name (Amen).
