CHAPTER ONE
DEFINING EVIL ALTERS

Some of the people perceive altars as the place of where the human spirit meets with the Spirit of the Lord only. Yes that that true but there is more to altars than just being places where the human spirits meet with the spirit of the living God. Broadly, an altar is a special place of consecration dedicated unto a supernatural being. This can be a place any place that is set apart for supernatural purposes. The place is considered a very special place for deity or deities. It can be a room, a house, a tree, a part of the ground, a hill, a mountain, a river, a sea, or a stream etc. It must be remembered that that there are two kingdoms on earth being ***the kingdom of God*** and ***the kingdom of Satan***. Therefore, there are also two kinds of altars being the altar which is dedicated to God and the altar which is dedicated to Satan/ demons. The altar which is dedicated to God speaks for the people of God and the altars dedicated to Satan usually speak against the

children of God.

From the scriptural reading, in ***Judge 6:25-26***, the Bible says that at night the Lord said to Gideon take your father's bull, and the second bull seven years old, and pull down the altar of Baal that your father has and cut down the Asherah beside it. And build down an altar to the Lord your God on top of this stronghold with stones laid in proper order. From these two verses, the altar which was built to Satan is represented by the altar which was built to Baal and the altar which was dedicated to Almighty God is represented by the second altar. In a person's life, these two altars cannot work at the same time. It takes the stronger altar to destroy the weaker altar. This means that a person is either controlled by the altar of God or by the altar of Satan.

What happens at the altar of God?

There are many reasons of which people needs to build altar of God for. The following things are happening at the altar of God;

God draws his people to his altar- In ***Judge 6:11***, the angel of the Lord came and sat down under oak at Ophrah that belong to Joash the Abiezrite, where his son Gideon was threshing wheat, in a winepress to keep it from the Midianites. The angel of the Lord represented God. Therefore this shows that the Lord revealed himself to his people so that he can drew them closer to him.

A place of repentance- Sometimes the Lord draws his people this altar so that they can repent from the sins that they have committed. In ***Judge 6***, Israelites did what is evil in the side of the Lord by building the altar to Baal, therefore the Lord draws his people to his altar as the way of repentance.

God's power: At the altar God shows a person his failings at the same time he is showing a person his power because at the altar, the human Spirit meets with the Spirit of God. So people build altar to God so that they can

be controlled by the supernatural power of Almighty God.

What is happening at evil altars?

Many Christians do not know about evil altars and what's is happening at evil altars, They just experience problems happening in their lives without knowing that the root causes of those problems are evil altars. At the satanic altars, the following things happens:

Spiritual sacrifices: An evil altar is a place of spiritual sacrifices to devil and his agents, communion with satanic gods, worship of false gods, invocations, enchantments, divination that driver of satanic power and authorities.

Contact with evil spirits: At evil altars people make contact with evil spirits , engage in evil contracts , agreement, covenants, consultations, and bondages, a servicing place whereby evil; contracts, agreement, covenants, bondages, prisons, and relationships.

Evil altars are the entry points of evil spirits into the earth or into people or things, a launching pad for evil attacks operations, to fellowship wit evil cohorts, and members.

Stop people progress: It a place of stop people progress, to kill, destroy, terminate, frustrate, or damage, people's lives, properties, dreams, future, progress, blessings, and destinies. ***Judge 5:20***, ***2 King 3:26-27***.

How people have erected evil altars?

People on the basis of their cultures, erects evil altars in different ways. But let's look at the biblical implications of how people had erected evil altars in the past. In ***Judge 4:20-21***, the Lord said, "From the heaven they fought, from their courses they fought against Sisera. The river Kishon swept them away, the age-old river, Kishon. March on my soul be strong. The other scripture which shows how people have erected the evil altars is ***Acts 19:23-41***. In Acts we learnt about the riot in Ephesus regarding Paul's statement considered by the people of

Ephesus to be blasphemous regarding their goddess Artemis which fell from the sky. This scripture shows clearly how the evil altar was erected to the goddess Artemis of the sky.

The other scripture which shows how people have erected evil altars in the past is ***Amos 5:25-26***. In Amos the Lord said," Was it to me you were bringing the sacrifices and offerings in the wilderness, Israel? No, you served your pagan Gods – Sakkuth your king god and Kaiwan your star god- the images you made yourself.

The above scripture shows clearly how people have erected evil altars to different god and goddess in the past. They had rejected the only true God and served different gods. They worshipped the gods which were made by even their mere hands such as Kaiwan and others. These disgusting gods and goddess have made people to turn away from the Living God and worship them as a result of these transgression of violating the biblical principle of the word of God which says, 'People have to love the Lord with all their hearts, strengths, minds and souls, those evil altars had negative impacts on people which will be discussed in chapter two.

Types of evil altars

There are many types of altars and they are, supreme altars, (Satan's altar), and juridical altars, e'g, terrestrial altars, marine altars, forest altars, cemetery (grave yard) altars, road altars, pathways altars, astral altars, territorial altars.

Supreme altars: these are the altars which are dedicated to Satan/ devil. These are altars which are raised by people who worship him. At this altar, their spirits, meets with the spirits of devil.

Juridical altars: like it has been mentioned earlier that at the evil altars, people worship false god and each god or spirits has the jurisdiction, and operate freely within its jurisdictions, and must obtained permissions before crossing into

another jurisdictions. Jurisdictional altars controls, and manages jurisdictional power and maintains spiritual laws and orders; like the police. They have altars used by its worshipers and followers.

Terrestrial altars: These are altars superior to astral altars and so the power and authorities from astral altars. Terrestrial alters services controls the gods and goddesses dedicated to heavenly bodies and mediums like star, moon, sun god which are astral gods.

Marine altars: These are the altars which are raised by people who commit sexual sins either consciously or subconsciously. Marine sprits are raised to war against individuals, families, governments and even continents. The dedications to these altars normally extends to generation to generation unless you renounce it and separate yourself from the evil umbrella in one's family line.

Road Altars: These are the altars which are raised by witchcrafts alongside the road or at the road junctions. The purpose of these altars are to cause car accidents alongside the road of which they are erected or at the junctions. There are certain roads whereby there are many car accidents which are happening in that road time in and time again.

Territorial altars: These are the altars which are raised against the certain territories. Territorial altars controls the lives of people who are living in that territory. For example of territorial evil altar, at Ha Tsolo, many of the women are unmarried and even those who are marrived, after sometimes they return back to their homes. The territorial altar is affecting them.

CHAPTER TWO
THE EFFECTS OF EVIL ALTARS

Evil altars like anything else which comes from the enemy/devil have consequences. One has to remember that the enemy comes only to steal, destroy ad kill ***(John 10:10)***, therefore evil altars are raised in order to steal, peoples' prosperities, blessings and any good thing which they have, destroys all the good things and ultimately kill people and by destroying their lives. Above all things, it must be remembered that the enemy strives to destroy the relationship the Lord with people and the scriptures in the chapter one shows how people have erected different evil altars to different gods and goddesses in sacrifice and worshipped heavenly bodies instead of ***Almighty God***. Even today in other regions of the world people still worship different heavenly bodies instead of Almighty God. From those evil altars they cause harm to people, destroys their lives and steal from them. Before a person can serve Almighty God with all their heats, evil altars must be totally destroyed, denounced and torn into pieces. No believer should disobey the Lord by erecting evil altars as the commandments of the Lord says, "You shall not make yourself an image in the form of anything in heaven above or on the earth beneath or in the waters below. You shall not bow down to them or worship them; for I, the Lord your God, a jealous God, punishing the children for the sins of their parents to the third and fourth generations of those who love me, ***(Exodus 20:4-5).***

From ***Exodus 20:4-5***, shows that erecting evil altars is the same things as

worshipping false gods and goddesses not almighty God and the only God. Therefore, people who have erected evil altars are condemned to the punishment of God. God will punish them. Even those people of which evil altars have been erected against them, the Lord will punish them, unless they tear down those evil altars. Knowingly or unknowingly, if there is an evil altars speaking against you, you are condemned for the punishment of God such as the prayer not being answered by the Lord. If one wonder how they can know that the evil altars have been erected against them, the following are the consequences of evil altars;

Effects/consequences of evil altars

Opposition of God- Evil altars make people to be in opposition of God, rebelling against the Lord and rejecting the word of the Lord, his laws and commandments and the grace of our Lord Jesus.

Endless struggles: If the suffering of people are endless without any known cause, definitely, the evil altar is erected against such a person. Endless struggle extends to the things such as endless sickness, sufferings, limitations in meeting someone needs, frustration in life, opens door for evil spirits, giving Satan a foothold to tempt you, delay God's plans.

Having unsolvable mysterious situations: Never ending problems, prolonged afflictions, divorce, poverty, backwardness, bareness, ultimately death, sudden dearth etc.

These evil altars causes all evil such as failure at the edge of breakthroughs, difficulty in relationships and hopeless feelings and all kinds of evil in the life of a person.

CHAPTER THREE
PRAYERS DESTROYING EVIL ALTARS

Most people are terrified of the evil altars and principalities, powers and the authority behind them. You should not because he that is in you is greater than the one in the world, ***(John 4:4),*** In ***Mark 16:16-19***, Christ gave you the power to counter everything evil and has also given you dominion over them, ***Luke 10:17-23***. You have Christ and through Christ you have God the father and God

the Holy Spirit. No evil one or spirit can stop you whatever you want to in the name of Jesus.

Before a person can serve almighty God with all their hearts evil altars erected against them must be totally destroyed and the altar of God have to be raised so that the power of the Lord will speak against the power of evil spirits which are attacking people. God is far greater than devil and by raising the altar of God, the Holy Spirit will speak and fight against any evil spirit which can be send against the people. This was the same with Gideon. In ***Judge 6:22-23***, Gideon erected the altar of God in replacing the altar of Baal which was erected by his father. The altar of God has the power to destroy any altar which speaks against a person. The altar of God destroyed the altar of Baal which was speaking against the children of Israel. A person can also has his own altar erected and dedicated to God but this must be in the same place, where the evil altar was erected. The evil altar have to destroyed, and torn down, clear all its structures and discard them and on the same spot another well-constructed altar for the Lord must be build. You cannot chase evil spirits out and walk away. You must chase them away and serve the Lord whole heartedly so that the altar of God can continue to speak against all those evil altars.

In ***Luke 11:21-28***, Christ taught us that of a man, a strong man that guides his house but if he fails to do so, the house will be taken over by another stronger man who will destroys him and plunders him away. This shows clearly that if the evil altar is built against a person, such as a person has to build a stronger altar which will speak against an evil altar. If the person has destroyed an evil altar and does not build the altar to God, such an evil spirits which has been cast out, will come back with seven other spirits to reclaim their altars and the house in the person's life. The situation of a person will be worse if you fail to do this instructions.

In ***John 4:21-24***, the Lord Jesus was met a Samaritan woman, he told that woman that Samaritans do not know whom they worship. But Jews know whom

they worship. Jesus told the woman, that the time is coming and is already here whereby true worshippers will worship the Lord in the Spirit. The Lord is the spirit and it is by the power of his spirit that people will worship him as he is. Altars are built in worship and services. Therefore, it is important that believers built the altar of God in their Spirits by worshipping the Lord in the truth and in the Spirit. So this shows that the altar of God is built in the spirit realm or spiritually. Building the altar of God is the greatest weapon you can have in the spiritual warfare because the Lord is far greater and powerful than any power of the enemy.

How to destroy evil altars?

It takes the power of the Lord to tear down the evil altar which has been speaking against the person. The Lord clearly says that nothing can escape the power of God. No evil spirit can escape the power of the Lord. No power of the evil altar can escape the power of God. This shows that the power of God is more than enough for breaking and destroying evil altars. Before a person can destroy the evil altars which are working against such a person, they must know the following important things;

1. **It takes an altar to destroy an altar**- A superior altar can only destroys and replaces the inferior altar. It takes God's altar to destroy satanic altar. This was shown in ***Judge 6***, After Gideon has torn into pieces the altar of Baal which was built by his father, Gideon had to build a well-constructed and dedicated it to Almighty God.
2. **It takes a sacrifice to destroy the influence of any evil altar**. This means that it takes the influence of the greater holy sacrifice to destroy the influence of the unholy sacrifice. In ***Judge 6***, Gideon took the his father's bull (unholy sacrifice) and the other seven year old bull (the holy sacrifice), He used his father's bull to destroys the altar of Baal which was raised by his father and he built a well-constructed altar to God and offered the seven year old bull as a sacrifice. The

holy sacrifice destroys the influence of unholy sacrifices which were offered to Baal. The Lord demanded a sacrifice and he sacrificed his only begotten son Jesus, for us to redeem us and set us free from any bondage and the stronghold of devil, who tricked and misled Adam and Eve in being disobedience to the word of the Lord. The other thing is that you cannot tear down an evil altar physically or spiritual without the guidance of the Lord. Before a person can destroys the evil altars such as a person, has to seek, and ask for the direction of God to do so. The Holy Spirit is there for you and you must listen to him attentively and the will send forth his angels to assist you in tearing the evil altars. Remember that the angels are send forth by God to do his commandments ***(Psalm 103:20).***

Before the person can tear down evil altars, the following confession is must thing to do.

Confession

In the name of the father, the son and the Holy Spirit, amen. I thank you God and I bless you Lord for your ministration and ask for your grace to reflect and mediate upon the word that I receive today in Jesus name. Father, I do not know how to pray, for your word says that the Holy Spirit helps us in our weakness, He intercedes for the saints according to the will of the lord, I am asking that the Holy Spirit will assist me in destroying evil altars which are raised against my life.

After a person has confessed the word of the Lord above, I recommend that a person takes a week praying the prayer points below. The person must pray against evil altars at 00.00 to 01.00 hrs. The bible in the book of ***Judge 6*** says Gideon was afraid of people so he went to tear down his father's altar at midnight. Midnight prayers are very powerful. When Paul and Silas were in prison, at midnight, they prayed by praising the Lord who sent forth his angel

to deliver them from prison. Therefore, because of the scriptures above, the midnight prayers are very powerful and the Lord will send forth his angels to deliver you from the influence of evil altars when you pray the following prayer points;
